Letter To Readers

We open 2019 with the largest auction we have ever offered. Checking it at over 1,100 lots, this auction contains a staggering variety of fascinating cards, autographs and memorabilia. With many great collections, this is an auction that should truly have something for almost anyone!

The auction begins with these key lots: E120 Babe Ruth, high grade PSA-graded 1950 Bowman baseball set, gorgeous 1951 Bowman Mickey Mantle Rookie Card SGC 4.5, sharp 1956 Topps set with many PSA 7 keys, similar 1966 Topps set, an incredible custom Mickey Mantle bat with a Triple Crown inscription, a great 1920s Walter Johnson signed Exhibit card, a rare Elston Howard single signed ball, a superb Babe Ruth autograph signed two months before he died and a wonderful 18th century John Hancock signed document.

We continue the auction with a great offering of Old Judges. This offering is notable for its quantity (191 different lots!) and quality, six rare spotted ties and twenty-four different HOFers with scarcities.

Single baseball cards offer three T206s with Broad Leaf 350 backs, an E98 run, a sharp run of 1948 Leafs with short-prints, 1951 Bowman Mantle PSA 1.5, 1954 Topps Aaron Rookie PSA 6, a PSA 8 and 9 Red Heart run and many fine PSA 8 and 9 key cards from the 1960s.

Baseball card sets and lots start with T206s and go into the early 1980s. These include our usual offering of mid-grade Topps and Bowman sets, along with a PSA-graded 1964 Stand Up set and some interesting oddball lots.

Baseball autographs are very well represented in the auction. Highlights include a signed 1958 Topps Yankee team set, key GPCs including a rare and superb Mordecai Brown, a Lou Gehrig/Johnny Grabowski cut, hundreds of quality 8x10s in lots, Mickey Mantle's signed 1951 High School yearbook, a run of Derek Jeter signed large prints, several terrific signed books and fine signed bats.

Signed baseballs include a Mint Roger Maris single, some rare singles including Jake Pitler and several quality group lots. Team balls include 1928 A's, 1930 Cubs, 1936 Yankees and 1952 Yankees signed baseballs.

Entertainment autographs are a real high point of the auction. Filling up 10 pages, this is our largest offering ever. Most of these autographs are from a wonderful single-owner collection from the early 1950s, introduced to our hobby for the first time here. The content is almost mind boggling, including Elvis Presley, Marilyn Monroe, Marlon Brando, Frank Sinatra, Humphrey Bogart and just about any key star you can think of from the early 1950s.

Collectors of non-sports cards should have a field day here, with many quality group lots, 1933 National Chicle Dare Devils, 1933 Sea Raiders, 1938 Horrors of War, a superb 1948 Leaf Pirates PSA-graded set and much more.

Basketball collectors will see classic Rookie Cards and a fine selection of LeBron James and Michael Jordan signed jerseys and large prints.

Football collectors will see quality card sets, many top Tom Brady signed items, a wonderful run of Super Bowl MVP signed programs and a fascinating collection of thousands of vintage College and High School pins.

Baseball memorabilia closes out the auction. We have some nice 1920s and 1930s World Series programs, one of our best offerings ever of game used and early collector bats, several signs, a superb Hartland Statue section including a rare Mickey Mantle ash tray, a gorgeous 1958 vintage Yankee team photo that likely hung in Yankee Stadium and a gorgeous 1996 Atlanta Braves ring.

Key Lots

1 1922 E120 American Caramel 186 Babe Ruth SGC 3 1800

Vital card, this is one the most iconic of all Babe Ruth cards. Issued in only his third season as a Yankee, this is a revered card that is the key to one of the truly classic pre-war baseball card sets. As with other Ruth cards, these have been exploding in price in recent years. The offered card is a terrific VG, there are no visible creases or wrinkles, even under magnification. The image is perfect, the back is clean, the surfaces as well. The corners exhibit mild and consistent wear, this is centered mildly to the right border. This card has an unusual image of Babe Ruth that is used on hardly any other cards. Please note these are at least 20 times scarcer than his 1933 Goudey cards in comparable grades. It will be interesting to see where this terrific Babe Ruth card trades at in a few years.

Key Lots

2 1950 Bowman Complete PSA-Registry Set (Average 7.43, SMR \$23,818) 8000
 Classic Bowman set, this is a very condition sensitive issue that is typically found in VG or even lesser grade. Higher grade cards can be found, full sets in 7 or higher quality are extremely scarce and desirable. The offered set has no qualifiers, there are 105 8s, five 7.5s and 142 7s. Everything will be noted on our web site. Please note the key card of Jackie Robinson (PSA 7) is very low in the SMR (\$2,500): the VCP average is \$3,507 at time of writing (10/18), examples have traded for over \$4,000. Also the Berra, Spahn and other 7s in this set can trade for a significant premium to the SMR value. How wants to add a truly superb example of a classic 1950s set to their collection?

The many star cards are as follows: 1 Mel Parnell RC 7.5, 3 Dom DiMaggio 7, 6 Bob Feller 7, 8 George Kell 7, 10 Tommy Henrich 7, 11 Phil Rizzuto 8, 12 Joe Page 7, 16 Roy Sievers RC 7, 19 Warren Spahn 7, 21 Pee Wee Reese 7, 22 Jackie Robinson 7, 23 Newcombe RC 7, 28 Bobby Thomson 7, 31 Del Ennis 8, 32 Robin Roberts 7, 33 Ralph Kiner 8, 35 Enos Slaughter 7, 37 Luke Appling 7, 39 Larry Doby 7, 40 Bob Lemon 7, 43 Bobby Doerr 7, 46 Yogi Berra 7, 47 Jerry Coleman 7, 58 Carl Furillo 7, 59 Ralph Branca 7, 62 Ted Kluszewski 7, 71 Red Schoendienst 7, 75 Roy Campanella 7, 77 Duke Snider 7, 84 Richie Ashburn 7, 98 Ted Williams 7, 112 Gil Hodges 7, 139 Johnny Mize 7, 148 Early Wynn 7, 217 Casey Stengel MG 7 and 219 Hank Bauer RC 7.

Key Lots

3 1951 Bowman 253 Mickey Mantle RC SGC 4.5 2000

One of the ultimate baseball Rookie Cards, these are always so popular among collectors. Fresh to market, offered is a glorious mid-grade card. This card stands out in a crowd with its amazing centering color. There are no print issues, the image is outstanding, the borders are clean, the back is clean. We could not see any creases or wrinkles, even under magnification. The corners show mild wear, we presume that is why this came back a 4.5. The offered card has among the best overall visual appeal that you will ever find on a 51 Mantle.

Key Lots

4 1956 Topps Complete Set w/PSA 7 Stars 2400

One of the most popular Topps sets ever produced, this is loaded with great looking cards of classic HOFers and stars. These have a tremendous breakdown value as any set collector can immediately attest. The offered set is extremely fine and consistent, we sent many cards into PSA and received what we felt were some tougher grades. These cards are quite nice overall, the set easily averages a strong Ex-Mt/NM or better overall. There are some centering issues, mainly with the commons. Of the raw cards, they are 40% or so Near Mint, the balance are almost all Ex-Mt or Ex-Mt/NM but with some centering issues.

The key cards are exceptionally fine and consistent, they are as follows: 1 Harridge RC VG-Ex, 5 Williams Ex-Mt oc, 8 Alston PSA 6 (white), 10 Spahn Ex-Mt, 15 Banks VG-Ex, 20 Kalline Ex-Mt oc, 30 J Robinson PSA 6 (white back), 31 Aaron PSA 6 (white back), 33 Clemente PSA 6 (white back), 79 Koufax PSA 6 (white back), 101 Campanella Ex-Mt+, 107 Mathews PSA 7 (grey), 110 Berra PSA 7.5 (grey), 113 Rizzuto PSA 7 (grey), 121 Pirates TC PSA 6.5 (grey), 130 Mays PSA 7 (grey), 134 Cardinals TC PSA 7 (grey), 135 Mantle PSA 6.5 (grey), 150 Snider PSA 6.5 (grey), 164 Killebrew PSA 7 (grey), 165 Schoendienst PSA 7 (grey), 166 Dodgers TC PSA 6 (grey), 190 Furillo PSA 7, 200 Feller PSA 6, 213 Tigers TC PSA 6.5, 240 Ford Ex-Mt, 251 Yankees TC PSA 6, 260 Reese Ex-Mt and 292 Aparicio RC Ex-Mt. Please note the current retail value of just the 20 PSA-graded cards is approximately \$5,200, providing for some outstanding value here.

Key Lots

5 1966 Topps Complete Set w/many graded cards

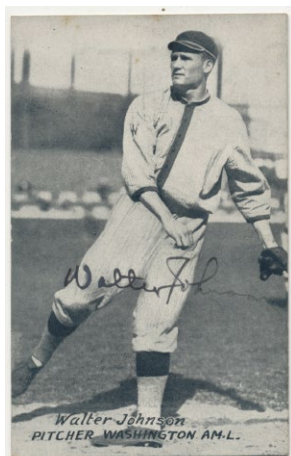

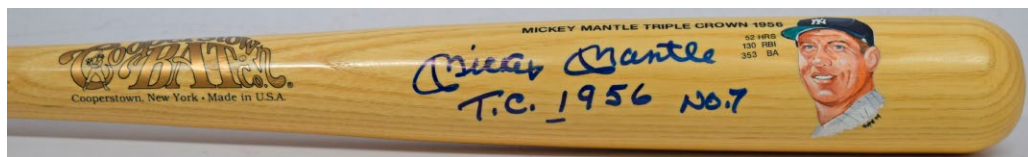

NM 1500

A difficult set because of the high numbers, these are also notorious for major centering issues. The offered set is simply a superb Near Mint overall set. Collected with great care by someone with a very good eye and a lot of patience, this is well centered overall. The high numbers look terrific, the set is a striking Near Mint overall and is simply a pleasure to peruse.

Seventy-five graded cards (all PSA but one) come with the set, these will be noted specifically on our web site. The SMR value of just the 75 slabbed cards is a very conservative \$2,546.

The key cards grade as follows: 1 Mays Strong Ex-Mt+ (possible 7 on the right day), 30 Rose PSA 7, 50 Mantle PSA 7, 100 Koufax Ex-Mt+, 110 Banks PSA 8, 126 Palmer RC PSA 6, 215 Clemente/Aaron Mays Ex-Mt+, 254 Jenkins RC NM, 288 Sutton RC NM, 300 Clemente Ex-Mt+, 310 Robinson PSA 5, 365 Maris NM w/tiny wrinkle, 390 B. Robinson Ex-Mt+, 410 Kalline PSA 6, 500 Aaron NM, 526 Twins Team Ex-Mt+, 530 Roberts PSA 9 oc, 540 McLain PSA 7, 547 Clarke PSA 6, 550 McCovey SP PSA 6.5, 561 Choo Choo Coleman PSA 8, 580 Williams SP PSA 7, 583 Tigers Team Ex-Mt+, 590 Skowron PSA 8, 591 Jackson RC SP PSA 6 and 598 Perry PSA 8. Please note we split hairs with the many Ex-Mt Plus grades here, many of these could well end up in 7 holders. If you do not want a fully slabbed set but want a sharp and fine 66 set, it would very, very hard to do any better than this great looking lot.

Key Lots

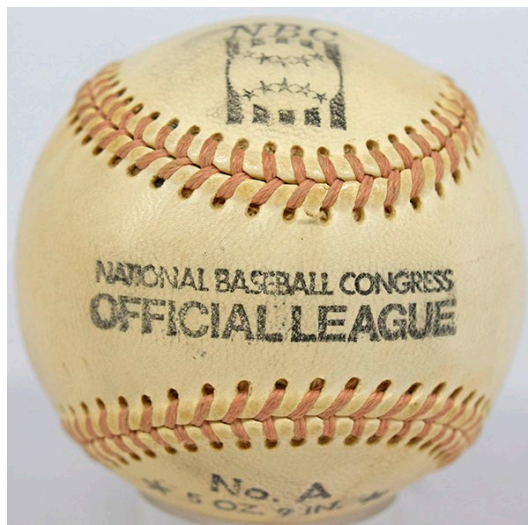

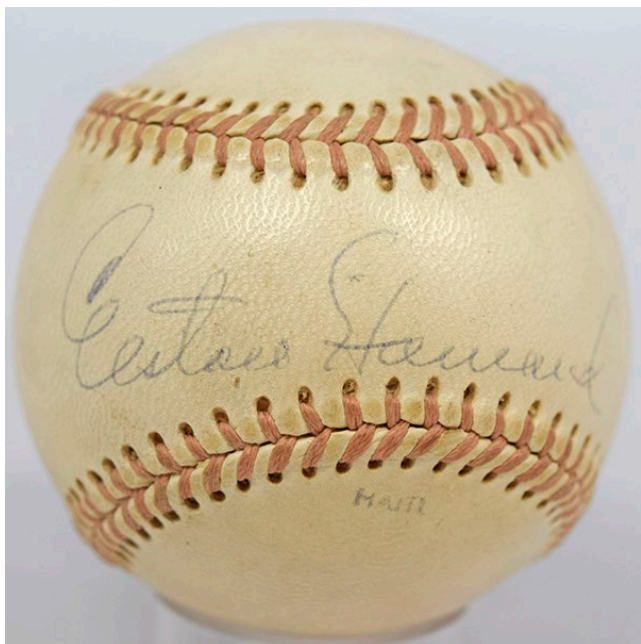

6 Mantle, Mickey World Class #1 Triple Crown Signed Bat 9.5..... 1500

Perhaps the nicest Mickey Mantle signed bat in circulation, this is a rare custom Cooperstown Bat Company Mickey Mantle Triple Crown 1956 model. This bat was part of an incredibly limited edition run of just 12 bats, this is NUMBER ONE OF TWELVE! The gorgeous bat has a color portrait of Mickey on the barrel and this is the first example we have ever seen. Even better, Mickey signed this Mickey Mantle TC 1956 No. 7 in Mint blue sharpie ink. There really cannot be a nicer Mickey Mantle in our opinion than the offered bat between the rare custom bat and the incredible inscription. Collectors salivate over a baseball with this inscription, a bat like this might be a truly 1/1 item. If you are a Mantle or signed bat collector and truly want the best of the best, you will surely want to take a long look at this treasure! JSA LOA (full).

7 1926 Postcard Back Exhibits Walter Johnson 8 900

Extremely rare signed card, even unsigned these hardly ever come to market. The card itself has a terrific image of Johnson following through after making a pitch. There are no creases or wrinkles, the surfaces and edges are clean, the back is nice as well. We feel the card grades Ex overall. Crucially, The Big Train signed this in fountain pen ink, the Walter is quite bold, and the nson in Johnson is a touch light. The autograph nonetheless displays well and contrasts nicely against the clean card. We know high-end autographed cards are white-hot right now, who wants to add this rare (and possibly) unique Walter Johnson signed 1920s card to their collection? Please note this came from the collection of a 25-year long customer of a great hobbyist and ours, there should be no issues with the signature given the provenance (this would have been purchased by this person 10-20 years ago). JSA LOA (full).

Key Lots

9 Elston Howard Single Signed Baseball

8 1500

Beloved Yankee, the first African-American player to wear Yankee pinstripes, and a great player in his own right. Elston played for the Yankees from 1955-1966 and was a key player on many of their top teams, including the 1961 Yankees. As if that was not enough, Elston was also a 1967 Red Sox team member! Elston sadly died in 1980 at only age 51. As with so many other players, he is truly rare on a single signed baseball. Needed by almost all 1961 Yankee and 1967 Red Sox collectors, these are a really big deal when they come to market. The offered ball is signed on a scarce Official National Baseball Congress model baseball, likely in the 1970s. The ball itself is off-white and clean. Elston signed the sweet spot, this is a particularly large and fine signature, with a great flow. Who wants to fill one of the ultimate spots in a Yankee single signed ball collection? JSA LOA (full).

Key Lots

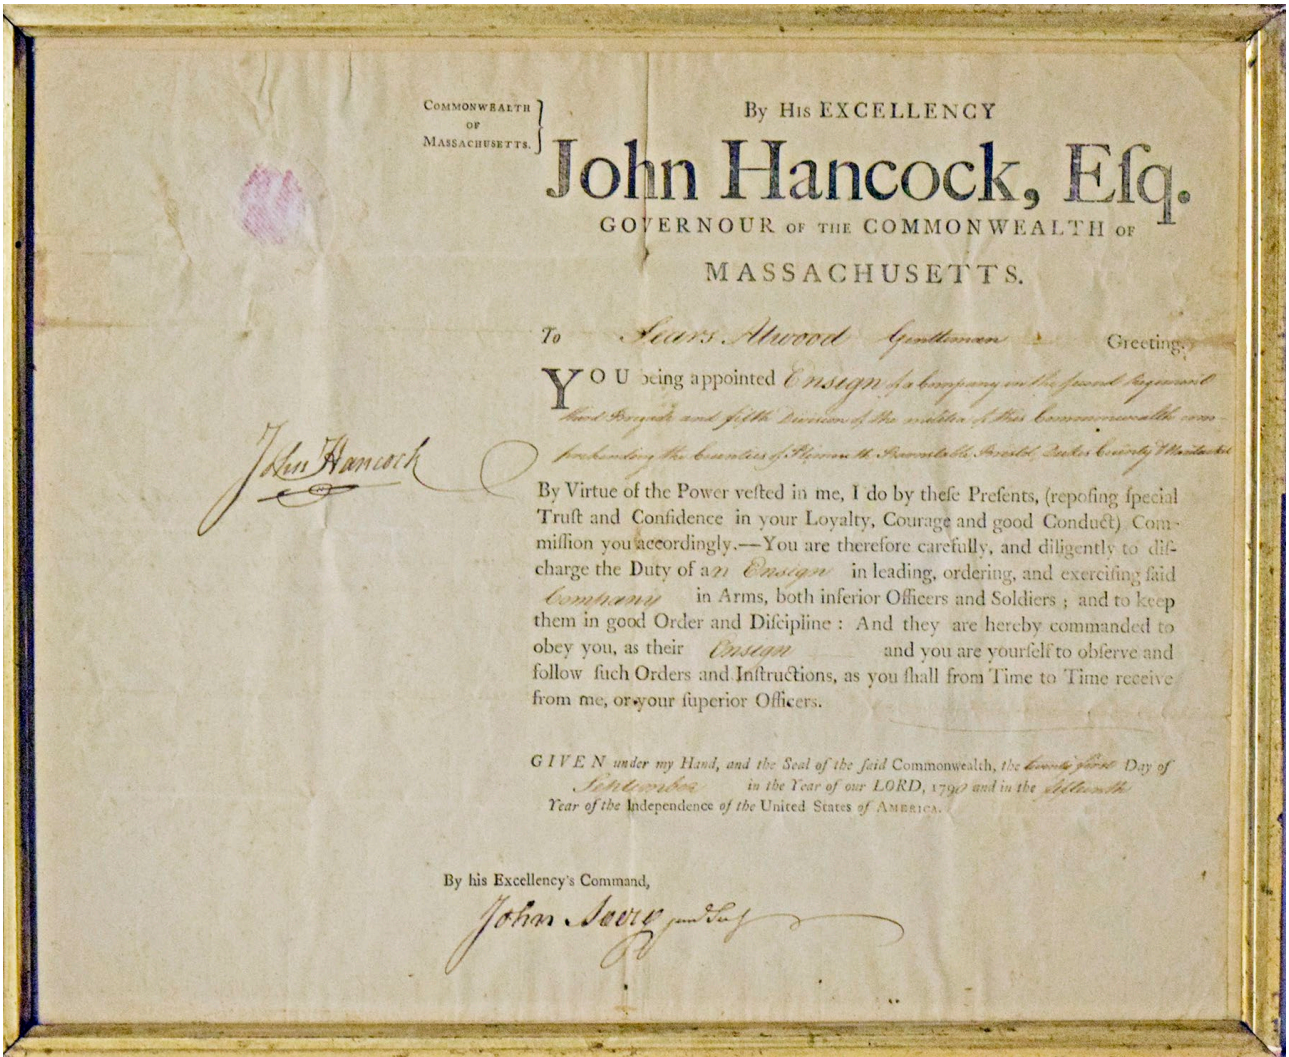

10 Postcard Ruth, Babe

9.5..... 1000

Obtained at the time in Hollywood, California by an employee for a movie studio, this is signed and inscribed to the niece of this person. (The rest of his incredible autograph work is in the entertainment section). Postmarked in 1948, this is very special as Babe died just over two months after this was signed. Signed To Susie from Babe Ruth, this is a large and perfect signature. Ruth signatures from 1948 are almost always secretarial, this fresh piece is simply outstanding and would be a great addition to any serious Babe Ruth, baseball HOF or Yankee autograph collection. JSA LOA (full).

Key Lots

11 Document Hancock, John

9 1500

Great piece, Hancock is one of the most instantly recognizable figures in early American history. Famous for his great signature on the Declaration of Independence, Hancock's great autograph has become synonymous with quality signatures for over 200 years! Offered is a handsome 16x13 document from 1790. Signed as Governor of Massachusetts, this is a Military Appointment. The document has been folded at one time but still displays well and is quite clean overall. Hancock's classic signature is apart from the rest of the document on the left side and looks terrific. JSA LOA (full).

Great Old Judge Baseball Card Collection

Amazing Old Judge Collection

Rare Old Judge Spotted Ties

11.1 Joe Crotty (NY-spotted tie) SGC Authentic 150

Rare spotted tie, this one has a nice image. Cut thin on the left border, this has some creasing. The back is clean, we assume the cut led to the Authentic grade.

12 Ed Cushman Portrait, spotted tie SGC 1 300

Fine looking spotted tie, these are among the rarest of all Old Judge cards. Revered by collectors, this example has a perfectly clean front with a nice image and pristine surfaces. Mild wear on the back led to the 1 grade.

13 Bill Holbert NY Spotted Tie SGC 1.5 850

Rare card, one of the keys to the legendary spotted tie run. The image is pleasing albeit not perfect, the card has general wear on the edges, the back shows some wear as well but no paper loss. You have to love this evocative image of Holbert with his spotted tie in uniform. Precisely graded, who wants to add a great Old Judge card to their collection?

14 Al Mays (NY-Spotted Tie) SGC 5 1200

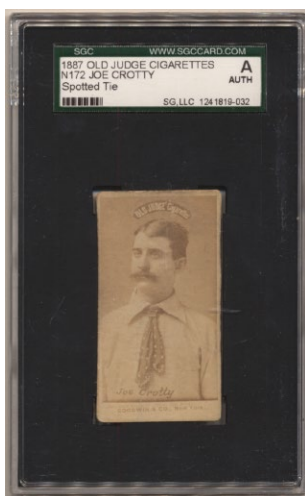

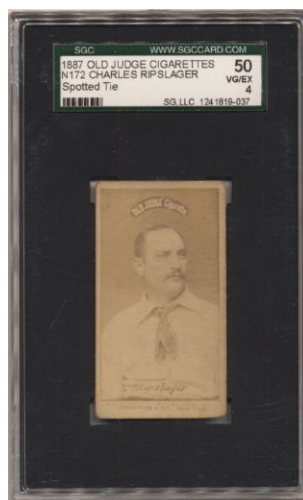

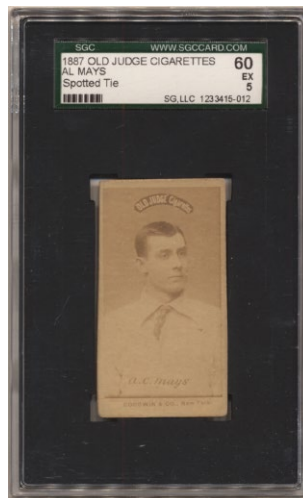

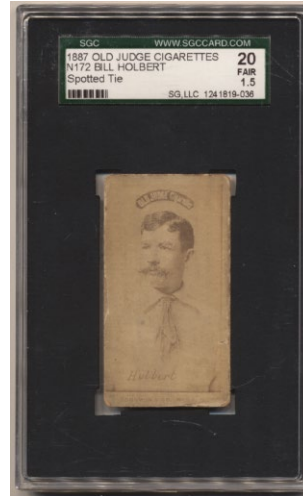

Key spotted tie Old Judge, these are so rare to find in Ex 5 quality. Attractive card, this has a very attractive and evocative period image that is just a touch light but still very nice. The borders and surfaces are all clean, including the back. Likely a card that is in only a very small number of super advanced Old Judge collections, who wants to either upgrade or add a great Old Judge card to their collection?

15 Charles Reipschlager (NY- Spotted Tie) SGC 4..... 1350

Rare spotted tie, these hardly ever to market. A revered subset, the offered card has no visible creases or wrinkles, clean surfaces and a nice back. The image is a touch light but certainly fully discernible, the borders are clean. Who wants to add a truly rare spotted tie card to their collection?

16 Chief Roseman (NY-Spotted Tie) SGC Authentic.. 300

One of the original New York Mets (Metropolitans), this is a very desirable and rare card. Rebacked, this also has a chip by the top border. This card is certainly not for the condition conscious collector but how often do these come around?

Great Old Judge Baseball Card Collection

Old Judge HOFers - Amazing Selection

- 17 Cap Anson Street clothes, Capt. ANSON,
Chicago's-script SGC 1 750

Vital Old Judge card of a most consequential HOfer for good or bad, these are always very popular and desirable. This card has a fine image of Anson with his great mustache and bravado in full view, a scrape by the bottom border keeps this at a 1. The image is otherwise nice, the edges look good, and the back is fine.

- 18 Jake Beckley Catch, hands held out neck high
-Pittsburghs SGC 1 240

Scarce pose that we hardly ever see, the image is on the light side. The front is clean, the back has creasing and some wear. The edges are crisp, the corners are very solid for an Old Judge. HOF.

- 19 Dan Brouthers Bat at ready over shoulder,
looking/R-Bostons PSA 1 mk 180

Quality card of this feared 19th century slugger, the front offers a clean image and solid eye appeal. There is hardly any creasing on the front, the back has a stray mark and shows evidence of typical scrapbook removal. This is a very nice looking card for the grade.

- 20 John Clarkson Bat at ready over R/shoulder
-Bostons PSA 1 210

Great card of a HOF pitcher batting, something you do not see every day! The image quality is superb, this is a great looking card. The front is pristine save for some wear by the lower left corner; wear on the back from scrapbook removal led to the 1 grade. This is the kind of 1 that is almost a gift from the grading companies.

- 21 Roger Connor Bat held up at 60-Script Name
SGC 3 100

Scarce HOF card, these hardly ever come to market. This style is one of the most desirable in the entire Old Judge set and is revered by advanced collectors. The image is admittedly light, but the card has no creases, consistent corner wear and a respectable reverse. How often do these come around?

- 22 Ed Delahanty (Throwing, Phila's) PSA AA 600
Rebacked, this is a very uncommon pose of feared 19th century HOF slugger Ed Delahanty. A magical name in baseball history, his Old Judge cards are revered by collectors. The image of Delahanty standing and throwing a ball looks great. The offered card is perfect for someone who wants an Old Judge Delahanty and does not want to spend \$4,000 plus or for a super advanced collector who needs this image.

- 23 Hugh Duffy (Fielding-hands neck high,
feet apart, Chicago) PSA 3.5 350
HOfer and former .400 hitter, his Old Judge cards are always desirable. Clean card has no creases or back damage. The image is light but fully discernible, the left border has some wear in one spot. It is not easy to find Old Judge HOFers in PSA 3.5 holders.

- 24 Buck Ewing (Field-hands on knees, C., New Yorks)
SGC 1 420

Key 19th century HOfer, among the very finest players of his era. Offered is a very attractive card with an unusual image of Ewing posted in his New York uniform with his hands on his knees. Corner wear is noticeable, but the pinhole by the top border led to the 1 grade. The image quality here is very solid.

- 25 Buck Ewing (W/ Mascot, New Yorks) SGC 4 1100
Key 19th century HOfer, among the very finest players of his era. Offered is a classic card, one of the most iconic in the set, of Buck Ewing with the New York mascot. Sharp looking card has a fine image, a clean back and crisp edges. The image is solid, the card has no creases and is quite clean. This is a truly superior example of one of the most classic of all Old Judge cards.

Great Old Judge Baseball Card Collection

Old Judge HOFers - Amazing Selection

26 Pud Galvin (Arms at side, P. Pittsburg) SGC 1.5..... 600
Very scarce Old Judge HOFer, these are always very desirable. The offered card has a respectable image of a well-dressed Galvin peering just to the right of the camera. The front has staining and general wear, no real creasing. The corners exhibit consistent wear, the back is reasonably clean. This is a fully presentable example of a very tough card.

27 Clark Griffith (Pitching-hands at neck, Milwaukeees) SGC 3 900
Rookie Card of this HOFer, this is a very desirable card. The image has medium contrast, there is some very fine creasing by the right border. The back is clean, the card has a clean overall look. This is a great card to add to any serious Old Judge or HOF Rookie Card collection.

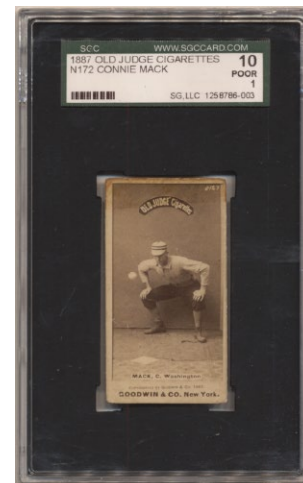

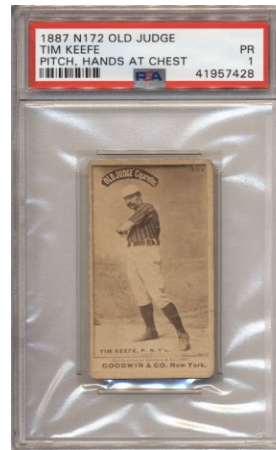

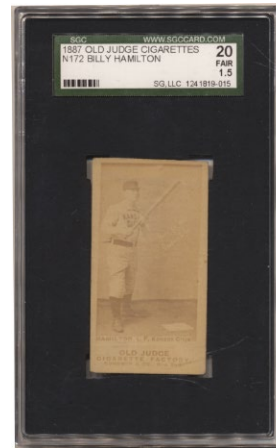

28 Billy Hamilton (KC-bat-look at ball, L.F., Kansas Citys) SGC 1.5 300
Elusive HOFer, his cards are always desirable. Offered is a very nice example with a slightly light but nonetheless very pleasing image. The front is clean, mild back issues led to the 1.5 grade.

29 Tim Keefe (Tag D. Richardson, Keefe & Richardson Stealing 2d, N.Y's) SGC 1 200
Scarce card, this is another one of the great multi-player cards in the Old Judge set. Lower grade, this has a respectable image and general wear on the front. The corners show lots of wear, the back has no paper loss but a mark. Despite its admitted condition issues, this is still a card with a HOFer that is well worth adding to almost any Old Judge collection.

30 Tim Keefe (Pitch-right hand near back, Tim Keefe, N. Y's) PSA 1..... 180
Fine looking Old Judge HOF card, this has a very, very fine image and a great looking front. There are no creases, the front has slight wear by the upper left corner. The back shows light wear, not bad at all. These are the kind of cards that frustrate many collectors with grading services.

31 King Kelly (Bat horizontal, 10,000 Kelly) SGC Authentic..... 450
Very uncommon Kelly image, this is the first time we have seen this particular view. Extremely well contrasted, the image is of superb quality. The card has edge wear and some back wear, it is not bad at all overall. A key Old Judge HOFer, a tight cut at the bottom border may have led to the Authentic grade, we are not sure.

32 Connie Mack (Stoop hands on knees, C.) SGC 1..... 900
One of the most classic Old Judge cards, how neat is it to have a true playing career card of the legendary Connie Mack? The image is of OUTSTANDING clarity and quality, the 1 grade is due to the usual back issues. The front of the card has a wonderful image of Connie Mack stooping to catch a ball floating in mid-air. You have to love his uniform, especially the striped hat! The borders are clean, there are no creases, and there is some toning or other slight issue by the top border.

Great Old Judge Baseball Card Collection

- 33 Tommy McCarthy (Sliding outdoors, St. Louis)
SGC 4 450

Very fun card, you have to love these great action shots in the Old Judge set. A HOfer no less, this card has a terrific image that is a hair light but otherwise clean and clear. The back looks perfect, the bottom two corners exhibit a fair amount of wear. Overall this is a very attractive mid-grade HOfer with one of the better images in the set.

- 34 Bid McPhee (field-hands ankle high, McPhee, 2d B., Cincinnati) PSA AA 500

Rare HOfer, this is one of the keys to any Old Judge run. Missing from most Old Judge collections, these are needed by almost all HOF card collectors. The offered card has a beautiful image of McPhee bending down to field a ground ball. The front has a very fresh feel, the back has extra residue from scrapbook removal. The sides are cut at a slight angle, this may have been rebacked but we are not certain. Either way, this is a very attractive example of a truly rare and desirable Old Judge HOfer that is needed by many, many collectors.

- 35 Old Hoss Radbourn (hands at waist, white between hands and belt, P.) SGC 3 1000

Cut to the left border, this Old Judge HOfer has a STUNNING image. The quality is amazing, it is perfectly clear and bold. The edges are sharp, the corners come to points, and the back is clean. This is a very, very attractive and fine example of one of the most desirable Old Judge HOFers.

171 John Sterling (Bat in right hand, ball in left)
PSA Authentic Altered..... 45
Not sure about the alteration, this has a quality image and good eye appeal. There is some wear, including on the back.

172 Cub Stricker (Bat almost vertical) SGC 1.5 53
Not bad at all, there are no technical defects, just lots of corner wear.

173 Ezra Sutton (Boston-ready to hit-eyes on ball,3d B.)
SGC 1.5 53
Neat card has a dark and fine image. The front is quite nice save for two nicks, the back shows slight wear.

174 Cannonball Titcomb Bat in R/hand at side-N.Y.
PSA 2 mk 90
Great nickname, the image is light but still fun. There is one faint surface crease, the back has pencil notations. New York player, I do not remember handling this card until now.

175 Park Swartzel (Standing arms by side) SGC 1.5..... 53
Clean card has a fine image and a very fresh look. The back has no paper loss but creasing on the reverse led to the 1.5 grade.

176 George Townsend Catch, hand chest high
PSA 2 mk 53
Not bad at all, there is some odd wear by the upper right corner. The image is pleasing, the back has no damage.

177 Phil Tomney (Bat at 45) PSA 1..... 45
Louisville player. This has some creasing and a fair amount of corner wear. The image is not bad at all, the back has no damage.

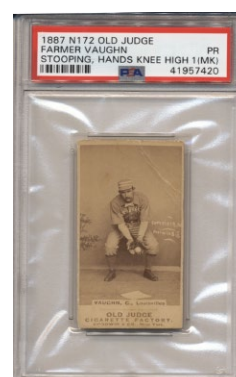

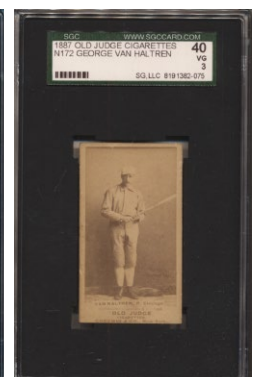

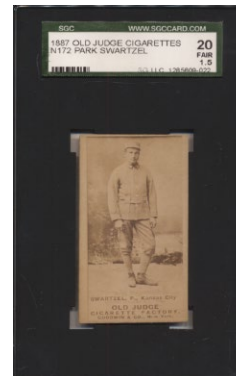

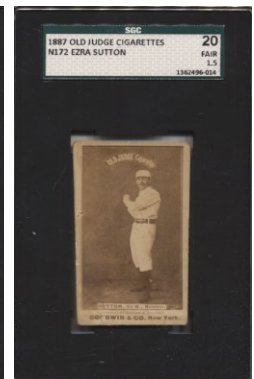

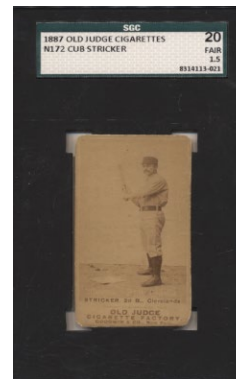

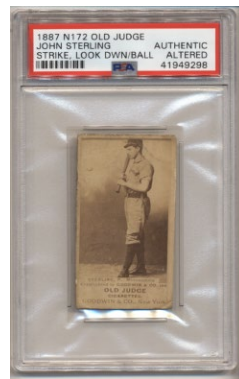

178 Sam Trott (Balt-throw left arm back ball head high)
SGC 1.5 180
Baltimore player, this has a perfectly contrasted image. Corner wear and staining by the right border keep this at a 1.5. The back has no technical flaws.

179 George Van Haltren Bat at ready, looking at camera
-Chicago SGC 3 105
Name player, this has a very clean look and feel. There is no back damage, the image is solid, the edges are crisp. A few isolated nicks by the borders likely led to the 3 grade. Nice card.

180 George Turner (Bat at 45, look camera) SGC 1.5 53
Clean card has a nice image and an attractive front; moderate back wear keeps this at a 1.5.

181 Farmer Vaughn (squat to catch ball at face)
(Louisville) PSA 1 mk 180
Scarce Louisville player. Great image, we have not seen this card before. The contrast and clarity are impressive. There is a crease by the upper right corner, the front is otherwise clean. The back has pencil notations and general wear.

182 Leon Viau (Rear back to throw ball belt high)
SGC 2.5 68
Attractive card has a nice image with a very clean feel. The extreme bottom border on the front exhibits wear. The back has no damage but there is creasing.

Great Old Judge Baseball Card Collection

183 Bill Vinton Bat at ready, looking at camera
PSA Authentic..... 45
Awkwardly cut, this otherwise has a good image and a nice look. The back has a stamp from a well known collector.

184 Bill Watkins (KC-Portrait in street clothes)
PSA 2 mk 90
Very uncommon card, this has a dark and fine image, but wear by the left border keeps this at a 2. The back has a stamp from a one-time owner.

185 Bobby Wheelock Hands on hips-R.F. PSA 2..... 60
Attractive card has a fine front with a strong image and no issues. The back has some wear, less than usually found.

186 Gus Weyhing (R Hand Forward Chest High)
SGC 5 120
Terrific 5, this has a perfectly clear image and a very clean look. Well centered with only slight corner wear, this is perfect for a clean type-card collection.

187 Pat Whitaker Pitch, hands out above waist
SGC 1 120
Baltimore player. This has a good image, but extensive corner wear and typical back wear keep this at a 1.

187.2 Jimmy Williams (Street clothes w/ derby on head)
SGC 1.5 450
Very scarce card of the Cleveland manager, this has a stunningly dark and clear image. The visual appeal here is impressive. The card has wear at the upper left corner and on the back. It would be extremely difficult to find a nicer image on this card.

188 Charles Willis Bat at ready, looking at camera
PSA 1..... 45
Chipping at the lower right corner and some back wear keep this at a 1.

189 Pete Wood Pitch, R/hand extended at side,
head high-Philadelphias SGC 1 45
Far from terrible, this has a light image and some wear on the back.

190 Walt Wilmot Throw, R/hand back, neck high
-Washingtons PSA Authentic Altered 45
Crisp card has square corners. The borders are thin, which may have been how it was issued. There is a stray mark by the lower right corner, we do not know what the alteration is.

191 Chicken Wolf Sliding 150
Rare Old Judge, there are only two public sales on VCP ever. This card is not in a slab as it has been rebacked for the image, and the advertising from another card is mounted below. A very odd thing, still this happens to retain an exceptionally bold, crisp and fine image, which is probably why someone went to all of this trouble. A Louisville player, who wants to fill a tough space in their Old Judge collection?

1910 E98 Caramel Singles

192 1887 Tobin Lithographs B/W
Cap Anson (Oh Come Off!) SGC 2.5 100
Oddball Cap Anson card, his only remotely affordable 19th century card. Scarce issue, these do not come around very often. Freshly graded, the offered card is well centered with hardly any creasing. The back has no damage but may have been in an old style photo album; this card displays very well for the grade.

193 1889 N526 Number 7 Cigar Madden SGC 3 200
Very scarce and undervalued oversize 19th century issue, these do not come around very often. The offered card has four very solid corners, a fine image and pristine borders. The back has a very subtle mark above Then, it is also otherwise perfectly clean (it is possible this could be a print mark as well, we are not certain). Either way, this is an awfully sharp and nice looking 19th century baseball card, particularly for the grade.

194 1909 T206 225 Jackson SGC 3 (Broad Leaf 350)... 300
Beautiful 3, this has perfect color and a fine image. The corners exhibit mild and consistent wear, the surfaces are all quite clean. There is hardly any creasing, the desirable Broad Leaf 350 back could not be any cleaner. This is as nice as it gets for this rare back from what we see. Also please note as of 10/18, there is NOT A SINGLE sale of one of these on VCP.

195 1909 T206 386 Poland SGC 1.5 (Broad Leaf 350) 200
Very colorful and attractive card, this has rich color. General wear by the right border on the front keep this at a 1.5. The rare Broad Leaf 350 back looks terrific, this is ideal for someone doing a T206 rare back run. Please note this actual card traded way back in 2007, the last example in any grade to show on VCP!

196 1909 T206 440 Smith (Buffalo) SGC 3.5 (Broad Leaf 350) 300
Very clean card has no visible creases or wrinkles and very clean surfaces. Corner wear at the upper right corner is the only real distraction. The rare Broad Leaf 350 reverse is perfectly clean and looks terrific. Please note the last (and only) sale on VCP was for a weak 2 in 2011 for \$628. The offered card is FAR superior to that example.

1910 E98 Caramel Singles

197 1 Christy Mathewson SGC 2 510
Scarce card, there was only one of these in the recent find. The image and orange background color look great, a crease through the center keeps this at Good. The back is clean, the borders are white, and the corners are nearly VG.

198 2 John McGraw SGC 2 120
From the legendary Frank Nagy's collection, this example is well centered with rich red color. The image looks great, creasing, mainly visible on the back and a stray mark on the back led to the 2 grades.,

199 4 Frank Chance SGC 2 87
Somewhat elusive card has a novel image of Chance batting, this has rich color. There are no real creases, but corner wear and some edge wear on the back led to the 2 grade.

200 6 Fred Clarke PSA 2 60
Colorful card has an unusual light green background. Creasing by the top border keeps this at a 2, the back is perfectly clean.

201 7 Roger Bresnahan SGC 1.5 105
Colorful card has a vibrant red background and a terrific image of HOFer Bresnahan batting. Creasing by the bottom border and corner wear keep this at a 2. The back is fine.

202 8 Hal Chase PSA 1 60
The front is clean, with great blue color and a fine image; back damage keeps this at a 1.

Baseball Card Singles

1910 E98 Caramel Singles

203 9 Russ Ford SGC 3..... 75
Nice 3 is well centered with lovely green color and a terrific image. No creases, the back is clean, corner wear keeps this at a 3.

204 10 Ty Cobb SGC 1..... 350
Fun card of Ty Cobb fully stretched out in a great period Tigers sweater style uniform, this has rich color. There are no creases, the back is clean. SGC graded this a 1 due to a scrape in the bottom margin and by the left border, both are far away from Cobb's image. As these are very minute scrapes, this card presents much, much nicer than its 1 grade.

205 11 Hughey Jennings PSA 2..... 113
Worn 2, this has a nice image but there is extensive wear at the lower right corner. The back has some small scrapes.

206 14 Cy Young SGC 2..... 300
Key card, this is nice as it has an unusual image of Cy Young. The offered card has a flawless image and a vibrant and very attractive light green background. The back is clean. Fairly well centered, slight creasing and moderate corner wear keep this at a very pleasing overall 2.

207 16 Miner Brown PSA 7 (Black Swamp) 285
From the recent find, this is a super sharp and clean card. This has a bright orange background and a very fresh look and feel.

208 19 Hippo Vaughn PSA 1.5 38
Colorful Yankee card has rich red color and no technical issues. Two creases led PSA to grade this a 1.5.

209 20 Red Dooin SGC 4..... 87
Nice 4 has no creases and a good image; wear at the upper right corner, mainly on the back, keeps this at a 4.

210 21 Fred Tenny (Tenney) PSA 5 (Black Swamp)... 225
From the recent find, this is a beautiful card with a wonderful image and superb period coloring. We are not sure why this only graded a 5, all four corners are quite sharp and the back looks perfect.

211 22 Larry McLean PSA 2..... 60
Pleasing 2, a crease and corner wear are the only issues here. The borders are bright white, the back is clean.

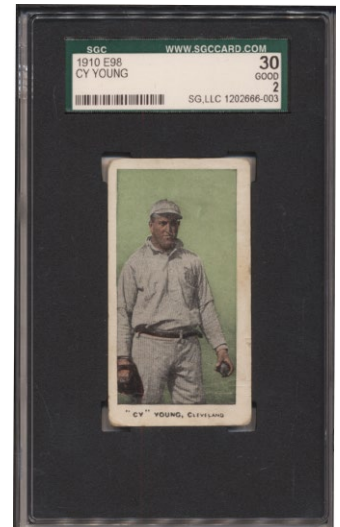

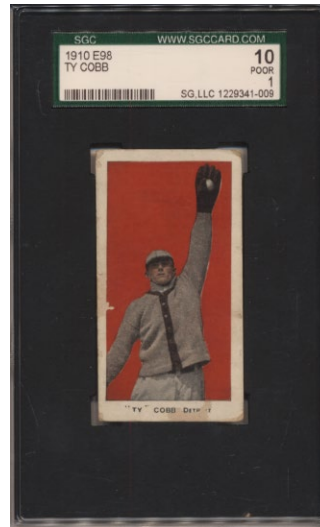

212 25 Johnny Evers PSA 2..... 113
Nice 2, this has no creases, good color and a quality image. Corner wear and mild general wear keep this at a 2.

213 26 Harry Davis PSA 3..... 53
Strong 3, this has no visible creases or wrinkles, rich color and even corner wear. The borders are white, the color and image quality are strong.

214 29 Connie Mack SGC 1.5..... 120
Nice card, this has a clean front with a flawless and colorful image of Connie Mack seated. There are no visible creases, the back has slight wear at the very top, and no text is affected.

215 1910 Postcard Hughie Jennings SGC 3 75
Very unusual We-A-A-A-Ah Hughie Jennings War Dance postcard, the first we have seen. Unmailed, this has no creases and clean surfaces. Corner wear keeps this at a 3, the card has a vibrant image and a very attractive look to it.

216 1910 T211 Red Sun Brooks PSA 5..... 150
Fine looking card, this is such a scarce issued to find. Slabbed PSA 5, this is an extraordinary grade for this issue. Well centered with clean olive green borders, the vital back is perfectly bright and clean. This is perfect for a very high-end type-card collector.

Baseball Card Singles

217 1910 Tip Top Bread 8 Howie Camnitz SGC 4.... 100
Fun issue, these are such attractive cards. Colorful card has no creasing and a fine image, complete centering to the right border keeps this at a 4.

218 1910 Tip Top Bread 12 Deacon Phillippe SGC 4.. 125
Quality deadball era pitcher, this is not an easy card to find. Extremely attractive issue, this has great color and clean surfaces. A minute wrinkle at the upper left corner keeps this at a 4, the back is clean.

219 1910 Tip Top Bread 24 Boy Mascot SGC 2.... 300
Very scarce card, this is needed by many set collectors. The image looks good, as does the color. The back is fine. Creasing and corner wear keep this at a 2.

220 1913 Lajoie Game Card Red Background PSA 8.5 ... 23

221 1913 National Game 6 Roger Bresnahan PSA 8.... 45
Sharp looking card, this is an affordable pre-war HOfer in an 8 holder.

222 1913 T5 Pinkerton Postcard Ty Cobb SGC 1.5 500
Scarce and desirable earlier Ty Cobb card, these do not come around very often. I love the large image of a completely outstretched Ty Cobb making a play in the field. A substantial crease through the center keeps this at a 1. With that disclosed, the card has an impeccable image and an otherwise very nice front. The blank back is bright and clean save for the crease.

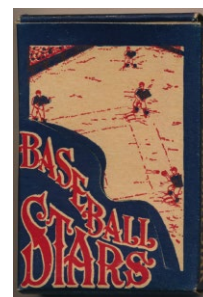

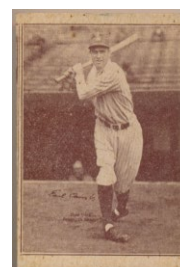

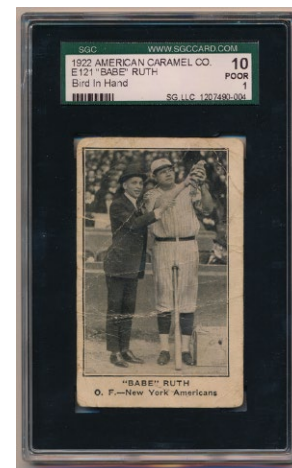

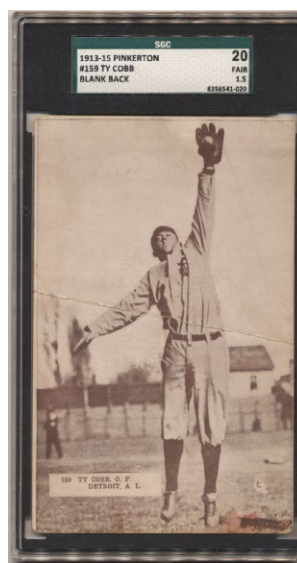

223 1921 Schapira Brothers Ruth (portrait) PSA 1.5... 200
Neat card, this is from the back of a candy box. Not easy to find with numerical grades from PSA, this has full corners and a vibrantly colored image. Slight wear on the blank back likely led to the 1.5 grade.

224 1922 E121 Series 120
Babe Ruth (holding bird) SGC 1 300
Classic and novel Babe Ruth card from very early in his career with the Yankees, these do not come around every day. The offered card earns its 1 grade with creasing and corner wear, there are no technical defects. The back is fine, the image looks good without respect to the creasing. These are so much harder to find than his 1933 Goudey cards and seem very undervalued to us in today's market.

225 1928 Star Player Candy Thomas SGC 4 150
Oddball 1920s card, this is well centered with bright white borders, four square corners and a clean white back. There is slight wear at the lower right corner, possibly a wrinkle, it looks much more like a 6 or a 7 than a 4.

226 1929 Certified's Ice Cream Pins Hornsby Ex..... 180
Scarce and desirable pin, this one-inch pin was produced during legendary Rogers Hornsby time as a Cubs player. The face of the pin looks good, as does the image of Rajah, wear in one area on the rim keeps this at Ex.

227 1929 Leader Novelty Candy
Earle Combs w/original box Ex-Mt 150
Very, very scarce issue, most collectors do not even have a single example. Offered is a mildly toned but crisp card, this is hand-cut as is typical. The card looks good and comes with a very sharp looking original box. Please note our understanding is that the box alone can sell for \$500. Neat lot.

Baseball Card Singles

228 1931 Exhibit Gehrig, Lary, Reese, Ruth PSA 1 500
Rare 1930s exhibit card, these hardly ever come to market. Probably the scarcest 4/1 set, this is of course the key piece. The front shows some general wear, natural toning and very little creasing. The front has a nice antique patina feel. The back shows some wear and mild scraping, it is not bad at all. This card has the eye appeal of a 2 or a 3 but this may not even matter given the scarcity.

229 1932 U.S. Caramel 26 Lou Gehrig PSA 4..... 1000
Great card, this is one of Lou Gehrig's most popular and desirable cards. This card has a great image of Gehrig with his hat raised high, you will not see this on any of his other cards. The offered card is a pleasing VG-Ex 4. The card is well centered, there are no creases or wrinkles that we could see, the color is good, and the borders are reasonably clean. Corner wear is fairly consistent. These are much, much scarcer than his contemporary 1933 and 1934 Goudey cards and seem undervalued for this reason.

230 1932 Uncle Jacks Sealed Pack w/Lindstrom on top.. 300
Very neat piece, this is an original 1932 Uncle Jacks pack. This has the original gum and cellophane, the cards may have been removed from the top as there is some general wear present at the top. The card of HOFer Fred Lindstrom appears to be well centered with four sharp corners and quite nice.

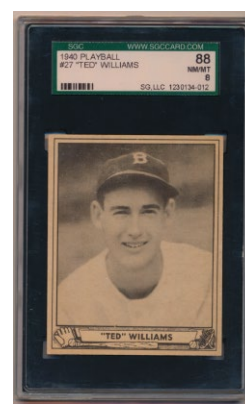

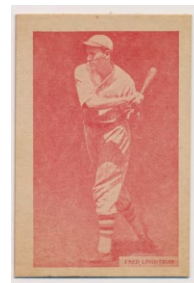

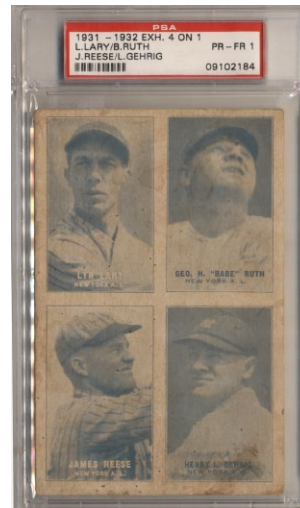

231 1933 Goudey 207 Mel Ott PSA 8 oc 250
Key card, this is one of the most attractive cards in the set. The color here is superb, the corners are all quite sharp. Heavy centering to the bottom border led to the qualifier, it is well centered left to right. The qualifier will save the winning bidder some serious money as 8s have traded for over \$10,000!

232 1934 Goudey 61 Lou Gehrig PSA 4..... 900
Key Lou Gehrig 1930s Goudey card, one of my personal favorites. A semi-high number, these are much harder to find than his two 1933 Goudeys. The offered card has lovely color, a fine and flawless image of Gehrig and a clean mid-grade look and feel. There are no visible creases or wrinkles, centering is not bad at all, the borders are clean, as is the back. 1930s gum cards of Ruth and Gehrig have been on fire in recent years, this is probably a good card to put in a draw for a few years.

233 1940 Play Ball 27 Ted Williams SGC 8 1000
Serious 8, this is only Ted Williams's second card. Much more attractive than his Rookie Card, this great looking card offers a terrific image of a 22-year old Ted. Usually found in terrible condition, this is probably the nicest version of this card that we have seen or handled. The borders are perfectly clean, as are all the surfaces. The image of Ted is perfect, the corners all come to very sharp points. This is well centered, there might be a very, very minute diamond cut. Overall this is a truly superior example of a very condition sensitive and simply great card.

234 1941 W754 Cardinals 22 Branch Rickey PSA 8 90
One of very few cards of this ultra important Rickey, these seem like incredible bargains to us at current market levels. Well centered with four very sharp corners, this is a very solid 8.

235 1947 Bond Bread Jackie Robinson
Batting White Shirt Sleeves PSA 4.5..... 300
Very scarce card, I cannot remember the last time we handled one of these. Great image, this is one of my personal favorites from this white-hot set. Very well centered with clean borders, a nice back and a perfect photo, this presents very, very well. We cannot see any creases or wrinkles, even under magnification. The corners exhibit mild and consistent wear, the grade could be a half-grade low here. Either way, this is a great looking example of an extremely scarce and very desirable card.

Baseball Card Singles

1948 Leafs

236 5 Trucks RC SP PSA 7 oc..... 100
Sharp and clean card, the color is great. The corners are very strong, typical centering to the bottom border led to the qualifier.

237 19 Wyrstek SP PSA 5..... 100
Nice 5, this has excellent color and a well-registered image, which is unusual. Fairly well centered, the corners come to nice points, the surfaces are clean.

238 38 Kluszewski RC PSA 7..... 50
Popular card, these often have condition issues. Sharp and quite clean, centering to the right border kept this from grading higher.

239 45 Keltner SP PSA 5..... 100
Tough card, this has a remarkably attractive image with superb color and perfect clarity. Centered mildly to the top border, the corners show very slight wear, PSA was more than a little tough here with the 5 grade.

240 46 Mize PSA 7..... 30
Fine 7, this is fairly well centered with a particularly colorful and attractive image. The corners are all sharp.

241 54 Adams SP PSA 5..... 100
Very well centered, this has strong color and a nice look. Mild corner wear keep this at a solid 5.

242 55 Henrich SP PSA 5..... 100
Undervalued card, these are not easy to find. An unheralded Yankee star for many teams, the color and image quality make this one stand out in a crowd. Bright and quite clean, this has four square corners; typical centering to the right border likely led to the 5 grade.

243 59 Appling PSA 7..... 30
Sharp card is centered to the right border.

244 62 Joost SP PSA 5..... 100
Superb 5, this has outstanding centering, very slight corner wear and great color.

245 65 Elliott RC PSA 7.5..... 30
Unheralded star, this card has four very sharp corners and a super fresh look. Centering just worse than 60/40 to the top border likely kept this from grading an 8 or higher.

246 66 Grove SP PSA 7 oc..... 100
Super sharp card has four razor sharp corners. The image clarity is superb, there are no print issues. Heavy centering to the left border led to the qualifier.

247 75 Dom DiMaggio SP PSA 7 mc..... 100
Well registered, which is unusual. This card has a very nice look with sharp corners and super clean surfaces. A full cut to the right border led to the qualifier.

248 81 Kurowski SP PSA 5..... 100
Crisp card has four square corners and a terrific image, centering to the top border keeps this at a very high-end 5.

249 83 Doerr PSA 7..... 30
Fairly well centered with particularly rich color, this is a very attractive 7.

250 88 Gustine SP PSA 5..... 100
Great looking 5 has exceptional centering, terrific color and a perfect image. Mild and consistent corner keeps this at an ideal 5 grade.

251 91 Kiner RC PSA 7..... 30
Terrific 7, this has four very sharp corners, a perfect image and immaculate surfaces. Centered mildly to the bottom border, this otherwise may well have graded an 8 or higher, it is that nice.

252 102 Hermansk Error PSA 3..... 113
A legitimate error, these are so undervalued right now in our opinion. Ideal 3, this is well centered with no creases or wrinkles, excellent color and perfect image quality. There are no printing issues, the corners exhibit mild and consistent wear, the back is nice.

253 108 Batts SP PSA 7..... 200
A short print in a 7, not something you see every day! Sharp card has four very strong corners; centering to the right border keeps this at a 7.

Popular card of the Red Sox legend, centering to the lower left corner keeps this at a 5. This card has a fine image, square corners and very clean surfaces.

256 123 Fannin SP PSA 5..... 100
Medium quality 5, this has great color and a superb image. Centered to the left border, moderate corner wear keeps this at a 5.

257 131 Sid Gordon PSA 5..... 100
Fine looking card stands out with its remarkable color. Centered to the bottom border, it would be hard to find a nicer looking example. The corners come to solid points, the surfaces are super clean.

258 133 Holmes SP PSA 4..... 100
Clean 4, we could not see any creases or wrinkles. Cut heavily to the right border, there is a very faint print line by the bottom right corner.

259 136 Aberson Long Sleeve PSA 7..... 30

260 144 Dillinger SP PSA 7..... 300
A short print in a 7, not something you see every day! Well centered with excellent color, this will be an upgrade for almost all of you.

261 146 Reiser SP PSA 5..... 125
Another exceptionally nice card, our consignor has a really great eye! Extremely attractive card has a stunning image. The corners come to points, this underrated card of cult favorite grades a 5 due to centering. Cut to the lower left corner, the surfaces are super clean.

262 153 Baker SP PSA 5..... 100
Sharp card has four square corners and a fine image; heavy centering to the left border keeps this at a 5.

263 163 Hutchinson RC SP PSA 5..... 150
Underrated card, this one looks great. Well centered with superb color and a perfect image, this is an exceptionally attractive card. The corners come to points, this truly has the eye appeal of a 7.

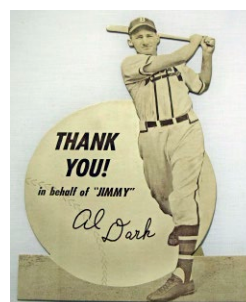

264 168 Cavarretta SP PSA 4..... 100
Very nice for the grade, we could not see any creases or wrinkles, even under magnification. Cut to the top, there is one print line, the image looks great. The corners come to points. Very slight and subtle wear on the right border likely led PSA to grade this condition sensitive final card a 4.

265 1949 Bowman 50 Jackie Robinson PSA 3..... 150
Classic card, this one has beautiful color and amazing image quality. The corners come to points, the back is bright and clean. A fine back crease keeps this at a 3, this is a superb looking card for the grade.

266 1949 Bowman PCL 31 Malone PSA 7..... 250
Scarce PCL counterpart to the classic 1949 Bowman set, I always liked these cards. The offered card has four sharp corners, good color and clean surfaces. Centering to the lower right corner keeps this at a 7.

267 1949 Jimmy Fund Boston Braves Die-Cuts
Al Dark w/orig. envelope NM 180
Super fun issue, this is a true full cardboard die-cut display. With the original easel and envelope of issue, the condition is magnificent. Sharp and strikingly clean, this is perfect for any advanced oddball or Boston Braves collector. This measures 9x12 and is something that looks so much nicer in hand.

268 1949 Jimmy Fund Boston Braves Die-Cuts

This measures 9x12 and is something that looks so much nicer in hand.

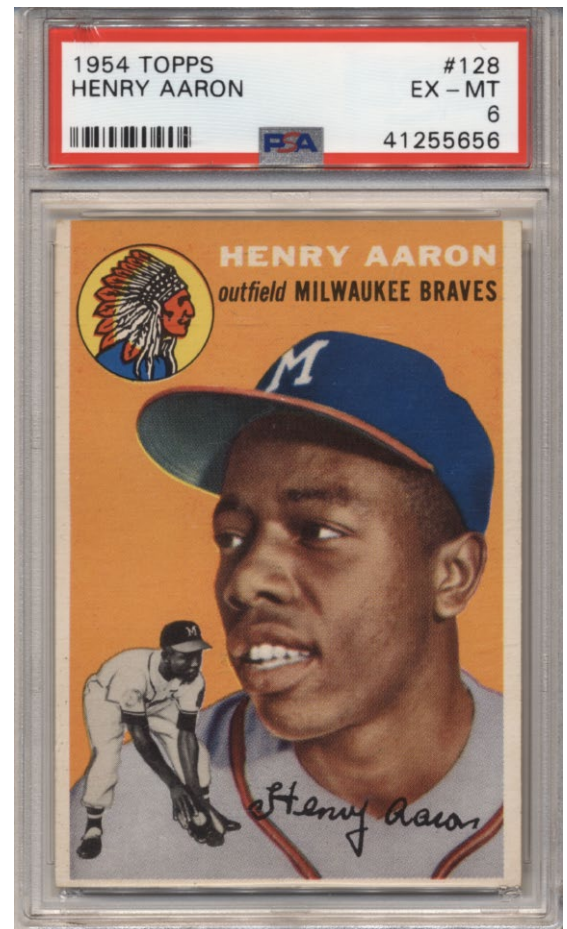

Baseball Card Singles

269 1951 Bowman

253 Mickey Mantle RC PSA 1.5 1650

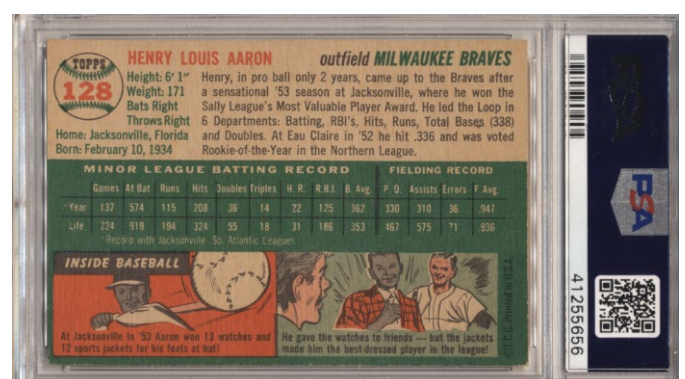

Affordable example of one of the ultimate baseball cards, it is certainly understandable that this card has been so hot in recent years. The offered card has vibrant color, clean white borders, no print lines or issues and a clean back. Centering is not ideal but certainly not terrible, two creases, one of which does not crack the paper, keep this at a 1.5. This condition flaw does not take away from the eye appeal and will allow this card to fit within the budget of a broad range of collectors.

305 1954 Topps 128 Hank Aaron RC

PSA 6..... 1500

Fresh and fine example of a vital Rookie Card, this is a great looking card. An absolutely superb 6, this has excellent centering, reasonably square corners, bright white borders, great color and perfectly clean surfaces. The back is also bright and clean. You really cannot ask more than this out of a 6, this card is a real keeper!

272 1953 Topps 37 Eddie Mathews PSA 8.5..... 300
Very popular card, this is only his second-year. Superb condition, this is a pop 1/5. The centering and corners look great, this has a great picture of a smiling young Eddie Mathews. The slightest suggestion of wear at the lower left corner likely kept this from a 9, this is an extremely sharp and fine card, very precisely graded.

1954 Red Hearts - Very High Grade

330 Berra PSA 6..... 105
Very scarce Yogi Berra card, many believe these were only sold at Forbes Field during Pirates games in 1962. Clean card has a classic image of Yogi batting in Yankee pinstripes, the corners come to points, the wide borders look good, and the surfaces are all clean. How many of you advanced Yankee oddball collectors have one of these?

331 Maris, Roger PSA 4..... 1100

One of the keys to an advanced Roger Maris collection, the offered card has four square corners, a perfect large b/w image of Maris and clean wide borders. Slight toning or staining on the blank back likely led to the 4 grade, we could not see any other issues with the card.

357 1969 Topps 533 Ryan PSA 8..... 200
Key card, only his second year. Very sharp card has four solid corners and pristine white borders. Slight centering to the left border keeps this from grading above an 8. A good deal at current market levels, this would be a very shrewd addition to a high grade 69 set.

358 1969 Topps 4/1 Pete Rose Proof NM 50
From the Topps vault, this is a rare 1/1 blank-backed production proof card. Used to make the popular 1969 Topps 4/1 card with Pete Rose, this neat piece should be of interest to advanced Rose collectors.

Baseball Card Sets & Lots

362 1903 W601 Lot of Five Minor League Teams
NM* 150

Bright lot, these are impeccably matted to 14x15 and appear to be high grade. Content is as follows: 1903 Albany, New Haven, Indianapolis and 1904 Holyoke and Lowell. Some of these players made it to the Major Leagues, these fine looking oversize team prints do not come around very often.

363 1909 T206 Collection of 34 different Good..... 300
Good, well matched lot of T206s, all ungraded. Condition varies but averages a solid Good overall to our eyes. No rare backs, the lot includes Abbaticchio, Pattee and Taylor. Everything will be pictured front and back on our web site, slabbing has made these types of lots hard to find.

364 1909 T206 173 different commons Poor-Good . 1200
A substantial start on a low-grade T206 set, quantities of this size are so hard to find in this market. Ideal for someone who does not want slabbed cards, these cards vary in grade. Condition ranges mainly from Poor - Good. There are no rare backs, the backs themselves are very clean overall. A few rough Southern Leaguers come in the lot, along with some better commons. Figure about 50 cards grade Poor or so, some of which are really hammered; the balance (120+) are mainly in the Good range. This is really perfect lot for a low grade set collector.

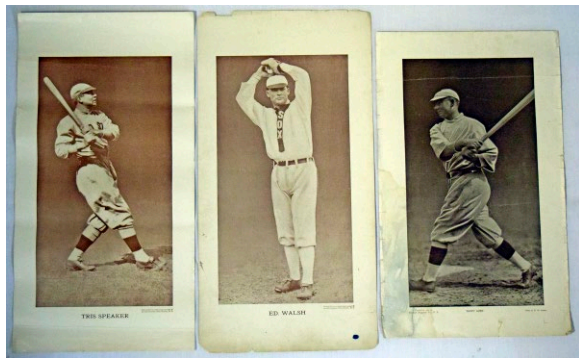

365 1910 S110 Silk Pillowcase w/Ty Cobb 500
The offered lot is one of the greatest of all early large format card-related displays. This is a wonderful 22 x 21 composition with five of the beloved 7x9 large format S81 silks on a baseball diamond. Christy Mathewson gets the center spot, the others go to Ty Cobb, Tris Speaker, Frank Home Run Baker and Marty O'Toole. The images all have rich color and good contrast, these are particularly attractive and well preserved. There is some foxing scattered about, but this is clean overall and retains outstanding eye appeal. Perfectly matted and framed to 28 x 28, this is a real conversation stopper. Tremendously undervalued compared to the tobacco cards from this era, it seems almost criminal that a T206 Green Cobb in a 1 might sell for well more than this gorgeous, clean and frankly quite scarce piece.

366 1911 T205 78 different commons VG 600
A major start on a classic tobacco set, this is a perfectly acceptable VG lot. Condition ranges from Fair - VG Plus or so, the cards average a pleasing VG to our eyes. A very small percentage of the cards have back damage, most display quite well. We will have front and back scans of every card on our web site. T205 lots of this size with no duplication are not easy to find and are always desirable among collectors.

Baseball Card Sets & Lots

367 1914 Baseball Magazine Premium Collection
(16 pcs) w/Speaker 150

Substantial lot of Baseball Magazine premiums, these are mainly lower grade with typical condition issues (chipping, creasing etc). The very large size and the paper stock used for this issue almost always causes major condition headaches. With some matting work however, these should display nicely. Good lot, as it has Tris Speaker, Eddie Collins, Ed Walsh, Babe Adams and Fritz Maisel. The fairly nice Speaker alone is worth well more than our minimum bid.

368 1937 Dixie Lids Complete Set + Extras (6) Ex+.... 150
Fun four-card set, these are all HOFers: Gehring, Harnett, Hubbell and Medwick. All have the tab, check the scans on our website for more details, but the cards average roughly Ex Plus overall to our eyes. Also included are Bill Tilden and Georgia Coleman from the same series.

369 1937 Dixie Lid Premiums Complete Set + Extras (5) Ex+ 150
Fun four-card set, these are all HOFers: Gehring, Harnett, Hubbell and Medwick. All are bright and clean, with full border. The cards average roughly Ex Plus overall to our eyes. Also included is a Bill Tilden premium.

+ key football HOFers (6) Ex+ 200

Neat four-card set, these are all HOFers save one: Feller, Foxx, Hubbell and Moses. All have the tab, check the scans on our website for more details, but the cards average roughly Ex Plus overall to our eyes. In a great touch, key football HOFers Sammy Baugh and Bronko Nagurski come with the lot!

371 1938 Dixie Lid Premiums Complete Set + key football HOFers (6) Ex+..... 200

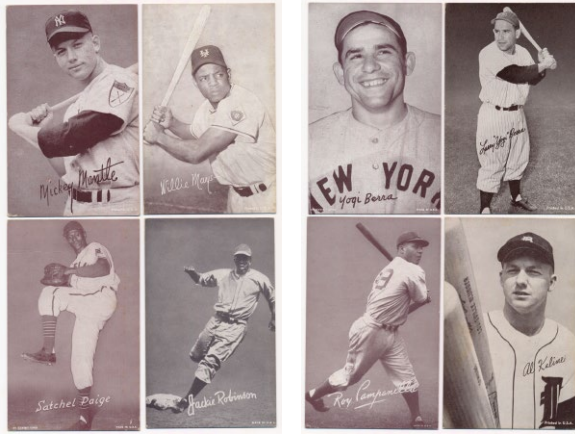

Neat four-card set, these are all HOFers save one: Feller, Foxx, Hubbell and Moses. These have bright color and display well, we did not see any condition issues, and the cards average roughly Ex Plus overall to our eyes. In a great touch, key football HOFers Sammy Baugh and Bronko Nagurski come with the lot!

372 Baseball Magazine Premiums Collection of 49
w/Ruth, Gehrig, DiMaggio Ex+ 150

Fine collection of these undervalued 9 1/2 x 12 premiums. This lot has hardly any duplication and is very clean overall. Some are matted, everything is in an individual holder for protection. The content is great, with note to 19 different HOFers and five different teams. The teams go back to the 1925 Senators, the HOFers include Ruth, Gehrig, Williams, DiMaggio, Mays, Greenberg, Kaline, Reese, Doerr and Rizzuto.

373 1943 MP & Company Complete Set (24) Good... 100
Oddball World War Two strip card issue, these do not come around every day as full sets. The key cards of DiMaggio (2.5) and Williams (2) are both PSA-graded. The balance of the set ranges from Poor-VG, with the Cronin and Foxx the only cards in clear need of replacement. Affordable set has 14 HOFers out of the 24 cards.

Baseball Card Sets & Lots

374 1947 Exhibit 138 different
w/all key HOFers - loaded lot Ex-Mt..... 450
Terrific lot has 44 HOFers and many, many secondary stars. The condition easily averages Ex-Mt overall, but there is variance in both directions and the Mantle is lower grade. With that disclosed, this is both a terrific value for a collector or dealer and a simply ideal platform for building a complete set. These better cards come with the lot: Aaron, Banks Script, Larry Yogi Berra, Yogi Berra (Printed), Campanella, Cepeda Portrait, Cepeda Batting, Ford Pitching, Hubbs, Kaline Portrait w/2 Bats, Killebrew Batting, Killebrew Throwing, Koufax, Kubek Dark, Kuenn D On Cap, Mantle Batting No Pinstripe 1st Name White, Mays Batting, Musial Kneeling, SPaige, F Robinson, J Robinson and B Williams. Please note the book value of just these 22 cards is nearly \$1,000. Lots with this variety and quality of HOFers in nice condition have become really hard to find in recent years.

375 1948 Bowman Complete Set VG 500
Key early Bowman set, not rare but full sets are always very popular among collectors and more desirable than ever with the hot Berra and Musial Rookies. 378 1949 Bowman Collection of 38 w/Berra PSA 6.... 150
Small but very solid lot of clean 1949 Bowmans, these range from card #s 37-131 (mainly 37-72). Condition ranges mainly from VG-Ex to Ex-Mt. These better cards are in the lot: 46 R Roberts RC (crisp w/tiny wrinkle), 47 Sain, 54 Marion, 58 B Elliott, 60 Berra, 61 R Barney, 64 D DiMaggio (2), 65 Slaughter, 67 A Dark RC, 69 Henrich, 70 Furillo RC and 72 Holmes.

Pleasing overall mid-grade set, the cards do vary in grade. About 1/3 of the set is Ex-Mt. 1/5th is VG or so, the balance is almost VG-Ex or Ex. The high numbers are naturally much sharper than the low numbers. Collected with some care, this displays very well overall. The many key cards grade individually as follows: 1 Mel Parnell RC Good, 6 Bob Feller PSA 6, 11 Phil Rizzuto GVG, 19 Warren Spahn VG-Ex/Ex, 21 Pee Wee Reese VG, 22 Jackie Robinson PSA 2, 23 Newcombe RC VG-Ex/Ex, 32 Robin Roberts VG-Ex/Ex, 33 Ralph Kiner Ex, 35 Enos Slaughter VG-Ex, 39 Larry Doby Ex-Mt, 46 Yogi Berra VG-Ex/Ex, 62 Ted Kluszewski VG-Ex, 75 Roy Campanella PSA 6.5, 77 Duke Snider VG, 84 Richie Ashburn VG+, 98 Ted Williams Good, 112 Gil Hodges PSA 6, 217 Casey Stengel MG Ex+ and 219 Hank Bauer RC PSA 6.

Baseball Card Sets & Lots

380 1950 Royal Desserts
Collection of 19 w/many HOFers VG 100

381 1953 Bowman Color
Complete Set w/Mantle PSA 5 1250
Beloved set with its clean design, the many key stars and substantial high number run provide for a significant breakdown value. A clean Ex overall, centering varies. The basic series have many Ex-Mt cards, again with varying centering. The high numbers are a grade below, about VG-Ex overall, with some cleaner cards but with more centering issues as is typical. The set is anchored by PSA 5s of the two cards with Mickey Mantle and a very nice Berra. The key cards grade as follows: 1 Williams VG-Ex/Ex, 9 Rizzuto Ex, 10 Ashburn Ex-Mt, 18 N Fox Ex, 32 Musial VG-Ex, 33 Reese VG-Ex/Ex, 44 Bauer/Berra/Mantle PSA 5, 46 Campy VG-Ex/Ex, 59 Mantle PSA 5, 65 R Roberts VG+, 92 Hodges Ex+, 93 Rizzuto/Martin Ex-Mt+, 97 E Mathews Ex-Mt+, 99 Spahn VG-Ex/Ex, 114 Feller VG-Ex/Ex, 117 Snider VG, 118 B Martin VG+, 121 Berra Ex+, 146 E Wynn Ex, 153 W Ford VG-Ex, and 160 C Abrams VG.

Condition ranges from Good to Ex Plus, about 20% or less are Good or VG, the balance are almost VG-Ex or better, this is a nice lot overall with solid mid-grade star cards. This is a very manageable project to complete in this grade in today's market.

383 1954 Bowman Complete Set Minus Williams
VG - VG-Ex 600
Not bad at all, offered is an honest and pleasing VG to VG-Ex 1954 Bowman set. Some cards could benefit from an upgrade, but this is a smartly collected set overall for the grade. An undervalued set with many attractive cards, it should not be a difficult project at all to upgrade this if desired and the set as offered still has a substantial breakdown value. We grade the key cards as follows: 1 Rizzuto VG-Ex/Ex, 6 N Fox VG+, 15 Ashburn VG+, 58 Reese VG-Ex/Ex, 64 Mathews VG-Ex/Ex ctd, 65 Mantle Good, 66.2 Piersall Ex++, 89 Mays VG mk, 90 Campanella VG, 101 Larsen RC VG-Ex/Ex, 132 Feller VG, 138 Hodges VG-Ex, 145 Martin VG-Ex/Ex, 161 Berra VG, 170 Snider VG and 177 Ford VG.

386 1955 Stan Musial Card Set on Original Box w/Glove! 500

Great item, this is a little wonder to behold. Offered is a strikingly well designed 8x8x6 Stan Musial store model baseball glove from the 1950s. The glove itself displays well. The box is the key of course, the offered example has all the flaps, and is tight, colorful and clean. The cards on the top have slight creasing but are otherwise reasonably clean and fresh. We have seen the cards sell for \$200-\$500 as singles, making a rare full box a terrific buy in today's market. This is a classic and very evocative 1950s item from one of the most popular players in baseball history and an all around great guy.

387 1955 Bowman Complete Set VG-Ex/Ex 750
Hot set of late in auctions, it is nice to these there getting their just due. One of my personal favorites, I love the high number umpires and the vintage design. The offered set varies from Good to Ex-Mt and could benefit from some fairly inexpensive upgrading. There are many clean cards, we feel the set easily averages VG-Ex/Ex overall and perhaps most importantly, the key cards are all pretty nice. The high number run could use about a dozen upgrades but does also have some very clean cards. A little bit of work will go a long way with this set as most of it is pretty nice. The key cards grade as follows: 1 Wilhelm Ex, 10 Rizzuto Ex++, 22 Campanella VG-Ex, 23 Kaline Ex+, 37 Reese Ex, 59 Ford Ex++, 68 Howard RC VG-Ex/Ex, 103 Mathews Ex-Mt, 134 Feller VG, 168 Berra Ex, 179 Aaron VG-Ex/Ex, 184 Mays VG-Ex/Ex, 202 Mantle PSA 4, 242 Banks VG-Ex/Ex, 265 Barlick RC VG+, 267 Honochick RC Ex-Mt, 283 Chylak Ex, 303 Conlan RC Good and 315 Hubbard GVG.

390 1956 Topps Complete Set w/Mantle PSA 5.5 & Koufax PSA 6 VG-Ex/Ex ... 1200

Classic Topps set, these are always so popular due to the large number of HOFers and the colorful design. The offered set ranges from Good to Ex-Mt, but is mainly in the VG-Ex/Ex range. This is a pleasing and fairly consistent set that could benefit from some very simple upgrading if desired. Anchored by a Mantle PSA 5.5, the key cards are as follows: 1 Harridge RC Ex, 5 Williams VG *tape, 20 Kaline VG-Ex/Ex, 30 J Robinson Ex-Mt oc, 31 Aaron GVG/VG, 33 Clemente Good, 79 Koufax PSA 6, 101 Campanella VG-Ex/Ex, 110 Berra VG-Ex/Ex, 113 Rizzuto Ex, 130 Mays PSA 4.5, 135 Mantle PSA 5.5, 150 Snider VG+, 166 Dodgers TC GVG, 200 Feller VG-Ex/Ex, 240 Ford Ex, 251 Yankees TC VG-Ex/Ex, 260 Pee Wee Reese VG-Ex/Ex, 292 Aparicio RC VG-Ex/Ex, Checklist 1/3 VG and Checklist 2/4 VG mk.

Baseball Card Sets & Lots

391 1957 Topps Near-Set (384/407) 1000
Nice mid-grade 1957 Topps lot, from cards with a high book value of \$50 or more, this is missing only 317 Giants TC, 328 B. Robinson RC and 338 Bunning RC. The cards vary in grade, everything is in a Card Saver for protection. The condition averages about VG-Ex/Ex overall with variance in both directions. The cards present well for the grades, there are some typical centering issues. A very, very simple project to complete with the amazing percentage of key cards in the lot, this represents a very solid value as offered. We grade the key cards as follows: 1 Williams VG+, 2 Berra Ex+ ctd, 10 Mays Ex, 18 Drysdale RC Ex, 20 Aaron VG+, 24 Mazeroski RC VG, 25 Ford Ex+, 30 Reese VG+, 35 F Robby RC Ex+, 55 Banks Ex, 62 Martin Ex-Mt+, 76 Clemente VG, 90 Spahn Ex-Mt, 95 Mantle VG-Ex/Ex (no creases), 97 Yanks TC VG, 125 Kaline Ex-Mt, 165 Klu VG-Ex/Ex, 170 Snider Ex, 210 Campanella VG-Ex/Ex, 212 Colavito RC Ex, 286 Richardson RC VG-Ex/Ex, 302 Koufax VG-Ex/Ex, 312 Kubek RC Ex, 322 Cin. Reds TC VG, 324 Dodgers TC VG, 400 Dodgers Sluggers Ex and 407 Berra/Mantle VG-Ex/Ex.

392 1957 Topps Complete Set VG-Ex..... 800
Classic Topps set, these are beloved by most collectors. The offered set is a very nicely assembled VG-Ex overall, there is variance from Good to Ex-Mt Plus, but these cards tend to be solid, well centered pleasing mid-grade cards. Interesting set as it has a sharp Brooks Robinson Rookie but a lower grade Mantle, often times it is the other way around. The key semi-high number is very solid, with some sharp Ex-Mt and nicer cards. The key cards are of course the main show here, and they grade as follows: 1 Williams VG-Ex ctd, 2 Berra VG+, 10 Mays VG-Ex/Ex, 18 Drysdale RC VG+ ctd, 20 Aaron Ex+, 25 Ford VG-Ex, 35 F Robby RC VG, 55 Banks Ex++, 76 Clemente Ex, 95 Mantle Good, 97 Yanks TC Good, 125 Kaline VG-Ex/Ex, 165 Klu VG+, 170 Snider Good, 210 Campanella GVG, 212 Colavito RC VG-Ex/Ex, 286 Richardson RC VG-Ex/Ex, 302 Koufax VG+, 312 Kubek RC VG, 324 Dodgers TC GVG, 328 B Robby RC Ex-Mt+, 338 Bunning RC Ex-Mt, 400 Dodgers Sluggers VG-Ex, 407 Berra/Mantle Ex+, Checklist 1/2 Good mk and Checklist 3/4 Good mk.

393 1958 Topps Pair of Uncut Strips w/HOFers 100
Neat pair of rare 1958 Topps uncut strips, each has 11 cards. These are the high numbers, and the cards include Ted Williams AS, three Musials, Aaron AS, Mays AS and Stengel/Haney. The colors are vibrant and these display well, but the borders are cut thin on the top on one strip and the bottom on another. We hardly ever see anything this neat from 1950s Topps issues.

394 Large Clean 1950s/1960s Common Collection (1,500 cards) Ex-Mt/NM.... 600
These walked into a recent show, and are completely fresh and fine. A throwback lot to a different time in the hobby when collections like this came to market all the time, these are remarkably consistent and clean cards. There are no high numbers or stars, this lot is all about bright and clean commons that are ideal for set collectors and dealers. There is little to no duplication, breakdown by year is as follows: 58 Topps (178), 59 Topps (371), 61 Topps (134), 63 Topps (100), 65 Topps (223), 66 Topps (230) and 70 Topps (288).

395 1958 Topps Complete Set VG-Ex..... 900
 1958 Topps sets offer a tremendous breakdown value, making them among the best deals in 1950s sets for collectors and dealers. The offered set is somewhat mixed, it is perhaps 15-20% Ex-Mt or close to Ex-Mt, the balance is mainly in the VG-Ex range but there are weaker cards. The lower grade cards tend to have a crease that does not crack the paper or consistent corner wear, this was clearly a set collected with care by a collector on a budget who did not look for Near Mint cards. The many clean cards and the wide array of star cards make this an especially appealing set. The key cards grade as follows: 1 Williams VG+, 5 Mays VG+, 25 Drysdale PSA AA, 30.1 Aaron VG, 47 Maris RC PSA 3, 52.1 Bob Clemente PSA 4, 70.1 Al Kaline VG-Ex, 150 Mantle PSA 4, 187 Koufax VG-Ex/Ex, 246 Yanks TC Ex+, 285 F Robby VG+, 288 Killebrew VG+, 307 B Robby VG-Ex, 310 Banks VG, 321 Klu/Williams VG-Ex/Ex, 343 Cepeda RC VG+, 370 Berra Ex++, 418 Mantle/Aaron VG-Ex, 436 Mays/Snider VG-Ex, 485 Williams AS VG+ and 487 Mantle AS Ex.

397 1959 Topps Complete Set Ex - Ex+ 800
 Very fine mid-grade 1959 Topps set, this was clearly assembled with great care. The 1959 set is notorious for centering issues, the offered set has the best overall centering we have ever seen on a mid-grade set. The Mantle, Musial, Maris and Banks are all centered, for example. The condition varies from VG+ to Ex-Mt/NM, averaging a nice Ex to Ex Plus overall. The high numbers are clean; unlike most other 59 sets in this grade, the offered set has a solid Bob Gibson RC and a really nice Campanella. The breakdown value here is always substantial, one-reason dealers love these so much. If you were looking for a solid mid-grade 1959 set, it would be very difficult to do better than the offered lot. The key cards grade as follows: 10 Mantle Ex ctd, 40.2 Spahn Correct 1921 VG+, 50 Mays VG-Ex/Ex, 150 Musial Ex+, 163 Koufax Ex-Mt, 202 Maris VG-Ex/Ex, 350 Banks Ex+, 380 Aaron Ex, 461 Mantle HR VG-Ex, 478 Clemente Ex-Mt, 510 Yankees TC VG-Ex/Ex unmarked, 514 Bob Gibson RC Ex-Mt, 515 Killebrew Ex+, 543 Trio/Clemente Ex++, 550 Campanella Ex-Mt+, 561 Aaron AS Ex, 563 Mays AS VG-Ex/Ex and 564 Mantle AS Ex.

396 1959 Topps Complete Set w/Gibson PSA 6 VG-Ex..... 800

Very popular set, loaded with stars and recognizable names. The offered set is VG-Ex overall but is better than most comparable grade sets as it has a well centered Mantle and Mantle high number, and also a nice looking Gibson Rookie. Oddly enough, some of the other star cards could be upgraded, but this is a simple and inexpensive proposition. The cards vary from VG to Ex-Mt, about 10-15% of the set is Ex to Ex-Mt, the bulk is VG-Ex with good eye appeal. The high number run is nice, at least a half a grade better than the rest of the set. This set looks much, much nicer than your typical VG-Ex set, it was clearly collected with care. The many key cards grade as follows: 10 Mantle PSA 4, 40.2 Spahn (1931) VG, 50 Mays VG, 150 Musial VG, 163 Koufax NM mc, 202 Maris GVG, 380 Aaron VG+, 461 Mickey Mantle HR VG+, 478 Clemente VG+, 510 Yankees TC VG+ unmarked, 514 Bob Gibson RC PSA 6, 515 Harmon Kille-

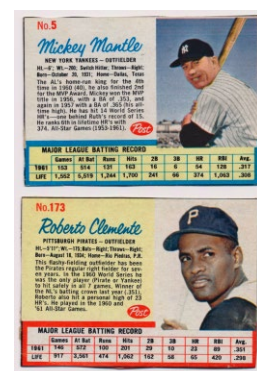

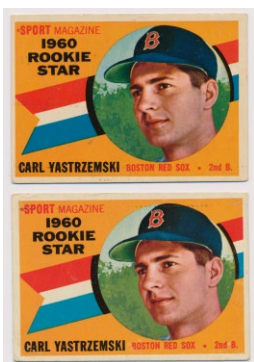

398 1960 Topps Complete Set VG-Ex..... 500
 Popular set, I love the design personally. Colorful and attractive mid-grade set, these do vary in grade. The set is VG-Ex overall, some weaker cards could be upgraded. The keys are not bad at all, the high number run is a full grade better than the rest of the set. Approximately 25% of the cards are Ex to Ex-Mt, the balance in mainly VG-Ex or so. The key cards grade as follows: 148 Yaz RC Ex++, 160 Mantle/Boyer VG, 200 Mays VG-Ex/Ex, 250 Musial VG-Ex, 300 Aaron VG-Ex, 316 McCovey RC VG, 326 Clemente Ex, 332 Yankees TC Good unmarked, 343 Koufax VG-Ex/Ex, 350 Mantle Strong VG+, 377 Maris VG-Ex, 480 Berra Good, 563 Mantle AS Ex, 564 Mays AS Ex, 565 Maris AS VG-Ex/Ex and 566 Aaron AS Ex-Mt.

Also included are two signed 8x10 photos and a puzzle game. There are many, many very high-grade cards here, with real potential for 8s and 9s; nothing has been picked for grading, and everything is in the proper size sheet for protection. This was clearly a great labor of card collecting love by our consignor. A big Yaz or Red Sox fan should really enjoy this lot.

(133 pcs)

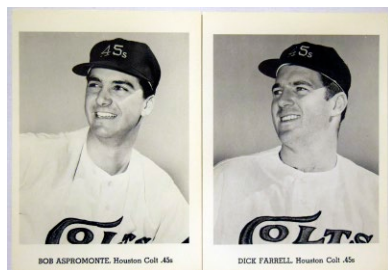

Ex-Mt..... 100

Nice lot of Post Cereal, breakdown is as follows: 1962 (73 different), 1963 (59) and 1963 Jello (3). The 1962s are very, very sharp overall, at least Ex-Mt/NM and include several HOFers including Mantle, Clemente and #127 Lynch. The 1963s are also very clean, Ex-Mt overall, and include several HOFers including Koufax, Banks, Fox and B. Robinson. The four Jellos are lower grade commons. The condition really makes this lot.

Baseball Card Sets & Lots

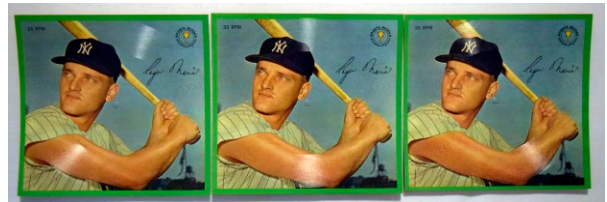

404 1962 Topps Complete Set -17 w/Mantle..... 500
 Pleasing and fairly consistent 62 near-set, condition averages a nice Ex+ overall; there are some typical centering issues and some variance but these are very nice cards overall. 406 1963 Fleer Complete Set Ex+ w/many nicer 390

Nice small set with many key HOFers, a very nice Koufax anchors this set. The key cards grade as follows: 4 B Robinson Ex+, 5 Mays VG-Ex/Ex, 8 Yastrzemski Ex-Mt oc, 41 Drysdale Ex, 42 Koufax Ex-Mt+, 43 Wills RC Ex, 45 Spahn Ex-Mt+, 46 Adcock SP Ex-Mt, 56 Clemente Ex, 59 Mazeroski NM, 61 Gibson VG-Ex/Ex and 64 Cepeda VG-Ex/Ex.

 The offered set is missing eight cards, all keys (210, 250, 300, 472, 490, 537, 540, 550). The cards vary somewhat but are mainly Ex or better, with a fair number of Ex-Mt and better cards throughout (about 30%, especially as the numbers get higher). There are several fine Near Mint cards in the set, including stars. The semi-high number run is solid. Despite the missing cards, this set still has a very substantial value with the pricey semi-high number run, the Mantle and Stargell Rookies and many, many other stars that will have a very large catalog value when added together. The better cards in this lot are as follows: 2 Runnels/Mantle LL Ex-Mt, 18 Clemente Special Ex, 25 Kaline VG-Ex, 120 Maris NM oc, 138 Mays/Musial Ex mc, 173 Best/Mantle Ex, 200 Mantle Ex+, 228 Oliva/Kranepool RC Ex, 242 Banks/Aaron Ex-Mt, 247 Yankees Team Ex, 320 Spahn Ex-Mt, 340 Berra Ex++ ctd, 345 B Robinson Ex-Mt+, 360 Drysdale Ex-Mt, 380 Banks NM, 390 Aaron Ex-Mt+, 400 F Robinson Ex-Mt+, 412 Podres/Drys/Koufax Ex, 415 Gibson NM, 446 Ford Ex-Mt+, 466 Freehan RC SP NM, 470 Tresh SP VG-Ex/Ex, 473 Mets Team Ex-Mt+, 500 Killebrew SP Ex-Mt+, 525 Fox Ex+, 544 Staub RC Ex, 552 Tigers Team Ex-Mt and 553 Stargell RC Ex-Mt+.

413 1964 Topps Complete Set -3 Ex+ 600
Missing only Rose, Clemente and Perry, the offered set is mixed but nice. The cards range from VG to Near Mint, there are many sharp and clean cards throughout the set, especially as the numbers get higher. The high number run is clean. A difficult set to assign an overall grade to, these really vary. Nothing is ugly or in obvious need of an up-grade, these display well. The many sharp cards provide for a very substantial breakdown value. We grade the many key cards individually as follows: 21 Berra Ex, 29 Brock Ex+, 50 Mantle Ex+, 55 Banks NM, 103 Curt Flood Ex ctd, 150 Mays Ex-Mt, 200 Koufax Ex-Mt+, 210 Yastrzemski Ex-Mt+, 225 Maris Ex, 230 B Robby Ex++, 250 Kaline VG, 260 F Robby VG+, 287 Conigliaro RC VG, 300 Aaron Ex+, 306 Mays/Cepeda NM, 331 Mantle/Maris Et Al Ex-Mt+, 380 Ford Ex++, 400 Spahn Ex++, 423 Aaron/Mays Ex++, 433 Yanks TC Ex, 460 Gibson NM, 540 Aparicio Ex, 541 Niekro RC Ex, 543 Uecker Ex-Mt, 550 Ken Hubbs Ex-Mt+ and 570 Mazeroski VG-Ex/Ex.

Baseball Card Sets & Lots

414 1964 Topps Stand Up
 Complete Set, all PSA Graded 1500
 Very desirable and widely collected set, PSA is not easy on these with grades! The offered set has many solid key cards and no qualifiers. There are five 8s, one 7.5, twenty-one 7s, four 6.5s and thirty-seven 6s. The average grade is 6.34. An exact listing will be on our website. 415 1964 Wheaties Stamps
 Complete Set in Original Album Nm-Mt..... 150
 The Wheaties Company designed this set well, with uncut sheets inset with 54 cards. The cards are untouched, with brilliant original gloss and sharp edges. This comes with the original envelope as issue. The breakdown value here as 9s or 10s is thousands of dollars, as the cards include Aaron, Clemente, Mays and Yaz among so many more stars. Slabbing has also made fresh sets like this very difficult to find.

417 Oddball Set Collection w/high grade cards..... 75
 Nice lot of oddball sets, some are very high grade. Additional stray cards will be pictured on our website, including an Atlantic Oil Pete Rose. The sets are as follows: 1967-68 Cardinals Team Issue Postcards (35 w/Boyer, Brock, 3 Gibsons & Maris), 1974 Pro Star Expos (10 w/Singleton), 1975 SSPC Puzzle Backs Set, 1976 Fleer Baseball Firsts, 1976 Laughlin Diamond Jubilee Set, 1980 Exhibit Card Set and 1984 Jackson Mets Smokey Bear Set.

416 1965 Topps Complete Set
 w/Koufax 7 & Mantle 4 Ex-Mt..... 1200
 Quality Topps set, the design makes these very popular among collectors. The offered set has a few issues but overall is a fine, high quality example. There are hundreds and hundreds of super sharp and clean cards, with bright white borders and terrific corners. The set is probably 80-90% sharp, with some off-center cards, the balance is not bad either. The high numbers are strong, nothing has been cherry-picked for grading. With moderate work, this could become a strong Ex-Mt/NM set. The key cards are as follows: 3 Kill/Mantle Ex-Mt, 16 Morgan RC Ex, 134 Mantle WS NM, 155 Maris NM oc, 160 Clemente Ex, 170 Aaron Ex++ ctd, 207 Rose Ex+, 250 Mays Ex-Mt, 300 Koufax PSA 7, 320 Gibson Ex-Mt oc, 350 Mantle PSA 4 (well ctd, no obvious creases or wrinkles), 385 Yastrzewski Ex-Mt, 400 Killebrew Ex-Mt+, 461 Carroll/Niekro NM oc, 470 Berra PSA 7, 477 Carlton RC PSA 4, 510 Banks Ex-Mt, 526 Hunter RC PSA 6, 540 Brock NM ctd and 581 Perez RC Ex-Mt.

Baseball Card Sets & Lots

418 1967 Topps Complete Set VG-Ex/Ex..... 1200
Vital 1960s set, the high numbers make these very hard to complete and these are missing from most 1960s Topps runs. The offered lot is an admittedly mixed condition set, the basic set ranges from VG to Ex-Mt/NM; condition is about 25-30% Ex-Mt or better, the balance is mainly in the VG-Ex range. The set could benefit from some simple and inexpensive TLC. The key high number run is a pleasing VG-Ex/Ex overall and not bad at all. Notable for strong examples of the Mantle, Clemente and Aaron cards, we grade the key cards individually as follows: 45 Maris Ex ctd, 146 Carlton VG-Ex, 150 Mantle Ex++, 200 Mays VG-Ex, 250 Aaron Ex-Mt, 355 Yaz Ex-Mt oc, 400 Clemente Ex+, 430 Rose VG-Ex/Ex, 460 Killebrew VG-Ex, 475 Palmer VG-Ex, 476 Perez SP VG-Ex, 536 Niekro RC VG+, 540 Cash VG, 558 Belanger RC VG-Ex/Ex, 569 Carew RC VG, 570 Wills Good, 580 Colavito VG-Ex/Ex, 581 Seaver RC VG+ ctd, no diamond cut, 600 B. Robinson Ex, 604 Red Sox Team VG-Ex/Ex, 605 Shannon VG+, 607 Stanley Ex and 609 John Ex.

419 Boston Red Sox Topps Vault Proof Card Collection (21 pcs) 125
Neat lot of Boston Red Sox cards that came from the Topps Vault. Some have LOAs, most have the stickers. These are mainly 1968-1969 Topps cards, the highlights are two different 1968 Yaz cards, 1968 Tony C and two Dick Williams; there are also a couple of 1969 Topps 4/1 proofs. We will have a picture of everything on our web site. This lot could have some very solid breakdown value.

420 1969 Topps Complete Set Strong Ex-Mt/NM ... 800
Fresh and solid 1969 set, there could be some gems here. The cards tend to be really sharp and nice, some centering issues keep this grading Near Mint or higher (there are many, many very well centered cards throughout the set as a note). The cards have uncommonly bright white borders and a very fresh look, this is markedly superior to most 69 unslabbed sets that trade. The key cards grade as follows: 50 Clemente PSA 7, 95 Bench Ex-Mt+, 100 Aaron Ex-Mt oc, 120 Rose PSA 6, 190 Mays PSA 6, 255 Carlton Ex-Mt+, 260 R Jackson RC PSA 6, 480 Seaver Ex-Mt+, 500.1 Mantle Ex-Mt oc, 510 Carew Ex-Mt+, 533 Ryan PSA 6, 550 B. Robinson NM, 573 Palmer Ex-Mt, 597 Fingers RC Ex-Mt+ and 630 Bonds RC Ex-Mt+. If you want a solid set with square corners and do want to spend 5-10k on a slabbed or largely slabbed set, than you will want to take a close look at this lot.

421 1972 Topps Complete Set Ex+ 500
Solid Ex Plus set has many, many clean Ex-Mt and Near Mint cards all throughout. Fairly consistent for a set of its size, but the set could benefit from some inexpensive TLC in places. The high numbers are solid overall, with some weaker cards but also many nice cards. The key cards are generally very strong, we grade them individually as follows: 49 Mays Ex-Mt, 79 Fisk RC Ex-Mt+ ctd, 299 Aaron Ex-Mt, 309 Clemente NM, 310 Clemente IA Ex-Mt, 433 Bench Ex, 435 Jackson Ex-Mt, 445 Seaver Ex-Mt+ ctd, 550 B Robby VG-Ex, 559 Rose Ex, 560 Rose IA Ex, 595 Ryan Ex++, 686 Garvey Ex, 695 Carew Ex, 696 Carew IA Ex, 751 Carlton Tr VG+, 752 Morgan Tr VG-Ex/Ex, and 754 F Robby Tr Ex-Mt oc.

423 1974 Topps Complete Set NM 125
Fine, fresh 1974 Topps set, the cards are very clean. Slabbing has made sets like these so hard to find. The set varies mildly in grade, the key cards grade as follows: 1 Aaron Ex+, 10 Bench NM, 20 Ryan NM w/slight crease, 80 Seaver NM, 130 Jackson, 207 Ryan/Seaver NM, 280 Yaz NM, 283 Schmidt NM+, 300 Rose NM and 456 Winfield RC NM+.

426 1975 Topps Cello Pack w/Ken Griffey GAI 9..... 70

Mint pack with 1975 Reds star Ken Griffey Sr, this should be a popular lot.

429 1980 Topps Wax Box NM 250

Very popular box, the demand for PSA 10 cards have really driven the prices of these lately. BBCE sealed, these regularly sell for \$1,000. The offered box looks to be perfectly bright, clean and tight.

430 1980-1985 Topps Set Run w/traded sets (very high grade) Nm-Mt..... 100

Superb condition lot of 1980s sets, many of these truly appear to be absolutely immaculate and untouched. The Henderson and Ripken Rookies are off-center, the 81T Valenzuela RC has a shot at a 9, as does the 82 Ripken Traded. An extra lot of 1,000 81 Topps cards sorted in vending boxes and other less material comes with the lot. If you are into very high grade, untouched sets from this era, then you should really like this lot.

428 Collection of 6 Uncut Sheets 1976-1984..... 150

Collection of uncut sheets, these have typical creasing and wear, the condition really varies. The lot begins with a 1976 Topps full sheet w/Ryan, Morgan, Bench, Rice, Yount, Perez, Carlton, Rice, Fisk and Fingers; the Ryan has no creasing that we could see, some of the cards on the sheet have creasing, most do not. Also included are 1981 Donruss, 1981 Topps (2), one has a clean Valenzuela RC, 1982 Topps w/Henderson and 1984 Topps. Please note the sheets are clean overall but they can have creasing, edge issues and other types of wear. Uncut sheets have been really hot in recent years.
