# Key Lots

**1      1895    Mayo Cut Plug 11 Ed Delehanty (Delahanty)      PSA 2.5.....1500**  
Great card of one of the most famous early baseball players, Delahanty, a famed slugger, died under mysterious circumstances on a train in 1903 and is a cult favorite. A HOFer, he has very few cards.

Offered is a gorgeous example of his key Mayo. With the best image clarity and contrast that we have ever seen on this card, this punches well above its weight! Well centered with jet black borders and a gorgeous front, the corners show only very light wear. The back is fully black but perhaps it came out of an album, leading to the 2.5 grade. This is an awfully, awfully nice example of this great card.

# Key Lots

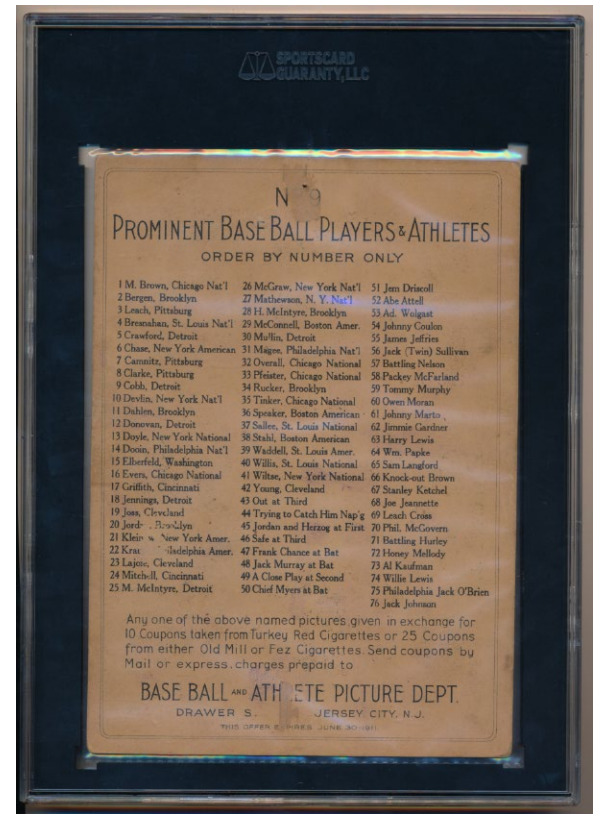

**2      1909    E95 Philadelphia Caramel    Complete Set, All PSA Graded (Avg 2.4) .....1000**  
**One of the great early caramel sets, this is among the most popular and desirable. Presented in a nice collector grade, this is a great set as it offers no less than ten HOFers out of the twenty-five cards in the set. The HOF star power is particularly impressive, with note to Ty Cobb, Christy Mathewson, Eddie Plank and Honus Wagner.**

**The set breaks down precisely as follows: Bender 3, Carrigan 2, Chance 4, Cicotte 2, Cobb 1 (rich color, scrape at upper left and some extra paper on the back), Collins 2, Crawford 3, Devlin 2, Doyle 4, Evers 3, Hoffman 5, Krause 2, Leach 2, Lord 1, Maddox 2, Mathewson (no creases, stamp on back), McIntyre 2, Merkle 1, Morgan 3, Plank 1, Reulbach 3, Wagner 1 (Colorful front with a crease, there is back damage), Willetts 2, Willis 4 and Wiltse 2.**

# Key Lots

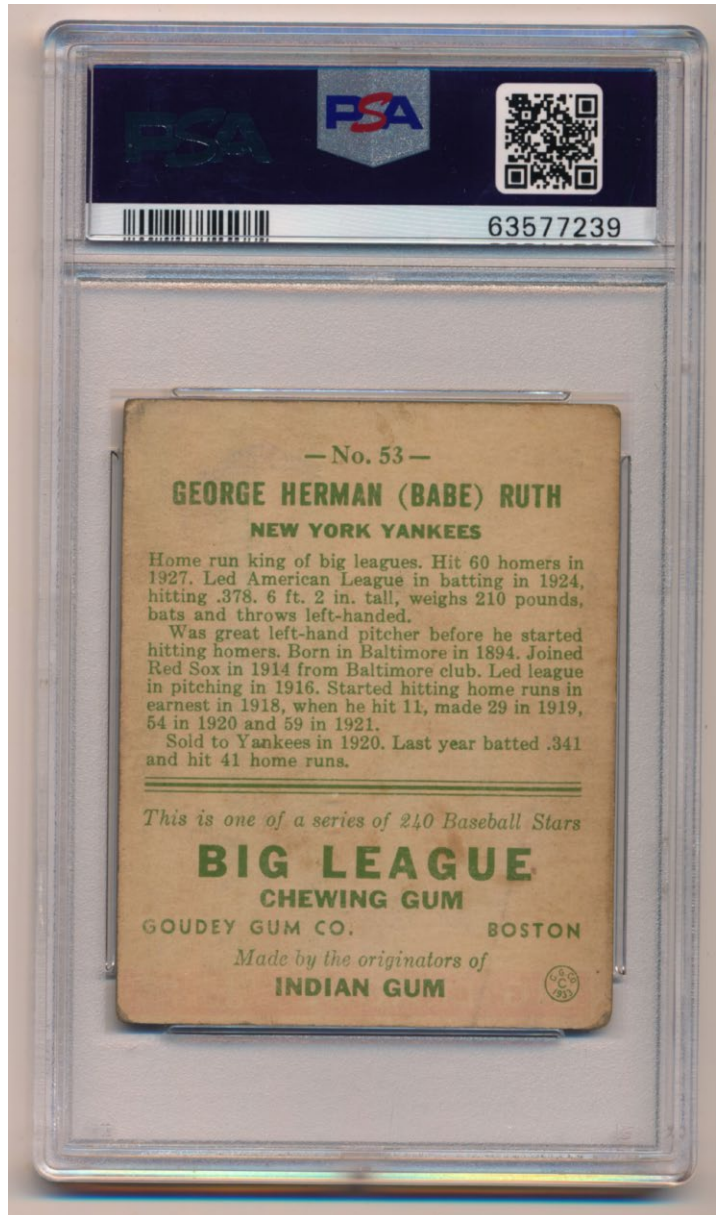

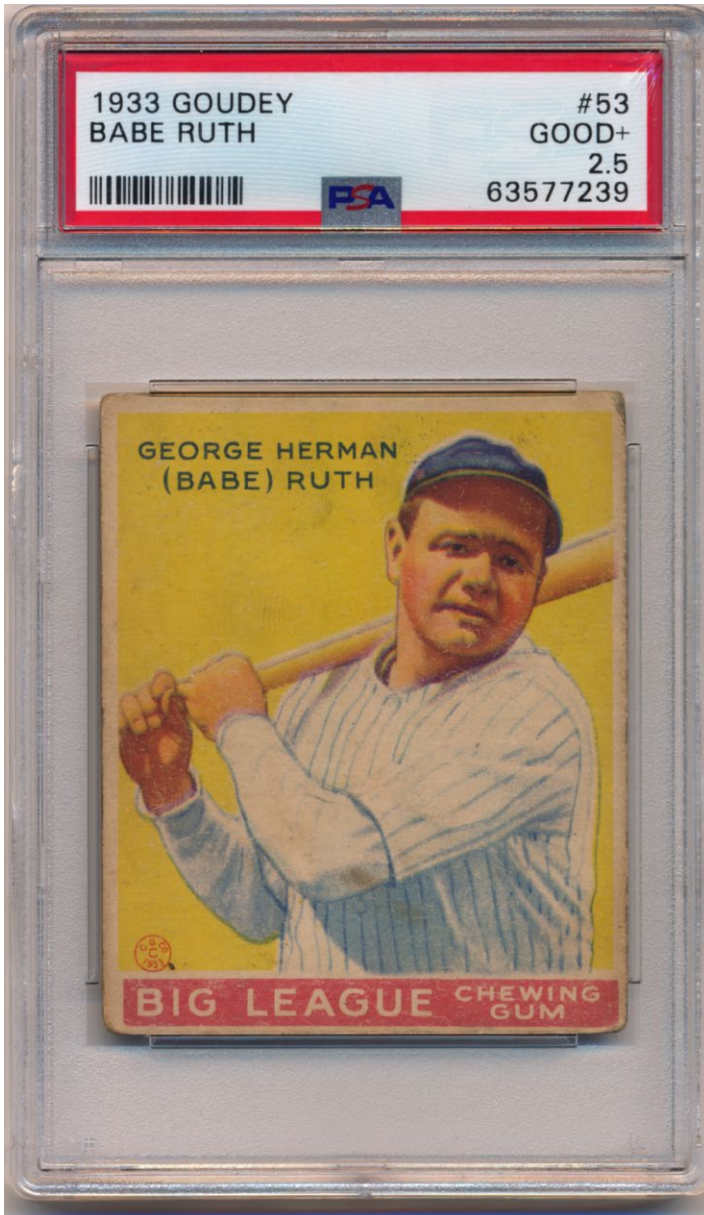

3 1911 T3 Turkey Red 9 Ty Cobb

SGC 1.5.....2400

A vital, classic and important Ty Cobb card, this is the absolute key to this marvelous set. Low grade due to a pinhole at the top center, a nick on the bottom border and wear in two spots on the back, this is not a bad card at all. The card retains a very solid image, this is truly beautiful artwork. There is no obvious creasing, the back is clean overall.

PSA 3s have traded for \$25,000, this is a cornerstone card that might be a very shrewd move to put in a box for a few years given the white hot market for Ty Cobb cards and high quality tobacco issues.

# Key Lots

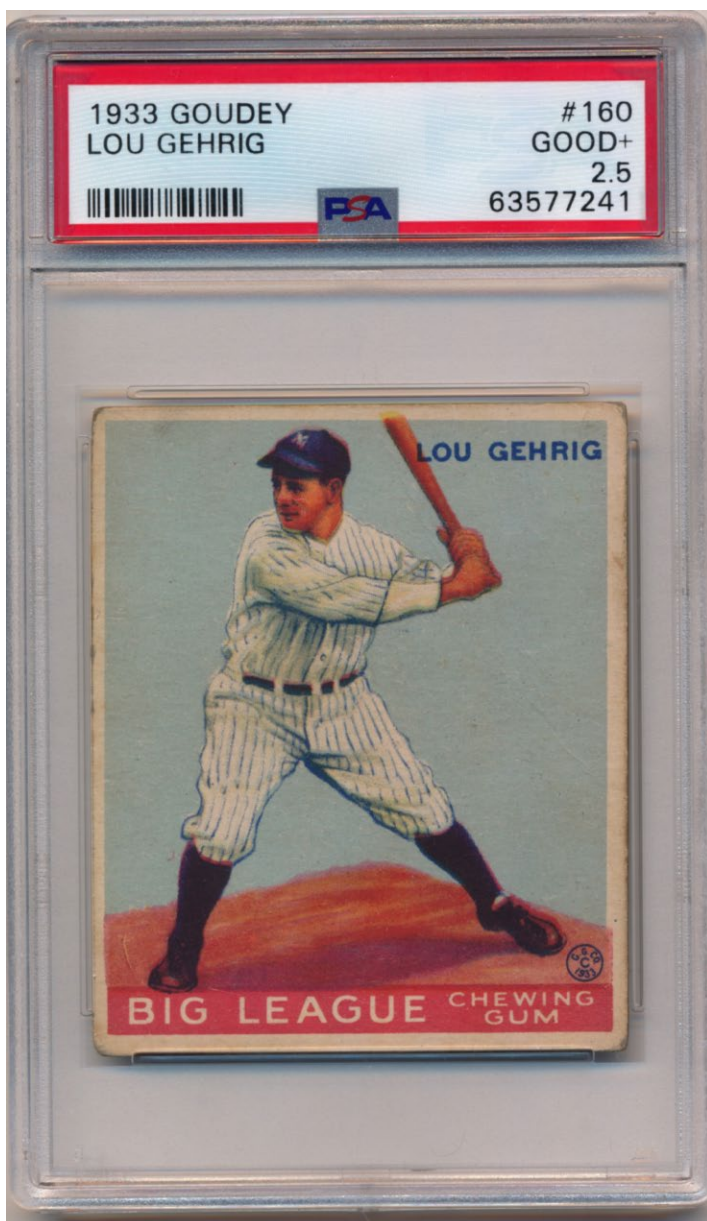

4 1933 Goudey 53 Babe Ruth

PSA 2.5.....3000

The most condition sensitive of the four 1933 Goudey Ruths as it is a low number, this is a serious card. Freshly graded, the offered card retains good color and has a fine image. We cannot see any creases or wrinkles, the back is clean. The card is centered to the bottom border, with consistent corner wear.

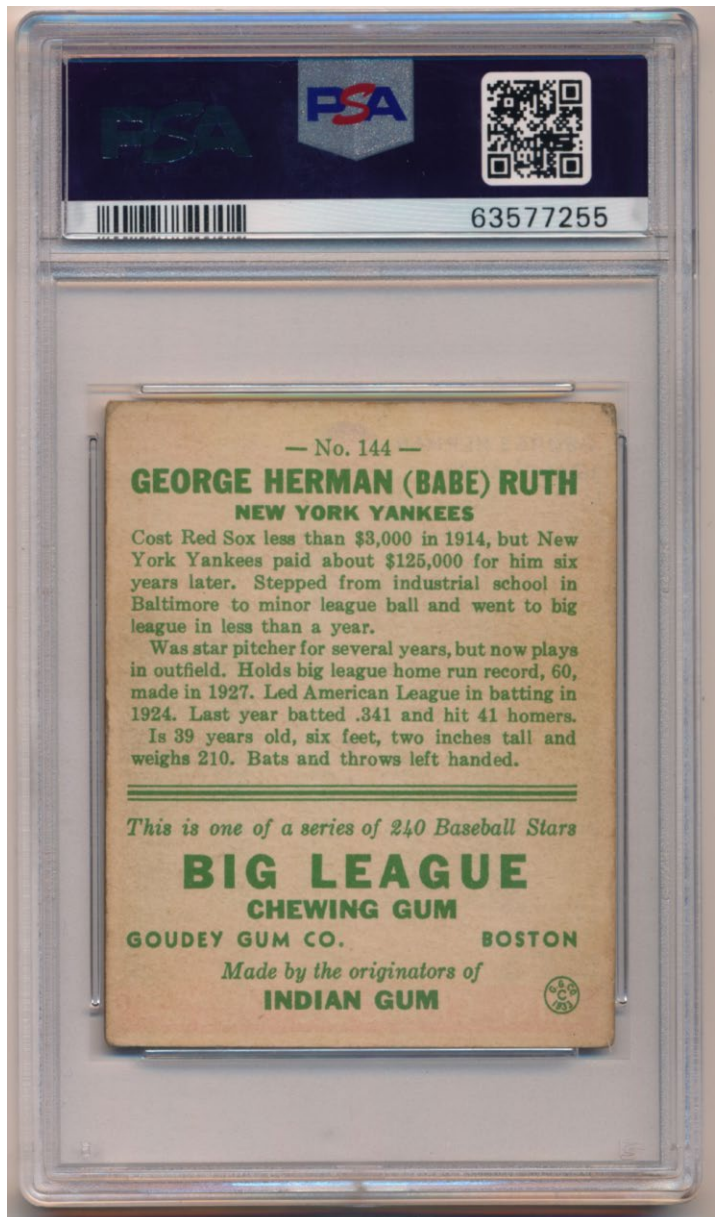

# Key Lots

**5 1933 Goudey 92 Lou Gehrig PSA 2.5.....1500**  
 Freshly graded 2.5, this is a very solid card for the grade. This card offers a strikingly nice image, hardly any creasing and retains excellent color. The surfaces are quite clean, the back looks great, the corners are not bad at all. This is a very, very solid card for the grade.

**8 1933 Goudey 160 Lou Gehrig PSA 2.5.....1500**  
 A very nice card for the grade, this has just one surface crease that does not come close to cracking the paper. Well centered, this retains good color and a nice image. The back is nice, the surfaces are clean. The corner wear is mild and consistent, this is honestly probably superior to most of these in 3 holders as it is freshly graded with the currently harsh grades being assigned to many cards. Fine looking 2.5, it would be very, very difficult to find a nicer card in this grade.

# Key Lots

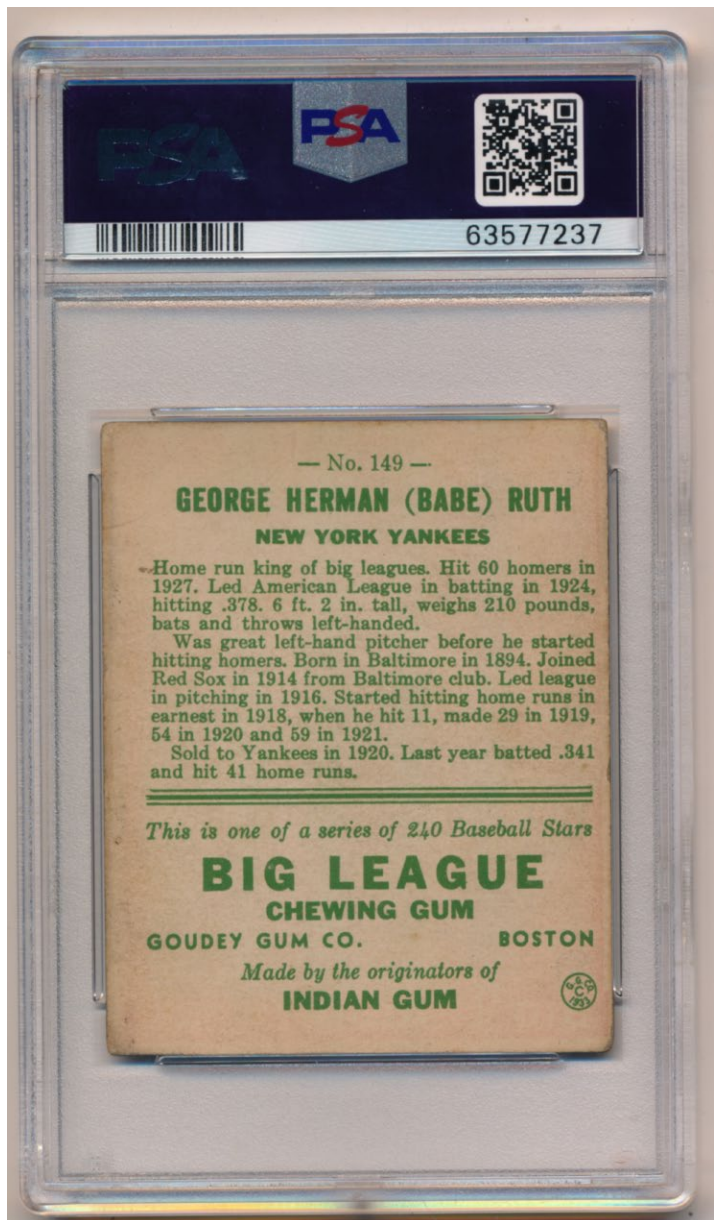

6 1933 Goudey 144 Babe Ruth

PSA 3.....3000

Classic Babe Ruth baseball card, this is freshly graded and truly superb for the grade. Well centered, there are no visible creases or wrinkles, even under magnification. The image is perfectly registered, the card has beautiful original color and has outstanding eye appeal. The back is bright and clean, the surfaces look great. The corners show very mild and consistent wear, we have definitely seen similar cards in 4 holders. In short, this is an awfully nice card for the grade and it would extremely difficult to find a nicer 3 than the offered card.

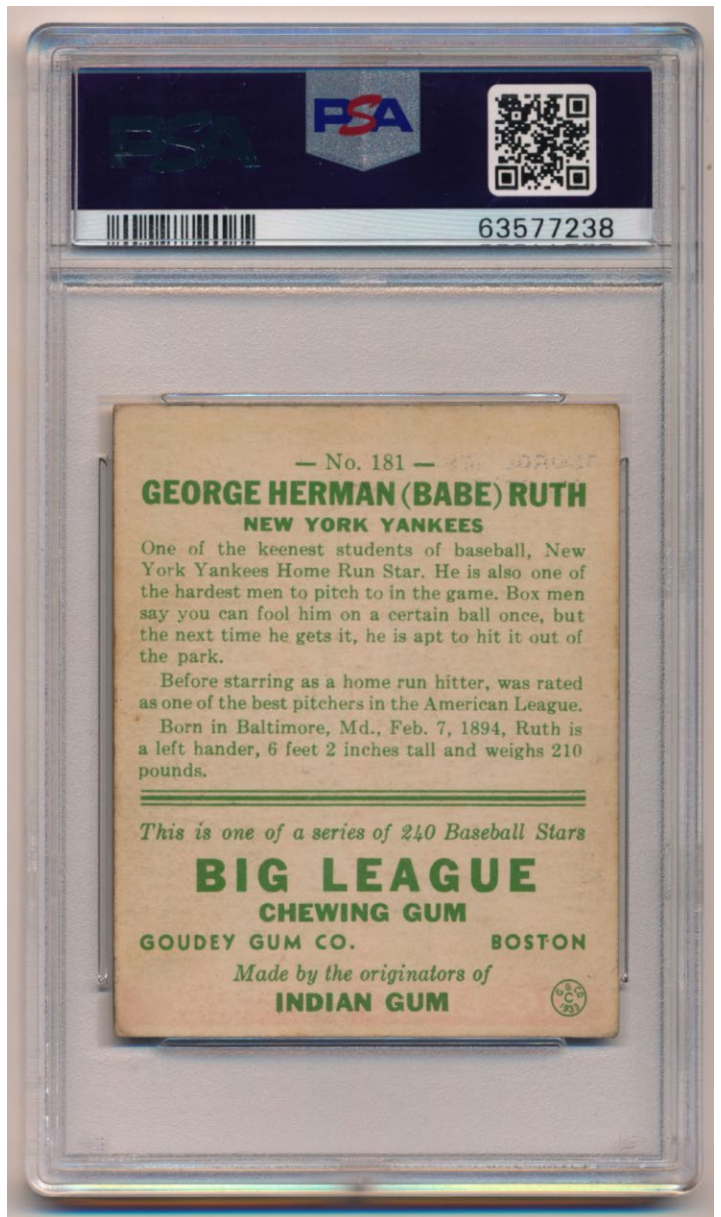

# Key Lots

7 1933 Goudey 149 Babe Ruth PSA 3.....3000  
 Colorful 3, this is freshly graded. We cannot see any creases, the image is superb, the card has fine eye appeal. Centered to the left border, the surfaces are clean, the back looks great. A perfectly acceptable VG 3 example of this super popular Babe Ruth card, no doubt this will find a happy home!

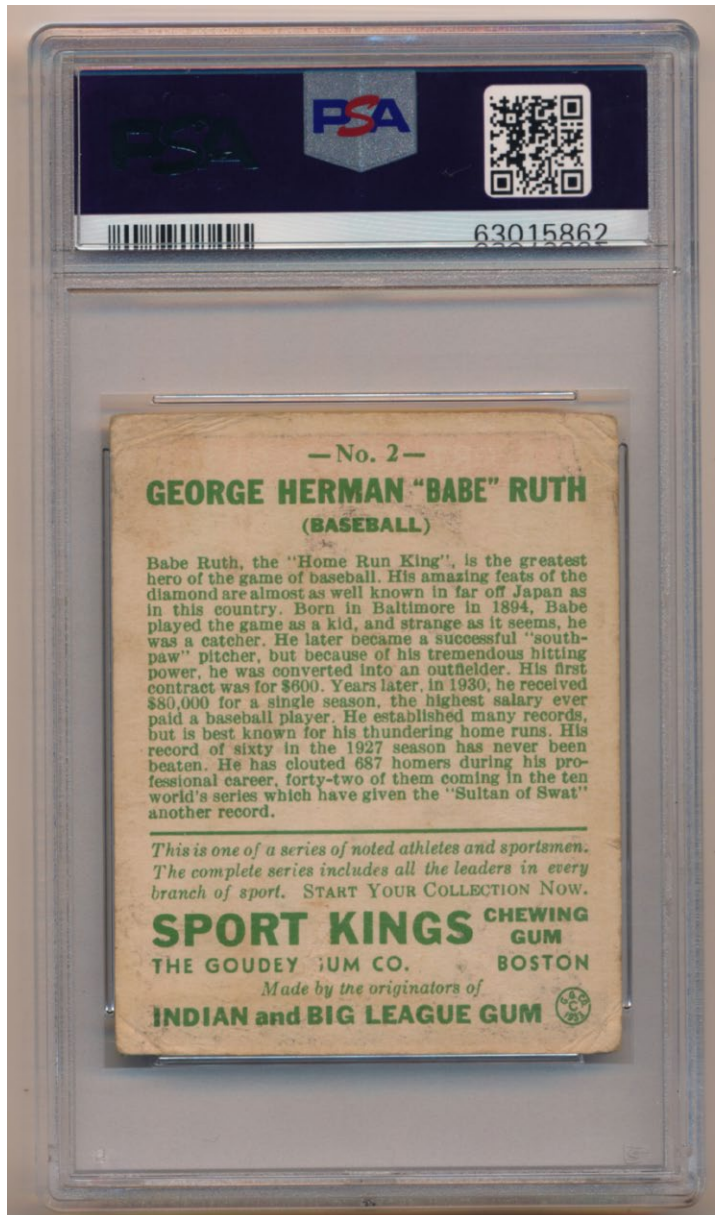

# Key Lots

9 1933 Goudey 181 Babe Ruth PSA 3.....3000  
 Really nice card, we thought this should be a 4. Freshly graded, this is well centered with rich color and a strikingly fine image. The surfaces are perfectly clean, the back looks great. We cannot see any creases or wrinkles, even under magnification. A truly superior card for the grade, something tells me this card will be moving up in the future. This is a truly superb card for the grade.

# Key Lots

10 1933 Sport Kings 2 Babe Ruth

PSA 2.....2000

The absolute key to this revered and beloved 1930s gum card set, this is one of the most classic of all Babe Ruth images. Presented in an ideal 2 grade, this card will appeal to a wide range of collectors. The card offers rich color and a superb image. The borders are clean, as is the back. Creasing that does not crack the paper, mainly by the top border, keeps this at a very attractive and pleasing 2.

# Key Lots

**11 1948 Bowman Complete SGC Graded Set (average 6.72).....3000**  
 Charming 48-card set, this is filled with key Rookie Cards, star players and nice cards. Often found with condition issues, the offered set is truly special. Every card is SGC slabbed, there are some seriously sharp and clean cards. Unlike so many other graded 1948 Bowman sets, this set is special as no key card is below a 6. An undervalued set with many key cards, this is probably a great item to sock away for a few years and see what happens with the market.

The exact grades of each card are as follows: 1 Elliott RC 5, 2 Blackwell RC 7, 3 Kiner RC 6.5, 4 Mize 5, 5 Feller 7.5, 6 Berra RC 7, 7 Reiser SP 6, 8 Rizzuto 7, 9 Cooper 5.5, 10 Rosar 5, 11 Lindell 8, 12 Sain RC 7, 13 Marshall SP 7, 14 Reynolds RC 7, 15 Joost 7, 16 Lohrke SP 8, 17 Slaughter 7, 18 Spahn RC 7, 19 Henrich 8, 20 Kerr SP 6, 21 Fain RC 7, 22 Bevins SP RC 6.5, 23 Jansen RC 5, 24 Leonard SP 7, 25 McCosky 8.5, 26 Shea SP RC 7.5, 27 Gordon RC 6.5, 28 Verban SP 6, 29 Page SP RC 6, 30 Lockman SP RC 7, 31 McCahan 7, 32 Rigney 7, 33 Johnson 8, 34 Jones SP 7, 35 Stirnweiss RC 7, 36 Musial RC 6, 37 Hartung 5, 38 Schoendienst RC 7, 39 Galan 6, 40 Marion RC 6, 41 Barney RC 6, 42 Poat 5.5, 43 Edwards 7, 44 Wyrostek 8, 45 Sauer RC 7.5, 46 Wehmeier 7, 47 Thomson RC 7 and 48 Koslo RC 8.

# Key Lots

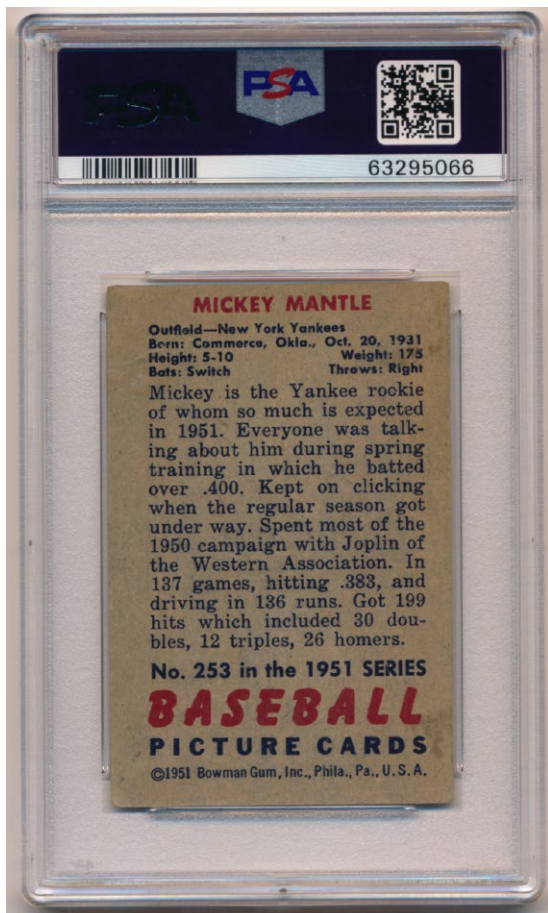

**12 1948 Leaf 3 Babe Ruth PSA 4.....1800**  
Freshly graded, this walked into the National, we thought it was more like a 6 than a 4. Well centered with four crisp corners, the image is remarkably fine and attractive, the color is superb. There are no print issues, the borders look great. This is the kind of card that stands out in a crowd. Extremely minute wear on the two back corners likely led to this awfully conservative 4 grade, the winning bidder should really enjoy this great looking card.

**13 1949 Bowman 50 Jackie Robinson Beckett 4 .....2000**  
Vital card of Jackie Robinson, this was likely issued in the same year as the 1948/1949 Leaf card that sells for such huge prices. Jackie's only MVP season and a key to a classic set, these are always very desirable. The offered card is a very colorful and nicely centered 4. The image of Jackie has superb color and is perfect. There are no creases, the surfaces are clean, as are the borders. The back is solid as well, mild and consistent corner wear keep this at a very pleasing 4 grade.

# Key Lots

## 14 1951 Bowman

253 Mickey Mantle RC      PSA 1.....2000

One of the ultimate baseball cards, these have naturally been appreciating very rapidly in recent years. The offered 1 punches well above its weight, with note to great color, a flawless image, clean white borders and a back with no stains.

The card has good eye appeal, but has the usual centering to the upper right corner. Creasing on the front keeps this at a one; the creases barely crack the paper and cannot be seen except under closer inspection of the card. If you want a nice looking Mantle RC with good color and eye appeal and do not want to completely break the bank, than this is worth taking a long look at. Overall this is a very, very fine card for the grade.

# Key Lots

15 1951 Bowman 253 Mickey Mantle RC PSA 3.5 (gorgeous).....6000

The ultimate baseball card to so many collectors, this is of course the true Mickey Mantle Rookie Card. The key card to one of the greatest baseball card sets, one can see why these have been appreciating so rapidly in recent years. The offered card is a real stunner. Freshly graded, this has fine centering, gorgeous color and a world class image. Strikingly fine, it would be hard to find a more visually appealing example of this important card. The borders are bright white and the back is perfectly clean. The corners are about Ex overall and look good. A very faint corner line by the lower right corner keeps this card at a truly world class 3.5. As nice as any scan can be, there is no substitute for holding such a visually stunning card in hand, this is truly very, very special for the grade and superb.

# Key Lots

16 1951 Bowman 305 Willie Mays RC PSA 3.....1500

One of the ultimate Rookie Cards of one of the very, very best players in all of baseball history, this is a strong 3. Much more like a 4 than a 3, there are no visible creases or wrinkles, even under magnification. The image has perfect color and clarity, there are none of the usual print lines. The surfaces are perfectly clean, the borders are white, the corners are Ex or so. Centered to the lower left corner, this is the best possible way to find one of the cards were it to be off-center. An exceptionally presentable Willie Mays Rookie Card PSA 3, there are many identical cards to this in 4 holders, this is a very fine card for the grade.

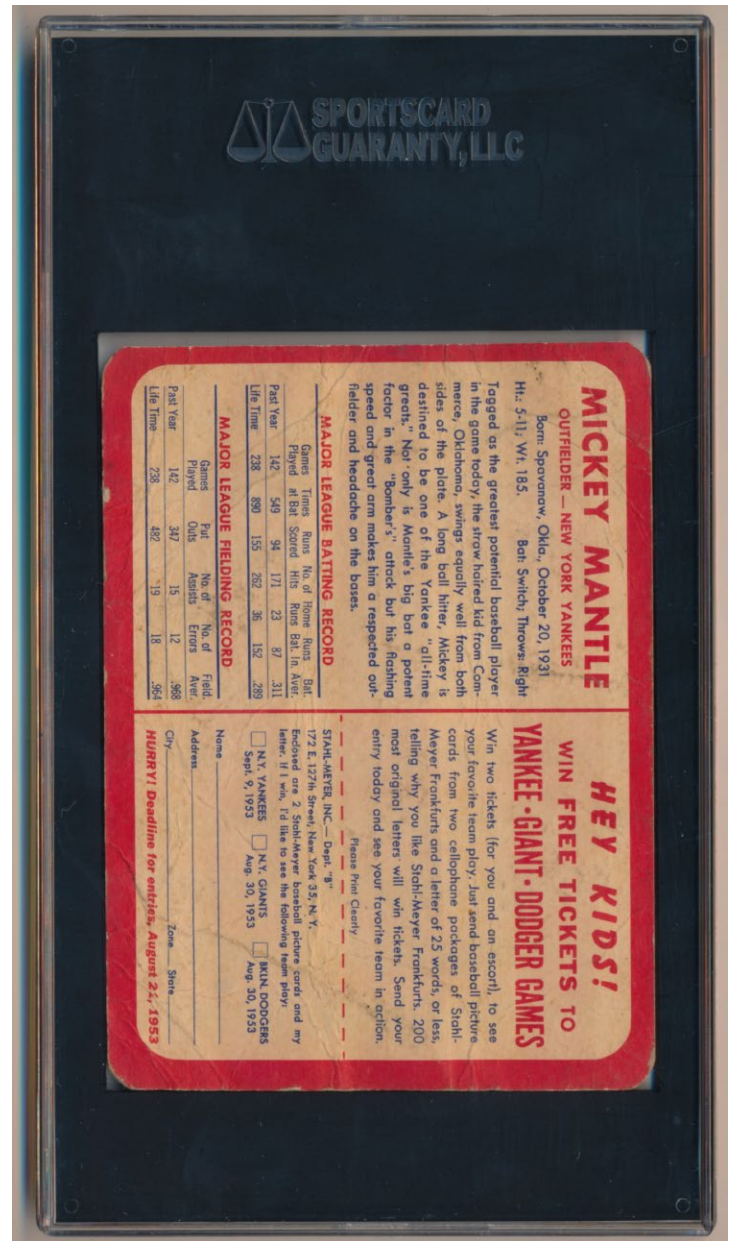

# Key Lots

17 1952 Star Cal Decal Mickey Mantle .....1500

One of the great early Mantle cards, these hardly ever come to market and are fought over with gusto by collectors when they come to auction, which is not very often! Fresh card, this has beautiful color, a vibrant red envelope and tremendous eye appeal. The Mantle decal has some stray print but otherwise appears to be flawless. The envelope has some of the typical wrinkles but has crisp edges and only light corner wear. I love the image of Mantle here with the great 1903-1952 patch on his left sleeve that you do not see on any of his other cards. A real gem, this is so much scarcer than his Topps and Bowman cards from this era, this is a truly special and beautiful Mickey Mantle card.

# Key Lots

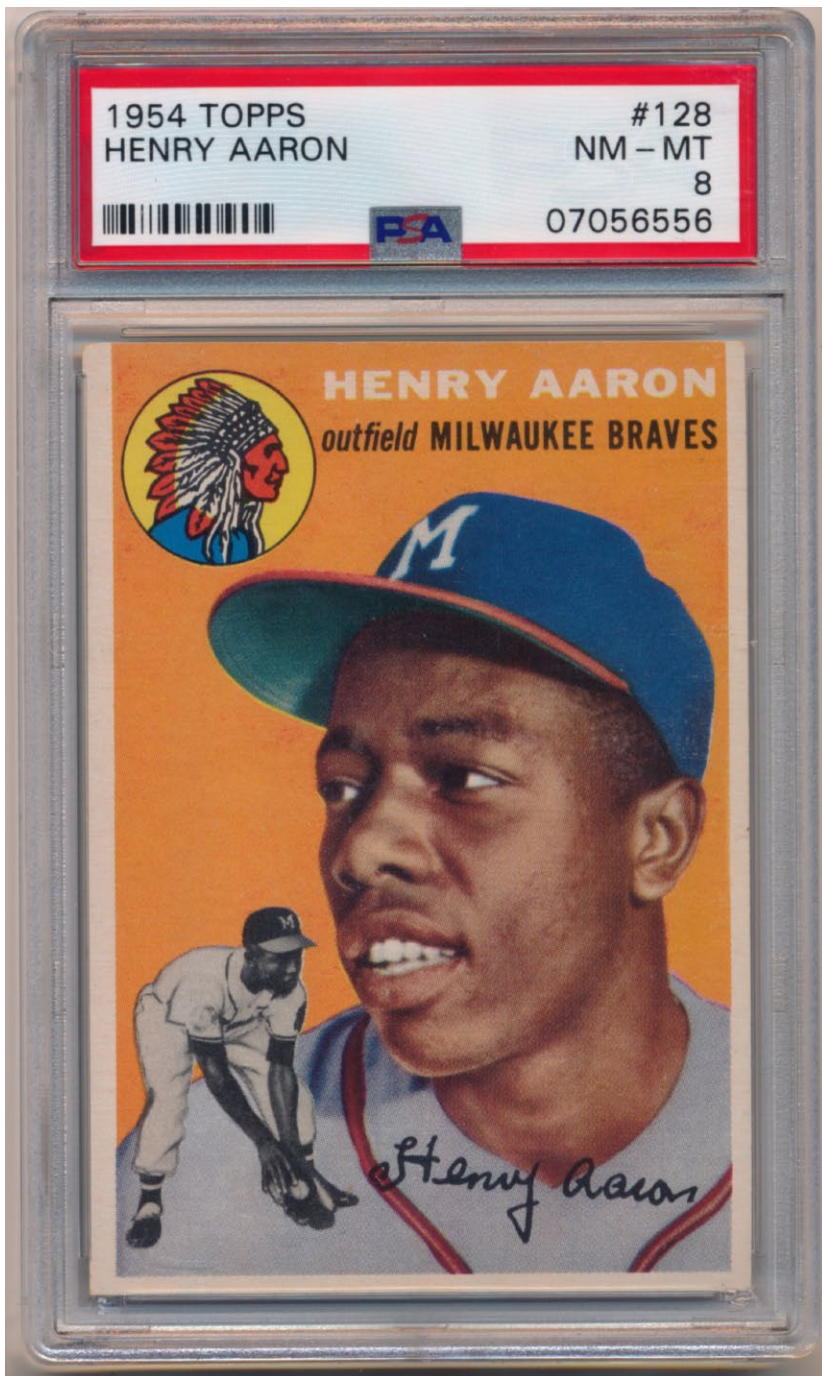

18 1953 Stahl Meyer Mickey Mantle

SGC 1 .....3000

One of the most classic of all Mantle oddball issues, Stahl Meyer Mantles are revered by advanced Mantle and 1950s oddball collectors. Scarce, super cool and so undervalued, these have been white hot in recent years. The offered card has a terrific image of a so young Mickey Mantle with perfect color and image quality. Alas, extensive creasing keeps this at a 1, but there is no back damage nor any technical flaws, the card displays well. Given the enormous prices key hobby cards have been trading it in any condition, one would think this card may well have some real upside beyond today's current market value.

# Key Lots

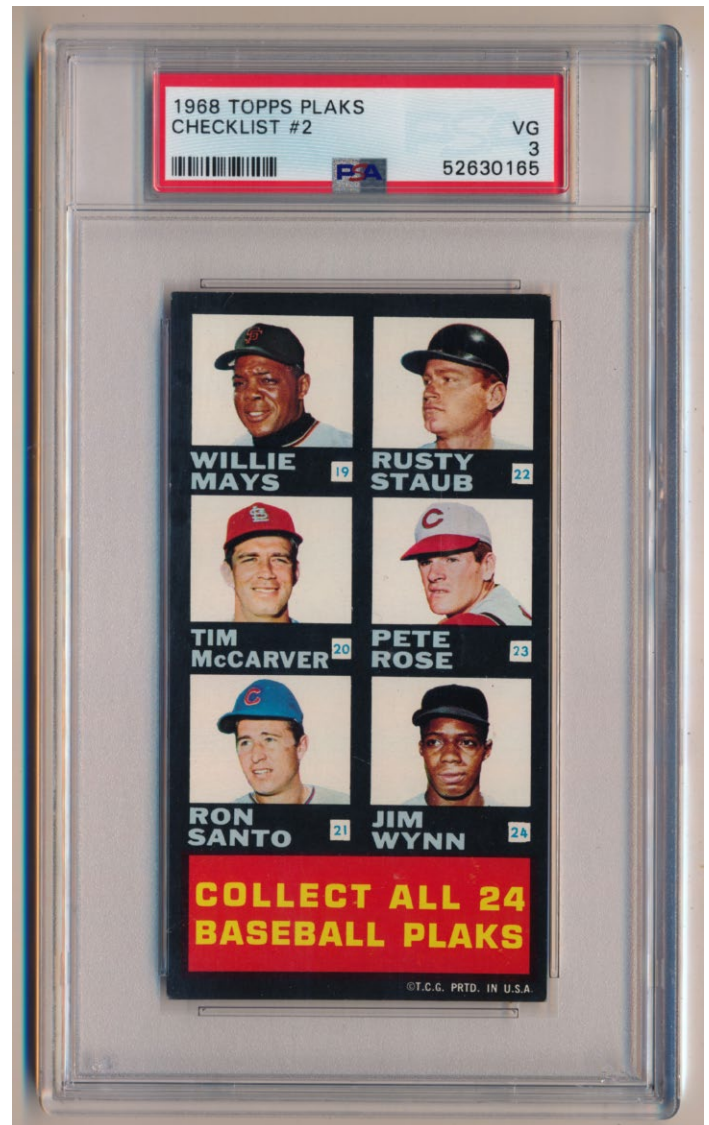

19 1954 Topps 128 Hank Aaron RC PSA 8.....5000

Hank Aaron's sad death last year brought a new found appreciation of his unbelievably great career and also his tremendous humanity. A truly great person in every way, his key cards have exploded in price, something long overdue, since the beginning of last year. The Rookie Card is of course the key Hank Aaron card! One of the most beautiful 1950s baseball cards, Topps did such a great job designing this instant classic card. Aaron Rookies are not rare, but they are awfully hard to find in PSA 8 holders. The offered lot has an absolutely gorgeous image. The color is superb, the borders are white, the face of the card is immaculate. The back, with its very condition sensitive color borders, is immaculate as well. The corners all come to sharp points, this has solid centering. A cornerstone baseball card, these have been appreciating steadily through all of the recent public sales, it will be interesting to see where these trade at in the coming years. This card has everything going for it in today's market.

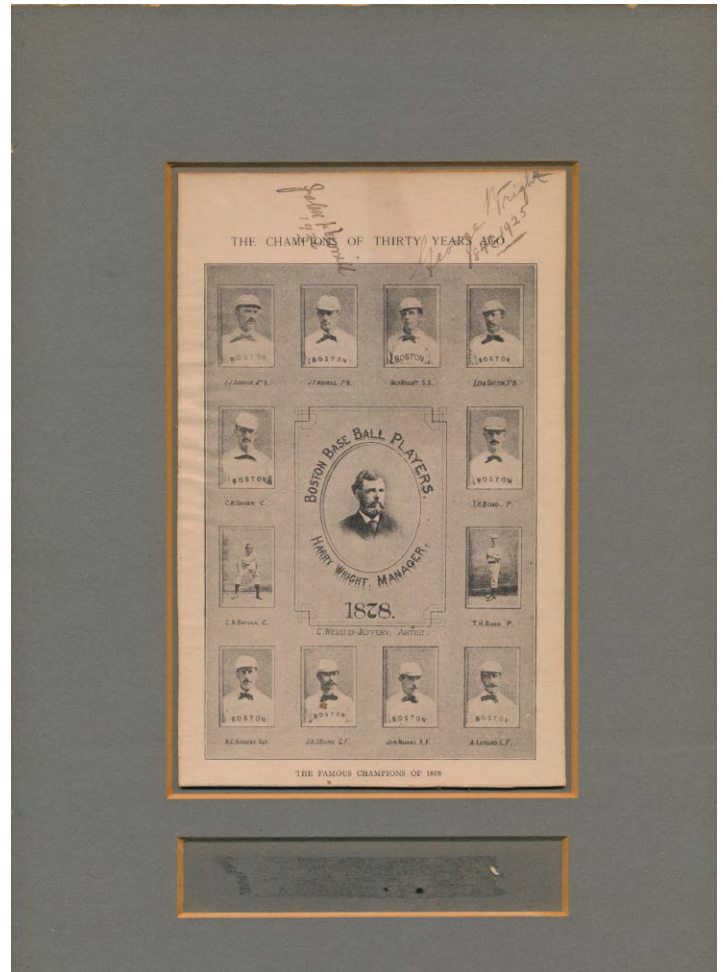

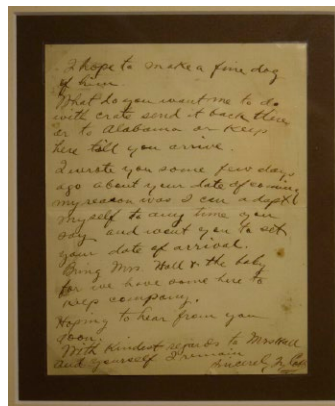

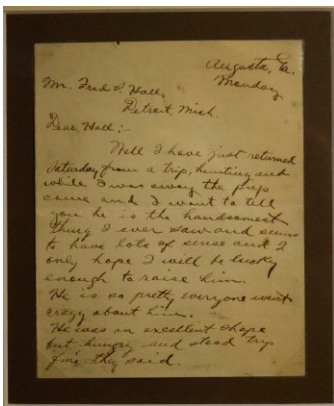

# Key Lots

- 20      1968 Topps Plaks Checklist  
          Checklist #1 (Mantle, Yaz, Killebrew etc)      PSA 2.....900  
 Extremely scarce Topps test issue, these hardly ever come to market and are especially difficult to find with numerical grades. Freshly graded by us, this is an awfully nice card for the grade. One of the tougher 1960s Mantle Topps test items, this has four reasonably crisp corners and vibrant black borders. An ideal 2, a small gouge on the corner of Max Alvis and a slight crease by Jim Fregosi are the issues here, this might otherwise be a 5. The other HOFers include Yaz, Killebrew, Frank Robinson, Hunter and Kaline. These have been selling for huge prices in recent years, great card, this will be a tremendous value for the winning bidder with the small technical flaw.
- 21      1968 Topps Plaks Checklist  
          Checklist #2 (Aaron, Clemente, Mays, Rose)      PSA 3.....900  
 Extremely scarce Topps test issue, these hardly ever come to market and are especially difficult to find with numerical grades. Freshly graded by us, this is an awfully nice card for the grade. Well centered with beautiful color and vibrant black borders, this looks great. The corners come to points, the surfaces are clean, a slight nick on Richie Allen's image keeps this at a 3. Very scarce and desirable issue, this is needed by advanced Aaron, Clemente, Mays and Rose collectors, which is a sizable market. Great card.

## 22 Letter Cobb, Ty (framed, superb)

9.5 .....1500

Stunning Ty Cobb autographed display piece, this is a truly museum quality presentation. Checking in at a robust 34x36, this has a superb 29x19 b/w repro photo of Ty Cobb sliding. The value here is in the very desirable two-page ALS. Very early Ty Cobb letter (1/3/1915), this is written to a Fred Hall of Detroit, Michigan. This is a very interesting letter as it shows a very different side of Ty Cobb's always complex personality. Cobb gushes over a new dog in this letter ("he is the handsomest thing I ever saw..."). Signed Ty Cobb at the close, this is really nice. Please note each page of the letter measures 5 x 6.5. JSA LOA (full).

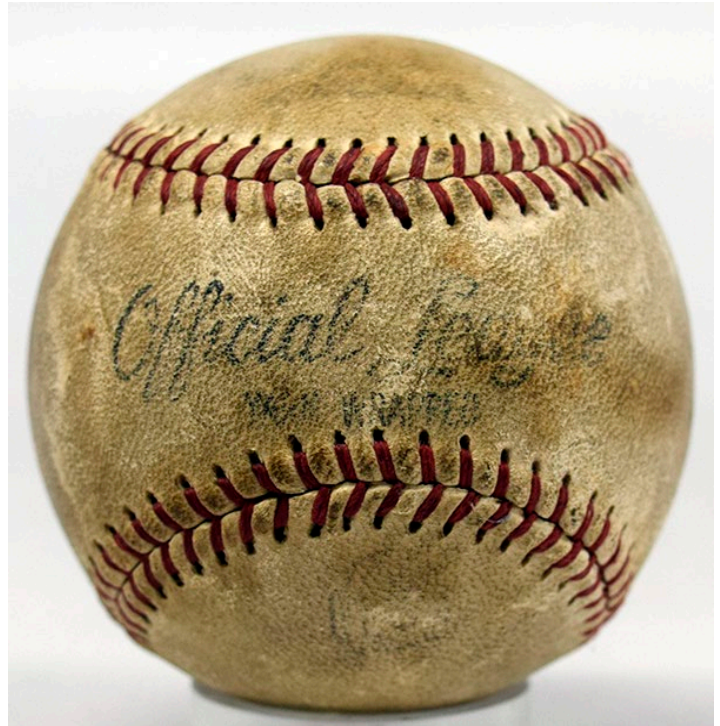

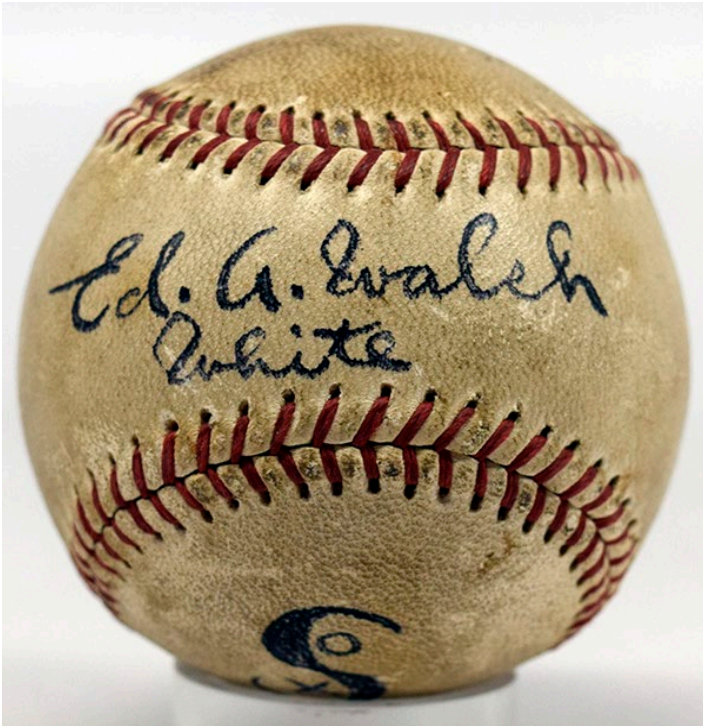

## 23 Photo Wright, George Signed Print

9 .....1500

Offered is a truly remarkable item, this is a 4.5 x 7.5 print of a composite photo of the 1878 Boston Red Stockings Baseball team. Mounted onto board, this comes with a typewritten page with all sorts of wonderful detail about this Championship team. What makes this very special is that it is signed by vital early baseball HOFer George Wright and team member John Morrill. The signatures are both in the top margin in solid black fountain pen ink. It is almost profoundly rare to find the signature of George Wright (D'1937) on any type of image, he is almost exclusively found on documents. The signature of John Morrill (D'1932) is also a terrific thing to find on a team image. Remarkable item, if you collect Hall of Famers on signed photos, you will want to take a long, long at this true treasure. Superb. JSA LOA (full).

# Key Lots

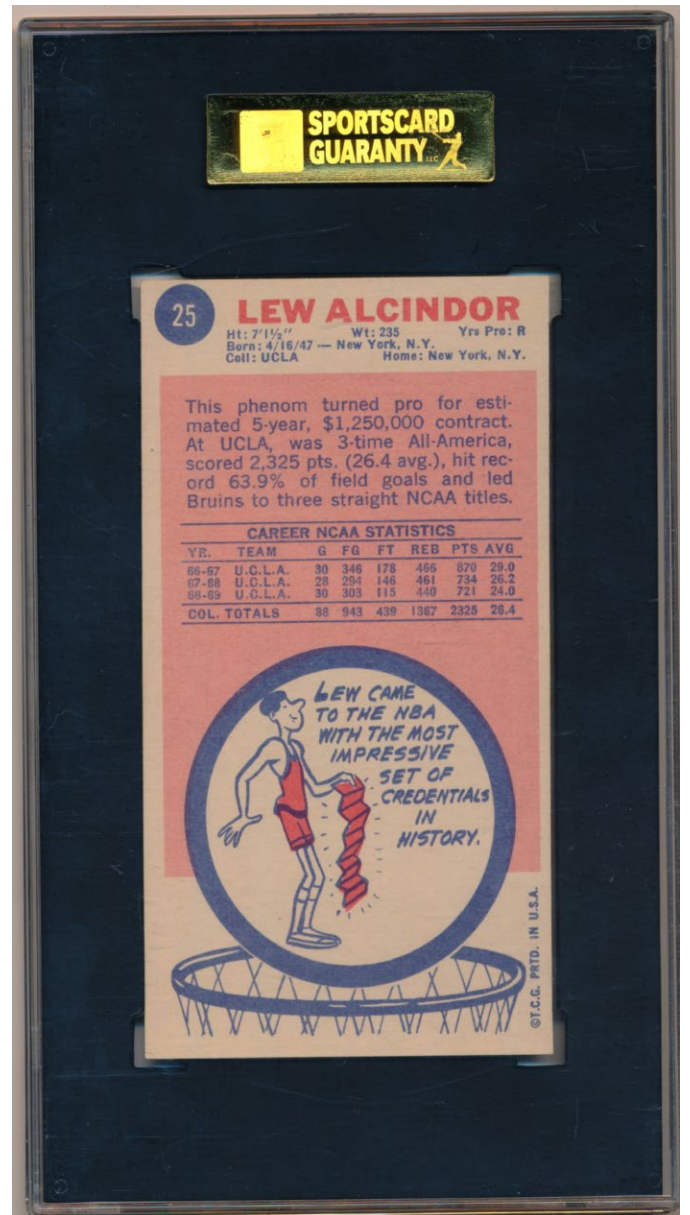

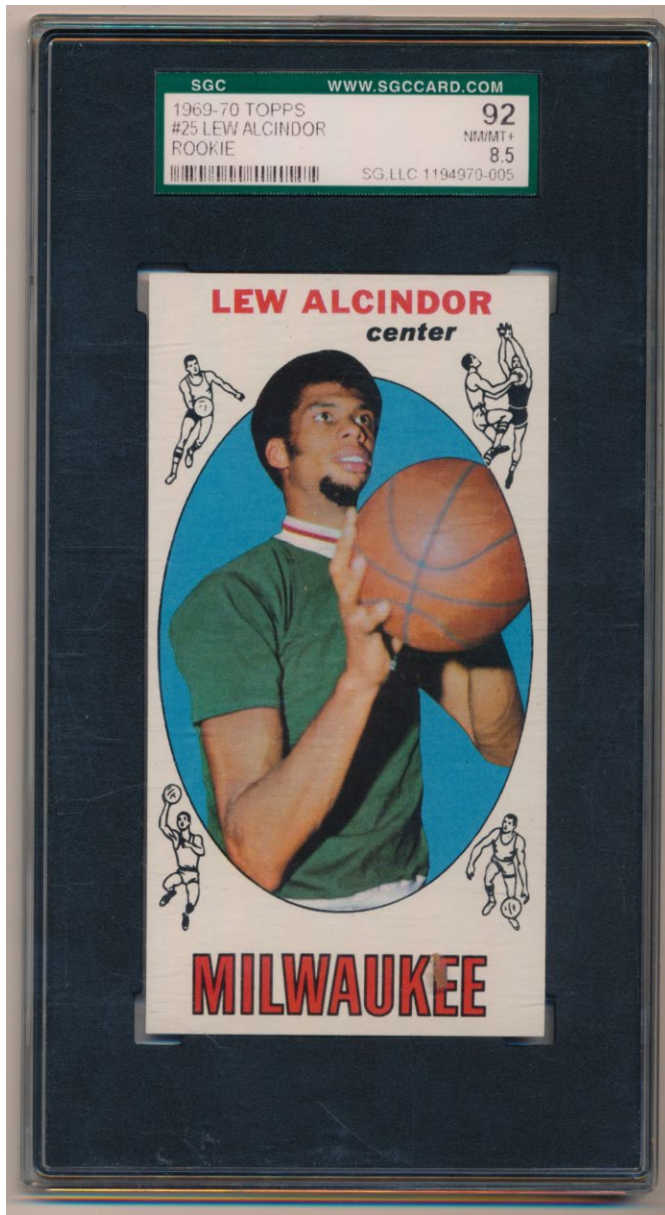

24 Ed Walsh (extremely rare)

8 .....1500

Deadball star and underrated HOF pitcher, Walsh has some of the flashiest stats in baseball history. Walsh died in 1959, and is extremely rare on a single signed ball. It is possible that only around ten are known, but we cannot be certain of this.

The offered ball is a mildly toned Official League model. The sweet spot is signed Ed A. Walsh White in bold black fountain pen ink. The extremely high quality autograph contrasts nicely against the ball. The Sox logo appears on the south panel of the ball. According to the JSA LOA, the Sox logo was done in Walsh's own hand, making this even more special! A truly great single signed ball, worthy of the finest hobby collections, this could be a signature addition to any serious single signed ball collection. Superb. JSA LOA (full).

# Key Lots

25      1969   Topps   25      Lew Alcindor RC      SGC 8.5.....2000

A vital basketball card, Kareem Abdul Jabbar was such a historic star coming out of UCLA that Topps started making basketball cards again to capitalize on his fame. The key to the set, offered is a razor sharp card. Super clean, this has pristine white borders, perfect color and a superb image. The corners are all quite sharp, this is centered ever so slightly to the left border. With PSA 8s trading at an average of \$35,000 as of 12/10/2021, this seems like a very good card to look at in this market. The condition really is remarkable here.

# Key Lots

**26 1997 Press Pass Double Threat Tim Duncan/David Robinson Signed Card (71/100).....1500**  
Offered is a truly great card. Revered by signed card collectors, this is the kind of little treasure that no one ever wants to let go! These have hardly ever traded hands publicly and one can certainly understand why! A truly special card (numbered 71/100), this is a signed Rookie Card of legendary HOFer Tim Duncan on one side, with his beloved HOF teammate David Robinson on the other. Each added their number and Robinson his usual Biblical inscription. PSA graded the card itself a Near Mint 7 and both auto-graphs a 9. Freshly graded, this gem walked into our office and is completely fresh to the hobby. With Tom Brady /100 unsigned Rookie cards selling for millions, what is this worth? Happy bidding!

**27 2019 SP Game Used 3 Star Swatches Michael Jordan/LeBron James/Kobe Bryant (27/125) Beckett 6.....1200**  
Terrific modern card, this one is one of very few cards to pair three of the GOATS on one card. Limited edition card, this has rich color and pieces of uniforms from these three legends. Sharp and colorful card, Beckett graded the corners a 9, centering 9.5, edges 9 but the surface a 5. We do not see the surface wear that they are referring to. It will be interesting to see where this little treasure ends up!

Great lot, our consignor, a connoisseur of non-sports cards, spent years building and assembling this hefty set. Checking in at 176 cards, we believe this to be the number five set on the registry. Great looking set, the breakdown by grade is as follows: PSA 9 (8), PSA 7.5 (9), PSA 7 (110), PSA 6.5 (3), PSA 6 (43) and PSA 5 (2). Who wants to own a great fully slabbed set, we will have an exact inventory on our website.

## 30 1911 M116 Sporting Life

Collection of 36 different slabbed cards ..... 350

Mixed grade lot of this extremely attractive and overlooked early 20th century issue, these are great looking cards. ## 29 1909 T206

121 different commons

Good - GVG.. 1000

An excellent start on a T206 set, ungraded lots like this are so hard to find in today's market. Culled from a large collection, the backs are basic, the condition is reasonably consistent but of course varies (technically these range from Poor to VG). We cannot guarantee that every card will get a numerical grade. The backs are all Piedmont 150s and 350s. An exact listing will be on our website, this is a very solid and pleasing lot for the grade.

## 31 1911 M116 Sporting Life

Collection of 47 different w/4 HOFers ..... 250

Generally very rough condition lot, there are about eight cards that appear to be Ex or better and much nicer than the rest of the lot. Several cards have back damage, some have chipping, it is definitely a collector grade lot. Nonetheless, this is still a nice portion of a very attractive, uncommon and undervalued early 20th century set. The better cards in the lot are four HOFers: Duffy, Evers, Griffith, Waddell and Jordan, McQuillan blue back variations. We will have a full inventory on our website.

We will have front and back scans of every card on our website. Of course we cannot guarantee every card here can receive a numerical grade, but the percentage should be very high, we removed any cards with obvious issues.

49 1954 Bowman Complete Set VG to VG-Ex. 1000 Undervalued set, this is from a hobby old timer. Pleasing and consistent VG to VG-Ex set, there are a few cleaner cards scattered about, nothing needs to be upgraded here. We sent the Mantle into PSA recently, it is well centered with no visible creases, very subtle surface wear by the upper right corner led to the rather harsh 2 grade. We grade the key cards as follows: 1 Rizzuto GVG ctd, 6 N Fox VG-Ex, 15 Ashburn VG-Ex/Ex, 58 Reese VG+, 64 Mathews VG+, 65 Mantle PSA 2 (tough grade), 66.2 Piersall VG, 89 Mays PSA 4.5, 90 Campanella VG+, 101 Larsen RC VG+, 132 Feller VG-Ex/Ex, 138 Hodges VG, 145 Martin VG-Ex/Ex, 161 Berra VG-Ex/Ex, 170 Snider Ex and 177 Ford VG-Ex/Ex.

Wagner, Young, Gehrig, Hornsby, Foxx, Ott, Dean, DiMaggio, Greenberg and Jackie Robinson. Great cards, so elegant, these seem so undervalued compared to what Topps cards from this era trade for. Solid lot.

53 1955 All American Sports Club Complete Stamp Set on Uncut Sheets w/Mantle..... 900 Very unusual mid-1950s set, these hardly ever come to market. Anchored by a very desirable Mickey Mantle card, three slabbed examples in various grades have traded above \$4,000 in 2021. In addition to Mantle, there is a very tough Ted Williams card and better cards of Jackie Robinson, Roy Campanella, Mays, Reese, Doby, Mathews, Berra, Ashburn, Musial, Kaline and Fox. Loaded set has additional HOFers and stars beyond these great names, this is the first time that we have ever seen or handled one of these. ## 68 1969 Topps Complete Set

Ex-Mt ..... 300

Interesting set, there are many commons with major centering issues and also some of the stars. However, there are also many beautifully centered cards, including the Jackson RC, Mantle, Ryan, Clemente and Mays. A sharp set overall, this has some great potential with the fine key cards; given the year and availability, it should be a totally manageable project to fix the centering issues here. The fine keys provide for some real value here, we grade them as follows: 20 Banks Ex-Mt+, 50 Clemente NM well ctd, 95 Bench NM oc, 100 Aaron Ex-Mt+, 120 Rose Ex-Mt, 130 Yaz Ex-Mt+, 190 Mays Ex-Mt+ ctd, 255 Carlton Ex-Mt, 260 R Jackson RC Ex++ ctd, 480 Seaver NM oc, 500.1 Mantle Ex, 510 Carew Ex-Mt, 533 Ryan Strong NM, 550 B. **110 1887 N370 Lone Jack Bob Caruthers GAI 1.5 ..... 100**  
Rare 19th century issue, the card has some odd wear on the back, there may be something going on here as we could not cross the card over. The front has a light image and is fully presentable, this might be a good thing to crack out and examine more closely but we offer no guarantees and this is being sold strictly as-is.

**111 1889 N338-2 S.F. Hess Curt Welch PSA 1 ..... 200**  
Great 19th century issue, these hardly ever come to market. The offered card has a fine photo and displays very well. Interesting tidbit, Welch played for the Athletics in 1889 and for the Browns in 1887, so the card company must have used an older photo. There is no paper loss on the back, but a scrape by the lower left corner on the front and wear at the top two corners keep this at a rather pleasing 1. This is an outstanding type-card

**112 1903 E107 Bernhard SGC 1 ..... 240**  
One of the rarest early 20th century sets, these are revered by collectors. A fully presentable 1, this is freshly graded. Creasing and corner wear keep the grade low, but there are no technical flaws and the back is fine.

1903 W601s

**115 Chicago Cubs ..... 175**  
Great piece, this might be the earliest appearance on any collectible card of Tinker, Evers and Chance. Quite clean and fine, this has typical wear on the left edge but is otherwise nearly flawless. Rarely offered, this should be an extremely popular lot.

**116 Chicago White Sox ..... 120**  
There are no HOFers here, but any advanced White Sox collector would surely love to add this to their collection. Full size with no rips or tears, there is some subtle staining, this is quite clean overall.

**117 Cincinnati Reds ..... 120**

Fine imagery, this has a closed tear and typical wear at the left edge. This very early Phillies item is otherwise crisp and clean, with great eye appeal.

131 Los Angeles w/Dummy Hoy..... 150  
Rare team composite of a PCL team, this is the first one that we have ever seen or handled. Full size with no rips or tears, the condition is quite clean overall. Aside from its inherent scarcity, this is notable for the appearance of cult favorites Dummy Hoy and Gavvy Cravath.

132 Lowell..... 60  
Very scarce Minor League team, this has some staining and a closed tear by the bottom border, the images all look great.

133 Memphis ..... 60

1904 W601

134 Pittsburgh Pirates w/Wagner ..... 120

138 1906 Fan Craze Jake Beckley PSA 7..... 100  
Neat card, you have to love the great photo. Early 20th century HOFer, he has hardly any cards, this is by far his most attractive card in our opinion.

139 1907 Novelty Cutlery Postcards  
Collins, Eddie PSA 3..... 750  
Very scarce and desirable postcard issue, these are great looking cards. A tough card of underrated HOFer and 3,000 hit club member Eddie Collins, this is a fine card for the grade. Well centered with consistent corner wear, there is hardly any creasing. Unmailed, the back is reasonably clean, the card is a solid 3 overall.

140 1909 E95 Honus Wagner PSA 1..... 750  
Classic caramel card of Honus Wagner, this is not bad at all for the grade. Reasonably well centered, this retains good color and a nice image. There is creasing and a fair amount of corner wear, the back has no damage. This is a pleasing and fully acceptable 1 that is visually superior to most that trade.

141 1910 Rare Uncataloged Honus Wagner Card..... 500  
Offered is a Honus Wagner card that we have not seen before. Unquestionably vintage, we did not send this into a grading service. The offered card is on medium cardboard stock. The image is of Wagner batting with a somewhat ornate border with bats and an orange border. Handcut, this may have been part of a larger piece or some type of candy card. The card measures  $1 \frac{5}{16} \times 2 \frac{3}{4}$ , which is standard for cards from this era. The back is blank, with the image displaying partially through. There is some creasing, the corners are not bad at all; if this was a standard card it would probably grade Good. Priced at \$12,500 by the person our consignor obtained this from, who wants to take a chance on something potentially super rare or 1/1 special?

The key to this great set, this is a classic Ty Cobb card. Seemingly a bargain compared to his T206 cards, the offered card has bright color and a solid image. There is a crease by the top of the card, wear is noticeable at the lower left corner, the gold borders are otherwise pretty solid. The back is clean save for one crease. This is a quality card for the grade.

145 5 Sam Crawford PSA 4.5..... 700  
Gorgeous T3 HOfer, the image and color are perfect. Great looking card, the corners show only very light wear, the surfaces are quite clean. Corner lines by one corner on the back likely led to the 4.5 grade, this will be an upgrade for almost all of you.

# Baseball Memorabilia

555 1878 Gorgeous Oversize Team Cabinet Photo..... 450  
Offered is a truly beautiful baseball cabinet photograph. Identified on the mount as the 1878 METEORS baseball team of North Attleboro, Massachusetts, this displays incredible clarity, the photograph pictures ten players all of whom are identified on the mount wearing period bib uniforms, high top shoes, bow ties, pill hats and most significantly a player holding a period lemon peel baseball and another player holding what is most certainly one of the first manifestations of a catchers mask (they had only just been patented by Harvard baseball player Frederick Thayer earlier that year). There are condition issues on the edges, the total size is 12x10. This is very likely a one-of-a-kind or near such piece.

556 1911 Chicago Cubs Panoramic Print ..... 600  
Titled A Yard of the National Game Record-Breaking Cubs, this gorgeous piece checks in at 17x48 as framed. Folded at one time, there is some general wear present and some foxing, still this displays quite well overall. In what may be the original frame, we do not believe the frame itself to be seaworthy, so it will be removed when shipping unless specifically requested or picked up in person. Great design work, there are pictures of all 26 team members, each identified just below their image. The HOFers are the famed trio of Tinker to Evers to Chance and Mordecai Brown. This is such an evocative item, yet a tobacco card of just one of these players in mid-grade condition will cost more than this special and beautiful display piece, amazing!

557 1912 Ty Cobb Full Size Decal Bat ..... 200  
Terrific piece, offered is a full size 35 inch long original circa 1912 decal bat. This is special as it is Ty Cobb. The decal is about 65% present, the rest has been lost to wear as is typical. The rest of the bat has a very attractive natural wood patina and displays quite well.

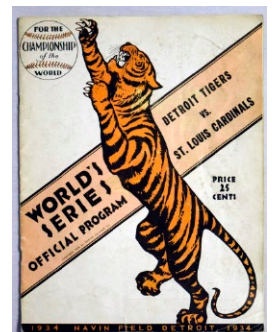

558 1924 World Series Program  
At Giants Good ..... 200  
Unscored, this has a tight spine. Folded, there is slight paper loss on Bucky Harris's image, this otherwise displays well, with good color and clean white borders.

559 1924 World Series Program  
At Washington VG ..... 130  
Charming 1920s World Series program, this has a much more interesting visual format than the other programs from this era. Featuring full page images of the Senators players, the offered program is scored in pencil. General wear and a stain at the lower right corner keeps this in the VG range.

560 1933 Pin  
Washington Senators World Series Ex-Mt..... 200  
Very scarce and attractive pin, this is a 1 3/4 inch pin with a vibrant red border. HOFer Joe Cronin is at the top center, this has only slight wear and displays very well. The only public sale that we found for this pinback was for \$950.

561 1934 World Series Program At Detroit VG..... 100  
Elusive 1930s WSP, this has good color and strong eye appeal. The cover has some stray creasing and general wear, it has been folded at one time. The spine is not bad at all, this is scored in pencil.

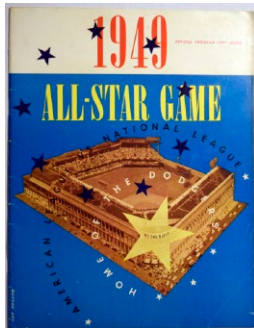

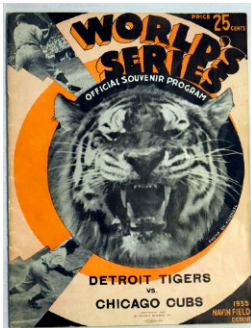

# Baseball Memorabilia

562 1935 Pennant Detroit Tigers World Series..... 100  
Great pennant from the 1935 World Series, these are almost certainly rare. Nicely colored in Detroit Tiger orange, there is damage in one spot by the extreme right tip, this has the tassels and otherwise looks quite nice. The pennant measures 29 inches long and has crisp edges.

564 1947 Pennant Brooklyn Dodgers ..... 200  
Very scarce pennant from the historic Brooklyn Dodger's 1947 season, we cannot remember the last time we saw one of these. Slightly faded but clean, the pennant measures 23 inches long. Simply designed, there is a presumed pin-hole at the right tip, this displays well.

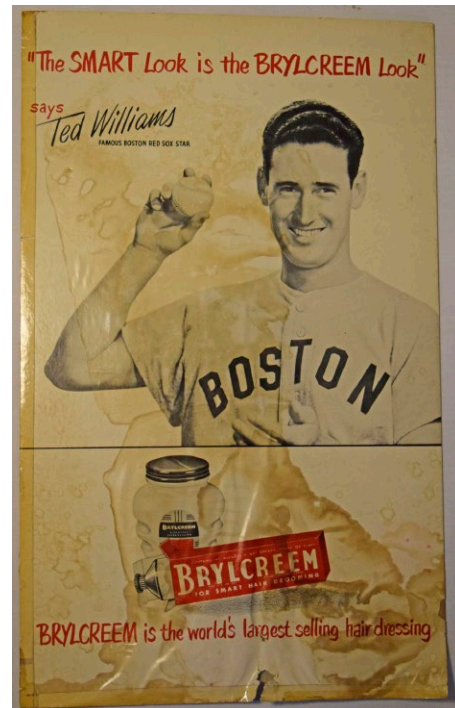

563 1935 World Series Program  
At Detroit VG-Ex/Ex ..... 100  
Scored in pencil, these usually have major condition issues. Solid mid-grade program, this has only mild general wear and displays very well.

565 1949 All Star Game At Ebbetts Field VG ..... 175  
A key All Star Game program, these are extremely desirable as it was the only All Star Game played at Ebbetts Field. Scarce program, the offered lot is a technical VG but punches well above its weight. A slight crease by the lower right corner is the only real flaw here. The program retains superb original color, is unscored with truly immaculate interior pages and has sharp corners. This is a really nice pub.

566 1955 Photo Brooklyn Dodgers ..... 120  
Terrific 10x12 larger format original photo of one of the ultimate baseball teams, this is a real keeper. The image quality is superb, Jackie is standing regally at the upper right corner. There is a Daily Mirror stamp on the back. Some general wear is present, this displays really well.

568 1957 Ticket  
New York Giants Final Game at Polo Grounds ..... 270  
A poignant item, offered is the final game for the New York Giants. The Giants famously departed forever for San Francisco in 1958, creating a rarity. Remarkably crisp, clean and sharp, this is a gorgeous condition ticket. The corners are sharp, the ticket has vibrant color and a fresh feel, there is a very, very subtle minute paper wrinkle that can be felt rather than seen, this is a seriously fine condition ticket.

567 1950s Ted Williams Rare Brylcreem  
Advertising Display Piece ..... 300  
Rare 1950s sign, this has a huge b/w image of Ted Williams promoting this hair grooming product. Hardly ever offered, this sign measures just over 14 x 23. There is extensive staining and some damage at the very bottom border, but this still has some solid display value. Ted Williams advertising display pieces of this size are extremely hard to find and priced by Ted Williams and 1950s baseball memorabilia collectors.

# Baseball Memorabilia

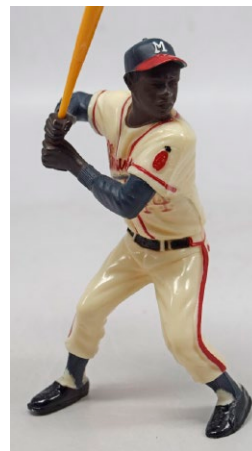

569 1957 Mickey Mantle Switch Hitter Indoor and Outdoor Batting Practice Set..... 120  
Circa 1957, this was manufactured by the Irwin Corporation. The non operable contents appear to be completely intact with instructions to this boxed set which pictures Mickey Mantle on the die cut lid which can be displayed open with the name 'Mickey Mantle's 'Switch Hitter' on the lid and on 3 sides of the (GIVE MEASUREMENTS'..) box. Scarce, this is the first time that we have handled one of these and we believe it to be complete.

570 1959 Wilson Youth League Cardboard Advertising Sign w/Ted Williams, Nellie Fox and Gil Hodges..... 240  
Offered is a super cool true 1950s cardboard advertising store display piece. This measures nearly 20 x 14 and is complete with the easel on the back. Bright and colorful, the wear is mainly on the Wilson mascot at the top, this retains bright color and vivid imagery. Wilson did a good job picking player endorsements, the content is as follows: Ted Williams, Gil Hodges, Billy Martin, Nellie Fox, Johnny Antonelli and Harvey Kuenn. Super fun and affordable piece of 1950s memorabilia, the winning bidder should really enjoy this little treasure.

571 Dark, Al 1959 Game Used Bat ..... 100  
From the 1959-1960 labeling period, this is a handsome pro model bat. The bat measures 34.25 inches and weighs 30.9 ounces. The PSA LOA describes the bat as having light use and a repaired handle crack. Quality player, former All Star, nice bat.

572 1960 Bobbin Head Mickey Mantle ..... 200  
Classic nodder, these seem so cheap compared to his cards. Bright and clean, there is one tiny nick on Mickey's cheek, this otherwise looks great. The base is clean with no chips, the retains bright original color and displays extremely well.

573 1960 Hartland Aaron, Hank Nm-Mt..... 150

## Basketball Cards

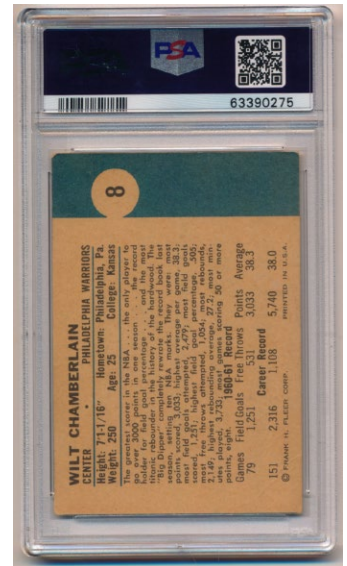

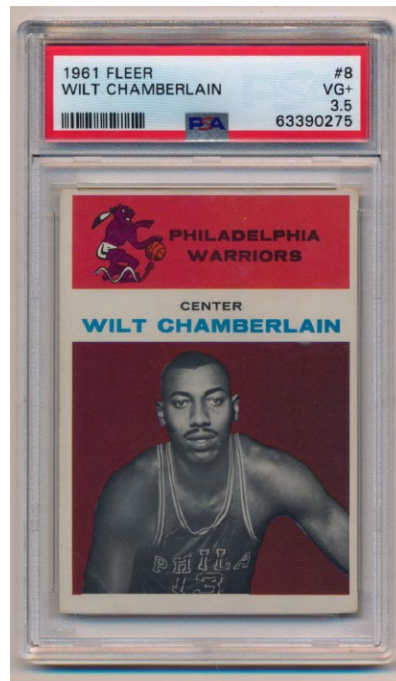

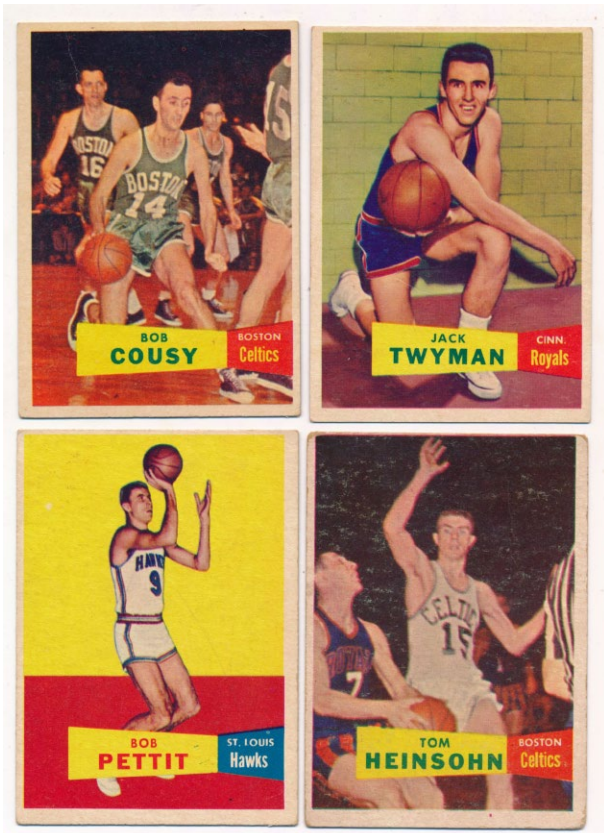

855 1948 Exhibit George Mikan RC SGC 5 ..... 600  
Very undervalued card of the historic HOFer George Mikan,  
these are not easy to find in this quality. Quite clean over-  
all, the surfaces are immaculate, the image is superb. Fine  
5, very slight corner wear on the bottom two corners is the  
only issue here.

856 1951 Berk Ross Bob Cousy RC PSA 5 ..... 500  
The true Rookie Card of the great Bob Cousy, PSA was very  
tough on us here. Crisp card has four square corners and  
super clean surfaces, the image is spotless. Centered to the  
top border, we feel this should have been a 6.

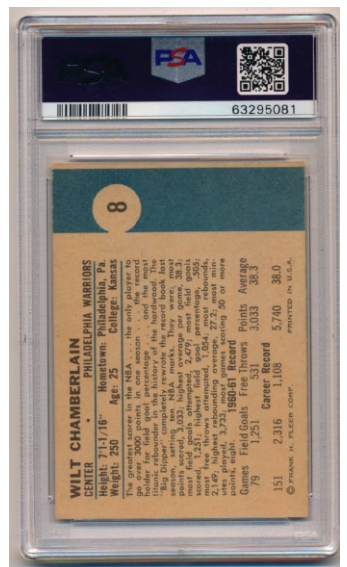

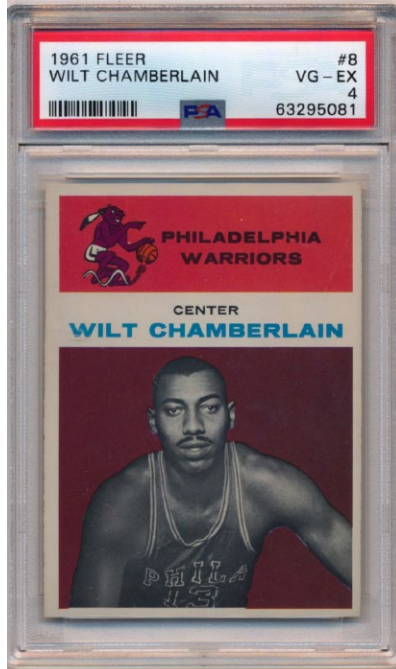

# Basketball

857 1957 Topps Complete Set w/o Russell VG-Ex ..... 900  
The first Topps basketball set, while not rare, these cards seem so undervalued. Loaded with stars and good names, this is an outstanding value lot. The key cards grade individually as follows: 1 Clifton VG-Ex, 5 Sharman RC GVG, 13 Schayes RC Ex, 15 F Ramsey VG-Ex/Ex, 17 Cousy RC Good, 19 Heinsohn RC GVG, 24 Pettitt RC VG+, 27 Macauley VG-Ex/Ex ctd, 28 Mikkelsen VG-Ex/Ex, 32 John/Red Kerr RC Ex++, 37 Hagan RC VG-Ex/Ex, 39 Lustocoff Ex, 40 Risen VG-Ex/Ex, 42 Stokes RC Ex++, 43 Hundley Ex-Mt, 44 Gola VG, 48 Rosenbloom Ex-Mt+, 71 Twyman RC VG-Ex/Ex, 78 Lovellette Ex and 80 Schnittker VG+ ctd.

858 1961 Fleer 8 Wilt Chamberlain RC PSA 3.5 .... 800  
Absolutely vital Rookie Card of this legendary NBA HOFer, this is such a great card. Offered is a terrific 3.5, with respectable centering, beautiful color, a strikingly nice image and hardly any creasing. The borders and surfaces are clean, the corners are not bad at all. There is one slight back crease by a corner, this displays awfully well for the grade. This is a real keeper.

859 1961 Fleer 8 Wilt Chamberlain RC PSA 4 ..... 800  
Beautiful 4, this looks like a very tough grade. Well centered for a Chamberlain RC, this has beautiful color and super clean surfaces. The borders are white, the back looks great, the image could not be any nicer. The corners come to points, a corner line at the very tip of the lower right corner may have led to this very tough 4 grade. Great looking example of this absolutely vital basketball HOF Rookie Card, the winning bidder should really enjoy this terrific card.

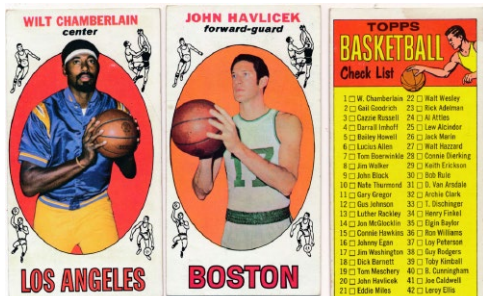

# Basketball

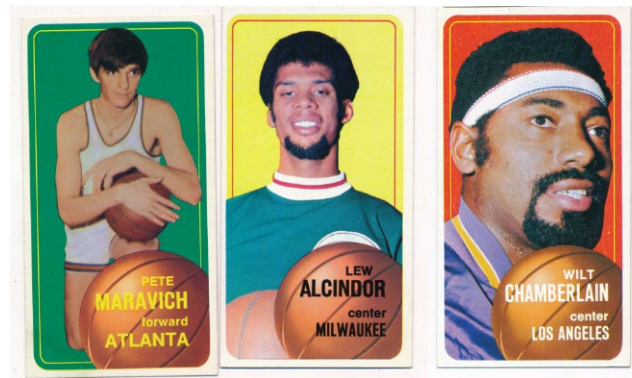

860 1961 Fleer 36 Oscar Robertson RC SGC Authentic 100  
Clean card has no visible creases, good color and excellent centering. The corners are mid-grade, this does not look to be trimmed. Possibly cut short at the factory, we are not sure why it came back with an Authentic grade.

Key card, these have been hot as people realize that these are all Rookie Cards. Well centered with square corners and clean white borders, the image is fine, this is a terrific 6.

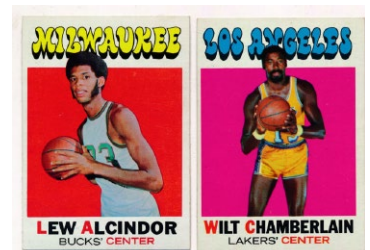

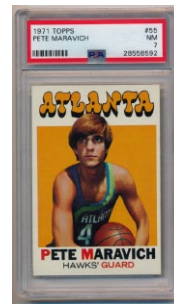

862 1969 Topps 25 Alcindor RC PSA 4..... 650  
Vital NBA HOF Rookie Card, this is a great card. Offered is a very solid mid-grade example, this card has crisp corners, great color and bright white borders. This graded a 4 due to typical centering to the right border and a very fine surface crease by the bottom border.

863 1969 Topps Very Near-Set (87/99) VG-Ex..... 200  
w/Chamberlain & Checklist  
Vital basketball set, these have exploded in price in recent years. Not your typical near-set, this one is missing Alcindor and eleven commons/secondary stars. Mid-grade overall with some variance, some cards need to be upgraded for centering. With an unmarked checklist and a nice Chamberlain, this lot has some real value as singles. These many better cards come in the lot: 1 Chamberlain VG-Ex/Ex, 2 Goodrich RC, 15 Hawkins RC, 20 Havlicek RC VG+ ctd, 35 Baylor Ex, 40 Cunningham RC, 43 Bradley RC, 50 Robertson, 55 Bing RC, 56 Unseld RC, 60 Reed RC, 75 Hayes RC, 78 Love RC, 80 Monroe RC, 82 Nelson RC, 85 DeBusschere RC, 90 West, 98 Frazier RC and, 99 Checklist.

These stars come in the lot: 32 Jackson RC PSA 6, 44 Barry Ex-Mt/NM, 75 West NM, 80 Lanier NM, 105 DeBusschere PSA 8, 110 Havlicek NM oc, 144 Riley PSA 7 and 163 Abdul-Jabbar AS PSA 4.

Great original football set, these cards seem so undervalued. Nice 3, this has rich black borders and a fine image, we cannot see any creases. The back is fine, the corners are not bad at all, there is some slight surface wear by the bottom border.

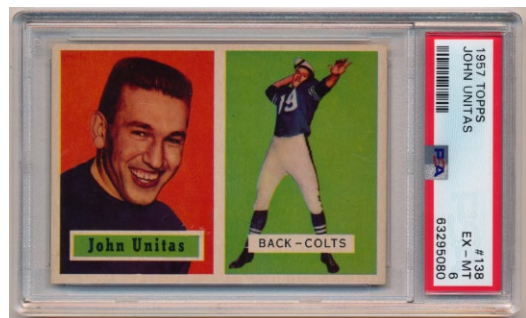

960 1952 Bowman Large 63 Conerly SP PSA 4..... 100  
Very tough card, this is an absolute key to a set. We cannot see any creases or wrinkles, even under magnification. Centered to the left border, this looks like it should be a 5 and not a 4, nice card.

961 1952 Bowman Large 144 Lansford SP PSA 6 mc 150  
The very difficult final card to this great set, the offered card has vivid color and four sharp corners. The borders are white, the card is quite clean. Centered very heavily to the top border as is typical, there is still border at the top, we feel this should have gotten an OC rather than an MC qualifier. Sharp looking card.

962 1955 All American 68 Four Horseman PSA 8.5.... 900  
Key football card, this is such a classic card. Presented in truly phenomenal condition, this immaculate card has four razor sharp corners, a perfect image and perfect white borders. A flick from a 9 to our eyes, it does not get much nicer than this! Who wants to make a major move with their 1955 All American graded set?

963 1957 Topps 138 Unitas RC PSA 6..... 200  
Vital football HOF Rookie Card, these seem to have really dried up in clean condition of late. Offered is a fresh and fine 6, with note to square corners, clean borders, great color and a flawless image. Reasonably well centered, this is an awfully nice card for the grade.

964 1958 Topps 62 Jim Brown RC PSA 3..... 700  
Vital football HOF Rookie Card, these are always desirable. The offered card has no creases or wrinkles and good color. The corners come to points, the image is strong, it is centered to the right border. Some mild wear on the back likely led to the 3 grade, this displays much better than that.

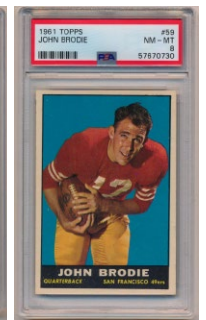

965 1959 Topps 10 Jim Brown PSA 7..... 375  
Very condition sensitive card due to notorious centering issues, this is a real gem. Only Jim Brown's second card, this has beautiful color, perfectly clean surfaces and four sharp corners. Centered mildly to the right border, this is a very fine 7.

966 1959 Topps 23 Bart Starr PSA 8..... 175  
Great looking 8, this has outstanding centering, perfect color and a super fresh look and feel. The corners are all quite sharp, this is a very high-end 8.

969 1961 Topps 42 McGee PSA 8..... 18

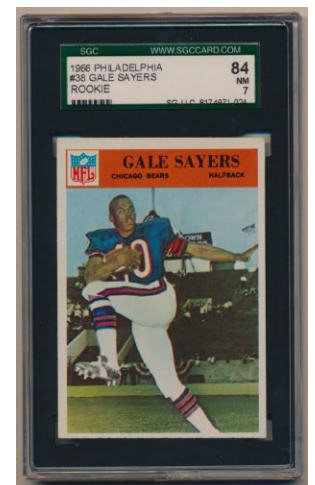

968 1959 Topps 155 Jim Taylor RC PSA 8..... 51  
Packers HOFer, this is well centered with four super sharp corners.

970 1961 Topps 59 Brodie RC PSA 8..... 60  
Desirable card has a fine image and great color, this has four sharp corners. Very clean, slight centering to the top border keeps this from grading higher.

971 1962 Post Cereal 61 Jim Brown PSA 5..... 25  
A key to the set, these are such difficult cards to find with numerical grades. One of Brown's toughest cards to find in a PSA holder, we hardly ever see these. Crisp and clean, slight surface wear by the lower left corner likely led to the 5 grade.

972 1963 Fleer 50 Arbanas RC PSA 8..... 21

973 1966 Philadelphia 38 Sayers RC SGC 7 ..... 375  
One of my favorite football cards, you have to love this image. Ideal 7, this is well centered with four solid corners. The borders are perfectly white, this looks great.

# Football

974 1967 Topps 98 Namath PSA 7..... 50  
Very sharp and fine 7, this has rich color and four strong corners. The borders are white, slight centering to the top border keeps this at a very conservative 7.

975 1969 Topps 26 Piccolo RC PSA 7..... 30  
Beloved football player, popular card. Solid 7, there is hardly any corner wear, the color is terrific, the surfaces are clean.

976 1972 Topps 304 Dale PSA 8..... 45  
Tough 8 due to centering, this looks great.

977 1972 Topps 338 Spurrier IA PSA 8..... 15  
980 1975 Topps 416 Thiesmann RC PSA 8..... 29

A key high number, this is a great photo. Superb Mint 9, this is great to add to a high quality set.

979 1974 Topps 470 Bradshaw PSA 8..... 54  
Very well centered with four super sharp corners, fine 8.

981 1977 Topps 360 Payton PSA 8..... 40  
Only Walter Payton's second-year card, these usually have major centering issues. A desirable 8, this card looks great. The centering is outstanding, the corners are quite sharp, the color is terrific, the borders are bright white.

981.2 1978 Topps 333 Payton Rushing Leaders  
- Rare No Name Variation PSA 4..... 100  
A rare card of Walter Payton, this is a true variation as it is missing his name on the front of the card! Clean 4, there are no visible creases, the color is good, the background is white.

982 1984 Topps 123 Marino RC PSA 9..... 100  
Mint Marino Rookie, this has perfect centering and four Mint corners.

983 1986 Topps 161 Jerry Rice RC PSA 8..... 100  
Key card, this is very well centered with four super sharp corners.

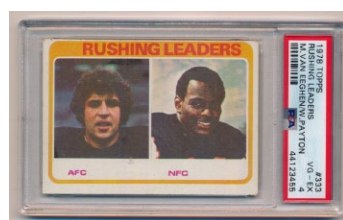

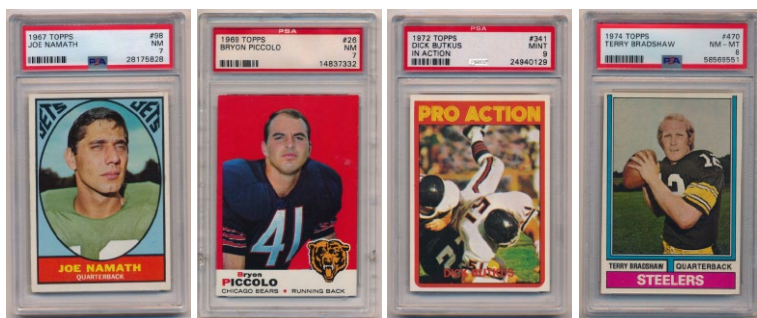

984 1998 Skybox E-X2001 54 Peyton Manning  
PSA 9..... 38

985 2000 Bowman 236 Tom Brady RC Beckett 7.5... 350  
Very colorful and attractive card, this has four sharp corners and great color. A flick on white showing at the upper left corner led to the conservative 7.5 grade. Strong card.

986 2000 Donruss Elite Tom Brady RC  
PSA Authentic 150  
Sharp and clean, we submitted this at the \$150 level and had bad luck! Possibly cut short, we do not know what the issue is with the card. This is the kind of thing that might end up in a Beckett and SGC holder on the right day.

987 2000 Playoff Prestige  
286 Tom Brady RC Beckett 8.5..... 240  
Neat Brady Rookie, this has good color and four super sharp corners. Affordable higher grade Brady Rookie, nice card.

988 2001 SP Authentic Gold  
101 Drew Brees RC PSA 9..... 450  
Classic future HOFer and great guy, this is a perfect Mint 9. Razor sharp and immaculate, it does not get any cleaner than this. It will be very interesting to see where these trade at in a few years.
