

June 6 Auction: Baseball Autographs

343 Roy Campanella 9 (ONL White)..... 250
Tougher single, these always seemed undervalued to us. A PSA 7.5 brought over \$1,000 in our April auction. Strong single, this is a nice if not Mint ONL White model with a large blue ballpoint ink signature. The autograph of Campy is as nice as they come. JSA LOA.

344 Roberto Clemente 4 (ONL Giles)..... 350
Pleasing mid-grade ONL Giles ball is off-white but fairly clean. This is signed and inscribed by Clemente, with a light but certainly legible signature on the right panel in blue ink. Signed in the 1960s, eminently affordable and presentable Clemente single. JSA LOA.

345 Joe Cronin 7..... 150
Classic single from this HOF player-manager, a high grade example brought thousands in our last major auction. Offered is a vintage single from the late 1940s, this is signed in fountain pen. Warmly signed and inscribed by Cronin, he pens almost an entire panel and signs Best Wishes Joe Cronin and Red Sox. Everything is in clean fountain pen ink, the ball is a medium toned OAL Harridge model. Nice lot. JSA LOA.

346 Dizzy Dean 8 (signed 1937)..... 400
A beloved HOFer, Dizzy Dean single signed balls are certainly not rare. Most were signed in the 1960s or the 1970s, the offered lot is special as it was signed by Dean as a player. This ball is a clean ONL Frick model, with a nice signature and inscription on a side panel. Dean dated this September 20, 1937. We cannot remember the last time we saw such an early Dean single. This comes with full LOAs from both JSA and PSA.

339 Nichols, Kid Signed Kid Nichols Day Card 9.5..... 250

Popular card produced for Kid Nichols Day in 1949, this is cut close at the bottom border but otherwise displays well. Signed by 19th century HOF pitcher Nichols in bold and spotless blue ballpoint ink, this has a full Charles Kid Nichols signature. SGC slabbed.

340 Gorgeous Ted Williams Signed 1939 Rookie Original Artwork 9..... 450
Terrific Ted Williams artwork, this 15x15 piece is titled The Rookie Champion. Produced during Ted's historic 1939 Rookie Season, this has a large and very well rendered image of Ted in the center, with all sorts of interesting artwork throughout. This has some general wear from age and handling but still presents quite well. Ted signed this in large and Mint blue ballpoint ink in a great spot. This has some staining, August 1, 1939 is stamped on the back, presumably the publication date. JSA LOA (full).

Single Signed Baseballs

341 Earl Averill 8.5..... 350
Tougher single, these are often forged. Offered is a clean Catfish Hunter All Star model baseball. Signed by Cleveland Indians HOFer Earl Averill in his usual spot on a side panel, the autograph is in pleasing blue ballpoint ink. Signed just on the Haiti stamp, the autograph displays well. This is missing from most HOF single signed ball collections. JSA LOA (full).

342 Vern Bickford (rare) 8.5..... 300
Bickford pitched from 1948-1954 for the Boston and Milwaukee Braves and was a 1954 Oriole. He died in 1960 at only age 39, creating a great rarity for a single signed ball. Offered is a mildly toned ONL Frick model ball. The ball likely saw same game use and has a nice antique look. Bickford signed on a side panel in solid and attractive blue ballpoint ink. How many of these can be around? JSA LOA (full).

June 6 Auction: Baseball Autographs

347 Joe DiMaggio 8.5 (PCL ball, rare) 150
Joe DiMaggio famously came to the Yankees from the Pacific Coast League, he hit in a record 61 straight games in 1933. Offered is a lovely, clean vintage Wilson Official Pacific Coast League model baseball. Joe signed this very neatly on the sweet spot in vintage blue ballpoint ink. Very desirable combination of ball and signature, this is something that you hardly ever see. PSA DNA (full).

348 Joe DiMaggio (HOF 55) PSA 8.5 150
Scarce and always desirable, offered is a high grade Joe DiMaggio HOF 55 single. Needed by so many collectors, not nearly enough of these were signed to meet the broad demand. Very fine, this is a high grade OAL Budig model baseball with a very clean blue ballpoint signature and inscription on the sweet spot. PSA DNA (full).

349 Don Drysdale (Cy Young 1952) 9.5 125
A better single, these are somewhat scarce as Drysdale sadly died in 1993 at a relatively young age. Often forged, this is of course the real McCoy. Offered is a super clean Official League model baseball. This is signed Don Drysdale Cy Young 1962 in flawless blue ballpoint ink on the sweet spot. If you are doing a Cy Young inscription run, you should take a good look at this. PSA DNA (card).

350 Burleigh Grimes PSA 7.5 165
Elusive single, HOfer Grimes died in 1985 before the show era. PSA graded the ball a 7.5 overall, the autograph a 9, the ball a 6. This is signed on an ONL Feeney model this is toned but is otherwise clean. PSA DNA (full).

351 Lefty Grove
(double-signed game ball from 1935) 7 600
Lefty Grove is considered by some to be the best pitcher in baseball history. Grove is not a hard signature to find on a 3x5 or smaller flat but single signed balls are scarce and are cherished by collectors. The offered lot is one of the most interesting examples one can ever hope to find, a true double-signed game ball! Offered is a toned OAL Harridge model ball. One side panel is simply signed Lefty Grove in blue fountain pen, about an 8/10 in darkness. Another panel, all in Grove's hand, lists out the full line score for a 6-5 win over the New York Yankees in an August 1935 game. Grove signed this panel as well, closer to a 5/10 in darkness. How great is it to have a filled out game ball from one of the very finest pitchers in all of baseball history? JSA LOA (full).

352 Gil Hodges 5 200
Light but legible Gil Hodges single signed baseball, these are of course very scarce due to his sad death in 1972 at a relatively young age. High grade singles have sold for \$5-\$10,000 over the years, this lot is perfect for a 1969 or general Mets single signed ball collector who does not want to put that much money into one baseball. The offered ball is a pleasing Spalding ONL Feeney model, mildly and evenly toned, this is signed Best Wishes Gil Hodges in blue ballpoint ink on his usual spot on a side panel. JSA LOA.

353 Gil Hodges PSA 7.5 300
Key single signed ball, Hodges sadly died in 1972 at a relatively young age and is always desirable as a single. Offered is a very clean Little League model baseball. This is signed and inscribed To a Vic & Paula Masterson, with a fine Best Wishes signature. Very clean and fine, Hodges singles often have significant condition issues. This is graded 7.5 by PSA. PSA DNA (full).

June 6 Auction: Baseball Autographs

354 Waite Hoyt PSA 6.5..... 300
Desirable single of this 1927 Yankees HOF pitcher, PSA graded the autograph a 7 and the ball a 6. We think this is very low. The ball is a clean and evenly toned OAL MacPhail model, the autograph is in sold blue ballpoint ink on the sweet spot, a 9/10 in our opinion. The winning bidder should really enjoy this strong condition single signed ball. PSA DNA (full).

355 Deron Johnson 9.5 (ONL White) .. 750
So scarce, 1961 Yankee Deron Johnson died in 1992 at age 53. He did not do any shows, so single signed balls are extremely rare and desirable. The last example we had at auction brought \$2,500 and was inferior to the offered lot. Presented is a true gem, a bright white and spotless OAL Brown model baseball. Signed on the sweet spot Deron Johnson 1961 Yankees in perfect blue ballpoint ink, the signature could not be any nicer, and contrasts perfectly against the pristine ball. It would be very, very hard to find a better (or even comparable) ball to this little gem. Who wants to fill one of the very toughest holes in their 1961 Yankee single signed ball collection? JSA LOA (full).

356 Sal Maglie (1951 NY Giants) 9.5 (ONL Feeney) 225
Very tough single, Sal The Barber Maglie died in 1992 and did hardly any shows. Single signed baseballs are very hard to find, offered is a phenomenally clean ONL Feeney model. Signed on the sweet spot, this is a superb blue ballpoint signature. Even better, Maglie penned 1951 N.Y. Giants in his own hand on the sweet spot. How often does one ever find a Maglie single with a desirable inscription? JSA LOA.

357 Mickey Mantle (No. 7) 9.5 (OAL Brown).. 150
Fine ball, this one is particularly bold and clean. The ball itself is quite clean, the autograph is on the sweet spot and is unusually large and fine. As nice as you will see, this looks terrific. JSA LOA.

358 Mickey Mantle (vintage on rare Babe Ruth model baseball) 7..... 200
Extremely scarce Mickey Mantle single, the first we have ever seen on this type of baseball. This great item pairs Babe Ruth and Mickey Mantle as the ball itself is an official Babe Ruth League model. Signed Best Wishes Mickey Mantle on the sweet spot, the autograph is respectable if not perfect. This is a game ball, and is possibly unique. Vintage Mickey Mantle balls of this quality are revered by Mantle collectors and always very desirable. PSA DNA (full).

359 Mickey Mantle (536) 9.5..... 250
Very scarce, better Mickey Mantle inscribed balls are revered by collectors. Truly hard to find, offered is an exceptionally clean and fine Mickey Mantle inscribed baseball. This is signed Mickey Mantle 536 in particularly clean and attractive blue ballpoint ink on the sweet spot. The top quality signature contrasts perfectly against the clean ball. As nice an example as we have seen, the quality here is impeccable. PSA DNA (full).

360 Mickey Mantle (lot of 3) 9..... 400
Trio of Mickey Mantle single signed balls, each is on an OAL Brown ball. Each has toning, one is much better than the others. The autographs are all on the sweet spot in bold blue ballpoint ink. Each ball comes with an individual full JSA LOA.

June 6 Auction: Baseball Autographs

361 Mickey Mantle (Mickey Charles) 9 500
One of the most desirable Mickey Mantle singles, this is a solid OAL Brown ball. Signed Mickey Charles Mantle in clean blue ballpoint ink. So scarce compared to his other inscriptions, these are prized by advanced Mantle collectors for good reason. An advanced Mantle signed baseball collector should really enjoy this beauty. JSA LOA (full).

362 Rube Marquard 8 250
Very desirable single of a quality deadball era HOF pitcher, these are missing from all but very advanced single signed baseball collections. Signed right near the end of his life in 1980, offered is a clean off-white ONL Feeney model baseball. This is signed neatly by Marquard in pleasing blue ballpoint ink. Who wants to add a true single of a deadball era HOFer to their collection? PSA DNA (card).

363 Billy Martin PSA 9 150
Billy Martin is a much tougher single than his contemporaries as he sadly died in 1989 at a relatively young age and did not do many shows. They also tend to have condition issues when offered, Mint examples are very hard to find. Offered is an absolutely immaculate OAL Brown model baseball, this has a dead Mint black sharpie ink signature on the sweet spot. Upgrading anyone? PSA DNA (full).

364 Billy Martin (signed to Joe DiMaggio!) 9 150
How is this for a great Billy Martin ball? Offered is a high grade OAL Brown model ball, signed as follows:
To DiMaggio Thanks for coming on My Day Billy Martin.
Dated 8/10/86 by the seal, this was Billy Martin Day at Yankee Stadium. Billy Martin got his much deserved plaque in Monument Park that day. Personal items from one Yankee legend to another are always cherished by collectors, this is a terrific signed baseball. JSA LOA (full).

365 Willie Mays (signed in 1950s!) 8 (ONL Giles) 400

So hard to find, offered is a rare true Willie Mays vintage signed ball. The ball is a nice off-white ONL Giles ball, likely signed at a game. This is signed Willie Mays (Giants) on a side panel in clean blue ballpoint ink. Vintage Mays singles of this quality are much rarer than vintage Mantles, they are profoundly undervalued in this market in our opinion. JSA LOA (full).

366 Lynn McGlothen (extremely rare) 5 450
Lynn McGlothen was a pitcher from 1972-1982 for the Yankees, Cubs, White Sox, Cardinals, Giants and Red Sox. He sadly died in 1984 at only age 34. Offered is a profoundly rare single signed baseball. A game ball caught as a foul ball during a 1972 Indians-Red Sox game, the ball has lots of use and the signature is not perfect but is clearly legible and not bad at all. If you are an advanced single signed ball collector for any of these teams, you should take a serious look at this. JSA LOA (full).

367 Joan Payson (very rare) 7 1000
A potential HOFer, beloved Mets co-founder and owner Joan Payson (1903-1975), is a very scarce autograph, truly rare on a single signed baseball. Payson's bio on wikipedia is great reading. The offered ball is a game ball from opening day 1975. The moderately worn ball has a side panel signature: Joan Payson NY Mets 4/8/75. Signed in the last year of her rich and fulfilling life (Payson died on October 4 that year), this is something that you just never see. Despite the condition issues with the ball, the autograph is clearly legible and recognizable. Who wants to own a truly, truly rare single signed ball? How much will this run if she gets inducted into the HOF in the future? JSA LOA (full).

June 6 Auction: Baseball Autographs

368 Schoolboy Rowe (very rare) 7 250
In addition to having a nickname the ESPN guys would love, Lynwood Schoolboy Rowe was an All Star pitcher from 1933-1949, he was a 1934 Tiger. Rowe died in 1961 at only age 51, and is a scarce autograph, particularly on a single signed ball. The offered ball is a toned ONL Frick model, likely signed in the 1940s. One panel is signed Schoolboy Rowe May 25th. The other panel has a great inscription to his wife detailing that this ball was used in a particular game. This was likely used in a 1942 game while Rowe was a Brooklyn Dodger based on the inscription but we are not sure as the May 25 game that day did not have Rowe pitching. Either way this is a fine rare single signed ball from a high quality pitcher that hardly ever comes to market. PSA DNA (full).

371 Casey Stengel (to Zack Wheat!) 8 400
How is this for a neat single signed baseball? The offered lot is a clean, lightly toned ONL Giles model. This is remarkable as it is signed by one HOFer to another. Stengel penned a side panel as follows: To Zack Wheat a real player and friend. Casey Stengel. Stengel singles are always desirable as he is needed by HOF, Yankee and Met collectors. This one is obviously unique and truly special, this is a terrific signed baseball. JSA LOA.

372 Ted Williams (UDA, 39-60) 9.5 (OAL Brown) 150
Very tough Ted Williams single, this is in the original UDA box with all paperwork. Extremely limited edition piece, only 125 of these were done. Signed on a spotless OAL Brown ball, this has a flawless signature and scarce 39-60 inscription just below the sweet spot in Ted's hand. How often do these come up for public auction? JSA LOA.

369 Don Rudolph (extremely rare) 8 600
Don Rudolph pitched from 1957-1964 for the White Sox including the 1959 team, the Reds, Indians and Senators. Rudolph died in 1968 at only age 37, making this extremely rare without exaggeration. Very interesting ball, this is a game ball from a 1954 game pitched by Rudolph as a Colorado Springs player. Dated July 28, 1954, the ball contains all sorts of wonderful notations. Rudolph signed this in period blue ink on a side panel, a pleasing albeit not Mint autograph. If you are a big 1959 White Sox collector or just like rare single signed baseballs, this is worthy of some serious consideration. JSA LOA (card).

373 Ted Williams (BA 344-9) 9.5 300
Ted Williams single signed baseballs of course trade all the time, but balls with unusual inscriptions are truly rare and almost impossible to find. The offered lot is such a ball, this is a lightly toned but clean OAL Brown model. This is signed on the sweet spot Ted Williams BA. 344 - 9 in spotless blue ballpoint ink. Extremely rare, this is the first time that we have seen or handled something like this. Ted's amazing .344 career batting average is among the highest of all time. 9 refers to his uniform number. Who wants to own a Ted Williams single that no one else has?! JSA LOA.

370 Red Ruffing 9 450
Bright white Major League model baseball, this has a perfect black sharpie ink signature on the sweet spot. Yankee HOFer Red Ruffing died in 1986. Ruffing did not do any shows and as with so many others, is easy to find on a 3x5 or smaller flat but quite scarce on a single signed ball. Who wants to fill a good hole in their Yankee or HOF single signed ball run? JSA LOA (full).

Multi-Signed Baseballs

- 396 1950s HOFers/Stars w/vintage Campanella PSA 6.5..... 150
Solid ball, this has a fine pre-accident Campy on his own panel that is displayable as a single signed ball. The ball itself is a lightly toned Reach OAL Harridge model for an event at Texaco Oil on November 23, 1957. The other autographs are all managers: Casey Stengel, Leo Durocher and Fred Haney, everyone is on their own panel and the autographs are very nice. A ball you never see, this is sadly special as Campy had a terrible car accident two months later that left him partially paralyzed. PSA graded the autographs an 8 and the ball a 5, which seems awfully harsh for the ball. PSA DNA (full).

- 397 3500 Club (Aaron/Mays/Murray) 9 120
Neat ball, this is a custom ONL White 3,500 club model. Clean, this is a limited edition (152/350). Aaron, Mays and Murray each signed on their own panel. These are the only members of the 3,000 hit, 500 home run club. JSA LOA.

- 398 DiMaggio Brothers 7.5..... 150
Classic signed baseball, Vince's death in 1987 makes these scarce. Offered is a toned OAL Brown model, Vince is on the sweet spot, Joe on the top panel, Dom the bottom panel. The ball has natural toning, the signatures are a touch light but fully legible. JSA LOA (full).

- 399 DiMaggio/Mantle/Stengel to Van Lingle Mungo 8..... 200
Great signed baseball, this is a high grade Spalding ONL Feeney model from the 1970s. This is quite clean and nice. From the personal collection of beloved Brooklyn Dodger player Van Lingle Mungo, this is quite the signed baseball. Casey Stengel signed the sweet spot, Mickey Mantle a side panel with a nice inscription, Joe DiMaggio an opposing panel with an even nicer inscription as well as Al Lopez and Mungo himself. How often do you see a baseball with DiMaggio, Mantle and Stengel on separate panels? Very fine and unique ball, the winning bidder should really enjoy this little marvel. PSA DNA (full).

467 1964 NASA Medical Records Collection
(5 books, fine content) 100
Belonging to Dr. Dwight Owen Coons, Deputy Medical Director, NASA, this is a historic collection of 5 spiral bound calendar books, dated 1964-1968 and a spiral bound notebook titled by hand on the front cover, Property of D.O. Coons, Center Medical Office, NASA MSC, Notebook #2, 1 Jan '66 - 30 Apr '67. The books provide a fascinating first hand look into the Apollo and Gemini space programs. One of the most sobering entries relates to January 27, 1967 where Coons notes in pencil, Plug Out Test involves a prelim. Run at the crew & pad count. Later, at 6:31PM the Apollo 1 spacecraft being tested, burst into flames on the launch pad at the Kennedy Space Center with the three astronauts slated to fly the first Apollo mission, Gus Grissom, Edward White and Roger Chaffee trapped inside. In only minutes it became one of the worst tragedies of the US space program. Coons adds the notation, The Apollo Fire, and crossed out his schedule for the week following the Apollo accident and added notation involving the funeral service of Ed White at West Point Cemetery. Other entries include the names of astronauts, including Armstrong, Aldrin, Collins, Young, Slayton, Shepard, Kerwin, See, Stafford, Scott, and Kranz. Collectively, this lot is a very historic archive about the pioneering development of the American space program up until he left in 1969, the year of the first landing on the moon.

468 Grand Ole Opry Signed Oversize Book - 140 Signatures w/80 Deceased! 9 600

A mammoth work of collecting, our very well connected consignor spent decades getting this signed in Nashville and nearby cities. The book is a very attractive oversize 1975 edition of Nashville's Grand Ole Opry. A written list of the signers will be on our web site. The book has the original dust jacket and is just bursting with signatures everywhere. The autographs tend to be bold and strong; some are tipped in and some are personalized. One very special item in this book is an 8x10 vintage image of Cowboy singer Cowboy Copas. Copas is on a sepia image with Patsy Cline and signed on his image in slightly light but certainly legible blue ballpoint ink. Copas died in 1963 at age 49 in a plane crash and is a very rare autograph. This is a truly unique collection, any big fan of country music should find endless amusement in this wonderful signed book. With the security and privacy these days for musicians, collections like this simply cannot be made anymore. JSA LOA.

June 6 Auction: Basketball

626 1961 Fleer 8 Wilt Chamberlain RC

PSA 8 st.....2000

One of the ultimate basketball Rookie Cards, among so many historic accomplishments, Wilt is the only player to score 100 points in a single game. The offered card is completely fresh to the hobby, this walked into a recent show as part of a large collection of early 1960s baseball and basketball cards that are in this auction. Well centered with four super sharp corners, this has brilliant color, bright white borders and a pack fresh feel. The back is quite strong as well. There is a tiny dot of wax on the front that we did not see before submitting the card as it was at a show with less than ideal lighting. We feel there is virtually no chance that this card will not be resubmitted in the future with the wax safely removed and be in a straight PSA 8 holder (our consignor is a total purist and asked that we not do this). For these reasons, we feel strongly that the winning bidder will love this truly extraordinary example of this key basketball HOF Rookie Card, but that it probably should be valued as a straight 8 (one sold for \$8,200 in February). We will open this at \$2,000, our bidders will decide what this gorgeous card is worth to them.

1961-2 Fleers - Fresh Run

627 9 Costello PSA 8..... 25
Sharp and reasonably well centered, fine 8.

628 10 Bob Cousy GAI 9.5..... 100
Stunning condition card, even under magnification, the corners exhibit no wear and are dead Mint. The card could not be any cleaner or sharper, centering is almost perfect, the borders look great, as does the back. The color and image are perfect, this really does look like comparable to any PSA 9/10 card that we handled from this era. PSA 9s seem to bring \$1,500 the last 10 sold for \$6,655. Who feels like rolling the dice here?

Sharp and bright card, this is a vital Rookie Card of Mr. NBA Logo. Very bright and clean, this has superb gloss, brilliant color and bright white borders. 1961-2 Fleers - Fresh Run

650 Collection of 98 w/2 Elgin Baylor Rookies..... 300
Fresh to the hobby, these are sharp cards that received some tough grades from PSA. These are from an original owner collection, the Authentic cards must have been cut too short for PSA to slab (the other services will most likely grade them). These are the PSA-graded cards (28): 2 Arizin A, 8 st, 3 E Baylor A (2), 7 Braun 4, 10 Cousy 6.5, 14 Gola 6, 16 Greer RC 5, 19 Heinsohn 4, 8 oc, 22 KC Jones 4 (2), 6, 31 Meschery 8 oc, 45 Arizin IA 8 st, 9oc, 46 Baylor IA 4, 6, 9 oc, 49 Cousy IA 6, 51 Gola IA 6, 8 st, 54 Heinsohn IA 3, 55 Howell IA 5, 56 Kerr IA 7 st and 63 Schayes IA 8 st. There are also 55 ungraded cards, these tend to be very sharp but off-center; better cards here are: 15 Green (5), 18 Hagan (3), 21 Hundley (3), 23 Sam Jones, 25 Kerr (2), 34 Pettit, 39 Schayes (2), 42 Twyman (2) and 59 Pettit IA. This is an original owner collection, these have a pack-fresh look and feel. A substantial collection from a beloved basketball set, the winning bidder should really enjoy this fresh and fine lot that has several stars and Rookie Cards.

652 1970 Topps 123 Maravich RC GAI 9.5..... 200
Vital basketball Rookie Card of a beloved player, this is graded Gem Mint 10 by GAI. The card is perfectly centered, there are four super sharp corners that exhibit no wear, even under magnification. The borders are spotless, the color is terrific. The back is also immaculate. This really does look like a very real possibility for a Mint 9 crossover but of course we cannot promise anything! We can assure you that this is the nicest Maravich Rookie that we have ever seen or handled.

653 Topps Set Run 1977-1981 (5 sets) NM to Nm-Mt..... 150
Clean lot of Topps basketball sets, all in nine pocket sheets in binders. The key Bird/Magic Rookie is in a very conservative PSA 5 slab. The sets average NM to Nm-Mt, we do not believe anything has been picked for slabbing. These sets appear to be loaded with pack fresh cards, centering keeps this from grading a straight Nm-Mt overall. These are so cheap at current market levels, making this lot a terrific value for a collector.

651 1968 Mira Tuttasport

Lew Alcindor RC (signed!) 9.5..... 200
Rare and very desirable card, a PSA 6 sold for \$1,243 in June 2017. The offered card is special as it has a perfect Abdul Jabbar blue sharpie ink signature, likely one of only a handful to trade that are signed. The condition of the card itself appears to be about VG-Ex with great color. This has a JSA witness LOA card on the back. A pre-Rookie card of a titantic figure in NBA history, the All Time Leading Scorer, this is a terrific signed card. JSA LOA.

654 1986-7 Fleer Complete Set + Stickers Nm-Mt... 750
Well centered and very sharp, this is one of the nicest 86-87 Fleer sets that we have handled. So popular, this is anchored by a strong PSA 7 Jordan Rookie. The set includes the stickers, the Jordan and Bird are PSA 9 sts. We sent these keys cards to PSA for grading and received what we felt were some tougher grades: 7 Barkley RC PSA 8, 26 Drexler RC PSA 8, 32 Ewing RC PSA 9, 68 K Malone RC PSA 8, 82 Olajuwon RC PSA 8 and 109 Thomas RC PSA 9. Who wants to fool around with a basically untouched set?

The other signatures include HOFers Neil Johnston (scarce, D'78), Tom Gola and Paul Arizin as well as Woody Sauldsberry and Joe Graboski. Early NBA items of this quality hardly ever come to market, they are so much scarcer than equivalent baseball and football items. Marvelous item. PSA DNA (full).

655 1976 Topps 130 Pete Maravich All Star 9.5 200
One of the scarcest and best Pete Maravich signed cards to collect, offered is a beautiful Ex-Mt or better 1976/77 Topps oversize card. Pictured as a Utah Jazz guard, this has a fine image of Pistol Pete standing in uniform against a mainly black background. This has a large and classic blue sharpie ink signature on his image, it is a very strong autograph. High quality signed cards are white-hot right now, it is not easy to do better than this terrific card. PSA DNA (full).

659 Auto BKB
2008-09 Cavaliers - LeBron's 1st NBA Finals Team 8.5 ... 125
Scarce team ball, this is a clean official NBA model ball with 14 total signatures. Signed in black sharpie ink, the autographs are nice if not Mint. The key here is of course LeBron James. The other signatures include Mo Williams, Ben Wallace, Anderson Varejao, Zydrunas Ilguaskas and Sasha Pavlovic. NBA team balls are much, much scarcer than their baseball and football counterparts. This ball is interesting as this was the first of LeBron's many trips to the NBA finals. JSA LOA.

657 1956 College All Star Game Program w/vintage Bill Russell Autograph! 9.5 200
Remarkable item on so many levels, the program itself is a very scarce (and high quality condition) relic from the 1956 College Basketball All Star Game. This was no ordinary game, as it included several future NBA HOFers. The entire Western team signed this program, all AT THE TIME. Signatures include a Gem pre-Boston Celtic Bill Russell, KC Jones, Willie Naulls, Pete Newell and Paul Judson. The quality of the Russell autograph is superb, it is a Mint signature with a great flow. Russell was famous for not signing during his playing career, the autograph here truly could not be any nicer. A very special and important signed basketball program. JSA LOA.

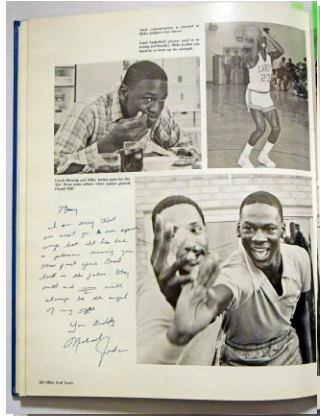

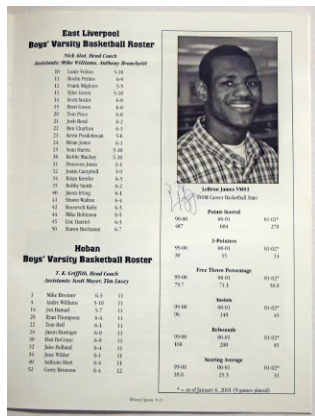

660 Alcindor, Lew Signed High School Yearbook 9.5 100
A giant of the game, the all time leading scorer and so much more, vintage true Alcindor signed items seem so undervalued to us in today's market. Offered is a wonderful item, Alcindor's original Power Memorial Academy High School Yearbook. This was signed AT THE TIME in spotless blue ballpoint ink on his image. The autograph is perfect, it cannot be any nicer. Among the earliest signatures of this titantic HOFer one can possibly collect, this is a great item! JSA LOA.

SGC slabbed.

662 1992 Chamberlain, Wilt Hand Notated Nabisco Letter Rescinding Chamberlain after notorious book Ex..... 150
Interesting item, Wilt Chamberlain's autobiography created an incredible stir when Wilt wrote in the book that he slept with 20,000 women. Handwritten notes from Chamberlain appear on the body of the letter, something you just never see. JSA LOA (full).

663 James, Lebron Signed 2001 High School Program 9.5..... 100

We all know how great LeBron is and of course his autograph can be found but probably not like this! Offered is a TRUE VINTAGE High School signature of James! LeBron famously went right to the NBA from High School, so this may be as early as it gets for a pre-Rookie LeBron James signature. Signed just below his image in clean blue ballpoint ink, LeBron really does not look that different from today. LeBron's stats are all detailed below his image. Arguably the best player in basketball history, how amazing is it to have something so nice like this that was signed in High School?! Beckett LOA (full).

664 Jordan, Michael Signed 1981 High School Yearbook 9.5..... 200

One of the most famous people in the world, the consensus pick as the best basketball player ever. Jordan signed many things in the past 20 years, how often do you find something he signed in High School? Offered is MJ's original High School yearbook, this is just great. Jordan has several great images in the book, I love the photo of him with a car with a Michael license plate. Referred to as Mike Jordan, someone knew they were going to have a historic basketball career! Jordan must have really liked this person, as he penned ten lines of warm text to a Mary. This has a superb autograph, this is so different than his contemporary style signature. Rare, items of this quality from Jordan are revered by his many collectors. JSA LOA.

665 8 x 10 Jordan, Michael UNC Upper Deck Photo 9.5..... 100

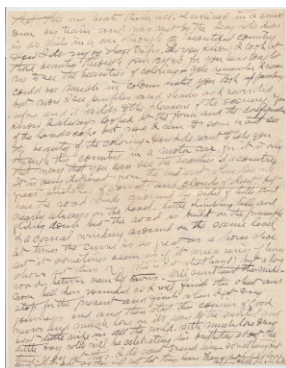

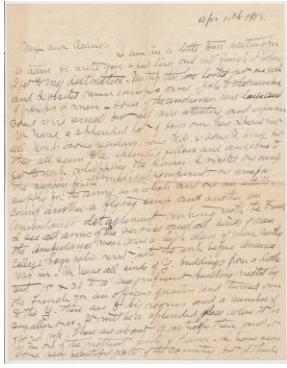

Fine Jordan item, offered is a perfectly clean 8x10 photo of MJ dunking as a UNC player. He is considered by some to be the first basketball superstar and one of the first great all-around athletes. [1] The Chicago, Illinois native was the first athlete in University of Chicago history to win 12 letters in American football, basketball, baseball and track. [2] This earned him the nickname Mr. Everything. Schommer was a four-time All-American in basketball and led the Maroons to three straight Big Ten championships (190-09). [3] He was named the Helms Foundation College Basketball Player of the Year for the 1908-09 season. One of his most famous moments was when he made an 80 foot field goal which helped lift Chicago over University of Pennsylvania in the final game of the 1907-08 regular season, winning them the championship. Basketball Memorabilia

- 671 1946 Extremely Rare Detroit Gems Original Broadside 200
- Early basketball memorabilia is so much harder to find than their baseball and football and boxing counterparts, perhaps never more so than with display pieces. Offered is an outstanding 11x14 cardboard broadside for an exhibition game on December 19, 1946. There are 13 pencil autographs on the display, but these are not of any consequence as the Detroit Gems were one of the worst teams in basketball history (4-40). This profoundly rare display item has a chip at the upper right corner, several pinholes and was attached to a scrapbook page, there is also staining present but does it really matter? Handsomely matted and framed, total size 18x22. Please note this team became the Minneapolis Lakers the following season, whom after drafting George Mikan before the 1948-9 season became the most successful team in basketball history along with the Celtics. Talk about going from nothing to something in a few years! This is almost a must-have if you collect very early basketball memorabilia as this could well be unique.

- 672 1971 Charlie Scott ABA All Pro Medallion w/LOA NM 200
- Offered is a terrific 2 1/2 inch award in the original case, this comes with an LOA from Scott. This is personally engraved to him and displays quite well. Scott scored 34.6 ppg in this season for the ABA Virginia Squires team.

Boxing Cards & Memorabilia

- 673 1856 Extremely Early Bendigo-Brettle Full Ticket 100
- Slabbed Authentic by PSA, this is a great looking full ticket for a fight in England on December 30, 1856. This ornate ticket as a seal mark at the lower right corner, it is otherwise clean. This was for a bout between pugilists Bendigo and Brettle, a benefit fight most likely. Please note Bendigo, real name William Thompson, was a legendary bare knuckle boxer in the 19th century, he has a very interesting Wikipedia page. It does not get much earlier than this for a boxing ticket, especially with an important fighter from the era.

The offered lot is a terrific oversize image of boxing royalty at this fight, in a promotional photo for James E. Pepper Whiskey. The names do not get bigger than this, a dozen in all, with John L. Sullivan, Bob Fitzsimmons, Tommy Burns, Tom Sharkey and Stanley Ketchel. 680 1975 Ali Wepner Original Broadside VG-Ex/Ex..... 90

Very fun Ali piece, offered is an original closed circuit cardboard sign to see his May 24, 1975 fight at the Cleveland Coliseum. 681 Large Print Ali, Muhammed 9.5 150

Terrific 16x20 color image of Ali after yet another glorious victory, this one is special as Joe Louis is right next to Ali! Singed by Ali in a perfect place in bold silver sharpie, this looks great. Smartly matted and framed, total size 20x24. JSA LOA.

682 Album Page

Ali, Muhammed (true Cassius Clay) 9.5..... 150
Offered is another beautiful Cassius Clay autograph, this was likely signed in 1963. This is a perfectly clean 3 x 4 1/2 page with a large and gorgeous Cassius Clay autograph. Signed in flowing blue ballpoint ink, this almost could not be any nicer and is probably destined for a plastic tomb. True Clay autographs are rare, very desirable and frankly undervalued in our opinion for these reasons. JSA LOA (full).

683 Ali, Muhammed Period Signed 1966 Menu

9.5..... 150
Another great Ali item, offered is a 10x13 dinner menu from a Chicago Knickerbocker hotel. This dinner took place on January 22, 1966. A person named Larry did a great job getting Ali's autograph; it is signed To Larry from Muhammed Ali World Heavy Weight Champion 1966. The autograph is huge and in super bold blue ballpoint ink, in fact the Muhammed Ali portion is just over six inches long! Ali signed items from the 1960s are so scarce and undervalued. PSA DNA (full).

684 Ali, Muhammed Signed 1963 Menu

(Cassius Clay) 9.5..... 150
Very fun Ali piece, offered is a very attractive large format 10x15 menu from a Jack of Clubs in London, England. Ali apparently had dinner here or saw a show, someone wisely went up to him and got a beautiful autograph. This is signed To Jo from Cassius Clay Good Luck 1963 in Mint blue ballpoint ink. A huge signature, it would be very hard to find a larger or nicer true vintage Cassius Clay. Great Ali lot as this was signed before the first Ali-Liston fight, these are tens of thousands of times rarer than his contemporary signatures. PSA DNA (full).

685 8 x 10 Ali, Muhammed

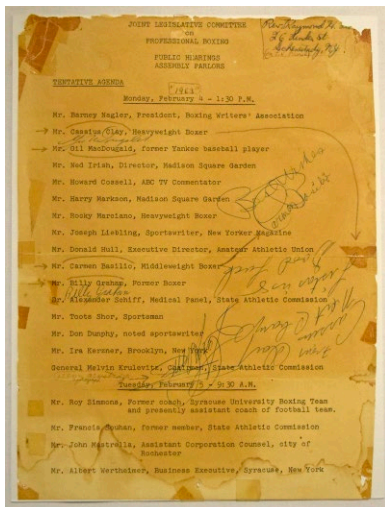

Vintage Signed 1965 Publicity Still 8..... 150
High quality Ali signed item, this is a handsome 8x10 publicity still for a record I Am The Greatest Cassius Clay. Very interesting piece as this was produced in the same year Ali changed his name to Cassius Clay, this is signed as follows: To Ralph from Muhammed Ali World Champ 1965 in pleasing if not perfect blue ballpoint ink. ALi autographs from this era are extremely scarce and desirable, the offered lot is a particularly interesting item on which to collect Ali's autograph. JSA LOA.

686 Clay, Cassius Multi-Signed 1960s Program 9 150
Charming 1960s Ali item, offered is an oversize 9 3/4 x 13 1/2 1963 program called The Surf Party from San Francisco, California. There are seven signatures on the covers, with various musicians. 687 Ali, Muhammed Period Signed
1960 Olympic Book as Cassius Clay! 9.5 200
Fantastic Ali item, offered is a huge 1960 United States Olympic book (412 pp). The fly page is signed and inscribed in 1961 from Representative Jim Fulton of Pennsylvania to a Al Burchfield. This has the original dust jacket and displays well. With that made clear, an obscure boxer named Cassius Clay signed on his image in period black ballpoint ink. We believe this was signed in 1960 after Ali became an Olympic Champion. Significant both for how early it is and the medium on which it is signed, this is a truly special and significant Ali signed item. This is a great addition to any Ali collection, no matter how advanced, given its inherent historical significance. JSA LOA (full).

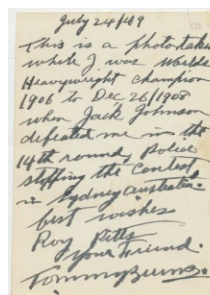

688 1963 Document w/Clay, Marciano & Basilio 8.5..... 200
Very desirable boxing item, offered is an 8 1/2 x 11 New York State legislative agenda proposal to outlaw boxing in NY State. This took place following the death of Benny Paret in a fight with Emile Griffith the prior year. Someone very shrewdly obtained autographs of several boxers in attendance, mostly notably Cassius Clay (signed From Cassius Clay Next Champ Liston in 8 good luck). In addition, this has a Rocky Marciano autograph (misidentified as Henry Armstrong), Carmen Basilio and Billy Graham. This has tape on the edges and condition issues, including heavy toning but the autographs are not affected. It is very rare to find a Cassius Clay signature with Rocky Marciano, making this lot truly extraordinary. JSA LOA.

689 Rare Cassius Clay Golden Glove Full Ticket
- a Rare Defeat! 200

Of the utmost rarity is this full ticket from the 1958 Golden Gloves boxing tournament. Dated February 26, authenticated by SGC and labeled ...Green defeats Clay by TKO. On this date Clay faced Kent Green in the 1958 Golden Gloves light heavyweight quarterfinals. History records this as Cassius Clay's only defeat by TKO in his illustrious amateur and professional career (other than a ruled TKO loss when Ali did not return for the 11th round in his 1980 bout versus Larry Holmes). Young Cassius Clay would rebound the following year capturing the light heavyweight championship in 1959 and then moving up to win the heavyweight division in 1960. A must have for any advanced Cassius Clay/Muhammad Ali collection.

690 3 x 5 Clay, Cassius (1963, Amazing Content!!)
9.5 300

We all know about the size of Muhammed Ali's ego, but this is even remarkable for Ali. Offered is a spotless 3x5 index card, this is from 1963, and signed as follows: Cassius Clay Next World Champ 1963 in clean blue ballpoint ink. Ali famously beat Sonny Liston in 1964 to become Heavyweight Champion, so maybe this is ok as Ali was able to back up his bold prediction. Ali items of this quality from 1963 are truly rare, it really does not get any better than this! Who wants to own a simply awesome item from the most beloved fighter in the history of boxing? JSA LOA (full).

691 Photo Burns, Tommy
(double-signed w/great Jack Johnson content) 9.5..... 200

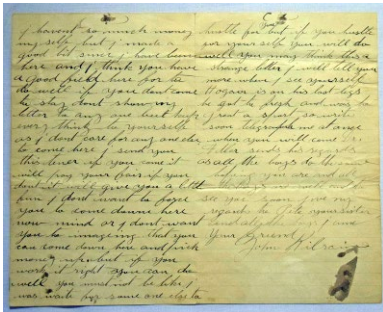

Fine postcard size 3 1/2 x 5 photo from this early boxing HOfer, this is signed and inscribed on the front and back. The back is signed as follows: July 24/49 This is a photo taken while I was Worlds Heavyweight Champion 1906 to Dec 26/1908 when Jack Johnson defeated me in the 14th round of your friend Tommy Burns. A very tough autograph, Burns died in 1955 and hardly ever comes around on a 3x5 or cut, much less such a nice item. How neat is it to find a boxing letter with such great content from this era? JSA LOA (full).

June 6 Auction: Boxing

692 8 x 10 Burns, Tommy (superb, amazing content) 9..... 150
Great piece, offered is a wonderful 8x10 glossy photo of former boxing champion Tommy Burns. This is a fine of Burns, the signature and inscription on the left side are terrific: To Vince Handley, a good friend, Tommy Burns. When Worlds Heavyweight Champion 1906 to Dec 1908. Everything is in blue fountain pen and looks great. A very tough autograph, Burns died in 1955 and hardly ever comes around on a 3x5 or cut, much less such a great photo. PSA DNA (full).

693 Jefferies, James Signed Original Cabinet photograph PSA 7..... 200
Offered is a wonderful true 12x10 real cabinet mount with an 8x6 real photo. There is a closed tear and some general wear to the mount. Four people are pictured in this very evocative photo, most notably key early boxing HOFer James Jefferies. Crucially, this is signed James A. Jefferies in solid black fountain pen. PSA graded the autograph an awfully conservative 7 (we feel it is at least an 8/10). Jefferies, a renowned World Heavyweight Champion, died in 1953 and is a scarce autograph, particularly on anything remotely as nice as the offered lot.

694 Letter Kilrain, Jake (double-signed) 9 300
Great early boxing letter, this is a simply terrific 4-page 10x8 letter. Written on two sides of two pages, this is dated July 6, 1887. This is a somewhat remarkable letter as Kilrain details various fights he attended, and is very specific about the purses involved and ways to have them go higher. This finely detailed letter offers an almost priceless insight into professional boxing in the late 19th century. This is signed John Kilrain in large period fountain pen. Clean overall, there is a stray stain near the signature and some general wear but does it really matter? Kilrain, an early bare knuckles boxer from the 1880s, is a HOFer. D'1937, this is rare and extremely desirable. JSA LOA.

695 8 x 10 Knox, Ernie (signed the night before he was killed in the ring) 9.5..... 150
Great if a bit morbid, offered is a handsome b/w image of fighter Ernie Knox. Knox penned the back as follows: Dear Don by the time you receive this photo I will have done battle with Wayne Bethea and I hope to come out a winner Ernie Knox. Everything is in bold red ballpoint ink. A real tragedy, it is believed that the weigh in for his fight with Wayne Bethea was compromised as Knox weighed only 153 pounds at time of death, 25 pounds below the weigh in number (Bethea was weighed at 205). Bethea used his weight advantage to great effect in the fight, forcing a TKO in round 9. Knox died two days later, making this letter particularly poignant. This fight took place in Maryland and much tighter restrictions were enacted to prevent this from happening again. Knox was only 26 years old when he died. JSA LOA.

696 Louis, Joe Signed 1948 Payroll Check 9.5..... 300
Handsome check is written to beloved boxer and American hero Joe Louis. Dated October 1, 1948, this has a terrific period fountain pen ink signature from Louis on the reverse. Louis was paid the hefty sum of \$10,000 (\$100,000 in today's dollars) by the Twentieth Century Sporting Club of NYC, the leading boxing promoter in NYC at that time. Slabbed by PSA DNA, this looks terrific.

697 Marciano, Rocky Signed Napkin 9.5 180
Fun piece, this is a 5 1/4 x 6 1/2 higher quality paper napkin. The beloved Rocky Marciano signed and inscribed the blank side to a Terry in huge and gorgeous flowing blue ballpoint ink. The autograph is over four inches long and truly world class. SGC slabbed.

698 John Morrissey Circa 1860 Cut Signature PSA 8... 150
Extremely early boxing autograph, this remarkably quality signature on business card size stock is graded a PSA 8. The bold black fountain pen autograph is terrific. An early boxing HOFer, he was one of the top bare knuckle boxers; a victory in a bloody, controversial fight against John Heenan in 1858 earned him the Heavyweight title. Rare autograph, Morrissey died in 1878 at age 47, how many of these can be around?

720 Davis, Ernie Signed Yearbook 9.5 150
The tragic story of Ernie Davis is well known to football fans of this era, this truly great player was the 1961 Heisman winner and was poised to be an incredible counterpart to Jim Brown. David died in 1962 at age 23 of leukemia, he never made it to the NFL. His autograph is naturally prized by collectors, the offered lot is exceptional. This is his 1955 Elmira Free Academy high school yearbook. Davis signed a photo in this book in bold period blue ink. Interestingly enough, he signed by his image as a basketball player! PSA DNA (full).

That's a difference of more than 100 degrees. However Sturgeon Bay is probably getting a spring thaw (joke)... Content is essentially personal. Signed boldly Curly at the close. Historic golf item, this is a fine looking 10 1/2 x 7 page with five autographs from 1960. The autographs are Jack Nicklaus, Gardner, Hefflinger, Berman and Hyndman. This is historic as Nicklaus played an incredible game in the WATC Tournament in Ardsmore, PA, besting Ben Hogan's 1950 record by 13 strokes. Nicklaus, still an amateur, was all of 20 years old. In an article we found, Nicklaus felt this was the finest round of golf that he ever played. JSA LOA (full).

Baseball Bats

Key signed Joe DiMaggio bat, this is his player model bat from the famous signing, number 1360/1941. Signed in Mint blue sharpie ink in a perfect spot on the barrel, this looks great. Not rare but always a very desirable piece, this should be in any signed bat or Joe DiMaggio collection. PSA DNA (full).

751 Hollocher, Charles Game Used/Signed Bat (D'1940 - Very Rare) 5..... 150
The offered lot may well be truly one-of-a-kind, it is that rare. Offered is a 34 inch, 32.6 ounce H&B Charles Hollocher pro model bat. This is missing some wood on the back of the barrel and there are some reinforced cracks on the handle. The bat itself has a PSA DNA LOA describing this as a 1925-1928 era bat that is cracked and side written by another player. This bat is hand signed by Hollocher as follows in the middle of the bat: From Chas J Hollocher - Chicago Base Ball Club. The autograph itself is bold but as it is a true game bat from the 1920s, this is about a 5/10 in clarity. Hollocher had a career .304 batting average, he played from 1918-1924 with two .340 plus seasons. Hollocher had some personal issues and sadly committed suicide in 1940 at only age 44. An extremely rare autograph, how many can possibly exist on his player model bat from the 1920s? JSA LOA.

752 Incredible HOF Bat - 90+ Signatures! 9..... 1000
Offered is a rare 1964 Cooperstown HOF Induction model bat, this has a Barry Halper return address on the tube, so we can only assume that this is something he had the connections to assemble at this time. This beautiful gold colored bat is filled with countless numbers of signatures, perhaps a bit more than 90. Loaded almost entirely with HOFers, the only non-HOFers are Pete Rose and Roger Clemens. The autographs are in ballpoint ink and sharpie, some are very light but discernible, others are spotless. The issue here is that the signatures in ballpoint ink are not authentic according to JSA. Someone must have bought this bat and then added the sharpie signatures later. The star power is still amazing: DiMaggio, Williams, Mays, Aaron, Koufax, Schmidt, Musial, Berra, Yaz, Brett, Seaver, Banks and Yount for top HOFers among so many more. JSA LOA (full).

753 Koenecke, Leonard Game Used Bat (side written) PSA 9..... 200

Rare 1920s game, this is graded an 8 by MEARS. Offered is a H&B 125 model Glen Myatt bat, 1922-1930 labeling period. The bat measures 35.5 inches long and weighs 36.2 ounces. The bat had evidence of side writing and a factory label according to the LOA. The LOA describes the bat as having heavy use. Myatt played from 1920-1936 for various teams but was a Cleveland Indian from 1923-1934, so it is nearly certain that he used it as an Indian. This would be a great addition to any serious Cleveland Indians memorabilia collection.

760 Rodriguez, Alex Game Used/Signed Bat 150

Baseball Memorabilia

765 Early Larger Format Baseball Team Photo 100
A fantastic original photograph of a circa 1880's baseball team posed in baseball attire with one player holding the small gloves used during the era, another player with a crude catchers mask in the crook of his arm, another holding a baseball and a fourth player holding a ring bat. Nine players are pictured with a tenth individual (seated) likely the manager. Photograph is on thin cardboard stock, with some notations and Culver Pictures credit stamps made on verso. Good condition with some creasing and tears evident on image.

766 1899 Rare New York Giants Home Program Good 300
Rare style program, we have not seen one of these until now. This has a partial spine split and some condition issues but still displays well. Scored vs. the eternal rival Boston baseball team. HOFers include George Davis, Hugh Duffy, Jimmy Collins and Kid Nichols. Other notables from this game are Bobby Lowe and George Van Haltren. Neatly scored in pencil, this has some staining by the top edge on the front and back covers.

767 1894 Kenesaw Mountain Landis Wedding Invitation! Ex 150
Very unique item, this is the actual invitation (4 1/4 x 6 1/4) and RSVP card for the wedding of one of the most singularly important figures in all of baseball history, Kenesaw Mountain Landis. The wedding took place at the First Presbyterian Church in Ottawa, Illinois in 1894. Landis was an up and coming power in Washington at the time, a favorite of President Cleveland (he was offered the post of Ambassador to Venezuela), he instead opened a law office in Chicago to be near his beloved bride Winifred Reed. 1894 is written on the invitation but according to at least one web article it took place in 1895. This has some splits from folding (easily repaired if desired) and some general wear, certainly clean overall. Landis changed the game of baseball forever as the first commissioner, the man who banned the various 1919 White Sox members involved in gambling and so much more. One can only imagine how Landis would have handled the modern steroid era! Truly rare and interesting item from a singular figure in baseball history.

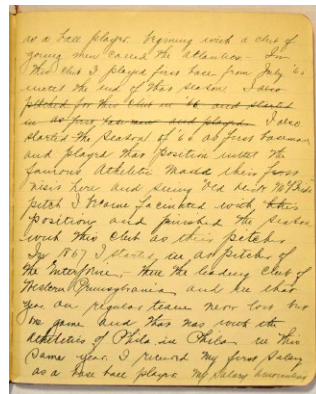

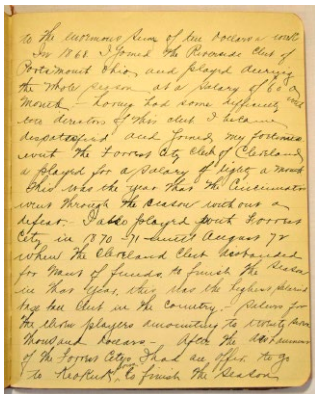

768 Kenesaw Mountain Landis Personal Cigarette Case and Walking Stick Display 200
Presented in a handsome 14 x 42 shadowbox frame, offered is a fancy walking stick and (possibly) silver plate cigarette box attributed to famed federal jurist and baseball Commissioner Judge Kenesaw Mountain Landis. The cigarette box is adorned with his initials engraved on the lid. As a judge, Landis presided over hearings regarding the Federal League in 1915. After the 1919 World Series scandal, dubbed The Black Sox Scandal, when eight members of the Chicago White Sox team were accused of throwing the 1919 World Series between the Sox and the Cincinnati Reds, baseball owners named Landis as the first Commissioner of baseball. Serving in this capacity, Landis made his most famous decision; to permanently banish the eight Chicago White Sox players implicated in throwing the 1919 World Series, most notably Shoeless Joe Jackson. This is an opportunity to acquire two historic personal artifacts from this Hall of Famer who personally had such an historic influence on baseball. This museum quality display also happens to look great.

769 1902 Book Base Ball History Volume 1 Ex..... 150
Terrific and important 11x14 self published book from
1902. With truly unique content, this is an essential guide to
early baseball history. Well preserved, this has a fine cover
and crisp edges, the spine has some interior support on the
inset. The five gorgeous interior lithographic plates are
gorgeous, several have the original glassine covering. Signed
in 1905 from one owner to another, we are not sure if this is
significant. We can assure any bidder that this is a beautiful
example of a wonderful book.

770	1911 Book	America's National Game (Albert Spalding)	Ex	100

771 New York Giants - Chicago White Sox 1914 World
Tour Original Photo - Signed Thomas Lipton! 9 200
How is this for a great photo that you never see? Offered is a
wonderful original photo from the 1914 World Tour
promoted by impresario Thomas Lipton. This tour was
a bold attempt to spread American baseball throughout
the world, items from this tour are rare and cherished by
collectors. This lot contains a stunning 11 x 8 1/2 original
photo of all of the players from both teams and their wives
posed together in a tropical setting next to the water. This
is noted as follows by Lipton: Giants and Red Socks Base-
ball teams with their wives Colombo Ceylon January 1914
Yours Sincerely Thomas O. Lipton. We believe Lipton erred
in writing Red Sox, as the White Sox went on the tour, not
the Red Sox. Ceylon is part of Sri Lanka, how is that for an
exotic setting for the baseball teams! According to an article
in Smithsonian magazine, this tour featured Jim Thorpe,
Christy Mathewson, Tris Speaker, Red Faber, Sam Crawford,
Jim Scott, Hooks Wiltse and Mike Donlin among others.
Charles Comiskey, ever the fox, apparently made a lot of
money on this trip; John McGraw of course came as well.
An example of this photo is in that very article, part of the
Hall of Fame's collection. A significant and wonderful photo
from a great era in baseball history, who wants to add a truly
rare and wonderful 1914 photo to their collection? Please
note this is likely in the original frame, total size 15 1/2 x 12
1/2. Lipton died in 1931. JSA LOA (full).

772 Circa 1920 Handwritten Diary of 19th Century Player
Al Pratt - Claims To Have First Used A Glove..... 150

A very interesting and unique item, Pratt pitched for the Cleveland Forest Citys from 1871-1872. Offered is his handwritten diary, circa 1920. The highlight here are eleven pages that provide his unique description of the earliest days of organized baseball. Pratt writes of games played on the Commons of Allegheny in 1858, then his military service and fortunate presence at Appomattox for the surrender of the Confederate forces. Pratt writes In 1867 I started in as pitcher of the Enterprise, then the leading Club of Western Pennsylvania, never losing a game until they met the Athletics of Phila. Pratt wrote of his experience as an umpire in the 1870s and perhaps the best quote in the diary: Old Deacon White and I make the first glove ever used on ball field in 1870. It gets even better, Pratt describes in detail who they made the first glove and how the fans protested its use in the game; the yelled take the gloves off take the gloves off) and the game was protested by the other team but the umpire ruled in Deacon White's favor. This also described in wonderful detail over several pages. This story is partially confirmed in a SABR article about HOF catcher Deacon White that mentions Pratt. Al Pratt has great handwriting, this is a truly fascinating insight into baseball in the 1860s and 1870s. We will picture all eleven pages on our website given the special content within. Please note this originally sold in 2012 at public auction for \$1,135 - but the other auction house made not mention of the remarkable content regarding the use of the first glove in 1870.

June 6 Auction: Baseball Memorabilia

a few tears, creases, tack holes and on the lower left corner moderate paper loss. None however detract from the overall display value as the image maintains great clarity and is the first of this pose that we have ever seen of this historic Championship team. The 1924 Senators are a very popular team among collectors as it was the only World Series title for Walter Johnson and the Washington franchise. Fresh to the hobby, a Senators or photo collector will really treasure this beautiful and evocative original photo. Framed to 26x14, we did not attempt to remove it from the frame.

773 1920 Original Scorebook

w/Babe Ruth's First Game as a Yankee VG..... 200
In the aftermath of the 1919 Black Sox scandal, baseball needed a real hero in 1920. Babe Ruth's sale to the Yankees before the 1920 season changed the course of baseball history forever. Anything involving Babe Ruth from 1920 is extremely rare and desirable, making the offered lot especially interesting. A truly fascinating item, offered is an original 1920 scorebook. An official book produced by Reach, this has lots of general wear and has been exposed to moisture at one time - still this displays well and has amazing content. Seemingly hundreds of games are recorded in detail here (we did not count the pages), the content is amazing, with at least six pages for Babe Ruth New York Yankee games, three with Ty Cobb Detroit Tiger games, a very large number of Dodger games with Casey Stengel and so much more. The key to this neat piece is the April 14, 1920 New York Yankees home game. This was Babe Ruth's first game as a Yankee (the Yankees lost 3-1 to the Athletics; Ruth went 2 for 4). How great is it to have a contemporaneous item from Babe Ruth's FIRST GAME AS A NEW YORK YANKEE. If you collect truly historic baseball items, you will want to take a serious look at this. It is impossible to price something like this, we will start this at a super low minimum bid and see what happens!

775 1924 WSP At Giants

VG-Ex..... 350
Very elusive 1920s World Series Program, we hardly ever see these. The cover has a classic design with HOF managers John McGraw and Bucky Harris. The last NY Giant World Series team till 1933, the cover has a tight spine and a very clean look. This has been lightly folded at one time, it is scored for about half of the game. Good piece.

Ex 300
Fully unscored, this has not been folded and is in truly extraordinary condition. A very, very conservative Ex to our eyes, the interior pages are immaculate, the cover is crisp, clean and superb. 779 Selfrite Home Run King Tin Game Ex..... 120

This is a circa 1920's mechanical tin litho wind-up baseball toy of a batter that swings to hit a ball placed on a metal tee. Great graphics surround the tin base of the toy which on the front end displays its' name, Home Run King, and that of its manufacturer, Selrite Products Inc. It is believed the game was named and designed to take advantage of baseball's real home run king of the era, Babe Ruth. Although missing its original baseball, the toy appears to operate when lightly wound while operating an on/off switch on top of the toy. Excellent condition for its age, there is very minimal paint loss.

780 1933 Book Who's Who in Major League Baseball - Exceptional Condition Ex-Mt/NM..... 100

This stands perfectly upright and is signed by HOfers Jim Bunning and Robin Roberts, both of whom added desirable inscriptions. 5 is stenciled on the top, there is a Shibe Park small plaque. It would be better to pick this up in person than to ship this given the nature of the seat.

781 1934 House David Original Broadside 200

797 Yankee Stadium Original Right Field Home Run Sign!!! 200

A truly remarkable and historic item, this is the actual sign from right field at old Yankee Stadium. Removed from the stadium after the final game of the 1973 season by our consignor's brother, this has been in a closet for over 40 years. Measuring 61 x 29, this is an actual section of the right field wall marking 296 feet from home plate. A real keepsake for the die hard Yankee fan or stadiana. This is in at best VG condition with some peeling off the painted numbers but the display value is simply tremendous. The close right field has played such a key part in Yankee history, how great is it to actually own the sign that hung in right field in Yankee Stadium? As this is such a unique item, it is difficult to assign a price, we have decided to open it at an almost impossibly low minimum bid and see what happens. This is a truly unique opportunity to own one of the most unique features of Yankee Stadium.
