# Letter To Readers

We want to wish everyone a Happy and Healthy 2020. We open the year with one of our biggest and most balanced auctions, checking in just under 1,000 lots, this auction is filled with interesting and fresh material from several major collections.

Key lots in the auction include a fully slabbed 1922 Neilson's Chocolate set, a 1956 Topps PSA 8 set, a 1911 Jones, Keyser & Arras Hal Chase, a 1967 Topps Mickey Mantle PSA 9, a 1948 Bowman basketball set, a superb Roberto Clemente Sport Magazine signed 8x10 and signed letters from Sigmund Freud and Martin Luther King.

Baseball cards begin the auction. We have many rare New York Yankee cards going back to the turn of the century, including Red Cross, Fleishmann's Bread and T5 Pinkertons. There is a terrific run of Mickey Mantle cards from 1952 – 1969, almost all 7 or higher. There is a great selection of PSA-slabbed HOF Rookie Cards, generally 7 or higher, from 1954 to 1969.

Baseball sets and lots include a nice 1949 Bowman, 1954 and 1955 Topps in the key lots section. We have really nice 1962 and 1963 Topps with graded keys, a superb 1964 Stand Up set and many high grade lots of graded and ungraded cards from the 1950s through the 1970s.

Baseball autographs include some rare and terrific Yankee team signed photos dating back to the 1950s, a stunning 1951 World Series Program with 35 autographs, rare autographs from Hal Chase and Jimmy Collins and a gorgeous 1955 Roberto Clemente signed Pittsburgh Pirates matchbook slabbed PSA 8. There are several nice Jackie Robinson signed items, including a PSA 7.5 single signed baseball.

Collectors of historical and entertainment autographs will see several new collections that include fine Presidential cut signatures dating back to Andrew Jackson, a Neil Armstrong signed 8x10, Charlton Heston's signed 1954 Actor's Equity Association card and much more.

Basketball collectors will see many high grade vintage card lots and a superb 1971-2 Topps Pete Maravich signed card.

Football collectors will see a run of high quality single cards and sets going back to the 1930s. Football autographs include a superb Knute Rockne signature, a Vince Lombardi signed 8x10 photo and signed 1957 Topps Bart Starr and 1958 Topps Jim Brown Rookie Cards.

We have our best offering ever of vintage hockey cards. Almost all from a single owner, a collector spent countless time scouring ebay and shows looking for sharp cards. He amassed a truly enormous collection of super sharp cards, offered in over 100 different lots! There are single cards that include PSA 10s, sets and many, many terrific partial sets, group lots and slabbed lots, as nice as one can find in today's market. We have very low minimum bids on these lots to make things especially interesting.

Baseball memorabilia closes out the auction. Notable offerings include a terrific 19th century Harper's Weekly baseball-related print collection, World Series tickets from 1911, 1923 (full) and 1926 (Babe Ruth 3-Home Run game), three nice 1940s and 1950s era advertising signs and game used bats from Reggie Jackson (1976 as an Oriole) and Kirk Gibson (PSA GU 10).

Thank you for taking the time to review our catalog, we are always here to answer questions and are actively seeking our quality consignments and buying single items and entire collections outright for our future auctions.

There are 22 HOFers in the set, with note to Grover C. Alexander, Ty Cobb, Rogers Hornsby, Walter Johnson and Babe Ruth. These are attractive cards with fine looking images, many appear to have received conservative grades.

**2 1949 Bowman Complete Set VG-Ex.....1500**  
 One of the great sets of its era, the 1949 Bowman is a true classic. Anchored by a very undervalued high number run, this set is loaded with key Rookie Cards, desirable HOFers and recognizable star players. These offer a tremendous value as anyone building a set from scratch can readily attest. The offered set was a real passion project for our consignor, this is neatly presented in two binders, everything is in a Card Saver within a four-pocket sheet. The condition is an exceptionally fine VG-Ex overall, with only very slight variance, mainly towards a higher grade. The cards are generally well centered with fine eye appeal, this set was clearly collected with great care. Also unlike most 1949 Bowman sets that trade, this one has strong keys that reflect the grade and quality of the set. The very undervalued high number run, among my personal favorites, grades closer to Ex Plus overall with many crisp cards throughout.

We grade the many key cards as follows: 1 Bickford RC VG hand cut, 24 Musial PSA 3, 27 Feller PSA 2, 29 Kiner Ex, 33 Spahn PSA 4.5, 36 Reese PSA 4, 46 R Roberts VG-Ex/Ex, 50 J Robinson PSA 4, 60 Berra PSA 2, 70 Furillo RC VG-Ex, 84 Campanella RC PSA 3, 85.2 Mize NOF VG+, 98.2 Rizzuto NOF PSA 4, 100 Hodges RC VG-Ex, 110 E Wynn RC PSA 4, 162 P Roe RC NM oc hand cut, 175 Appling Ex, 214 Ashburn RC PSA 4, 224 Paige RC PSA 4, 226 D Snider RC PSA 4, 229 E Lopat RC VG-Ex/Ex, 233 Doby RC PSA 7 and 238 B Lemon RC NM hand cut.

3 1954 Topps Complete Set w/Aaron RC PSA 5 .....1200  
 Solid 1954 Topps set, you hardly ever see these with such a nice Hank Aaron Rookie. A very fresh and fine set, this was assembled over many years by our consignor, it looks terrific. The heart of the set is a solid Ex-Mt with excellent centering. There is some variance, we all know the grading services are brutal with this set sometimes but they look great to our eyes. There is some mild condition variance, but this is an exceedingly nice set overall.

The key cards are as follows: 1 Williams PSA 5, 10 Robinson PSA 4, 13 Martin BVG 7, 17 Rizzuto PSA 7, 20 Spahn GAI 6, 30 Mathews PSA 5.5, 32 Snider Ex-Mt+ ctd, 37 Ford PSA 5, 45 Ashburn PSA 5, 50 Berra Ex, 90 Mays PSA 7 oc, 94 Banks RC PSA 3, 102 Hodges PSA 7, 128 Aaron RC PSA 5, 132 Lasorda RC PSA 4.5, 201 Kaline RC PSA 6, 239 Skowron RC Ex+ and 250 Williams PSA 7 oc. Please note the Aaron and Kaline Rookies alone can sell for \$3,300 in this market, providing for some serious value here. This is ideal if you are looking for a high quality 1954 Topps set and do want to spend five figures on the next level set with high grade slabbed cards throughout.

4 1955 Topps Complete Set w/Clemente RC PSA 5 VG-Ex/Ex .....1200  
 Extremely popular and classic Topps set, this one is in the Enor sheets from the early 1980s and has not been touched in decades. The set is reasonably consistent, it is about half Ex, half VG – VG-Ex. The cards tend to have bright color and good eye appeal, centering is an issue as always with this set. Some simple and inexpensive upgrading could benefit the set. Anchored by solid Clemente and Koufax Rookies, as of this time (10/19), The Clemente 5 alone can sell for \$2,000, providing for some serious breakdown value. Overall, this is a perfectly representative mid-grade 1955 Topps set, with many fine looking cards.

We grade the key cards as follows: 1 Rhodes Good, 2 Williams VG-Ex/Ex, 4 Kaline Ex, 28 Banks VG+, 31 Spahn Ex, 47 Aaron PSA 3, 50 J Robinson VG+, 123 Koufax RC PSA 4, 124 Killebrew RC GVG, 152 Agganis RC Ex oc, 155 Mathews Ex, 164 Clemente RC PSA 5, 187 Hodges PSA 5, 189 Rizzuto VG-Ex/Ex, 194 Mays VG, 198 Berra Ex and 210 Snider VG+.

 One of the most collected of all sets, the 1956 Topps set in 8 holders is a true trophy set. The offered set are all 8s with no qualifiers (158 is a 9, 327 an 8.5). These are great looking cards that offer multiple classic images of each player on the front, the details on the back are fun as well. Condition sensitive at this level, the offered set is only missing Irv Noren for completion. In addition to the basic (339/340) cards, this set includes two checklists and various team card variations, for a total of 350 cards. We will have an exact inventory on our website. The VCP value as of late November 2019 is just shy of \$49,000. No card here has been reviewed for an upgrade, these are fresh and fine cards.

6      1911      Jones, Keyser & Arras      Hal Chase      SGC Authentic.....1000  
 Extremely rare and desirable card, this is from a very scarce true cabinet issue. This card of Hal The Fixer Chase is one of his rarest. The offered card is a true cabinet card, with a great image of Chase throwing a ball that we have not seen on other cards. The photo itself is perfectly clean, the corners of the mount show a fair amount of wear, the back is clean, with the manufacturer stamp. There are zero sales for one of these on VCP, if you are an advanced Hal Chase or Yankee collector, this may be an opportunity to add a card that simply never comes to market. From the great Yankee collection we have been selling over the past few auctions, this is a special card.

# Key Lots

7      1967    Topps   150   Mickey Mantle      PSA 9.....2500  
 Classic Mickey Mantle card, how often do you find these in a Mint 9 holder? This is a gorgeous card that was the gem of a recent mini-find of gorgeous 1967 Topps cards in the original boxes. Extremely well centered with four dead Mint corners, this has super bright color, pristine white borders and a gorgeous image of a smiling Mickey Mantle. A key card as it is both a classic Mantle card and also a key to one of the most widely collected and popular Topps sets ever produced, this should be a very popular lot.

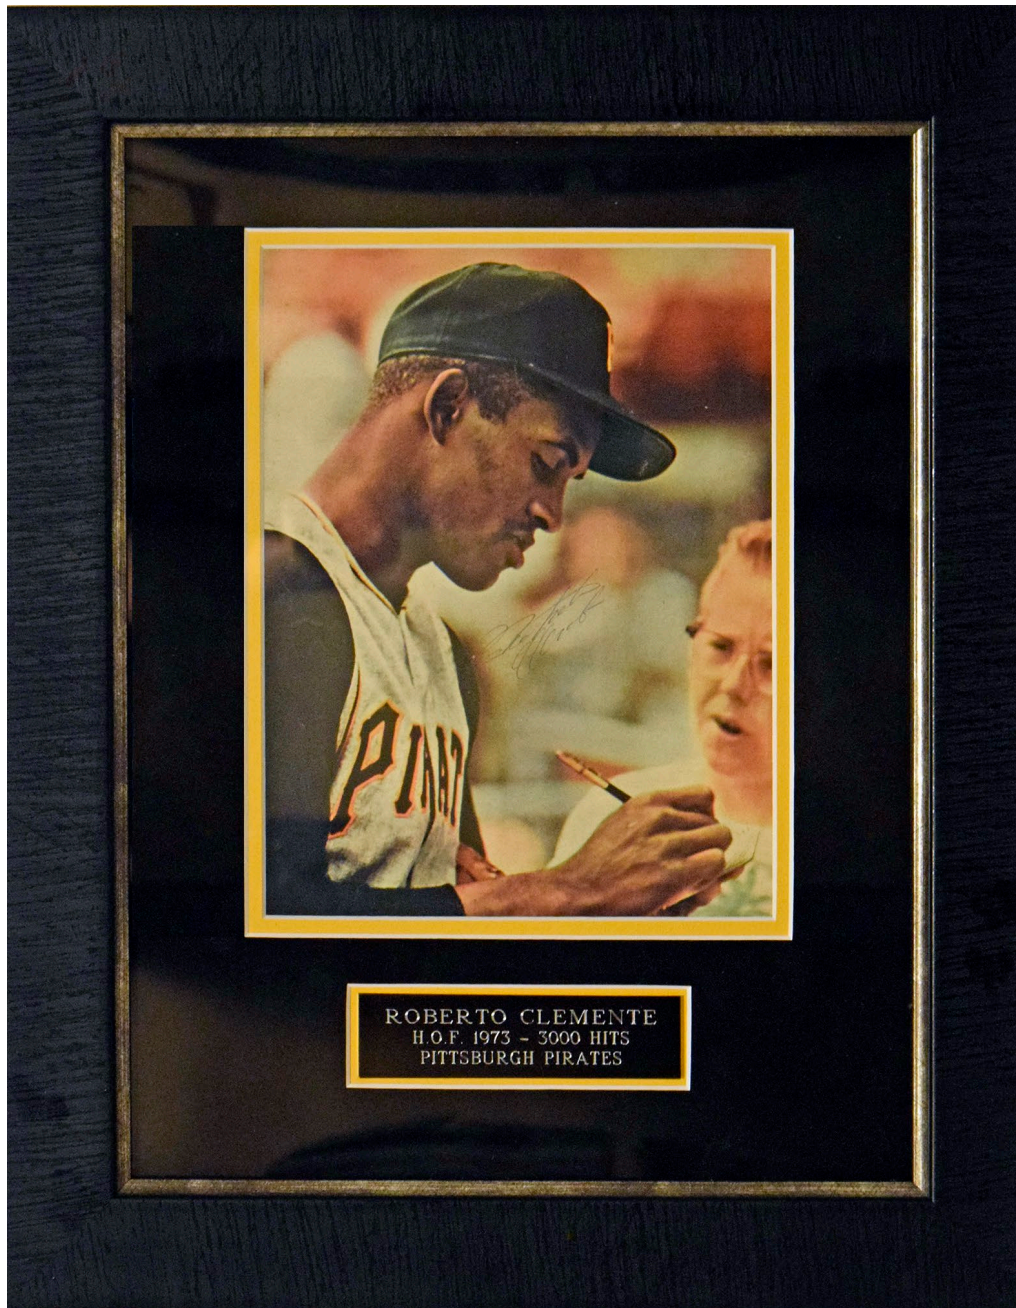

# Key Lots

8 1948 Bowman Complete Set w/Mikan PSA 2.5 .....1500  
 Anchored by a nice well centered Mikan Rookie PSA 2.5, these sets seem so cheap right now. A very difficult set to complete due to the high numbers and the Mikan, these are much, much harder to find than the 57 and 61 sets that sell for so much money these days. The offered set varies in grade, but averages about VG-Ex overall.

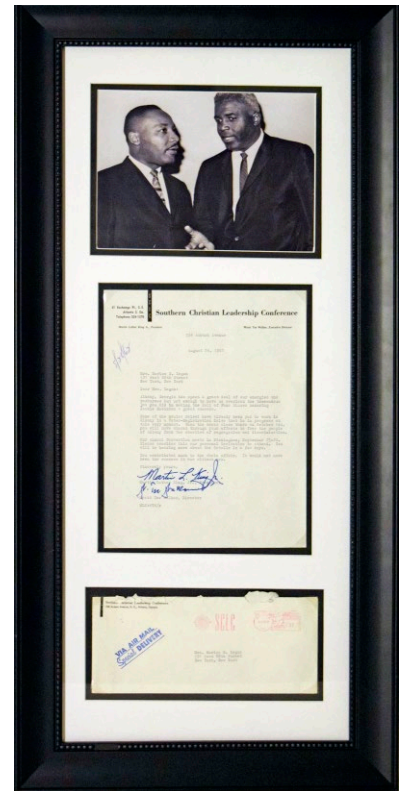

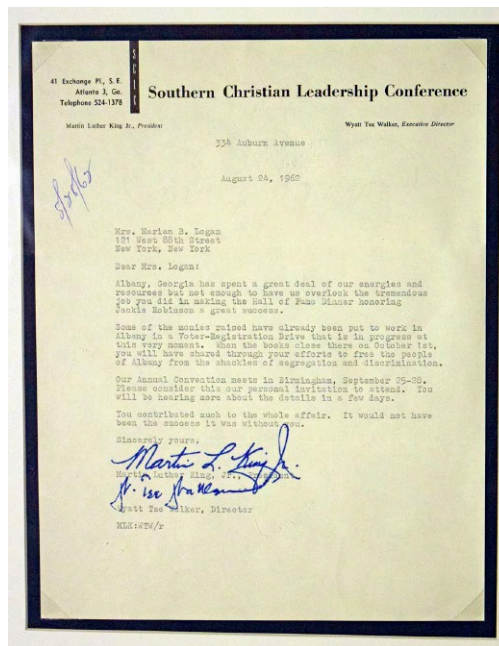

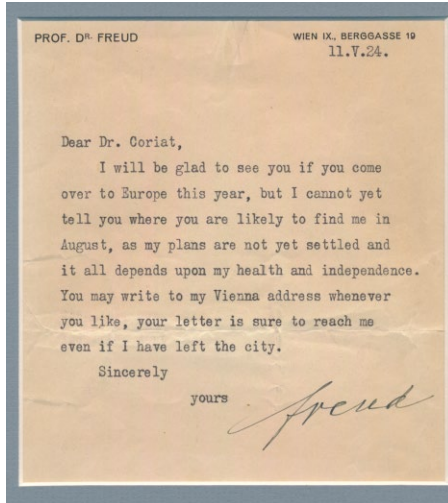

The key cards grade as follows: 1 Calverley PSA 3.5, 9 Phillip Ex, 10 Davies RC VG-Ex/Ex, 32 Holzman RC PSA 7, 34 Fulks RC PSA 5, 38 Jeanette Ex-Mt hand-cut (grey bknd), 43 Halbert NM hand-cut, 46 McKinney Ex-Mt hand-cut (grey bknd), 48 Sadowski Ex hand-cut, 52 Simmons PSA AA, 54 Palmer Ex-Mt hand-cut, 55 Zaslofsky PSA 4.5, 58 Risen PSA AA, 66 Pollard RC PSA 4, 69 Mikan PSA 2.5 and 72 Braun PSA 3.5. As is almost always the case with these, there are some cards that were hand-cut from panels back in the 1970s. We will have front and back scans of every card on our website for more detail. As presented, this set represents a terrific value with the quality examples of the Mikan, Holzman, Fulks, Zaslofsky, Pollard and Braun cards.

## 10 Letter Freud, Sigmund

9.....1000

One of the most impactful individuals of the past 150 years, this letter is a real find. Offered is a short TLS from November 1924 on Freud's personal letterhead. The content relates to a visit from a fellow professor and their schedules. This is boldly signed Freud in a flourish at the close. Matted, this is ideal for display. The father of psychoanalysis, Freud changed the modern world, he died in 1939. There can be any number of amusing comments one could make about the need to add this letter to one's collection! Either way, this is a fine looking original signed letter from a truly significant historical figure. JSA LOA Full.

## 11 King Jr, Martin Luther (Jackie Robinson content!)

9.5.....1000

A truly remarkable piece, this wonderful TLS is dated August 24, 1962 on Southern Christian Leadership Conference letterhead. Perfectly clean, this is written to Marian Logan, a civil rights figure. Content begins with King thanking Logan for her work on the Jackie Robinson HOF dinner. The letter continues regarding voter registration drives. King signed this in huge and perfect blue ink, a stunning quality signature. The letter itself is immaculate, making the outstanding quality autograph present especially well. This is smartly matted and framed with the original transmittal envelope and an 8x10 photo of Jackie and King. Total size 16x34. Martin Luther King Jr and Jackie Robinson are titanic, beloved figures from American History. How great is to find an item that pairs these two vital Americans together? This is a true museum quality piece sure to enhance the stature of any collection to which this is added to. # Baseball Cards

12 1887 N162 Goodwin Champions Dan Brouthers  
PSA 1.5..... 100  
Well centered, this has no noticeable creases and hardly any back wear. Corner wear appears to be the only issue here. The color is fine, the image looks great. A HOfer from one of the most attractive baseball card sets ever produced, nice card.

13 1887 N162 Goodwin Champions  
King Kelly PSA 1.5..... 300  
One of the most beautiful baseball cards ever produced, this is a real keeper. Low grade due to a crease, this is ideal for the grade. We feel that way as there is no back damage, the color is terrific, the card is well centered, the borders are clean. We have not had one of these great cards in years, no doubt this will be a very popular lot!

## 1887-1889 N172 Old Judges

14 Charles Bastian Catch looking upwards,  
hands chest high SGC 1.5 ..... 120  
Nice card as it has a very well contrasted image. Not bad at all, mild wear on the back and some general keeps this at a technical 1.5.

15 Beatin, Ed SGC 5 ..... 150  
Well centered with a light but clean image. The back is clean, the corners show mild wear. This is a pleasing 5 overall.

16 Dick Buckley Catch, hands chest high-C., Ind  
PSA 3..... 83  
Pleasing 3 has a nice image. There are no creases, the surfaces are clean, the back has no paper loss. A nick in the bottom border seems to be the only real issue here.

17 Hick Carpenter Catch, hands neck high-Cincinnati  
SGC A..... 38  
Cut short on the top and bottom borders, the image is nice. The back has writing.

18 Carroll, Scrapy (St. Paul) SGC 5 ..... 165  
Uncommon St. Paul player, this has a very solid image. Clean card, this has slight corner wear and no issues.

19 Bob Clark Hands on hips SGC 1 ..... 45  
Uncommon Brooklyn Dodger, the image is not bad, a scrape on the left side keeps this at a 1, the back is fine.

20 Bob Clark Throw, R/hand shoulder high-Brooklyn  
SGC 1.5 ..... 90  
Pleasing card is well centered with a nice image and no obvious creasing; mild back wear led to the 1.5 grade.

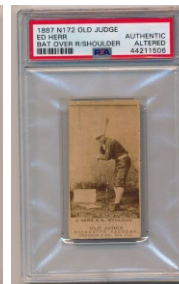

21 Jack Clements Catch-C., Phila. PSA 2..... 60  
Nice 2 has a fine image. Wear at the lower right corner and at one spot on the back led to the 2 grade. I love the photography here.

22 Dell Darling (Portrait) PSA 3..... 90  
Gorgeous 3, this might have the widest borders that we have ever seen on an Old Judge card. The image is perfect, there is hardly any creasing, the back looks fine. You could not do much better than this for an Old Judge type.

23 Donnelly, Jim SGC 3 ..... 90  
Well centered, this has a decent image. There are some corner issues, the back is fine.

24 Bill Farmer Bat at ready by head SGC 1.5 ..... 60  
Respectable image, I love his bat. Slight writing on the back led to the 1.5 grade.

25 Pud Galvin PSA 1..... 500  
One of the key HOFers, this one has a classic pose. Scarce, these are missing from most Old Judge collections. The offered card is a presentable 1, it has lots of toning, some general wear and a respectable image. There is some moderate back wear and wear at the bottom border. General wear is the main issue here, we have all seen far worse cards in 1 holders, this is more than fully presentable. Who wants to add a classic N172 HOfer to their collection?

# Baseball Cards

1887-1889 N172 Old Judges

26 Frank Genins (Bat at 45) SGC 2 ..... 90  
Genins is peering at the end of his bat on this card. Sioux City player, this has a respectable image, moderate back wear kept this at a 2.

27 Frank Gilmore (Bat at ready, feet apart) SGC 1.5.... 60  
Washington player, this has a nice, bright image. A tiny scrape by the top border and a mark on the back led to the 1.5 grade.

28 Billy Hamilton (KC-bat-look at ball, L.F., Kansas Citys) SGC Authentic..... 200  
Scarce HOfer, this is a rough card. There is extensive creasing and back damage, the image is a touch light but far from terrible. This is an affordable example of a pricey Old Judge HOfer.

29 Ed Herr Bat over R/shoulder, looking front-Herr, Milw. PSA AA ..... 45  
Cut very short, this also has some creasing. The images of this Milwaukee player happens to be very nice.

30 A.C. Jantzen (catch-ball and glove head high) SGC 2 ..... 100  
Minneapolis player, this has an absolutely gorgeous image. The front looks great, some back wear and erased writing on the reverse led to the 2 grade.

31 Long, Germany (Maroons) SGC 1 ..... 125  
Scarcer team, this has a very nice image. The back is fine, erased writing by the bottom margin keeps this at a 1.

32 Willie Kuehne Running to left-Pittsburgh's SGC 4.5 ..... 120  
Really nice Old Judge card, this has a terrific image that we have not seen before. I love his attire, he almost looks like an umpire. Very clean, this has only very mild corner wear.

33 Al Maul (Catch-bent over hands clasp w/ball thigh high) SGC 1 ..... 60  
Great image, extensive wear on two corners and a mark on the back led to the 1 grade.

34 Al Myers (Wash-portrait) PSA 2.5..... 150  
Fun image, you have to love his uniform. The image is a bit light but still displays reasonably well. The back is nice, as are the surfaces, consistent corner wear keeps this at a 2.5.

35 Samuel Nichol (catching, scarce) SGC 2.5 ..... 120  
Tougher card, this is an interesting image of this Pirates catcher. The image is light but respectable, the back has a light number 6 but no paper loss.

36 Jack O'Brien Bat at ready, heels together (Baltimore) SGC 2 ..... 150  
Fine image, this robust player looks great in his uniform. A Baltimore player, typical back issues keep this at a 2, nice card.

37 Billy O'Brien Hands on knees-Washington SGC 3 ..... 90  
Nice image, this has odd wear at one spot on the left border and by the bottom border. The back is fine.

38 Danny Richardson (Bat on right shoulder) SGC 2.5 ..... 90  
Bright and clean card has some very fine creasing on the front; erased writing on the back likely led to the 2 grade.

39 Doc Sage (Toledos-Catch-bent over hands together to right foot high) SGC 3 ..... 200  
Scarce Toledo player, these are always desirable. Nice 3 has slight wear at the bottom border, the back is fine, the image looks good.

40 Ed Seward (Throw-right arm extended with ball) PSA 1..... 60  
Extensive wear on the bottom two corners keep this at a 1. Creasing is minimal, the back is clean, the image is nice.

41 Sy Sutcliffe (Bat almost vertical) PSA 1.5..... 60  
Nice front, this has a good image and a fresh look. Creasing on the back is the main issue here, only one corner shows significant wear.

42 Walt Wilmot Strike, looking down at ball-Washington SGC 1 ..... 45  
A substantial crease through the center keeps this at a 1, there are no technical flaws.

48 1909 T206 Devore SGC 2 (Red Hindu back) ..... 360  
Cut to the top border, this has hardly any creasing. The color is strong. The vital Red Hindu back looks great, who wants to fill in a vital hole in their T206 back run?

49 1909 T206 Lajoie Portrait  
PSA 1.5 (Brown Hindu back)..... 250  
Great card, the T206 Lajoie Portrait cards have been on fire lately with any back, how neat is it to find one like this? The offered card has a very fine looking image with note to good color. The card has a fair amount of corner wear and hardly any creasing. The surfaces are clean. The vital back is quite clean, it displays perfectly well. Front/back combinations with key HOFers like Lajoie and a scarce back are revered by collectors in today's market.

50 1909 T206 Mathewson (portrait) SGC 5..... 1250  
An absolute key to the set, this is simply a great looking card. Well centered, this has the richest color that we have ever seen on one of these. The borders are bright white, the back is a clean Piedmont. The corners exhibit only very mild and consistent wear and are wide, the card might be a bit oversize. Terrific card.

51 1910 D303 General Baking Jeff Sweeney PSA 1.5 .. 75  
Very tough issue, this Yankee card is well centered with good color. The back is clean. Corner wear and general wear led to the 1.5 grade. The card displays perfectly well for the grade.

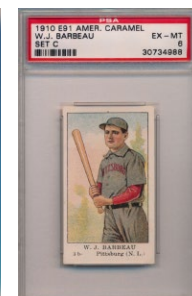

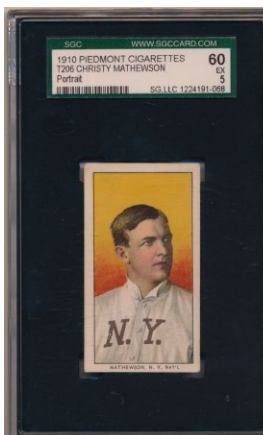

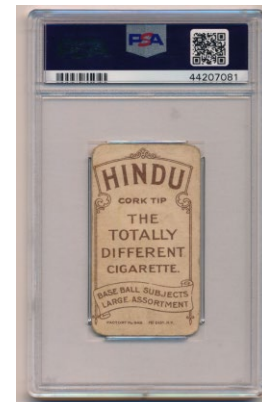

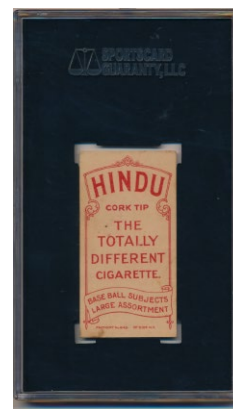

52 1910 E103 Williams Caramel Hal Chase PSA 2 ... 200  
Very scarce and attractive issue, this is a card that simply does not come to market. The first example we have seen in years, this card has superb color, a clean back and a great image. Creasing and corner wear alas keep this at a 2, but the card retains clean white borders and a nice look.

53 1910 E91-C American Caramel  
1 Jap Barbeau PSA 6..... 120  
Extraordinary condition for the issue, this has four strong corners. The borders are white, this is perfect for a high-end type-card collection.

54 1910 E91-C American Caramel  
15 Tommy Leach PSA 5.5..... 120  
Centered to the upper left corner, this has rich color. The corners come to points, this is in very nice condition for the issue.

55 1910 E91-C American Caramel  
27 Allen Storke PSA 5..... 98  
Centered to the right border, this has rich color and clean surfaces. The corners are much nicer than typically seen for the issue.

56 1910 E91-C American Caramel  
32 Owen Wilson PSA 6..... 150  
Cult favorite player, it is not easy to find this oddball issue in this quality. Centered to the left border, this has square corners, white borders and a fine color image.

# Baseball Cards

57 1910 E96 Philadelphia Caramel Baker PSA 5..... 540  
 Fine looking card, I love this image of the always popular Home Run Baker. Centered to the bottom border, this has perfect original color, clean white borders and very mild corner wear. The back is perfectly bright and clean. This is a superior condition E96 HOFer.

58 1910 E96 Philadelphia Caramel Mullin (1/1, highest graded) PSA 5.5..... 240  
 Beautiful 5.5, perfectly centered, great color, the corners show only slight wear. The highest graded PSA example, this is perfect for a clean E96 set.

59 1910 Hopkins Brothers Postcard w/J.L. Wilkinson SGC 1.5 ..... 125  
 Scarce postcard from the 1910 era, this has not been mailed. The postcard is special as it pictures HOFer J.L. Wilkinson. An important Negro League owner, he is pictured on hardly any period items. The surfaces are clean, one minute closed tear by the bottom border keeps this at a 1.5.

60 1911 D304 Butter Krust Hal Chase PSA 2.5..... 150  
 Scarce card of the widely collected Chase, how often do these come around? The offered card is strikingly well centered with very clean white borders, a terrific image and a superb back. The corners are in the VG-Ex/Ex range, one crease through the center on the front led to the 2.5 grade. This is a pop 1/2 card.

61 1911 Jones, Keyser & Arras Russ Ford SGC Authentic ..... 100  
 Very scarce true cabinet issue, this is a fine looking card of New York Highlander (Yankee) pitcher Russ Ford. The image is perfect clean, this is an original image that we have not seen on any other cards. The larger size of these cabinets allows for some terrific photography. The edges are clean, the back is solid and it has the manufacturer stamp. There is one very slight nick in the bottom border, and corner wear is noticeable at the top two corners. Great type-card, do not assume another one of these is coming around anytime soon.

62 1911 T5 Pinkerton Birdie Cree PSA 1 mk..... 75  
 Very desirable true cabinet issue, this is a New York Yankee (Highlander) player. Condition is technically low, but the image itself looks much better than a 1.

63 1912 T215 Red Cross Frank Chance PSA AA..... 200  
 Rare Frank Chance card, this is a very exotic and scarce tobacco issue, single cards of anyone in the set hardly come to market. Offered is a very low grade card of HOFer Chance, the card has extensive creasing and corner wear, the back is very rough as well. We do not know what the alteration is, this card was obtained decades ago by our consignor.

64 1913 National Game 34 Tris Speaker PSA 9..... 125  
 Mint card, this is a classic HOFer. Not rare, but it is always neat to find a Mint vintage card of a HOFer of this stature.

65 1913 National Game 41 Ed Walsh PSA 8..... 45  
 Sharp and fine, the image looks great, there is almost no wear present.

66 1913 National Game Runner Sliding, Umpire Behind (Ty Cobb) PSA 9..... 120  
 My favorite card in the set, this is a terrific image of none other than Ty Cobb making a dramatic slide. Mint condition, this is such an undervalued card.

# Baseball Cards

68 1914 T222 Fatima Chance, Frank PSA 1.5 mc..... 100  
Tough HOfer from a great set, this has a perfect image and very clean surfaces. Cut fully to the top border, there is a fine crease, we are not sure why it came back a 1.5.

69 1914 T222 Fatima Maisel, Fritz PSA 1.5..... 100  
A key to the set, this is a very tough card. Bright and clean, this has crisp edges, bright gloss and a fine back. There are some very fine creases, this otherwise looks great. PSA was more than a bit unreasonable with the grade here. Who wants to fill a tough hole in a T222 set or pre-war Yankee collection?

67 1914 T216 People's Tobacco Jeff Sweeney PSA 1.5..... 75  
Very scarce and desirable issue, this is a T216 variation. Well centered, this has a clean back. Mild creasing and corner wear keep this Yankee card at a pleasing 2.

## 1915 Cracker Jacks

70 37 Grover Cleveland Alexander SGC 3..... 600  
A key to the set, these do not come around very often. Reasonably well centered, the card has hardly any creases. General wear is present, the color is not bad, the back has no damage.

71 95 Keating PSA 4..... 75  
Fun horizontal card, this has four sharp corners and no visible creases or wrinkles, even under magnification. There is one spot on the right border, this card does really look to be undergraded.

72 102 Fisher PSA 5..... 100  
Yankee player, this has outstanding centering and four sharp corners. A tiny bit of wear at one spot on the otherwise clean back likely led to the 5 grade. Very nice card.

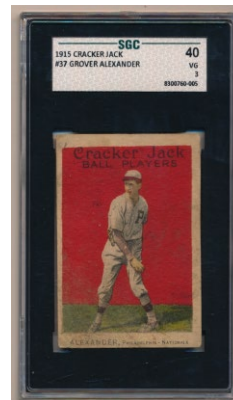

73 112 Sweeney PSA 3..... 50  
Very nice 3, this has good color. There is general wear present and some very slight staining.

74 129 Caldwell PSA 5..... 100  
Yankee player, this has bright white borders and four crisp corners. Centered to the left border, the color is terrific. This looks much more like a 6 than a 5 to our eyes.

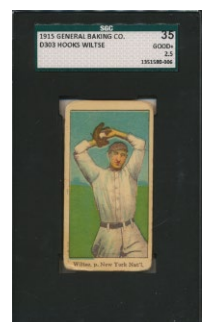

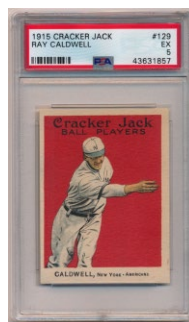

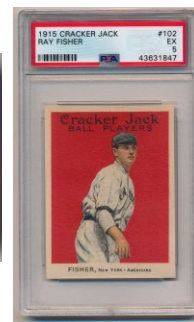

75 132 Nunamaker PSA 6..... 150  
Super sharp Yankee Cracker Jack common, this has four terrific corners. The color and surfaces look great, mild centering to the left border likely kept this at a 6. The back is clean.

76 1915 D303 General Baking Hooks Wiltse SGC 2.5 ..... 150  
Very tough issue, these hardly ever come to market. The offered card is well centered with rich color, the back is clean. Corner wear and moderate creasing keep this at a 2.5.

77 1915 E106 American Caramel Plank, Eddie PSA 3.5..... 500  
Very colorful and attractive card, these do not come around very often. We could not see any creases or wrinkles, even under magnification. The card has rich color and is reasonably well registered. The corners show mild wear, this is a very solid card for the grade. The back is quite clean.

76 1915 D303 General Baking Hooks Wiltse SGC 2.5 ..... 150  
Very tough issue, these hardly ever come to market. The offered card is well centered with rich color, the back is clean. Corner wear and moderate creasing keep this at a 2.5.

## 1916 D381 Fleischmann Bakery

**78 Alexander, W.E.** PSA 2 mk..... 75  
Clean overall, this Yankee player has a nice image. There are no creases, there is wear at the top of one spot on the back that is subtle. Some stray numbers written on the back led to the qualifier. With the tab, this is an extremely scarce, even rare, issue that hardly ever comes to market.

**79 Caldwell** PSA 3..... 50  
Missing the tab, this has a bright and clean image. There are two fine creases by the top two corners, the surface are otherwise quite clean. This is an extremely scarce, even rare issue that hardly ever comes to market.

**80 Donovan** PSA 1.5..... 50  
Very tough Yankee card, a crease through the card keeps this at a 1.5. The card retains a nice image and has no back damage. Missing the tab, the corners are not bad at all.

**81 Fisher** PSA 2..... 75  
Yankee pitcher, how often do these come around? Attractive card has a fine image, moderate back wear keeps this at a very nice 2. No tab.

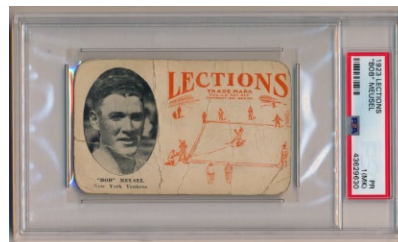

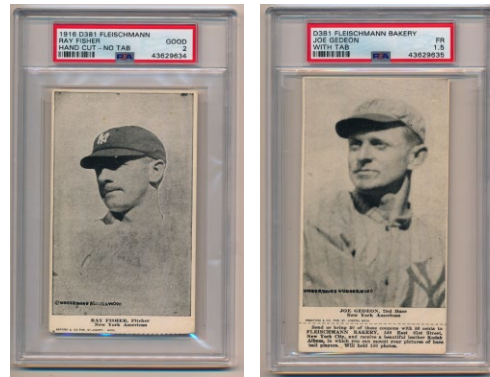

**82 Gedeon** PSA 1.5..... 75  
Clean looking card, we do not understand the grade. The surfaces are clean, there is one subtle back crease. The image looks good and is vibrant. With the tab, this is an extremely scarce, even rare issue that hardly ever comes to market.

**83 1921 Schapira Brothers Babe Ruth Portrait** PSA 3..... 300  
Novel cardboard Babe Ruth card from 1921, this is the classic portrait image. The offered card is special as it has the full black contact line through much of the card, allowing PSA to give this a numerical grade. Colorful and well cut, the back was in a photo album but has no paper loss. Cut thin at one spot on the right border, the card retains vibrant original color and displays very well for the grade.

**84 1921 Schapira Brothers Babe Ruth**  
Waiting For A High One (Highest Graded) PSA 4..... 450  
So hard to find with full borders, this is a fine looking unusual image of Babe Ruth in the field. Produced in 1921 at the height of Ruth's fame, this novel card has a charming period look and feel. There are no creases or wrinkles, the back is fine, this is well centered. These hardly ever get numerical grades, this may well be the finest one in a holder.

**85 1923 Lections Meusel, Bob** PSA 1 mk..... 75  
Very scarce type-card, this is a Yankee star. The card earns its 1 with extensive creasing and wear, but it does not look ugly or abused.

**86 1927 Exhibit Babe Ruth** SGC 1 ..... 270  
Uncommon 1920s Ruth exhibit card from his ultimate season, we hardly ever see these. The offered card has a chip at the upper left corner and surface wear by the top border. The card retains good color and has a clean back, there is one pinhole.

## 1933 Worch Cigars

88 Ben Chapman PSA 4 mk ..... 75  
Well centered, this pleasing 4 has a nice image. The back has an old price in pencil. There is some minute spotting on the front, this retains a vibrant image and looks good for the grade.

89 Earle Combs SGC Authentic..... 50  
Bright and clean postcard size card, the image looks great. The blank back has a slight scrape and an ink notation. There is one fine crease by the upper left corner, we do not know why this did not receive a numerical grade.

90 Frank Crosetti PSA 1 mk ..... 40  
Tough card, the front looks great, with a particularly attractive image. Extensive scrapbook residue and a pencil mark led to the grade.

91 Bill Dickey PSA 4 mk ..... 75  
Tougher card, we hardly ever see these. The front has a nice image and even corner wear. The blank back has an old price in pencil, it is otherwise clean.

92 Lefty Gomez PSA 1.5 ..... 75  
Very uncommon card of this Yankee HOFer, the grade will make it affordable. Some marks on the back from scrapbook removal and two scrapes on the front keep this at a 1.5, the image otherwise looks very nice.

93 Tony Lazzeri PSA 5 ..... 150  
Very handsome card of this 1927 Yankee HOFer, you have to love the great photo. Well centered, this has some stray spotting. The back is clean, this is a very nice Ex card overall.

87 1932 U.S. Caramel 18 Tony Lazzeri PSA 3..... 100  
Fun card of this key 1927 Yankee HOFer, this example has rich color and good eye appeal. The corners are not bad at all, there is hardly any creasing. The surfaces are clean save for one very tiny nick, this is a very nice card for the grade.

94 1939 Play Ball 143 Earl Averill PSA 8..... 150  
Well centered with four sharp corners, this is an absolute key to the set. The only high number HOFer, these seem so undervalued to us.

## 1948 Bowmans

95 3 Kiner RC PSA 8..... 170  
Popular card, this is centered mildly to the left border. The corners come to solid points, the image looks good, the borders are quite clean.

96 8 Rizzuto SP PSA 8..... 180  
Not an easy card to get, especially in quality condition. The offered card has four sharp corners, perfectly clean borders and a fine image. Slight centering to the left border keeps this from grading higher.

97 18 Spahn RC PSA 7.5 ..... 300  
Nicely centered with a very well contrasted image, this looks great. The corners come to solid points, this is very fine for the grade.

98 28 Verban SP SGC 7.5 ..... 33  
Razor sharp card, mild centering to the upper right corner keeps this at a fine 7.5.

Very popular card, this has beautiful color and a particularly nice image. The corners are sharp, mild centering to the bottom border may have kept this at a 7.

102 79 Jackie Robinson RC PSA 4..... 1000  
Great card, these have been white hot in recent years. The offered card is freshly graded and very nice for the grade. The image of Jackie is perfectly registered, the print on the back is perfect, this has no print lines or similar defects. There are no visible creases or wrinkles on the front or the back, even under magnification. The card has rich color and clean borders. The corners come to points, this has the typical heavy centering to the bottom border. It will not be easy to find a nicer card for the grade.

# Baseball Cards

Very nice card, this one is special as it is nearly perfectly centered! Bright and clean, this has strong white borders and great color. The corners come to points but exhibit only slight wear, this will be an upgrade for almost all of you.

122 1950 Callahan Wagner, Honus PSA 9..... 120  
Mint Honus Wagner card, not something you see every day. One of the real keys to a Mint 9 set, this is the first time that we have had one of these. Immaculate card has four perfect Mint corners, terrific centering and perfect image quality. Who wants to move up on the registry?

131 1952 Berk Ross Mickey Mantle PSA 5..... 500  
I always liked this card, they are scarce and have the same image as his 1951 Bowman Rookie Card. The offered card is an extremely nice 5. The corners come to square points, the image looks great, the surfaces are quite clean. The back is also quite clean. Centered to the right border, this is much more like a 6 than a 5 to our eyes. The winning bidder will be getting a really nice card that might be undergraded.

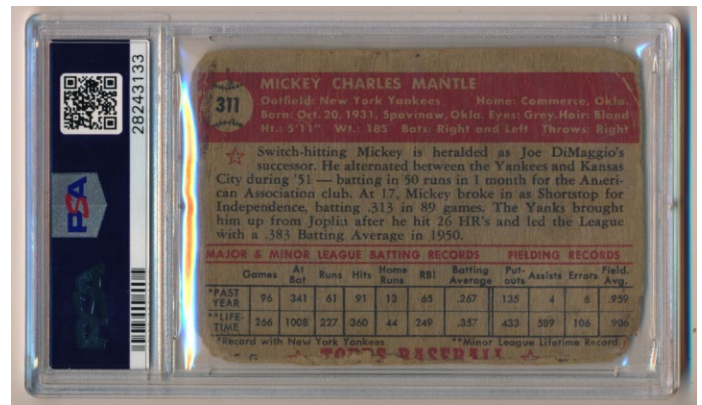

# Baseball Cards

132 1952 Bowman 101 Mantle PSA 2..... 150  
An awfully nice card for the grade, this card has rich color, no print issues and good overall centering. The borders are white, there no real creases. The card has some stray and very subtle nicks by the bottom border, mainly visible on the back. PSA was awfully conservative with the 2 grade here, the winning bidder should really like this card.

Very hot card of late, this one has a fine image with good color and no print issues. The corners come to points, this is centered to the left border.

134 1952 Topps 311 Mickey Mantle PSA Authentic ..... 1000

The ultimate baseball card to so many collectors, this is a truly an awful condition card. The card could not have any more corner wear, there is extensive creasing and general wear. Still the card retains most of its original color and oddly enough, has no back damage. With the prices rapidly escalating on this card, the offered lot is a chance to fill this most important hole in any collection without getting a second mortgage!

## 1953 Briggs Meats

139 Hank Bauer PSA Authentic..... 100  
Very tough card from a revered regional issue, this is needed by almost all Yankee collectors. Hand-cut of course, this is wavy on the right edge with general wear. We feel this grades Good overall without respect to the cut. The color is vibrant, the image presents very well.

140 Busby PSA Authentic..... 50

152 Terwilliger/Vollmer Full Original Panel  
PSA 1 ..... 900  
Super cool piece, this is a huge full panel with two uncut 1953 Briggs Meats cards. Revered by collectors, full panels hardly ever come to market. The panel has wide borders and vibrant color. This has typical creasing in the center and in various spots. The back has no damage, but also has the usual center crease. Slabbed PSA 1, their grade is probably one shot too low. Attractive, vibrantly colored regional issue in it's most desirable form, the winning bidder should really enjoy this little meat treasure!

Somewhat rougher card, this has edge wear and some creasing.

A classic regional issue, a substantial crease keeps this at a 1. Scarce Rizzuto card, this retains outstanding color.

# Baseball Cards

Strong card has four super sharp corners and perfect white borders. Centered a hair to the right border, nice 8.

Sharp and well centered, this looks to be a very nice 8.

- 339 1993 SP 279 Derek Jeter RC PSA 8..... 200  
Vital 1990s card, this fresh card was purchased at the time and untouched. Well centered, the corners are all quite sharp, the surfaces are quite clean. The slightest flick of white at the lower left corner likely led to the very conservative 8 grade. Nice card.
- 340 1993 Topps Gold 98 Derek Jeter RC PSA 10..... 150  
Popular modern card, these are always great to have in 10s. The amazing prices for the SPs in high grade have probably brought these up as well. Freshly graded, this is a Gem Mint card with four truly razor sharp corners, perfect centering and brilliant original color. Who wants to add a Derek Jeter Rookie 10 to their collection?

**341 1884 Lawson's Patent Baseball Game**  
 Complete Set (37) Ex+ ..... 165  
 Oddball 19th century set, there are no individual player cards. An identical ornate baseball scene is pictured on the back of each card, all are in individual holders for protection. The condition varies slightly, the cards average a very solid Ex Plus overall to our eyes.

**342 1890 Player Position Pins**  
 Complete Set (12) Ex-Mt ..... 100

**343 1905 W601 New York Yankees (Highlanders)..... 150**  
 Very nice early Yankee item as this has an early image of Jack Chesbro. Nicely framed, this is matted but there is no visible wear and this appears to be in outstanding condition. The other two HOFers present are Wee Willie Keeler and Clark Griffith. Early 20th century premiums like this seem so undervalued in today's market. Total size 15x15.

**345 1910 Sweet Caporal Pins**  
 40 different HOFers w/Johnson & Young ..... 600  
 Solid lot of P2 Sweet Caporal HOFers, 30 are PSA graded. 347 1914 B18 Blankets  
Complete Basic Set (89 pcs) Ex+ ..... 800

Unique and widely collected set, these have been bringing big prices at auction in recent years. The offered lot is a basic set with no variations, there is one of each card here. This lot is still very substantial as it includes keys Shoeless Joe Jackson, Ty Cobb and Walter Johnson. There are many desirable pieces here, with many purple basepath/pennants and other tougher pieces. The condition varies from VG-Ex to Near Mint, this set was clearly assembled with care and averages a solid Ex Plus overall in our opinion. These keys come in the lot: Max Carey (red pennants) Ex, Marty Kavanaugh (Kavanaugh) Ex-Mt, Frank Chance (brown pennants, blue infield) VG-Ex/Ex, Ray Chapman (purple pennants) NM, Ty Cobb (white infield) Ex-Mt, Bill Doak (yellow pennants) Ex, Cozy Dolan (yellow pennants) Ex-Mt, Chick Gandil (green pennants) NM, Miller Higgins (yellow pennants) Ex, Shoeless Joe Jackson (yellow pennants) VG-Ex/Ex, Walter Johnson (green pennants) Ex-Mt, Rabbit Maranville (white infield) Ex-Mt, Ivy Olson (yellow pennants) VG-Ex, Hank Robinson (yellow basepaths) Ex-Mt, Slim Sallee (purple pennants) NM, Bill Steele (yellow pennants) Ex, Casey Stengel (blue infield) Ex, Bobby Wallace (purple basepaths) Ex and Zach Wheat (green infield) Ex-Mt.

348 1914 H.B. Jackson  
New York Yankees Team Card ..... 100

Rare card of the 1914-1915 Yankees, this is a full team portrait. The manufacturer is noted at the lower right corner. There is a crease by center, the back has been removed from a scrapbook, with some extra paper and tape in one spot. The image quality is nonetheless quite good, we believe this to be a rare card. Uncataloged, we sent this to PSA but they did not have any information on it. From the amazing Yankee collection we have been selling, we believe this is potentially a significant piece. Please note this could be the earliest named Yankee team card as the Yanks were known as the Highlanders until 1913. The card measures 8 x 4.

349 1927 Major League Die-Cuts  
Lot of 5 SGC 7-8s w/Faber ..... 150

 Loaded set, this 20 card set (missing #s 3, 18) has some unbelievable star power. These have a major break value, which is one reason you hardly ever see full sets offered for sale. About Ex overall, there is some mild condition variance, we will have front and back scans of every card on our website. The keys are as follows: 1 Greatest Single Inning VG-Ex/Ex, 4 Walter Johnson Ex++, 9 Greatest Catch! (Al Gionfriddo) Ex, 12 Ruth/Gehrig VG-Ex/Ex, 14 Gehrig Ex+, 16 Joe DiMaggio, Joe Gordon, Ted Williams VG-Ex and 19 Bob Feller VG-Ex/Ex.

**354 1938 Sawyer's Biscuits**  
 Collection of 22 different w/Hartnett & Lazzeri ... 1500  
 Very, very unusual issue, more than one or two cards at a time hardly ever to market. This is a very attractive and unique 5x6 issue. The cards are all presented in a nicely bordered dark red frame, they display very well. These appear to be perfectly clean, but this is not an issue one can easily assign a standard card grade to. As big a lot as one is ever likely to see given the inherent scarcity of the issue, the lot is headlined by three HOFers (Hartnett, Herman and Lazzeri) and a near-HOFer (Grimm), the balance of the lot is as follows: Berger, Bryant, Carleton, Cavaretta, Collins, Demaree, French, Garbark, Hack, Lee, O'Dea, Owen, Rensa, Reynolds, Rigney, Root, Steinbacher and Walker.

357 1950s **Walter & Company**  
**Collection of 100 w/Seven Ted Williams..... 250**  
 Oddball strip card issue, these have a certain oddball charm. The offered lot is loaded with HOFers in quantity. The condition is generally very rough, perhaps Good overall, these range from very Poor to about VG-Ex or Ex. The value is still substantial here given the quantities of the HOFers. The exact content of the lot is as follows: Lou Boudreau (11), Dolph Camilli (10), Joe Cronin (15), Hank Danning (8), Bobby Feller (7), Carl Hubbell (2), Joe Medwick (7), John Mize (7), Mel Ott (7), Pee Wee Reese (14), Pete Reiser (5) and Ted Williams (7, some are extremely rough).

363 1951 Fischer's Bread Labels **Complete Set. 1500**  
 A revered set, it is almost impossible to find a full set, especially in today's market. Checking in at a hefty 32 piece, these incredibly fragile bread labels are great to add to any advanced 1950s card collection. These vary significantly in grade as always, Poor to about Ex, we will have front and back scans of everything on our website. The star content here is as follows: Branca VG, Hodges VG, Kell Fair-Good, Kluszewski Fair, Konstanty Good, Lemon GVG/VG, Mize Good, Page Fair, Schoendienst VG (mounted) and Wynn Good.

360 1950s **01**  
**w/box & booklet (58) NM to Nm-Mt. 150**  
 Sharp and fresh set, this comes with the scarce booklet and these came to us in the original box as issued. The cards are easily NM to Nm-Mt overall and very nice, with note to variance in centering as always. Nothing has been picked for grading, it would seem a good bet that there might be some 9s here.

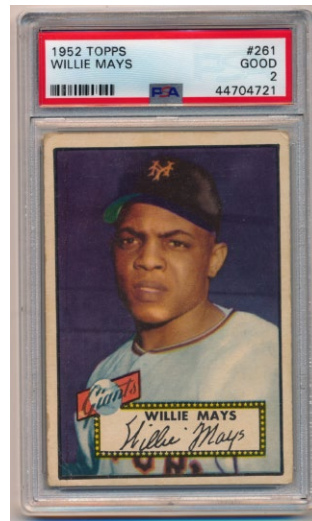

361 1950 **Royal Deserts**  
**Complete Set -1 common ..... 300**  
 Very difficult issue, complete sets and (near-sets) do not come to market very often. Missing only card #s 23 (Fernandez), there are two #14s. Condition varies from Good to Ex, averaging out about VG to VG Plus overall. The backs are clean, the cuts vary. There are seven HOFers in the lot, the key Musial card is in a PSA Authentic holder. As these cards have many variations in text and cuts, we will have front and back scans of every card on our website. These sets represent an outstanding value in today's market.

366 1952 Topps Complete Low Number Set w/SGC 3 Keys VG w/nicer .... 1200

The ultimate Topps set, this is the basic 1-310 run. A great value with the many HOFers, tougher semi-high numbers and low numbers, these are expensive to build even in low grade. The offered lot is a fully presentable low grade lot, there are no ugly or destroyed cards here. Condition is reasonably consistent, the 1-80 run is GVG overall, the rest is VG overall, with some much cleaner cards in the semi-high number run. This lot is anchored by a very nice SGC 3 Willie Mays, the absolute key to the run, these are usually found in terrible condition in these types of lots (this card run \$1,200 by itself as a note in today's market). The keys grade as follows: 1 Pafko SGC 3, 2 Runnels RC Good, 11 Rizzuto GVG, 20 Loes RC SP GVG, 22 Dom DiMaggio GVG, 26 M Irvin Good, 29 Kluszewski Good, 33 Spahn GVG, 36 Hodges Good, 37 Snider Good, 48.1 Joe Page Cor VG, 49.1 Johnny Sain Cor Good, 57 Lopat VG, 59 Roberts VG, 65 Slaughter GVG, 66 Roe VG, 67 Reynolds Ex, 88 Feller VG, 91 Schoendienst Good, 129 Johnny Mize VG, 175 Martin RC Good, 191 Berra SGC 3, 195 Minoso RC Good, 215 Bauer VG, 216 Ashburn VG, 250 Erskine FTC GVG, 261 Mays SGC 3, 268 Lemon GVG, 274 Branca VG and 277 E Wynn GVG.

371 1953 Topps Partial Set (208 different) w/Mantle & J. Robinson VG+ ..... 400  
 One of the great Topps issues, these are such well designed cards. The offered lot is in the old Enor blue border sheets from the early 1980s, these have not been touched in decades. Original owner collection, this is a near-complete basic set with virtually every star. The condition is a fairly consistent VG+ overall, with slight variance in both directions. This lot is ideal for the grade. The key cards grade as follows: 1 J Robinson PSA 1.5 (very tough grade), 10 Burgess VG-Ex/Ex, 27 Campanella VG+, 37 Mathews VG+, 41 Slaughter GVG, 54 Feller Good, 76 Reese VG-Ex, 77 Mize VG, 78 Schoendienst VG+, 81 Black VG-Ex, 82 Mantle PSA 1.5, 86 Martin VG+, 104 Berra VG, 114 Rizzuto VG, 138 Kell Ex+, 147 Spahn VG+ and 207 Ford PSA 5.

372 1954 New York Journal American Near-Set (47/59) incl. Mantle & J. Robinson VG-Ex w/nicer ..... 350  
 Classic 1950s issue, these are among my personal favorites. The cards picture the star players from the three New York City teams at the time, so there is some serious star power. As with so many other sets, it is the scarce short-printed cards that make this a bear of a set to complete. The offered lot varies mainly from VG-Ex to Ex Plus, averaging VG-Ex or better overall. The many better cards in this fun set grade as follows: 1 Joe Black PSA 4, 3 Billy Cox Ex, 4 Carl Erskine PSA 5, 5 Carl Furillo PSA 6, 6 Junior Gilliam PSA 4, 7 Gil Hodges GVG, 9 Clem Labine VG+, 12 Don Newcombe Ex++, 13 Irv Palica Ex+ mk, 14 Pee Wee Reese VG-Ex, 15 Jackie Robinson VG-Ex/Ex, 16 Preacher Roe PSA 3.5, 17 George Shuba SGC 4, 20 John Antonelli PSA 5, 31 Sal Maglie PSA 7, 36 Wes Westrum NM, 37 Hoyt Wilhelm VG+, 41 Yogi Berra VG-Ex, 46 Whitey Ford VG, 51 Mickey Mantle Strong VG+ (no creases), 55 Irv Noren PSA 7 and 57 Phil Rizzuto VG-Ex.

374 1954 - 1969 Red Sox Collection w/stars (299 pcs) Ex-Mt ..... 100  
 Small box of Red Sox cards, all are pre-1970. The condition is mid to better grade overall but does vary, with Ex or less on the 1950s cards. Everything is neatly organized by year in sheets or team bags, this is perfect for a New England dealer or collector. The quantity is the main thing here, these better cards come in the lot: 1960 Topps 148 Yaz RC PSA 4, 1961 Topps 287 Yastrzemski PSA 6.5, 1963 Fleer 8 Yastrzemski PSA 6, 1964 Topps 287 Conigliaro RC, 1965 Topps 385 Yastrzemski, 1966 Topps 70 Yastrzemski (3), 1967 Topps 355 Yaz 2 w/PSA 6, 1968 Topps 250 Yastrzemski and 1969 Topps 130 Yastrzemski. This lot has several of the better semi-high and high numbers cards from 1962-1967 Topps, providing for some solid breakdown value.

375 1955 Bowman 230 different w/Mantle, Banks & Aaron PSA 5-6 Ex+ - Ex-Mt..... 300  
 The offered lot is in the old Enor blue border sheets from the early 1980s, these have not been touched in decades. Original owner collection, this is a quality mid-grade lot with many highlights. The condition varies somewhat but looks to be 65-70% Ex+ to Ex-Mt and very clean, the balance is almost all a VG-Ex or so with some stray VG cards scattered about. The quality condition provides for some real value here. There are 11 high numbers and a few variations in the lot. The star cards grade as follows: 10 Rizzuto Ex, 22 Campanella VG+, 23 Kaline Ex, 33 Fox Ex-Mt, 37 Reese VG+, 59 Ford NM cut short, 68 Howard RC PSA 6, 103 Mathews Ex-Mt+, 130 Ashburn Ex++, 132 Kuenn Error Ex-Mt, 134 Feller Ex++, 158 Hodges Ex+, 168 Berra PSA 6, 171 Roberts Ex-Mt+, 179 Aaron PSA 6, 184 Mays VG, 202 Mantle PSA 5 and 242 Banks PSA 5. Please note that as of (10/19), the VCP value on just the Mantle, Banks and Aaron cards in this lot is \$1,200. This lot is perfect to use as a base for a full set, can work wonders on a lower grade set and is also great for a dealer to sell as singles.

376 1955 Johnson Cookies Complete Set Ex+ ..... 450  
Tough set, these were issued on strips and do not appear very often as full sets. Very attractive issue, I like the slightly larger size than the other Johnson Cookies sets. Checking in at 35 cards, these are uniformly bright, sharp and clean looking cards with pretty good cuts. The keys are as follows: Aaron Ex-Mt+, Adcock Ex-Mt+, Burdette Ex, Grimm Ex+, Mathews Ex, Spahn Ex+ and Thomson Ex-Mt.

377 1955 Robert Gould All Stars  
Schoendienst w/original statue & binding! ..... 150  
Very neat piece, this is a clean original Red Schoendienst card from this very scarce set. This is special as it comes with the original accompanying statue and might be in the original packaging. We have not seen or handled a pair like this until now.

378 1955 Topps  
Complete Set w/graded keys VG-Ex..... 1000  
One of the most attractive of all 1950s Topps sets, I love the color on these cards and the clean design. Not easy to find as a set with the pricey key cards and high number run, sets are always very popular among collectors. The offered set ranges from VG to Ex-Mt but averages a nice VG-Ex overall. Approximately 15% of the cards are a sharp Ex-Mt, a very small percentage is VG, the set is mainly in the VG-Ex range. The cards have good color, the set is reasonably consistent overall, with a solid and pleasing high number run.

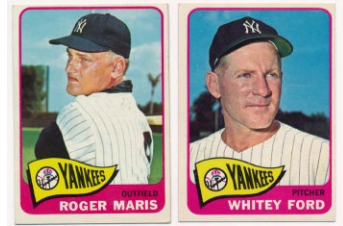

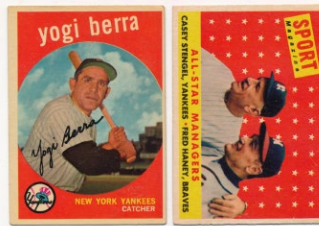

The key cards are as follows: 1 Rhodes VG+, 2 Williams PSA 4, 4 Kaline PSA 4.5, 28 Banks VG, 31 Spahn VG, 47 Aaron PSA 5, 50 J Robinson PSA 4, 123 Koufax RC PSA 4, 124 Killebrew RC VG-Ex, 152 Agganis RC Ex-Mt, 155 Mathews VG-Ex/Ex, 164 Clemente RC PSA 3, 187 Hodges VG-Ex/Ex, 189 Rizzuto PSA 4, 194 Mays VG+, 198 Berra Good (ph) and 210 Snider PSA 4. Please note the VCP value as of Dec 2018 on just the eight PSA-graded key cards is nearly \$2,400, providing for outstanding breakdown value.

380 1956 Topps Complete Set  
w/PSA 3 Mantle VG - VG-Ex ..... 800  
Fully presentable 56 set, this one is fairly typical as the core of the set is a grade to two above the key cards. The overall set is perhaps VG to VG-Ex overall but varies from Good to Ex-Mt. There are many clean cards in the set, but also many lower grade cards, there is tremendous variance. Again the commons and secondary stars should be substantially better than the stars. Anchored by a pleasing Mantle PSA 3, the value here is still very solid with the endless number of HOFers and stars. An affordable example of a key set, this is perfect for a collector on a budget or a dealer. We grade the key cards as follows: 1 Harridge RC VG+, 5 Williams Good, 20 Kaline Good, 30 J Robinson GVG, 31 Aaron GVG, 33 Clemente GVG, 79 Koufax Good, 101 Roy Campanella Ex, 110 Berra Good, 113 Rizzuto VG, 130 Mays GVG, 135 Mantle PSA 3, 150 Snider VG, 166 Dodgers TC Good, 200 Feller Ex o/c, 240 Ford GVG, 251 Yankees TC Good, 260 Pee Wee Reese GVG, 292 Aparicio RC VG, Checklist 1/3 Good mk and Checklist 2/4 Good mk.

401 1962 M118 Baseball Monthly Premiums 84 different in original envelopes w/key HOFers NM to Nm-Mt. 300

Great lot, these are in the original envelopes as issued, it might be a set but there is no Mantle so we will not make that claim. These are on thin stock but offer wonderful, often unique images that one does not see on other cards. The set is a mix of classic HOFers from the past and current players. The condition is quite sharp overall. The content is amazing, with note to Aaron, Ashburn, Banks, Cobb, DiMaggio, Feller, Gehrig, Greenberg, Koufax, Maris, Mays, Jackie Robinson, Ruth and Ted Williams among so many more. The Ashburn card alone has sold for \$50, the Early Wynn \$38, so the breakup value is likely substantial. Nice lot.

474 Large Print Mantle/Martin/Ford (ex-Whitey Ford collection) 9.5..... 200  
 This is a 19 x 25 high quality color lithograph of Mantle, Ford and Martin posed above and below a visage of Yankee Stadium. All three players have signed this in spotless blue sharpie and best of all, this personally belonged to Whitey Ford and comes with an LOA from him. Please note that Billy Martin's untimely death in 1989, before the mega-show era, makes all items of this kind with his signature especially desirable. PSA DNA Full.

476 8 x 10 Munson, Thurman (1976) 8..... 360  
 Very nice Thurman Munson item, offered are several pages from a 1976 Yankees yearbook. Obtained in person by someone who was friendly with long-time Yankee clubhouse manager Pete Sheehy, Munson signed this on his right leg in blue ballpoint ink. There are no breaks in the signature, the autograph is nice but the photo itself is slightly dark, so the contrast will likely be better when the item is held in hand. The other pages are signed by Jim Hunter, Ed Figueroa, Elliott Maddox and Rudy May. This is a Thurman Munson color image that hardly ever comes to market with a signature. JSA LOA Full.

475 Photo Maris, Roger (superb original 1961 photo) 9..... 540  
 Simply a wonderful Roger Maris signed photo, offered is a poignant 7x9 original wire photo. This was taken on September 9, 1961 after a game in which Maris slugged his 56th home run. The autographs are a touch light but fully legible, the print itself is quite clean and looks great. These seem like such bargains at current market levels. JSA LOAA.

499 3 x 5 Chase, Hal 9.5..... 600  
 Beautiful 3x5, this is as nice as it gets. Offered is a snow white 3x5, signed yours sincerely Hal Chase in jet black ink. Signed with a slight shake as was his style, this was likely signed in the 1940s. The infamous Hal The Fixer Chase, a crooked player who Connie Mack put above Lou Gehrig on his All Time All Star team, died in 1947 at age 64 and is a rare 3x5. Who wants to add something almost no one else has to their collection? JSA LOAA.

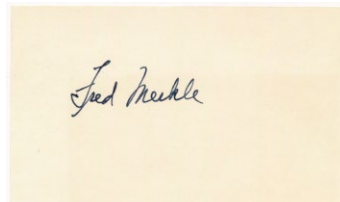

501 Cut Collins, Jimmy 8..... 1000  
 An almost profoundly rare autograph, HOFer Jimmy Collins played from 1895-1908 for various teams including the Red Sox and A's. Collins was a 1903 Red Sox and is key to any run of autographs from the first team to win the World Series. Collins was inducted into the Hall of Fame in 1945. Collins died in 1943 and is just an autograph that never comes around. Collins did not sign much, and hardly ever comes to market. Various signatures on different mediums have sold for close to five figures over the years. Missing from 99% of all Hall of Fame autograph collections, who wants to fill in an incredibly tough spot? The offered piece is a pencil cut mounted to cardstock. The autograph contrasts reasonably well and has solid display value. 749 1955 NBA Finals Rare Travel Alarm Clock..... 200

The first that we have seen, this is a folding, travel alarm clock awarded to Syracuse Nationals guard George King for his participation in the 1955 NBA Finals as identified on the ornate face of the clock. The Syracuse Nationals defeated the Fort Wayne Pistons in the best of seven series winning the final game (92-91) with a free throw with 12 seconds left. The travel clock folds into a protective 3- square hard case. The wind up clock and alarm appear to be in working order, one of four miniature screws is missing from the frame holding the clear crystal covering the face. Such an award from the early years of the NBA is for scarcer than the watches and rings presented to the NBA players from more contemporary Championships.

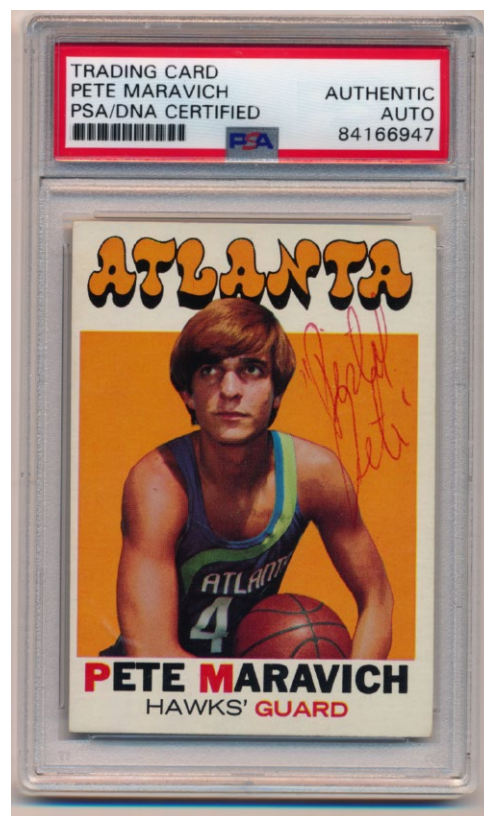

746 1980 Topps Bird/Magic RC SGC 8 ..... 200

Vital contemporary basketball card, these have been hot in recent years. Centered to the right border, this has rich color and four very sharp corners.

747 1987 Fleer Complete Set + Stickers..... Nm-Mt 50

Sharp set with the stickers, these look great. The Jordan is Nm-Mt and centered slightly to the bottom border, the Jordan sticker is well centered and very sharp. The set is exceptionally clean and well centered overall. Loaded with stars, nice set.

748 Lot of 66 PSA 8 - 10s 1981- 1988 w/stars ..... 100  
Single row box of lesser PSA graded basketball cards, there are 66 total cards from 1981 to 1989. There is a heavy concentration of Larry Bird and Boston Celtics stars, but also many cards of Jabbar, Erving and other NBA superstars. A full inventory will be on our website, there is probably some solid breakdown value here.

750 1971 Topps 55 Pete Maravich 9..... 750

Key signed card, these have been white-hot in recent years. The offered card has terrific color and slight corner wear. The back is clean, the surfaces are solid. The beloved Pete Maravich signed this in period red ballpoint ink in a good spot by the right border. The solid signature contrasts nicely against the card. Maravich sadly died in 1988 at only age 40, his signed cards are revered by collectors. PSA slabbed.

## 758 1940 Exhibit

177 assorted w/many stars Ex+ ..... 330  
 Huge lot of these fun and eminently affordable exhibit cards, we believe these range from the 1930s through the 1950s. From a superb fresh boxing collection, there could well be some very tough cards in the lot. There is duplication, sometimes heavy, the condition varies but is more than half Ex+ overall with many nicer cards (the weakest cards will be a nice VG+ to VG-Ex, there is nothing beat up in the lot). It looks like the cards are from two different sets based on the printing style. Neatly presented in alphabetical order in a shoebox, these better fighters come in the lot: Charles, Gavlin, Jack, LaMotta (4), Lesnevich, Joe Louis (2), Marciano (2), Sugar Ray Robinson (3), and Zale (2).

## 759 1951 Ringside

These better cards come in the lot: 33 Willard, 34 Dempsey, 35 Tunney (2), 41 Louis, 43 Walcott, 77 Corbett, 78 Fitzsimmons, 79 Jeffries & 90 Braddock. Fine lot has hardly any duplication.

## 761 1956 Topps Adventure

Complete Basic Set (99 cards) NM to Nm-Mt. 200  
 Super sharp set, centering is not bad at all overall. Fresh set has not been picked for grading, there could be some gems hiding here. Neat multi-sport set is known for the 18 boxing cards. The star power is impressive, with Louis, Dempsey, Tunney, Sullivan, Johnson, Marciano and Corbett. The cards are pristine and razor sharp. It is very unusual to find these unslabbed in today's market.

## Boxing Autographs

## 762 8 x 10 Corbett, Jim (stunning) 9.5..... 180

Offered is an absolutely stunning sepia toned portrait image. Early boxing HOFer Jim Corbett is posed in formal attire. Corbett signed and inscribed this in beautiful black fountain pen ink, he dated this December 2, 1929. How neat is this as it is both so early and so fine looking?  
 JSA LOA Full.

## Football Sets

**781 1951 Bowman Complete Set w/3 PSA 8s Ex-Mt/NM..... 750**  
Really nice set, these are such attractive cards when they can be found in quality condition. We sent several cards to PSA and received several grades that we felt were awfully harsh. The set is a very solid and attractive Ex-Mt/NM overall with some mild variance. **783 1954 Bowman 1 Cent Wax Pack GAI 7.5..... 100**  
Sharp looking 1 cent pack from the 1954 Bowman football set, Otto Graham is noted on the flip, so perhaps he is showing on one side. Colorful pack, these have totally dried up in recent years.

**786 1955 Bowman Complete Set -1 card NM..... 250**  
1955 Bowman football cards are among the most colorful and attractive cards of their era, this is particularly true when they can be found in high grade. The offered lot is from an old time collector, these are gorgeous cards with superb color, bright white borders and sharp corners. Nothing has been picked for grading, only the #1 card is missing. Centering varies as is typical for the issue, perhaps half of the cards are off-center to some degree, nothing appears to be miscut or 90/10. The key cards grade as follows: 7 Frank Gifford NM, 8 Alan Ameche RC Nm-Mt, 14 Len Ford RC NM, 32 Norn Van Brocklin NM, 42 John Henry Johnson RC NM, 52 Pat Summerall RC NM oc, 62 George Blanda NM, 70 Jim Ringo RC Ex-Mt, 71 Bobby Layne NM oc, 72 Y.A. one #122. Who wants to improve their sets?

932 1973 OPC 264 O'Reilly PSA 8..... 50  
Desirable card, this is well centered with four solid corners  
and great color.

## 933 Super Clean 1973/4 - 1974/5 Lot w/stars (approx. 2100 cards) Nm-Mt..... 200

Offered is a 3-row box with superb condition 1970s OPC  
hockey cards. The lot contains approximately 1,400 gor-  
geous Nm-Mt 1973/4 OPC cards and approximate 800  
1974/5 OPC cards. The 1974/5s are quite sharp, but have  
typical centering issues. Completely fresh and unpicked,  
this lot could be a gold mine for someone with a good eye  
for 9s. These better cards come in the lot (a ton of secondary  
stars and specials do as well): 1973 OPC 17 Marcel Dionne  
, 30 Bobby Orr, 50 Bobby Clarke (3), 66 Bernie Parent, 81

# Hockey

**934 Collection of 234 PSA 8 - 10 Hockey Cards**  
 1973-1991 (SMR/VCP \$2,650+) ..... 250  
 Big lot of slabbed hockey, all are PSA 8-10s with no qualifiers. Anchored by two 1980 OPC Bourque RC 8s and some 1970s Topps Bobby Orr 8s, an exact listing is on our website. Many cards here are not in the SMR and are figured at zero, for others we plugged in the VCP value and came up with \$2,650.

**935 Bankers Box of 1970s Hockey Near-Sets**  
 NM - Nm-Mt ... 200

High grade lot of 1970s Topps hockey, nothing has been picked for grading. Condition should be NM to Nm-Mt overall. The lot is as follows: 1973-4 Topps (Complete Set plus second set -2 cards plus extras), 1975-6 Topps (Complete Set NM + 300 extras), 1977-8 Topps (four very near sets, two may be complete) and 1978-9 Topps (three very near sets, two may be complete). Lots of this quality are probably not easy to find in today's market.

**936 Huge High Grade 1974 - 1988 OPC & Topps Run**  
 w/many stars (approx. 7,000+ cards) Nm-Mt ..... 300  
 Great lot for a dealer or a big hockey collector of 1970s and 1980s cards, this is a terrific, super fresh unpicked grouping of very high grade cards. These fill up four three-row boxes, everything is in an individual holder for protection. There are loads of stars throughout the lot, the condition again is amazing overall. There are tons of OPC WHA hockey cards with the key stars, around 700 1974/75 Topps cards and loads of OPC cards from the 1970s and early 1980s, the lot ends almost entirely in 1988. We did not review every card in the lot due to the size, there could well be more star cards here and some buried treasure. These better cards come in the lot (again there may be many more): 1974 OPC WHA 30 Gerry Cheevers, 50 Bobby Hull, 64 Jacques Plante (2), 1974 Topps 100 Bobby Orr, 155 Ken Dryden, 161 Don Cherry RC CO, 195 Denis Potvin RC, 261 Scotty Bowman RC CO, 1975 OPC NHL 275 Denis Potvin, 288 Bobby Orr AS1, 1975 OPC WHA 1 Bobby Hull, 7 Mark Howe RC (2), 20 Gerry Cheevers, 28 C. Please note the Beckett value on just these listed cards is over \$2,300.

**937 1975 Topps Complete Set** NM ..... 50  
 Sharp set, nicely presented in sheets. Fresh, unpicked set, these average a solid Near Mint or better overall.

**938 1975 - 1977 OPC WHA Set Run (3 pcs)**  
 NM - Nm-Mt ... 100  
 Sharp, unpicked lot of these fun sets, they have some key stars. Nothing has been pulled for grading, condition is a strong NM to Nm-Mt overall.

**939 1977 Topps Glossy**  
 PSA 10 Run (Set + 13 doubles) ..... 100  
 All are PSA 10s, with one full set and 13 doubles including Cheevers, Ratelle and Vachon. The VCP on a 10 set is \$511.

**940 Lot of 15 sets 1977 - 1983 OPC** Nm-Mt..... 100  
 Banker's box of high grade OPC sets, some are missing a few cards. Fresh, unpicked lot, breakdown is as follows: 77/78, 77/8 WHA, 78/9 (2), 79/80 (no keys), 80/1 (2, one complete, other 394/396, 1981/2 (2, one is missing stars), 82/3 (missing some keys) and 83/4 (3, 1 is complete, two are near-complete). This is a super sharp and fine lot overall, there should be strong potential for slabbing here. These sets have really dried up in high grade in recent years.

# Hockey

## 944 Better 1984 - 2012 Set Run

w/Key Rookies & 90 Tiffany (15+ pcs) Nm-Mt..... 100  
A tub of super sharp hockey sets and extra cards, nothing has been picked for grading. The lot breaks down as follows (there are thousands of extra cards beyond these): 84/5 Topps Set (2), 85/6 Topps Set, 86/7 Topps set, 87/88 Topps set plus near set, 1989/90 Topps Set (2), 1990 Topps Tiffany Set, 1990 Bowman Tiffany (539 cards), 1992/3 Topps Factory, 1992/3 Bowman Set and 2002/3 Topps Factory. There should be lots of value here.

941 1979 Sportscaster Wayne Gretzky RC PSA 9..... 180  
Such a great card, this has become the key to this underrated 2,000 plus card set. Always desirable, this is one of The Great One's earliest cards. You have to love the photo of a so young Gretzky looking at a shot he made, there is no edge wear showing, the condition is Mint.

942 1979 Topps 18 Wayne Gretzky RC PSA 7..... 180  
Vital hockey card, quality examples have been so hot in recent years. Well centered, this is an outstanding 7. The corners are quite sharp, the blue borders show no wear, we have definitely seen weaker cards in 8 holders, this is as good as it gets in our opinion for a 7 Gretzky Rookie.

## 943 Lot of 16 OPC sets 1984-1992 w/key Rookie Cards Nm-Mt..... 100

Banker's box of high grade hockey sets, a few are missing some stray cards. The condition is super sharp overall, these are fresh, unpicked sets. Content is as follows: 1984/5 OPC (2), 1985/6 OPC (full set + near set), 1986/7 OPC (2), 1987 - 1989 OPC, 90/1 OPC Premier, and 91/2 OPC + traded, 92 OPC Premier. These should have a very solid breakdown value.

## Hockey Autographs/Memorabilia

### 945 1979 Topps

18 Wayne Gretzky RC (vintage signed!) 7.5 ..... 300  
One of the ultimate signed hockey cards, these hardly ever come to market. This was signed for a super talented autograph hound in the 1982-83 era, making this a particularly desirable vintage Gretzky autograph. The card itself is very well centered with four sharp corners, rich color and spotless blue borders. The signature is in pleasing blue ballpoint ink in a perfect spot by the bottom center. With the current craze for signed Rookie Cards, this is definitely a card to watch in the future, particularly as an early playing career signed card. SGC slabbed, they graded the card itself a 6.5.

# Hockey Signed Card Collection

Interesting lots, these were all obtained in person by someone who worked at the Boston Garden over many decades (with some signed insert cards). Nothing is personalized, the autographs and cards are quite clean overall. The content is mainly from the late 1980s forward, but some 1970s and early 1980s cards will be scattered about. There can be heavy duplication of some players. Please note only the stars listed in the description have been reviewed by JSA, the remaining cards are being sold strictly as-is but we would be very surprised if there were any issues.

950 Late 1970s/Early 1980s Pittsburgh Penguins Themed Goalie Mask ..... 150

We picked this up in a vintage collection and do not know much about it. Possibly game used, but we are not making that claim, the display value here is terrific as this is so charming and clearly vintage.

## Baseball Memorabilia: Tickets

951 1911 World Series Full Ticket Matched Pair!..... 500  
 Rare matched pair of full tickets, these are for the 1911 World Series. Issued for game 3 at the Polo Grounds, the tickets have punch holes from the game as was the custom that year. The tickets both retain good color and nice edges, they each have moderate back wear. The 1911 World Series featured the two top teams of this era, the Athletics and the Giants, with a slew of HOFers. The A's beat the Giants four games to two.

952 1923 World Series Game 5 Full Ticket! PSA 1.5.. 1500  
 In the current market for sports memorabilia, top quality items come to the market all of the time. Still, every once in a while, something truly awesome comes to light. The offered lot is such an item. Owned by a bartender since the 1920s, this glorious full ticket is completely fresh to the hobby. Recently graded 1.5 by PSA, this is one of only a handful of full tickets from this game in existence. 1923 was of course the first Yankee team to win a World Series, the Yankees beat the crosstown rival Giants 8-1 in this particular game. The huge ticket offers bright color, outstanding eye appeal and a spotless back. A subtle staple hole in a good spot in between lower and stand by the right edge of the ticket led to the 1.5 grade. It is not very often that something of this quality and significance comes to market, who wants to instantly elevate the stature of their ticket collection? This is also ideal for any serious Yankee collector or for someone who appreciates great memorabilia.

953 1926 Babe Ruth Three Home Run Game!  
 (World Series Game 4) VG-Ex/Ex..... 600  
 (pictured to lower left)

One of the most desirable World Series tickets of its time, this was the only Babe Ruth three home run World Series game. A truly historic game, hardly anyone has accomplished this in all of baseball history. Aside from the historical value, this fine looking ticket has vibrant color and very clean surfaces, the edges look good. There is hardly any creasing, nothing visible, the separation on the back shows wear, the overall appearance is excellent. It will be interesting to see where these trade at in the future; it seems like a truly ideal item to sock away in a draw for the next few years.

954 1926 World Series Game 6 VG..... 120  
 Brightly colored ticket, this has good eye appeal. There is one substantial crease and an ink notation on the reverse. The ticket offers crisp edges and presents very well. Behind Grover Cleveland Alexander, the Cardinals won this game 10-2.

960 1940 All Star Game Ex..... 150  
Elusive program, we have not had one of these in some time. Scored in pencil, this has a nice spine, bright red color and a good cover. Attractive program, has has slight general wear and is a solid Ex overall in our opinion. Nice piece.

961 1941 All Star Game Ex..... 150  
Classic All Star Game program, always desirable, a key to the run. Unscored, this has a tight spine. The cover retains bright color and displays well. This has been lightly folded at one time, this is clean, bright and fresh overall.

962 1942 All Star Game VG ..... 240  
The scarcest All Star Game program, this is missing from most runs. The offered program has a tight spine and colorful cover. The cover has a small chip hard to the upper right corner, it otherwise looks great. Scored, this includes the key insert. Who wants to finally this vital hole in their All Star Game program collection?

963 1949 All Star Game Ex+ ..... 175  
Really nice, this is a beautiful 1949 All Star Program. Always very desirable as this was the only game played at Ebbetts Field, these often have condition issues. The offered program has the brightest color and cleanest look of any 1949 AS program that we have seen or handled. Unscored, this has a tight spine and is an extremely nice Ex or better program overall.

955 1926 World Series Game 7 (signed by Altrock and Schacht) VG ..... 150  
Historic ticket, a possibly inebriated Grover Cleveland Alexander struck out Tony Lazzeri with the bases loaded to protect the Cardinals lead. The Cards won this game 3-2, and the World Series. Anything from this famous game is always desirable, especially a ticket. Offered is a colorful ticket with some slight pinpricks of white showing. In an interesting touch, the ticket is signed on the back by famed duo Al Schacht and Nick Altrock in pencil. The ticket is VG overall, the autographs are solid.

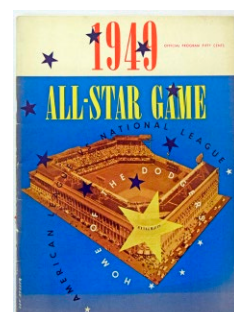

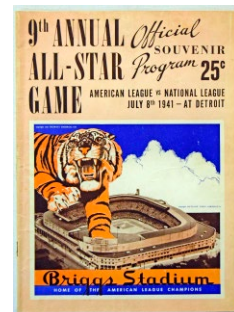

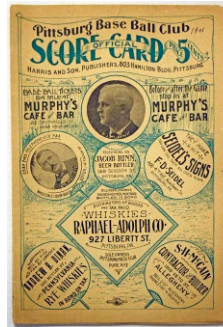

956 1962 1st Mets Game Ticket (4/13/1962) ..... 250  
Extremely desirable ticket, this is for the first Mets game in 1962. Played at the Polo Grounds on April 13, 1962, the Mets naturally lost this game (4-3 to the Pirates). Offered is a particularly bright, fresh, colorful and attractive stub. There is hardly any creasing, the separation is clean, the edges are crisp. Very nice.

## Baseball Publications

957 1901 Scorecard Pirates/Phillies w/Honus Wagner & Ed Delahanty! ..... 360  
Rare and desirable original Pittsburgh Pirates scorecard from 1901, how often do you see something like this? The spine is split, the pages are not brittle and display well. The cover looks good, 1901 is written in ink by the upper right corner. P.J. Murphy and Wm. A. McKelvey are pictured on the cover in small oval portraits. The program has been scored and there are some minute closed tears that can be repaired if desired. I love the interior biography of Wagner (not yet known as Honus and playing third base, he is described by his future HOF manager as the best player in baseball). A wonderful item as it pairs two of the biggest names in baseball history, HOFers in the scoresheet include Wagner, Delahanty, Clarke, Jennings and Flick.

958 1929 WSP At Chicago VG-Ex..... 180  
Unscored, this has a vibrant cover with a tight spine. The colors look great, this has been lightly folded at one time. Super affordable 1920s World Series Program, these seem like such great buys in today's market.

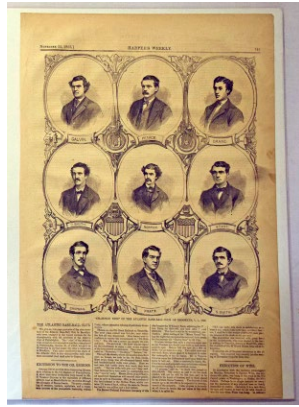

959 1939 All Star Game NM ..... 300  
Scarce and desirable early All Star Game program, many of these were discarded as the cover is so similar to a regular game program. The offered program is tight and clean, with a spotless cover. Unscored, there are a world of HOFers and stars in the printed lineup for the game.

## Baseball Memorabilia: General

**964 Harpers Wonderful Collection of 17 Full Pages w/many HOFers ..... 300**  
 Harper's baseball images from the 19th century are almost criminally undervalued in today's market. These wonderful and highly evocative images perfectly capture the flavor of 19th century baseball. Loaded with HOFers and recognizable names to fans of this era, the display value here is simply terrific. The most comprehensive and clean collection of its kind by a factor that we have seen or handled, these are all strikingly clean and fine full large format pages. The images are outstanding, some of these just do not come to market in this state, the content is precisely as follows: 10/15/1859 Full Page, 3/23/1861 Fort Sumter cover w/Douleday, 11/18/1865 Brooklyn/Philadelphia Baseball Match, 11/25/1865 Brooklyn Atlantic Nine w/Galvin, 11/3/1866 Brooklyn/Philadelphia Baseball Teams, 10/26/1867 Champion Nine Morrisania, NY, 7/25/1874 Boston/Philadelphia Full Page (Leslies), 9/12/1874 American Baseball Players in England, 7/27/1878 Baseball at Blackville, 8/5/1882 Metropolitan Baseball Nine, 9/30/1882 Providence Baseball Club w/both Wrights, 8/12/1885 The Winning Run, 1885 Champion Ball Players (12 w/5 HOFers), 3/8/1890 Game of Baseball, Chicago Baseball Club w/Anson & Kelly, Harpers Chicago Nine w/Anson & Kelly and New Baseball Grounds at Chicago.

**966 1912 Boston Red Sox Signed Original \$100 Stock Certificate ..... 270**  
 Very nice item, this is an original Boston Red Sox stock certificate. Ornately designed, this displays very well. The certificate was issued to a John Taylor on November 19, 1912. The certificate awards Taylor 249 shares of the Red Sox. Signed by the controversial James McAleer, he was a former player who was part owner of the Red Sox for just 1912 and the beginning of 1913 (McAleer had a huge fight with Ban Johnson over Jack Stahl). Also please note 1912 was a great year in Red Sox history as they posted a 105 win season and beat the rival New York Giants in a classic World Series in seven games. Anything from 1912 is special to a Red Sox fan, making this very desirable stock certificate even more interesting. Nicely framed, the front looks great, it looks to be mounted onto board.

**967 1924 Walter Johnson Day Pin ..... 300**  
 Gorgeous 7/8 inch diameter pin, this was issued in 1924. The condition is stunning, there is NO WEAR on the edges, the original paper back looks great and the image of Johnson could not be any nicer. The pin is titled Walter Johnson Testimonial 1924. An iconic and beloved player, who wants to own a remarkably fine condition and also great looking pin from his playing career?

**965 1896 Cincinnati Reds Imperial Size Team Photo w/Bid McPhee, Buck Ewing & Dummy Hoy Poor ..... 200**  
 Rare large format 19th century team photo, this has extensive chipping on the borders and various condition issues. Certainly low grade, still how often do you find something like this? The team image itself measures a robust 9.5 x 7.5. and offers decent contrast, the mount has various issues. This is notable as it includes vital 19th century HOFer Buck Ewing, his elusive fellow HOFer Bid McPhee and cult favorite Dummy Hoy. Despite the admitted condition issues, this has a lot going for it.

**968 1934 Detroit Tigers Rare Walking Stick World Series Pennant ..... 150**  
 Super cool piece, this is a 23 inch long orange background pennant. Presented in a custom metal pole for protection (some call it a walking stick or cane), this is a terrific collectible. The starting lineup of this AL Champion team is noted on the left side, with note to HOFers Greenberg, Gehring, Cochrane and Goslin. The pennant is bright and clean overall with vivid original color and fine graphical detail. How charming and creative is this?

# Baseball Memorabilia

969 1940 Rare Harry Heilmann  
Goebel Beer Cardboard Counter Sign..... 300  
Presumably rare, we have not seen this before. Offered is a very attractive full cardboard display sign. Likely from the 1940s, this has a color image of HOFer Heilmann at the top, declaring that Goebel beer is a hit! The sign has general wear from handling and some areas of paper loss at the very top and slight staining. Despite these admitted condition issues, the sign displays well.

971 Scarce 1950s Era Narragansett Beer  
Boston Red Sox Working Scoreboard..... 125  
Very fun piece, this highly evocative piece measures 11x16. Fully working, this somewhat fragile paper and plastic display allows one to show the scores for any American League game. Issued from 1955 through 1959, we did not date the exact year. This has some general wear but is quite clean overall. We could not find any public sales for this item.

970 Early 1950s Ralph Houk  
Game Used Catcher's Mask Ex..... 100  
Terrific piece, this is from a very advanced Boston autograph and memorabilia collection. We believe this to be authentic and will guarantee it for one year from date of purchase. The mask has a great period look and is manufactured by Raleigh Athletic Equipment Corporation. HOUK is written in bold black vintage lettering on the strap. The mask shows general wear and presumably solid use.

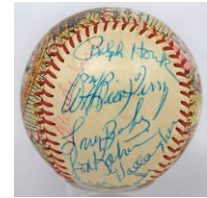

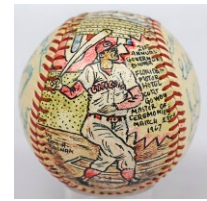

972 Ted Williams Original Cardboard Moxie Sign ..... 500  
One of the most evocative and iconic display pieces from the 1950s, offered is an utterly charming Ted Williams original cardboard Moxie sign. This sign offers a terrific color portrait of a tan Teddy Ballgame from the late 1950s. The sign has a fine crease but otherwise looks great. With the original easel on the back, this measures approximately 15x12, allowing it to be displayed with any size collection. These seem so undervalued given what a PSA 8 or PSA 9 Ted Williams card from this era might trade at in the current market.

973 1960s Mickey Mantle Nodder Ex..... 200  
Classic Mantle collectible, these utterly charming noddlers are always so popular among collectors. This example has perfect color and facial detail, the display value is perfect. There are two extremely fine cracks at the back and side of the head, there is otherwise only very mild wear.
