Key Lots

1 Joe Cronin 1939 Boston Red Sox Road Jersey2000
 One of the most interesting and exciting pieces of memorabilia that we have handled, offered is a completely original 1939 Joe Cronin road flannel jersey. Cronin played from 1926 - 1945 and was a HOF shortstop and a future President of the American League. A baseball fixture for over 50 years, anything used by him in a game is very desirable. Graded Mint 9 by MEARS, this is consigned by the original owner and is completely fresh to the hobby. This is an absolutely gorgeous and truly museum worthy piece of baseball history. As a note, Cronin was an All Star in 1939 and was 16th in MVP voting as well. A great, great piece, this is worthy of the finest collections in the hobby.

Key Lots

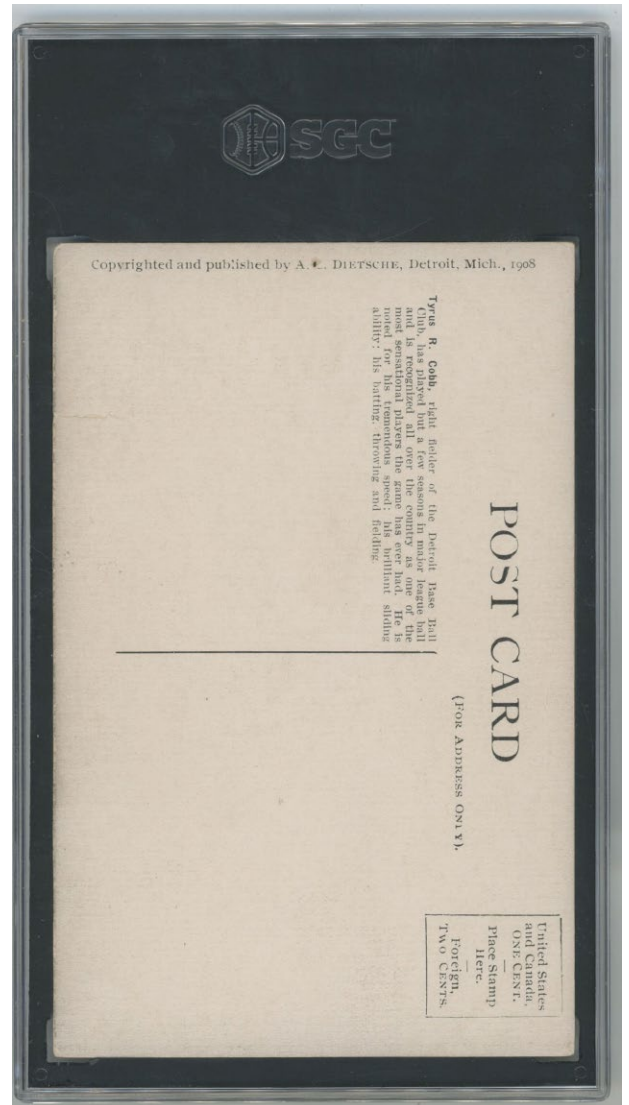

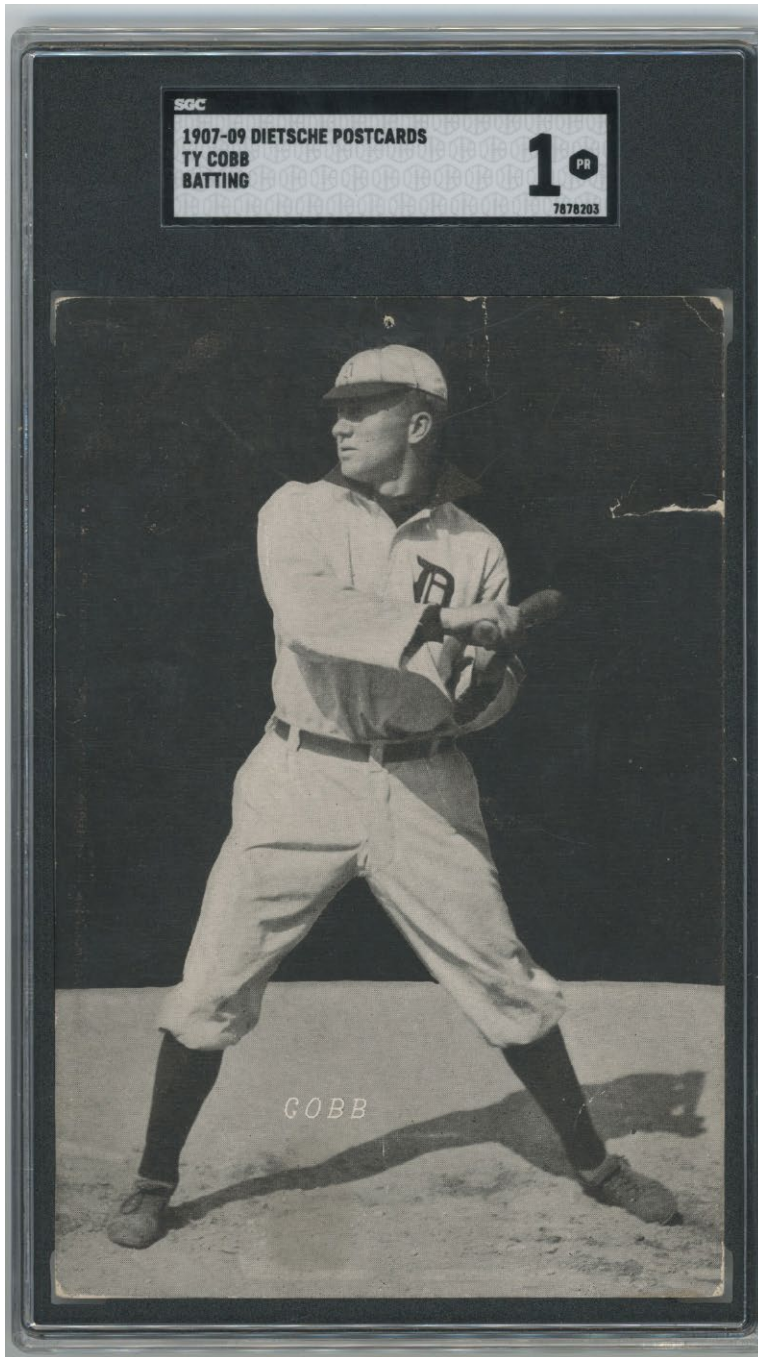

2 1887 N28 Allen and Ginter Mike King Kelly

SGC 52000

One of the greatest superstars in 19th century baseball, this is a cornerstone card for many collectors. Bright and clean, the offered card has a flawless image, vivid color and clean white borders. The corners show light and even wear, the edges are crisp. The back is perfectly clean, which can be the hardest thing to find on these cards. 19th century HOF baseball cards, despite a recent price run-up, still seem like utter bargains in today's market. Great card.

Key Lots

3 1907 Dietsche Postcards Ty Cobb (rare name on front variation) SGC 11500
 One of the great early Ty Cobb cards, this could well be a Rookie Card. Issued from 1907 to 1909, this is the very rare COBB name on front variation. The offered card has a fantastic and flawless image of a so young Ty Cobb in his signature batting pose. The card retains a perfectly vibrant image and a solid black background. A pinhole by the top border and a closed small tear at the right border led to the 1 grade. Unmailed, the back is actually bright and clean, which is very unusual for a 1. Who wants to own a rare early Ty Cobb card that hardly anyone else has?

Key Lots

4 1908 Rose Company Postcards Addie Joss

PSA Authentic...1800

One of the great postcard issues, these are revered by collectors. Addie Joss is a cult favorite HOFer, making this a particularly special and desirable card. Freshly slabbed and new to the hobby, this was mailed and postmarked in 1908. The condition is in the VG range overall, with corner wear and light creasing, without respect to the mailing. The card retains good color and a fine image. The last two public sales, SGC 3 and 4 respectively, were for \$8,100 and \$21,000. Superb card.

5 1909 T206 Ty Cobb Bat On Shoulder (pop 1/5 in this grade)

PSA 3 (Sovereign 350 back)3000

Offered is a great card given the front and back combination. This card has good color, nice centering and a clean reverse. There is just some very minute corner creasing at the lower right corner and slight general wear. The edges are reasonably crisp, the corners are not bad at all. The card is very solid for a 3, the scarce back displays well.

Key Lots

6 Demmitt (St. Louis)

SGC 22400

One of the absolute keys to a T206 set, these are needed by almost all set collectors. The offered card is a pleasing 2. This card has good color, a nice image and a particularly clean reverse. The card has moderate creasing and corner wear and some general surface wear. Low grade but far from abused, this should be perfect for so many sets, particularly if you do not want to spend a small fortune on a high grade example.

7 O'Hara (St. Louis)

SGC 1.52000

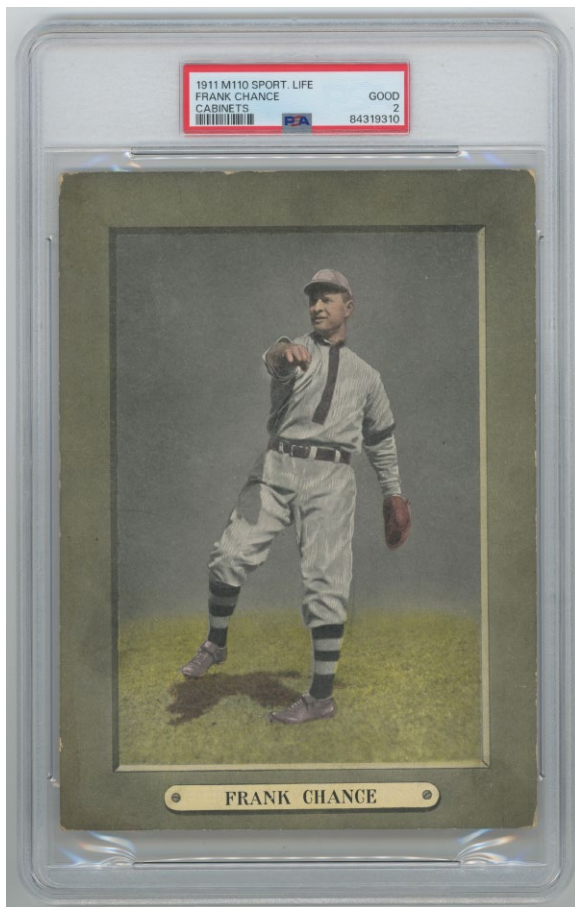

An absolute key to a T206 set, this is often the hardest card to find outside of the big four. The offered card has terrific centering, rich color and a very nice image. The back is very solid, the borders are not bad at all. Alas, creasing keeps this at a 1.5, this card displays very nicely for the grade to our eyes.

8 Young (Cleveland, portrait)

SGC 41500

A vital T206 card and a cornerstone Cy Young card, these are always very desirable. Offered is a solid 4, with no visible creases or wrinkles, even under magnification. The card has clean white borders, rich color and a nice image. The back is clean with some slight print. The corners show mild and consistent wear, this is a really nice 4 to our eyes.

Key Lots

9 1911 M110 Sporting Life Cabinets

Frank Chance (pop 1/6 for all grades)

PSA 2500

One of the great early 20th century cabinet issues, these are just so scarce and hardly ever come to market. Freshly slabbed by PSA, this is simply a great looking card. The larger size is a perfect showcase for a fine color image of HOFer Frank Chance. We cannot see any creasing on the card, the front has clean borders and mild corner wear. The back has some wear from being in a scrapbook or something similar, it is not bad at all and led to the 2 grade. Great card.

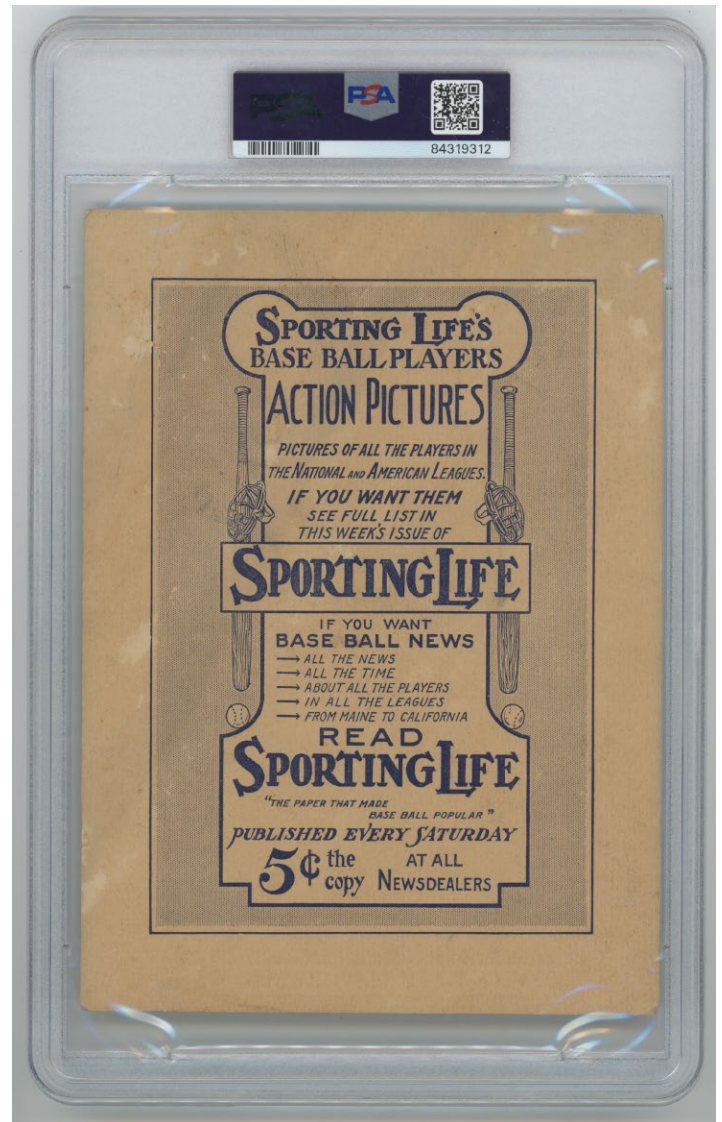

10 1911 M110 Sporting Life Cabinets

Nap Lajoie (pop 1/10 for all grades)

PSA 1500

One of the great early 20th century cabinet issues, these are just so scarce and hardly ever come to market. Freshly slabbed by PSA, this is a terrific card of a widely collected player that hardly anyone else has. The front offers a very attractive large color image of Lajoie's classic batting pose; there is some light creasing, the corner wear is not bad at all. The back displays well but has a slight scrape at the top border (and some other wear) that led to the 1 grade. This is a fine looking card for the grade, no doubt it will find a very happy home in the auction!

Key Lots

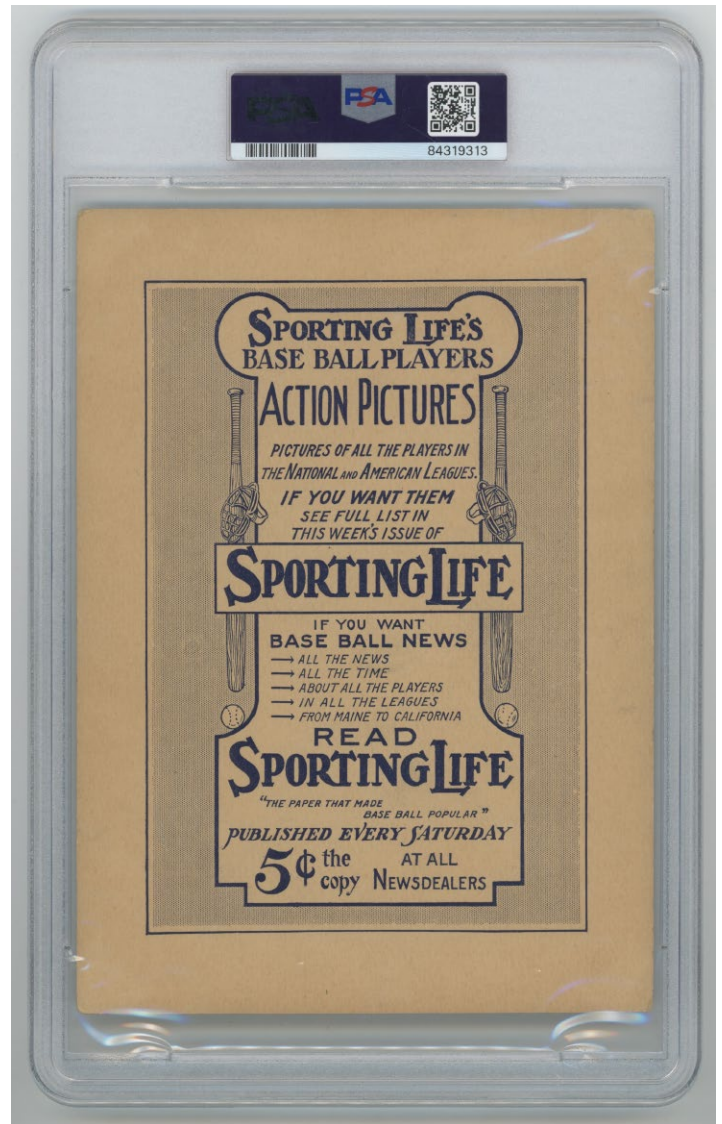

11 1911 M110 Sporting Life Cabinets

Christy Mathewson (pop 1/7 for all grades)

PSA 1.51000

One of the great early 20th century cabinet issues, these are just so scarce and hardly ever come to market. Freshly slabbed by PSA, this is a terrific card of a the beloved and one-and-only Christy Mathewson. The larger format of the card affords a wonderfully detailed image of Matty's classic pitching pose. The card has good color and nice display value, some general wear on the front is present, along with creasing, the corners are not bad at all. The back also has some general wear, but displays well overall. A card that hardly ever comes to market, this was obtained from us decades ago and has been unknown to the hobby until now. Great card.

Key Lots

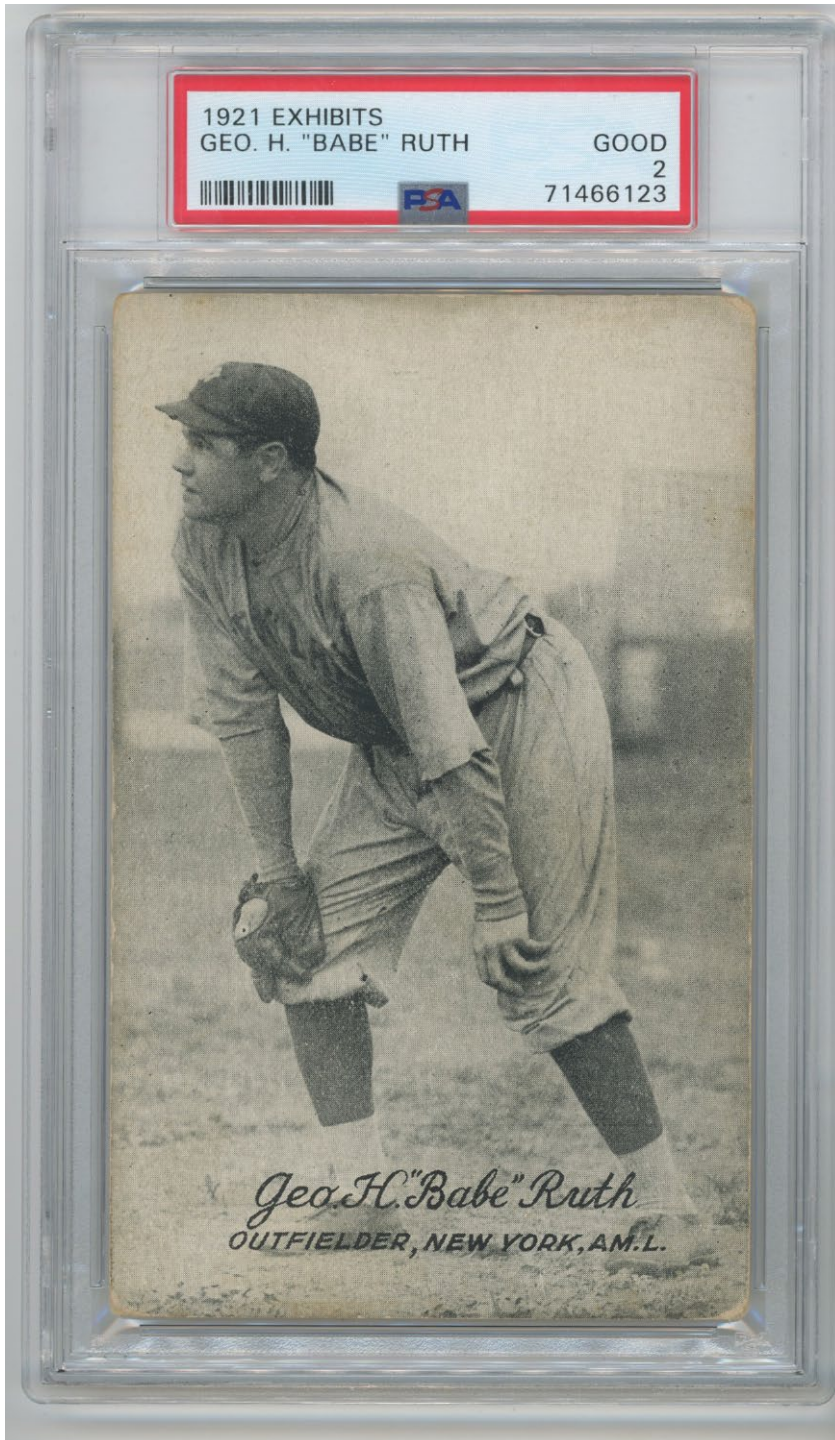

12 1911 M110 Sporting Life Cabinets

Honus Wagner (pop 1/10 for all grades)

PSA AA.....1000

One of the great early 20th century cabinet issues, these are just so scarce and hardly ever come to market. Freshly slabbed by PSA, this is a truly rare and super attractive card of the legendary Honus Wagner. The larger size card allows for a wonderfully detailed color image of a very focused Wagner in his classic batting pose. The offered card has a very attractive front, there is hardly any creasing, the corner wear is consistent, the borders are clean. The back is quite clean for the issue, with some very subtle surface wrinkles. Measuring the card in the slab, it looks to measure $5 \frac{5}{8} \times 7 \frac{3}{8}$; the Standard Catalog lists the proper top to bottom measurement as $7 \frac{1}{2}$ inches, so this is a tiny bit short. The card could well have been cut short, this came from one of the oldest collectors in the hobby, it was obtained in the 1970s or early 1980s. Either way, this is a truly great card of Honus Wagner that has hardly any other examples in circulation (only 10 examples have ever been slabbed by PSA).

Key Lots

13 1921 Exhibit Babe Ruth

PSA 24000

Offered is the most classic of all Babe Ruth Exhibit cards. With a definitive and unique photo of a relatively svelte Babe with his hands on his knees in the field, the picture looks great. An extremely desirable and pricey card, the offered card is solid for the grade. Perfectly centered, this has hardly any creasing. The back has no damage or paper loss, the edges are not bad at all. The corners show typical wear for the grade, the fine image here displays nicely.

Key Lots

14 1928 Harrington's Ice Cream 5 Babe Ruth **SGC 1.51500**

One of the few relatively affordable cards that picture Mr. Ruth as a pitcher for the Boston Red Sox, this is a cool card. Heavily creased, the image is still nice, the back has no paper loss.

15 1933 George C. Miller Dizzy Dean **SGC 31950**

One of the key cards to this white-hot set, these do not come to market very often at all. The most recent public sale was a PSA 5 for \$12,600. Offered is a very attractive and fine looking SGC VG 3 exemplar. Well centered, this has a perfect image and rich color. The corner wear is mild and consistent, the borders are clean. The back of the card is perfectly clean, extremely subtle surface creasing keeps this at very nice 3.

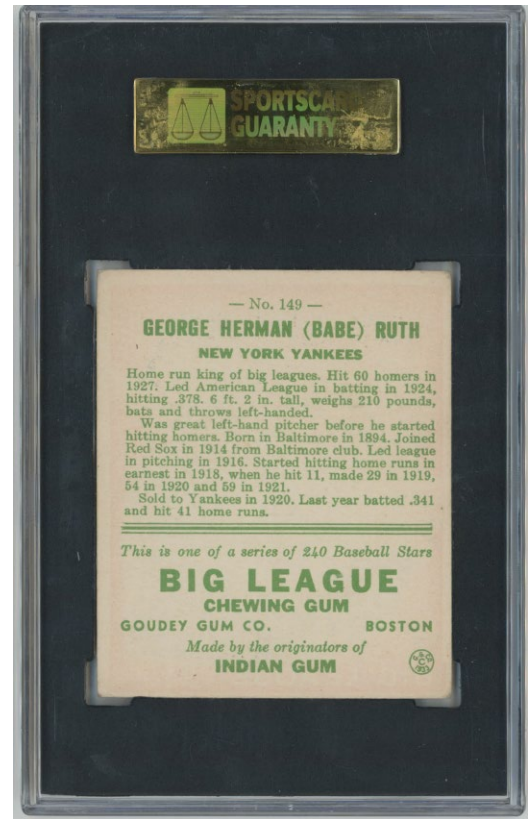

Key Lots

16 1933 Goudey 92 Lou Gehrig PSA 21350
A classic Lou Gehrig card, this has good color and excellent centering. Creasing and corner wear keep this at a 2, the back is nice. This card is perfect for many 1933 Goudey sets and collections.

17 1933 Goudey 92 Lou Gehrig SGC 3.51800
Offered is a forever classic 1930s Lou Gehrig baseball card. A superb card for the grade, the has quality centering, rich color and clean surfaces. We cannot see any creases or wrinkles, even under magnification. The back is clean, as are the borders. The corners show mild and consistent wear, this is a very, very solid card for the grade and it looks terrific.

Key Lots

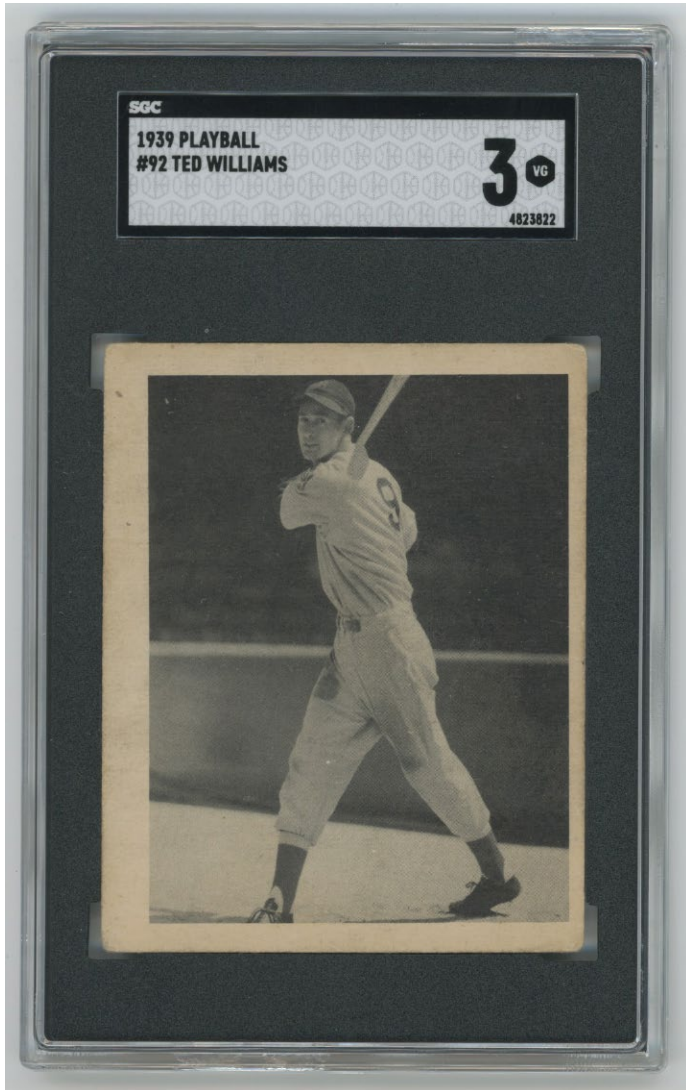

18 1933 Goudey 149 Babe Ruth

SGC 5.....6000

One of the key cards to this most vital baseball card set, it always so hard to find these cards in Ex 5 quality. The offered card has rich color and a gorgeous image. Centered just about perfect left to right, this has the usual centering to the bottom border. The borders are clean, the back is also bright and clean. Light corner wear is the only issue here, this is a very fine looking example of a classic and key Babe Ruth card.

Key Lots

19 1939 Play Ball	92 Ted Williams RC	SGC 3.....1500
-------------------	--------------------	----------------

Not a rare card, but still these seem so undervalued in today's market. Offered is a very pleasing and nice VG 3 exemplar. Centered mildly to the right border, the image of a so young Ted Williams looks good. The surfaces are quite clean, we cannot see any creasing. The back is flawless, the corner wear is moderate and consistent. This is a very solid 3 overall to our eyes.

20 1948 Leaf 79 Jackie Robinson RC Beckett 22500
A vital card of the beloved Jackie Robinson, this is a cornerstone card for many collectors. The offered card is a colorful and attractive lower grade example with no technical flaws. Centered to the left border, the color and imagery on the front are flawless, with no print, registration or other issues. The borders are fine, but there is a fair amount of corner wear and some creasing. The back is perfectly clean save for the same corner wear and creasing as the front.

One of the ultimate baseball cards, this one displays beautifully for the grade and should have a wide field of interest. Fairly well centered, this has a strong image, good color and clean borders. There is creasing, but it just barely cracks the paper and cannot be seen on the back. The corner wear is not bad at all. Much, much more like a 2 than a 1, the back is nice, the card is awfully, awfully nice for the grade and no doubt will find a very happy home!

23 1951 Bowman 305 Willie Mays RC PSA 31000

A cornerstone card to so many collectors, this is a freshly graded and very appealing VG 3 exemplar. Centered to the left border, the offered card has a terrific image, rich color and a flawless back. The borders are clean, there is hardly any creasing. This displays very well when held in hand, the winning bidder should really enjoy this truly classic card.

Key Lots

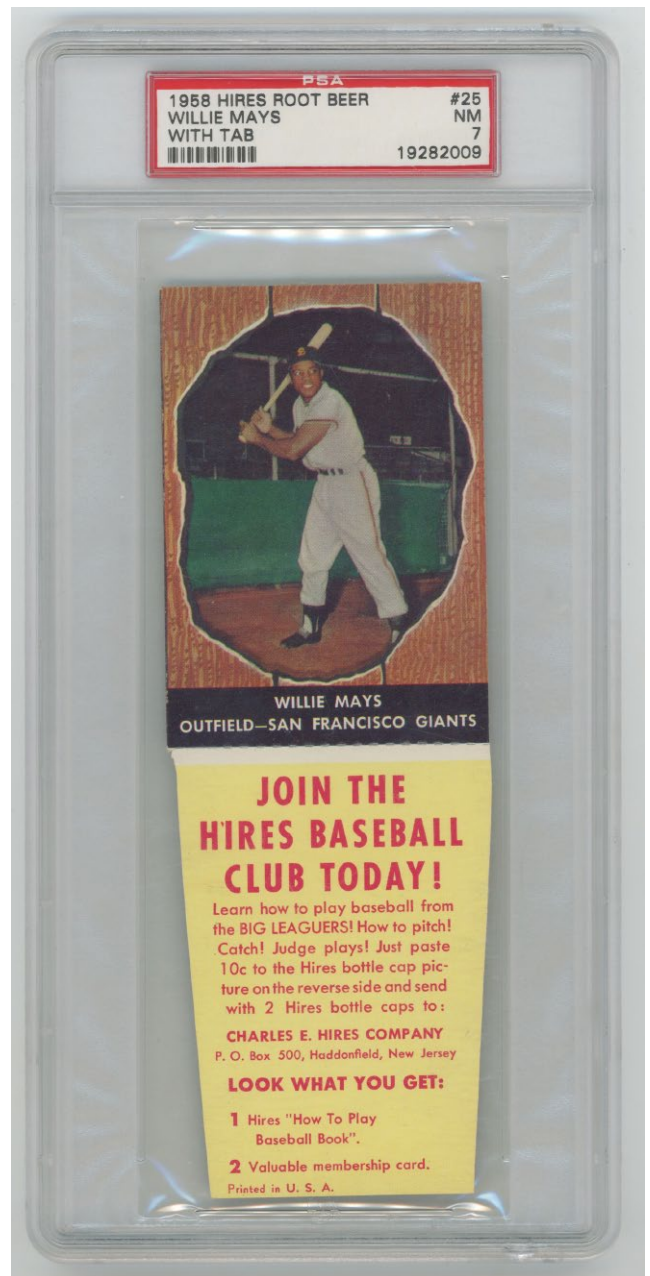

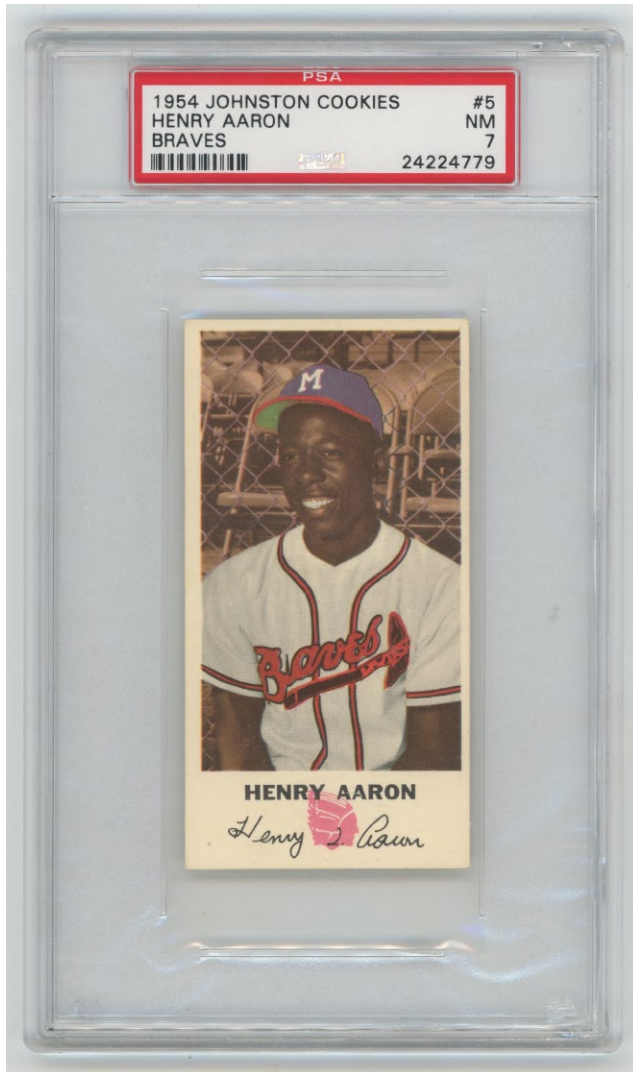

24 1952 Berk Ross 37 Mickey Mantle PSA 31350

A classic and very uncommon Mickey Mantle second-year card, these are always so popular as they have the same pose as his 1951 Bowman card. Almost always found with major cutting and centering issues, this one displays exceptionally well. The centering is good, the image is flawless, the surfaces are clean. The back looks good, we cannot see any creases or wrinkles. The corner wear is not bad at all, this is an absolutely ideal card for the grade.

25 1952 Bowman 101 Mantle PSA 51700

Only Mantle's second-year card, these still seem very undervalued right now. Offered is a pleasing and attractive Ex 5 exemplar. Well centered, this has rich color and a fine image. There are no print issues, the back looks good. The corners show only light wear, this is perfect for so many 1952 Bowman sets and Mantle runs.

One of the coolest Willie Mays cards, these are so great to see when held in hand. Usually found in very low quality or with miscutting issues, the offered card has outstanding centering. The corners are super sharp, the color is terrific, the image is flawless, the back as well. Something you hardly ever see, this is simply a gorgeous Near Mint 7 overall.

Key Lots

27 1957 Topps Complete Set w/graded keys1500
 One of the most popular sets of the 1950s, these are beloved by so many collectors. A nice mid-grade set, this one is notable as the Mantle, Koufax and Brooks Robinson cards are all 5s or 5.5s, this hardly ever occurs on these types of sets. The cards are really nice overall, with notably good overall centering. Perhaps 30% of the set is Ex-Mt or better, it could be a little more, nearly all of the remaining cards are Ex or very close to Ex, this is a really nice set.

We grade the many key cards as follows: 1 Williams VG+, 2 Berra Ex, 10 Mays Ex+, 18 Drysdale RC SGC 5, 20 Aaron Good, 24 Maz RC Ex-Mt, 25 Ford Ex-Mt, 35 F Robby RC SGC 3.5, 55 Banks Ex pretty well ctd, 76 Clemente Ex ctd, 95 Mantle SGC 5, 170 Snider Ex-Mt+, 210 Campanella VG-Ex/Ex, 212 Colavito RC Ex-Mt+, 286 Richardson RC Ex+, 302 Koufax SGC 5.5, 324 Dodgers TC Ex++, 328 B Robby RC SGC 4.5, 338 Bunning RC SGC 5, 400 Dodgers Sluggers Ex-Mt+, 407 Berra/Mantle SGC 4.5.

29 1967 Topps Complete Set w/90 SGC Graded Key Cards3000

A superb set put together by an engineer, these are seriously sharp and clean cards. We will have an exact listing of the slabbed cards on our website. Every card is in a Card Saver for protection, it fills up 2 two-row boxes. A gorgeous set, it looks to be about 70-75% Near Mint or better, the balance is almost all Ex-Mt, generally sharp but off-center. The high number run is very nice, no doubt this set will have a big breakdown value as single cards. There are four 9s, thirteen 8.5s, nineteen 7.5s, twenty-one 7s, eleven 6.5s and four 6s. A very difficult set to assemble in this quality, this is among the most popular of all 1960s Topps sets and would make an outstanding addition to any quality vintage card collection.

Key Lots

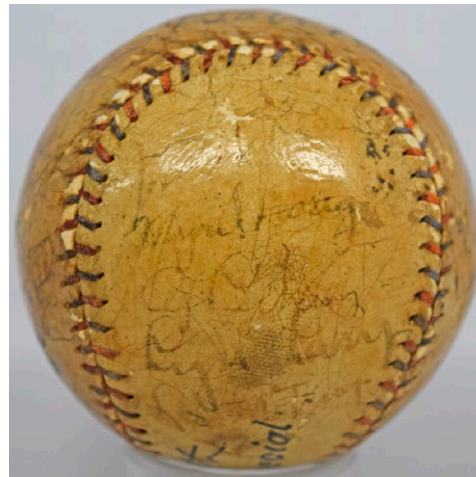

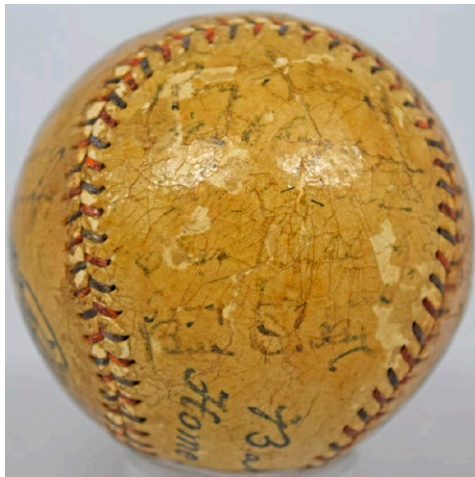

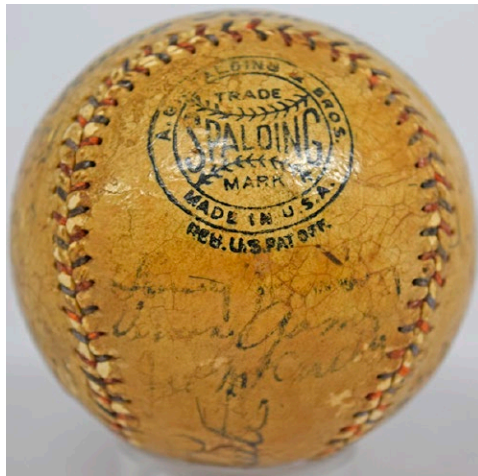

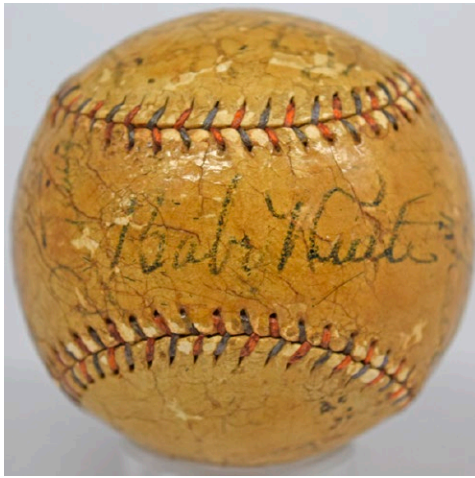

30 1953 Bowman Color 59 Mickey Mantle PSA 83600

A gorgeous example of this forever classic Mickey Mantle card, the autograph placement could not be any better! The signature is rated an 8 by PSA, it is in flawless blue sharpie ink and contrasts perfectly against the clean card. Remarkably well centered, this is a truly visually striking card that will stand out in a crowd! The back is clean, the card itself has a fine surface crease by the upper left corner, it would likely grade a 3.5 or a 4.

31 Jackie Robinson Signed Black/White HOF Plaque PSA 81500

A really, really nice Jackie Robinson piece, offered is a beautifully signed postcard. A key to this great set, these seem to have utterly dried up in recent years. The offered Hall of Fame plaque postcard has a super sharp front, the back has slight wear, likely from scrapbook removal. Signed Best wishes Bob Jackie Robinson, the autograph is in spotless blue ballpoint ink. PSA graded the autograph an 8, this is an outstanding Jackie Robinson signed postcard from a vital and widely collected set.

Key Lots

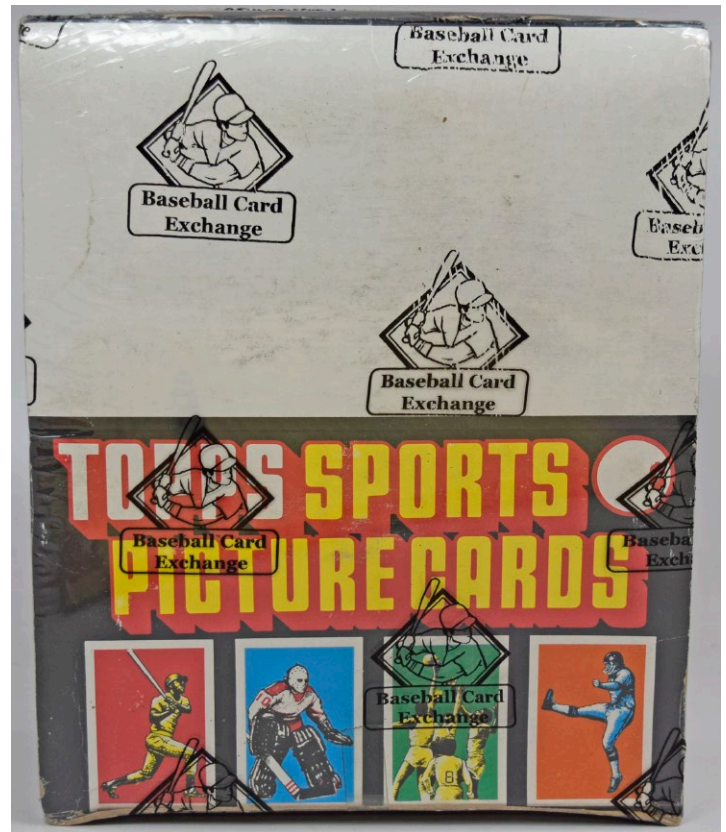

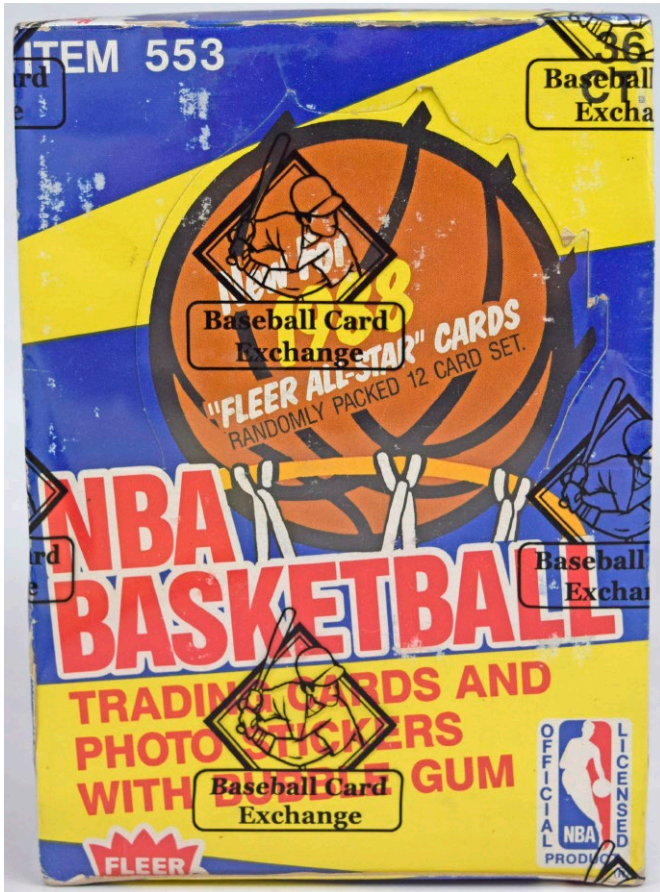

32 1931 Yankees Team Ball w/6 HOFers

6500

A lower grade 1930s Yankee team ball, this has toning, clear-coat and some cracking. Offered is a Babe Ruth Home Run Special model baseball, this has some scuffing. The signatures vary in quality, there is a rather nice Babe Ruth on the sweet spot to headline the ball. There are over 20 signatures, the HOFers are Ruth, Gehrig, Lazzeri, Gomez, Ruffing and Dickey. Joe McCarthy is the only clubhouse as is typical, the other signatures include Chapman, Lary and Reese. 1930s Yankee team balls are revered by collectors, this one is not bad at all. JSA LOA (full).

Key Lots

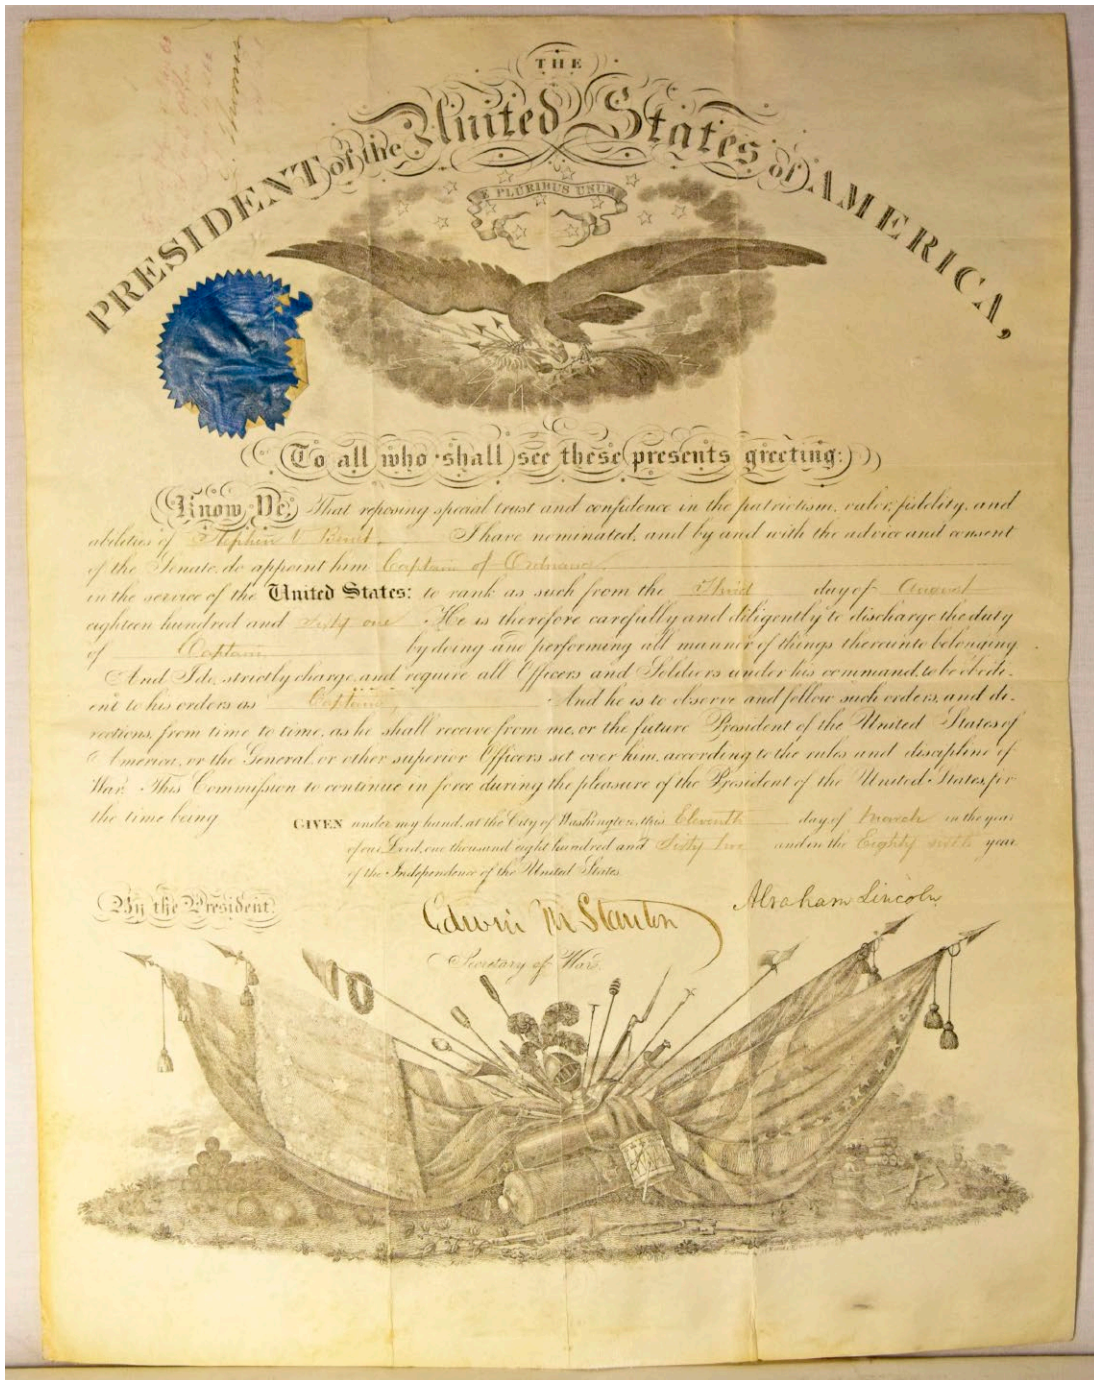

34 1988-9 Fleer Basketball Sealed Wax Box (BBCE sealed)1200

The third Fleer basketball box, this is just a great set. Loaded with HOFErs, Rookie Cards and stars, this is always a very desirable box.

35 1986 Topps Football Rack Box (BBCE sealed)1500

A very desirable rack box from a great year, who wants to shoot for a super pricey Jerry Rice Rookie 10?

Key Lots

36 Abraham Lincoln 1863 Signed Document 73500

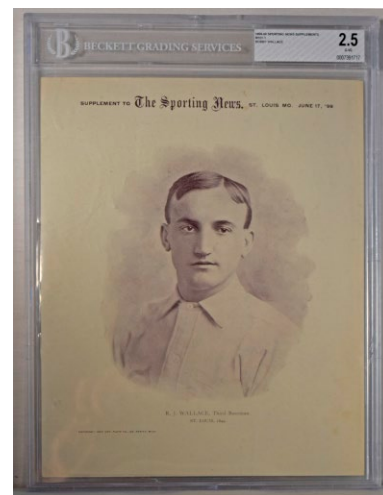

An attractive full size Abraham Lincoln document signed as President, this appoints a Captain of Ordnance in 1861. The document has some general wear, including typical fold lines and a slightly worn Presidential seal but retains good character and display value.

Crucially, this is signed by Lincoln at the lower right, a solid signature graded a conservative 7 by PSA and by Secretary of War Stanton at the bottom center. It is amazing how these things can sell for less than a Babe Ruth autographed photo. It would seem that this would be an absolutely ideal item to put in a closet for a few years and see if the market calibrates over time to reflect real historical value. PSA DNA (full).

1887-1889 N172 Old Judges

- 37 California Brown Bat at ready looking at camera-C. N.Y's SGC 4 150
Fun card, this has an exceptionally fine image and looks great. Strikingly clean with a spotless back, wear at the lower right corner and a slight diamond cut keep this at an awfully nice 4. Great type-card.
- 38 Thomas Flood Hands at chest PSA 2 mk..... 90
St. Joseph's player, this has a slightly light but pleasing image. The wear is not bad at all, some stray writing on the otherwise pretty clean back led to the qualifier.
- 39 Jim Powell (Mgr, Bat 90 Degrees) SGC 2 180
A card we hardly ever see, this might be scarce. The image is strong, the back is fine, general wear keeps this at a 2. Please note the Old Judge manager cards are always very hard to find.
- 40 Billy Sunday Bat at ready, looking at camera -Chicago PSA 1.5 660
Simply an awesome card, we have not had one of these in years. A real American story, this baseball player went on to become the nation's prominent evangelist in the 1910s and 1920s. Offered is a very nice card, with perfect image contrast. The card has edge wear and a crease, the back is not bad at all. The fine image carries this super fun card!
- 41 1888 G & B Chewing Gum Rip Van Haltren SGC 1 1100
A name player from one of the scarcest 19th century issues, this is a great type-card. The front of the card is nice, with a pleasing image and just some mild general wear. The blank back has writing and wear, necessitating the 1 grade. Good card.
- 42 1899 M101-1 Bobby Wallace RC Beckett 2.5..... 450
A very cool oversize 19th century HOF Rookie Card, these hardly ever come to market. Full size with a superb large format image, I love the detailed biographies and graphics on the back. The edges are nice, as are the surfaces, wear by the top border keeps this at a very attractive 2.5. How often do these come around?
- 43 1904 Rotograph Postcard New York Giants (Carl Horner image) SGC 2.5 420
Offered is a gorgeous postcard celebrating the 1904 Champion New York Giants (they famously did not play in the World Series as manager John McGraw did not respect the then upstart American League!). The imagery looks great, this has a minute chip at the upper left corner and wear at the lower left. Unmailed, the back looks great, the surfaces are clean. Something that you just never see, the HOFers include Mathewson at the upper left corner and McGraw naturally in the center. Good piece.
- 44 1906 Fan Craze N.L. Harry McIntire PSA 9 75
Great type-card, this looks to be razor sharp and immaculate.

Baseball Cards

45 1907 Novelty Cutlery Ed Walsh SGC 1 540
A very difficult and desirable postcard of HOFer Ed Walsh, this one is very interesting as Walsh is in a bunting pose. The front appears to be quite clean and fine, we do not see any creases or flaws. Mailed in 1911, we presume that led to the 1 grade.

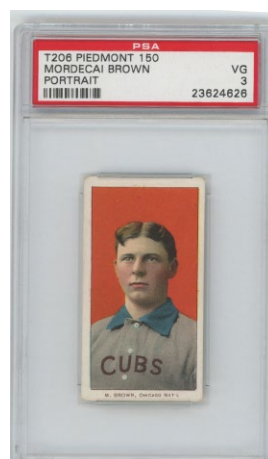

46 1908 E102 Christy Mathewson PSA 1 540
A scarce and desirable card of Mathewson, these do not come around very often. An honest lower grade card, this retains good color and a flawless image. Creasing and corner wear are certainly present, but there is no back damage, nor are there any technical flaws.

1909-11 T206s

47 Brown (Portrait) PSA 3 600
A very popular and elusive T206 HOF portrait, these have exploded in price in recent years. The offered card is over-size, with remarkable color. The borders are white, the back looks great, the corner wear is very mild and consistent. A slight crease keeps this at a 3, the card looks terrific.

48 Lipe PSA 5.5 180
A very elusive Southern Leaguer, this is an awfully, awfully fine looking card. Beautifully centered with superb color, the borders are white, the image is terrific. The back looks great, this is a superb Ex Plus overall and will be an upgrade for almost all of you.

49 McGraw (glove at hip) PSA 4 (Sovereign 460 back) 250
Interesting card, this has four very sharp corners, perfect white borders and a pristine back. The centering is not bad at all, we do not see any creases or wrinkles, even under magnification, this is literally the sharpest T206 PSA 4 card that one may ever see! With a very tough back, this is a terrific combination of HOFer and desirable reverse.

50 Young (Clev, no glove shows) PSA 1.5 450
A key card to this legendary set, this has rich color and excellent centering. The back has no issues and is clean. The card has moderate creasing, corner wear and some general wear, it is not bad at all for the grade and is an affordable example of a Cy Young tobacco card that is not ugly and has no technical defects.

51 1910 M101-2 Sporting News Chicago Cubs Team Beckett 3 100
Scarce as these took up two pages, they are often found separated and with severe condition issues. Creatively slabbed by Beckett, this just shows some light corner wear and looks terrific. With several HOFers and stars, this is really nice and a condition rarity in this quality.

Baseball Cards

1911 T3 Turkey Reds

52 16 Addie Joss SGC 1.5 250

One of the most colorful and attractive cards in this great set, this has always been one of my personal favorites. A HOfer with a cult following, the image is just gorgeous here. There are no visible creases, the back has no damage. The flaws are a pinhole at the top center and spotting by the top border, this card displays very well overall.

53 39 Rube Waddell PSA 2 150

A very popular and desirable card of this cult favorite HOfer, these are never easy to find. Freshly slabbed, this is not bad at all for the grade. The card has light creasing and general wear, the color is good, the back has no paper loss. The image looks great, this displays very well for the grade.

54 40 Vic Willis PSA 2 150

A HOfer, this has no pinholes or obvious creasing. A colorful card with no back damage, general wear and slight staining keeps this at a pleasing 2.

55 78 Home Run Baker PSA 3 420

A desirable high number HOfer, a 3 is actually a pretty high grade for one of these. Freshly slabbed by PSA, there are no creases. The back has no issues, the surfaces are perfectly clean. The image has good color and is strong. The corner wear is not bad at all, wear at the lower right corner led to the somewhat conservative 3 grade. Strong card.

56 87 Eddie Collins SGC 3 450

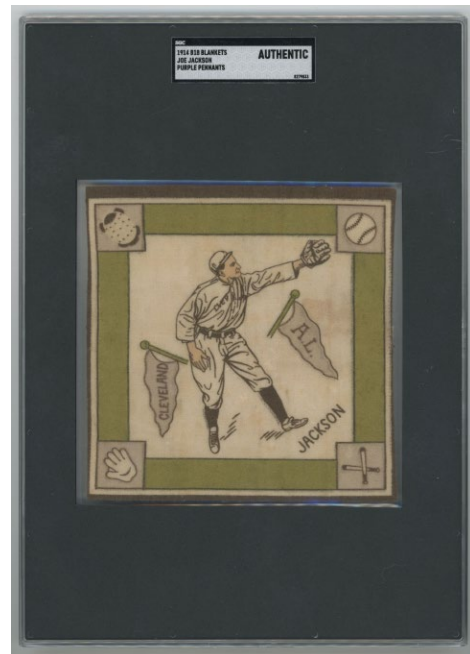

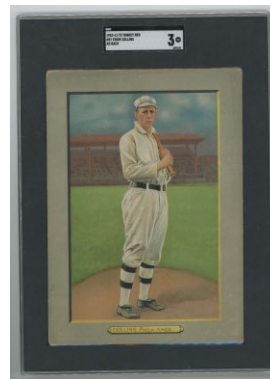

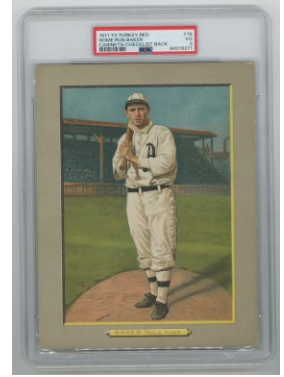

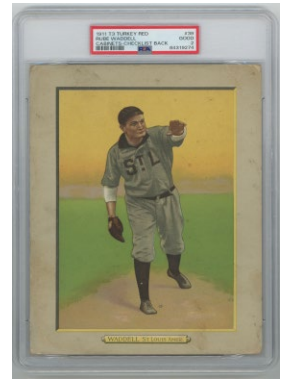

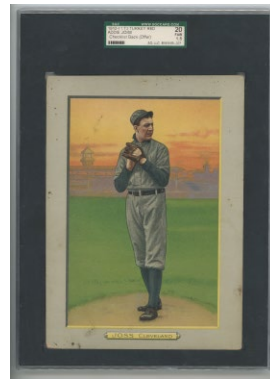

A very elusive high number HOfer, these are not easy to find. Offered is a very colorful and attractive VG 3 exemplar. With the desirable ad back, the image looks great, the surfaces and borders are clean. There are some light corner creases and moderate corner wear, the card displays very nicely for the grade.

57 99 Walter Johnson PSA AA 500

A vital card of the great Walter Johnson, this is an absolute key to the great T3 Turkey Red set. Offered is a colorful and attractive card, a piece of tape by one corner on the back led to the AA grade. The card retains a flawless image, there is general wear on the front and creasing at the lower right corner. This has a Turkey Red back, which might be scarce for this card. The back displays quite well overall, save for the tape.

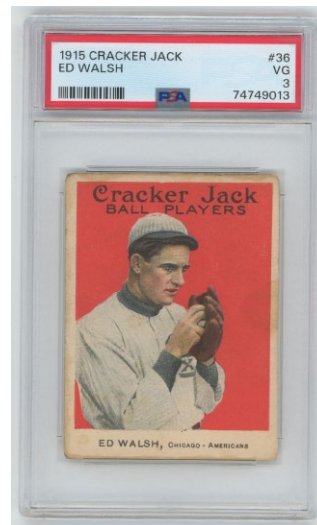

58 1914 B18 Blanket Shoeless Joe Jackson SGC A 600

One of the few affordable period Joe Jackson items, these are not easy to find. Often found with major condition issues, the example has crisp edges and borders and a good cut. Some mild general wear is present, the image is very solid with a slightly faded purple pennant, it is more colorful on the back than the front for whatever reason. It will be interesting to see where the market goes on these in the next few years.

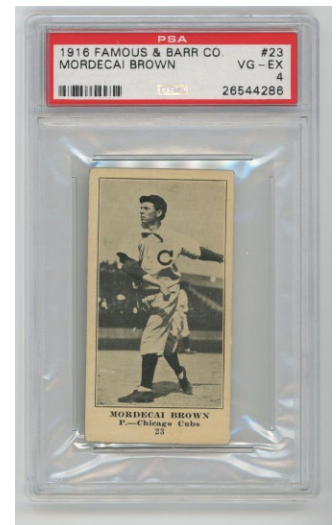

Baseball Cards

59 1915 Cracker Jack 36 Ed Walsh PSA 3..... 300
An elusive and desirable Cracker Jack HOFer, this one has outstanding eye appeal for the grade. A strong 3, this is well centered with rich color and no visible creasing. The corners show consistent wear, the back some very minor staining.

60 1916 M101-5 Famous and Barr 23 Mordecai Brown PSA 4..... 100
A strong 4, this has good centering and no visible creases or wrinkles. The image and back look great, this appears to be ideal for the grade.

61 1919 W514 2 Babe Ruth PSA A..... 1200
A cool card of Babe Ruth from his first year from the Yankees, this is actually from 1920 of course. Lower grade due to the cut and some creasing, the card does retain good color and a fine image. The blank back is perfectly clean, this is an absolute key to the T206 set of strip cards.

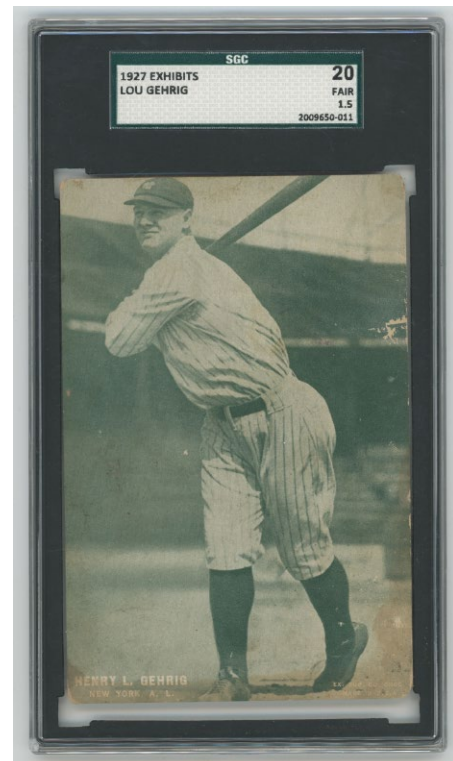

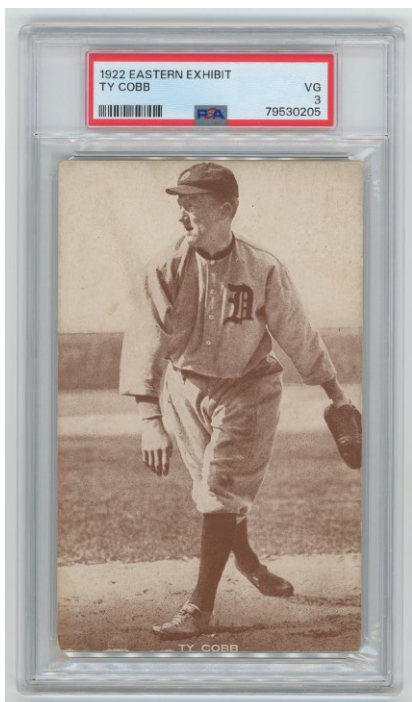

62 1919 W516 84 Wally Pipp (pop 1/1, highest graded) PSA 9 600
Popular Yankee, this is a razor sharp card. With four dead Mint corners and perfect color, this is for the very condition conscious collector.

63 1922 Eastern Exhibit Ty Cobb PSA 3..... 480
A very elusive 1920s Ty Cobb card, this has hardly any creasing and a flawless image. Unmailed, the back looks great. There is moderate corner wear, this displays very well for the grade.

64 1927 Exhibit Lou Gehrig SGC 1.5 1050
A card that you just never see, this is from one of the most magical seasons of Gehrig's career (and in Yankee history). Low grade but fully presentable, this card offers a fine image and no paper loss on the back. The card has little to no creasing but corner wear, some surface wear on the right edge and an H on the otherwise clean back led to the 1.5 grade. This is a really good card to put in a closet for a few years and see where the market goes.

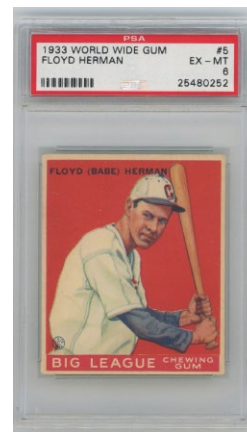

Baseball Cards

65 1933 Sport King 1 Ty Cobb PSA 3..... 200
A classic card, we always find this to be among the toughest cards in the set. Well centered with no visible creasing, this has good color. The back is fine, there is some general wear.

66 1933 World Wide Gum 5 Babe Herman PSA 6..... 50
A very elusive and condition sensitive issue, we have not seen a 6 from this set in years. Well centered with gorgeous color, the condition is superb.

67 1938 Goudey 274 Joe DiMaggio PSA 1..... 500
A classic and beloved Joe DiMaggio card, this is freshly slabbed. The card has creasing and corner wear, the back is fine, there are no technical flaws. Very nicely centered with good color, the corners show moderate and consistent wear. The image looks terrific, this card is much more like a 2 than a 1, the winning bidder should really enjoy this one.

68 1939 R303-B 6 Joe DiMaggio PSA 5..... 525
Such a nice card, these oversize cards afford for such terrific images. Offered is a quite crisp and clean card, this has four square corners and super clean surfaces. PSA is so hard on oversize cards, this really looks it should be at least a 6. The image looks great, the back is clean, the image is simply terrific. Superb.

1947-66 Exhibits

69 Jackie Robinson PSA 5..... 270
A great looking oversize Jackie Robinson card, there cannot be a nicer 5 than this. With crisp corners, super clean surfaces and only the slightest bits of wear showing, PSA is so tough on these. The image looks great, the edges are crisp.

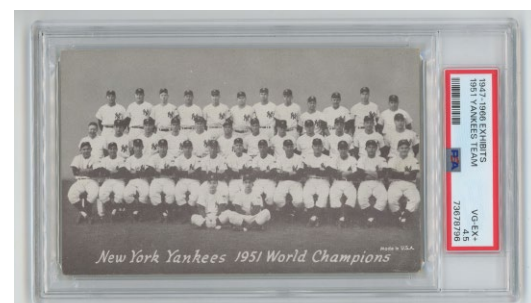

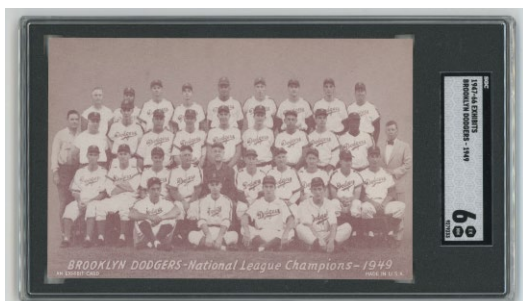

70 Dodgers Team 1949 SGC 6..... 120
Great card with an MVP Jackie Robinson, these are not easy to find in any kind of condition. Crisp and clean, strong 6.

71 Yankees 1951 PSA 4.5..... 100
A very underrated card as it has a Rookie Mantle and Joe DiMaggio from his final season, I always liked these. Clean overall, a slight crease by the lower right corner keeps this from grading higher.

1948 Leafs

73 4 Musial RC PSA 5 mc..... 660
A colorful and attractive card, the miscut qualification is for the slightest possible miscut to the top border on the back. Centered to the left border, the image is not bad at all, the borders are clean, this displays well.

Baseball Cards

1948 Leafs

72 3 Babe Ruth PSA 4..... 1000
One of the most colorful and attractive Ruth cards when found in quality condition, the offered card has an absolutely gorgeous image. With perfect color and image clarity and a flawless back, this card will stand out in a pile. Centered to the right border, the surfaces are super clean. The borders look great, the corners show only very slight wear, a possible corner line by the upper left corner probably kept this at a 4. Freshly graded, this is a superb card for the grade.

74 20 Hank Sauer SP PSA 3..... 100
A colorful and attractive card, there is hardly any creasing. The image looks great, the surfaces are clean.

75 32 Warren Spahn RC PSA 5..... 150
A very popular card, this has gorgeous color and a superb image. Very nicely centered, the borders are quite clean, it would be almost impossible to find a nicer 5 than the offered card.

76 38 Kluszewski RC PSA 6..... 10
A cult favorite player, this has sharp corners and is centered to the right border, the image looks great.

77 76 Ted Williams PSA 2..... 450
A colorful and attractive card, this has rich color and no print issues. Centered to the left border, this has hardly any creasing and a clean back. Corner wear is the only real issue here, the color and image quality are very fine.

78 138 Doby RC SP SGC A..... 750
A very difficult and desirable card, this example has good color and no image or print issues. The card is clean overall, the back is fine. Something was altered on this card, perhaps the corners were re-touched, we are not sure. Either way, it displays well and is still a very desirable HOF Rookie Card.

79 160 Scheffing SP PSA 5 mc..... 75
Crisp and clean, this is fully cut to the right border.

80 168 Cavaretta SP PSA 3..... 100
The final card in the set, this has outstanding centering and a flawless image. A crease and corner wear on the left side keep this at a 3, this is perfect for so many sets.

Baseball Cards

81 1949 Bowman 84 Campanella RC PSA 6 540
A classic HOF Rookie Card, these always seem so undervalued. Offered is a beautifully centered Ex-Mt 6. The card has a perfect image, rich color and clean borders. The back is flawless, the corners exhibit light wear, clean card.

82 1949 Brooklyn Dodgers Picture Pack Jackie Robinson PSA 2.5 250
A beautiful card, this has four sharp corners and a truly gorgeous and huge image of a young Jackie R. The front appears to be immaculate, slight wear in one spot on the blank back likely led to the very harsh 2.5 grade, the winning bidder should really enjoy this gorgeous card.

83 1951 Berk Ross Berra/Spahn PSA 7 150
Fun card, this has quality centering. The corners show light wear, the images are nice.

84 1951 Bowman 198 M Irvin RC PSA 6 160
A very sharp card with a perfect image, this is centered heavily to the lower right corner.

85 1951 Connie Mack All Stars Babe Ruth PSA 5 600
A gorgeous card, this was purchased from us decades ago. Perfectly centered, this has rich color. The die-cut looks terrific, the borders are white, the back looks great. The surfaces are quite clean, the corners show only very light wear. PSA is notoriously ruthless with this issue, a 5 is a very high grade for one of these. Great card.

86 1952 Berk Ross Willie Mays PSA 2 mc 450
A tough card of Mays, these seem so undervalued. The offered card has rich color and a fine image. Cut to the top border as is typical, a fine crease and slight surface wear led to the grade, the back is fine.

87 1952 Berk Ross Jackie Robinson PSA 2.5 750
A classic and very uncommon card of Jackie Robinson, this one has stunning centering. Offering a gorgeous image of Jackie in a full leaping pose in the field, this looks great. We cannot see any creases or wrinkles, the back is fine, the corner wear is not bad at all.

A great looking Jackie card, the larger size affords for such a terrific image. Extremely crisp and clean, this has four sharp corners, clean surfaces and a very fresh look. As always with oversize cards, PSA is beyond harsh with grading, there might be wear at the bottom two corners on the back, there is no real way to tell in the holder. A vital 1960s Topps set, the most collected to our eyes, the high numbers are always super desirable. Offered is a solid Ex overall set with mild variance in both directions and many very solid cards, but the card could benefit from some scattered upgrading. The high number run is a particularly sharp Ex-Mt/NM overall run with many fine Near Mint cards. The rest of the set is very nice overall as well. Ex+ 500

A very solid overall set, this has many very crisp and clean cards but there is variance. 494 1968 Topps Posters

High Grade Complete Set

..... 360

A beloved set by a generation of collectors, these oversize posters just look great. Almost always found with major condition issues, the offered set is as nice as we have ever seen or handled. Essentially untouched, these are amazing. Checking in at 24 pieces with 13 HOFers, the Mantle is a stunner, the Mays and Clemente as well. A few pieces will have a stray nick or other minor flaw, many have the usual wax stain on the reverse. These are folded as issued, but would look incredible fully expanded and displayed.

495 1969 OPC Complete Set w/Clemente PSA 7

NM 750

A seldom offered set, these seem to have better color than the regular Topps cards. A remarkably sharp set for a 1960s OPC, these look to be about 65% Near Mint to us, the balance possibly Ex-Mt, but tiny imperfections are always possible with these. We sent several cards to PSA, they came back as follows: 50 Clemente PSA 7, 95 Bench PSA 4, 100 Aaron PSA 4, 120 Rose PSA 6, 130 Yaz PSA 8 and 190 Mays PSA 4. The 4s all have sharp corners, very subtle corner lines on the back led to the awfully harsh 4 grades (other cards in the set may well be the same way as a note).

498 1970 Topps Complete Set Ex-Mt 750
Offered is a really nice Ex-Mt set. Clearly collected with great care, these look to be about 80% Ex-Mt or better, the balance all Ex or better. The high numbers look good, it would be very hard to find a nicer ungraded set than the offered lot. Several of the key cards are all freshly graded, naturally very conservatively. A terrific set for the grade, we rate the stars as follows: 1 Mets TC Ex-Mt, 140 Jackson Ex, 189 Munson RC PSA 5, 197 Ryan NLCS NM ctd, 300 Seaver PSA 6, 350 Clemente PSA 5.5, 500 Aaron PSA 6, 580 Rose PSA 6, 600 Mays PSA 6, 630 Banks PSA 6, 640 Kaline Ex, 660 Bench Ex-Mt, 700 F Robby Ex ctd, 712 Ryan PSA 6, 713 Pilots TC NM.

The HOFers are Palmer, both Robinsons and Weaver. A very cool set, we have seen people ask \$3,500 for these on ebay, this is the first example that we have seen or handled.

501 1971 Topps 8-Card Uncut Panel w/Ron Santo 50
Something you never see, this is blank-backed. The colors are terrific, there is no obvious creasing, these look terrific. It is possible this could be an OPC, the images could not be any nicer.

502 1971 Topps Complete Set VG-Ex..... 390
Not a bad set at all, this has typical variance for this type of 1971 set. The set could benefit from some inexpensive upgrading, but it displays perfectly well for the grade. 507 1974 Laughlin Long Ago Black Stars
 Complete Set (36 cards) NM 250
 A very popular set in recent years, naturally many of these end up in slabs. A unique and creative set that celebrates the amazing Negro League players, these are the only attainable cards for some of these stars. The offered set is a very crisp and sharp Near Mint to Near to Mint overall, with only very slight variance.

508 1974 Laughlin Old Time Black Stars
 Complete Set (36 cards) NM 400
 An elusive set, the condition here is very sharp. Ideal for slabbing, we hardly ever see this as a full set. The stars here are Hilton Smith, Sam Bankhead, Ted Radcliffe, Sol White, Quincy Troupe, Leon Day and Turkey Stearns.

509 1975 Topps Complete Set Ex-Mt/NM..... 250
 Offered is a very consistent, crisp and clean 1975 Topps set. A fine Ex-Mt overall with very light variance, this has good overall centering and is terrific for the grade. 613 Gehrig, Lou Signed Business Card w/great story (plus Jack Dempsey) 9..... 500
A great story, this was consigned by a neighbor of Lou Gehrig in Westchester, NY from way back when. Gehrig was famously frugal, unlike his teammate Mr. Ruth. This business card is apparently for the realtor from whom Gehrig bought a house for his mother! The autograph is in flawless black fountain pen ink and looks great. Ideal for slabbing, this could well grade a Mint 9. Also included is a Jack Dempsey signed business card from the same era. Great lot.

- 626 Letter Cobb, Ty ANS 9..... 300
Dated Jan 25, 1955, this full page letter is penned on Ty Cobb's personal letterhead. Mounted to a scrapbook inside cover, the page itself and writing are perfectly clean and clear. This has very funny content as Cobb describes his workload of signing four autographs a day on average for an entire year. Not signed by Cobb as this is the first page of a two-page letter, this is still nonetheless a desirable and truly amusing signed letter from the immortal Cobb.

A mix of vintage and ballpoint/sharpie, the autographs will be very clean overall, the duplication will be very mild. Given the size and nature of the lot, we did not have JSA review it, they are being sold as-is, we would be shocked if there were any major issues. Some of the better autographs in this lot include: S. Anderson (2), Andrews, Bob Johnson (check), Bartell (4), Blanton, Burke, Butcher (2), Caldwell, Chiozza, Coffman (2), Cohen (3), Earnshaw, Finney (4), Hacker (2), Jonnard, D. Leonard (2), F. 666 Babe Ruth 4 1050
The offered ball is not going to set any price records for a Ruth single! Offered is an honest lower grade Ruth signed ball. Ruth signed this in the center of one side panel, it is a full signature that is fully legible. It is very difficult to grade these kind of autographs, it is 4/10 in our opinion, others might say a grade higher or lower. With the enormous prices higher grade Babe Ruth singles bring in today's market, this should be a popular lot. JSA LOA (full).

Basketball Cards

766 1957 Bill Russell Rare Playing Card 300
Something that we have never seen before, we have shown these to various vintage specialists and no one has seen these. Offered is a fine run of 2 x 3 printed card of Bill Russell, we believe this is from the 1957-8 season based on the content of the set. The card has a small crease and displays well, the back is blank. A potential 1/1 Rookie Card, we attempted to have the Bill Russell slabbed and the grading companies did not want to do so but this certainly could change in the future, with some enormous potential upside. The card certainly appears to be vintage, but we do not know the issuer and could not find a period basketball game that was produced with such cards. This is a truly fascinating lot to our eyes.

767 1957 Rare Playing Card Lot
w/many HOFers (67 pcs) 180
Something that we have never seen before, we have shown these to various vintage specialists and no one has seen these. Offered is a fine run of 2 x 3 printed cards for some sort of board game. Likely a set, the content almost completely parallels the legendary 1957-58 Topps basketball set and is almost certainly from either of those years. These have printed odds for field goals, free throws, personal fouls, rebounds and assists. The backs are black, but some cards have handwritten notes in pencil. We also have the hockey counterparts to these as a separate lot in the auction. We attempted to have the Bill Russell slabbed and the grading companies did not want to do so but this certainly could change in the future, with some enormous potential upside. The content here is simply awesome, with Cousy, Heinsohn, Stokes, Pettit, Hagan, Arizin, Twyman, Sharman, Mikkelsen, Lloyd, Clifton, MacAuley, Schayes, Sam Jones (he is not in the 57-8 set but was a 57 Celtic) and Hundley. These certainly appear to be vintage but we do not know the issuer and could not find a period basketball game that was produced with such cards. This is a truly fascinating lot to our eyes.

769 1969 Topps Complete Set minus Alcindor Ex+..... 500
A fresh and crisp overall set, we feel these grade a nice Ex to Ex-Mt overall. With some variance and centering issues, this is a very appealing and attractive run. With a centered checklist and many sharp cards, we grade the key cards as follows: 1 Chamberlain PSA 4, 2 Goodrich RC Ex-Mt, 15 Hawkins RC Ex-Mt, 20 Havlicek RC PSA 5, 35 Baylor VG+, 43 Bradley RC VG-Ex/Ex, 50 Robertson Ex, 56 Unseld RC Ex, 60 Reed RC PSA 5, 75 Hayes RC Ex, 90 West PSA 4, 98 Frazier RC PSA 4.5, 99 Checklist VG-Ex/Ex ctd.

w/some PSA cards

Missing just Maravich, this is a fine looking set with many very sharp and clean cards. Centering varies somewhat, the cards have some variance but are pretty consistent overall to our eyes. The key cards and slabbed cards are as follows: 1 Alcindor LL Ex, 2 West LL SP VG-Ex, 5 Alcindor LL PSA 6, 7 Bradley Ex, 10 Havlicek SP Ex mc back, 13 Riley RC Ex++, 24 Checklist NM, 50 Chamberlain PSA 4, 65 Baylor Ex++, 75 Alcindor VG+, 80 Wilkens SP Ex-Mt+, 86 Nelson SP Ex-Mt, 95 PSA 7, 100 Robertson PSA 6, 101 Checklist Ex-Mt, 107 West AS Ex-Mt+, 112 Havlicek AS PSA 7, 114 Robertson AS PSA A, 120 Frazier Ex-Mt, 137 Murphy RC NM, 148 Sloan RC Ex, 150 W Reed PSA 5, 160 J West NM, 173 Wilt PSA A.

Very well centered and razor sharp, this is a high-end 8.

774 1977 SportsCaster 7418 Larry Bird RC PSA 7..... 240
So undervalued, this is just an awesome card of the legendary Larry Bird playing at Indiana State. Scarce, very, very subtle wear at the bottom border keeps this at a strong 7.

775 1977 SportsCaster 7802 Magic Johnson RC PSA 7 150
So undervalued, this is just an awesome card of the legendary Magic Johnson playing at Michigan State. Scarce, the 7 grade looks awfully tough here, we could not see any obvious wear even under magnification.

Basketball

776 1980 Topps Bird/Magic RC PSA 6..... 200
Recently slabbed, this is crisp and clean. Centered to the right border with only very slight print, pleasing 6.

777 1980 Topps Bird/Magic RC PSA 7..... 300
A vital current card, this has quality centering. The corners are sharp, the color is good, nice 7.

778 1980 Topps Complete Set 200
A vital set, the key Bird/Magic RC is a strong Ex-Mt/NM, it could well grade either a 6, 6.5 or 7. The set is NM to Nm-Mt overall with some variance, mainly due to centering, nothing has been picked for grading.

779 1986 Fleer 57 Michael Jordan RC PSA 5 1100
A fine 5, this has terrific centering. The image is nice, the borders are crisp and clean. The corners come to solid points and exhibit hardly any wear. The back is bright and clean, this is a very fine 5 to our eyes.

779.2 1986 Fleer Michael Jordan RC SGC 7 1250
A fine 7, this has rich color borders and four strong corners. Well centered, the edges are crisp, the classic image of MJ dunking is very nice, the back looks good.

A powerhouse NBA talent, these are always nice to find in PSA 10 holders.

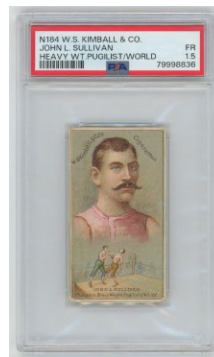

Basketball Memorabilia

784 1957 Topps 19 Tommy Heinsohn Auto RC 7 240
A classic HOF Rookie Card of this iconic Celtic star and future broadcaster, this will be a popular lot. Well centered, there is some surface wear on the right side, the back is clean. Signed right on his image, this is a vintage blue ballpoint ink signature, likely signed at the time. Beckett slabbed, these hardly ever come to market.

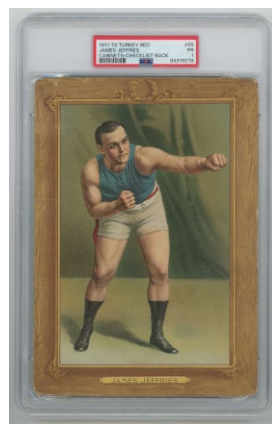

786 2002 Ticket LeBron James 1st Televised
High School Game PSA 4..... 210
Freshly slabbed, this is a very interesting and unusual LeBron ticket. The edges are crisp, some very fine surface wrinkles likely led to the 4 grade.

Boxing

787 1887 N184 Kimball John L. Sullivan PSA 1.5..... 150
A very cool card of the first boxing superstar, this has a gorgeous image. Well centered with a very clean front, the corner wear is mild and consistent. The back has some paper loss from scrapbook removal, it is not bad at all overall.

788 1910 T218 Sports Champions
Complete Set w/PSA keys VG to VG-Ex.... 360
A beautiful and undervalued set, these are such attractive cards. Conservatively graded, this is really an ideal lot for the grade. The golfers look very nice, as do the billiards and aviator cards. The key boxing set is a very strong VG to VG-Ex overall, much closer to VG-Ex. PSA was rough as always with the Jack Johnson and James Jeffries cards, they look much nicer than their technical grades. Good lot.

789 1911 T9 55 James Jeffries PSA 1..... 100
A key card with great color, this has no pinholes or obvious creases, the back is fine. The corners show a fair amount of wear, but the 1 grade honestly looks to be awfully conservative. A key boxing HOFer, this is a terrific card with a superb image.

790 1911 T9 76 Jack Johnson Beckett 1..... 150
Very tough with paper loss and scraping, the image of Johnson retains good color however. A presentable copy of a key card that we think is undervalued, these are not easy to find.

791 1920s/1930s Exhibit Lot w/key HOFers (41 pcs)..... 80
A clean lot of these terribly undervalued cards, these are a pleasing mid-grade overall. The big stars are Baer, Carpenter, Dempsey, Gans, Sharkey, Tunney.

Boxing

792 1935 J.A. Pattrieuex 56 Joe Louis PSA 5..... 130
A nice early card of Joe Louis, the photo looks great. With terrific centering and clean white borders, this exhibits only very light corner wear.

793 1951 Berk Ross Robinson, Ray PSA 7..... 125
Neat card of this incredible boxer, this has respectable centering, solid corners and good color.

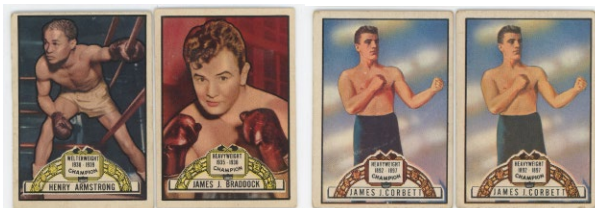

1951 Ringside

794 56 Joe Gans PSA 6..... 65
Popular card has great color, the corners come to points; mild centering to the left border likely kept this at a 6.

795 88 Joe Louis PSA 6..... 140
A high number and so undervalued, these are usually missing or in terrible condition in most sets. Offered is a colorful and crisp 6, this is centered lightly to the right border, the corners are very solid for the grade.

796 106 assorted w/25 high numbers 100
A very, very fine original owner collection, these are super bright, fresh and crisp overall. Completely unpicked for grading, there could well be many 7s and even some 8s in the lot. There is a fair amount of duplication, the lot has a handful of stars, but a nice quantity of high numbers and many really, really nice commons. Good lot.

797 63 assorted w/46 high numbers VG-Ex..... 100
Mid-grade lot has some lesser cards with tape, the lot is not bad at all overall. A substantial lot due to the large number of high numbers, these better cards are included: 2 Armstrong, 5 Cerdan, 24 Braddock, 51 Willard, 59 Corbett, 60 Attell, 69 JL Sullivan, 86 Eagle.

798 1956 Topps Adventure Complete Set (100) Nm-Mt..... 200
Laser sharp, these could not be any cleaner or with better corners. An unpicked set, this has 21 boxers and 79 cards of various subjects. The boxers include legends Joe Louis, Rocky Marciano, Jack Johnson, John L. Sullivan and the key card of Max Schmelling. We will not be posting images of the Schmelling card on our website, it is Ex Plus to our eyes.

799 1956 Topps Adventure Original Owner High Grade Lot of Approx. 630 Cards NM to Nm-Mt..... 200
Something we just never see, offered is an 800 count box filled with super fresh and sharp cards. NM to Nm-Mt overall with some light variance, the lot has twenty boxers, the Harry Agganis card, and two each of the basketball and hockey cards. These should be ideal for slabbing if desired, nothing has been pulled or touched.

800 Ali, Muhammed Signed Glove 9..... 150
Boldly signed, this includes a unsigned glove for display. The signature is in large and clear black sharpie ink, this comes a Steiner LOA.

- 805 1957 Topps 138 Unitas RC PSA 5 (well ctd) 180
Nicely centered, these are of course not scarce but still they seem awfully cheap at current market levels. Well centered with rich color, the corners show very minute wear, this is a superb card for the grade.

- 806 1957 Topps Complete Set VG-Ex..... 300
A vital 1950s football set, this has a trio of cornerstone HOF Rookie Cards. An attractive and colorful set with many stars and an underrated high number run, we always like these. The offered set is more than half VG-Ex or better but definitely has some condition variance, it could benefit from some TLC, but it does have many very nice cards throughout as high as Ex-Mt. 807 1958 Topps Complete Set VG-Ex/Ex 300
A colorful and attractive set, the key Jim Brown Rookie is a BCCG 7 (actual grade to our eyes a VG 3), the set displays well overall with some variance. 809 1958 Topps CFL Complete Set (88 cards) Ex-Mt 210
Seldom offered for sale, these have brilliant color and a pack fresh look and feel. Alas centering varies and some have tiny wrinkles etc, but these are still awfully nice looking cards that display very well. Likely an original owner set, nothing has been picked for grading.

Razor sharp card, recently graded, this is centered slightly to the right border.

811 1960 Topps 23 Jim Brown PSA 8 350
Only his third card, this has such a classic portrait. Almost always found with major centering issues, this is a tougher 8. The offered card has strong centering, four very solid corners and a flawless image.

814 1967 Philadelphia 178 Wilcox RC PSA 8 55
Sharp card with superb centering, fine 8.

815 1973 Topps 89 Franco Harris RC PSA 8 20

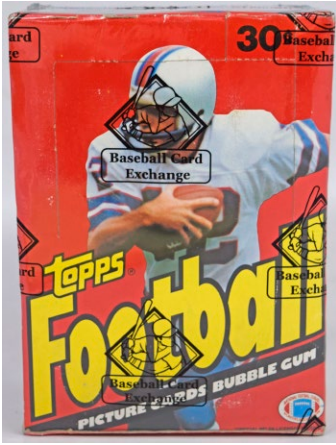

816 1977 Topps Mexican Football Lot of sixteen sealed wax packs 200
A good lot, these can sell for big prices in slabs. With the potential for a very desirable Walter Payton card, how often do you see these in quantity? Fresh to the hobby, these are reasonably tight and clean, some light wear is present. 100

A terrific 9, this has outstanding centering and four super sharp corners.

823 2000 Bowman 236 Tom Brady RC PSA 7 156
Much more like an 8 than a 7, this has perfect centering and four crisp corners. The corners show the slightest hints of wear at the extreme tips, this is an awfully nice card for a 7. Good value card.

A classic Tom Brady card, this is a freshly graded PSA Mint 9. Razor sharp and immaculate to our eyes, this looks great. It will be interesting to see where these trade at in a few years, fine card.

825 2000 Donruss 230 Tom Brady RC PSA 8 390
A card that we hardly ever see, the color and photo look great. With full color borders, any corner wear shows, so an 8 is a high grade for one of these. Good card.

826 2000 Pacific Draft Picks 403 Tom Brady RC (788/999) 240

A colorful numbered Mahomes card, the card is awfully sharp and nice for the grade.

839 1957 Rare Playing Card Lot w/many HOFers
 (38 pcs) 150

Something that we have never seen before, we have shown these to various vintage specialists and no one has seen these. Offered is a fine run of 2 x 3 printed cards for some sort of board game. Likely a set, the content looks to be circa 1957-58 (we have the basketball cards as a separate lot). These have printed odds for goals, assists, pim and saves. The backs are black. We attempted to have the Bill Russell slabbed and the grading companies did not want to do so but this certainly could change in the future, with some enormous potential upside. The content here is simply awesome, with Howe, Horton, Kelly, Mahovlich, Keon, Bathgate, Howell, Gadsby, Worsley and Ullman. These certainly appear to be vintage but we do not know the issuer and could not find a period basketball game that was produced with such cards. This is a truly fascinating lot to our eyes.

840 1960 Shirriff Coins

Hockey

838 1952 Laval Dairy Subset
 50 different VG-Ex/Ex 150

A lot for a true vintage hockey collector, how often do these come to market? Some of these were hand-cut, that might be typical for the issue. The cards range from about VG to Ex-Mt Plus. The backs are clean, these average about VG-Ex/Ex overall to our eyes, with many clean cards. Some of the missing card numbers are 14, 32, 70, 84-86.

841 1968 Topps Complete Set Ex-Mt/NM..... 360

846 1979 Topps 18 Wayne Gretzky RC SGC 7.5 200
A superb card for the grade, this has deep blue color back-
grounds and as nice an image as you will ever see on one of
these. The corners are sharp, this is centered a click to the
right border. Really an 8, SGC split hairs a bit with the grade
here, this is a very fine looking card.

847 1980 Topps 250 Wayne Gretzky PSA 8..... 40
Sharp and reasonably well centered, this is very clean.

848 1985 OPC 9 Mario Lemieux RC PSA 8 150

eyes.

a Roy RC and many other better cards.

A beloved hockey HOFer, his autograph is always desirable. Signed with a big flourish, Plante died in 1986.

956 1881 Chicago Cubs - Boston Red Sox Program w/Anson, Kelly 100
A super early program, this is a larger format for the era, we have not seen this style until now. Quite clean overall, this has been very neatly scored in pencil. The HOFers are the vital Cap Anson and Mike King Kelly. These early scorecards are just terrific and seem so undervalued in today's market.

957 1887 Superb Chicago Cubs Scorecard w/Cap Anson 150
A wonderful and rare 19th century scorecard, this has a Fred Pfeffer ornately designed cover. A small program with interesting content, it is scored in pencil. For a game between the Chicago and Philadelphia teams, the players include Anson, Van Haltren, Williamson, Pfeffer, Ryan, Sullivan, Gleason and Fogarty.

853 Lot of 29 different HOFer signed pucks 9 300
A fine lot of clean signed hockey pucks, the lot includes Alexander Peter Fats Delvecchio, Allan Stanley, Bernie Boom Boom Geoffrion, Bernie Parent, Bill Gadsby, Billy Smith, Bob Clarke, Bobby Hull, Chuck Raynor, Darryl Sittler, Dave Keon, Denis Savard, Eddie Giacomin, Emile Francis, Francis William Mahovlich, Gilbert Perreault, Gump Worsley (2x), Guy Lafleur, Harry Howell, Harry Lumley, Henri Richard, Johnny Bowers, Maurice Rocket Richard, Mike Bossy, Norm Ullman, Pierre Pilote, Tony Esposito, Sid Abel, Ulf Nilson. The HOFers are Napoleon Larry Lajoie (a super early appearance of this collector favorite) and cult favorite Ed Delahanty. 19th century programs with HOFers represent an almost historic value right now in our opinion.

959 1906 Boston Red Sox Superb Condition Scorecard
(Cy Young game) 300

A terrific piece, this is among the finest condition early 20th century programs that we have ever seen or handled. Scored versus the eventual World Champion 1906 White Sox, the interior pages are perfect as well. Neatly scored, Cy Young pitched that day.

960 1914 Chicago Cubs - Brooklyn Dodgers Program.... 75

A style that we have not seen before, this could be quite rare. A hefty program that checks in at fifty pages, this is not scored. Played versus the Brooklyn Dodgers, the listed HOFers are Stengel, Wheat and Bresnahan. The condition is terrific, the cover looks great.

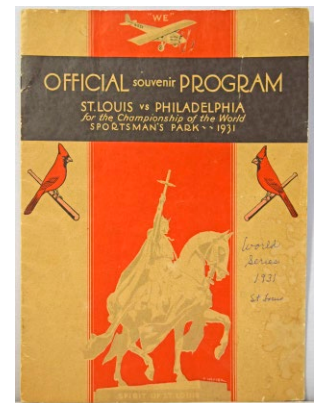

961 1920 Who's Who Babe Ruth Cover 510

A very desirable item that hardly ever comes to market, you have to love the pretty unique image of a young Ruth. From his first season with the Yankees, this has good color. The pub has been exposed to moisture at one time, the front cover has some general wear and is pretty nice, the back cover has a minute closed tear. We have not seen or handled one of these in forever.

962 1929 World Series Program
At Chicago VG-Ex/Ex 150

A very attractive program, this retains rich color and excellent imagery. Unscored, the wear is not bad at all, this looks terrific for the grade.

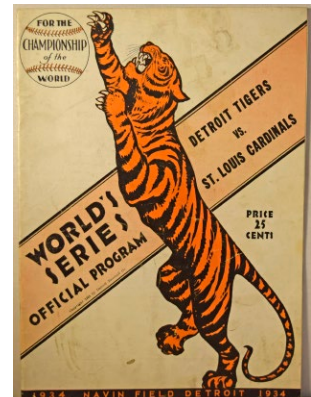

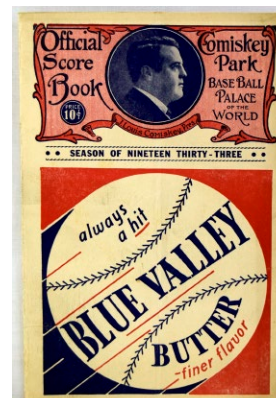

963 1930 World Series Program At St. Louis VG-Ex ... 360

A tough program, this was printed on lesser quality paper and almost always has chips, rips and other major condition flaws. The offered lot is as nice as we have ever seen, this has vibrant color and looks great. Bright and clean, this is neatly scored. Unfolded, the spine is perfectly tight, the edges are crisp, minimal wear keeps this at a gorgeous VG-Ex to our eyes. This should be an upgrade for almost all of you, superb.

964 1931 World Series Program At St. Louis GVG 150

An elusive larger format program, this is unscored with clean interior pages. This has not been folded, the cover shows natural toning from age and has the World Series noted. The spine is tight, this is honest and respectable lower grade program that displays well.

965 1933 All Star Game First Game Program..... 150

Such an undervalued item, these are just terrific. Offered is a crisp and attractive example, as it has been folded as is typical. Neatly scored, an amazing twenty-five HOFers played in this game!

966 1934 World Series Program At Detroit VG 150

Elusive program, this is not bad at all. Unscored, with some general wear, the front cover is not bad at all. The back cover has some subtle scraping, this displays reasonably well overall.

The autographs include Seaver, Ryan, Koone (D'1993), Walker (D1992), Berra, McGraw, Jones, Agee, Koosman and Cardwell. JSA LOA (full).

A very interesting item, offered is an M110 Boston Red Sox model bat. Taped extensively on the handle, the bat measures 34.25 inches long. This bat was given by Ted to a photographer in the 1980s at a Red Sox spring training session. The bat has some cracking and is the closest almost any of us will ever come to a true Ted Williams gamer, the signature is a very nice touch. JSA LOAA.

Such a fun item, this has good color and only mild wear. Taped together in one spot, this includes the various HOFers on this top Cubs team (Tinker, Evers, Chance).

977 1912 Major League Baseball Game 750

One of the very best of all vintage baseball games, this is a cornerstone piece. Produced by the Philadelphia Game Manufacturing company in a sturdy custom wood case, this measures just over 19 x 13 x 3. The cover has fantastic graphic images of sixteen top baseball players from 1912. You may have heard of some of them: Ty Cobb, Honus Wagner, Walter Johnson, Christy Mathewson, Tris Speaker, Nap Lajoie and Frank Chance among others. The top has two small scrapes at the right edge and some general wear, while not high grade, it is not bad at all and has a nice antique look and feel. We are not sure if the game is complete, please consult the images on our website for more detail. So much nicer than a single tobacco card that can sell for \$10,000 or more, this treasure has images of no less than eleven HOFers on the cover, including some of the absolute top players in all of baseball history.

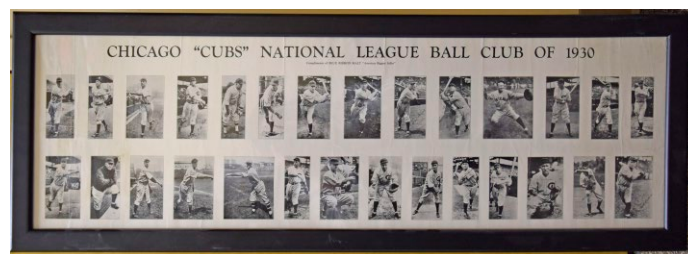

978 1923 TicketWorld Series Game 1 PSA 2 mk..... 500

The offered ticket has good color and clean edges. Game notations on the front led to the qualifier, the back has some wear and is not bad at all. High quality tickets have been white-hot in recent years, this should be a very popular lot.

979 1930 Blue Ribbon Malt

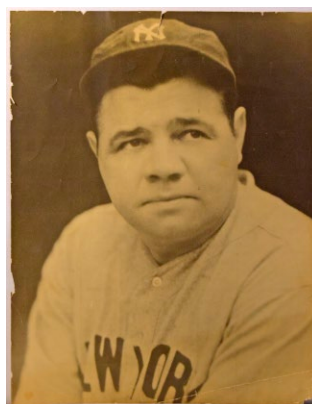

Chicago Cubs Team Panorama 100

Checking in at 40x13, this is framed and displays well. With terrific eye appeal, this substantial piece offers images of 29 Cubs, including HOFers Hartnett, McCarthy and Wilson. Some creasing is present as is typical from one-time folding, this looks quite nice overall to our eyes.

980 1930 Babe Ruth Superb Vintage Imperial Size Photo 150

Offered is a huge 15 x 19.5 portrait image of Babe Ruth. We do not believe this is a type one photo, but it does look to have been printed in the 1930s or 1940s. General wear, a crease and some edge wear is present, this still displays quite well. A fine image of a pensive Ruth, we have not seen this image until now.

Baseball Memorabilia

989 Complete Set (superb) NM 1000
A remarkable quality set from a very long-time hobby collector, this is truly one of the cleanest and finest full sets that we have seen or offered. Anchored by a gorgeous Dick Groat, every Hartland is white or very near-white. Clearly collected with great care, this is a superb problem-free set. Given the outstanding overall quality, these will have a big value as singles, but it would be great if this went to a collector and could be properly displayed. Among the most classic pieces of memorabilia from this era, these are just so well done and terrific. Please consult the detailed pictures on our website for additional condition detail or questions.
