Absolutely stunning piece, this is by far the nicest Mordecai Three Finger Brown autograph that we have ever seen or handled. Signed on a 1937 GPC, I love the Mordecai Brown Service Station return address. Signed in remarkably fine black fountain pen ink, this is a truly world class autograph. Signed Mordecai Brown A Cub, this will be an upgrade for anyone. Grabowski is missing from almost all 1927 Yankee autograph collections. This is likely one of the most unique and interesting 1927 Yankee autograph combinations one is likely to find. 467 Cut Robinson, Jackie 9 250
Fine Jackie cut, this is signed in bold black ballpoint ink. Neatly mounted to a 3x5, we believe this to be from early in Jackie's playing career, circa 1949. A white-hot autograph, now is probably a very good time to pick one up if you do not have one. JSA LOA (full).

The signatures are in uniformly superb blue sharpie ink, many of these have unusual images. The players are from the 1940s through the 1980s, mainly vintage. This was from the Philadelphia area, so there are a fair number of Phillies. A veritable tour through baseball history from this era, better pieces here include: R. Allen, Black, Blair, Bruton, Buhl, Burdette, Canseco, W. Clark, E. Davis, Erskine, Dw. Evans, Gooden, Haddix, Jethroe, Alex Johnson, McGwire, Pendleton, Pierce, Rose, Sauer, Score, Stanky, Thomson and Wills. This is a fresh and fun lot to peruse. JSA LOA.

493.2 Terrific Fully Comprehensive HOF Induction Card Collection (87 pcs) 9.5 1000

Desirable and very uncommon collectible, offered is an outstanding collection of 8x10 size HOF Induction cards. Printed on better stock, these are always very popular among collectors. As these only came out after someone became a HOFer, some of these will sadly be very scarce signed as the player may have died the same year or within a few short years of HOF Induction. Very heavy hitting lot with serious star power, the condition overall is impeccable. Highlights here start with DiMaggio, Mantle and Williams. Other better pieces include: Aaron (755 inscription, JSA card), Ashburn (scarce), Bagwell, Banks, Berra, Biggio, Brett, Carter (scarce), Doby (scarce), Drysdale (full name, scarce), Fisk, Glavine, R. Henderson, Jackson, R. Johnson, Larkin, Mays (JSA card), Murray, Musial, P. Martinez, Perez, Ripken, Rizzuto (scarce), Ryan (JSA card), Sandberg, Schmidt (great inscription), Seaver, Smoltz, Stargell, Thomas, Trammell, Yaz and Yount. Please one one DiMaggio, Mantle and Williams come with full JSA or PSA DNA LOAs and many of these have JSA stickers and/or LOA cards. The telephone numbers being charged these days for autographs make collections of this nature almost impossible to assemble. Our consignor worked tirelessly for years to assemble this terrific run. Almost needless to say, the breakdown value here is huge but we hope this ends up in the hands of a collector who sees the amazing value here. Please note the large number of contemporary HOF signed pieces in this lot is extremely unusual and desirable, as again these could only have been signed after getting inducted into the HOF. Great lot. JSA LOA.

Signed Books

494 Robinson, Jackie Signed Early 1st Edition 9 540
Very desirable first edition from 1948, Jackie Robinson My Own Story. This comes with a reproduction dust jacket. This is signed by Jackie on the 1st page, a flawless blue ballpoint ink signature. Some restoration was done to the bottom of the page for preservation purposes, the signature of Jackie is not affected in any way. We believe this to be the hardest Jackie book to find in a signed first edition. Jackie items have been white-hot in recent years, this is a great early Jackie signed item. JSA LOA (full).

495 100 Greatest Players All Time w/33 sigs 9.5 250
Fine book from 1981, this has the original dust jacket and looks great. Loaded with 33 different signatures, the quality is impeccable. Consisting of mainly HOFers, starting with the trio of DiMaggio, Mantle and Williams; other autographs include Koufax, Mays, Berra, Gibson, Seaver, Brock, Gehring, Banks, Musial, Yaz and Carlton. Books like this just cannot be done anymore between the many deceased players and current autograph pricing. JSA LOA.

496 Charming Baseball Legends Signed Book Set (12 pcs) w/DiMaggio & Mantle 9.5 200

497 Pictorial History of Baseball w/135 signatures! 9.5 600
Fantastic piece, this came from an old time show promoter. Large format book with the dust jacket, this was printed in 1986. Signed with an incredible 135 autographs, these are signed on two pages at the front of the book and on many of the interior pages. Some of these are stunning full size color images, others are black and white. There are two different Ted Williams signed pages and a superb Mickey Mantle Safe! signature on his interior image. The content is endless, the autographs are in uniformly flawless blue sharpie ink. Better autographs include: Aaron, Banks, Berra, Bench (2), Carlton, Dickey, DiMaggio, Doby (2), Drysdale, Gomez, R. Jackson, Koufax, Mantle (2), Mays (2), McCovey (2), Tug McGraw, Musial (2), Newhouser, Reese (2), F. Robinson, Seaver (2), Stargell, Ted Williams (3) and Yaz. This is a truly wonderful item that cannot be replicated, the book itself is extremely well done and a true pleasure to read, this is the kind of thing that whatever it sells for, it is almost not enough. JSA LOA.

498 High Quality Large Format HOF Cachet Collection (23 pcs, 50 sigs) 9.5 300
Terrific lot of high quality large format cachets, these are a full run from 1989-2011. The cachets from 1989-1998 have artwork by Dick Bobnick; the 1999-2011s by Kendal Bevil. These are much, much harder to find than the usual Gateways from the 1980s and early 1990s. The signatures are in uniformly spotless blue sharpie ink. There are some scarce pieces here of players who sadly died very shortly after getting into Cooperstown (Ashburn, Carter, Doby, Gwynn, Puckett, Rizzuto etc). For this reason (and the amazing star power), these have a very substantial value as singles. Normally we might offer these as singles but we thought a collector might want to get this fine run in one shot. There are 50 total signatures. Better signatures include: Ashburn, Bench, Boggs, Brett, Carter, Doby, Fisk, Gwynn, R. Henderson, Murray, Puckett, Ripken, Rizzuto, Sandberg, Schmidt, Seaver, Yaz and Yount. JSA LOA.

504 Mantle, Mickey Signed 1951 Yearbook + Unsigned 1948 Yearbook 9.5 500
How is for an early and unusual Mickey Mantle signed item? Offered is a clean 1951 Commerce High School yearbook. This little treasure is signed by all sorts of class members, but one stands out: 'To Barbara with Best Regards Mickey Mantle' in spotless blue ballpoint ink. Signed circa 1951, almost certainly as a Rookie player, Mantle must have gone back to Oklahoma to attend his graduation and signed this at the time (or possibly shortly thereafter). This is one of the most unique, early and interesting Mantle signed items one can possibly collect. Also included is Mantle's 1948 High School yearbook, with a wonderful image of a so young and cherubic Mickey. This is simply an outstanding pairing of wonderful early Mickey Mantle items. Robinson), 1984 (Aparicio/Killebrew/Reese), 1987 (Bench, Yaz), 1992 (Newhouser, Seaver, Fingers), 1994 (Carlton/Rizzuto), 1995 (Ashburn/Schmidt, scarce), 1998 (Doby/MacPhail/Sutton), 1999 (Brett, Yount, Ryan, Cepeda), 2001 (Puckett/Winfield/Mazeroski, scarce), 2003 (Carter/Murray), 2005 (Boggs, Sandberg), 2007 (Gwynn/Ripken, scarce)

Terrific Ted Williams artwork, this 15x15 piece is titled The Rookie Champion. Signed Baseball Bats

536 HOFers Signed Bat w/Ted Williams & Nolan Ryan (52 sigs) 9 375

Great looking bat, these autographs were all obtained in person by someone who worked for a New York show promoter. The bat displays very well, the autographs look terrific with note to mild variance due to the nature of the medium on which they are signed. There are approximately 51 signatures on the bat. This is a very special HOF bat as it has many contemporary HOF inductees that just never come on these types of bats. The terrific content includes: Aaron, Anderson, Ashburn, Boggs, Brett, Carew, Carter, Dickey, Doby, Drysdale, Fisk, Glavine, Gwynn, R. Henderson, Herzog, R. Jackson, Morgan, Murray, Puckett (rare on these kinds of bats), Reese, Rice, Ripken, Ryan, Schmidt, Seaver, Thomas, Ted Williams and Yount. This is the first we have seen anything approaching this combination of vintage and contemporary HOF inductees on a single bat. JSA LOA.

537 HOF Bat w/key signatures 9 500

Offered is a supremely rare 1964 Cooperstown HOF Induction model bat, signed in the 1960s and early 1970s. This has a Barry Halper return address on the tube, so we can only assume that this is something he had the connections to assemble at this time. This beautiful gold colored bat is filled with countless numbers of signatures, perhaps a bit more than 90. Loaded almost entirely with HOFers, the only non-HOFers are Pete Rose and Roger Clemens. The autographs are in ballpoint ink and sharpie, some are very light but discernible, others are spotless. The issue here is that the signatures in ballpoint ink are not authentic according to JSA. Someone must have bought this bat and then added the sharpie signatures later. The star power is still amazing: DiMaggio, Williams, Mays, Aaron, Koufax, Schmidt, Musial, Berra, Yaz, Brett, Seaver, Banks and Yount for top HOFers among so many more. JSA LOA (full).

541 Yankee Old Timers Signed Bat w/80+ sigs 8.5..... 300
Nice signed bat, this is a Cooperstown Bat Company Yankees model. All signed in person by someone who worked for a New York show promoter, this is loaded with signatures. There are 12 HOFers, the signatures vary somewhat in darkness, some are light, others are quite bold. Bats like this are just impossible to collect anymore due to the cost and limited availability of Yankee players. A real collecting accomplishment, these better signatures are on this very fine signed bat: Berra, Bouton, Ford, Gossage, Guidry, R. Henderson, Henrich, Hunter, Jackson, Larsen, Lemon, Lopat, Mize, Murcer, Nettles, Niekro, Pinella, Randolph, A Reynolds, Richardson, Righetti, Rizzuto, Slaughter and Winfield. JSA LOA.

Single Signed Baseballs

542 Vern Bickford (rare) 8.5 300
Bickford pitched from 1948-1954 for the Boston and Milwaukee Braves and was a 1954 Oriole. He died in 1960 at only age 39, creating a great rarity for a single signed ball. Offered is a mildly toned ONL Frick model ball. The ball likely saw same game use and has a nice antique look. Bickford signed on a side panel in solid and attractive blue ballpoint ink. How many of these can be around? JSA LOA (full).

543 Michael Burke (rare) 9 500
A fascinating person, Michael Burke was an O.S.S. and CIA agent, manager of Ringling Bros circus and President of the Yankees and the Knicks. Burke was President of the Yankees from 1964 - 1972, and become a part owner at the behest of William Paley in 1972. Burke played in a vital role in the renovation of Yankee Stadium. He died in 1987 and is rare on a baseball. The offered ball may in fact be a true 1/1. The ball itself is an evenly toned OAL Cronin model, it has a jet black sharpie ink signature on the sweet spot. Who wants to add something no one else has to their Yankee single signed ball collection? JSA LOA.

544 Hank Greenberg 9 (OAL MacPhail) 900
Beautiful example of this key Hall of Fame single, these are always desirable and missing from most Hall of Fame single signed ball runs. Offered is an especially clean OAL MacPhail model ball, this has a spotless jet black sharpie ink signature right on the sweet spot. The autographs contrast perfectly against the clean ball. Greenberg singles have become bargains in recent years, this is a great chance to fill an important hole in your signed baseball collection without breaking the bank. PSA DNA (full).

545 Burleigh Grimes 9 (vintage) 200
Really nice Burleigh Grimes single, one of the best that we have seen or handled. Neat ball, this is signed on a scarce Official National Baseball Congress model baseball, almost certainly in the 1970s as this came with an Elston Howard single on the same type of ball. Grimes penned his signature neatly in ballpoint ink on a side panel, it contrasts nicely against the reasonably clean ball. HOF; D'1985. JSA LOA (full).

546 Gil Hodges (Merry Christmas) PSA 6 500
Moderately toned Official League baseball, this has a fine Merry Christmas Gil Hodges signature on a side panel. Signed in bold vintage blue ballpoint ink, this is a very strong autograph. Gil sadly died in 1972 at only age 47. He is scarce on a single signed ball and especially desirable, as he is needed by all serious Dodger and Met collectors. PSA graded the autograph a 7 and the ball a 5. PSA DNA (full).

547 Carl Hubbell (lot of 9 in boxes) 8 (ONL Feeney)... 300
Key HOfer King Carl Hubbell died in 1988. He did some shows and is not a rare single signed ball, but certainly not common either. He never shows up in quantity, this is the largest run we have ever seen in one shot. Fresh to the hobby, these all are in the original ONL Feeney boxes. The balls themselves have some toning but are quite clean overall. All are signed on the sweet spot in black sharpie ink, some of the signatures are nicer than the others; these are mainly in the 6-8/10 quality in our opinion. JSA LOA.

548 Michael Jordan (UDA in box) 9.5 200
Key piece, these have been on fire this year. Signed on a clean ball, this has a flowing blue ballpoint ink signature on the sweet spot. This includes the paperwork. Please note we had several of these from one consignor, this is the last one.

549 Harmon Killebrew (dated 1969, superb!) 9.5 175
Stunning condition baseball, this is one my personal favorites. Special as it was not only signed by the beloved Harmon Killebrew as a player in the 1960s but during his MVP season and dated as such! The ball itself is a superb condition ONL Giles model. Killebrew signed this on one panel, a superb blue ballpoint ink signature and penned Minnesota Twins 1969 on the adjacent panel. It would be hard to imagine a nicer Harmon Killebrew ball than this! JSA LOA (full).

550 Connie Mack 7 300
Desirable Mack single from 1933, this is signed and inscribed with lots of writing. The ball itself is an off-white Official League model with only some slight wear. Pleasing Mack single with an unusual amount of writing, nice piece. JSA LOA.

551 Mickey Mantle (signed on Mickey Mantle vintage ball, rare) 8.5 150
It is not every day that a Mickey Mantle single signed ball that you have never seen before comes to market. Offered is a wonderful Rawlings Mickey Mantle Official League ball from the 1960s. The ball has mild and consistent toning. This is signed Best Wishes Mickey Mantle on the sweet spot in VINTAGE BLUE BALLPOINT INK. JSA LOA Full.

553 Roger Maris 9.5 (83 AS Ball)..... 1000
Stunning condition Roger Maris single signed baseball, this is one of the very finest that we have ever seen or handled. Signed on very high grade 1983 All Star Game ball, the autograph is on the center of a side panel. Roger signed this in Mint blue ballpoint ink, the immaculate signature presents especially well as it is signed on such a clean ball. Terrific Maris single, this will be an upgrade for almost all of you. JSA LOA (full).

554 Jake Pitler 9.5 1200
A truly rare and extremely desirable single signed ball, Jake Pitler was a 1917-1918 Pirate and a 1950s Brooklyn Dodger coach, including the fabled 1955 Dodger World Championship team. Pitler died in 1968, and is almost utterly unheard of on a single signed ball. The offered lot is a gorgeous ONL Frick model ball. This has a superb period blue ballpoint ink signature right on the sweet spot. It would be hard to imagine a finer version of this single. How wants to have a 1955 Dodger single that (almost) no one else has? JSA LOA (full).

555 Jackie Robinson (traced) 7 300
With the prices higher grade Jackie singles have been bringing of late, this may be something for many of us to consider. Offered is an evenly toned Cambridge Major League model baseball. A side panel is signed To Frank from Jackie Robinson. This must have been a light signature that was ably traced over, it still displays well. JSA LOA (full).

556 Don Rudolph (extremely rare) 8 500
Don Rudolph pitched from 1957-1964 for the White Sox including the 1959 team, the Reds, Indians and Senators. Rudolph died in 1968 at only age 37, making this extremely rare without exaggeration. Very interesting ball, this is a game ball from a 1954 game pitched by Rudolph as a Colorado Springs player. Dated July 28, 1954, the ball contains all sorts of wonderful notations. Rudolph signed this in period blue ink on a side panel, a pleasing albeit not Mint autograph. If you are a big 1959 White Sox collector or just like rare single signed baseballs, this is worthy of some serious consideration. JSA LOA (card).

557 Casey Stengel 6 250
Elusive single of late, these have really dried up. Offered is a clean Wilson PCL model baseball, signed and inscribed To Becky. Stengel pens most of a side panel, this is not bad at all. JSA LOA (full).

The highlights are a nice very early Jimmie Foxx, Al Simmons, Charlie Gehringer, George Earnshaw, Joe Bush and Ed Rommel. JSA LOA (full).

578 1930 Cubs Team Ball 4 300
Clean ONL Heydler ball is odd as the ball itself is quite nice, but many of the signatures are tough to discern. There appear to be 25 signatures. The easiest signatures to read fortunately are some of the most important, Hack Wilson, Kiki Cuyler, Gabby Hartnett, with the Wilson and Cuyler grading about an 8/10 overall. The other signatures are tougher to read, but many can be made out with some effort. Dating this is a little tricky as the signature of Bill McAfee dates this as a 1930 but the signature of John Schulte dates this as a 1929. Other legible signatures include coach Ray Schalk, Riggs Stephenson, Clarence Blair and Jimmy Burke. Our consignor has been able to discern at least 10 more signatures, but this requires considerable effort. With all that said, the ball is desirable if for nothing other than the fine signatures of Hack Wilson (D'1948 at age 48, 1930 his record setting RBI season) and Kiki Cuyler (D'1950 at age 1950). JSA LOA (full).

Other better autographs include Pat Malone (D'1943 at age 40), Bump Hadley (D'63), Jumbo Brown (D'66) and Johnny Murphy. One panel is very faint, the others are not bad at all. - 785 Book Grand Ole Opry Signed Oversize Book
- 140 Signatures w/80 Deceased! 9 500

A mammoth work of collecting, our very well connected consignor spent decades having this signed in Nashville and nearby cities. The book is a very attractive oversize 1975 edition of Nashville's Grand Ole Opry. A written listed of the signers will be on our web site. The book has the original dust jacket and is just bursting with signatures everywhere. The autographs tend to be bold and strong; some are tipped in and some are personalized. One very special item in this book is an 8x10 vintage image of Cowboy singer Cowboy Copas. Copas is on a sepia image with Patsy Cline, and signed on his image in slightly light but certainly legible blue ballpoint ink. Copas died in 1963 at age 49 in a plane crash and is a very rare autograph. This is a truly unique collection, any big fan of country music should find endless amusement in this wonderful signed book. With the security and privacy these days for musicians, collections like this simply cannot be made anymore. JSA LOA.

We sent seven cards to PSA for slabbing: 240 3, 265 4, 273 4, 277 3 mc, 282 3, 283 3 & 286 3. Basketball Cards & Memorabilia

864 1950 Royal Desserts
2 Dick McGuire

PSA Authentic..... 75
Very scarce card, these hardly ever come to market. Fully original and unaltered, wear and a short hand-cut led to the authentic grade. The card still presents reasonably well, with a nice image and a clean back. This should be of great interest to very advanced vintage basketball card collectors.

865 1957 Topps 77 Bill Russell RC PSA 2..... 150
Creasing keeps this vital basketball card at a 2. With that disclosed, this card offers a perfect image, rich color and clean white borders. Centered to the left border as is typical, the corners are Ex or better overall. An affordable example of a very pricey card needed by so many collectors, this should be a very popular lot!

866 1957 Topps 62 different w/some stars VG-Ex..... 350
Missing only 18 cards, this is one the most classic of all basketball card sets. About 25% of the cards are well centered, the balance is typical for the issue but certainly not terrible. Without respect to centering, the cards are Ex to possibly Ex Plus overall, centering lowers the overall grade as usual. A very pleasing and acceptable foundation for a mid-grade set, these better cards come in the lot: 1 Clifton, 2 Yardley, 5 Sharman, 10 Arizin, 12 S. Martin, 13 Schayes, 15 F Ramsey, 24 Pettitt, 26 Shue, 28 Mikkelsen, 29 Naulls, 43 Hundley, 44 Gola, 59 Bianchi, 71 Twyman and 78 Lovellette.

872 1986 Fleer Complete Set NM..... 500
Sharp set has some centering issues. The Jordan Rookie came back a PSA 8 oc. The cards are mainly 60/40 to 65/35 left to right, about 30% centered somewhat heavily to heavily to the bottom border, they are otherwise sharp and clean. The other key cards are as follows: 1 Jabbar NM, 7 Barkley RC NM, 9 Bird NM, 26 Drexler RC NM, 32 Ewing RC NM, 53 Magic Johnson NM, 68 K Malone RC Nm-Mt, 82 Olajuwon RC NM and 109 Thomas RC NM.

873 1986 Fleer Complete Set + Stickers w/Jordan BVG 8.5 1000
Hot basketball set, a really nice 8.5 Jordan anchors this one. The Jordan Rookie has outstanding color, four really sharp corners and terrific borders; centered just a hair to the left border, this probably kept it from grading a 9. The sticker set is included, the Jordan came back an 8 st from PSA. The remainder of the set is a strong Nm-Mt or better overall, with 1/3 of the cards 65/35 to 80/20 in centering. The keys are as follows: 1 Jabbar NM, 7 Barkley RC NM, 9 Bird NM, 26 Drexler RC Nm-Mt, 27 Dumars RC Nm-Mt, 31 Erving NM, 32 Ewing RC NM, 53 Magic Johnson NM, 68 K Malone RC NM, 77 Mullin RC NM, 82 Olajuwon RC Nm-Mt, 109 Thomas RC NM and 131 Worthy RC NM.

Colorful card has hardly any creasing and consistent corner wear.

1048 1979 Topps 18 Gretzky RC SGC 7.5 300

World Series Programs

1060 1921 WSP At Yankees Fair 120
Key program, the first World Series with Babe Ruth as a Yankee. The cover is detached, with creasing and general wear on the images of the two managers. The interior pages are not bad, the issue with the cover can surely be remedied if desired. Scored for an inning, these seem to have really dried up in recent years.

1061 1923 WSP At Giants Good 180
Desirable program as this was the first Yankee World Championship team. An honest Good, this has been folded and has general wear on the cover. Unscored, the interior pages are not bad at all, the spine is tight; affordable example of a vital 1920s World Series Program.

1062 1926 WSP At St. Louis VG 270
Scored in pencil, this was the first St. Louis Cardinals World Series team. A classic World Series with a heroic turn from Grover Cleveland Alexander, the offered program is a pleasing VG. The spine is tight, the program has been lightly folded and general wear is visible on the cover. Scored in pencil, nice piece.

1063 1927 WSP At Yankees VG-Ex 600
Fine mid-grade program, this has no center crease from folding. The cover is bright and clean, with good color and two fine images. Unscored, the interior pages are clean. The edges are reasonably crisp, the borders are nice and white. This has general wear only and presents extremely well for the grade.

1064 1928 WSP At Yankees VG-Ex (signed Connie Mack) 450
Quality 1920s WSP, a historically great Yankee team avenged their loss to the Cardinals in 1926. Clean and nice, this has a colorful cover with a neat period fountain pen ink Connie Mack signature in a perfect spot. The spine is tight, the interior pages look great. Scored. JSA LOA.

1065 1929 WSP At Philadelphia VG-Ex 250

1066 1930 WSP At Philadelphia VG 180
Colorful program, this has one of the most attractive covers of the era. VG due to some wear on the spine, this displays very well. Partially scored, slight partial tears in the top and bottom border do not distract from the overall visual appeal here.

1067 1931 WSP At St. Louis VG 150
Large format program, this has a tight spine and a pleasing cover. There is general wear by the upper right corner and on the right edge, not bad at all. The interior pages look good, this is scored.

1068 1934 WSP At Detroit VG 150
Uncommon program, this has a very colorful and attractive cover. Some nicks in the right border keep this at a technical VG but this displays much better than that. Scored, the spine is tight with one partial split only, the cover is as attractive as we have seen on one of these.

1069 1934 WSP At St. Louis VG 120

1130 1961 Roger Maris 61st Home Run Ticket Good 300
Vital ticket from one of the most famous games in baseball history, Roger Maris needed the last game of the 1961 season to break Babe Ruth's monumental home run record. Offered is a colorful and crisp stub, this has staining from tape by the top margin but otherwise looks really nice. The edges are sharp, the back is perfectly clean. This frankly seems undervalued given how hot tickets have been in recent years.

1135 1996 Atlanta Braves World Series Ring (Gorgeous) NM 1500
A great team that came off their first World Series win in 1995, the Braves went up 2-0 in a big way against the Yankees but Jim Leyritz's clutch home run turned the momentum in the series, the Yankees ended up winning in six games. Offered is a gorgeous and ornate ring, one would think the Braves won the World Series that year given the grand style of the ring. This was coach Bruce Dal Canton's ring. The condition is terrific, the front has over 30 small diamonds, with the Braves logo in the center. Atlanta is engraved at the top, NL CHAMPS the bottom. One shank reads 1996 FIVE STRAIGHT LEAGUE CHAMPIONSHIPS, 4 OUT OF 5 WORLD SERIES; the other reads DAL CANTON STAFF ATLANTA FULTON COUNTY STADIUM 1966-1996. This has a 10k inscription on the inset and two holes. This is the first time that we have ever seen this beautiful ring.
