Baseball Cards

1 1900 PD1 Position Pins Captain PSA 4

2 1909 Morton's Buster Brown Tigers Pin Unidentified Player

Clean pin from this very desirable issue, there is some very fine cracking that is hard to see with the naked eye. We could not identify the player; we will post any new information that we might receive on our website.

3 1909 T204 Ramly Jake Stahl PSA 3

Nice Ramly 3, this is well centered with slight creasing. The back is clean, image is good, the surfaces are solid overall.

1909 T206 White Borders

4 Beaumont SGC 1 (Brown Hindu)

Tough back, this card is a 1 due to creasing on the front and some scraping on the back.

5 Manning (batting) SGC 5.5

Extremely colorful and attractive card, this has bright white borders and a superb image. The corners are very strong, a slight diamond cut likely led to the 5.5 grade. The back is a clean Sweet Caporal 350.

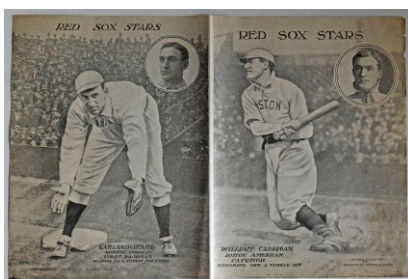

7 4 different commons Good

Pleasing lot of honest lower grade T206 commons, these will all be pictured front and back on our website.

8 Collection of 66 low grade T206 cards
Collection of 66 low grade T206 cards, fresh lot to the hobby, these range from Poor - Good. There is hardly any duplication, there are some very rough cards in here. The backs are very basic, there is just one Old Mill, several have damage. About 25% of the lot or so is Good, maybe more, the balance are Poor and Fair. These better cards come in the lot: Bresnahan (portrait), Chase (portrait, blue bckgrnd), Chase (portrait, pink bckgrnd), Cicotte, Duffy, Durham, Greminger, Jennings (one hand showing), Lundgren (Kansas City), Pattee, Peltz (horizontal) and Speaker (extremely rough).

9 1910 Boston Sunday Post Supplement

Scarce Original Bill Carrigan - Jake Stahl Print Ex
Something you just never see, this is a fully original approximately 9x14 double newspaper insert. Printed circa 1910, this features two popular Red Sox players from this era. There are no tears, the condition is strikingly clean for something this size on such fragile stock.

4

1910 E93 Standard Caramels

10 Joss Good

Not an easy card to find, Addie Joss has so few cards. Well centered with great color, this has a fine image. The back is solid, the borders are clean. The corner wear is moderate, there is only slight creasing and one stray mark on the front, nice card for the grade.

11 Lajoie, Nap SGC 1

Not bad at all, this elusive card has rich color and a fine image. The back is clean, there is hardly any creasing, some slight general surface wear likely caused the 1.5 grade.

12 Joe Tinker Good

Colorful and attractive card, this has a nice image. The back is strong. The card has some creasing and toning in one spot by the border; this is a very nice card for a Good.

Baseball Cards

1910 E96 Philadelphia Caramel

13 Adams PSA 4
Very strong 4, this has rich color and very clean surfaces. The corners are not bad at all, there are no visible creases or wrinkles.

14 Brown, Mordecai Good
Very attractive card of this HOFer, this is one of my favorite cards from the set. The color is good, the back has no damage. There is corner wear and a small crease by the upper right corner, this is a very nice card for the grade.

15 Clarke, Fred PSA 2
HOF caramel card, this one has a novel image of Clarke in a bunting pose. Moderate creasing and corner wear keep this at a 2, the back is nice.

16 Karger PSA 4
Colorful card has a terrific image, the borders are bright white, the surfaces are clean, there is hardly any creasing.

17 Kling PSA 3
Attractive card has no visible creases or wrinkles, very mild caramel staining likely led to the 3 grade.

18 Konetchy PSA 2
Colorful card has a fine image and no creases or wrinkles, mild caramel staining led PSA to grade this a somewhat harsh 2.

19 Meyers PSA 2
Nice image, creasing and corner wear keep this at a 2, the back is fine.

20 Thomas PSA 3
Pleasing 3 had a fine image. There is moderate wear only, this looks much more like a 4 than a 3 to our eyes.

21 Tinker Good
Not bad at all, this card has some general wear by the bottom border. The color is good, the image is strong. The back exhibits only slight wear, there is no creasing.

22 1910 Tip Top Bread John Flynn SGC 2
Tougher issue, this is perfect for a type-card collection. The card has moderate creasing and some general wear, hence the 2 grade.

23 1911 D310 Pacific Coast Biscuits Brashear PSA 1
Not bad at all, this has a clean image and a pleasing front. There are some mild creases on the front, the corners are not terrible. The back has moderate wear, which led to the 1 grade.

24 1911 D310 Pacific Coast Biscuits Hitt PSA 1
Scarce oversize PCL issue, this has rich color and a nice image. Creasing on the front keeps this at a 1, the back is clean with no issues.

26 1911 Helmar L1 Leather and Other Cards Coupon

27 1911 M116 Sporting Life Miller Huggins SGC 4

1911 T201 Double Folders

28 Baker/Collins PSA 5
Terrific Ex 5 card, this features two HOFers. Well centered with vibrant color and very clean surfaces, this is awfully nice for the grade. The corners come to points and only exhibit very slight wear.

29 Bresnahan/Huggins PSA 4
Very strong 4, we cannot see any creases or wrinkles, even under magnification. The card is bright and clean and has rich color, neat card as it pairs two HOFers.

30 Byrne/Clarke PSA 4
Strong 4 has very mild wear only, the image and surfaces are very nice.

Baseball Cards

1911 T201 Double Folders

- 31 Daubert/Rucker PSA 4
Clean 4 has slight wear by the bottom two corners, this is a very attractive card.
- 32 Falkenberg/Lajoie PSA 3.5
Classic tobacco card, you have to love this image. Well centered, this has rich color and very clean surfaces. There is one very slight corner crease, this really should be a 4 or a 4.5, PSA is so tough on oversize issues. Nice card.
- 33 Gardner/Speaker PSA 2
Awfully tough grade, this has rich color and clean surfaces. There are some moderate creases that do not crack the paper, this really seems like an odd grade for this card.
- 34 Jennings/Summers PSA 2
- 35 LaPorte/Stephens PSA 5.5
Very sharp looking 5.5 T201 card, it is not easy to find these in this quality.
- 36 Lake/Wallace PSA 3
- 37 5 different commons Good
A perfectly reasonable lot for the grade, these are all pictured front and back on our website.

- 38 1911 T205 Gold Border 12 different Detroit Tigers GVG
Very attractive GVG lot overall, the backs include American Beauty and Sovereign. Condition varies mildly with some cleaner cards, everything will be pictured front and back on our website.

- 39 1911 T205 Gold Border 20 different commons VG
Attractive T205 common lot, it is about 60-65% VG or so, the balance Good. There are some uncommon backs, the cards are not bad at all. Everything will be pictured front and back on our website.

1911 T3 Turkey Red

- 40 5 Sam Crawford Poor
Eminently affordable T3 HOFer, this has lots of creasing, surface wear and pinholes. The card retains good color and does not have back damage.
- 41 8 Fred Clarke Poor
Fine image, this card grades Poor due to pinholes and some surface scraping. The back is fine, this is not so bad at all for the grade.
- 42 10 Art Devlin Fair-Good
Not bad at all, this has corner wear and nicks on the left and right borders at the center. The image is good, this displays reasonably well.

1911 T3 Turkey Red

- 43 16 Johnny Evers Poor
Chipping at the top two corners is the main issue here, this also has pinholes and other condition issues. The card does retain good color and a pleasing image, the back has no damage.
- 44 18 Hughie Jennings GVG
Great image, one of the most popular on all tobacco cards. The War Dance of HOFer and future Esquire Jennings, this is a fun card. Very nice for the grade, there are no pinholes or creases, the color is solid, the image looks great. There is mild staining on the back and corner wear, this is very nice for the grade.
- 45 30 George Mullin Poor
Typical pinholes keep this at Poor, this is otherwise not bad at all.
- 46 33 Jake Pfeister GVG
Bright and well centered, this has moderate creasing that does not crack the paper. There are no pinholes, some stray writing (likely in pencil) on the back is present.

Baseball Cards

1911 T3 Turkey Red

47 38 Jake Stahl GVG
Pleasing Red Sox common, this has no pinholes or visible creases, slightly toned, this presents well.

48 39 Rube Waddell Poor
Pinholes, creasing and general wear keep this at Poor. A tougher HOfer, this retains good color and has no back damage.

49 82 Kitty Bransfield Good
High number, creasing and some general wear keep this at Good. The color is superb, this displays very well.

50 92 Jimmy Dygert GVG
Clean high number, our grade is a bit conservative. Bright and attractive, this has consistent corner wear and a clean back. Nice card.

51 108 Fred Merkle Poor
Very colorful card has a superb image and no pinholes. The back has no damage, there are no obvious creases; alas a chip at the upper right corner keeps this at Poor.

52 122 Fred Tenney (NY) Poor
Tougher card, this has no pinholes or creases. The color is very nice, a chip at the upper right corner keeps this at Poor.

53 1911 T5 Pinkerton Jack Warhop
A true Pinkerton, this has the original photo and mount. There is a chip in the photo by the upper right corner, the photo otherwise displays well. The mount itself has wear at the upper right corner and some general wear, it is not bad at all. Jack Warhop was a Highlander (Yankee pitcher), how many advanced Yankee card collectors have one of these in their collection?

1912 T207 Brown Border

54 Fletcher PSA 3

55 Chet Hoff PSA 5 mc
Desirable short-print, this is needed by so many collectors. A Yankee player, he was long known as the longest living player. The card has the typical miscut but is otherwise bright and clean. The image is nice, as is the Broad Leaf back. Scarce card.

56 McLean PSA 4 mc

57 7 different Detroit Tigers VG- VG-Ex
Pleasing mid-grade lot, this includes both Mullin variations, everything will be pictured on our website.

1914 B18 Blankets

58 Paddy Bauman (brown infield) NM
Very sharp and clean, this has solid borders and four strong corners. It is always nice to find the brown infield variations in this quality.

59 Tioga George Burns (brown infield) Ex-Mt
Nicely cut with good borders, this has rich color and only very slight wear.

60 Marty Kavanaugh (Kavanaugh) Ex
Crisp and clean, this has four solid corners and clean surfaces. A close cut on one border downgraded this to Ex.

61 Frank Chance (brown pennants, blue infield) VG

62 Ty Cobb (brown infield) Ex
An absolute key to the set, these are such bargains compared to where his tobacco cards trade. Bright and nice, this has a perfectly registered image and rich color. Three borders looks great, a slightly awkward cut at one small spot on one border led us to downgrade this to Ex from Ex-Mt. This has only very slight surface wear and displays well.

Baseball Cards

1914 B18 Blankets

63 Ray Demmitt (brown infield) Ex
The borders are good, the corners are solid, general surface wear keeps this at Ex.

64 Del Gainor (brown infield) Ex-Mt
Bright and clean, this has rich color and clean surfaces. Cut well overall, nice B18.

68 Rabbit Maranville (white infield) NM
Sharp and particularly clean, this will be an upgrade for almost all of you. Well cut with four solid corners, the surfaces are very nice.

69 Rabbit Maranville (brown infield) Ex
Bright and clean, this has four strong corners. A close cut on one side led us to downgrade this to Ex. One of a small number of HOFer brown infield variations, this is one of the keys to a set.

89 Owen Wilson (yellow basepaths) Ex
Elusive card, a close cut on one edge keeps this at a nice Ex.

- 65 Chick Gandil (brown pennants) Ex

94 1920 W516-1 8 Walter Johnson PSA A
Uncommon card, this has good color and a nice cut, creasing and damage on his face by the top border led to the Authentic rating. The back is fine.

1922 E120 American Caramels

95 Grover C. Alexander SGC 1.5
An honest 1.5, this has some creasing and general wear. The card retains a nice image, this is one of the key cards to this great set.

Strong card, this is well centered and clean, these are not easy to find in 5 holders.

Fun horizontal image, this has only slight wear and is well centered. Solid 5.

Clean Ex Plus
Solid lot, nothing has been pulled for grading, everything is pictured on our website. The HOFers are Bottomley, Haines and Pennock. The commons include 1927 Yankee George Pipgras. The condition averages a solid Ex Plus overall with only slight variance.

121 1928 Block Brothers
St. Louis Cardinals Postcard PSA 5 mk
Popular postcard of this HOFer-laden team, this has bright gloss and clean surfaces. A price in pencil on the back from decades ago can likely be removed and led to the mk qualifier.

122 1928 Star Player Candy Heathcote SGC 1
Very scarce issue, perfect for a type-card collection. A crease on the left side and a somewhat subtle scrape by the upper right corner led to the 1 grade. The blank back is fine, this is far from an ugly card.

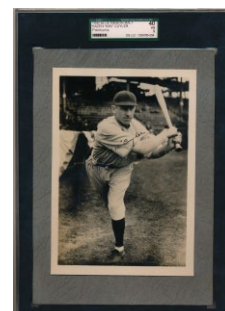

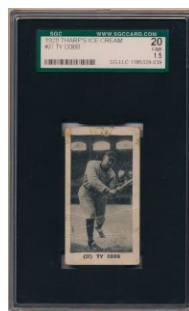

123 1928 Tharp's Ice Cream 27 Ty Cobb SGC 1.5
Very elusive card of Ty Cobb from his final year as a player, these do not come around very often. Very well centered, this has a clean photo of Cobb's unique swing. Creasing and some general wear keep this at a 1.5, this is not bad at all for the grade.

124 1929 R316 Kashin 5 different Tigers VG-Ex/Ex

125 1930 Blue Ribbon Malt Cuyler, Kiki SGC 3
Very interesting and unusual oversize issue, these do not come around every day. This example has a perfectly sharp and clean photo of HOFer Hazen Kiki Cuyler. The mount has slight corner wear and is clean overall, the 3 grade seems a bit conservative to our eyes.

126 1930 Blue Ribbon Malt Root, Charlie SGC 3
Very interesting and unusual oversize issue, these do not come around every day. This example has a harp and clean photo of cult favorite Charlie Root. Mild corner creases on the mount led to the 3 grade; the mount is very clean overall and presents well.

Very rough lot from this classic set, this is not something to get graded! The lot still has a solid value, with no less than 15 HOFers, including Foxx and Ott. The cards are very low grade, technically Poor-Good overall, but some do present better, the backs are mainly fine. These are the many HOFers and better cards in the lot: 1 Grove, 3 Maranville, 9 Cochrane, 14 Terry, 16 L. Waner, 18 Hafey, 43 Lyons, 48 Ferrell, 50 Ott, 59 Bottomley, 60 Ruffing, 63 Jackson, 64 Foxx, 77 Gehring, 83 P. Waner, 86 Crosetti, 92 Allen, 94 Ferrell and 96 Riggs.

142 1935 Gold Medal Flour JoJo White PSA 5
Good type-card, this has terrific centering and respectable corners. Uncommon issue, the back is perfectly clean.

1935 R310 Butterfingers

143 Bottomly (Bottomley) Ex-Mt+
Truly exceptional quality, the extremely fragile paper makes these so hard to find in nice condition. Sharp and clean, this has four strong corners and presents extremely well.

144 Hafey Ex-Mt+
Also of truly exceptional quality, the extremely fragile paper makes these so hard to find in nice condition. Sharp and clean, this has four strong corners and presents extremely well. The centering is superb.

145 P. Waner Good

146 12 different w/Dickey Ex
Clean lot contains Benton, Carroll, Dickey, Fonseca, Haas, Hogan, Lee, Mancuso, Melillo, Mowrey, Reynolds and Wilson. These are uncommonly crisp and clean, so much better quality than typically offered.

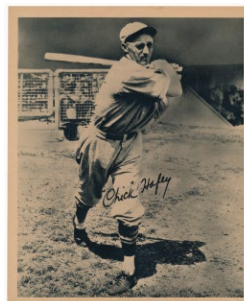

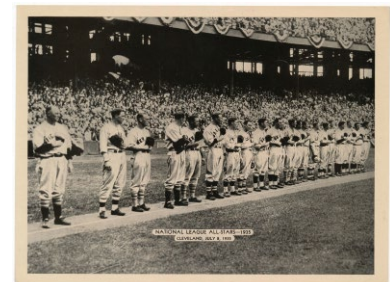

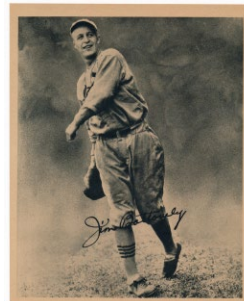

147 1936 R311 Glossy Ex
1934 National League All-Stars
Beautiful premium, this has four square corners and bright gloss. A few nicks that can be felt more than seen keep this at Ex. Tough card, we hardly ever see these.

New York Yankees -1935
Bright and clean, very slight wear keeps this just below Ex, the corners come to points.

1939 R303-Bs

172 DiMaggio PSA 1.5 mk
Very underrated early Joe DiMaggio card, the larger size affords a great image of a young Joe D. Somewhat harshly graded, this has some very mild creases and even corner wear. Some stray marks by the bottom of the back, likely in pencil, led to the mk qualifier and are far from distinct. This card presents so much better than a 1.5 and is a true bargain in today's market.

173 Feller VG-Ex/Ex
Underrated and extremely attractive early Bob Feller card, this displays very well. We cannot see any creases or wrinkles, the surfaces are quite clean, this has a very fresh look and feel, very mild corner wear appears to be the only issue here.

174 Foxx VG-Ex/Ex
Fine looking oversize card has a novel image of an out-stretched Foxx making a great play in the field. Well centered and very clean, this has no visible creases and only slight corner wear.

183 Lombardi Ex++

Really nice lot for the grade, these are particularly fresh and clean cards for the condition. The lot is about 70% VG-Ex, the balance is almost all a high-end VG to VG Plus. This lot is an ideal foundation for a mid-grade 52 set and can also work works on a low grade set in need of upgrading. Some secondary stars come in the lot, the 49 better commons provide for some real value here. It would be a hard to find a nicer VG-Ex lot of this size.

Not bad at all, this key card is well centered with no creases and a nice image. Corner wear and a small tape fragment on the back are the only real issues here.

334 59 Mickey Mantle PSA 1.5
One of the most classic of all Mantle cards, this is such a great image. The offered card is a somewhat superior 1.5 as it has no creases and is strikingly well centered. Surface wear by the bottom of the card led to the 1.5 grade, the back is clean, the white borders are nice, the corners are in the VG-Ex range. It will be very difficult to find a nice looking a card as this in a 1.5 or 2 holder.

335 59 Mickey Mantle PSA 3
Classic Mantle card, these have been really hot over the past year. Offered is a very fine and fresh 3, this is strikingly well centered. The color is terrific, the image looks great, the borders and surfaces are quite clean. The corners show consistent wear, there is a very, very faint back wrinkle, we cannot see anything on the front. Nice 3.

Easily a 6 on the right day, we split hairs on this very nice card. Crisp and clean, this is centered mildly to the bottom border.

365 82 Mickey Mantle PSA 2
One of the hottest cards right now, we literally cannot keep these in stock. So cheap compared to his first two cards, this is one of his very best looking cards. The offered 2 punches far above it's grade, with excellent color, clean white borders, a spotless image and a flawless back. The red borders are strong, the corners are not bad at all. Mild creases that just barely crack the paper in the center of the card keep this classic card at a 2.

445 5 Ted Williams Fair-Good
 Well centered with a clean grey back, creasing and extensive wear by the upper right corner led to the grade.

449 31 Aaron PSA 6
 Great looking early Hank Aaron card, this is a very nice 6. The corners come to points, the borders are bright white, the back looks terrific. Centered mildly to the right border, this is a very fine looking Ex-Mt 6.

450 33 Clemente PSA 4
 Very clean and colorful 4, this has no creases or wrinkles. The corners are not bad at all, the surfaces are clean, the color is terrific. Subtle edge wear at the left border likely kept this at a 4. This is only his second-year card.

456 113 Rizzuto PSA 5
 Well centered and clean, this has slight corner wear only. The card has a grey back.

457 130 Mays PSA 5
 Classic Mays card, this example has four square corners, bright color and clean surfaces. Reasonably well centered, this has a clean back and looks awfully nice for a 5.

460 150 Snider PSA 5
 Well centered with four corners that come to points, this looks like a bit of a tough grade.

461 166 Dodgers TC VG-Ex/Ex (white)
 Extremely well centered with superb color, the borders could not be any whiter. Really nice, a very faint corner line at one corner led to our very conservative grade.

462 181 B Martin Ex-Mt
 Popular, this is crisp and clean with square corners. The card is centered mildly to the top border.

466 260 Pee Wee Reese Ex
 Popular card, this is centered mildly to the right corner. The corner wear is only really noticeable at the upper left corner.

476 20 Aaron VG-Ex/Ex
Awfully nice for the grade, this is a very clean card. A very faint corner line at the upper right corner led us to grade this a very conservative VG-Ex/Ex.

479 35 F. Robinson RC PSA 4
Clean card, this has the usual centering to the left border. There are no creases, just a few truly minute wrinkles. The surfaces are clean, the image happens to be really nice, the borders are white, the corners come to points.

480 55 Banks PSA 5
Extremely well centered, which is the key to this card. The borders are white, the image looks great. The corners are a pleasing Ex overall and show consistent wear.

482 76 Clemente PSA 5
Very strong 5, this could be a 6 on the right day. Bright and quite clean, the corners come to points, the color is superb, the borders are white. Centered to the top border, nice card.

485 95 Mantle SGC 3
Nice VG 3 example of a classic 1950s Mantle card, this is a good card for the grade. The image is quite nice, the borders are white, the surfaces are clean. The card has respectable corners, two minute creases by the bottom border that do not crack the paper likely led to the 3 grade.

491 210 Campanella Ex
Clean Ex card has only very mild corner wear, this is centered mildly to the left border.

492 212 Colavito RC Ex
Sharp card has four strong corners and bright white borders, heavy centering to the right border led to the Ex grade.

497 286 Richardson RC Ex
Tougher card has four square corners and perfectly clean surfaces, centering to the lower left corner led to the Ex grade.

498 302 Koufax VG
A key to the set, this has one tiny surface wrinkle and is otherwise very clean. Centered to the right borders, the corners are not bad at all. This will be far superior to 90% of the VG 57 Koufax's that trade.

504 338 Bunning RC PSA 6
Crisp card has a perfect image and super clean surfaces. The corners are strong, typical centering to the left border keeps this at a 6.

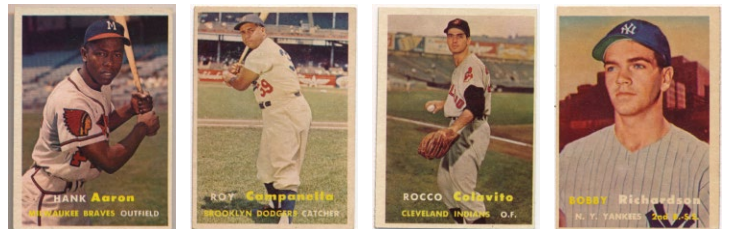

505 400 Dodgers Sluggers PSA 5
Nice 5, this has amazing centering. The corners come to points, the borders are clean. The card is a hair out of focus, which likely led to the 5 grade.

506 407 Berra/Mantle GVG
Not bad at all, moderate creasing is the main issue here. The card has good color and a nice image, some general wear is present.

Crisp card has one tiny crease, the borders are bright white, the color is strong.

799 331 Mantle/Maris Et Al Ex
Nice example of a fun card, this has exceptional centering, bright white borders and only very slight corner wear. There is almost zero diamond cutting here, which is very unusual.

803 440 Clemente Ex
Very bright and clean, this has superb color, a fine image and super bright white borders. Centering is not bad, very slight wear at the lower left corner led us to grade this desirable card a very conservative Ex.

808 514 w/hardly any dupes

A hot run of late, these seem so cheap at current catalog values. The condition is a very solid Ex Plus to Ex-Mt overall, these are clean and ideal for the grade. Centering varies mildly, some better cards come in the lot (Mazeroski, Podres, Kranepool, Wise RC etc). If you are building a set in this quality, you will want to take a long at this nice lot.
