Letter To Readers

2020 was our best year ever in business and 2021 easily surpassed 2020 for us. None of this would be possible without the tremendous support from both our long-time clients (some of whom go back nearly 30 years) and also the record number of newly registered bidders this year! THANK YOU SO MUCH.

We are still accepting consignments and buying items outright for our next major auction, due to end in late January 2022. The deadline is Thursday December 9.

We are ending 2021 on a solid note, with a terrific affordable all sports autograph, card and memorabilia auction. Unique to the hobby, nearly all of the items have a retail value of \$500 or less and very low minimum bids.

The auction takes place over two days on Wednesday and Thursday December 15th and 16th. Please note in a departure from previous auctions of this kind, baseball memorabilia and publications will end the FIRST DAY NOT THE SECOND.

We open the auction with a solid selection of signed cards. We have signed 1933 Goudeys, 1940 Play Balls, 1950s and 1960s Exhibit cards and more. The auction continues with a deep run of signed 8x10 photos, highlights include four different Mint Mantles, a good run of the recent HOF inductees on HOF Induction 8x10s and a strong selection of vintage stars.

Other highlights on day one include a beautiful run of 1939 autographed cuts on card stock, many fine signed large prints and a deep offering of signed books with great content. Autographed baseball collectors will see our usual run of signed HOFers and stars and many solid group lots. There are many very interesting multi-signed and team signed balls, including a run of 1940s to 1970s Cubs team balls and some All Star Game and Championship team balls.

Day one concludes with a fine run of signed bats, a collection of photos and paper items from the Walter Johnson family, a nice run of Mantle PM10 pins, good tickets and a World Series program run from 1933 to 1945.

Day two opens with baseball cards. We have a large offering of complete sets and quality group lots that start in the 1950s and go up the current day. We have many higher grade singles and oddball issues offered as individual lots, with a strong selection of clean graded HOFers and Rookie Cards, these go up through the current day. We close out the baseball card section with a fine selection of interesting and unusual oddball Pete Rose and related items (including memorabilia) from the amazing Pete Rose collection that we have been selling in recent auctions.

The auction continues with a selection of higher grade basketball single cards and sets from the 1960s through the current day. We have some interesting signed basketball and boxing items as well. Football collectors will see a good offering of single cards, sets and lots ranging from the 1940s to the present. We have many signed footballs, signed photos and other flats, a run of Goal Lines and some desirable tickets and Chicago Bears early season passes as well.

The auction concludes with a selection of higher grade hockey card sets from the 1970s and 1980s, various signed hockey items and a smattering of items from other sports, including a 1941 Kentucky Derby ticket.

Scorecards

719 1884 NY Metropolitans/Philadelphia A's..... 50
Nice item, this is an 1884 W.S. Kimball scorecard. The attractively colored front is titled *It's Over Your Head*. Scored very neatly, this is a highly evocative 19th century gem. The scorecard lists HOFer Tim Keefe as the pitcher for his New York Metropolitan team (the original Mets). Exposed to moisture at one time (almost certainly from professional scrapbook removal), this has a tight spine and looks great overall.

720 1886 Washington/St. Louis Poor 20
Possibly re-mounted onto black paper, this is a printed scorecard for a game played on August 9, 1886. No future HOFers played that day, but recognizable names include Glasscock, Hines, Houck and Cahill. Neatly scored, this has the typical edge wear and such but still presents fairly well.

721 1888 Boston Beaneaters/Philadelphia A's..... 20
Low grade, this is taped together and has a spine split. This is still nice as it notes HOFer Charles Radbourne in the scorecard.

Baseball Cards: Complete Sets and Lots

759 1951 Topps Red Back 32 different Ex+ 80
Popular set, these are very clean and nice. We do not see any obvious back creases, the fronts are quite clean, the cards tend to have bright white borders and a fresh look and feel. There could be some sleepers here for slabbing.

Rough lot is mainly Poor to VG. The lot includes a few stars: 1 Rizzuto, 2 Jensen, 45 Kiner, 64 Mathews and 84 Doby.

761 1959 Fleer Ted Williams 71 different VG-Ex/Ex..... 95
Very close to a set, these are pleasing mid-grade cards. The cards vary mildly in grade, nothing is overly worn, the lot is in the VG-Ex/Ex to Ex range overall. These better cards come in the lot: 2 Babe Ruth Ex, 11 1935 - With Jimmie Foxx Ex, 63 All Star Record VG, 67 With Sammy Sneed VG-Ex/Ex, 70 With Jim Thorpe VG-Ex/Ex, 75 With Babe Ruth VG-Ex/Ex, 79 Where Ted Stands VG+ and 80 Teds Goals 1959 Ex.

763 1960 Fleer Complete Set Ex 100
Very solid set overall, the set could benefit from some inexpensive upgrading. With many clean key cards, this set is anchored by a superb example of the very undervalued key card of Ted Williams. Everything is in a semi-rigid holder for protection, we grade the stars as follows: 1 Nap Lajoie Ex++, 2 Christy Mathewson Ex, 3 Babe Ruth Ex, 5 Grover Cleveland Alexander Ex-Mt, 6 Walter Johnson Ex-Mt+, 26 Bob Feller Ex-Mt, 28 Lou Gehrig Ex, 42 Ty Cobb Ex-Mt+, 47 Cy Young NM, 53 Jimmy Foxx VG-Ex/Ex, 62 Honus Wagner Ex and 72 Ted Williams NM.

764 1960 MacGregor Complete Set (25) Ex 150
Very elusive set from 1960, we hardly ever see these. Slightly oversize issue (nearly 4x5), the larger size affords for fine images. The set has eight HOFers with Aaron, Mays, Frank Robinson, Ashburn, Roberts and Mazerowski. Interesting set, these tend to have square corners and super clean fronts (some have tiny wrinkles by the corners), the backs all have a stamp from a Scott's Athletic Equipment in Washington State, making this potentially a very rare and desirable set.
