Letter To Readers

2022 was again a record year for Clean Sweep Auctions. We want to all of our long-time consignors, suppliers and bidders, and also those newer to us, for making this possible. THANK YOU!

Our current auction is one of our best, it ends on Wednesday February 1. Please note that we will be making two changes going forward as to how we run auctions for various reasons. First, phone bidding will end at 9 PM EST on all auction nights going forward. Second, if an auction goes as late as 1:45 AM EST, we reserve the right to end the auction at any time with ten minutes of notification.

Now for the good stuff! The current auction has a tremendous variety of interesting, rare, valuable and special items across many areas of collecting. We open the auction with twenty-eight different key lots. These lots include a T206 Ty Cobb Green Background PSA 3.5, Red Background Beckett 3.5 with a Sovereign back, Bat Off Shoulder Beckett 3 with a Sovereign back, T206 O'Hara St. Louis PSA 2.5, 1923 Maple Crispette Babe Ruth PSA 2, all four 1933 Goudey Babe Ruth cards in collector grade and a 1938 Goudey Joe DiMaggio PSA 4.5.

The key lots continue with a pair of 1949 Bowman Jackie Robinsons (PSA 5 and 6), 1949 Bowman Satchel Paige PSA 7, a beautifully centered PSA 3 1951 Bowman Mickey Mantle Rookie Card, 1952 Bowman Mickey Mantle PSA 7, 1952 Topps Willie Mays PSA 4, a mid-grade 1953 Topps baseball card set, a 1959 Fleer Ted Williams PSA 8 and higher registry set and a 1965 Topps Sandy Koufax PSA 9. We close out the key lots with a stunning Satchel Paige PSA 8 Perez Steele postcard, a remarkably fine 1912 Major League Baseball Game, Mickey Mantle's 1950 scouting report, Terry Collins's 1981 LA Dodgers World Championship ring, Chuck Knobloch's personal 1991 Minnesota Twins World Series trophy, a 1957-8 Topps Bill Russell RC PSA 4, a superb PSA 7 1961-2 Fleer Wilt Chamberlain RC, 1986-87 Fleer Michael Jordan RC Beckett Mint 9 and finally, an amazing lot of six real name Rocky Graziano autographs (Thomas Barbella), that may be the only known examples in the hobby.

Baseball card singles begin the auction as usual, checking it at over 350 lots, we start in the 19th century. Highlights include N28 Allen and Ginter Cap Anson PSA 1.5 and King Kelly SGC 3, 1895 N300 Mayo Cut Plug John Clarkson PSA 4 and a T204 Ramly Eddie Plank SGC 2.5. Baseball card sets and lots go to the tobacco era and include some very unusual 1920s partial sets and a nice selection of 1950s to 1970s complete sets and near-sets. Baseball autographs are another high point of the auction. We have a signed Ty Cobb Baseball Magazine Premium, 1933 Goudey Dizzy Dean signed card, 1956 Topps lot of 277 different signed cards and an amazing Perez Steele slabbed postcard set, mainly 10s, with all of the scarcities. Baseball memorabilia nicely closes out the auction. Key items including a possibly unique large format 1887 Detroit Wolverines display piece with three HOFers, 1954 World Series game one ticket, 1958 New York Yankees double-sided diamond pendant, 1962 Mets first game full ticket, Terry Collins's 1978 LA Dodgers ring, the final part of our fine run of black bats and a small but high quality offering of 1920s and 1930s World Series programs.

Key Lots

1 1909 T206 Cobb (portrait, green bckgrnd) PSA 3.54000
The key to the legendary T206 set, this is always the most desirable of the four Ty Cobb cards in the set. Offered is a beautiful example of a VG Plus 3.5.

The offered card has striking color and a gorgeous image. The borders are quite white, the surfaces are super clean. There are no visible creases or wrinkles of any kind, even under magnification. The Sweet Caporal back has spotting is just one area and is more than clean overall. The corners show very mild and consistent wear, particularly for the grade. Centered slightly to the top, we have truly seen many 4s that are inferior to the offered card.

In short, this is an outstanding card for the grade.

Key Lots

2 1909 T206 Cobb (portrait, red bckgrnd) Beckett 3.5 (Sovereign back)2500

An extremely desirable card, it is always great to find T206 Cobbs with scarcer backs. The offered card has glorious color and a perfect image, the surfaces are quite clean. We cannot see any creases or wrinkles, even under magnification. The Sovereign 460 back looks great. The borders are white, centering is to the top border, the corner wear is mild and consistent.

We cannot guarantee, but would be very surprised if this card did not cross over to another grading service if desired. Great card!

Key Lots

3 1909 T206 Cobb (bat off shoulder) Beckett 3 (Sovereign back).....3500
An extremely desirable card, it is always great to find T206 Cobbs with scarcer backs. The offered card has a perfect image, the surfaces are quite clean, the eye appeal with the pastel background is tremendous. We cannot see any creases or wrinkles, even under magnification, the Sovereign 350 back is clean. The borders are white, centering is perfect, the corner wear is mild and consistent.

We cannot guarantee, but would be very surprised, if this card did not cross over to another grading service if desired. Great card!

Key Lots

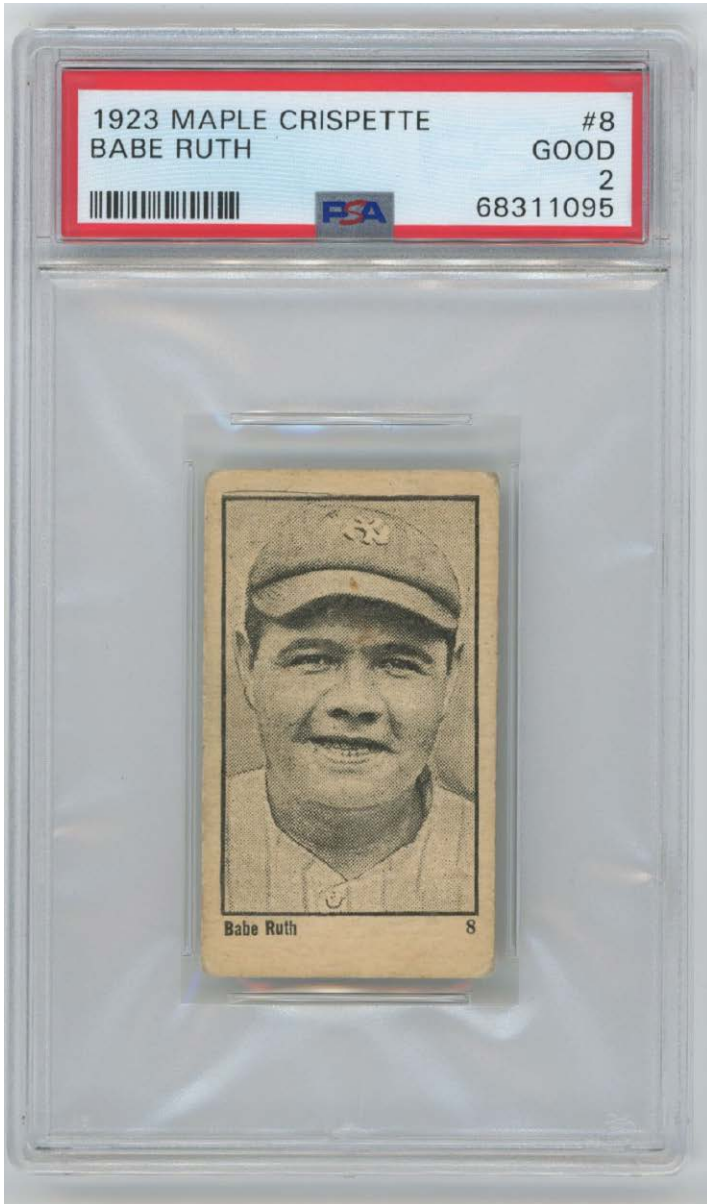

4 1909 T206 O'Hara (St. Louis) PSA 2.53000

The key T206 card, these are so hard to find. A 2.5 is actually a pretty high grade for one of these, as they often come in super low quality. Fresh to market, the offered card happens to have gorgeous color, clean white borders and a striking visual feel. The corners show moderate and consistent wear. The card has hardly any staining or creasing, which is so unusual for one of these.

A fresh and fine card, who wants to ably fill the toughest hole in their (basic) T206 set?

Key Lots

5 1923 Maple Crispette 8 Babe Ruth PSA 2 1000
Great Babe Ruth card from a difficult issue, these hardly ever come to market. The offered card is well centered and looks terrific for the grade. This is an unusual image of Ruth that is not found on his other cards. The front looks to be clean, the back has a fine crease and is also nice. The corners show mild and consistent wear, the grade is perfectly reasonable and fair. Who wants to own a Babe Ruth card from the early 1920s (his first World Championship year with the Yankees in fact) that hardly anyone else has?

Key Lots

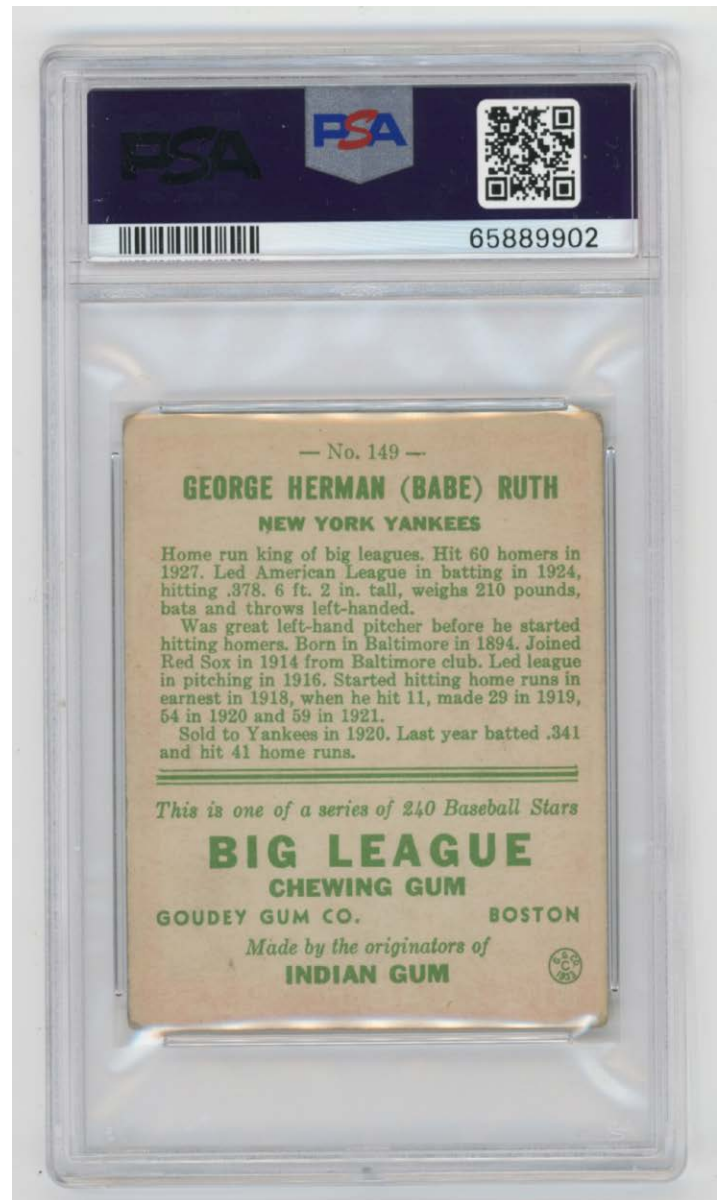

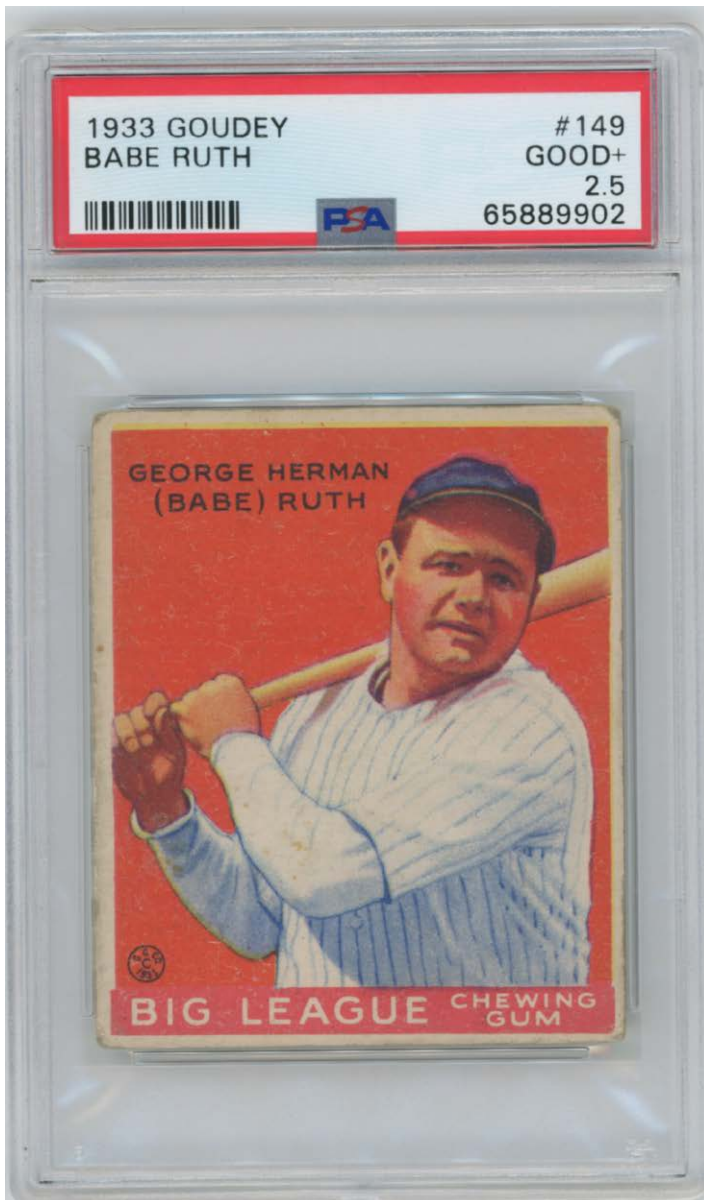

6 1933 Goudey 53 Babe Ruth PSA 12000
Offered is a truly superior PSA 1 example of this truly iconic and forever classic 1933 Goudey Babe Ruth card. Cut to the right border, this has rich color and a terrific image. Amazingly enough, there are no visible creases or wrinkles, even under magnification. The back has no paper loss, we do not see any technical flaws. The corners show a fair amount of wear, but this should probably grade at least a 1.5, if not a 2. Something tells me this card will be getting cracked out and re-submitted somewhere!

Key Lots

7 1933 Goudey 149 Babe Ruth SGC 11000
An honest 1, this nonetheless retains solid eye appeal and display value. Richly colored, the image has no flaws and pops. The card has corner wear in the Good range, the creasing on the front is certainly present but barely cracks the paper. The back has some slight damage, but is not bad at all overall. These cards have been white-hot in recent years, especially in lower grades.

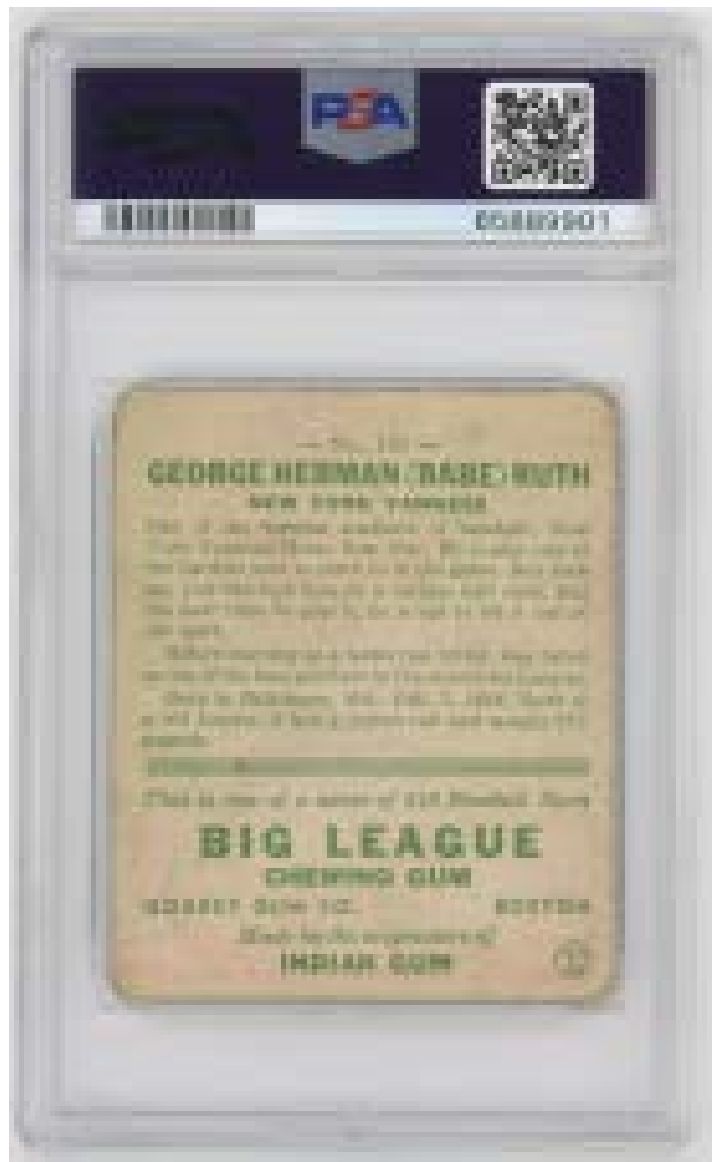

Key Lots

8 1933 Goudey 149 Babe Ruth PSA 2.53000
 Classic 1933 Goudey Babe Ruth card, this was freshly graded at the National. The offered card is bright and clean, we feel this should have graded a VG 3, PSA split hair a bit with the grade here. Well centered overall, this has perfect color and image quality. The corners are VG overall, the borders are fine, the back is clean with just a tiny corner crease by the upper left corner.

The market for quality Babe Ruth seems to have no limit in this market, offered is a choice 1933 Goudey Babe Ruth card to consider that is fresh to the hobby and very conservatively graded.

Key Lots

9 1933 Goudey 181 Babe Ruth PSA 22500

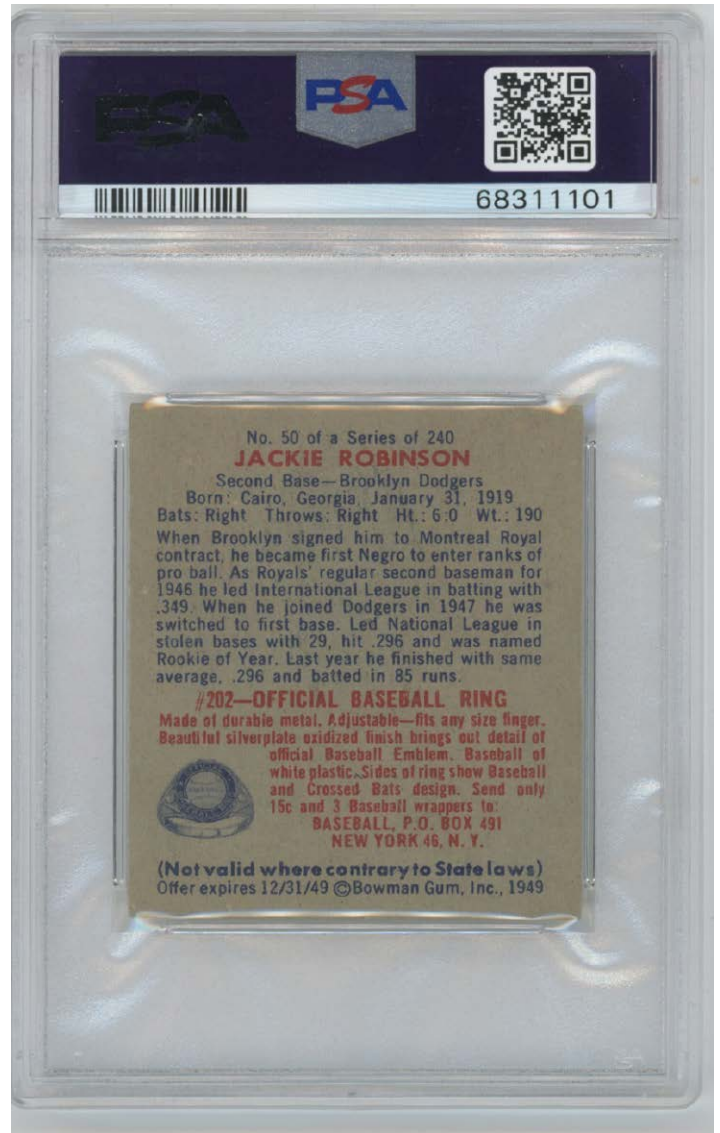

One of the classic Babe Ruth cards, these are always so popular among collectors. Well centered with good color, the image is solid, the back has no paper loss or damage. The corners show a fair amount of wear, but it is consistent. The card has the slightest visible surface wrinkle by the lower right corner, the surfaces are very clean overall for the grade.

Key Lots

10 1938 Goudey 250 Joe DiMaggio PSA 4.52400
One of my all time favorite cards, these are just so cool. Often found with huge condition issues, a 4.5 is a pretty high grade for one of these. Beautifully centered with a perfectly focused image, the color is superb. The back looks great, the surfaces are super clean. The corners look to be Ex overall, with only light wear. Even upon very close inspection under magnification, we cannot see any creases or wrinkles. PSA looks to have split hairs a bit with the grade here, it sure looks like it should have been a 5. Either way, this is simply a great looking example of one of the best Joe DiMaggio cards that one can collect.

Key Lots

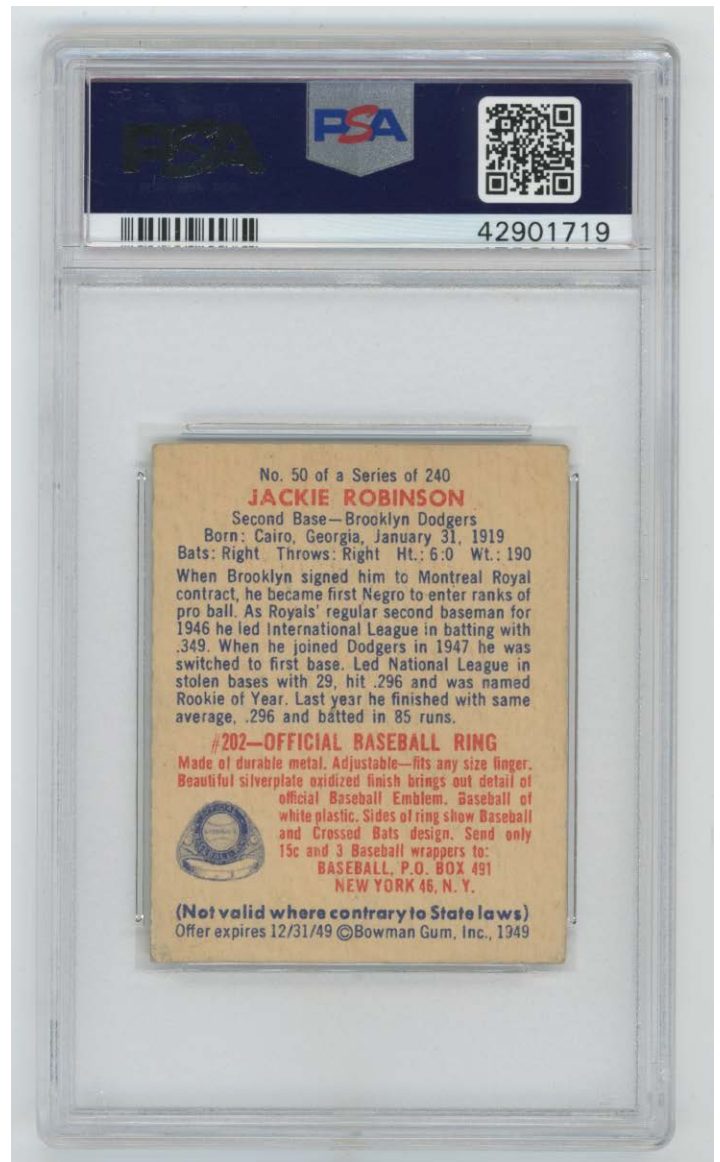

11 1949 Bowman 50 Jackie Robinson PSA 51500

A classic Jackie Robinson card, these almost always have major condition issues, a 5 is a very high grade for one of these. While certainly harder to find than his 1948 Leaf card in the same grade, these still seem to be relatively underpriced compared to that card.

The key card to a great set, this is a real keeper. Notable for outstanding color, you will not find a nicer image. Centered slightly to the top border, the corners come to points. The borders are white, the surfaces are clean, the back looks great. Fine card.

Baseball Cards

12 1949 Bowman 50 Jackie Robinson PSA 63000

A vital Jackie card from his MVP season, these are not easy to find in this quality. Fresh to market, the offered card has particularly rich red color and a remarkably nice image. The surfaces are quite clean, the borders looks great, the back is perfectly clean. The corners come to points with some softness, the wear is mild and consistent. Centered slightly to the top border, this card has excellent eye appeal due to the extraordinary color and image clarity.

Key Lots

13 1949 Bowman 224 Satchel Paige RC PSA 73000
An iconic baseball card, this is the key to a classic and beloved set. Sharp and fine, the offered card has four solid corners, rich color and a superior image. The surfaces are immaculate, the back is quite bright and clean. Centered slightly to the top border, this is a fine looking example of a key card.

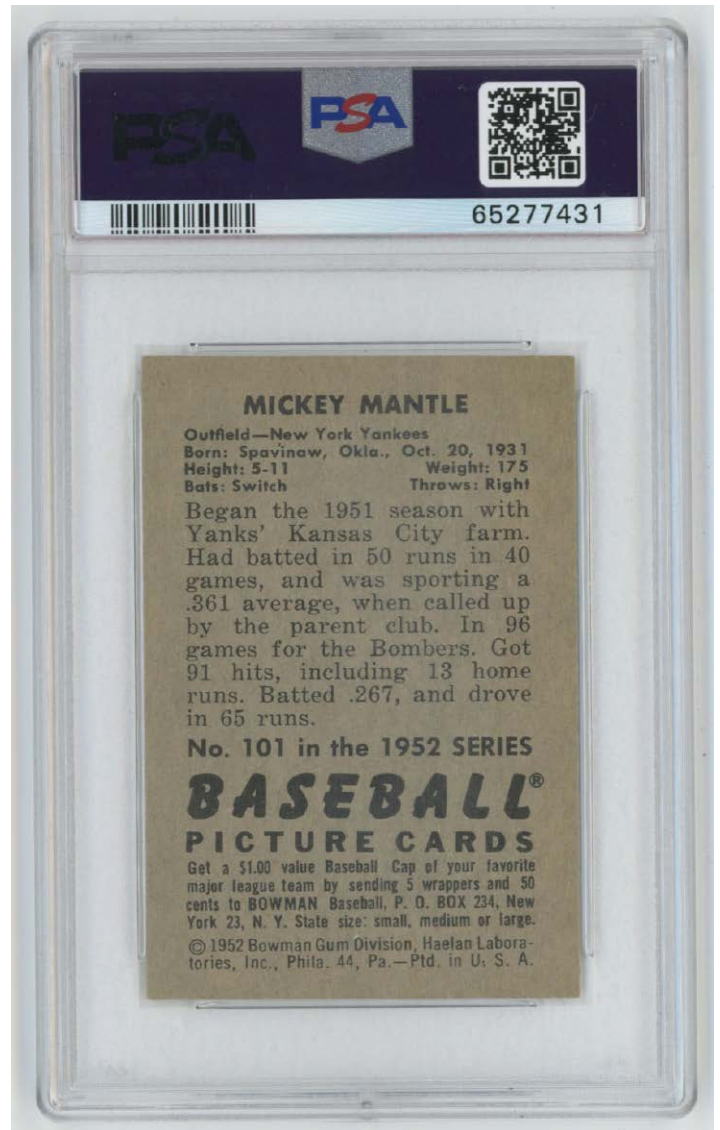

Key Lots

14 1951 Bowman 253 Mickey Mantle RC PSA 34000

Freshly graded by us, a really nice person walked into a show with this raw a few months ago. Amazingly enough, he won this card in a contest decades ago and held onto his prize! The offered card is an exceptional 3 as it has world class, nearly 50/50 centering all around! There are no print lines or marks, the color is terrific, the image of Rookie Mickey Mantle looks great. The borders are nice and clean, the back is flawless. The corner wear is very light, they are in the Ex range. A very subtle surface crease by the upper left corner (it does not go through to the back at all) keeps this at a gorgeous VG 3. One of the absolutely vital baseball cards, it would be almost impossible to find a nicer 3 than the offered card.

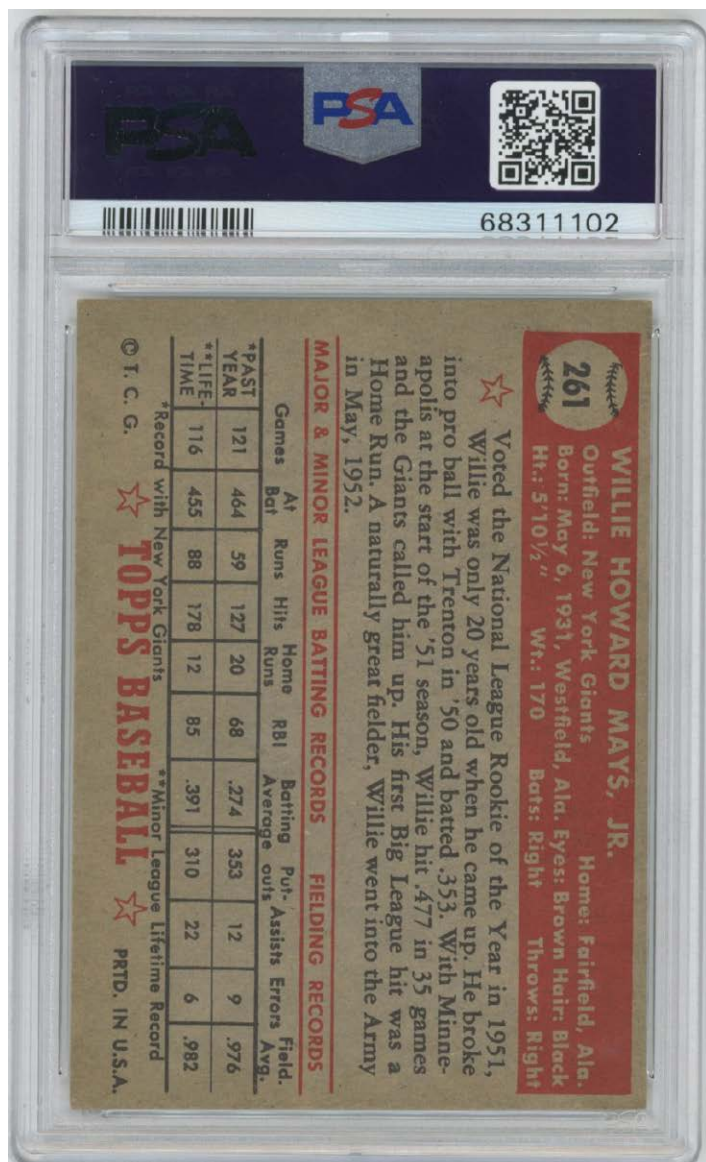

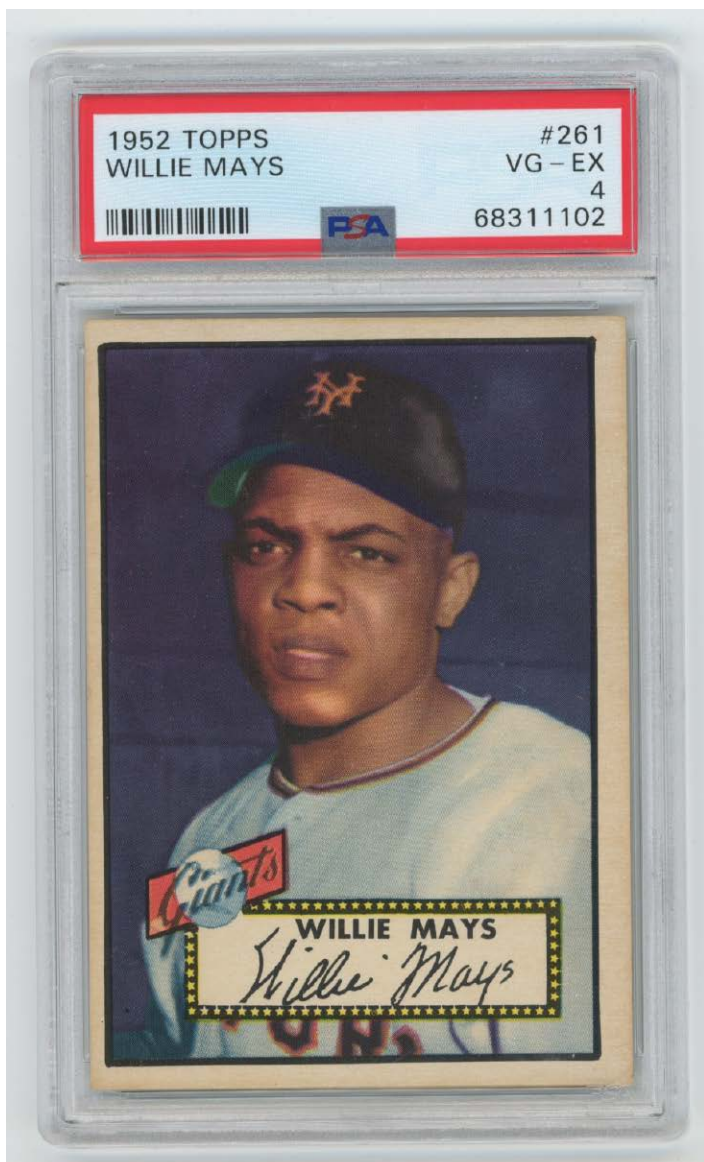

Key Lots

15 1952 Bowman 101 Mickey Mantle PSA 72500

Only Mickey Mantle's second-year card, these seem so undervalued, especially in higher grades in today's market. Often found with centering and print issues, the offered lot is a beautiful Near Mint 7. Well centered with four strong corners, the borders are white, the color is superb. There are no print lines, the back is perfectly clean. While of course not of the stature of his 1952 Topps card, nonetheless smart buyers having been scooping these up in the event of future appreciation. As of this writing (Dec 2022), the offered card is far superior in terms of centering to all of the recent comps. Simply a beautiful example of this key early Mantle card, no doubt this lot will find a very happy home!

Key Lots

16 1952 Topps 261 Willie Mays PSA 4 1500

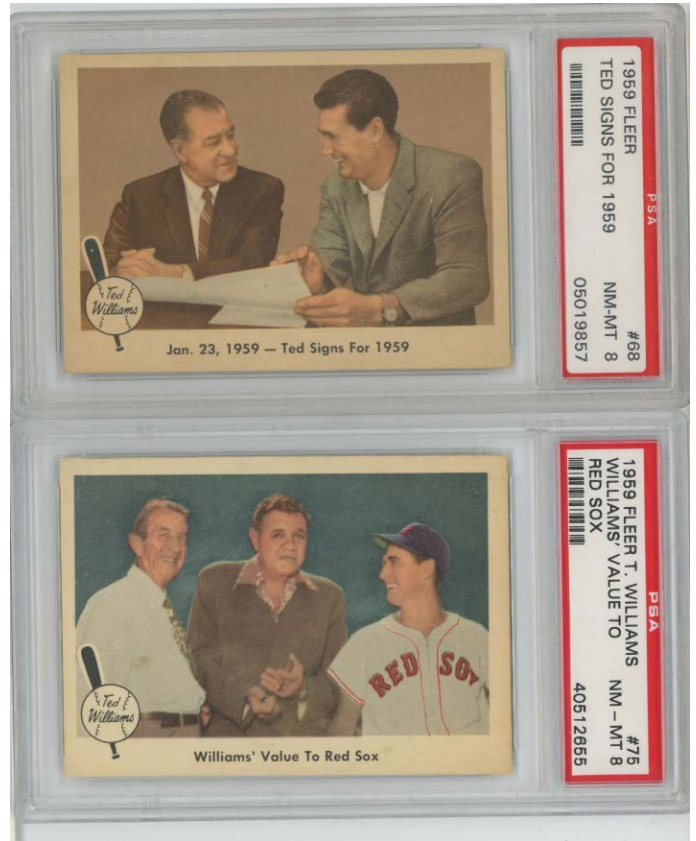

A vital Topps card, it amazes me how low of a percentage these trade at compared to the always commercially available 1952 Topps Mantle. The offered card has a strikingly fine image, with perfect focus showing the vitality of this world class player. The color is terrific, the borders are clean, the back is very nice. Centered to the left border, we cannot see any creases or wrinkles, even under magnification. The corners come to points and look to be Ex-Mt overall, there is wear at just one spot on the back on the left border. Overall, this is a very solid card, conservatively graded, notable for its color and image quality. This is an ideal card for any mid-grade 1952 Topps set or star card collection.

Key Lots

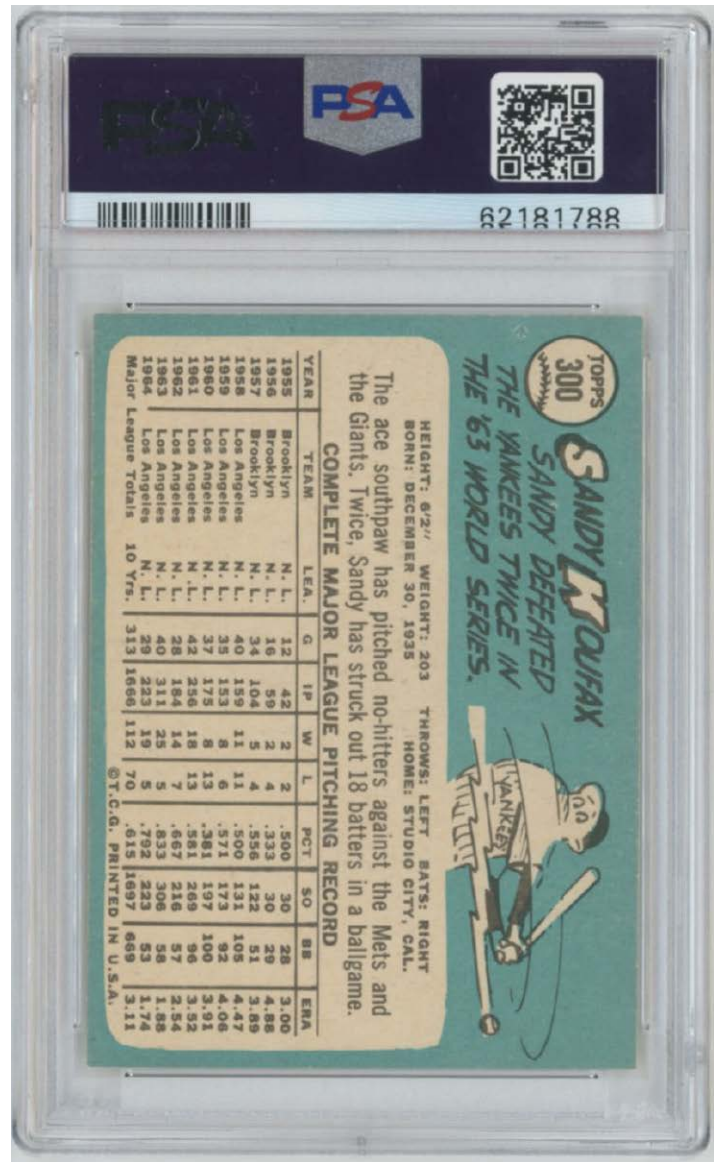

17 1953 Topps Complete Set VG-Ex.....1500
 Nice 1953 Topps set, someone took great care in assembling a solid, consistent and attractive mid-grade set. This collector was on a budget, so three of the top cards are below the rest of the set. The high number run is nice, there is only light condition variance, this is a smartly assembled set for the grade. We rate the many key cards individually as follows: 1 J Robinson VG (no creases), 27 Campanella VG-Ex/Ex, 37 Mathews VG+, 54 Feller VG-Ex, 61 Wynn VG-Ex, 76 Reese VG+, 82 Mantle GVG (very slight stain, no creases or wrinkles), 86 Martin VG-Ex/Ex, 104 Berra VG, 114 Rizzuto VG-Ex/Ex, 147 Spahn Ex, 207 Ford VG-Ex/Ex, 220 Paige Good, 225 Shantz Ex, 228 Newhouser GVG, 242 Silvera VG-Ex/Ex, 244 Mays Good, 258 Gilliam RC Ex, 263 Podres RC VG-Ex/Ex, 265 Jensen VG, 270 Stephens Ex++, 273 Haddix RC Ex trimmed and 280 Bolling RC VG-Ex/Ex.

Key Lots

18 1959 Fleer Ted Williams Complete Set, all PSA 8s plus extras2000
 A fun set completely devoted to the incredible Ted Williams, the manageable size makes this an extremely popular set to collect fully graded. The offered lot is one of the ultimate lots of this widely collected set. Every card is at least a PSA 8 with no qualifiers; a few cards are nicer 32 (8.5), 41 (9), 56 (9) and 67 (9). In addition, the lot includes two wrappers and two six card panels. Great lot.

Key Lots

19 1965 Topps 300 Sandy Koufax PSA 91000
 One of the most popular of Sandy Koufax's 1960s Topps cards, these often have subtle condition issues. A great looking card and a key to this widely collected set, offered is a simply spectacular condition card. Freshly graded, this has a flawless image of a focused Sandy K peering directly into the camera. Perfectly centered, this has immaculate surfaces. The corners are perfect, the color borders on the back are also flawless. A tremendous card to find in a PSA 9 holder, who wants to own a truly great Koufax card?

Key Lots

20 1980 Perez Steele Satchel Paige PSA 82500
The key to a signed set, the beloved Satchel Paige died in 1982, and had a very short window to sign one of these. The autograph is in bold blue sharpie with no breaks or skips, the 8 grade might be a bit conservative. Missing from 99%+ of all signed Perez Steele sets, who wants add a truly great signed item to their collection?

Key Lots

21 1912 Major League Baseball Game - Stunning Quality2500
One of the very best of all vintage baseball games, this is a cornerstone piece. Produced by the Philadelphia Game Manufacturing company in a sturdy custom wood case, this measures just over 19 x 13 x 3. The cover has fantastic graphic images of sixteen top baseball players from 1912. You may have heard of some of them: Ty Cobb, Honus Wagner, Walter Johnson, Christy Mathewson, Tris Speaker, Nap Lajoie and Frank Chance among others. This has some general wear, but the condition appears to be truly remarkable. It is our understanding that this is one of the very nicest examples of this great game in circulation, but of course cannot confirm this. The interior of the game looks great, we believe this to be complete with all parts, but are not 100% sure.

We can assure you however, this is a visually stunning, truly museum quality piece of early 20th century baseball memorabilia. So much nicer than a single tobacco card that can sell for \$10,000 or more, this treasure has images of no less than eleven HOFers on the cover, including some of the absolute top players in all of baseball history. This is truly superb as for star content, visual appeal and condition.

22 1950 Mickey Mantle Original Scouting Report!2500
 Nearly thirty years after his death, Mickey Charles Mantle is as famous as ever. A king of the sports collecting world, people fight hard at auction over his large production cards and items that he signed at a multitude of shows when they have unusual inscriptions. The offered lot is a presumably one-of-a-kind, great, special and simply wonderful piece of Mickey Mantle memorabilia. Offered is the original New York Yankee scouting report by 1920s pitcher and future scout Dutch Zwilling of Mantle as a Joplin, Missouri Minor League player. The report is for three players, oddly enough Mantle is at the bottom. Mantle is described as a "Great hitter very fast, Fair fielder good arm, good Attitude and Disposition. Is not now a great shortstop good enough as hitter to enter AAA".

Who wants to own a truly great and unique Mickey Mantle item that no one else has?

23 1981 Los Angeles Dodgers World Series Ring (Terry Collins).....2500
A desirable ring from a World Championship team, the Dodgers avenged their losses in 1977 and 1978 to the Yankees. Collins, a future Mets manager, was the director of the legendary LA Dodgers farm system, so he certainly deserved a ring!

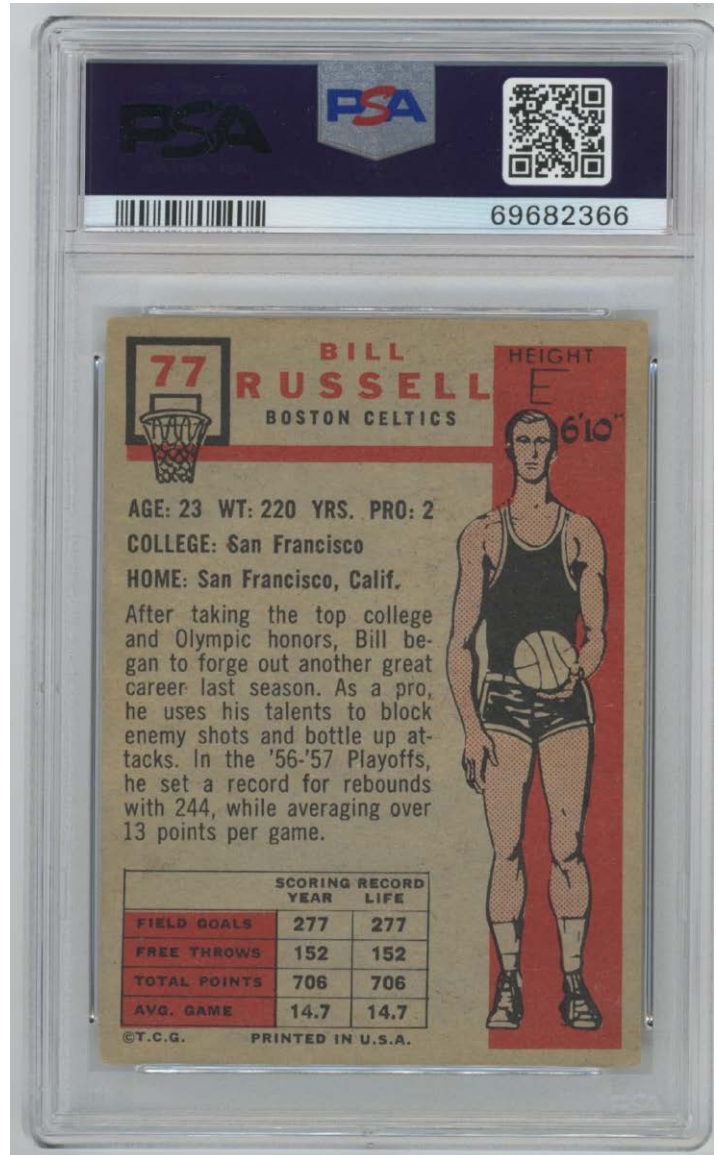

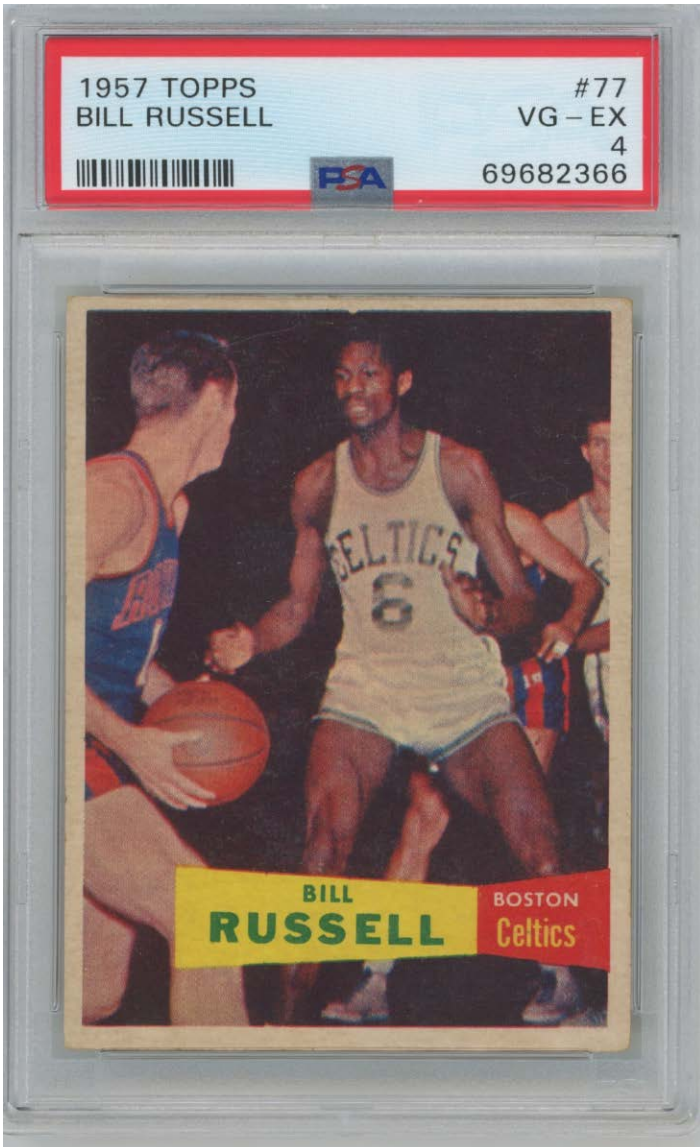

The offered ring is gold and is a size 10. Balfour 14k is engraved on the inset. One shank reads COLLINS DODGERS, the other LOS ANGELES DODGERS WORLD SERIES TROPHY OCTOBER 28, 1981. The ring is clean with only slight wear, the face has a lovely Dodger blue gemstone with possibly a real diamond.

24 Chuck Knobloch's 1991 Minnesota Twins World Series Trophy2500
The 1991 Minnesota Twins were victorious in one of the most exciting World Series ever played. Stretched to a full seven games and then extra innings, a masterful performance by Jack Morris helped catapult him into the Hall of Fame. Rookie of the year Knobloch was a key player on this fun team, offered is his one and only World Series trophy. The trophy has his name imprinted on the base and looks great. It is very rare and exciting to get the opportunity to own a World Championship trophy from a key player, the Rookie of the year that season. This comes with an LOA from Knobloch, great piece.

Key Lots

 The ultimate card to a generation of collectors, this is a card that looks to be completely worthy of this lofty grade. The offered card has outstanding centering, a Gem Mint back and great color. The color borders are superb, all four corners are super sharp. We did not attempt to do it, but this card looks to have a really great chance to cross to over to a PSA 9 if someone wants to play that game, but of course we cannot guarantee anything. We can clearly state this this is a beautifully centered, razor sharp card that is particularly clean, sharp, fresh and is in simply superb Mint condition to Beckett's and our eyes.

28 Amazing Rocky Graziano Real Name (Thomas Barbella) Archive with Six Signatures - Only Known Hobby Examples!2000 Rocky Graziano, a HOFer who was depicted by none other than Paul Newman in the classic 1950s film Someone Up There Likes Me, was a feared Middleweight Champion. Ring Magazine ranked him the 23rd best boxer in history. Graziano died in 1990 and is a commercially available autograph. The offered lot is a truly remarkable, historic and important archive of this interesting fighter. Graziano's real name was Thomas Barbella. He had a rough childhood and was arrested various times. Offered is a box of documents related to his arrest in 1938. These contain his fingerprints, mugshot(!) and all sorts of legal documents and arcana involving Graziano. Most notably, there are no less than SIX SIGNED PIECES, EACH OF WHICH IS SIGNED WITH HIS REAL NAME, THOMAS BARBELLA. We believe these to be the ONLY SUCH EXAMPLES IN EXISTENCE. Normally we would run these in multiple lots in differing auctions, but our consignor thought it would be fun to keep it as one lot. By doing it this way, the winning bidder can CONTROL THE ENTIRE MARKET for a supremely rare, desirable and simply awesome boxing HOF autograph. The lot will come with full JSA LOAs for each of the six signatures. Who wants to own something truly great that no one else has? JSA LOA full.

A terrific card of this famed 19th century superstar, this has such a great image. The offered card has perfect color and image quality, the back is perfectly clean, which is so unusual. There are no creases, the corner wear is not bad at all. The card has a very subtle stain by the left border, this likely led to the 3 grade, nice card.

Baseball Cards

1895 N300 Mayo Cut Plug

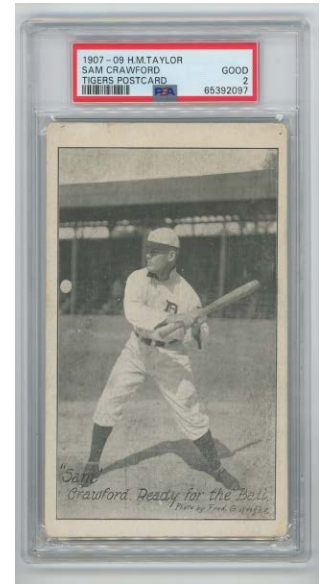

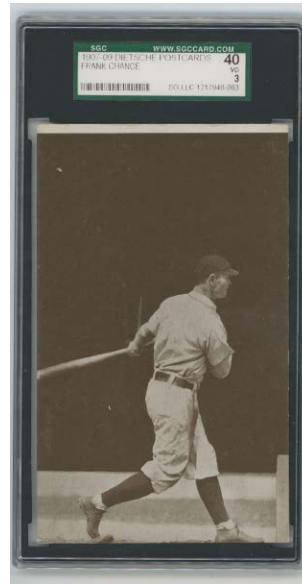

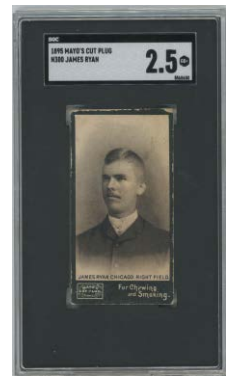

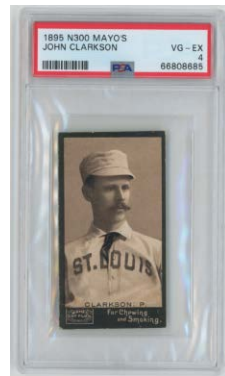

39 John Clarkson PSA 4..... 650
Scarce card in this quality, the offered card has a gorgeous image and superb black borders. The corners come to points, with wear only noticeable at the lower left. The back is black and clean, it is not clear to us why this only came back a 4, it truly looks great.

40 Artie Latham PSA 4..... 250
Quality 19th century player, this has a terrific image. Bright and clean, this has clean surfaces and a nice back. Centered to the upper right corner, we cannot see any creases or wrinkles. The bottom border has two white nicks, the 4 grade seems a bit conservative to our eyes.

48 Cy Young (Boston) SGC 2 900

A classic Cy Young card, this is so much harder to find than his T206s. The offered card retains respectable color and a good image. The back has no damage, the front has some creasing and general wear. The corners show typical wear for the grade, you have to love the ornate red B and A lettering on his uniform, neat card!

49 1909 T204 Ramly Eddie Plank SGC 2.5 1200

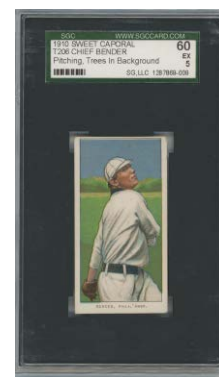

Great card, one of the keys to this legendary set. Fresh to market, this card is always especially desirable as it has the same image as Plank's legendary T206 card. The offered card has a strikingly fine image, with perfect clarity. The card is centered mildly to the right border, with rich color and a very nice front. The gold borders show only very slight wear, the corners are not bad at all, the back is perfectly clean. We cannot see any creases or wrinkles, even under close examination under magnification. We do not follow the grade, as this looks much more like a 4 than a 2.5, perhaps there is some very subtle technical flaw that we missed. Fresh to the hobby, this walked into a recent show, the winning bidder should really enjoy this fine card.

1909-1911 T206 Singles

50 Abbaticchio (brown sleeves)

54 Brown (Chicago on Shirt)

SGC 4.5 (Old Mill back) 250

An iconic image, this is an elusive card. Oversize, this barely fits in the PSA holder. Bright and clean, the image is superb. The card has white borders, a clean back and light corner wear. A very fine surface crease can be seen upon very close inspection, this otherwise may have graded a 5. Strong card.

64 Ty Cobb Bat Off Shoulder PSA 2 (Tolstoi back!) 1000

A glorious card due to the front and back combination, this is recently graded and completely fresh to the hobby. My favorite T206 card, you have to love the stunning pastel imagery here. The offered card has even corner wear, hardly any creasing and stunning color and image quality. The borders are white, the surfaces are clean. The vital back is quite clean. An extremely rare and supremely desirable combination, this is one of the best T206 Cobb cards that one can own. A significant T206 card that will greatly enhance the stature of almost any T206 or Ty Cobb card collection, who wants to add a simply great card to their collection?

65 Collins (Phila) SGC 3 (Old Mill back) 250
Well centered with gorgeous color, the image is terrific. The card has corner wear and some fine creasing, it displays well for the grade. The desirable back is quite clean, it is always great to find T206 HOFers with unusual backs.

A cult favorite tobacco player, people love this card. A freshly graded Ex 5, this looks great. Perfectly clean with white borders, the surfaces are perfectly clean. The back is flawless, the image and color could not be any nicer. With slight corner wear only, this is an ideal 5.

80 Cy Young (glove shows) PSA 3..... 300

Cy Young T206 cards are white-hot right now. Offered is a very nice 3, notable for terrific centering. Really an ideal 3, this has no visible creases or wrinkles, a clean back and nice surfaces. Mild corner wear is the only issue here, it would be almost impossible to find a nicer 3 than the offered card.

81 1911 M116 Sporting Life Sam Crawford SGC 5 100

Elusive card, this has great color and bright white borders. Well centered with only very slight wear, the back looks great, this looks like an ideal card for the grade.

Super sharp and clean, this looks to be a very high-end 7.

Baseball Cards

83 1911 T201 Double Folders
17 Cobb/Crawford PSA 4.5..... 500

Almost like the Rodney Dangerfield of Ty Cobb tobacco cards, these just do not get any respect! The offered has good color and clean surfaces, the centering on the back is not bad at all. The top two corners are sharp, the bottom two exhibit typical wear. There is just one very minute surface crease at the back centering by the right side, this is a very solid card for the grade.

84 1911 T205 Mordecai Brown PSA 4..... 275
Popular player, this has rich color and excellent centering. The gold borders look good, we cannot see any creases or wrinkles. The back has hardly any wear, this is a solid 4.

85 1911 T205 Walter Johnson SGC 3 750

87 1911 T205 Cy Young PSA 3..... 600
A key to this great set, Cy Young tobacco cards have been so hot of late. The offered card has very rich color and a fine image. There is hardly any creasing, the gold borders are not bad at all. The back is not bad at all, the top corners show noticeable wear, the bottom two much less so. A more than pleasing 3, this should be a very popular lot in the auction.

88 1911 T3 Turkey Red
26 John McGraw PSA 3..... 150

Great horizontal pose, this is one of my favorite images from the set. The color is terrific, the surfaces are clean, the back looks good. We cannot see any creases or wrinkles, even under magnification. The corners show mild and consistent wear, the 3 grade is pretty conservative. This is an awfully nice card for the grade.

89 1911 Williams Baking
Home Run Baker SGC 1.5 375

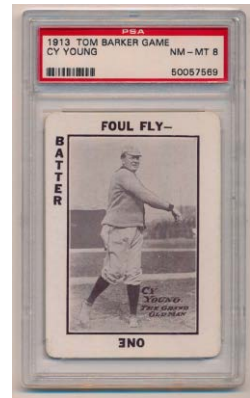

The brother to the revered T208 Fireside set, this is a great issue. With the identical image to the T208, the offered HOfer has rich color and a fine image. The card was wet at some point, with slight staining by the top on the front, it is more noticeable on the back. The card retains rich color and a striking image not found on any of his other cards, providing for strong visual appeal. This is a very scarce card that hardly ever comes to market, do not assume this will come around to auction again anytime soon.

90 1911 Zeenut Buck Weaver PSA 4..... 1200
Very cool card of this key 1919 Black Sox figure, these hardly ever come around. A 4 is a very high grade for these first-year Zeenut cards, as they often have major back issues and other condition problems. The offered card is nicely centered with a fine image and clean surfaces. The corners show a fair amount of wear, but it is consistent. The blank back is perfectly clean, we cannot see any creases or wrinkles, even under magnification.

92.2 1914 B18 Blanket Ty Cobb (white infield) Ex-Mt+ 225
Crisp and quite clean, these seem so cheap in today's market! Nicely cut with sharp edges, the image of Cobb looks good, this has slight toning on the back and is a very solid exemplar.

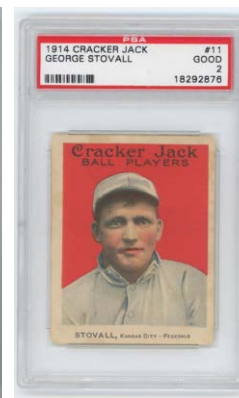

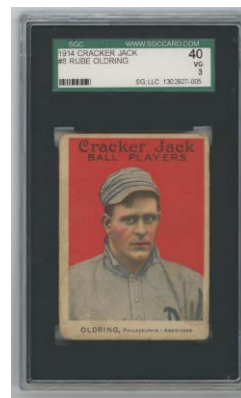

99 1914 T222 Fatima Grover Cleveland Alexander SGC 2 850
Neat card, never easy to find, this is one of the keys to this very interesting set. One of the best cards of this very popular HOF pitcher, the offered card has excellent image contrast and a nice look. Cut to the right border, there is some creasing and spotting, it is not bad at all. The surfaces are reasonably clean, the image is very sharp, the back has no paper loss or technical flaws.

98 106 Birmingham PSA 2..... 90

Elusive HOFer, this is well centered. Creasing and staining keep this at a 2, the back has no damage.

101 3 Joe Tinker SGC 2.5 150
Well centered with clean borders, this has a good image. There is one corner crease, the back has one area of toning from a stamp hinge. The color is strong on the card.

102 6 Eddie Plank SGC 3 550
A key card, these are always so popular and desirable. A HOFer and 300 game winner with very few cards, this is one of his best. Offered is a colorful and pleasing 3, the image looks great, this is well centered, the corner wear is consistent. There is just one minute corner crease, the back is clean. The card has rich color and good eye appeal, corner wear is the only real distraction here.

Fine image, this has rich color and displays well. Well centered with no visible creases or wrinkles, corner wear looks to be the only issue here.

107 23 Comiskey SGC 2 mk 75
Sharp card of this key figure in baseball history, the corners are terrific. The borders are white, the image looks great. Creasing that does not crack the paper and a minute mark on the back led to the somewhat conservative grade, this card presents very well.

109 35 Hooper SGC 3 200
Well centered, this has light creasing. The corners show wear, there is some general surface wear. The back has no paper loss, the image looks good, the staining is very mild.

110 36 Ed Walsh SGC 1 100
Rough card, this has no real creasing but staining and surface wear keep this at a 1; the card does still retain a nice image, however.

111 61 Ray Schalk SGC 2 125
Popular card of this honest 1919 Black Sox HOFer, it is well centered with good color. There are no creases, the borders are white. Slight surface wear on the back likely led to the 2 grade, this still displays well.

Baseball Cards

 This card has a very clean front with rich color and white borders, slight wear in one spot on the back led to the 2 grade.

113 75 Huggins SGC 3 125
 1927 Yankee manager and HOFer, this example has good color and a nice image. Centered to the right border with some mild staining, the back has no damage. Some creasing is present, the corners show consistent wear, the image and color are the strong points of this card.

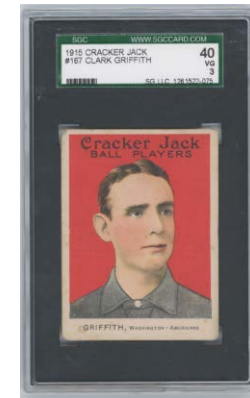

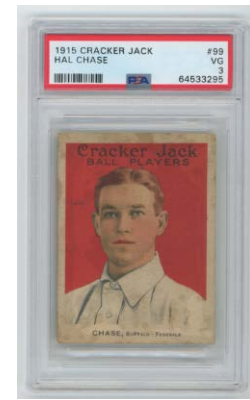

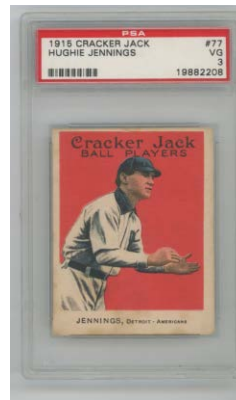

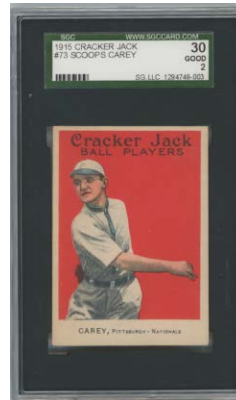

114 77 Hughie Jennings SGC 3 150
 Nice 3, this has good color and eye appeal. With one very slight surface crease, the staining is not bad at all. Centered to the upper left corner, the corner wear is mild.

115 99 Hal Chase PSA 3 100
 Popular card of this notorious bad boy player, these are always sought after by collectors. Nicely centered with good color, typical staining likely kept this at a 3. The back has no paper loss, the corners are nice.

116 136 Rabbit Maranville PSA 2 125
 Elusive high number HOFer, this is well centered with good color and no visible creases or wrinkles. The corners are not bad at all, staining keeps this at a 2.

117 167 Clark Griffith SGC 3 125
 High number HOFer, this has hardly any creasing and consistent corner wear. Centered mildly to the top border, this has a nice image and good color.

118 1916 M101-4 13 Chief Bender PSA 7 175
 Neat card, I love the photo of Bender about to start his unique pitching stance. Sharp and fine, the corners are strong, the surfaces are clean, the blank back looks great. Centered slightly to the top border, these cards hardly come around anymore in 7 holders.

Baseball Cards

124 1920 W516-1 #1 Babe Ruth PSA Authentic 500
 A hot card as this is from his first year as a Yankee player, these are always desirable. The offered card retains rich color and a nice image, it is not bad at all. Cut short on the right border, the back is fine, the card has mild creasing.

127 1921 W551 7 Babe Ruth PSA 2..... 950
 A super hot Babe Ruth card, collectors love these Ruth cards from the early 1920s. One of the most attractive strip card issues, it is very difficult to find these in PSA holders with numerical grades. The offered card has rich color and a fine image, the wide borders allowed for a numerical grade. The blank back is clean, the image has good registration and clarity. The card has even corner wear, mild creasing keeps this at a very pleasing 2.

126 1921 Schapira Brothers Babe Ruth Portrait PSA Authentic..... 200
 Cut close but not too close, just a bit much to get a numerical grade. The card retains vibrant color and has no visible creases, the back is clean. Attractive early 1920s Ruth card that was cut from a candy box, neat card.

128 1922 W501 8 Ty Cobb PSA 4.5..... 1000
 A very tough 1920s Ty Cobb card, these hardly ever come to market. Freshly graded, this has a terrific image of Ty Cobb batting in uniform. A very attractive and fine card, this offers bright white borders and a flawless blank back. There are no visible creases or wrinkles, the corners actually come to points, the surfaces are quite clean. Do not assume another one of these will be coming around again anytime soon!

Baseball Cards

1933 Goudeys

134 92 Lou Gehrig **PSA 2..... 1000**
 Pleasing 2, this has rich color, a fine image and excellent centering. There is some mild creasing present, mainly noticeable on the otherwise clean back. The corner wear is consistent, the card is perfectly acceptable for the grade and displays well.

136 160 Lou Gehrig **PSA 1.5..... 900**
 The tougher of this two 1933 Goudey Gehrigs, an iconic card. Another lower grade card that punches well above its weight, there are no technical flaws, the image and color are strong, this has solid eye appeal. The corners are in the VG range and not bad at all. The card has moderate creasing, mainly visible on the back. The reverse displays well overall, the 1.5 grade honestly looks a bit harsh here, this is a nice looking card.

135 160 Lou Gehrig **PSA 1..... 800**
 Graded on site at the National last year, this is an awfully, awfully tough grade. The offered card has a good image, solid color and attractive surfaces. The back has no issues, the corners are Good to GVG overall. The card has some moderate creasing, nothing terrible. Unless we missed some really odd technical defect, the grade here is truly off, this is an awfully, awfully fine card for the grade.

137 181 Babe Ruth **Beckett 1.5..... 1000**
 Fairly well centered, this card retains its original color and has good eye appeal. Reasonably well centered, the back has no damage or paper loss. The corner wear is in the GVG/VG range, a crease on the front keeps this at a 1.5. A very, very pleasing card for the grade, no doubt this lot will find a happy home!

Baseball Cards

125 1921 Oxford Confectionery George Sisler SGC 3 325

A very tough card of a widely collected player, we have not seen one of these in some time. Offered is a fine looking 3, with note to a strong image, terrific centering and a super clean back. The corner wear is very mild and consistent, some very subtle creasing keeps this at an awfully nice 3.

129 1925 W590 Frankie Frisch PSA 8..... 200
Uncommon 1920s HOF strip card, this has a flawless image and four sharp corners.

130 1926 W512 6 Babe Ruth PSA Authentic 450
A scarce Babe Ruth strip card as these are usually fake, the offered card is an Authentic as the borders are basically cut off, which is not unusual for 1920s strip cards. With some creasing, the blank back has 50 written in either pencil or light ink, the card retains its original color and a respectable image.

131 1928 Sweetman 25 Hack Wilson SGC 3..... 100
Very cool and uncommon early Hack Wilson card, we have not seen one of these in years. Offered is a pleasing 3, it has a nice image. The back has slight wear and there is a crease, the card presents well.

132 1929 R316 Kashin Babe Ruth SGC 2.5 500
Very sharp looking card, this has four terrific corners. We cannot see any creases, there is minute wear in one spot by the lower right corner. Cut almost completely to the bottom border, the surfaces and image otherwise look great.

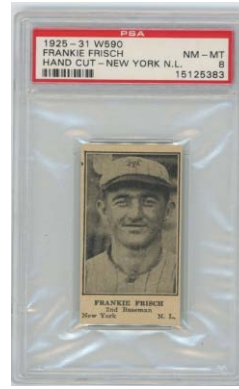

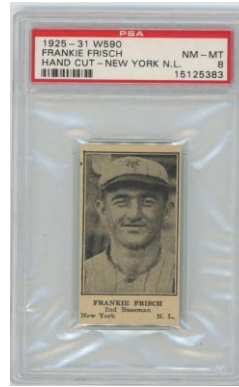

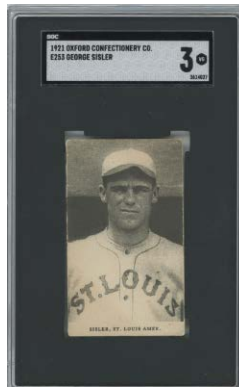

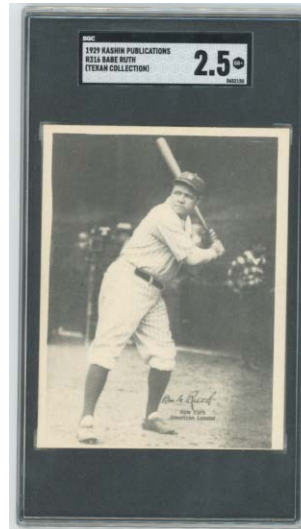

133 1933 Goudey 23 Kiki Cuyler PSA 5..... 150
Really nice card, this has crisp corners and outstanding color. Very clean, this will be an upgrade for almost all of you.

138 1934 Diamond Stars 74 Tony Lazzeri SGC 7 150
One of my favorite card in the set, this superb 7 is well centered with four sharp corners, the color and image quality is superb.

139 1934 Goudey 37 Lou Gehrig SGC 2 1200
An iconic baseball card, a hobby classic. Offered as a pleasing Good 2, this earns its grade with corner wear and creasing. The card has no paper loss on the back or technical flaws, it is just an honest 2. Fairly well centered, this is low grade but not abused. It is amazing how much of a discount these trade at compared to the 1933 Goudey Ruth cards.

140 1934 Goudey 61 Lou Gehrig SGC 2 900
An underrated Lou Gehrig card, I always liked these. Another honest lower grade card, this is well centered with good color and a respectable image. The back has no paper loss, the creasing on the card is not excessive. Corner wear and some general wear keep this at a 2, the card is not bad at all.

141 1934 Goudey 61 Lou Gehrig SGC 3 1000
Elusive semi-high number, I also liked this card. The offered card has respectable centering, good color and a perfectly focused image of Gehrig. Not bad at all, moderate creasing and corner wear keep this at a 3. The back looks good, the surfaces are clean, this classic 1930s gum card has good eye appeal.

Baseball Cards

142 1935 Goudey Babe Ruth (Boston Braves) PSA 2 mk..... 300

An underrated Ruth card from his final season as a player, the offered card has rich color and good centering. Extensive wear at the upper left corner keeps this at a 2, we do not see any creases or wrinkles. We also do not see any writing to explain the qualifier, perhaps pencil was erased, we are not sure.

143 1939 Play Ball 26 Joe DiMaggio PSA 4..... 750
Classic Joe DiMaggio card, this is such a nice photo. The offered card is superb for the grade. Well centered, we cannot see any creases or wrinkles, even under magnification. The surfaces are perfectly clean, the borders look good. The corners show only very slight wear, this card is much more like a 5 than a 4. The back is perfectly clean, it would be almost impossible to find a nicer 4.

144 1941 Play Ball 71 Joe DiMaggio PSA 1.5 500
An iconic card, this is the key card to a hobby classic set. The offered card has a perfectly focused image and gorgeous color. Centered to the right border, the front has one moderate crease that does not crack the paper. The corners are not bad at all, the back is also clean. Despite its low technical grade, the fine color and image quality provide for tremendous eye appeal.

145 1947-66 Exhibit Jackie Robinson PSA 5..... 100
Not rare of course, but PSA is tough on oversize issues, so a 5 is not an easy grade to get this in. Extremely clean, a flick of wear at the upper left corner is the only real distraction. The image of Jackie running looks great, the blank back is quite clean, this looks to be a very strong 5.

146 1948 Leaf 1 Joe DiMaggio PSA 5 1200
A very popular card, this is also an absolute key to this widely collected set. Often found with major condition issues, a 5 is a very high grade for one of these. The offered card has superb color, a gorgeous image and very clean white borders. Reasonably well centered, the corners show only very slight wear. There are no print or registration issues, the back looks great. The card has a very vibrant and fresh feel, this one is really nice.

147 1948 Leaf 2 Babe Ruth PSA 1..... 300
An ideal 1, this has terrific centering and a nice image. The back is perfectly clean, there is hardly any creasing, general wear on the front likely led to the 1 grade. It would be almost impossible to find anything remotely this attractive in a 1 holder, this should be a very popular lot.

Baseball Cards

1949 Bowmans

148 27 Feller PSA 7..... 150
Nicely centered with vibrant red color, this displays really well. The corners are all solid, the surfaces are perfectly clean. These are not so easy to find in this quality, Feller is a widely collected HOFer.

149 60 Berra PSA 6..... 175
An elusive card in quality condition, offered is a rather sharp and fine 6. Centered a hair to the left border, the color is terrific, the image looks great. The corners come to solid points, this is an awfully colorful, attractive and sharp looking card for the grade.

150 82 Joe Page PSA 8..... 60
Super sharp 1949 Bowman card of this key Yankee relief pitcher, the color is terrific. The corners are terrific, this is centered a hair to the bottom left corner.

151 84 Campanella RC PSA 5..... 300
A key HOFer, these seem so cheap at current market levels. A bright and clean 5, this has perfect color and image quality. The borders are white, the surfaces are perfectly clean. Centered mildly to the bottom border, the corners come to points, a corner line at the lower right corner keeps this at a very nice 5.

152 98.2 Rizzuto NNOF PSA 7..... 100
Sharp and fine 7, this has strong corners, perfect color and quality centering.

153 110 E Wynn RC PSA 6.5..... 180
An absolutely ideal card for the grade, this has amazing centering, which is just so unusual. Crisp and quite clean, the borders are immaculate, the image is superb. The corners come to points, PSA split hairs a bit with the grade here.

154 226 Duke Snider RC PSA 7..... 1000
A classic HOF Rookie Card and an absolute key to this set, this is always a very desirable card. These have naturally appreciated rapidly in recent years in price, especially for something as nice as the offered card. A peerless 7, this has terrific centering and rich color. The surfaces are perfectly clean, the borders look good, the corners all come to solid points. Fine 7.

155 233 Larry Doby RC PSA 3..... 200
A desirable card of an important and beloved HOFer, the offered card looks awfully, awfully nice for the grade. Well centered with no visible creasing, the surfaces are clean, the color is excellent. The back looks good, the borders are clean. Corner wear is the only issue here, the grade does appear to be a bit conservative, this is an awfully nice card for a 3.

156 233 Larry Doby RC SGC 6 575
Terrific card, this is the Rookie Card of a beloved and important player and also a high number. Solid 6, this has excellent centering and perfect color. The corners come to solid points, the borders are quite clean, the surfaces are flawless, the back is perfectly clean as well.

There are no print lines, the back is quite nice. Centered heavily to the left border, the top to bottom centering is not bad at all. 1952 Berk Ross

161 24 Gil Hodges PSA 8..... 150
 Exceptionally well centered with four sharp corners, this is not an easy 8. The card has a nice full image of the beloved Hodges batting in his Brooklyn Dodger uniform and looking right at the camera, quality card.

162 37 Mickey Mantle PSA 2..... 1000
 A very tough and desirable early Mickey Mantle card, you see far fewer of these than either the 1951 Bowman or 1952 Topps cards. Popular due to the use of the same image as the 1951 Bowman card, the offered card is nice as it has truly exceptional centering. Often found with major cutting issues, this looks great for the grade. The offered card has a clean image, mild corner wear and a nice back. Baseball Cards

1953 Topps

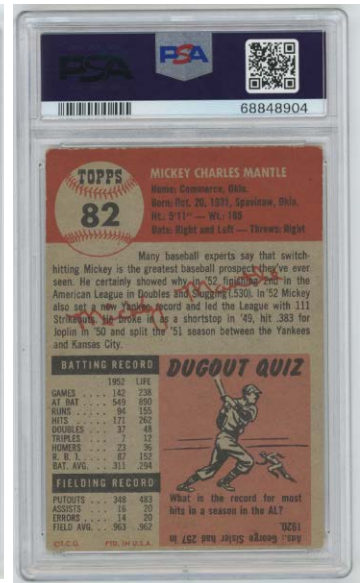

165 1952 Bowman 101 Mickey Mantle SGC 5 1500

Only the second card of Mickey Mantle, these seem so undervalued right now. These have been really drying up of late as shrewd buyers are buying these and putting them away for potential future appreciation. The offered card is a really nice 5, with respectable corners and nice centering.

An awfully nice card for the grade; with the skyrocketing prices for Willie Mays's 1951 Bowman and 1952 Topps cards, it will be interesting to see where these trade at in a few years. Freshly graded, fine card.

371 1971 Topps Greatest Moments
1 Thurman Munson PSA 5..... 300
Classic card, these are so hard to find without qualifiers. An absolute key to this cult favorite set, the offered card has black borders and rich color. Centered heavily to the bottom border, the corners are not bad at all. The back is actually pretty well centered and quite clean.

372 1972 Topps 130 Gibson PSA 8..... 30
Fine 8, this is very well centered with four sharp corners.

373 1972 Topps 445 Seaver PSA 8..... 65
An elusive 8, this has four sharp corners and superior centering to almost all other examples that trade.

374 1972 Topps 751 Carlton Traded PSA 8..... 30

375 1973 Topps 615 Schmidt RC/Cey PSA 7..... 100
Classic 1970s Rookie Card, this has four very sharp corners. Crisp and clean, the borders are white, the color is strong. Centered slightly to the right border, the offered card is a high quality 7 to our eyes.

376 1973 Topps 615 Schmidt RC/Cey SGC 8..... 250
The absolute key to the set, this example has rich color and four very sharp corners. Quite clean overall, slight, slight centering to the right border keeps this from grading higher. This will be a major upgrade for almost all of you.

377 1973 Topps 615 Schmidt RC/Cey SGC 8.5..... 375
Remarkable quality Schmidt Rookie, this has outstanding centering. With four sharp corners, super white borders and perfect color, the back is also quite sharp and clean. Very possibly a 9 on the right day, SGC really split hairs a bit with the grade here, this one really looks to be in tremendous condition.

378 1973 Topps Comics Harmon Killebrew PSA 6..... 200
Great test issue, one of my personal favorites, these are such difficult cards. An extremely attractive issue, the offered card has four sharp corners and beautiful color. The corners are quite sharp, the back is clean, we do not follow the grade here, it looks much more like an 8 than a 6. Very popular player, super cool card, the winning bidder should really enjoy this little treasure.

379 1974 Topps 340 Munson PSA 9..... 75
Mint card of the beloved Thurman Munson, this has terrific centering and four perfect corners.

380 1975 Topps 223 Yount RC PSA 8..... 90
Uncommon 8, these are perfect to add to high grade sets. Sharp and bright, this is well centered left to right and cut slightly to the bottom border.

381 1993 SP 279 Jeter RC Beckett 8.5..... 100
Well centered with four very sharp corners, the card is extremely nice. Flicks of white away from a 9, this displays very well for the grade.

382 1993 SP 279 Jeter RC SGC 8.5 210
A super sharp card, the slightest flicks of white keep this from grading a Mint 9.

383 1997 Donruss Signature
David Ortiz Signed RC PSA 10/10..... 350
Fun card of this super popular HOFer, it is great to find this in a double 10 PSA holder!

384 2001 Donruss Classics 108
Albert Pujols Rookie Auto PSA 10 (auto) .. 225
A terrific Albert Pujols Rookie signed card, we hardly ever see these. The card looks great, the vital Rookie signature is graded a Gem Mint 10 by PSA, the card itself an Authentic. Freshly graded, good card.

385 2001 Upper Deck 295 Albert Pujols RC PSA 10.... 175
Freshly graded, Pujols's successful pursuit of 700 home runs last season was amazing. Gem Mint 10 Rookie Card, this is immaculate.

386 2010 Bowman Platinum
5 Mike Trout RC Beckett 9.5..... 30
Gem Mint card, this might be a good time to add this to your collection.

387 2018 Topps 83 Chrome
145 Shohei Ohtani Green Refractor (59/99) SGC 10..... 200
Limited edition Ohtani card, this looks great.

388 2022 Topps Tier One
Bryce Harper Auto Card 1/1 175
A one-of-a-one Bryce Harper signed card as a Phillies player, this should be very hot right now.

Baseball Card Sets and Lots

390 1909-11 T206 Lot of 24 different w/Griffith, Merkle VG 150
 Pleasing mid-grade lot, these vary a bit but are VG overall to our eyes. The backs are all clean, these are all reasonably clean and attractive lots. The Griffith is miscut to the bottom border, we will have front and back scans of everything on our website.

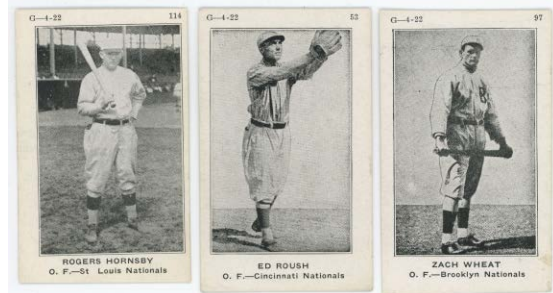

391 1911 M116 Sporting Life Lot of 9 different Cubs w/Tinker, Evers, Chance 150
 A very seldom offered run, these are neat cards. Headlined by the immortal trio of Tinker to Evers to Chance, the cards vary in grade and may not come back with numerical grades from a grading service based on the cuts (we did not submit anything here and are not sure either way). The Chance has an ink mark, the Evers and Tinker may be hand-cut, so please keep that in mind. We will have front and back scans of all of the cards on our website, this is a desirable run to find in any condition and again, these hardly ever come to market as such.

392 1911 T205 35 different commons Good 250
 Pleasing lot, these have good color and are not bad at all for the grade. These are not easy to find these days in this quantity, everything will be pictured front and back on our website.

393 1921 E121 Series 120 92 different w/20 HOFers Good 675
 A pleasing and consistent lower grade lot, this is a very substantial portion of a set that just does not come to market in complete form. The cards are honest lower grade cards, generally just due to corner wear, the backs are fine, the images tend to be nice. A very substantial offering, we will have a complete inventory on our website. These are the HOFers in the lot (there are also many popular 1920s Yankees and secondary stars like Grimm, Mays, Shocker, Wambsganss etc): Dave Bancroft, Max Carey, Eddie Collins, Stanley Coveleskie, Urban Faber, Jess Haines, Harry Heilmann (correct name), Harry Hooper, Waite Hoyt, Miller Huggins, John McGraw, S. Rice, Eppa Rixey, Wilbert Robinson, Ed Roush, Ray Schalk (catching), Joe Sewell, Bill Southworth, Tris Speaker (small projection), Ross Youngs.

394 1922 W501 Near-Set (88/120) w/17 HOFers 1000
 A rare offering, these hardly ever come to market in any kind of quantity. A strip card set, the cuts do vary quite a bit on these cards, but they do vary. This set has a good percentage of HOFers and contains many 1920s Yankee players and other popular secondary stars (Kid Gleason, Carl Mays, Urban Shocker etc.). The HOFers include Eddie Collins, Rogers Hornsby, John McGraw and Zack Wheat, all will be pictured on our website, they are a reasonable example of the varying cuts throughout the lot. We will have a complete checklist on our website. Good lot.

Baseball Cards

395 1923 W572 75 different w/7 HOFers VG 625
 Something you just never see, this is more than half of this hardly ever seen 121-card issue (as a full set). The condition varies extensively from Poor to Ex, approximately 80% of the lot is reasonably well cut. The offered lot is substantial beyond its unusual quantity as it includes seven HOFers (Harris, Maranville, Marquard, Rixey, Roush, Schalk and Traynor) and many 1920s Yankees and cult favorite players (Bush, Groh, Meusel brothers, Pipp, Shawkey etc).

398 1935 R310 Butterfinger 47 different w/18 HOFers VG 300
 A very substantial lot of this increasingly popular issue, this is a nice portion of a full set. A physically hefty lot, every card is in an individual hard holder for protection. These are the HOFers in the lot: Averill, Bottomly (Bottomley), Cochrane (Beckett 3), Cronin, Dickey (Beckett 2), Durocher, Ferrell, Frisch, Gehring, Grove, Hafey, Harris, Hoyt, Ott, Ruffing, Simmons, L. Waner and P. Waner. As always with Butterfingers, due to their fragile stock, there are condition issues. The overall VG grade is probably very conservative; while there are certainly some rougher condition pieces here, most of these are quite nice for the issue. This lot could have a very substantial value as singles and will save a set collector some real time and money.

396 1934 Diamond Stars Near-basic set (85/96) w/24 HOFers! VG to VG-Ex..... 750
 Close to a set, this is a very substantial lot with the amazing percentage of HOFers. The condition is mainly VG to VG-Ex, with some Good scattered about. The lot includes semi-high numbers 87-89 and 91-96 that are often missing from these types of lots. The HOFers are 1 Grove, 2 Simmons, 3 Maranville, 11 Dickey, 14 Terry, 16 L. Waner, 17 Frisch, 18 Hafey, 27 Traynor, 28 Lopez, 30 Manush, 31 Cuyler, 32 Rice, 36.2 Ernie Lombardi, 39 Hubbell, 43 Lyons, 48 Ferrell, 59 Bottomley, 60 Ruffing, 63 Jackson, 74 Lazzeri, 83 P. Waner, 91 Harris and 95 Appling.

399 1939 Play Ball Full high number run (47 cards) VG-Ex..... 350
 A very underrated high number run, these do not come around very often as full runs. With many Dodgers and secondary stars, set collectors always have trouble filling these in for sets. The offered lot ranges from VG to Ex-Mt, averaging VG-Ex overall. The lower grade cards display well, with honest corner wear typically the only issue. A dealer can also have a field day offering these as singles.

397 1935 Diamond Matchbooks 79 different w/9 HOFers 200
 Mixed-grade lot, some do not have the strikers. The HOFers include Durocher, Hartnett (3), Herman (3), Hubbell, Lombardi, McKechnie and Paul Waner. Several cards have duplicates, the total count for the lot is 99 pieces.

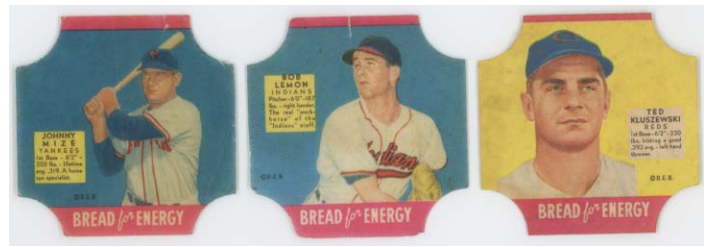

400 1949 Bowman 190 different w/Berra, Feller, Musial and 66 high numbers GVG..... 600
 A very substantial lot, this is a terrific value. Lower grade but not abused (some cards have slight back issues), there are many nicer cards throughout the lot. A perfect foundation for a lower grade set, these many better cards are included in the lot: 1 Bickford RC, 11 Boudreau, 19 B Brown RC, 24 Musial, 26 Kell RC, 27 Feller, 29 Kiner, 47 Sain, 54 Marion, 60 Berra, 65 Slaughter, 70 Furillo RC, 82 Page, 85.1 Mize NNOF, 86 Pesky, 98.1 Rizzuto NNOF, 111 Schoendienst, 128 VanderMeer, 164 Wertz RC, 174 T Moore RC, 175 Appling, 194 Branca RC, 196 Hutchinson, 208 Trout, 216 Rowe, 225 Coleman RC, 229 E Lopat RC.

Baseball Cards

401 1950 Bowman 242 different
w/several stars VG to VG-Ex..... 500
Nearly a set, this is an honest low to middle grade lot. Loaded with value, these cards are not so easy to find so close to a full set. The condition varies mildly, some low numbers are rough like usual, but there are many nicer cards in the lot. Please note these better cards (and almost everything below them by book value) are included: 1 Mel Parnell RC, 3 Dom DiMaggio, 6 Bob Feller, 8 George Kell, 10 Tommy Henrich, 12 Joe Page, 21 Pee Wee Reese, 28 Bobby Thomson, 32 Robin Roberts, 33 Ralph Kiner, 35 Enos Slaughter, 37 Luke Appling, 39 Larry Doby, 40 Bob Lemon, 43 Bobby Doerr, 47 Jerry Coleman, 59 Ralph Branca, 62 Ted Kluszewski, 71 Red Schoendienst, 84 Richie Ashburn, 139 Johnny Mize, 148 Early Wynn, 217 Casey Stengel MG, 219 Hank Bauer RC.

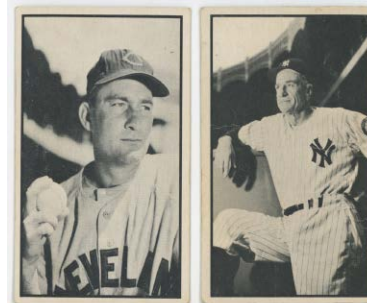

402 1950 Callahan
Complete Basic Set (77 different) Ex-Mt/NM 250
Sharp and clean overall lot, these are very nice cards for the grade, there is some variance. These better cards are included in the lot: Barrow Nm-Mt, Bender Nm-Mt, Cobb Ex+, Connolly Ex-Mt, Dean NM, Gehrig VG-Ex, Klem Nm-Mt, Maranville Nm-Mt, Ruth Ex+, Schalk Nm-Mt, Simmons NM, Terry Nm-Mt, Wagner NM, Wallace NM, Waner, Paul NM and H. Wright PSA 6.5. This lot should have lots of strong potential for slabbing.

403 1952 Fischer's Bread
Complete Set (32 pcs) VG 1000
Beautiful and so scarce as a set, these have great color and display well. The condition varies, we will have front and back scans of everything on our website. The stars are Ralph Branca, Gil Hodges, George Kell, Ted Kluszewski, Bob Lemon, Johnny Mize, Joe Page, Red Schoendienst and Early Wynn. This originally sold in our October 2022 auction but is offered again as the winning bidder was a lowlife Canadian named Charles Dugre who refused to honor his bids because we would not commit customs fraud for him. Be that as it may, this is a terrific lot and a rare offering that one hardly ever sees.

404 Superb 1952 Wheaties Framed Display
(12 cards) 150
Great presentation, the offered lot is a brilliantly composed 34x17 framed display. Strikingly nice, this has a full 1952 Wheaties box back with seven cards including Mikan, Musial and Sned, a two-card panel with Campanella and a three-card panel with Feller, Graham and Pollard. The centerpiece is a box front with a baseball player by the lower left. Superb.

405 1953 Bowman Black/White
Complete Set VG-Ex..... 400
A somewhat elusive set, this one is not bad at all. Many cards have creasing, but it tends to not crack the paper, as the cards still display well. The condition ranges from Good to VG-Ex/Ex, we grade the key cards as follows: 1 G Bell VG, 15 Mize VG-Ex, 25 Sain Good, 26 Roe VG-Ex/Ex, 27 Lemon VG-Ex/Ex, 28 Wilhelm VG-Ex/Ex, 31 Woodling Good, 36 Piersall VG+, 39 Stengel Good, 46 B Harris VG-Ex, 51 Burdette VG-Ex/Ex, 52 Branca VG, 60 B Cox VG, 64 Hansen VG-Ex/Ex.

Baseball Cards

406 1953 Topps Complete Set 1000

Very mixed condition set, it is about half VG-Ex or close to VG-Ex, about 30% VG, the balance lesser. The set could benefit from some upgrading but is not bad at all for a lower grade 53 Topps set. A very substantial value despite the condition, the key cards are very pricey in any grade. The high numbers reflect the rest of the set, and are not bad at all for this type of set. We grade the key cards as follows: 1 J Robinson VG-Ex/Ex (strong card, could be a 5 on the right day), 27 Campanella Good, 37 Mathews VG-Ex/Ex, 54 Feller VG+, 61 Wynn Good, 76 Reese GVG, 82 Mantle Fair-Good (good color, mild creasing, nick on right border), 86 Martin Good (mk on back), 104 Berra GVG, 114 Rizzuto GVG, 147 Spahn GVG, 191 Kiner VG-Ex, 207 Ford VG-Ex/Ex autographed, 220 Paige Good, 225 Shantz GVG, 228 Newhouser Good, 242 Silvera VG, 244 Mays Poor-Fair, 258 Gilliam GVG, 263 Podres Fair-Good, 265 Jensen Fair, 273 Haddix RC Poor and 280 Bolling RC VG-Ex/Ex autographed.

407 1954 Topps Very Near-Set w/stars (235/250) Ex..... 500

Conservatively graded, these are very nice cards. A fine collecting effort, the cards range mainly from a strong VG-Ex to Ex-Mt Plus. There are many very crisp and clean cards here, some were cracked out of PSA holders. A choice lot from an old time collector with a good eye, these better cards come in the lot: 17 Rizzuto, 20 Spahn, 25 Kuenn RC, 32 Snider, 35 Gilliam, 36 Wilhelm, 45 Ashburn, 70 Doby, 85 Turley RC, 98 Black, 102 Hodges, 137 Moon RC, 139 O'Brien's, 166 Podres, 169 Hughes, 205 Sain.

408 1955 Robert Gould Complete Statue Set (28 pcs) Ex+ 200

Pleasing set, this has a clean design and a round base. Very scarce as a full set, these hardly ever come to market. Anchored by some very difficult pieces of Richie Ashburn, Ernie Banks and Willie Mays, this is a substantial and desirable offering. We believe the condition is a nice Ex Plus or possibly better overall, there are no broken bats or obvious condition flaws to our eyes.

409 1956 Topps Pins Lot of 22 PSA Slabbed Coins w/14 6s and 1 7 225

Nice lot, the 6s retail around \$50 each, some less, some more. A difficult issue to find in nice condition, the lot is as follows: Sandy Amoros 6, Joe Black 4, Ray Boone 6, Ken Boyer 5, Jim Finigan 7, Grady Hatton 5, Frank House 6, Bob Kennedy 6, Roy McMillan 6, Willie Miranda 6, Wally Moon 6, Don Mossi 6, Johnny O'Brien 6, Vic Power 6, Jim Rivera 6, Hank Sauer 4, Roy Sievers 6, Al Smith 5, Frank Sullivan 6, Bill Tremel 6, Bob Turley 5, Herman Wehmeier 4.

410 1957 Sohio Indians Complete Set in Original Panels 175

Very charming item, this is the original 1957 Sohio Indians set. As originally issued, this is with the original book in uncut three-card panels. Loaded set, this has Rookie Cards of Roger Maris and Rocky Colavito, with HOFers Lemon and Wynn. Grading has made sets like this extremely hard to find, the Maris Rookie looks terrific.

Baseball Cards

411 1958 Topps Complete Set VG-Ex/Ex..... 600
 Pleasing and consistent mid-grade set, this was clearly assembled with care. VG-Ex/Ex overall, there are some sharper cards scattered throughout the set. The key cards are pretty nice, some are off-center, others are very well centered. An excellent value set with no real issues, we grade the many key cards as follows: 1 Williams VG-Ex/Ex ctd, 5 Mays Ex+, 25 Drysdale VG+, 30.1 Aaron VG+ ctd, 47 Maris RC VG-Ex/Ex ctd, 52.1 Clemente VG-Ex/Ex, 70.1 Kaline VG-Ex/Ex, 150 Mantle VG-Ex/Ex, 187 Koufax VG-Ex ctd, 246 Yanks TC VG-Ex/Ex, 285 F Robby Ex ctd, 288 Killebrew VG-Ex, 307 B Robby Ex, 310 Banks VG-Ex/Ex, 321 Klu/Williams VG-Ex, 343 Cepeda RC VG-Ex, 370 Berra Ex ctd, 418 Mantle/Aaron VG+, 436 Mays/Snider Ex-Mt+, 485 Williams AS VG-Ex/Ex, 486 Mays AS Ex++, 487 Mantle AS Ex, 488 Aaron AS Ex.

412 1959 Fleer Ted Williams Complete Set w/real #68 NM..... 400
 Always a popular set, this includes a wrapper. The condition is very nice, these look to be about 70% Near Mint, the balance is almost all a solid Ex-Mt. A fresh, presumably un-picked set, we grade the key cards as follows: 1 Early Years NM, 2 Babe Ruth Ex, 11 1935 - With Jimmie Foxx Ex-Mt, 63 All Star Record NM, 68 Ted Signs 1959 Ex-Mt+, 67 With Sammy Sneed Nm-Mt, 70 With Jim Thorpe Nm-Mt, 75 With Babe Ruth VG-Ex/Ex (sharp w/tiny corner line), 79 Where Ted Stands NM and 80 Teds Goals 1959 Ex-Mt.

72

413 1959 Topps Complete Set VG-Ex/Ex..... 500
 Not a bad set at all, the offered set is a reasonably consistent VG-Ex to Ex overall. There is some mild variance in both directions. The set has two weaker Mantle cards, but the other keys are not bad at all. With a great breakdown value as singles, this set still offers a very substantial value despite its issues. We grade the key cards as follows: 10 Mantle VG, 40.2 Spahn Ex-Mt, 50 Mays VG-Ex, 150 Musial Ex mk, 163 Koufax Ex-Mt mc, 202 Maris VG-Ex/Ex, 380 Aaron Ex, 461 Mickey Mantle HR VG-Ex/Ex, 478 Clemente VG-Ex/Ex, 510 Yankees TC NM mk, 514 Bob Gibson RC VG-Ex, 515 Harmon Killebrew VG-Ex/Ex, 543 Trio/Clemente Ex, 550 Campanella Ex, 561 Aaron AS VG, 563 Mays AS VG+ and 564 Mantle AS Good.

415 1960 Leaf Complete Set Ex-Mt/NM..... 450
 Quality set, dealers love these because of the large high number run. With a good breakdown value, the offered lot is a pleasing and consistent Ex-Mt/NM overall. There is light variance, the key cards rate as follows: 1 Aparicio Ex, 27 B Robby NM, 37 Snider Nm-Mt, 75 Culp RC Ex-Mt+, 94 Two Hal Smiths Nm-Mt, 115 Tanner Ex-Mt, 118 Callison NM, 125 Anderson Ex-Mt, 128 Cepeda NM, 141 Flood Ex-Mt+, 144 Bunning Ex-Mt+.

418 1962 Jello 104 different w/many HOFers..... 600
 A solid mid-grade lot of the rare 1962 Jell-O cards, these hardly ever come to market in this quantity. The cuts are not bad at all, the cards tend to have good color and display well. We will have an exact inventory on our website, the stars are 9 Ford, 29 Kaline, 32 D. Williams, 35 Wilhelm, 47 Fox, 49 Aparicio, 51 Minoso, 55 Wynn, 84 B. Martin, 122 F. Robinson, 136 Cepeda, 184 Santo and 186 Ashburn.

419 1962 Topps Clean Green Tint Variation Run (81 different) Ex-Mt 250
 A cool run that you hardly ever see offered as one lot, the offered lot is a clean Ex-Mt overall. With some variance in condition and of course centering, these display well overall. This is a terrific lot to pair with a clean 1962 Topps set to assemble a master set. These better cards come in the lot: 110 Skowron, 116 Score, 139.1 Babe Ruth Story:5, 139.3 Hal Reniff RC Pit, 140 Ruth/Gehrig, 167 McCarver RC, 190 Moon.

416 1961 Fleer Complete Set Strong Ex-Mt/NM..... 190
 An underrated set with a high number run that has many HOFers, I always liked these. Often found with condition issues, the offered lot is particularly clean, fine and consistent. Presented in Card Savers in four-pocket sheets, our consignor was very proud of this set. The set has only very slight variance and is as nice as one may find in this market short of a slabbed set. A fun set to peruse with the many HOFers, we grade the key cards as follows: 1 Baker, Cobb, Wheat Ex-Mt+, 14 Ty Cobb NM, 31 Gehrig Ex-Mt, 59 Mathewson NM, 75 Ruth Ex-Mt+, 89 Sisler/Traynor Ex++, 120 Lajoie Nm-Mt, 123 Mack Ex-Mt+, 135 Plank Ex++, 142 Terry Ex-Mt+, 144 Pie Traynor NM, 150 Wagner NM, 152 Ted Williams Ex-Mt+, 153 Young Ex-Mt+.

420 1962 Topps 550 different w/many key cards and 43 high numbers Ex..... 550

421 1963 Topps Lot of 530 Presentation Cards
w/12 PSAs 500

A fresh Topps presentation set, this comes with the original boxes. We picked this up after the PSA shutdown, so we were extremely selective in what we submitted. We did receive 9s and many 8s, these cards have that signature presentation set look and feel. However, as with all presentation sets, the cuts do vary, some are off-center, others cut short. There are 19 PSA cards in the lot, four 8s, seven 7s, the balance are Authentics. There should still be plenty of additional opportunities for slabbing for someone with a good eye. A very substantial lot with almost the entire semi-high number run, the catalog value as singles is sure to be quite substantial. These better cards come in the lot: 9 Drys/Koufax LL, 25 Kaline, 68 Hodges/Snider (PSA 7), 135 Ashburn, 169 Perry, 205 Aparicio, 245 Hodges, 312 Colts Team, 320 Spahn, 337 Dodgers Team, 340 Berra, 345 B Robinson, 353 B Williams, 360 Drysdale, 390 Aaron (PSA A), 415 Gibson, 440 Marichal, 446 Ford, 450 Friend, 451 Indians Team, 458 Lopez, 466 Freehan RC SP, 470 Tresh SP, 473 Mets Team, 484 Long, 490 McCovey, 505 Flood, 524 Cardinals Team, 525 Fox, 540 Clemente, 544 Staub RC, 552 Tigers Team, 558 Hunt RC, 562 McNally RC, 576 Temple.

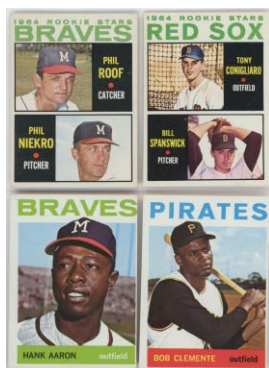

422 1964 Topps Complete Set VG-Ex/Ex..... 800

Typical set, in that the commons can be a click or two in grade above the stars. A pleasing mid-grade set with some variance in both directions, the set could benefit from some simple and inexpensive upgrading. There are no real issues here, no ugly cards in need of upgrading, these are just honest mid-grade cards. 427 1967 Topps Complete Set Ex+ 1000
 One of the most popular Topps sets ever produced, these are always very desirable as full sets. This is a set that was clearly put together with great care, with note to exceptional overall centering. The high number run is quite nice for this type of set, also with exceptional overall centering. From a hobby old timer, the Seaver RC could easily come back a 6 on the right day. The weaker cards are very simple and inexpensive to upgrade if desired, the vital high number run is pretty solid overall. New York Mets Set w/Ryan and Seaver (5 boxes) 750

Super cool item, these are tight, fresh and gorgeous untouched full boxes. The cards look great, with hardly any wear, the cellophane is perfectly tight, the figures should be perfect. Hardly ever offered as a full set, the box with Ryan is almost impossible to find due to slabbing. The Ryan and Seaver cards have slight surface wear, we can make no prediction for slabbing. A great display piece, these are just so charming and cool, the winning bidder should really enjoy this terrific lot that has scarcity, star power and condition all going for it!

433 1970 Topps Complete Set Ex+ 500

Nice but varied grade set, perhaps half is a crisp Ex-Mt, maybe more, the high numbers are more like VG-Ex overall. The set varies mildly in grade, and can be easily upgraded if desired. 436 1971 Topps Complete Set -4 Ex w/nicer 400
 Missing just four cards (400, 600, 550, 630), offered is a rather black and nice Ex overall set. With some mild condition variance as is typical, this set has a very clean high number run and many nice cards well above Ex. In fact, from the low 200s to the end of the set, it is a solid Ex-Mt set with nicer cards, providing for a very solid breakdown value or upgrade potential. We grade the key cards as follows: 5 Munson VG-Ex/Ex, 20 Jackson VG-Ex/Ex, 100 Rose VG-Ex, 160 Seaver Ex-Mt, 250 Bench Ex++, 341 Garvey RC Ex-Mt+, 513 Ryan Ex-Mt, 525 Banks Ex-Mt+, 530 Yaz Ex-Mt+, 570 Palmer Ex++, 625 Brock Ex+, 640 F Robinson NM, 650 Allen SP Ex-Mt+, 688 Anderson Ex-Mt+, 709 Baylor/Baker RC VG-Ex/Ex, 740 Aparicio Ex-Mt+.

 Very attractive set, these have terrific large format images. Anchored by a Clemente that sells in the \$300 to \$350 range, the set also includes heavyweights Aaron, Mays, Rose, Seaver and Yaz. 454 1921 Exhibit Ray Schalk Signed Card
8.5 (vintage signed)..... 200

Very cool signed card, you have to love the image of Schalk in his full catcher's gear. An honest 1919 Black Sox HOFer, Schalk died in 1970 and is a desirable autograph, he hardly comes to market signed in fountain pen ink in the 1920s, much less on a card. The card itself has a fair amount of corner wear and a pinhole, but the back is clean and the image is solid. Signed neatly in fountain pen ink by the bottom border, this is something that you hardly ever see. PSA slabbed.

Autographed Cards

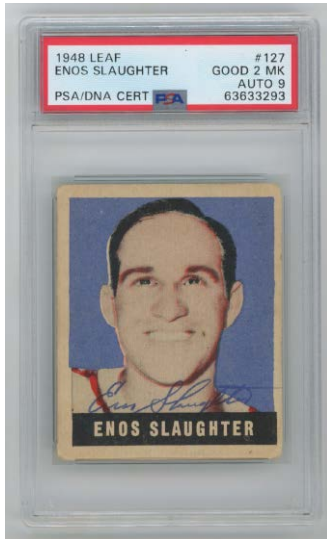

456 Ty Cobb Signed Baseball Magazine Premium 9.. 300
Quite clean with full borders, clean edges and a fine image, some minute surface creases are the only issue here. Typically found with chipping and substantial edge and general wear, this is one of the very nicest condition signed original Baseball Magazine premiums that one is likely to find. Signed by the legendary Ty Cobb, this has a huge blue fountain pen signature, and is dated February 2, 1948. Slightly oversize at 8.5 x 10.5, the larger size allows for a much larger and nicer image of Cobb than is typically found on anything he has signed. Top quality all the way, this is ideal for display and is something that hardly ever comes along in anything approaching the overall quality of the offered lot. JSA LOA full.

455 1933 Goudey
223 Dizzy Dean Signed Card PSA 1/9 .. 1000

One of the best combinations of card and signature that one will find, this is a classic card of a beloved HOFer. One of the key cards to the famed 1933 Goudey set, how cool is it to find one with an autograph?! The offered card is an honest 1 due to corner wear and some general wear. The card retains good color, the back is fine, the card is low grade but not abused. Signed by Dean in super bold blue ballpoint ink, PSA rated the autograph a Mint 9. This is simply a great signed card.

Baseball Autographs

457 1948 Leaf
127 Enos Slaughter SP (rare) PSA 2 mk/9..... 625
One of the toughest cards in this revered set, how cool is it to find one signed? Fine looking card, the image has perfect focus and color. Centered slightly to the right border, the surfaces are clean. PSA only graded this a 2 due to wear on the back. Slaughter signed this very neatly in a perfect spot, this is a great looking and rare signed card.

460 1951 Topps Red Back
31 Gil Hodges Signed Card 8..... 250
Very scarce signed Gil Hodges card, these hardly ever come to market. Long overdue HOFer, his signed cards have naturally rapidly increased in price in recent years. Beckett slabbed, the card has creasing but still displays well. Hodges signed this in pleasing blue ballpoint ink by the bottom of the card, the signature is in blue ink and has a good flow to it.

458 1949 Bowman
110 Early Wynn Signed Card 9..... 250
A very difficult HOF Rookie Card to find with an autograph, I cannot remember the last time we saw one of these. The offered card has good centering, rich color and a flawless image. PSA graded the card itself a very conservative 4, we feel the autograph grades a least a Mint 9, it looks terrific.

459 1949 Bowman Joe Gordon Signed Rookie Card (scarce) 300
His Rookie card to many collectors, it is a tough high number. Gordon died in 1978, decades before becoming a HOFer, so hardly any of these were signed. Offered is a bright and clean card, the autograph is in very solid blue ballpoint ink in a perfect spot. PSA slabbed Authentic, the front of the card has one corner crease and is nice, the back has extra paper from scrapbook removal that likely can be removed if desired.

The condition varies on the cards, many are weaker. The autographs are a mix of vintage and sharpie, most are nice. It is extremely unusual to find so many different 1956 Topps cards in one shot, this was a great passion project for our consignor, he spent decades on this. We will have an exact listing on our website, JSA LOAA. 80

463 1963 Topps 245 Gil Hodges Signed Card

Very cool and pretty unique lot, these are cards signed by Major League baseball managers on cards from the 1960s through the 1980s. The autographs are quite bold overall, the cards are clean as well. There are many cards here from the 1970s, signed card set collectors could do well picking what they need from this lot. 470 Alston, Walt PSA 10..... 375

476 Cronin, Joe PSA 6..... 200
A key to the set, Cronin died in 1983. We do not follow the grade here at all, this has a large and spotless blue sharpie ink signature in a perfect spot. We feel the signature should be a 9/10. There are no breaks or visible skips in the signature, even under magnification. Probably something to crack out for future grading, someone may get a real steal on this one!

477 DiMaggio PSA 10..... 110
A modern classic, this is one of the best images in the set. A PSA 10, it does not get any better than this!

486 Puckett PSA 10..... 250
Sadly a very tough piece, these were signed in a limited quantity and have been steadily appreciating for years. Offered is an immaculate PSA 10 slabbed postcard, the signature truly merits the grade, it is a real stunner!

487 Ruffing PSA 10..... 250
Scarce piece in this quality, the blue sharpie signature is a real stunner. Pre-war Yankees HOFer, he died in 1986, this is missing from almost all sets.

Sadly very uncommon, this is always desirable when found in a 10 holder.

512 1881 Harry Wright Personally Written and Initialed Scorecard w/Brouthers and O'Rourke..... 200
Very neat item, offered is a Harry Wright personally scored scorecard. This measures 6.5 x 4 and is very neatly scored. This was for a game played on July 1, 1881 between the Boston and Bradfords teams. The HOFers are Dan Brouthers and Jim O'Rourke. Wright may have made an error here as Brouthers and O'Rourke played in 1881 for Buffalo, this is initialed H.W. by Harry Wright. PSA DNA full.

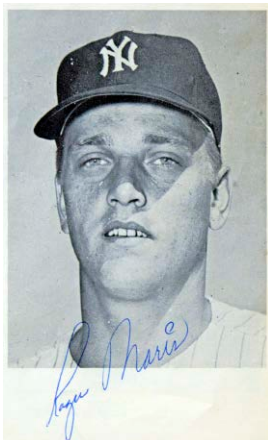

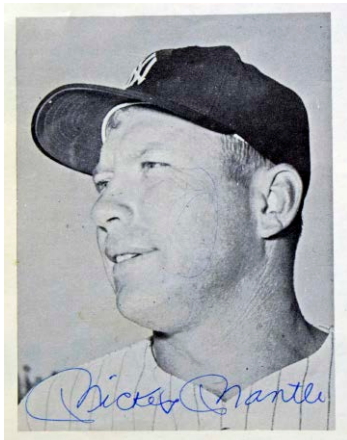

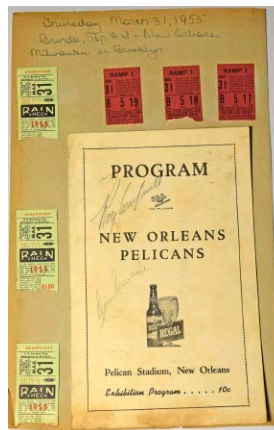

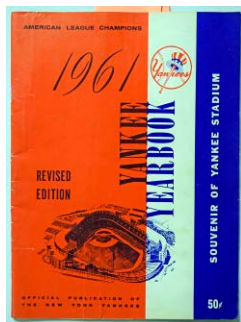

513 Superb 1942 Who's Who w/period DiMaggio and Williams Autographs (31 sigs) 9 500
Simply an amazing piece, offered is a super clean and attractive 1942 Who's Who in Baseball softcover book. Signed at the time, this is anchored by Mint signatures of Joe DiMaggio and Ted Williams. The other signatures include Yankee HOFers Dickey, Gordon and Rizzuto, many Red Sox including D. DiMaggio, Doerr, Tabor (D'1953 at age 36) and Wagner. 515 1957 Milwaukee Braves Signed World Series Program (31 sigs, superb!) 9 375
The 1957 Milwaukee Braves dethroned a mighty Yankee team to collect their sole World Championship title. An extremely popular and widely collected team, offered is a real gem. This lot is a gorgeous and remarkably well preserved 1957 World Series program (at Milwaukee) that is just loaded with gorgeous signatures. Amazingly comprehensive, the signatures include Aaron, Mathews, Spahn, Dave Jolly (D'1963, rare), Adcock, Buhl, Bruton, Schoendienst, Conley, Nippy Jones and Pafko. This is even signed by the full coaching staff with Charlie Root (D'1970), something you just never see. This is the kind of thing that whatever it sells for, one can argue it is worth more! This lot has everything going for it: scarcity, star power and condition. JSA LOA full.

518 Campanella/Newcombe Signed 1955 Program
9 300

Nice item from the magical Brooklyn Dodger year of 1955, offered is a New Orleans Pelicans program and tickets for a game played on March 31, 1955. Mounted onto period paper, the program is otherwise quite clean. Signed on the front cover by Campy and Newcombe, the autographs are both in bold pencil. This would look great framed with photos of these two beloved Dodgers, good piece. JSA LOA full.

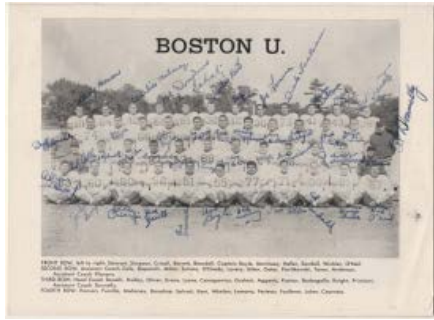

516 1961 Yankees Vintage Signed Yearbook
w/real Mantle and Maris! 8 500

Fresh to the hobby, this came right from the original owner. One of the ultimate teams in baseball history, these hardly ever come around with both Mantle and Maris signatures. The offered book has a very rough cover, the inside pages are much nicer. There are 19 total signatures, with Mantle, Maris, Berra, E. Howard, Skowron, Houk, Billy Martin, Bob Allison (this was signed during a Yankee-Twins game in 1961), Richardson and Boyer. The Mantle, Maris, Berra and Elston Howard signatures on their image and look great, all full size pages. This is a very special item. PSA DNA full.

519 Clemente, Roberto Signed 1968 Cubs Program
9 600

Very nice piece, offered is an unscored Cubs - Pirates program at Wrigley Field. The front cover has a large, bold and superb Roberto Clemente autograph in a perfect spot. In a nice touch, Clemente's desirable 1968 Topps Action All Star Sticker is right next to the autograph. The other Pirate signatures are Alou, Wills, Shepard, Virdon and Alley. This really looks great, JSA LOA full.

517 Agganis, Harry Extremely Rare Signed
1949 Football Program 9 200

A tragic story, noted future star Agganis died in 1955 at only age 26. His autographs are naturally very desirable and scarce. The offered lot is truly remarkable, possibly one-of-a-kind. This is an original Boston University Colgate football program from October 8, 1949. There are 45 signatures from various Boston University players, the key is Harry Agganis. Signed as a 20 year-old, he signed on his image, near the center, in bold blue fountain pen ink. JSA LOA full.

520 Munson, Thurman Signed 1971 Program
(16 sigs) 9 225

Interesting piece, this is a 1971 LA Dodgers Spring Training program. The cover is filled with 16 different solid period blue ballpoint ink signatures. The key autograph is of course Thurman Munson; the other signatures include Walt Alston, Jim Gilliam, Ralph Houk, Elston Howard, Wes Parker, Jeff Torborg and Bobby Valentine. Clearly, this was signed at a Dodger-Yankee Spring Training game. Nice item. JSA LOA full.

Baseball Autographs

521 Wilson, Hack Signed 1931 Program 9 150
 Dated June 19, 1931 on the inset, this is an unscored program between the Chicago Cubs and the Brooklyn Dodgers. The color cover looks great, but the significance here is the extremely desirable autograph of Hack Wilson on the back cover. Signed in pencil, the signature is strong. Wilson is a cult favorite HOFer, he died in 1948 at age 48. JSA LOA full.

522 1950 New York Yankees Framed Display (36 sigs) 9 150
 The second team from the historic five year Yankee 1949-1953 title run, this checks in at a grand 28x35. Composed of five PSA slabbed signatures and an unsigned team photo, the balance are solid cuts and related smaller flats. Something that you hardly ever see, the signatures include DiMaggio, Berra, Billy Martin, Joe Page (scarce), Porterfield (scarce), Ford, Jensen, Rizzuto, Mize and Mapes.

523 1958 New York Yankees Framed Display (32 sigs) 9 150
 Popular Yankee World Championship team, they came back from a 3-1 deficit to avenge their loss in 1957 to the Braves. Grand display, this checks in at 33x41. Composed of a signed 8x10 photos, cards, cuts and related flats, this is very nicely assembled. A substantial piece the signatures include Mantle, Stengel (slabbed), E. Howard (slabbed), Maas (D'1976, scarce), Berra, Ford, Kubek, Simpson, Larsen and Simpson.

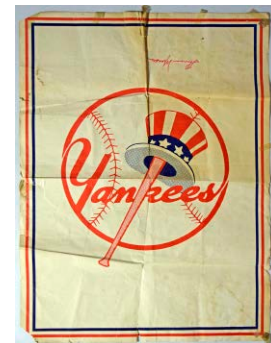

524 Circa 1970 Yankees Poster w/HUGE early Munson Signature 9 375
 21x28 lower grade Yankee poster, we believe this to be circa 1970. Fresh to the hobby, this came from the original owner. This is special as it has a four and half inch long Thurman Munson signature! Signed in flawless red sharpie ink, this might be the biggest Munson signature in the hobby. Possibly destined for a plastic tomb, we did not have the heart to cut this out. PSA DNA full.

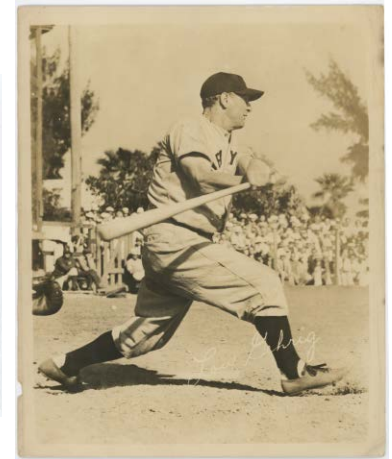

525 1972 Oakland A's Framed Display (21 sigs) 9 50
 Creative display, this checks in at 24x37. Smartly composed homage to this charismatic World Championship team, the signatures include Jackson, Hunter, Fingers and Blue.

526 Large Print 500 Home Run Club 9 200
 One of the ultimate display pieces, offered is a grand and superbly presented Ron Lewis 500 Home Run Club piece. Checking in at a majestic 28 x 46 inches, the presentation is superb. Signed by all pictured, this one is somewhat exceptional as nearly all of the players added their home run totals. While not rare, it seems a bit nuts that a few Mantle single signed balls might run more than this beautiful piece in today's market! JSA LOA full.

527 Cut Baker, William (Phillies owner) 9.5 200
 Bold black fountain pen ink cut, this is an autograph that hardly ever comes to market. Signed on a lined cut, Baker, the namesake for the Baker Bowl, lived from 1866 to 1930; of note, he owned the Phillies from 1913-1930 and was NYC Police Commissioner from 1909-1910 (I wonder which was the harder job!). JSA LOA full.

Baseball Autographs

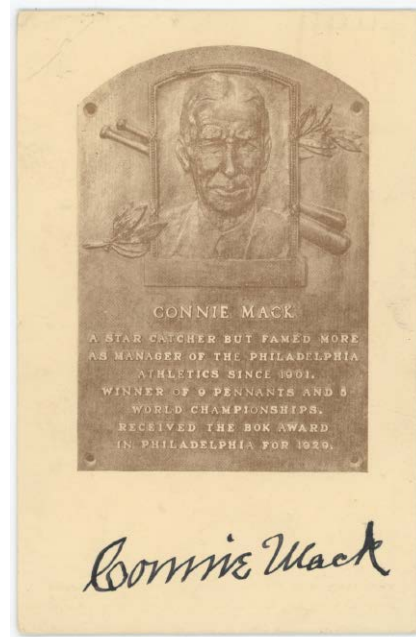

528 Jersey Boudreau, Lou (stat jersey) 9.5..... 50
 Superb Lou Boudreau jersey, this is a must-have for a big Indians fan. Offered is a high quality limited edition (34/100) Cooperstown Collection model. Amazing. JSA LOA full.

529 8 x 10 DiMaggio/Mantle/Mays/Snider 9.5..... 210

533 Cut Gehrig, Lou with vintage photo..... 1000
 One of the ultimate baseball autographs, these are always sought after by collectors, with sadly so much fewer in existence to match the demand. Offered is a very large and solid pencil cut, this is a very fine signature. In a nice touch, this comes with an attractive period sepia toned photo, making this ideal to frame together as a pair. The photo itself has some real value, it is not a later image. JSA LOA full.

530 Duncan, Pat 1920 Reds Check 9* 150
 Desirable payroll check for 1919 Reds star Pat Duncan, this is signed on the back by Duncan in bold period ink, but the signature is affected by a small chip in the check. Duncan passed away in 1960, and is a very tough autograph, naturally especially desirable on a payroll check. JSA LOA full.

535 Black and White Plaque
 Mack, Connie (extremely rare) 9.5..... 1500
 Offered is a truly stunning signed flat, this is a superb and rare 1940 Black and White Hall of Fame plaque. Among the earliest of this widely collected series, these have an elegant sepia tone and are markedly different from the later 1940s and 1950s issues that typically trade. Mailed and in remarkable condition, the autograph is in dead Mint black fountain pen and should be a 15 out of 10, it is that nice! Truly world class, this is for the collector who wants the best. An absolutely key to a signed Black and White Hall of Fame set, this might be the first time that we have handled one of these in our 30 years in the hobby. JSA LOA full.

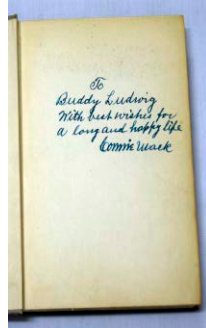

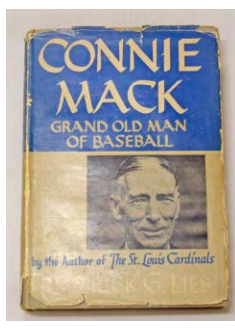

531 Cut Foxx, Jimmy (matted) 9..... 175
 Offered is a spotless blue ballpoint ink cut of Foxx, the signature looks great. Smartly matted with his Perez Steele card, this awaits your choice of frame! JSA LOA full.

Baseball Autographs

Gorgeous Ken Hubbs item, offered is a wonderful 3.5 x 5 b/w postcard. This is an evocative image of Hubbs batting in his Cubs uniform, it is signed in solid blue ballpoint ink. Hubbs tragically died in a plane crash in 1963 at only age 22, this is one of the nicest signed items of Hubbs that one will find. JSA LOA full.

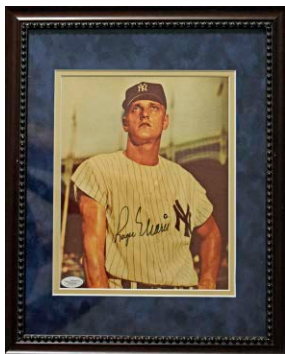

536 Mack, Connie Signed Book 8..... 150
A very tough signed book, this is a 1945 edition with the original (somewhat worn) dust jacket. Authored by the famed Fred Lieb, Mack signed this and beautifully inscribed it in stunning quality green fountain pen ink. One could not ask for a more attractive autograph, this is simply gorgeous. JSA LOA full.

Matted and framed, this has a JSA sticker.

539 Photo Munson, Thurman PSA 9..... 250
Very scarce signed photo, this is an attractive 4x5 b/w team issue photo. Hardly ever found with an authentic signature, the offered lot is boldly signed and inscribed to Lee. The Munson autograph is particularly large and impressive, PSA slabbed this a Mint 9.

540 3 x 5 Robinson, Jackie 9..... 500
Offered is a particularly large, bold and simply terrific Jackie Robinson signature. So much larger and nicer than what typically comes to market, you will not find anything this big on the market anytime soon. Nicely matted in Dodger blue with his Perez Steele card, Jackie eagerly awaits your choice of frame. If one decides to go in the other direction, this presumably can do quite well in a slab, we decided to just let things be with this beautiful composition. JSA LOA full.

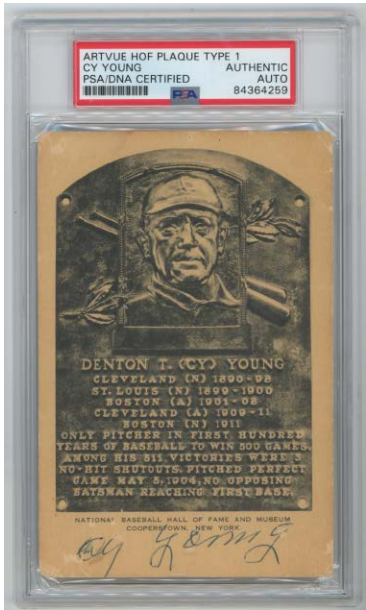

541 Shawkey, Bob 1927 Yankees Payroll Check 9..... 250
Always desirable, this was signed in 1927 by this quality 1927 Yankee pitcher. Clean payroll check, this is dated June 15, 1927. Signed by Ruppert on the front and endorsed by Shawkey on the back, good piece. JSA LOA full.

544 Black White HOF Plaque Cy Young 750
One of the best ways to collect the autograph of the legendary Cy Young, these are always so popular among collectors. Unmailed, this has creasing and a fair amount of general wear, the back is clean. PSA slabbed Authentic, the autograph is signed in solid blue ink by the bottom border. The condition issues lend this a nice antique feel, the autograph is barely affected and displays well.

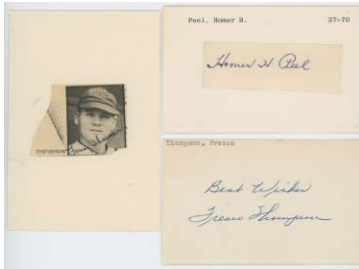

546 Lot of 60 HOFer Signed 8x10s 9 250
Clean lot of HOFer signed 8x10s, the content includes Appling, Bunning, Eckersley, Jenkins, Kaline, Marichal, Mazeroski, Newhouser, Palmer, Sutton (2), Weaver, Wilhelm and Wynn. The duplication is mild. JSA LOAA.

547 Collection of 60 Phillies-Related Letters 9 250
This lot of autographs was culled from a 10,000 item decades-long Philadelphia Phillies and related collection. Lesser players were an obsession for this collector, he attempted to get the signature of every player in Phillies history. The offered lot contains many letters, mainly ALS, these go back to the 1940s and some are just so charming. There are likely no rarities here, but a collector of letters should really, really enjoy the lot. The condition is quite clean overall, the lot is as follows: Dick Barry, Bartell (3), Baumholtz, Bealy, Berger (2), Betts, Church, Conley, Delker, Enzmann (3), Fonseca, Bill Giles (3), Greengrass (5), Hennessey, Hiller, Hoerst (2), Holden, Hughes, Si Johnson, Kennedy, Kimmick, Koy, Leonard (2), Lisko, Mahan, McDonnell, Milnar, Mulcahy (3), Newsome, Nicholson (2), Peel, Pellagrini (2), T. Puckett, Reis, C. Ryan, Schell (2), Schulte (2), Seminick, Fr. Thompson, Waleigh, Whitney and Wyatt. We did not have JSA review the lot given the medium, it is being sold as-is, but we would be shocked if there were any issues.

548 Photo Collection of 225 different Phillies Related Autographs 9 500
This lot of autographs was culled from a 10,000 item decades-long Philadelphia Phillies and related collection. Lesser players were an obsession for this collector, he attempted to get the signature of every player in Phillies history. The offered lot is very special, it consists entirely of 8x10 and larger size photos (with some matted cuts). Loaded with obscurities that are probably impossible to find, this is a dream lot for a Phillies collector or dealer. The autographs are quite clean overall, there is some duplication. The photos can go back to the 1940s, and include: E. Allen, Ashburn, Bartell, Bloodworth, Bragan, Bunning, Callison, Cohen, Coleman, T. Gonzalez, Green, Babe Herman, Lohrke, McCormick, T. Moore, Moses, Prothro, Roberts, Sawyer, Schmidt, L. Waner, Wprostek. Due to the nature and size of the lot, it was not practical to have JSA review these; the lot is being sold as-is, we would be very surprised if there were any major issues.

Baseball Autographs

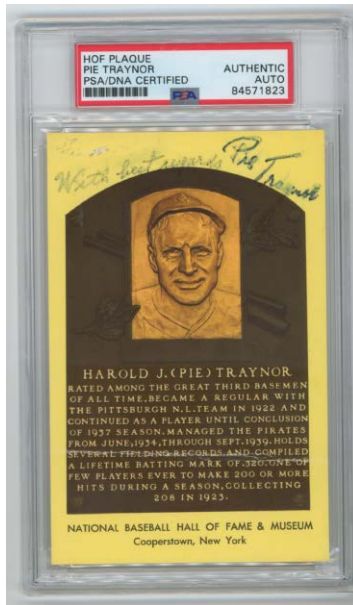

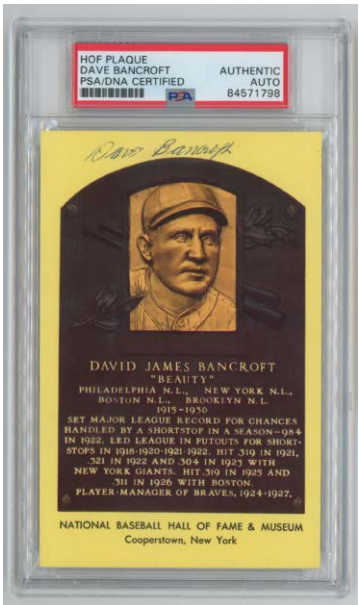

552 Pie Traynor 5..... 200
 An absolute key to a signed set, these are missing from almost all collections. A midlevel example, this is PSA slabbed Authentic. Signed at the top With best wishes Pie Traynor, the ink has bled slightly but the signature is fully legible. This is perfect for someone who does not want to spend huge money to fill a vital spot in their HOF plaque run.

549 3 x 5 Collection of 725 assorted
 Phillies Related Autographs 9..... 1250
 Huge lot of 3x5s, signed album pages and related flats, these all fit neatly in a smaller box. Presented in alphabetical order, these are from a decades long Phillies collection. The focus of this collector were Phillies obscurities from the 1920s through the 1960, so this will cover much of the lot. A mix of vintage and ballpoint/sharpie, the autographs will be very clean overall, the duplication will be very mild. Given the size and nature of the lot, we did not have JSA review it, they are being sold as-is, we would be shocked if there were any major issues. Some of the better autographs in this lot include: S. Anderson (2), Andrews, Bob Johnson (check), Bartell (4), Blanton, Burke, Butcher (2), Caldwell, Chiozza, Coffman (2), Cohen (3), Earnshaw, Finney (4), Hacker (2), Jonnard, D. Leonard (2), F. McCormick (3), Oeschger, Onslow, Perkins, Peel (2), Thevenow (2), F. Thompson (3) and H. Wagner.

551 Dave Bancroft 8..... 850
 An absolute key to a signed set, these hardly ever come to market. The first example that we have had in years, this is quite nice. Bright and clean, this has a solid blue ballpoint ink signature in the top margin. Conservatively graded, this is PSA slabbed Authentic. There are no breaks or skips in the signature, this contrasts nicely against the card. This is scarce as Bancroft only had a short window of one year between his HOF Induction and his death (1971/1972).

561 Thurman Munson 6..... 750
One of the ultimate New York Yankee single signed baseballs, these are so hard to find. High grade examples can sell for huge prices, the offered ball has a light but certainly fully legible signature. The ball itself is a clean Special League model from the early 1970s. Munson penned an entire panel: To Darren Best Regards Thurman Munson in blue ballpoint ink. This is the kind of ball that may well look better when held in hand. JSA LOA full.

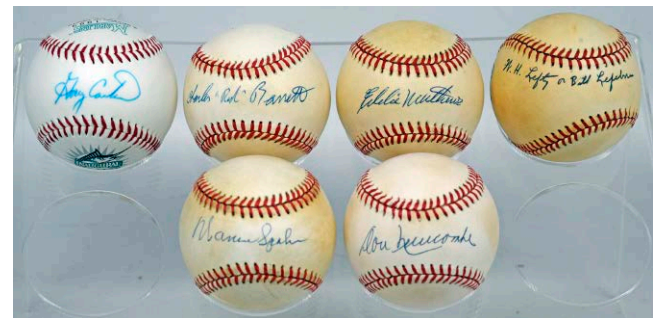

558 Sandy Koufax 9..... 600
Mint Selig ball, this has a perfect signature. This is very special as it is signed Sandy Koufax Cy 63, 65, 66 in perfect blue ballpoint ink. Inscribed balls have been on fire in recent years, this is one of the best Koufax inscribed balls that one will ever see. Superb. JSA LOA full.

563 Jean Yawkey 9..... 200

564 Boston Related Single Signed Ball Lot (40 pcs) 9.... 100
Box of clean singles, these are going to be nearly all former Boston Braves and Red Sox players, with some potentially tougher obscurities. The lot is being sold as-is, due to the nature of the lot, we did not show it to JSA but we would be shocked if there were any issues. The lot is anchored by singles of Red Barrett, Eddie Mathews, Warren Spahn and Mickey Vernon; also non-Boston players Gary Carter and Don Newcombe come in the lot. 91

565 Boston Related Single Signed Ball Lot (40 pcs) 9... 150
 Box of clean singles, these are going to be nearly all former Boston Braves and Red Sox players. Mainly obscurities, the condition is clean overall. Due to the nature of the lot, we did not have JSA go over it, but we would be shocked if there were any issues. These better balls anchor the lot: Canseco, Carbo, Cepeda, Cerone, K. Harrelson, J. Lopez, Stanky (pers) and Yaz.

569 Old Timers/Stars w/many HOFers (20 sigs) 9..... 100

Absolutely bursting with fine blue ballpoint ink signatures, this is signed by various members of the 1950 American and National League All Stars and possibly a few strays who must have attended the game, but the ball itself dates from 1952-1957, so this was signed later, perhaps at a World Series game. 683 1935 Wheaties Babe Didrickson VG+ well cut .. 275
Such an awesome card, the key to the first Wheaties set and a very scarce card of one of perhaps the greatest athletes of the first half of the 20th century. Nicely cut with some very fine creasing, the back is clean, this displays really well. If you have an advanced vintage basketball card collection, this really would be a fine addition.

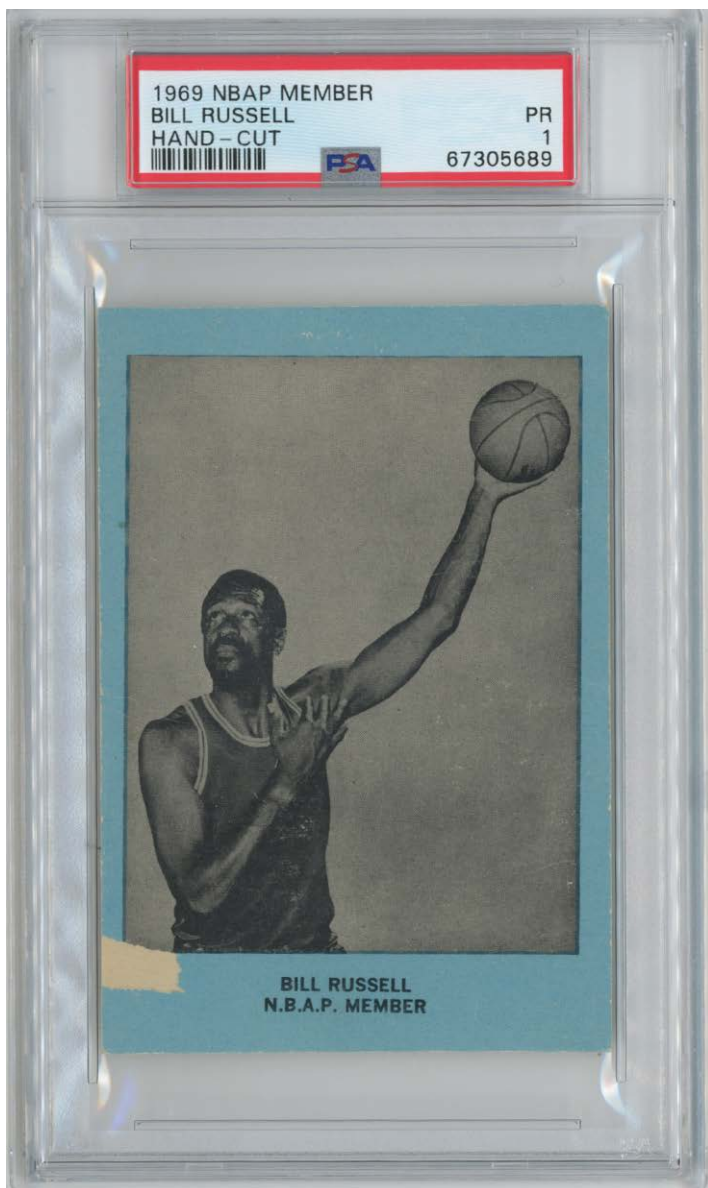

684 1957 Topps 57 Tsiropoulos PSA 8 200
A tough 8 of what must have been the first Greek NBA player, this has four sharp corners. Well centered and clean, the color is terrific, the borders are white.

685 1961 Fleer 43 Jerry West RC Beckett 3 100
Vital card, this has rich color and a fine image. Honest corner wear and some fine creasing keep this at a 3. Centered to the right border, this is a respectable card for the grade.

686 1961 Fleer 43 Jerry West RC PSA 7 500
Mr. NBA, the visage for the logo is of course based on Jerry West. Extremely desirable card, this example is strikingly well centered, which is very unusual. An absolutely ideal card for the grade, the corners are sharp, the color is perfect, the borders are white. A vital NBA HOF Rookie Card in high grade, this is a real keeper!

Basketball

687 1969 NBA Players Association Members
Bill Russell (extremely rare) (pop 1/3, highest graded)
PSA 1 1250

A first for us, we have only even seen this card one time before. Cut from a larger piece, this measures just over 3 x 4.5 inches. The card has a unique image of Russell making a hook shot, it has an attractive blue border. There is a small scrape by the lower left corner, the blank back is clean. The card has some very subtle surface creases and displays quite well overall.

One of the rarest Bill Russell cards, as of November 2022, there are only three of these that have been slabbed by PSA, two are Authentics, *THE OFFERED LOT IS THE ONLY EXAMPLE WITH A NUMERIC GRADE*. As there are so few vintage cards of Russell to collect and the white-hot market for top NBA material, this should be an extremely popular and desirable lot. Who wants to own a Bill Russell card that hardly anyone has or even may have seen before?

Submitted by our consignor to Beckett, we feel it is very likely that this will nicely cross over to another service if desired, but of course we cannot guarantee that. Either way, this is a simply gorgeous example of a classic card.

Vital football card, we know these are not rare but they still seem awfully cheap right now in 7 holders. Sharp and clean, the color is outstanding for this card. Centered slightly to the bottom border, the image and color really pop here, very nice card.

800 1958 Topps 22 Johnny Unitas PSA 8..... 750
Only his second-year card, these are extremely scarce in 8 holders. There has been no public sale since 10/9/2021 (\$3,110), which is amazing for a standard 1950s Topps issue. The offered card really looks great, it has superb color, a crystal clear and immaculate surfaces. Well centered with four super sharp corners, the back looks great as well.

801 1958 Topps 62 Jim Brown RC PSA 4 500

802 1976 Topps 148 Payton RC PSA 7 100
Sharp Near Mint 7 example of a key card, this is freshly graded. The corners are strong, the borders are white, slight centering to the bottom border may have kept this from grading higher, nice 7.

 1956 Topps football sets are of course not scarce, but how often do you see one with an unmarked checklist and all of the contest cards? One of the nicest 1956 Topps football sets that we have handled, every card is in a Card Saver for protection, the condition is a superb Ex-Mt/NM overall. The value here as single cards will surely be substantial, we grade the key cards as follows: 1 Johnny Carson SP Ex-Mt+, 11 George Blanda NM, 13 Vic Janowicz SP Ex-Mt+, 22 Chicago Cardinals SP Ex-Mt, 44 Joe Schmidt RC Ex-Mt, 49 Eddie Lebaron NM, 53 Frank Gifford Ex-Mt+, 58 Ollie Matson SP NM, 60 Lenny Moore RC Ex-Mt+, 61 Washington Redskins SP NM, 86 Y.A. The offered set is very nice, it is about 70% Near Mint or better, the balance is all Ex to Ex-Mt, with either a centering issue or sharp corners and a tiny technical flaw. The set displays really well, it has not been picked for grading and some cards may have some outstanding potential for slabbing. 826 1963 Fler Complete Set w/20 slabbed cards and checklist NM..... 300
 A superb condition set, our consignor decided to send many of the key cards to the CSG grading company. The Alworth and Dawson cards were purchased and authenticated on ebay via their program, we had to break the seals for scanning and to give our opinion of the grade. The ungraded cards are Near Mint overall with slight centering issues, they are quite nice. A very fine looking example of this desirable set, the keys are as follows: 5 Cappelletti 7, 6 Long RC SP 8.5, 10 Buonconti RC NM, 15 Maynard 8, 20 Grantham 9, 24 Kemp 8, 36 Blanda 7, 37 Cannon 7, 47 Dawson RC Ex-Mt, 48 Haynes 8, 51 Robinson 8.5, 52 Holub 9, 55 Mays RC 9, 59 Powell 8, 62 Otto 7, 64 Dougherty SP 7.5, 68 Rote 7.5, 70 Lincoln RC Ex-Mt, 72 Alworth RC NM, 73 Mix 7, Checklist 5.5.

832 1976 Topps High Grade Lot NM 150

833 1978 Topps Vending Box NM 60

There are four Rookie Cards each for Jerry Rice, Steve Young, Boomer Esiason, Bruce Smith and Hershel Walker. Untouched and unpicked, this lot is ideal for slabbing. In addition to the four sets of each team, the lot also include four All Star packs with Joe Montana on the front. This lot will have a very large quantity.

835 1950 Cleveland Browns First Regular Season NFL Game Ticket PSA 4 100

A very scarce and desirable ticket, this was the first game for the Cleveland Browns football team! Played against the Philadelphia Eagles, the Browns won 35-10. Freshly graded, the ticket is bright and clean, with vibrant color. The back is clean, we cannot see any creases or wrinkles. Wear at the separation on the right border appears to be the only issue here, this looks to be a very nice 4.

836 1950 Cleveland Browns NFL Championship Ticket PSA 2 200

A rare and very early NFL Championship ticket, these are extremely desirable. Freshly graded by PSA, this is a pleasing 2. The ticket retains good color and displays well, the corner wear is not bad at all. The back has no paper loss, there is hardly any creasing. In short, the ticket displays very well for the grade.

837 Lot of 158 signed football cards w/many HOFers and stars 8 500

Fine lot of mainly vintage signed football cards, lots of this size are so hard to find due to slabbing. The lot has approximately 90 different players, with about 50 HOFers. There are no great rarities here, the toughest signed card is probably Buck Buchanan. Loaded with HOFers and star players, the lot is nice as 24 cards are from the 1950s, 43 from the 1960s and 28 from the 1970s, these should be ideal for slabbing. Other HOFers include Biletnikoff, Dawson (3), Graham, Haynes, Hirsch, Maynard and much more. The card conditions vary, the autographs tend to be bold and strong, nothing is personalized. Good lot. JSA LOAA.

838 Terrific HOF 8x10 Signed Collection (128 different!) 9 400

Hockey Cards

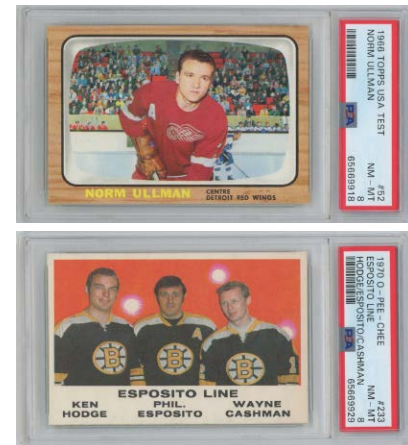

848 1951 Parkhurst 66 Gordie Howe RC PSA 2.5 .. 500
 Mr. hockey himself, these seem to have utterly dried up in recent years. Offered is an exceptionally attractive card for the grade, with note to outstanding centering and good color. The front is quite clean, the corners show light and consistent wear, the borders are clean. The blank back has creasing, hence the somewhat harsh 2.5 grade. It would be awfully, awfully hard to find another card in this grade that even approaches this example in eye appeal.

849 1959 Topps Complete Set minus Hull Ex 100

858 2020 Autograph Debut Threads

Baseball Memorabilia

Baseball Memorabilia

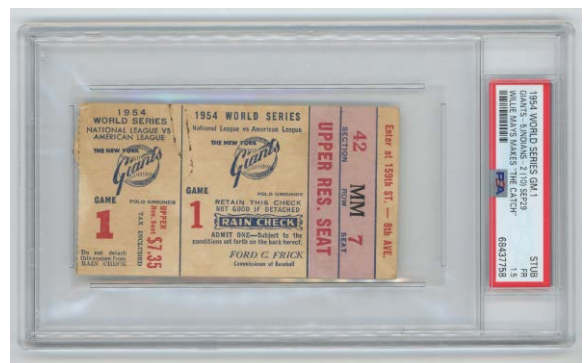

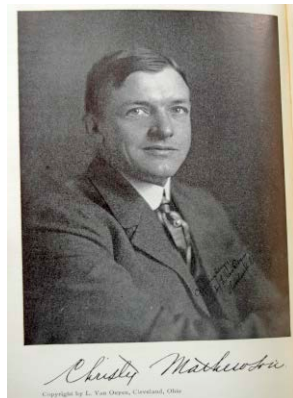

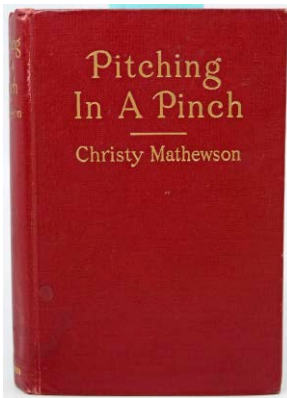

863 1936 Babe Ruth Full Board Game 175
 Fun and affordable Babe Ruth game from the 1930s, this measures a full 19+ x 10 inches. The cover offers a b/w image of Ruth and attractive color imagery. The flaps are all complete, the paper on the edges is mainly intact. This has some general wear but appears to be quite clean overall. We believe the interior contents to be fully complete, but we cannot be certain. Either way, this is a visually engaging Babe Ruth full size game from the 1930s.

861 1887 Stunning Detroit Baseball Club Display Piece w/HOFers 1500
 Offered is a truly remarkable item, this is a stunning and huge 10x23 display piece of the 1887 Detroit Wolverines. This has condition issues, with some chipping and the piece was separated at one point but nonetheless the display value is terrific. Sixteen team members are pictured and identified, with note to HOFers Dan Brouthers, Ned Hanlon and Sam Thompson. Framed to 16x28, who wants to own a potentially unique and wonderful 19th century large format display piece with three HOFers?

864 Lou Boudreau Mint Wilson Model Glove in Original Box 150
 Popular HOFer and legendary Cleveland Indian, this is a gorgeous, untouched, unused circa 1948 glove. A Wilson model glove, this comes with the original box, which is complete with the cover! Superb.

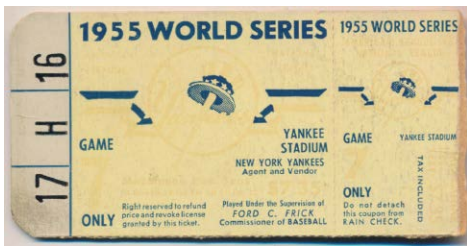

865 1954 Photo 90
 Brooklyn Dodgers Starting Lineup 90
 Great image of the classic Brooklyn Dodger lineup, this looks terrific. Good overall due to creasing, the clarity is terrific. The reverse paper has separated, this can be easily remedied if desired.

862 1912 Pitching in a Pinch First Edition (Christy Mathewson) 100
 Great early baseball book, one of the very first of its kind. A desirable first edition, the offered lot has clean boards with only slight rubbing, the spine is tight, the cover looks good, this has only very mild wear. Solid piece.

866 1954 Ticket World Series Game 1 plus Program PSA 1.5 .. 400
 Lower grade example of this extremely desirable ticket. Freshly graded, this one is nice as it also comes with the World Series program. Full stub, it retains good vibrance. Wear at the separation and a paper clip mark led to the 1.5 grade, this retains excellent eye appeal.

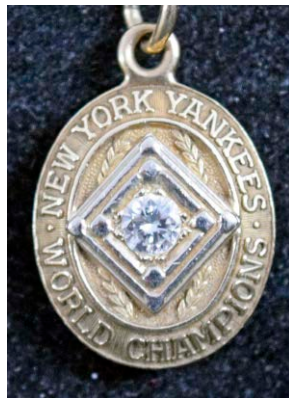

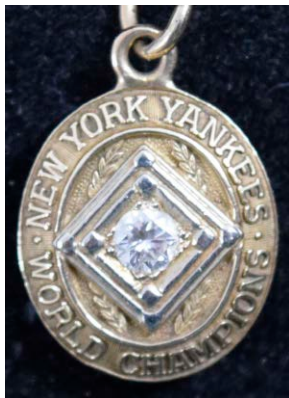

Baseball Memorabilia

867 1955 Ticket World Series Game 7 VG mk.... 150
The deciding game to a classic World Series, the color on the front is faded. There are no creases, a stray number on the back led to the qualifier.

869 Mickey Mantle Nodder..... 175
Gorgeous condition, as nice as you will find. With no chipping and perfect color, this looks great. These seem so undervalued compared to his cards from this era, this is a classic Mickey Mantle collectible.

868 Circa 1958 New York Yankees Double-Diamond Jeweled Pendant 500
From the collection of Yankee team trainer Gus Mauch, we believe this to be from either 1958 or 1961, but it could also be earlier. This appears to exactly match the design of the 1958 Yankees World Series ring, so this almost certainly must have been issued in 1958, perhaps to team employees who did not receive a ring. The piece itself is a stunning 5/8 x 3/4 inch gold pendant. Both sides are identical, each has a diamond in the center, with New York Yankees World Champions engraved around the stone. The condition is quite clean, with only slight wear. Fresh to the hobby, we could not find other examples of this, it is most likely extremely rare. Great piece, we will open this at an extremely low minimum bid to make things interesting!

871 First Mets Game Full Ticket! (April 13, 1962) PSA 2 200
A remarkable full ticket, these are extremely rare and desirable. Hardly ever found as a full ticket, this was recently submitted to PSA by us. The ticket retains good color and excellent eye appeal, it has some mild creasing and general wear, there are no technical flaws, the condition is not bad at all. The corner wear is mild and consistent, the surfaces are reasonably clean overall. A ticket that just never comes around as a full, who wants to own one of the best tickets from the 1960s?

872 1969 Tom Seaver Rare One-Hitter Full Ticket PSA 1.5 .. 300
Freshly graded, this is an extremely rare full ticket from one of the finest games ever pitched by the legendary Tom Seaver during his greatest season. Freshly graded by PSA, the ticket retains good color and displays well. Wear at the bottom border, including some type of crease, led to the 1.5 grade. Who wants a ticket that no one else has?

Baseball Memorabilia

873 1969 New York Mets Ladies Pendant 100
 From the collection of team trainer Gus Mauch, this is completely fresh to the hobby. Well preserved with only light wear, this measures one inch in diameter. The front has the classic Mets logo with the New York City skyline backdrop and three stones, the back is blank. The back shows typical wear, there are no engraving marks, this has a mount at the top center.

875 Mays, Willie Signed 1989 Coaches Jersey 9.5 125
 I really like this item, you hardly ever see any type of equipment from Mays that is autographed. High quality jersey with proper tagging, this was presumably used by Willie in 1989 as a San Francisco Giants coach during the season, spring training or in the playoffs. Mays signed this in large and bold black sharpie ink, the autograph looks great. JSA LOA full.

874 1978 Los Angeles Dodgers National League Championship Ring (Terry Collins) 1250
 An elusive ring from a quality NL Championship team, they lost to the Yankees in the World Series. Collins, a future Mets manager, was the director of the legendary LA Dodgers farm system, so he certainly deserved a ring! The offered ring is a fine looking piece, Rick Ollar is engraved on the inset of this size 9.25 inch ring. One flank reads LA, the other Terry Collins. The face of the ring is a Dodger blue gemstone with a small silver stone.

875.2 Chuck Knobloch's 1994 All Star Ring 300
 A larger size ring, one flank has the American League logo, the other Pittsburgh Pirates 1994 All Star Game. Balfour Auralite is engraved on the inset of this size nine and a half ring. This comes with an LOA from Knobloch and the original box of issue from Balfour.

875.3 Chuck Knobloch's 1997 All Star Ring 300
 An uncommon and interesting design for an All Star Game ring, one flank reads American League with the logo, the other 1997 All Star Game Indians. The ring is a size nine and a half or so, and has the Jostens engraving on the inset. The face of the ring is the post-1969 Major League Baseball logo with a small stone, presumably a c.z. Nice piece, this comes with an LOA from Knobloch and the original box of issue from Balfour.

TOM SEAVER AND SPOIL SEAVER'S BID FOR A NO-HITTER WITH ONE OUT IN THE NINTH INNING. METS VS SAN DIEGO PADRES JULY 4, 1972 1ST GAME"

Fine item that should appeal to Tom Seaver and bat collectors, this is something that you just never see. Of note, Lee went on to play in Japan and was one of the finest American players in the history of Japanese baseball. This has a PSA DNA LOA for the bat.

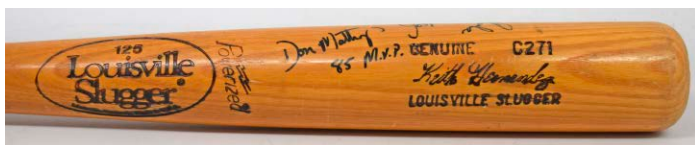

880 1962 Cubs Team Signed Bat (22 sigs) 8 150
 Great looking official Chicago Cubs Louisville Slugger model bat, this displays very well. The autographs look great, with two Banks, a Rookie Lou Brock and very early signatures from Ron Santo and Billy Williams. The other signatures include Metro, Koonce, Ellsworth and Grammas. Vintage signed bats from the 1960s are rare, this is great with the many HOF signatures. JSA LOAA.

877 David Ortiz Signed Game Used Clete 125
 Beautiful display in a custom case, this can be shipped without the display case at a lower price if desired. With a Steiner LOA card, this handsome red and back Hardlink pro model clete shows solid use and looks great. The beloved Ortiz signed this next to his embroidered number 34.

Baseball Bats

878 Hernandez, Keith Signed Game Bat w/Don Mattingly! 125
 Very interesting piece, this is a Keith Hernandez C271 pro model bat with pine tar and ball marks. Signed and inscribed by Hernandez, this is also signed by Don Mattingly. This is very neat as Hernandez and Mattingly were both All Star first baseman in New York from 1984 through 1991; Mattingly penned a 1985 MVP inscription. Please note 17 is written on the knob in period marker, the bat is cupped and measures 34 inches long.

881 1969 Mets 25th Anniversary Signed Bat (25 sigs) 9 100
 Nice piece, this is from 1994, and is a custom bat that does not come to market very often. Perfectly bright and clean, this is anchored by bold signatures from Tom Seaver and Nolan Ryan. The other autographs include McGraw, Jones, Agee, Cardwell, Kranepool, Gentry and Grote. The quality is impeccable, this is a limited edition bat (64/690). JSA LOAA.

882 Williams, Ted Cooperstown Bat Company 9.5..... 200
 Perfect quality, these seem so undervalued with clean single signed balls trading in the \$450 range. JSA LOAA.

879 Lee, Leron Game Bat (broke Seaver no hitter) 500
 A very interesting piece, offered is a 1972 LeRon Lee game bat. With a PSA LOA for the bat, this has great provenance. The bat has noted in period marker: "BAT USED BY LERON LEE TO GET A BROKEN BAT SINGLE AGAINST

928 1924 World Series Program At Giants VG..... 300
Pleasing and very period 1920s World Series Program, you have to love the formal poses of HOF managers John McGraw and Bucky Harris on the cover. The last NY Giant World Series team for a decade, this ended their 1921-1924 run. Lightly folded and clean, the program is unscored. The spine is fine, this has mild general wear, our VG grade is conservative, this is a nice program.

929 1928 World Series Program At Cardinals VG-Ex 300
Somewhat elusive program, the paper used this year was not great, these often have major condition issues. Unscored with a very attractive cover, this displays well. The cover has only mild general wear, the spine is fine, this is a solid mid-grade 1920s WSP. Please note the mighty Ruth-Gehrig Yankees avenged their 1926 loss to the Cardinals in this World Series.

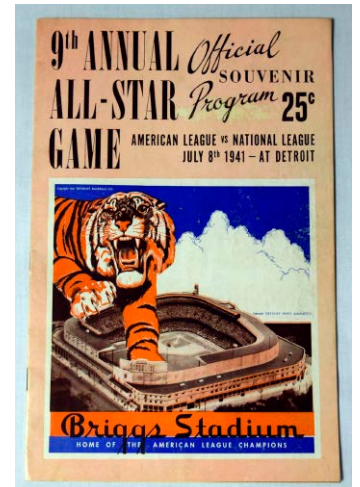

930 1931 World Series Program At St. Louis VG..... 200
Not bad at all, the program is unscored. Lightly folded at one time, the cover is otherwise pretty clean. The spine is fine, the color is vibrant, this displays well.

931 1932 World Series Program At Cubs Good..... 150
Scored, the cover retains good color. Heavily folded and with creasing, this is no better than Good. Despite the low grade, the good color provides for solid display value.

932 1934 World Series Program At St. Louis Ex+ 200
One of the classic World Series, this went to seven games and featured Dizzy Dean and a very young Hank Greenberg among many other HOFers. Popular program, the condition here is as nice as we have seen for a 1934. Bright and clean, this is neatly scored. With a particularly clean cover, this has only very light general wear and looks great. This will be an upgrade for almost all of you.

933 1941 All Star Game Program 200
One of the most desirable of all All Star Programs, this was one of the best games as it ended with a Ted Williams walk-off three-run homer! A magical year in baseball history, these are very undervalued in our opinion. Neatly scored in pencil, this has a solid spine. The cover has crisp edges and only very light general wear, this is a solid mid to better grade program.
