Letter To Readers

The current auction is our unique to the industry affordable all-sports autograph, card and memorabilia auction. Nearly everything in the auction has a retail value of \$500 or less and very low minimum bids, with no reserves.

This particular auction is filled with fresh and interesting material from several fine collections. There are many items in this auction that we have not offered until now.

Day one is all about baseball autographs. We have some interesting signed cards, including a 1923 Roger Peckinpaugh signed Exhibit card, 1941 Play Ball Dolph Camilli and a 1954 Red Heart Billy Martin. We have a quality run of signed Perez Steele postcards, including George H.W. Bush, Joe DiMaggio and Kirby Puckett. Collectors of Yellow HOF Plaques will also see a nice run. There are some solid signed Black and White HOF Plaques, with Crawford, Sisler and Wheat.

We have our usual extensive selection of signed 8x10 photos, with several Mantles, DiMaggios, Williams and many fine multi-signed photos. There is a terrific Pie Traynor, Connie Mack, Bill McKechnie and more. We have some nice larger prints, including a 500 Home Run Club piece and a Mickey Mantle Day signed piece.

Autographed baseballs close out the first day. There is a very deep offering of single signed balls, with an extensive selection of higher grade singles from deceased players, classic HOFers and retired stars. There are many baseballs here that are likely missing from your collection that you may want to consider. We also have many quality group lots of both single, multi-signed and team balls from various collections.

Team and multi-signed ball collectors will also have a lot to choose from. The team balls go back to 1939, and include various Yankee balls, some All Star balls and many quality teams.

Day two begins with baseball cards. Almost an auction unto itself, we have an extensive selection of clean single cards, especially oddball cards, from the 1950s-1970s. Highlights include a run of 1952 Num Num Indians with tabs, 1954 Dan Dee, 1956 Topps Pins, 1958 Topps variations and 1959 Darigold Farms Spokane Indians. There are clean Topps star cards and partial sets from the 1960s through the 1980s as well. We have our largest offering ever of modern sets from the 1990s to the present, including many insert sets. These are all from a single owner and are in both the baseball and football sections.

Basketball collectors will see some high grade 1970s cards and some interesting autographs and memorabilia. Football is a major part of this auction. We have a solid offering of clean cards, both singles and sets, dating back to the 1940s. We have the most modern cards we have ever offered, with several Tom Brady Rookie Cards and an Aaron Rodgers Rookie Card.

Football autographs include some quality vintage signed cards, several interesting signed footballs, jerseys, programs and related material. Hockey collectors will see clean 1970s and 1980s sets and lots.

Baseball memorabilia concludes the auction. We have some nice pubs, including a 1935 World Series Program, 1941 All Star Game program and a 1962 Mets yearbook. There are some very unusual circa 1911 tickets from several teams, quality vintage pins, several nice Babe Ruth photos and more.

Other signatures include Leo Durocher, Johnny Sain, Joe Page, Charlie Keller, Red Rolfe, Charlie Keller, Johnny Murphy and Lefty Gomez. Fresh to the hobby, this really looks great. JSA LOAA.

643 Cardinals Old Timers w/Dean & Frisch 7 125
Interesting ball, this is a lightly toned ONL Giles ball that is otherwise clean. Signed in the 1960s, there are 11 total signatures. Loaded with good names, there are five HOFers (Dean, Frisch, Mize Musial & Slaughter). The other signatures are Paul Dean, Stan Hack, Mike Higgins (D'69), Terry Moore, Allie Reynolds and Monte Stratton. We do not know the game or event when this was signed. Any ball with both Paul and Dizzy Dean is desirable, the other quality names make this even more special. JSA LOA (full).

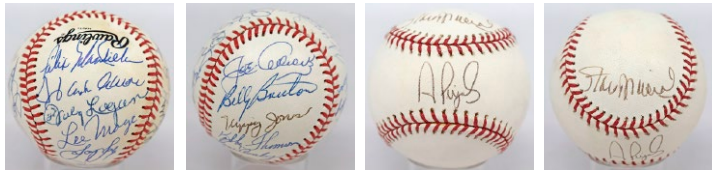

644 Dean Brothers 3 50
Rough vintage ball, this has very light but legible signatures of legendary brothers Dizzy and Paul Dean. The Dean Brothers signed on their own panel, there are two other signatures on the ball that are barely legible, the others are not identifiable. Affordable example of a very pricey ball, this is perfect for a collector on a budget. JSA LOA (full).

645 Forsch Brothers 9.5 (ONL White) .. 30

648 Milwaukee Braves Old Timers w/Aaron, Mathews & Torre 9 120
Fine signed ball, this is a super clean ONL Giamatti model. Loaded with 21 signatures, the autographs are strong, and are mainly 1957 Braves players, with some others scattered about. Keys include four HOFers: Aaron, Mathews, Spahn and Torre. The other autographs include Nippy Jones, Lew Burdette, Joe Adcock, Bobby Thomson and Billy Bruton. JSA LOAA.

651 Old Timers w/Hodges & Stengel 7 100
Off-white and reasonably clean OAL Harridge model ball, this has five signatures. Three of the signatures are quite bold (HOFers Appling, Kiner and Terry), the other two (Hodges and Stengel) are much lighter. Still the Gil Hodges is on it's own panel and displayable as a light single signed ball, Casey appears right below Ralph Kiner on the sweet spot. This was likely signed during a 1962 Met game based on the combination of signatures. JSA LOAA.

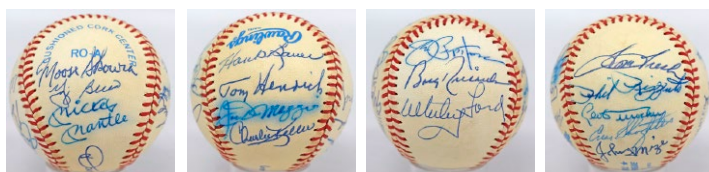

Signed Baseballs

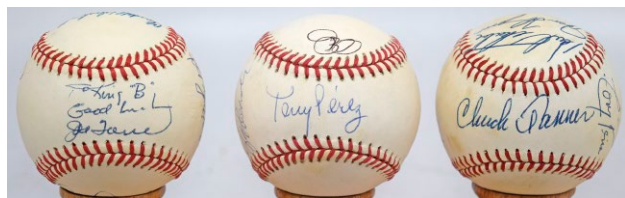

652 Old Timers w/Traynor & Grove (6 HOFers) 8.5... 150
Very clean Cleveland Indians Recreation League model ball, this has 15 nice signatures. Signed in the late 1960s or very early 1970s, probably at an Ohio baseball game, the autographs include HOFers Lefty Grove, Pie Traynor, Joe Medwick, Johnny Mize, Enos Slaughter and Luke Appling. The other signatures include Johnny VanderMeer, Eddie Lopat, Vic Raschi and Spud Chandler. The Traynor signature is superb. JSA LOAA.

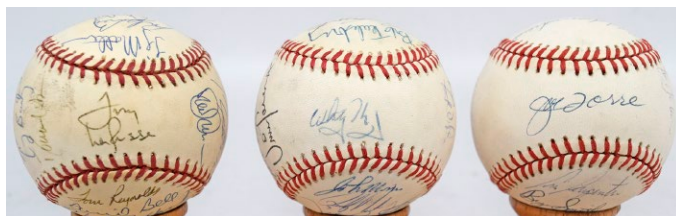

653 Williams/Yaz 9..... 125
Quality ball, this is a clean OAL Brown model. Perhaps the ultimate Red Sox pair, Ted is on the sweet spot, Yaz a side panel. Both signatures are in spotless blue ballpoint ink. Beckett LOA (full).

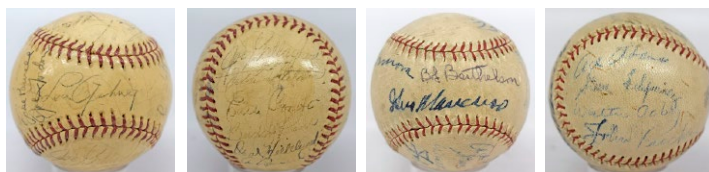

654 Yankee Old Timers w/DiMaggio & Mantle (16 sigs) 9..... 150
Never easy to find, Joe and Mickey did not like each other and are not often found on the same ball. Offered is a pleasing off-white OAL MacPhail, signed in the early 1980s. There are eight HOFers on the ball. DiMaggio's signature is smudged but still looks ok, the others are spotless, and include Mantle, Durocher (very unusual on this kind of ball), Keller, Berra, Mize, Ford and Rizzuto. JSA LOAA.

655 Lot of 20 assorted signed baseballs 9..... 60
Cheap box of partial signed baseballs, these are generally clean and are on official balls. The lot contains eleven Cincinnati Reds related balls, seven have Tony Perez on the sweet spot as the 1993 Reds manager, one has Larkin and there is an Old Timers ball w/Joe Morgan, George Foster & Tony Perez among others. Other balls include a Torre/Gibson circa 1981 Mets signed ball and three circa 1982 Pirates partial balls (six sigs w/Tanner, Pena, Candelaria). There are some lesser misc. Yankee and other balls in the lot as well. JSA LOAA.

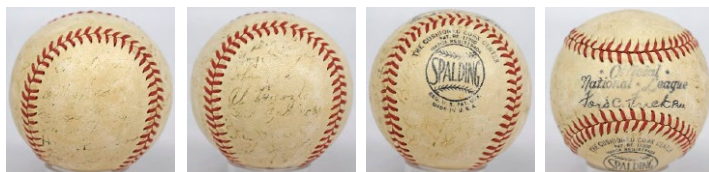

656 St. Louis Cardinals Misc Lot of 25 Signed Baseballs 8..... 150
Offered is a box lot of St. Louis Cardinals signed baseballs. Many of these came from Mike Shannons restaurant, they tend to be partial team balls and multi-signed balls. Many of the balls are official, the condition is clean overall with some really nice balls. The lot includes these signed balls: 1990 Cardinals (three 20 w/Herzog, Smith, Pendleton, Brunansky), 1990-91 Cardinals (19 w/Herzog, Smith), 1996-7 Cardinals (26 w/LaRussa, 23 w/LaRussa) and 1997-8 Cardinals (25 w/LaRussa) and 2003 Cardinals (24 w/LaRussa). There are ten balls w/either Herzog or LaRussa on the sweet spot, one with Joe Torre. There is also a mid-grade Musial/Schoendienst signed ball. The breakdown value here should be solid for someone in the St. Louis area. JSA LOAA.

Team Signed Balls

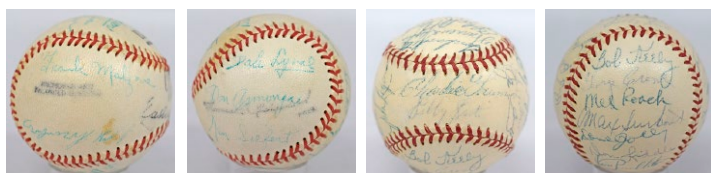

657 1939 Yankees Team Ball 6 75
Toned and lightly coated OAL Harridge model ball, there are 25 signatures that vary in darkness, some are quite light. The Gehrig and Gordon are clubhouse. Authentic signatures include DiMaggio, Combs, Gomez, Ruffing, Murphy, Dickey, Crosetti, Powell and Knickerbocker. JSA LOAA.

659 1946 Cardinals Team Ball 3 60
Low grade example of a very desirable ball, this clean ONL Frick model ball has 20+ signatures, but most are very difficult to discern. Fortunately, the Stan Musial is one of the nicest autographs on the ball. Other signatures include Garagiola, Marion, Barrett, Slaughter, Moore, Breechen, Dyer, Dusak, Bill Endicott (dates this as a 1946), Al Brazle, Jeff Cross, Johnny Beazley. JSA LOAA.

Signed Baseballs

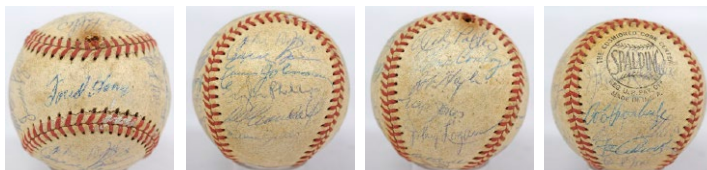

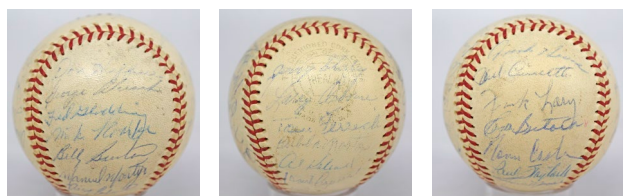

660 1950 Scranton Minors Team Ball w/Frank Malzone 8 60
No doubt the earliest appearance of Red Sox favorite Frank Malzone on a baseball, offered is a clean Eastern League model ball. Signed by the single A 1950 Scranton Minors team, there are 16 pleasing vintage blue ink signatures. The key here is Frank Malzone five years before his Rookie season with the Red Sox. Other recognizable names include Hersh Freeman, Faye Throneberry and Frank Sullivan. This came from Malzone's personal collection. JSA LOAA.

661 1953 Milwaukee Braves Team Ball (1st Year) 8.... 90
Desirable first-year Milwaukee Braves team ball, offered is a nice example. This ball is a clean Official League model, with 27 period ink signatures that vary mildly in quality. 1953 is written in period ink by the seal on the ball. Quality team, the better signatures include Mathews, Spahn, Adcock, Grimm, Burdette, Walkers, Sisti, Cooper, Crandall, Buhl, Cooney (ch) and Sid Gordon. JSA LOAA.

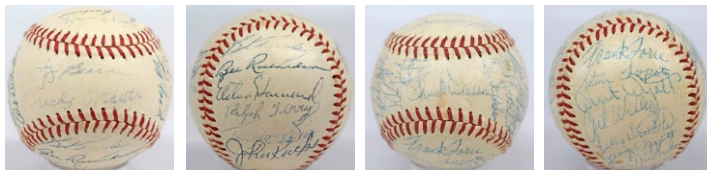

662 1955 Red Sox Team Ball w/Harry Agganis 5.5 75
Presentable OAL Harridge model ball has 29 light but legible signatures, Ted Williams and Pinky Higgins are the usual clubhouse. This ball is notable for a real Harry Agganis signature (D'1955 at age 22). The other signatures include Jensen, Kinder, Baker, Sullivan and Joost. JSA LOA (full).

663 1955 Tour Of Japan Team Ball (Japanese players) 8 25
Very neat ball, this is consigned directly by the son of the Yankees trainer at the time. The ball is a mildly toned unmarked ball with signatures from the Japanese baseball team the Yankees played against in 1955. New York Yankees 1955 Japan Tour All Japan Team is written on one panel in period ink. JSA did not opine on this ball.

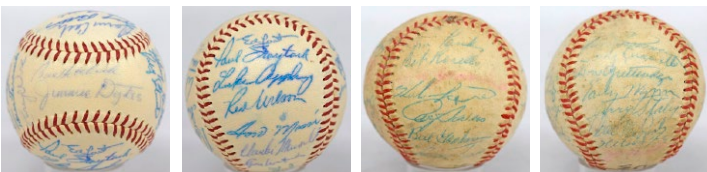

664 1957 Braves Team Ball 7 150
Popular World Championship team ball, they beat the Yankees in a classic contest. The offered ball is an ONL Giles game ball, this shows wear and moderate toning. There are 24 signatures but no Hank Aaron. Keys include Haney, Schoendienst, Adcock, Buhl, Mathews and Conley. This is a very affordable example of a pricey ball. JSA LOAA.

665 1957 Yankees Team Ball w/ch Mantle 8 90
High grade OAL Harridge model ball, this is very nice. There are 24 total signatures, with the usual clubhouse Mantle. Everything else is fine, with note to Berra, Ford, Slaughter, Elston Howard, Billy Martin, Larsen, Kubek and McDougald. JSA LOA (full).

666 1960 Braves Team Ball 8.5 120
Clean ONL Giles model ball, there are a full 30 signatures. No clubhouse, this quality team ball includes Aaron, Spahn, Mathews, Schoendienst, Dressen, Burdette, Buhl, Lau and Adcock. Nice ball, this team won 88 games. JSA LOAA.

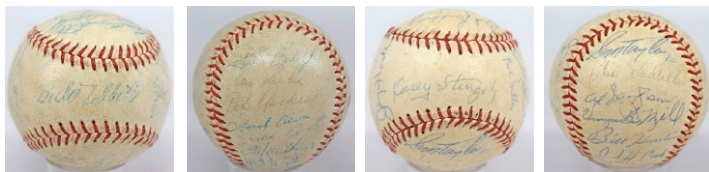

667 1960 Tigers Team Ball 9 80
Very clean off-white OAL Harridge model ball, there are 27 consistent and respectable blue ballpoint ink signatures. The keys include Cash, Bunning, Kaline, Colavito, Dykes and Appling. JSA LOAA.

668 1960 White Sox Team Ball 5 25
Lower grade but not terrible ball, this is an official White Sox model game ball. There are 26 signatures in generally light but legible period blue ballpoint ink. Keys include Nellie Fox, Early Wynn, Herb Score, Billy Goodman and Roy Sievers. JSA LOAA.

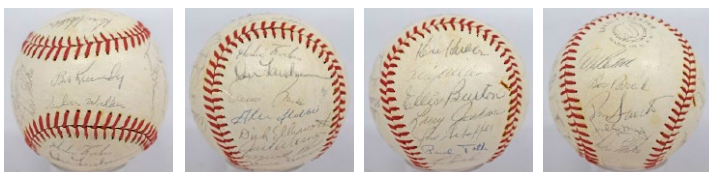

669 1961 Tigers Team Ball (pictured to left) 6 60
Terrific team, imagine winning over 100 games and not making the playoffs! The offered ball is an off-white and clean OAL Cronin model. There are 28 slightly light but legible period blue ink signatures. Keys include Kaline, Colavito, Cash, Bunning and Kell. JSA LOAA.

Signed Baseballs

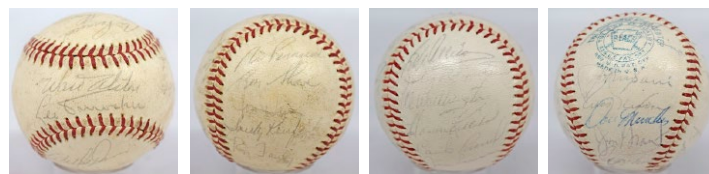

670 1962 Braves Team Ball 5 50
Lightly toned ONL Giles ball, this has 28 generally very light signatures. Keys include both Hank and Tommie Aaron, Spahn, Mathews, Torre, Uecker, Adcock, Bell, Dykes and Tebbetts. JSA LOAA.

671 1962 Mets Team Ball w/Hodges 7..... 150
The first Mets team ball, these have become really undervalued in recent years. The offered lot is a solid mid-grade example. The ball itself is a pleasing official Mets model. There are 26 signatures, the autographs vary in darkness, some are quite light, others bold. This ball is nice as it has solid signatures from Gil Hodges, which is unusual. The other autographs include Ruffing (also unusual), the rare Chacon, Neal, Craig, Throneberry, Hickman, Thomas and Bill Miller. The Hodges signature is as nice as we have seen on a 62 Mets ball. Stengel and Hook are clubhouse. JSA LOAA.

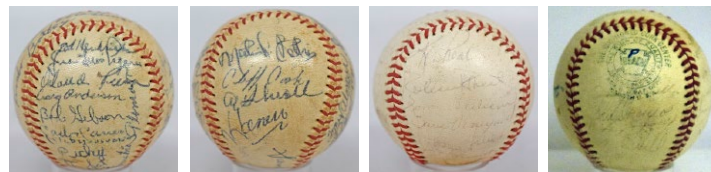

672 1963 Cubs Team Ball 8 200
Desirable team ball, this is a clean Chicago Cubs model ball. There is hardly any wear, the ball itself has a few nicks but displays quite well overall. The autographs are consistent and look very nice. There are 27 total signatures, with the key Ken Hubbs signature (he tragically died in a plane crash at age 22 in 1964). The other signatures include four HOFers: Banks, Brock, Santo and Billy Williams. This is also a desirable ball as the famously bad trade of Lou Brock to the Cardinals had a huge impact on both teams. Good ball. JSA LOA (full).

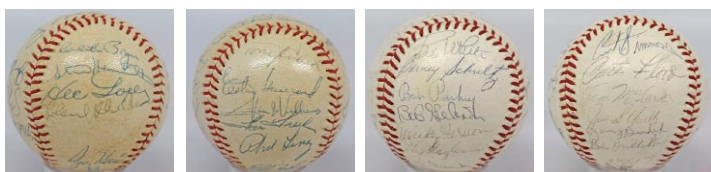

673 1963 Dodgers Team Ball 6 135
World Championship team, this is an off-white ONL Giles model ball. There are 14 fairly consistent signatures that are a touch light but legible. This is a quality ball as these signatures include Koufax, Drysdale, Snider, Alston, Gilliam, Wills, Durocher, Frank Howard, Skowron (dates this as a 1963) and both Davis's. Someone was very selective in who signed this ball! JSA LOAA.

674 1963 Twins Team Ball 7.5 45
Clean OAL Cronin ball, this has 29 signatures. The autographs vary in darkness; keys include Killebrew, Billy Martin, Allison, Pascual, Jim Perry and Battey. JSA LOAA.

675 1960s Winter League Ball
w/ Cepeda & Gibson autographs 9..... 75
Very nice item, this is a lightly clear-coated and toned Minor League baseball. We are not sure what it is but based on the signatures of Orlando Cepeda, Bob Gibson and Orlando Pena, we believe this some type of Winter League ball from the 1960s. There are 26 strong period blue ballpoint ink signatures. Other MLB players include Craig Cook, Craig Anderson and Vern Benson (coach or manager). JSA LOAA.

676 1964 Orioles Team Ball 4.5 30
Light but attractive OAL Cronin ball, there are 23 total signatures, one panel is extremely hard to discern. Keys here include Brooks Robinson, Robin Roberts and Harry Breechen. JSA LOAA.

677 1964 Yankees Team Ball w/real Maris 7 50
Elusive Yankee team ball, alas this has the usual clubhouse Mantle. The ball itself is a clean Yankee model ball, with 23 total signature. The autographs do include a real Maris, Elston Howard, Berra, Ford, Pepitone, Kubek and Stottlemire. JSA LOAA.

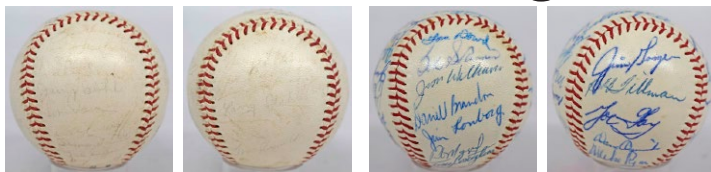

678 1965 Cardinals Team Ball 7 75
Clean ONL Giles ball has 28 total signatures. Keys include a Rookie Carlton, Ken Boyer, Brock, Groat, Gibson, McCaiver, Schoendienst, Flood & White. The signatures vary in darkness, some are light. JSA LOAA.

679 1965 White Sox Team Ball 6 20
OAL Cronin model ball has a full 31 signatures. The ball has some general wear, but this is not bad at all. Keys include Lopez, Wilhelm and Burgess. JSA LOAA.

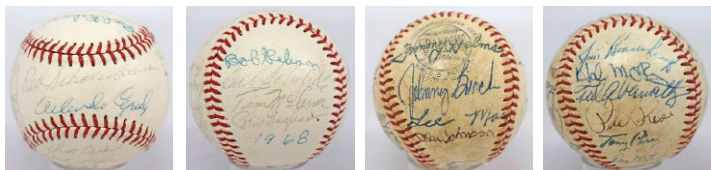

680 1966 Kansas City A's Team Ball 8.5 25
Clean off-white OAL Cronin model ball has a full 33 signatures. The autographs are solid, and include Hunter, Appling, Campaneris and Dark.

Signed Baseballs

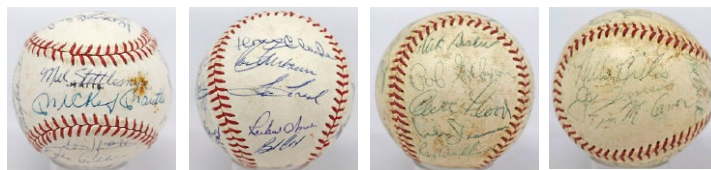

681 1967 Mets Team Ball 5 45
Such a tough ball, for some reason these only seem to come around in much lower quality than other Met team balls from the 1960s. The ball is an off-white and clean ONL Giles model, but direct exposure to light has made the autographs quite light. The key signature here of Rookie Tom Seaver is fully legible, however, but the autographs of Yogi Berra and Wes Westrum on the sweet spot are stamped. JSA LOAA.

682 1967 Red Sox Team Ball 9 120
High grade ball was signed at a Spring Training game in either 1966 or 1967, most likely 1967. The unofficial ball is white and bright, it offers 27 very fine and bold period blue ink signatures. Keys include a superb Tony C, Sal Maglie, Joe Foy, George Scott, Billy Herman, Jim Lonborg, Pete Runnels and Alex Johnson. JSA LOAA.

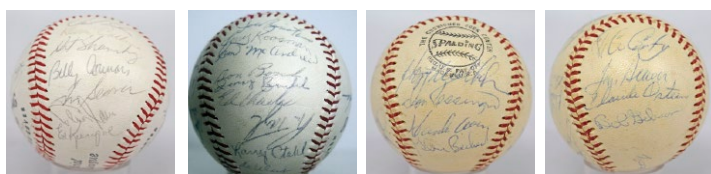

683 1968 Cardinals Team Ball 7.5 90
Clean ONL Giles model ball, this has 21 signatures. 1968 is written in period ink on one panel. The keys include Gibson, McCarver, Cepeda, Schoendienst, Carlton and Tolan. NL Championship team. JSA LOAA.

684 1968 Reds Team Ball w/Rookie Bench 8..... 35
Odd ball, this has a nice Rookie Bench, This lightly toned ONL Giles ball has 23 signatures, but six are stamps. The other authentic signatures include Rose, May and Bristol. JSA LOAA.

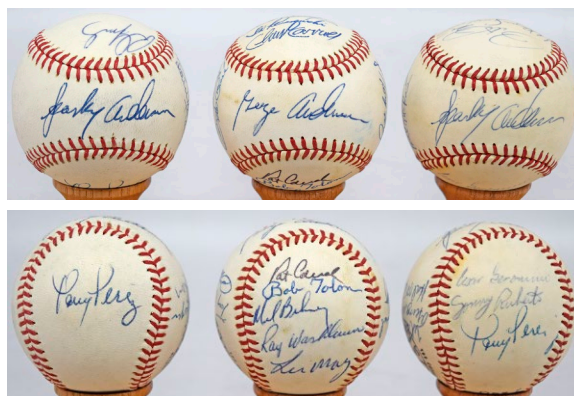

685 1968 Yankees Team Ball 7 50

Day Two: Baseball Cards

BEGIN DAY TWO

Baseball Card Singles

730 1951 Topps Red Back Sealed Pack Ex-Mt/NM 45
Sealed pack from the first Topps set, these are always popular.

1952 Num Num Indians w/tabs

731 1 Brissie PSA 6..... 150
The first card in the set, this is well centered and awfully clean. The corners show only very slight wear, PSA was a bit tough with the grade here to our eyes.

732 2 Hegan PSA 5..... 135
Well centered with crisp corners, slight staining kept this at a 5.

733 4 Bob Lemon PSA 5..... 180
Also well centered with four square corners, the image looks good. Slight staining that is typical for the issue keeps this at a 5, the back is clean.

734 5 Bob Feller PSA 3..... 75
Fine looking card, this has a classic Bob Feller image. Well centered with no visible creases or wrinkles, the corners are solid. We cannot see why this only came back a 3, there must be a nearly invisible wrinkle somewhere.

735 7 Garcia PSA 6..... 150
Well centered, crisp and quite clean, this is a great looking card for the grade.

736 9 Chakales PSA 6..... 150
Nice 6, this has four square corners, hardly any staining and a fine image.

737 10 Al Rosen PSA 4..... 150
Tough card of this popular player, this one is well centered with respectable corners. The surfaces are very clean, there might be a tiny wrinkle somewhere, otherwise the grade seems too low.

738 11 Rozek PSA 6..... 150
High-end 6, this is well centered with four solid corners and clean borders. Very nice.

739 12 Easter PSA 5..... 120
Strong 5, this has clean surfaces, a nice back and a fine image. The corners come to points, a flick of wear on one corner on the back may have led to the 5 grade.

740 13 Boone PSA 5..... 120
Well centered with four square corners, a corner line at the upper left corner led to the 5 grade.

741 15 Mitchell PSA 5..... 120
Nice 5, this is well centered, the corners are slightly soft.

742 17 Simpson PSA 6..... 150
Strong 6, this is well centered with quality corners and perfectly clean surfaces.

1952 Num Num Indians w/tabs

743 18 Doby PSA 4..... 150
Crisp card with a fine image of Doby that you do not see on other cards. The corners come to points, the surfaces are clean; a fine corner crease at the upper left corner keeps this at a 4.

744 1952 Tip Top Bread Mueller PSA 1..... 30
Colorful bread label, creasing and some general wear keep this at a 1. We have all seen far worse cards from this issue in 1 holders.

745 1952 Tip Top Bread Label Pollet SGC 1.5 70
Scarce issue, the front is exceptionally crisp and clean. The back has some mild general wear, the 1.5 grade is a bit tough in our opinion.

746 1953 H-O Instant Oatmeal Records Allie Reynolds NM 30
Fun piece has one color side and one b/w side. Punched out, this is otherwise Near Mint or better with hardly any visible wear and terrific color.

758 24 Snider PSA 6..... 110
Superb 6, this has great centering and four sharp corners. I love the original edges, this has a fine image. Slight, slight general wear keeps this at a very high-end 6 (we have seen many weaker cards in 7 holders).

759 27 Thomas SGC 4..... 30
Short-printed card, this is well centered with square corners and great color. There must be a tiny wrinkle on the back, this would otherwise be a 6 or a 7.

A key to the set, this is well centered with four sharp corners. The 7 grade looks to be conservative.

Classic 1955 Dodger item, this has the original stamps as issued, this is a fine Near Mint grade overall.

766 1955 Rawlings Stan Musial
4 Batting Pose PSA Authentic 60
Fairly well cut, this was wide borders and rich color. The back has lines from being in a photo album. There is hardly any creasing, the image looks superb. This is a great type-card.

Reese (package only) (JSA LOAA) 23

768 1956 Gil's Drive In
Ray Orteig (w/overprint back) 45

1786 1910 Early St. Louis Browns Ticket..... 150
Undated St. Louis Browns home ticket, this may have come from a season ticket booklet. The ticket is for 50 cents, the team president is Robert Lee Hedges. Hedges was the first owner of the Browns and owned the team through 1915. We do not know the year of the ticket.

1787 Circa 1911 Philadelphia A's Ticket Ex-Mt 60
Really nice early Shibe Park ticket, the condition is terrific. Crisp and clean, this almost certainly came from a season ticket or other booklet, as it is undated and is valid for any game. This is a Grand Stand ticket for 50 cents, we believe this is circa 1911 based on the collection it came from. You have to love the Cornelius McGillicuddy manager script at the lower right corner.

1788 Circa 1911 Pittsburgh Pirates Ticket Good..... 45
Very early Forbes Field Pirates home ticket, this is from circa 1911. The ticket is a grand stand ticket for 75 cents. 1789 Circa 1911 St. Louis Cardinals Ticket VG..... 60
Very bright crisp and clean, this full stub looks great. This would grade Ex-Mt or better but for wear on the back in a few spots from scrapbook removal.
