

Clean Sweep: The Sweet Spot for Auctions

The sports memorabilia business seems to have an auction literally every day, not to mention ebay. Some auctions are telephone book size catalogs with multiple examples of the same item (thus negatively affecting prices) while others are internet-only auctions that run for a short time and have only been in business for a relatively short time (5 years or less).

Clean Sweep Auctions is the sweet spot of sports auction companies. We have been in business for over 20 years and have one of the deepest and best mailing lists of any auction house. Do not think for a second that a printed catalog in addition to a full fledged website will not result in higher prices for your prized collection.

Clean Sweep has extensive, virtually unmatched experience in working with all higher quality vintage cards, autographs and memorabilia from all of the major sports. Our catalogs are noted for their extremely accurate descriptions, great pictures and easy to read layout, including a table of contents. Our battle tested website is the best in the business, combining great functionality with ease of use.

Clean Sweep will not put your cherished collection in random or overly large lots, killing the potential to get a top price. We can spread out your collection over different types of auctions, maximizing prices.

We work harder and smarter than anyone in the business to bring top dollar for your collection at auction. Clean Sweep is extremely well capitalized, with large interest-free cash advances available at any time. Clean Sweep will also buy items and collections outright; we always put our money where our mouth is.

Letter To Readers

The current catalog features the always very popular \$5 reserve card auction. We have decided to roll the September smaller auction into this auction, so there are a very large number of lots (1,365).

The auction begins with a nice run of the cool, elusive and underrated 1909 Domino Discs. There are nearly 50 different, with several HOFers. The auction continues with a near-set of T201 Double Folders, all PSA graded. We have some unusual cards in this section, including a T209 Contentnea, D310 Pacific Coast Biscuit and a Pinkerton postcard. A nice run of 1914 B18 Blankets follows, this run is notable for many very clean brown infield variations. This auction provides a great opportunity to fill in these pricey holes in your B18 set at a potentially great price level.

1930s collectors will see runs of 1931 W517, 1933 Tattoo Orbits, 1934 Batter Ups, R312-R314s and R303-Bs. Post-war collectors will see a run of 1948 Leafs, 1950 Royal Desserts, 1951 Bowmans and three 1951 Fischer's Bread labels.

Topps and Bowman collectors will see our usual mix of stars and clean commons, there is usually a partial set or high number run with each year. Other highlights include four 1953 Glendale Meats, a run of 1954 Dormand Postcards and a near-set of 1965 Topps.

Oddball collectors will see some fun stuff, including four 1970 Transogram Mets full boxes and a 1971 Bazooka Mays full box. We have sharp Topps sets from 1974 to the modern era, many terrific Rookie and star card lots, several slabbed Mike Trout cards and a fine run of factory sets from 1986 to 2017.

Basketball card collectors will see many modern lots and singles. We have a nice selection of boxing cards, including many of the very undervalued 1920s exhibit cards and higher grade 1948 Leaf and 1951 Ring-sides. Football card collectors will see an 1895 Mayo, a low grade 1950 Bowman lot with all of the key cards and some 1970s/1980s sets and singles. We also have some modern lots of football cards as well, including Peyton Manning and Tom Brady.

Our sale section has many new additions. We have many new single signed balls across most of the categories, signed 8x10 photos and a terrific run of gorgeous circa 1939 cuts of HOFers.

New additions to pre-war baseball include T206s and T205s, a run of T3 Turkey Reds, R314 Sepia, 1935 Goudeys and many new 1939-1941 Play Balls. New oddball additions include 1947 Signal Oil Rainiers, 1952 Berk Ross and 1964 Topps Stand Ups among others.

Topps and Bowman additions include new 1948-1950 Bowmans, 1952 Bowmans, 1952 Topps, 1953 Bowman Color, 1953 Topps with a Mantle Beckett 3.5, 1955-1959 Topps with many new stars, a great run of the 1962 Topps Rookie Parades and additions to every other 1960s Topps set.

Football contains new 1948 Exhibits and a beautiful run of clean 1952 Bowman Small and 1953 Bowmans that are fresh to the hobby. There are also many new high grade cards from the mid-1950s through the 1970s. Basketball cards close out the catalog with many new 1970s and 1980s Rookie Cards, including a 1972 Topps Julius Erving and a 1980 Topps Bird Magic.

3 1909 Colgan's Chips Proofs Bailey

Baseball Cards

51 1909 T206 Lot of 6 different w/Bresnahan
Lower grade tobacco lot ranges from Poor to VG, the cards include Bresnahan Batting and Merkle Portrait. We will have front and back scans of everything on our website.

52 1909 T209 Contentnea Peloguin PSA 3
Scarce Minor League issue, this is a very nice 3. Well centered with hardly any creasing, the corner wear is very mild, the surfaces are clean, the back looks good.

53 1911 D310 Pacific Coast Biscuits Bernard PSA 1
Very tough oversize PCL issue, this has a respectable image. Creasing and wear on the back keep this at a 1.

54 1911 M116 Sporting Life Chief Bender (blue background) Poor (trimmed)

55 1911 Pinkerton 505 Connie Mack SGC Authentic
Original Pinkerton card, this measures 3 3/4 x 5 3/8. This has a fine image of a younger Connie Mack in his signature suit and hat. The back is perfectly clean, there are no creases, this has hardly any surface wear. SGC slabbed this Authentic, it is of course without the mount.

1911 S74 Silk Color

57 Chase, Hal Ex-Mt
Really nice silk, this has beautiful gold coloring. The edges are crisp, the borders look good, the surfaces are perfectly clean.

58 Christy Mathewson SGC Authentic
Slabbed Authentic due to the awkward cut on the left edge, the card retains a high quality image and a perfectly clean back. These are much scarcer than T206s and remain a great relative value in today's market.

59 McGraw VG-Ex/Ex
Nicely cut, this has a good image and a light blue background. There are no visible creases, the surfaces are clean.

56 Camnitz VG-Ex/Ex
60 Meyers VG
61 Titus VG-Ex

1911 T201 Double Folders

67 Bender/Oldring PSA 4
Pleasing 4 is well centered with good color, corner wear and a very fine crease keep this at a 4.

68 Bergen/Wheat PSA 3
Clean card has nice image and a good look. Corner wear and one very, very minute surface crease keep this at a 3.

73 Chase/Sweeney PSA 4.5
Well centered and quite clean, we cannot see any creases. The grade appears to be very conservative.

1911 T201 Double Folders

74 Cicotte/Thoney PSA 3
Pleasing and colorful 3 of this key 1919 Black Sox pitcher, this is very nice for the grade. There are no obvious creases, corner wear and some general wear at the bottom border keep this at a 3.

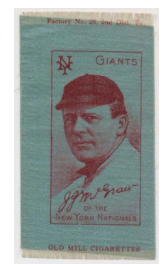

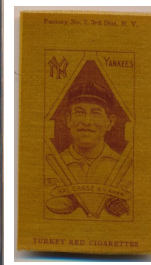

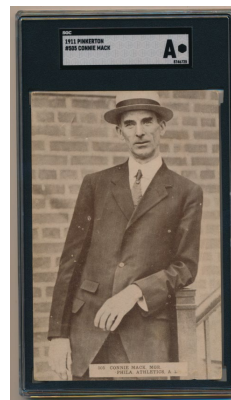

75 Clarke/Gaspar PSA 4.5
Well centered and quite clean, slight corner wear at the bottom border keeps this just below a 5.

77 Coombs/Thomas PSA 4.5
Very clean and well centered, this is awfully nice for the grade.

80 Doooin/Titus PSA 5
Terrific 5, this has great color. The two two corners are very sharp, slight wear at the bottom two keeps this at a really nice 5.

86 Falkenberg/Lajoie VG+
Classic tobacco card with a great image, I always liked these. Nicely centered with hardly any creasing, this is an almost ideal card for the grade.

90 Foster/Ward PSA 4.5
Clean card, very slight corner wear on the bottom border keeps this a hair below a 5.

Baseball Cards

1911 T201 Double Folders

91 Gardner/Spencer PSA 1
Low grade but not abused, creasing and general wear keeps this at a 1.

98 Jennings/Summers PSA 5.5
Very clean for the issue, this is almost like an 8 for a Topps card given how tough PSA is on these! Crisp and clean, this is really nice and looks great.

104 McCarty/McGinnity PSA 1.5
Colorful and attractive card, creasing by the bottom border appears to keep this at a 1.5.

105 Merkle/Wiltse PSA 4
Solid 4, mild corner wear at the bottom border appears to be the only real issue here.

108 Williams/Woodruff PSA 4
Well centered, mild corner wear at the bottom two corners keeps this at a 4.

Lot of 8 w/Harmon Variation Good
Typical low grade T205 lot, this includes the Harmon variation.

110 1912 T202 Triple Folders

A Close Play At The Home Plate (Peltz, Wallace) GVG
Bright and clean, this has a slight partial crease in the center panel.

111 1912 T202 Triple Folders

The Athletic Infield (Krause, Thomas) Good

112 1912 T227 Miner's Extra

Rube Marquard PSA 1.5

Scarce issue, this is an awfully nice card for the grade. Beautifully centered, the color and image quality is superb. The borders are white, the back is perfectly clean. A crease on the left side of the card led PSA to grade this a fairly harsh 1.5, this should be a 2 or a 2.5 in our opinion.

1914 B18 Blankets

115 Del Baker (brown infield) Ex-Mt
Nicely cut with crisp edges, this has a well defined image and clean surfaces.

116 Paddy Bauman (Baumann) (brown infield) Ex
Well cut with wide brown borders, this has good color and clean surfaces. The corners come to points and only show very slight wear.

118 Tioga George Burns (brown infield) Ex+

Sharp B18, this has quality borders and four sharp corners. An odd color run on one side led us to grade this Ex.

Very bright and clean, the color is terrific. There is a close cut on one side that keeps this at Ex.
- 150 Zach Wheat (blue infield) NM
Super sharp and clean, the condition here is superb. With full borders and perfectly clean surfaces, it does not get much nicer than this for a B18.

Very solid card for the grade, this is much more like a 5 than a 4. The card is well centered left to right and centered mildly to the bottom border. The brown borders retain rich color, the image is solid. The corner wear is not bad at all, many if not most us would grade this a 5.

Great looking card, this has a gorgeous image, outstanding color, terrific centering and four strong corners. The blue border looks great, there is the tiniest of wrinkles in one spot on the right border, keeping this at a stunning 5.

871 284 different w/some stars Ex+
Nice lot for the grade, these go up to number 445 and vary only mildly in condition. Culled from a large quantity, this is a good starter set or to use as upgrades. Dealers will like this lot as it includes many secondary stars/specials and these better cards: 1 Oliva/Howard, 2 Clemente/Aaron, 6 Boyer/Mays, 8 Koufax/Drysdale, 15 Roberts, 16 Morgan RC, 20 Bunning, 55 Conigliaro, 65 Kubek, 130 Kaline, 145 Tiant, 150 Brooks Robinson, 176 McCovey, 187 Stengel, 193 Perry, 360 Cepeda, 377 Stargell and 380 Colavito.

This is loaded with secondary stars and specials, the value as singles here is surely to be substantial. If you are looking to complete this popular set, this would be an entirely manageable and fun project. Football Cards

1288 1895 Mayo Barnett Fair
The earliest football set, these cards are always desirable. The offered card is not bad at all, there are no creases, the front is reasonably clean, the black borders look fine. A scrape on the back led to the Fair grade.

1290 1950 Bowman
69 different w/almost all key cards Poor
Low grade lot of 1950 Bowman football, this lot is notable as it has almost every key card. The cards are low grade mainly due to tape/staining, they are otherwise colorful and do not appear to have much creasing. Even as slabbed 1s, these cards have a solid value in today's market. These better cards come in the lot: 1 Walker, 26 Lujack, 27 Luckman, 28 Turner, 29 Dudley, 35 Perry RC, 36 Albert RC, 37 Layne FBC, 38 Hart FBC, 43 Motley RC, 45 Graham RC, 51 Fears RC, 52 Hirsch RC, 78 Lavelli RC and 81 Rote RC.
