1                    1909 T206 Very Near Set (494 different) .....5000

Perhaps the ultimate baseball card set, these almost could not be more popular among collectors. T206s were a true passion project for our consignor and his lovely wife. From the Northeast, they tirelessly went to shows, antique malls and auctions and anyplace else they could find tobacco cards. They amassed over 1,000 that are in this auction in various lots. The T206 was his pride and joy, and it was nearly complete before he sadly passed.

The offered set was obtained over many decades and is mixed in grade. Condition was not a focus but there are some nice cards in the set. There are many slabbed cards here, presume the unslabbed cards including the Southern Leaguers mainly range from Poor-VG, averaging in the Good to GVG range or so. The backs are fairly typical, although there are 15 Sovereigns including two 450 backs and five 150 backs. There are 10 Tolstois, 1 brown hindu, two American Beauties and assorted Old Mill and Polar Bears. The condition of the backs of the cards in general is very clean overall.

2 1911 T205 Gold Border Complete Basic Set (210 different) .....3000

One of the great tobacco sets, these are such attractive cards. A difficult set to complete due to the many variations, full sets offer an outstanding value to collectors for this reason. The offered set varies in grade mainly from Good to VG Plus and is reasonably consistent. The backs are clean overall with various companies, including six Cycles, an American Beauty, a Broad Leaf, and several Sovereign and Polar Bears. These were collected with some care and while certainly not high grade, these are attractive cards that generally present very well. The backs are clean overall. This is a basic set without the very oddball variations, so there is only one version of these cards (Crandall, Gray, Hoblitzell, Latham, Moran, Wallace (no cap) and Wilhelm.

The key cards and slabbed cards grade as follows: Adkins SGC 3, Home Run Baker Good, Barger (partial B on cap) Good, Bender PSA 4, Bresnahan (mouth closed) PSA 2, Bresnahan (mouth open) SGC 5, Brown PSA 5, Chance PSA 3, Chase (only left ear shows) Good, Cicotte GVG, Clarke Fair-Good, Cobb PSA 1, Collins (mouth closed) PSA 2.5, Collins (mouth open) PSA 1, J Collins Good, Dahlen Good, Donohue (Donahue) SGC 4, Dougherty (red sock for team emblem) SGC 4, Dougherty (white sock for team emblem) PSA 4, Duffy PSA 1, Evers Fair-Good, Ford (white cap) Poor, Frick GVG, Graham (Cubs) Good, Grant GVG, Griffith GVG, Harmon (only left ear shows) SGC 4, Huggins PSA 4 mc, Jennings Fair-Good, Johnson PSA 1, Joss PSA 3 mc, Karger PSA 3, Kleinow SGC 3, Marquard Good, Mathewson PSA 3.5, McGraw PSA 1, McIntyre (White Sox) PSA 2, Olmstead PSA 6, Raymond PSA AA, Rowan PSA 2 mc, Scott PSA 3, Shean (Cubs) PSA 2.5, Speaker PSA 2, Stone PSA 5, Suggs PSA 2, Sweeney PSA 2, Tinker Good, Turner GVG, Vaughn PSA 2, Wallace (with cap) PSA 4, Wallace (no cap, one line of 1910 stats) PSA 1, Walsh PSA 2, Wheat Good, Kirb White (Pirates) PSA 1.5, Wilhelm PSA 2, Wilson PSA 6, Wiltse (only right ear shows) Poor (color added) and Young PSA 1.

4            1951 Bowman 253 Mickey Mantle RC            PSA 2.5.....1000

One of the ultimate baseball cards, these are naturally revered by collectors. The offered card is strikingly fine and attractive for the grade. The image of Mickey is perfectly sharp and registered, with rich color. Centering is exceptionally good as well for this card. The borders are white, the corners come to points. The back shows very slight wear in one spot but is also clean overall. There are no visible creases or wrinkles, even under magnification. Wear at the lower right corner is the only real distraction here, the lower left lower corner shows much more subtle wear. If you want a card that punches well above its weight, you will want to take a long look at this great looking Mantle Rookie.

# Key Lots

6                    1968    Topps 490 Mantle/Mays/Killebrew                    PSA 10.....2000

One of the most popular baseball cards from this era, Topps did a great job in pairing these three beloved HOF 500 Home Run home run club members together on this card. Taken at the 1967 All Star Game, this iconic image is very popular among autograph collectors. A high number, this card often has terrible issues with centering and miscuts. The offered card is a truly pristine and phenomenal condition card, assigned the ultimate Gem Mint 10 grade by PSA. This card offers four dead Mint corners, no chipping on the front or back and that signature Mint look and feel. Well centered, this population (18) card seems like a very solid value at recent market levels. Who wants own a true PSA 10 example of one of the most popular and iconic Topps baseball cards from the 1960s?

## 7 Babe Ruth Single Signed Baseball

7.....3500

Perhaps the ultimate single signed baseball, this is the cornerstone signed baseball to all but the most advanced collectors. The offered ball is a clean, lovely Wilson American League model. The ball displays very well, with tight red and blue stitching that should date this from the very early 1930s. Single signed by the best baseball player ever, this example has a clean, nice and large signature. Signed on the sweet spot, this is a classic Ruth exemplar. With very high grade balls selling for enormous prices in recent years, this ball is in the (pardon my pun) sweet spot just below a Nm-Mt model and is thus ideal for a collector who want a solid Ruth signature on a clean ball does not want to spend \$25 - \$100,000. If you want a nice Ruth single to add to your collection in this range, you will want to take a long look at this ball that offers a strong combination of signature and ball quality. JSA LOA Full.

8      1985 Perez Steele Greatest Moments Complete Set -1 (69 different) - All PSA Slabbed!      9.5.....1500

An amazing collection of these absolutely gorgeous postcards, these are among the best designed and widely collected items of their kind. Loaded with star power, this lot contains 69 different signed postcards, missing only the Ashburn (offered as a separate lot). A full listing will be on our website. Our consignor was very careful with quality, these are uniformly bold and terrific signatures, many of which could easily grade 10 as did the Ashburn if one is into that sort of thing. All of the cards are PSA-slabbed Authentic. This is not an easy project to complete, especially slabbed, our consignor in particular has the Roy Campanella, Cool Papa Bell and Mantle/Mays/Snider cards that are missing from almost all sets that trade. These key cards come in the lot: 7 Roy Campanella, 9 Hank Aaron, 13 Ted Williams, 16 Sandy Koufax, 19 Mickey Mantle, 51 Cool Papa Bell, 65 Willie Mays, 72 Carl Yastrzemski, 73 Tom Seaver, 87 Willie Mays, Mickey Mantle, Duke Snider, 100 Mike Schmidt, 104 Reggie Jackson, 106 Phil Rizzuto.

# Key Lots

9            1985   Perez Steele Greatest Moments   98   Richie Ashburn            PSA 10.....2000  
The most valuable signed Perez Steele card, this is sadly quite rare as the beloved Richie Ashburn had only a few months to sign these before he died in 1995. A classic rarity, these are missing from almost all sets. The offered example has the ultimate autograph grade, a PSA 10. The autograph is uncommonly large and fine, it is in Mint blue sharpie ink. This is slabbed 10 by PSA and it comes with a PSA full LOA also grading it a Gem Mint 10. Please note these have sold for huge prices over the years, one example with an HOF inscription sold for nearly \$25,000. There cannot be very many of these in existence, especially in PSA 10 quality. Who wants to add one of the very best signed cards from the last 30 years to their collection?

**14 King Jr, Martin Luther (Jackie Robinson content!) Letter in Framed Display 9.5 .....3500**  
 A truly remarkable piece, this wonderful TLS is dated August 24, 1962 on Southern Christian Leadership Conference letterhead. Perfectly clean, this is written to Marian Logan, a civil rights figure. Content begins with King thanking Logan for her work on the Jackie Robinson HOF dinner. The letter continues regarding voter registration drives. King signed this in huge and perfect blue ink, a stunning quality signature. The letter itself is immaculate, making the outstanding quality autograph present especially well. This is smartly matted and framed with the original transmittal envelope and an 8x10 photo of Jackie and King. Total size 16x34. Martin Luther King Jr and Jackie Robinson are titanic, beloved figures from American history. How great is to find an item that pairs these two vital Americans together? This piece has everything going for it, historical importance, rarity, condition and display value. This is a true museum quality piece sure to enhance the stature of any collection to which this is added to. Please note the original program from this event also comes with the lot. PSA DNA Full.

## 1887 N172 Old Judges Single Owner Collection Part 3 of 3!

### HOFers and Rarities

- 16 Dan Brouthers Bat at ready over shoulder, looking/R-Bostons PSA 2 ..... 300  
Nice card of this feared 19th century HOF slugger, Old Judge HOFers seem like such an incredible value in today's market. A very nice 2, this has a particularly deep and well contrasted image, clean borders and a nice look. There is some mild edge wear and wear on the back in two spots from scrapbook removal.
- 17 John Clarkson End of pitch, R/arm extended forward, L/hand on thigh-Chicago SGC 2 ..... 350  
HOF pitcher, this is one of the more evocative images in this set. We do not remember handling this exact pose before, the image quality is simply terrific. I love the period pitching pose with the extended arm. The front has some tiny surface wrinkles by the top border but otherwise looks great. The back has wear from a hinge but is otherwise clean.
- 18 Charlie Comiskey (arms folded, Brown's) PSA 2 ... 420  
Lower-end 2, this has sharp corners and no back damage. There are some scrapes on the front of the card and the image has respectable contrast. A key figure in baseball history, his cards as a player seem like a great buy right now to us.
- 19 Charlie Comiskey Brown's Champions PSA 1.5.... 420  
Very popular card, this is the key to the Brownie's Champions run. Nice card has a pleasing image and a clean front with no creases. The corners are not bad at all, moderate back wear keeps this at a 1.5.
- 20 Roger Connor Bat held up at 60-N.Y's PSA 1 ..... 400  
Great looking card of this elusive 19th century HOFer, the image quality is truly remarkable. This got a 1 due to a crease on the front, wear by the bottom border and a typical back. Despite its low technical grade, this card has a very fresh look and outstanding eye appeal.
- 21 Ed Delahanty (Throwing, Phila.) SGC 2 ..... 1500  
Offered is a very uncommon pose of feared 19th century HOF slugger Ed Delahanty. A magical name in baseball history, his Old Judge cards are revered by collectors. This card has a slightly light but certainly discernible image, the front is clean with no creases, the back has some slight wear by the top and bottom borders but is also not bad at all.
- 22 Jim Donahue (NY AA- spotted Tie) PSA 2 mk ..... 560  
Rare spotted tie Old Judge, these are revered by collectors of this great set. Just back from PSA, this card has a nice image with mild general wear. The card has a nice antique feel to it and displays well. The back has a stamp but no paper loss. The corners exhibit consistent wear, this is a very solid card for the grade. How many of you advanced type-card collectors have a spotted tie Old Judge?
- 23 Hugh Duffy (Batting, S.S. Chicago) PSA AA ..... 140  
HOFer and former .400 hitter, his Old Judge cards are always desirable. This card has a nice image, but creasing and wear are visible on the front. The back is clean, this might have been rebacked, we are not sure.

## 1887 N172 Old Judges Single Owner Collection Part 3 of 3! HOfers and Rarities

24 **Buck Ewing** SGC 1 ..... 350  
Very uncommon pose of vital HOfer Buck Ewing, this is a presentable 1. The image is light but certainly legible, the front has a respectable and reasonably clean look. The back has a scrape in one area, better than on most Old Judges. The corners exhibit a fair amount of wear, there are no obvious creases.

25 **John Ewing (pitching, hands cap) (Louisville)** PSA 1 mk..... 420  
Very scarce Louisville card, this example has a solid image. The front is quite clean and nice, wear and writing on the back led to the 1 grade.

26 **Emil Geiss Portrait** SGC 3 ..... 500  
Very tough card, we did not see any public sales for years. The offered card has a beautiful portrait image. The back is clean, the surfaces look good, we do not see any creases. A fair amount of corner wear keeps this at a 3.

27 **Clark Griffith (Pitching-right hand head high, Milwaukeees)** SGC 2 ..... 300  
Rookie Card of this HOfer, this is a very desirable card. The image is not bad at all, corner wear and some corner creases keep this at a pleasing 2. The back is clean, the grade is very fair here.

28 **Billy Hamilton (KC-Field-hands above waist, L.F., Kansas Citys)** SGC 1 ..... 500  
Elusive HOfer, his cards are always desirable. Great looking card, this has a gorgeous image. The photo quality is simply superb, you have to love this image of HOfer Hamilton posing to catch a ball in his Kansas City uniform. The front is quite clean, with minute edge wear on the left border the only distraction. Vintage notations on the back led to the 1 grade.

29 **Ned Hanlon (Detroit-Fielding)** SGC 1.5..... 300  
HOfer, this has a very nice image that presents quite well. There are no creases, the back is fine. A minute scrape by the lower left corner led to the 1.5 grade.

30 **Dummy Hoy Throw, R/hand in rear head high-Washingtons** SGC 1.5 ..... 700  
Great card of this unheralded figure in baseball history. From Wikipedia, Hoy is noted for being the most accomplished deaf player in Major League history, and is credited by some sources with causing the establishment of signals for safe and out calls. [ He held the Major League record for games in center field (1,726) from 1899 to 1920, set records for career putouts (3,958) and total chances (4,625) as an outfielder, and retired among the leaders in outfield games (2nd; 1,795), assists (7th; 273), and double plays (3rd; 72). The offered card has a terrific image of Hoy as a Washington player. The contrast is strong, the front displays very well. Mild wear from scrapbook removal on the back led to the 1.5 grade. This is another card that presents much, much nicer than its technical grade. Hoy's original cards hardly ever come to market and tend to sell instantly when they hit the market.

## 1887 N172 Old Judges Single Owner Collection

31 Tim Keefe (Bat near horizontal, Tim Keefe, P., New Yorks) SGC 2 ..... 300  
Really nice looking Old Judge HOFer, I like the pink tint and the fine image. Well contrasted and clean, there are no creases, the surfaces are clean, including the back. SGC may have been a grade low here.

93 Tommy McCarthy (Tag player, 2d B. St. Louis) PSA 1 ..... 200  
HOFer, this card earns its 1 grade. There is a substantial crease on the front and extensive corner wear, the back is oddly enough not bad at all. The image still presents well.

32 Tom McLaughlin (spotted tie) PSA 2 mk ..... 800  
Beautiful card, this is an ideal example of a spotted tie Old Judge if you want to have just one in your collection (something very few collectors can claim!). The offered card has a beautiful and superb image, the quality is impressive. The front shows corner wear, but is otherwise quite clean and nice. The mk qualifier is due to early pencil notations on the reverse, there is no damage or paper loss. Overall this is a rare and superior Old Judge spotted tie card.

33 Bid McPhee (Throwing, Cincinnati) PSA AA ..... 1000  
Vital Old Judge HOFer, one of the rarest and most desirable cards in the set. Needed by almost all Old Judge collectors, the offered card will not set any condition records. The front of the card has a slightly light but not terrible image, it is fully discernible. Various pinprick type scrapes on the front are the issue. The back is clean, it is possible that this was rebacked but we are not sure. If you are looking for an Old Judge Bid McPhee or doing a true playing career HOF run and do not want to spend 5-10K, you may want to consider this card.

34 Kid Nichols (Hands at chest, Omahas) SGC 2..... 1000  
Terrific card, this is one of the better HOFers in the set. This very uncommon image is clear and nice, it has solid display value and a nice feel to it. The card oddly enough has no back damage, but there is a crease on the bottom portion of the card and extensive wear at the lower left corner. Despite these issues, this still presents very well for its grade. Who wants to add a truly difficult Old Judge HOFer to their collection?

35 Hank O'Day (Hands at chest, O'Day, P. Washington) SGC 1 ..... 550  
Extremely scarce card of this recent HOF inductee, this is his only card to our knowledge. Very attractive 1, this card offers a superb image of a somewhat nervous O'Day holding a ball at his chest. The front has a fair amount of corner and some very fine creasing by the edges. The back has one scrape from scrapbook removal. How often do these ever come around?

Pleasing HOFer, this has a respectable image. Corner wear, especially at the lower left, is present on the front. The back was mounted with a stamp hinge that was removed, it is otherwise not bad. This is a perfectly acceptable card for the grade.

Very sharp looking card, this looks to be oversize. Centered mildly to the left border, this has clean white borders and very strong corners for the grade. The back looks great.

152 Phelan (Broad Leaf 350) SGC 3.5 ..... 400  
Classic 3.5, this has outstanding color, no visible creases or wrinkles, even under magnification, and consistent corner wear. The surfaces are clean, the borders are nice. The very scarce back is particularly clean and fine, it retains great vibrancy and has terrific eye appeal. Very tough back variation, it would be hard to improve on the offered card overall.

153 Phillippe PSA 6 ..... 100  
Star pitcher, this is an elusive card in nice condition to our eyes. Solid 6, this is well centered with quality corners and clean borders. The color and image are both very strong.

## 1909-11 T206 Singles

149 Walter Johnson (portrait) PSA 1 mk (Brown Hindu back) ..... 500

One of the most classic cards in the T206 set, this is also an absolute key to the set. A white-hot card in every grade, the offered card is a 1 mk due to extensive creasing, corner wear, general wear and a subtle stamp on the back. With that clearly disclosed, the card does have a presentable image and still has good color. The scarce brown Hindu back, despite some issues, still displays reasonably well. Key T206 HOFers with rare backs have been on fire in recent years, a Walter Johnson Portrait with a brown Hindu back is a really big deal in any grade. Freshly graded and new to the hobby, this is an extremely desirable T206 card that is almost impossible to find in today's market of super aggressive rare back collectors.

154 Happy Smith SGC 3 (Lenox back) ..... 850  
Lenox backs are white-hot right now, offered is a fresh card. This card of Brooklyn Dodger Happy Smith should sure make a rare back collector Happy! Graded VG 3 by SGC, this card has an exceptionally clean and attractive Lenox back. The card has some creasing and a fair amount of corner wear. The color is terrific, the image quality is strong, the borders are white. The back of course is the thing here.

155 Tris Speaker PSA 4 ..... 250  
Extremely popular early card of this truly great HOFer, this is a very high-end 4. We cannot see any creases or wrinkles, even under magnification, The color is rich and vibrant, the borders are white, the back is clean. Moderate corner wear appears to be the only issue here.

156 Rube Waddell Portrait PSA 1 mk (Brown Hindu back) ..... 100  
Desirable HOFer with a rare back, the condition is not great. The card retains good color but has extensive creasing and a fair amount of back damage. Still this is a HOFer with a tough back, sure to elicit substantial bidder interest.

147 Ty Cobb Red Bknd (Sovereign 460 back)  
PSA 2..... 750

Extremely rare front and back combination, nearly all of the Ty Cobb red backgrounds that trade with Sovereign backs are the 350 variation. The offered lot was obtained decades ago by a great collector, is newly graded and completely fresh to the hobby. This card has outstanding color, as rich and vibrant as possible. The image of Cobb is superb, the borders are bright white and the card has a super fresh look and feel. The corners are in the VG-Ex to Ex range, a moderate crease by the top border keeps this at a 2. The desirable Sovereign 460 back is strikingly clean and fine. Scarce back combinations with HOFers are beyond prized in this market, a Ty Cobb with this back would be an incredible addition to any such collection. We are going to start this one really low to make things interesting, happy bidding!

157 Cy Young (portrait)  
PSA 1.5 (Brown Hindu back) ..... 500

One of the classic cards in the T206 set, this is also an absolute key to the set. A white-hot card in every grade, the offered card is particularly nice for the grade. There is hardly any creasing, the color is good, the corners exhibit fairly consistent wear and the borders are white. The image of Cy Young displays quite well. The key to many collectors however is the back, which is a scarce brown Hindu. The back is quite clean and fine, it is perfectly clean and attractive with only some very faint creasing. Key T206 HOFers with rare backs have been on fire in recent years, a Cy Young Portrait with a brown Hindu back that presents this well is a real trophy card. Freshly graded and new to the hobby, this is a truly great T206 card that has so much going for it.

158 1910 E90-2 American Caramel Pirates  
Honus Wagner PSA 1..... 1000

Offered is a great card of the one and only Honus Wagner. This card offers a signature portrait of Wagner with a rich blue background. This card earns its one grade with multiple creases and corner wear, but there are no technical flaws. The card retains all of its original color and the back has no damage, which is very unusual for a 1 on an E card. A card we hardly ever see, we have not handled one of these in many years. A classic Honus Wagner card from a set that was produced on a very limited basis almost certainly on a regional basis, this is one of his most attractive cards. If you are looking to add one of the few real Honus Wagner cards with the same portrait image as his legendary T206 card, this is worth taking a long look at.

159 1910 PC 796 Frank Chance PSA 2..... 200  
Scarce and desirable postcard, this is absolutely ideal for the grade. The front offers a large and fine image of HOFer Frank Chance as the Cubs manager. Unmailed, the back is clean and there are no creases. Consistent corner wear keeps this at a 2, the surfaces are quite clean.

160 1910 Sweet Caporal Pins  
Tris Speaker (large letters) PSA 7..... 100  
Very fine condition pin, we cannot see any edge or surface wear. This is extremely well centered, the image looks great, the original paper backing is also quite clean.

161 1913 T200 Fatima Team Cards  
Brooklyn Dodgers PSA 3..... 100  
An absolutely ideal card for the grade, this example has exceptional centering, no creases and a clean back. The corners are not bad at all, the brown borders are clean and chip-free. The image is a touch light but still nice. Much more like a 4 than a 3, PSA was a bit tough here. Either way this is a fine looking example of a neat card.

162 1913 T200 Fatima Team Cards  
Pittsburgh Pirates PSA 4..... 150  
Beautiful example of this desirable card that features Honus Wagner, the image quality is superb. The borders are rich brown and have no chipping. The back is quite clean, with one only very subtle surface wrinkle. The card has a very fresh and vibrant look, it is simply ideal for the grade. Given what the better T206 cards bring these days, this card does seem to be undervalued right now to our eyes.

163 1915 E106 Eddie Plank PSA AA ..... 100  
Very tough card of Eddie Plank, we are not sure of the alteration. The card is low grade, with some damage on the right border and on the back. The card retains good color and image quality, it may have been exposed to moisture at one time, it would only grade a 1 or 2 regardless of any alteration.

164 1915 E106 Honus Wagner Batting PSA AA ..... 300

Another great Honus Wagner card from a very difficult E set, these hardly ever come to market. The offered card has outstanding color and superb image quality. The corners are in the VG range, the back is clean overall. There is creasing present, a few of which by the bottom border are somewhat substantial. The alteration is because someone added some red color to cover the white paper exposed by the crease; perhaps this could be reversed by someone in the future but we are of course not sure. Either way, this alteration will save someone thousands of dollars and the winning bidder will have a nonetheless very desirable and attractive real Honus Wagner caramel card from a very scarce set. Let's open this at \$300 and see what happens!

165 1915 E106 American Caramel Christy Mathewson PSA 2.5..... 600  
Beautiful Christy Mathewson card from a very scarce issue, how often do these come around? An ideal card for the grade, this has no visible creases or wrinkles, even under magnification. The corners show consistent wear, the color and image quality are terrific, the back is clean. This has nice white borders and is especially nice as it is a landscape format card. Very nice.

166 1921 W515 Babe Ruth PSA 2..... 200  
Babe Ruth strip cards have exploded in price in recent years. The offered card has nice wide borders, a perfect image and retains a very fresh look. The 2 grade seems very harsh here as there are only some very subtle back surface wrinkles and slight wear on the right edge. Fresh to the hobby, this is one of the most colorful and attractive examples of this card that we have seen in years.

167 1932 US Caramel 1 Eddie Collins PSA 4..... 250  
Very difficult #1 card from this key 1930s set, we hardly ever see these. A very nice 4, the offered card is reasonably well centered with good color and only one very fine surface crease at the extreme right border. This is a very solid card for the grade, nicer than most that trade.

168 1932 US Caramel 14 Ty Cobb PSA 4..... 900  
Very tough Ty Cobb card to find, this is the first example we have seen in years. Fresh to the hobby, this card is notable for outstanding centering, a fine image and great overall eye appeal. There are no visible creases or wrinkles, the surfaces are quite clean, the borders look good, as does the back. PSA appears to have really split hairs on this one, as we feel many would grade this an Ex 5. Either way, this an exceptionally attractive card of a very tough Ty Cobb card.

169 1932 US Caramel 26 Lou Gehrig PSA 3..... 1250  
One of the great Lou Gehrig cards, you have to love this image with Gehrig's hat turned up! Historically these have traded for several times the price of his 1933 Goudey cards, we feel the market is too low on this right now. The offered card has exceptionally rich color, perfect image clarity and clean surfaces. The borders look good, the corners are in the VG to VG-Ex range, centering is to the left border. There are no visible creases or wrinkles even under magnification, this classic card is really much more like a 4 or 3.5 than 3, PSA graded this onsite at last year's National and may have been a bit harsh. Either way, this is a classic card of Lou Gehrig that has tremendous eye appeal and seldom comes up for auction.

170 1933 DeLong 7 Lou Gehrig PSA 1..... 500  
Iconic Lou Gehrig card, this is the key to this great set. The kind of card that causes great frustration with the grading companies, this looks three grades better than its 1 grade. The color is perfect, the edges look good, the corners are Ex, the back looks great. There are some moderate creases that do not crack the paper and some very, very subtle pinpricks of wear on the surface by Gehrig's waist, these are very hard to see without magnification. We feel PSA should have graded this a 2, the winning bidder will be getting a classic card that is just so much nicer than its technical grade.

# Baseball Cards

171 1933 Sport King 2 Babe Ruth SGC 2 ..... 600  
 Iconic Babe Ruth 1930s gum card, this is one of the most attractive of all of his cards from this era. The absolute key to this beloved set, the offered card has good centering and a pleasing image. There is a fair amount of corner wear that led to the 2 grade. There is hardly any creasing, the back is clean. This is a fully presentable card for the grade. Babe Ruth Goudey cards have been on fire in recent years.

172 1935 Goudey 6 Mel Ott PSA 6..... 100  
 Very condition sensitive issue, these usually come around only in very poor quality. The offered example is a very crisp and clean card, with solid color borders and great color. This will be an upgrade for most of you.

173 1947 Bond Bread Jackie Robinson Stretching PSA 4.5..... 800  
 Great card, this has a rare and terrific image of a fully extended Jackie jumping in the field to make a play. Very clean card, this has solid white borders, a perfect photo and a perfect back. The corners are about Ex overall, the surfaces are strikingly clean and nice. We cannot see any creases or wrinkles, even under magnification, PSA may have been a half-grade low here. Either way, this is a great looking example of a very scarce card from a white-hot set.

## 1948 Leaf Short-Prints

174 5 Trucks RC SP PSA 6..... 250  
 Quality pitcher, tougher card. The offered card has four very strong corners, bright color and almost perfect registration. Centering to the bottom border keeps this from grading a 7 or higher.

175 19 Wyrstek SP PSA 4..... 125  
 Nice 4, this is well centered with no visible creases or wrinkles. Centering is quite good, the background color is especially rich, corner wear appears to be the only issue here.

176 33 Lowrey SP PSA 5..... 150  
 Very strong 5, this is well centered with square corners, a good image and clean borders. The corners come to points but exhibit very slight wear at the tips, this has the eye appeal of at least a 6.

177 43 Stevens SP PSA 3..... 80  
 Colorful 3 has a pleasing image, hardly any creasing and clean surfaces. PSA was a bit conservative with the grade here.

178 51 Dark RC SP PSA 6..... 350  
 Sharp card, this has four square corners and a very colorful image. Almost perfectly registered, typical centering to the bottom border keeps this from grading a 7.

179 66 Grove SP PSA 4.5..... 125  
 Bright and well centered, this has a terrific image. The corners come to points but slight surface corner lines keep this at a very nice 4.5.

180 68 Miller SP PSA 4..... 90  
 Centered heavily to the bottom border, this has rich color and nice corners. There are no visible creases or wrinkles, the image is just slightly out of register.

181 70 Honus Wagner SGC 5 ..... 80  
 Fun card of Honus Wagner enjoying some chewing tobacco, this example has four square corners. The borders are bright white, the image is superb. Slight corner wear and centering to the left border keeps this at a really nice 5.

## 1948 Leaf Short-Prints

182 75 Dom DiMaggio SP SGC 5.5 ..... 300  
Tough card needed by so many Red Sox collectors, this one has an exceptionally nice image. Centered heavily to the right border, the corners all come to strong points.

183 78 Evers SP PSA 3.5 ..... 100  
Colorful card is centered to the top border. Clean, there is hardly any creasing, the corners are not bad at all, this is a solid card for the grade.

184 102 Hermansk Error PSA 3.5 ..... 140  
Fairly well centered with hardly any creasing, this has almost none of the I in Hermanski visible. The card has a perfect image with rich color and a nice mid-grade look and feel.

185 104 Stewart SP PSA 3.5 ..... 100  
Clean card has a perfectly registered image and no creases or wrinkles that we could see. The corners are not bad at all, this is a perfect card for the grade.

186 108 Batts SP PSA 8 oc ..... 200  
Sharp card is centered heavily to the right border. The corners all come to square points, the color and image quality are both strong.

187 121 Pesky RC SP PSA 5 ..... 250  
Popular card, this one is special as it has great centering. The image of Red Sox icon Pesky batting is perfectly focused and registered, the corners all come to points. The borders are clean, this is a very fine Ex 5.

188 123 Fannin SP PSA 4 ..... 100  
Strong 4 has no visible creases or wrinkles. Centered to the left border, this has rich color and a terrific image.

189 129 Higbe SP PSA 3 ..... 80  
We are not sure why this did not grade at least a 4 as there are no visible creases or wrinkles, even under magnification. The image looks great, the surfaces are quite clean.

190 131 Sid Gordon SP PSA 4.5 ..... 100  
Clean card has no visible creases or wrinkles, good color and good centering. The image is nicer than usual, corner wear appears to be the only issue here.

191 133 Holmes SP PSA 4 ..... 150  
Colorful card of this star player, this is cut to the right border. The surfaces are clean, the corners are a hair below Ex.

192 138 Doby RC SP PSA 5.5 ..... 900  
Key card of this beloved HOFeR, these seem so undervalued to us compared to what the Satchel Paige and Jackie Robinson cards from this set trade at. The offered card has bright color, clean white borders and quality registration. The card is bright and clean overall, the corners come to points. Centering to the left border probably led PSA to split hairs with the grade as most would call this a 6. It will be interesting to see where this card trades at in a few years.

193 144 Dillinger SP PSA 3 ..... 90  
Very nice 3 has no creases, rich color and an outstanding image. Corner wear appears to be the only issue here.

194 153 Baker SP PSA 7 ..... 300  
For the high grade collector, this card is well centered with four sharp corners. The image looks great, the surfaces are quite clean.

195 161 Vern Stephens RC SP PSA 2 ..... 70  
Nice looking card, this has good color and a perfect image. The front is very nice, some very fine back creases led PSA to grade this a harsh 2.

196 165 Mitchell RC SP PSA 2 ..... 70  
Centered to the right border, this has some fine creasing and moderate corner wear. The image is very solid, this is much more like a 3 than a 2.

197 1950 Callahan Honus Wagner PSA 9..... 200  
Mint Honus Wagner card, not something you see every day. One of the real keys to a Mint 9 set, this is the first time that we have had one of these. Immaculate card has four perfect Mint corners, terrific centering and perfect image quality. Who wants to move up on the registry?

Clean 8, this has four sharp corners and bright white borders. The card is centered mildly to the lower right corner.

201 1952 Topps 233 Friend RC PSA 7..... 25  
Fine looking 7, this sharp card has great color and a fine image. Slight centering to the right border keeps this at a high-end 7.

204 1953 Hunters Weiners Miller PSA Authentic 175  
Scarce and desirable 1950s regional issue, these came on meat packages so they are very condition sensitive. The offered card is reasonably well cut but it does have lots of creasing, the color is good.

206 1954 Red Heart Mickey Mantle PSA 6..... 200  
Classic 1950s Mickey Mantle card, this example has outstanding color and a wonderful image of a smiling Mantle. Very sharp but heavily centered to the right border, this is one of the sharpest PSA 6 examples of this card that you will find.

209 1954 Topps 132 Tommy LaSorda RC PSA 8 ..... 200  
Beloved HOfer and iconic personality, this is his only regular issue card. Not easy to find in quality, the offered card has four sharp corners, perfect white borders, extraordinary color and a perfect image. The back is also quite sharp and clean. This will be an upgrade for almost all of you; these seem awfully cheap in our opinion at current market levels.

210 1954 Topps 239 Skowron RC PSA 8..... 100  
Very popular card, we cannot remember the last time we had one even approaching this quality. This beautiful card is very well centered with four sharp corners and great color. I love the very slight original rough cut on the right border, the back of the card is especially sharp and clean. Who wants to upgrade one of the key cards in their high grade 54 set?

211 1954 Wilson Weiners Gil Hodges PSA 7 ..... 600  
Very scarce card to find in this quality, these are usually miscut. Beautiful card, this has stunning period green color, a perfect image of the beloved Hodges and bright white borders. The corners come to solid points, the back looks great. A revered regional issue from the 1950s, these are among the most classic cards from this era. This should be a major upgrade for almost all Wilson Weiner set collectors and oddball Brooklyn Dodger collectors. Great card, newly graded, completely fresh to market.

# Baseball Cards

205 1954 Dan Dee Mickey Mantle PSA 7..... 1400  
 Classic 1950s regional issue, these almost always come in terrible condition. Issued with potato chips, these usually have major staining issues. The offered card is a strikingly attractive PSA 7. The color and image quality is truly remarkable here. There are four sharp corners, bright white borders and perhaps the nicest image that we have ever seen on this card. Very mild centering to the right border might have kept this from grading a 7.5 or an 8. It would be very difficult to improve on the quality of this gorgeous card without breaking the bank.

207 1954 Red Heart Mickey Mantle SGC 8.5 ..... 1200  
 One of the most classic of all Mickey Mantle cards, this an extremely popular and widely collected card. The offered card is in remarkable condition, slabbed Nm-Mt Plus 8.5 by SGC. Fully deserving of this lofty grade, this is extremely well centered. The corners are all quite sharp, the surfaces are immaculate and the color is superb. The wonderful image of a youthful smiling Mickey Mantle could not be any nicer. This certainly looks to be fully comparable to a PSA 8.5 or even a 9 on the right day to our eyes. Great card.

208 1954 Topps 128 Hank Aaron RC PSA 5 ..... 1200  
 Vital Rookie Card of an All Time Great player, this is an awfully nice card for the grade. Understandably a very hot card in recent years, this is one of the better 5s one is likely to find. The color and image quality really make this card, as they are superb. The back looks great, including the color borders. The front borders are white, the image of Aaron really could not be any cleaner. Very well centered, the corners come to points but exhibit only minute wear. If you are looking for a better Aaron Rookie 5, you will want to take a good look at this card.

While the population is not super low on these, we still feel this card remains a remarkable value in today's market in a Mint 9 holder.

228 1962 Pittsburgh Exhibits Boyer, Ken PSA 6..... 60  
Rare exhibit issue, many believe these were only sold at Forbes Field during Pirates games in 1962. Ideal for a type-card collection, this is well centered with a clean image and very mild corner wear only. Very popular player, who many of you advanced Cardinals collectors have one of these?

229 1962 Pittsburgh Exhibits Spahn PSA 4.5..... 125  
Rare exhibit issue, many believe these were only sold at Forbes Field during Pirates games in 1962. Ideal for a type-card collection, this is well centered with a clean image and very mild corner wear only. 241 1968 Topps 330 Maris PSA 9..... 150  
 Roger's last card, these often have centering issues. The offered card has outstanding centering, Mint corners and an immaculate feel. This fully deserves its Mint 9 grade and will be an upgrade for just about all of you. While not rare, these still seem awfully cheap to us at current market levels in a 9 holder.

242 1969 Topps 255 Carlton PSA 9..... 100  
 A key to the set, this Mint 9 card has perfect corners and ideal centering. Not terribly pricey right now, it is probably a smart move to consider adding this to your high grade 69 set for some heft.

243 1969 Topps 500.1 Mantle PSA 8 st ..... 150  
 Exceptionally nice card, this has world class centering, which you just never see on this card. Well centered with four solid corners, the borders are white, the back is clean. There must be a tiny bit of wax somewhere, we could not see anything even under magnification.

244 1971 Topps 14 Concepcion RC PSA 8..... 75  
 Condition sensitive card of this potential HOFer, this has four really sharp corners. Centering is excellent, this looks to be a very high-end 8.

## Baseball Card Sets & Lots

**245 Large Baseball-Related Trade Card Collection**  
 (109 pcs) .....500  
 Offered is a smartly assembled binder with a large collection of mainly 19th century trade cards. Condition varies, these are not abused or overly worn. There is almost no duplication, many, many issues are represented here. Some are small scorecards, most are pure advertising trade cards. This is an utterly charming, evocative and fun lot to peruse. As singles, the value here almost has to be thousands of dollars. Fresh to market, there may well be something quite scarce here. Content includes: H804-1 Baby Talk (10, missing only one for a set), H804-6 (6 diff, possibly a set), H804-7 Tan Background (5 diff), H804-31 (3) and H804-17 (2). Most cards are full size, others are missing tabs and/or short as is typical. This is a terrific lot of its kind, loaded with interesting content and beautiful 19th century imagery.

249 1909 T206 Collection of 123 (nearly all different) w/some HOFers .....600  
 Low grade run of T206s, these lots are so hot right now. The condition averages about Good - GVG overall but varies. These better cards come in the lot: Brown (Chicago on Shirt), Chance (red) Donlin (fielding), Duffy, Ellam, Kelley, Lajoie (throwing), Seitz, Waddell (throwing) and Willis (St. Louis, with bat). There are no rare backs, many cards have a stray ink mark by one corner, others a small chip, there are not many cards with heavy creasing or extreme wear. An exact inventory will be on our website. This is ideal for someone who wants a nice quantity of unslabbed, affordable T206s. There are only five or six duplicates.

251 1909 T206 Horizontal Card Collection (32 pcs) .....300  
 Very fun lot, our consignor loved the landscape format T206 cards. This lot contains five Birminhams, five Mullins, six Murphys, three Pattees, four Peltys and seven Powells. Also in the lot are two T207 Barrys. Condition is mainly Good, with some VG and nicer cards.

252 Caramel Card Collection (22 pcs) .....200  
 Lower grade but colorful lot of caramel cards, these are mainly from the 1910 era. Content is as follows: E90-1 Corridon, Dooin, Fromme (PSA 1), Gibson (cut short), Grant, Hall, McIntyre, Phelps), E92 Dockman Kleinow and E91 A-C Mathewson (PSA Authentic), Plank, Bridwell, McIntyre (SGC 1.5), Phillippe (SGC 1), Chech, Schulte, C. Wagner). Also included are five cards from the very tough E106 issue, three Loberts and two Stovalls. This lot should have a very substantial value as singles given the content. Please note some cards may have been hand-cut as is typical with these issues.

250 1909 T206 Collection of 284 assorted cards.....1500  
 Honest lot of lower grade tobacco, there can be up to four of some players. Condition ranges mainly from Poor-VG with typical condition issues, some cards have writing on the back. This lot contains 15 Sovereign backs, including 150 and 460 series. 253 1910 Obak Lot of 8 different Good .....100  
Colorful lower grade lot, some have technical issues. Everything will be pictured front and back on our website, content is as follows: Daley, Griffin, Gurney, Hartman, Hensling, Hunt, Killilay and Kippert.

254 1911 Obak Collection of 33 different Poor - Good.....150  
Very rough lot of cards that have seen lots of handling over the years; the cards tend to have extensive creasing and corner wear among other issues. Still this is a nice quantity from a very uncommon issue, an exact listing will be on our web site.

255 1911 T201 Double Folders Collection of 34 w/many HOFers .....300  
Eminently affordable tobacco set, the harshness of the grading services with these cards has created a great value for collectors on these fun cards. The offered lot has moderate duplication, an exact inventory will be on our website. These better cards come in the lot: Bender/Oldring PSA 1.5, Bresnahan/Huggins PSA 4 mc, Brown/Hofman Poor-Fair, Cicotte/Thoney Poor, PSA 3.5, Falkenberg/Lajoie PSA 3, Gardner/Spencer PSA 1.5, Johnson/Street PSA 2.5 and McCarty/McGinnity Poor-Fair. The balance of the lot varies in grade, mainly Good to GVG with some very rough cards. A recent VCP value for just the six slabbed cards is over \$800.

256 1911 T205 Gold Border Collection of 60 w/slight duplication GVG .....500  
Fully acceptable lower grade lot, these mainly range from Good to VG Plus or so. It is hard to assign an overall grade to this lot as they do vary. Basically a common lot, this issue is not easy to find in lots of this size in today's market. Duplication is very mild, an exact inventory will be on our website. Someone can probably do well slabbing the cleaner cards in the lot, included are two Minor Leaguers and three Cycle backs.

257 1911 T332 Helmar Stamps Lot of 9 w/2 Cicottes & original envelopes .....100  
Scarce issue, these come with five original glassine envelopes from time of issue. Condition varies, please check the scans on our website. Content is as follows: Clarke, Cicotte (2), Cree, Dooin, Graham, LaPorte, Richter and Wolter.

258 1912 C46 Imperial Tobacco Collection of 29 w/HOFer Joe Kelley .....150

This an inventory of the lot, there are only four duplicates: 3 Geo. Frenchy LeClaire (2), 9 Fred Sline, 10 Royal Rock, 12 Butcher Boy Schmidt, 17 Frank Corridon, 23 Curt Elston (2), 25 Charlie French, 27 Joe Kelley PSA 3, 38 Cy Seymour, 40 Jake Gettman, 49 Michael Corcoran, 51 George Wheeler, 54 Fred Beebe, 56 Robert Wells, 57 Lew McAllister, 59 Vernon Manser PSA 5, 61 Rube Dessau PSA 6, 67 Joseph Delehanty, 68 George Pierce, 72 John Kissinger, 73 William Malarkey, 82 Bradley Kocher (2), 88 Dick Breen, 89 Tom McCarty and 90 Ed Curtis (2).

**259 1912 T207 Brown Border**  
 Collection of 29 different GVG .....150  
 Fully acceptable lower grade lot, these mainly range from Good to VG Plus or so. A nice start on a set, or good for dealer inventory, an exact inventory will be on our website. The only HOFer in the lot is Roger Bresnahan.

**260 1912 T207 Brown Border**  
 Collection of 119 different w/key HOFers .....1500  
 A true collector's set, T207s are revered by advanced tobacco collectors. A very difficult set to complete, even the common cards are much harder to find than the T205 and T206 counterparts. The offered set completely varies in grade, Poor - VG-Ex/Ex. The average grade is about VG overall. The backs are clean, there are many nice cards throughout the lot but condition was not a focus of our consignor (even so, only about 10% of the cards are in need of an upgrade). An exact inventory will be on our web site. Something you just do not see in this quantity, this is an extremely substantial collection of this difficult to find issue. One of my personal favorites of the tobacco issues, these better cards come in the lot: Ainsmith, Austin no insignia, Austin w/insignia, Bender PSA 2, Bresnahan, Carey, Chance PSA 1, Daubert, Davis Brown C, Fisher Blue Cap, Fisher White Cap, Graham, Henry, Walter Johnson PSA 2, Marquard PSA 1.5, Mitchell Clev, Mullin No D on Cap, Spratt PSA 1 (Napoleon back), Tinker PSA 2, Wallace PSA 3, Wheat PSA 3.5, Wilie, Wilson PSA 6 mc, Pitt, Zeider.

**262 1914 B18 Blankets Near-Set (142 different)**  
 w/Joe Jackson & 2 Cobbs .....1500

A very hot issue of late, some grading companies have started slabbing these, leading to huge recent prices for sets at public auction. The offered collection was obtained the old fashioned way, one at a time at shows, antique malls and from trades. Our consignor worked on this for over a decade and amassed a remarkable 142 different B18s! The condition here totally varies, so we cannot assign an overall grade but can note there are many very clean pieces, many mid-grade pieces and a fair number of lower grade pieces. This lot contains many of the key pieces, including several brown infield variations, Joe Jackson and two Ty Cobbs, an exact inventory (+/- a few pieces) will be on our web site.

As singles, these can run \$10,000, these better pieces come in the lot: Johnny Bassler (yellow pennants), Paddy Bauman (Baumann)(brown infield), Max Carey (purple pennants), Max Carey (red pennants), Marty Kavanaugh (Kavanagh), Ray Chapman (purple pennants), Ty Cobb (white infield), Ty Cobb (brown infield), Harry Coveleski (brown infield), Ray Demmitt (brown infield), Cozy Dolan (yellow pennants), Del Gainor (brown infield), Tommy Griffith (brown infield), Miller Huggins (purple pennants), Shoeless Joe Jackson (purple pennants), Walter Johnson (green pennants), Rabbit Maranville (white infield), Ivy Olson (yellow pennants), Hank Robinson (yellow basepaths), Bill Steele (yellow pennants), Casey Stengel (blue infield), Casey Stengel (green infield), Terry Turner (yellow basepaths), Bobby Wallace (purple basepaths), Bert Whaling (brown infield), Zach Wheat (blue infield), Zach Wheat (green infield), Possum Whitted (yellow pennants), Owen Wilson (yellow basepaths). This is a very nicely collected near-set of this very desirable issue, this lot has a lot going for it.

264 1922 E120 American Caramel  
Collection of 72 different w/Cobb .....500

Revered issue, it is very hard to find these in any kind of quantity. The offered lot varies extensively in grade, Poor - Ex, averaging in the Good - VG range overall. The cards tend to display well. An exact inventory will be on our website. These are great looking cards and among the very few substantial card sets from this era. No doubt this will be a popular lot, these better cards come in the lot: Bullet Joe Bush, Ty Cobb (extremely low grade), Eddie Collins (PSA 1), Jimmy Dykes, Urban (Red) Faber, Charlie Grimm, Joe Judge, Bob (Dutch) Meusel, Edmund (Bing) Miller, Steve O'Neill, Bob Shawkey.

263 Strip Card Collection (38 pcs) .....150

Good lot of strip cards, these have been so popular in recent years. The cuts vary extensively as usual, some are cut close to the image, others have full, wide borders. Content includes thirteen W514s, five W572s and some W515-1s. There are 12 HOFers in the lot and two Wally Pipp cards. These better cards come in the lot: 1919 W514 41 Clark Griffith, 1921 W516-2-2 21 George Bancroft (Dave), 1921 W516-2-2 25 M. Kelley (should be G. 265 1928 Babe Ruth Frojoy Premium .....150  
Often forged, we believe this to be the real McCoy based on a raised border just outside the image. Cut from a larger size premium, this measures 7x9. The image of Ruth looks great, the surfaces are clean. September 8, 1928 is written on the back. A desirable original 1920s Babe Ruth item, this displays very well.

266 1933 Goudey  
129 different commons/minors VG .....500

Pleasing VG common lot, everything is in an individual holder for protection. This lot contains over half of the classic 1933 Goudey set in one shot. Condition varies mildly, there are 30 different cards from 1-52 and several minor stars. Lots of this size have really dried up in recent years due to slabbing. The backs are quite clean overall, the low numbers average Good overall, the remaining cards range mainly from Good - VG-Ex, averaging VG overall to our eyes. This is a nice lot for the grade.

267 1930s Goudeys & Diamond Stars (37 pcs)  
w/15 HOFers (pictured to left) .....300

Pleasing lower grade lot, these mainly vary from Good to VG-Ex, with a few very rough cards. The many HOFers provide for some very solid value here. The lot breaks down as follows: 1933 Goudey (23 w/2 Vance, 44 Bottomley (2), 79 Faber (3), 128 Klein, 138 Pennock (major back damage), 240 Schumacher; 1934 Goudey (12 w/7 Durocher, 11 P. Fun affordable 1930s gum card set, I always liked these. The condition here varies from Good to Ex, mainly Good - VG-Ex. This is a very good lot as it contains almost all of the HOFers, most of the tougher semi-high numbers and two high numbers. A complete list of cards will be on our website. These present well as pleasing mid-grade cards. These better cards come in this substantial lot: 3 Maranville Ex, 9 Cochrane VG+, 11 Dickey VG, 14 Terry Good, 16 L. Waner VG+ mk, 17 Frisch Good, 18 Hafey VG+, 26 Martin VG, 27 Traynor Ex, 28 Lopez Good, 30 Manush VG+, 31 Cuyler VG+, 32 Rice GVG, 35 Averill Ex, 36.1 Earnie Lombardi VG, 39 Hubbell GVG, 44 Hornsby PSA 2, 48 Ferrell VG+, 60 Ruffing VG, 63 Jackson Ex, 64 Foxx GVG, 66 Medwick PSA 5.5, 74 Lazzeri VG-Ex/Ex, 77 Gehring GVG, 83 P. **269 1938 Our National Game**

**270 1939 Play Ball**  
83 different commons/minors Nice Ex-Mt..500  
Extremely sharp, fine and consistent lot, this looks to be an original owner collection. The weaker cards have all been removed, nothing has been picked for grading. These cards have a very fresh look, generally solid square corners and super clean surfaces. Unslabbed lots of this quality from any 1930s issue are almost impossible to find and are always of extreme interest to set collectors. An exact listing of the card numbers will be on our website. Several cards here could grade a 7; the better cards are Manush (HOF), Lavagetto, Henrich, Stark, Mungo and Camilli.

**271 1940 Play Ball**  
Collection of 69 different w/9 HOFers .....150  
Mainly Good due to corner wear, there are some cleaner cards scattered about. Low grade but not abused, these better cards come in the lot: 6 Gomez Good, 21 R Ferrell VG, 50 Trosky VG-Ex/Ex, 88 Ott SGC 4, 119 Alexander GVG/VG, 120 W Johnson Good, 141 C Stengel Good, 168 Wagner Fair-Good, 175 Mathewson Good and 176 Manush Good.

**272 1940 Wheaties**  
Complete Set (21 pcs, scarce) Ex .....350  
Very difficult set to find, these were issued in 1940 and 1941 and hardly ever come to market as full sets. Interesting (basic) set features players from various sports and other cultural figures. This loaded set has a rare Pee Wee Reese Rookie, two cards with Joe DiMaggio, early cards of Bob Feller and Johnny Mize, a scarce Gene Sarazen card and two very early cards of golf HOFer Byron Nelson among other notables. 18 of the 21 cards have the full advertising panel. Condition varies as always, we feel these average about VG-Ex overall; the fronts tend to be bright and clean, the blank backs typically have extra paper by one edge. The keys grade as follows: 1.1 Durocher/Patrick/Ruffing VG-Ex, 2.2 DiMaggio/Ott/Vines VG-Ex, 3 Bierman/Dickey/Foxx GVG, 6.1 Guldahl/Mize/O'Brien VG-Ex, 7.1 Cronin/Isbell/Nelson VG-Ex, 14 Adler, Foxx, Hanson VG-Ex, 15 Bierman, Feller, McLeod VG-Ex, 16 Dawson, Greenberg, Stoker VG-Ex, 17 Concello, DiMaggio, B. **273 1941 Play Ball Complete Set -1 Good .....1000**  
 Low grade but presentable example of one of the most popular and collected pre-war baseball card sets, this is perfect for a collector who does not care about condition. Missing only Hank Greenberg, the offered set ranges almost entirely from Good - VG-Ex. The cards tend to have good color and display well for the grade. Corner wear tends to be the issue here, creasing looks to be fairly minimal, the cards do not have back damage. The many key cards grade individually as follows: 1 Miller Good, 6 Hubbell Good, 8 Ott Good, 13 Foxx VG mc, 14 Ted Williams Good, 15 Cronin Good, 18 Greenberg, 19 Gehring GVG, 20 Ruffing VG, 54 Reese RC Good, 60 Klein Good, 61 V DiMaggio VG+, 63 D DiMaggio GVG, 64 Doerr VG, 70 Dickey VG hand cut, 71 J DiMaggio GVG hand cut and 72 Gomez GVG.

These better cards come in the lot: Ritchie Ashburn, Banks Script, Yogi Berra (MADE), Doby Bat Well Off Right Border, Drysdale Portrait, Hodges B on Cap, E Howard, Kaline Kneeling, Kaline Portrait w/2 Bats, Keller, Klu Batting, Klu Plain, Lemon Glove Partial, Matthews, Maz Portrait, Newhouser, Rizzuto, Schoen Fldg, Name Red-Brown, Snider B Cap and Stirnweiss.

**275 1948 Blue Tint** .....350  
 Near-Complete Set w/Jackie Robinson (36/48) .....350  
 A set that seems to have disappeared from view in recent years, this fresh to the hobby lot is missing #s 2, 26-30, 35, 37, 44-6, 48. The condition varies, these are tough to grade as they were all hand-cut from strips. We went two cards into PSA: the key Jackie Robinson card came back a 2, the Joe DiMaggio card Authentic. There are cards with creasing, the cuts are not bad overall. There are 9 HOFers in this lot, all will be pictured front and back on our web site. Please note the Jackie alone should trade for \$350 or more.

**276 1948 Leaf Wrapper** .....350  
 Extremely scarce and desirable wrapper, this is perfect to pair with your prized 1948 Leaf set. The edges have slight wear at the fold lines, this retains good color and eye appeal. The back is clean, there is a closed tear by the lower left corner.

 Super fun issue, this is a true full cardboard die-cut display. With the original easel and envelope of issue, the condition is magnificent. Sharp and strikingly clean, this is perfect for any advanced oddball or Boston Braves collector. The only visible wear is at the very top right of Bickford's hat. This measures 9x12 and is something that looks so much nicer in hand.

279 1949 Jimmy Fund Boston Braves Die-Cuts  
 Southworth w/orig. envelope Ex-Mt+ .....250  
 Super fun issue, this is a true full cardboard die-cut display. With the original easel and envelope of issue, the condition is magnificent. Sharp and strikingly clean, this is perfect for any advanced oddball or Boston Braves collector. HOF manager Billy Southworth has hardly any period cards as the Braves manager, this is something that you hardly ever see. The image looks great, this very substantial card measures a robust 9x12 and is something that looks so much nicer in hand.

280 1952 Bowman  
 167 different w/Willie Mays SGC 3 .....300  
 Anchored by an SGC 3 example of the key Willie Mays high number card, this respectable lot of low to mid-grade 1952 Bowmans includes 22 high numbers. Condition mainly varies from Good to Ex-Mt, mostly VG-Ex and lesser. Better cards in the lot include: d 4 Roberts VG, 17 Lopat Good, 23 Lemon VG+, 24 Furillo Fair, 75 Kell GVG, 145 Mize GVG, 146 Durocher Good, 223 Simpson VG-Ex/Ex, 244 Burdette RC Ex+ and 249 Thompson VG. The high numbers look much nicer than the rest of the cards.

281 1953 Bowman Color  
 Complete Set VG - VG-Ex.....1000  
 A truly classic 1950s baseball card set, the clean design and great photographs are beloved by collectors. A very pricey set to assemble as singles, there are a large number of key cards and an underrated large high number run. The offered set is a reasonably consistent and nice VG to VG-Ex overall, with mild variance in both directions. Save for a few stray cards, the high number run is solid, and nicer than usually found in these types of sets. Loaded with value due to the great content and more importantly, just a beautiful and uniquely designed set to peruse, this is a great set to add to any vintage card collection. We grade the key cards as follows: 1 Williams VG, 9 Rizzuto VG+, 10 Ashburn GVG, 18 N Fox Good, 32 Musial PSA 4, 33 Reese Ex mk back (ctd), 44 Bauer/Berra/Mantle VG+, 46 Campy SGC 5, 59 Mantle Nice VG, 65 R Roberts VG-Ex, 92 Hodges GVG/VG, 93 Rizzuto/Martin Good, 97 E Mathews VG+, 99 Spahn SGC 5, 114 Feller VG+, 117 Snider VG (well ctd), 118 B Martin VG-Ex, 121 Berra GVG, 146 E Wynn VG (ctd), 153 W Ford VG+ and 160 C Abrams VG+.

282 1953 First National Super Market Boston Red Sox  
 Complete Set (4) VG\* .....400  
 Very rare Boston Red Sox regional, these hardly ever to market as single cards, much less the whole set. Fresh to the hobby, these have tape fragments on the top and bottom but are otherwise quite crisp and clean. Interesting set as they did not make a Ted Williams card, these 3 3/4 x 5 cards are: Billy Goodman, Ellis Kinder, Mel Parnell and Sammy White. Who likes rare regional sets?

283 1955 Bowman Complete Set VG-Ex/Ex....800  
Hot set of late, it is nice to see these getting their just due. These have a terrific break value with the many HOFers and large high number run. The offered set is an exceedingly consistent VG-Ex to Ex grade overall. There are Ex-Mt cards scattered about, the variations are included, nothing is in obvious need of an upgrade to our eyes. The high numbers look good, this set was clearly collected with care by a collector with a good eye. The many key cards grade as follows: 1 Wilhelm VG-Ex/Ex, 10 Rizzuto VG-Ex/Ex, 22 Campanella Ex-Mt+, 23 Kaline VG-Ex/Ex, 37 Reese VG-Ex/Ex, 59 Ford Ex-Mt, 68 Howard RC VG-Ex/Ex, 103 Mathews VG-Ex/Ex, 134 Feller VG-Ex/Ex, 168 Berra GVG, 179 Aaron Ex, 184 Mays VG-Ex/Ex, 202 Mantle VG-Ex/Ex (no creases), 242 Banks VG+, 265 Barlick RC Ex, 267 Honochick RC VG, 283 Chylak Ex, 303 Conlan RC Ex+ and 315 Hubbard VG-Ex/Ex. This is simply an ideal set for the grade.

284 1955 Topps Very Near Set (193 different) VG but varies .....500  
Classic Topps set, I always liked the color and design on these. The offered set is very mixed, Good to Ex-Mt Plus, averaging in the VG to VG+ range. There are many nice cards throughout the set, the high numbers are about VG overall with a handful of very rough cards. This lot could benefit from some inexpensive TLC but it nonetheless offers a very substantial value with its fully presentable Clemente and Koufax Rookies and other better star cards. We grade these cards individually as follows (please note the only missing key card is Killebrew): 1 Rhodes Good, 2 Williams VG+, 4 Kaline Ex-Mt+, 28 Banks Ex-Mt+, 31 Spahn VG+, 47 Aaron Good, 50 J Robinson Good (closed tear, otherwise looks Ex), 123 Koufax RC VG, 152 Agganis RC VG, 155 Mathews VG+, 164 Clemente RC GVG (no creases), 187 Hodges Poor-Fair, 189 Rizzuto VG, 194 Mays GVG, 198 Berra VG+ and 210 Snider Good mk.

285 1955 Topps Complete Set VG - VG-Ex.....1000  
Key set, this is a fully presentable and affordable example. This set is typical in that the commons and minor stars are a full grade better than many of the stars. The core of the set is a very attractive, consistent and smartly collected VG to VG-Ex overall, including the high numbers. The key cards vary somewhat, the cards graded 2 tend to have strong fronts but very faint wear on the back. These cards can be easily upgraded if desired. As it stands, this set offers a very substantial value as singles as the key cards from this set are extremely popular right now. We grade the key cards as follows: 1 Rhodes VG+ ctd, 2 Williams PSA 2, 4 Kaline VG+, 28 Banks VG-Ex/Ex, 31 Spahn VG-Ex, 47 Aaron PSA 2, 50 J Robinson PSA 3, 123 Koufax RC PSA 3, 124 Killebrew RC PSA 4, 152 Agganis RC VG-Ex/Ex, 155 Mathews VG+, 164 Clemente RC PSA 3 mc, 187 Hodges PSA 2, 189 Rizzuto VG, 194 Mays PSA 4, 198 Berra Good and 210 Snider PSA AA.

287 1956 Topps Complete Set VG - VG-Ex .....800  
Loaded set, these are always so popular among dealers. The offered set is your typical set in that many of the key cards are a full grade or more below the rest of the set. The offered set is mixed, but is mainly VG with nicer cards throughout. This set nonetheless offers a very substantial break value as presented but is also a completely manageable project to upgrade to a nice VG to VG-Ex overall set. The key cards reflect the variance of the set and grade individually as follows: 1 Harridge RC VG+, 5 Williams VG, 20 Kaline Fair, 30 J. Robinson GVG/VG, 31 Aaron Fair-Good, 33 Clemente Good, 79 Koufax Good, 101 Campanella VG+ mk, 110 Berra GVG, 113 Rizzuto VG-Ex/Ex, 130 Mays VG+, 135 Mantle Good, 150 Snider GVG, 164 Killebrew VG-Ex/Ex, 166 Dodgers TC VG+, 200 Feller VG-Ex/Ex, 240 Ford VG, 251 Yankees TC VG \*ph, 260 Pee Wee Reese Ex++, 292 Aparicio RC VG-Ex, Checklist 1/3 Good mk and Checklist 2/4 Good mk.

**294 1964 Challenge The Yankees**  
 Complete Set on Original Uncut Strips! (50 cards) .....500  
 One of the most popular of all post-war playing card sets with real cards, the 1964 & 1965 Challenge The Yankees sets are beloved by many collectors. These oversize cards are very condition sensitive, often with poor perforations, separations and creasing. The offered lot is a wonderful pair of very finely framed 27x39 displays. One frame has the American League, the other the National League. There are three uncut strips on each frame, 25 per frame. The star power here is impressive, with Mantle, Maris, Berra, Aaron, Ford, Yaz, Kaline, Mathews, McCovey and Santo. PSA, as anyone who has sent these in for slabbing, is ruthless with this issue, leading to big prices for high grade cards. This original set in strips is very rare and desirable for these reasons. Who wants to own something really great from the 1960s?

The die-cut is perfectly flat and tight, the card should grade Ex or better without respect to the signature. Signed by Mickey and Pete in bold blue sharpie ink, the inscriptions really make the piece. Pete inscribed this as follows: "To Mick Good Luck At Mantle's and Mickey inscribed this: To Pete anyone who had over 4000 hits had to be pretty good". Please note Mickey Mantle was the person who gave Pete Rose his nickname Charlie Hustle during a Spring Training game in 1963, these two were obviously very friendly. This is simply an outstanding item with unique inscriptions from two of the most popular and widely collected players in baseball history. JSA LOA Full.

Single Signed Baseballs

**384 Walt Alston 9 (83 AS Game Ball).....300**  
 Underrated single, HOF manager Walt Alston died in 1984 and is not easy to find on single signed balls, especially without condition issues. Alston died in 1984, making his signature especially desirable when found on a 1983 All Star ball. The ball itself is subtly off-white and clean. Alston signed the ball in bold blue ballpoint ink in a perfect spot just below the All Star Game seal. Nice. PSA DNA Full.

**385 Roy Campanella 9 (ONL White) .....250**

**386 Norm Cash 9 (vintage).....250**  
 Underrated single, key 1960s Tiger star and cult favorite Norm Cash died in 1986 at only age 51. The offered ball is especially noteworthy as it was almost certainly signed by Cash as a player, likely in the early 1970s. The ball is a period Spalding Official Little League model. Cash signed this in large and clean black ballpoint ink on a side panel; the autograph contrasts very nicely against the ball itself. True vintage Norm Cash singles are rare. JSA LOA Full.

**387 Elio Chacon (62 Met, rare) 9.5 .....500**

His signed photos can sell for hundreds of dollars, single signed balls are truly rare. The offered ball is a perfectly clean ONL White model. **389 Hank Greenberg (vintage pers) 9 .....500**  
 Hank Greenberg single signed balls are never easy to find as Greenberg did hardly any shows and people did not send him baseballs in the mail to sign. Offered is an evenly toned TRUE VINTAGE single. Signed in fountain pen as a player, this is signed and inscribed on a side panel with lots of writing. Charming Greenberg single, these are so much scarcer and nicer than the ballpoint examples from the 1980s that usually trade. PSA DNA Full.

# Baseball Autographs

**388 Jimmie Foxx** 6.5 .....1400  
 Vital single, this is needed by almost all 500 Home Run Club collectors and most HOF single signed ball collectors. High grade examples can run tens of thousands of dollars, the offered ball will nicely fill this hole without breaking the bank. The ball itself is a period Official League model. The ball has slight general wear but displays reasonably well. There is a large and classic Foxx signature to the left of the sweet spot, this displays well and contrasts very well against the ball itself. This is personalized on an opposing panel. Signed in fountain pen, likely as a player in the 1930s, this is a nice Foxx single with a solid signature. Please note PSA graded this a 5.5, which we think is a click low. JSA LOA.

**390 Gil Hodges** 7 .....400  
 Rare single signed baseball from this beloved 1969 Mets manager and Brooklyn Dodger star, this is something that hardly ever comes around. The offered lot has condition issues, so it will not be a \$5,000 ball but still will capably fill a most vital hole any serious Mets or Dodger single signed ball collection. The ball itself is a toned ONL Frick ball from the 1947-1951 era, signed and inscribed To Jeff in blue fountain pen. A true vintage Hodges single, the signature is more than legible and has a nice antique feel. JSA LOA Full.

**391 Rogers Hornsby** 6.5 .....900  
 One of the very best hitters in all of baseball history, it is almost difficult to comprehend that Hornsby (career .358 hitter) AVERAGED .400 OVER FIVE SEASONS. Hornsby died in 1962 and is always a cornerstone single signed ball. Nearly all of the Hornsby singles that trade were signed in ballpoint ink in the 1950s and the 1960s, the offered ball is somewhat special as it is in fountain pen. The ball itself is an unmarked ball that may have some light game use. The Rajah provided this ball with a bold and distinct signature on the center of a side panel. The autograph displays well and has good contrast against the ball itself. This ball really has to be in any kind of serious HOF single signed ball collection. PSA DNA Full.

**392 Mickey Mantle (+ card)** 9.5 .....200

 A cornerstone Yankee single, this is missing from almost all Yankee single signed ball collections. The offered ball will not set any price records, nor break your budget! The offered ball is a toned game ball from the 1970s. The ball itself is an OAL Cronin model. Munson signed and inscribed the ball on a side panel. The autograph is in bold blue ballpoint ink but has toning, possibly from a clear-coat. Who wants to fill a most vital hole in their Yanks signed baseball collection? JSA LOA Full.

# Baseball Autographs

**394 Joe Page** 8 .....800  
 One of the rarest of all name Yankee players, pioneering star reliever Joe Page died in 1980 at age 62. Page did not do shows, hardly anyone ever had him sign a baseball by himself. The autograph fills up the better part of a side panel, it is signed Best of luck Joe Page in large and flowing blue ballpoint ink. **397 Ted Williams (1941 .406, superb)** 9.5 .....1200  
 Great Teddy Ballgame single, offered is an immaculate condition OAL Brown model baseball. This is signed "Ted Williams 1941-406" on the sweet spot. The autograph is of absolutely impeccable quality and is in blue ballpoint ink. 1941 was of course one of the most historic seasons for a hitter in all of baseball history, a record that has rarely even been approached in the last 75+ years. Ted hardly ever inscribed single signed balls like this, this is truly rare. Collectors of rare inscribed balls absolute revere things like this! JSA LOA Full.

## Multi-Signed Balls

**405 1960s Stars/Old Timers w/Clemente & Stargell 9...400**  
 Fine ball, this is a very high grade ball loaded with a full 31 signatures. Signed by a Pirates Spring Training game in the early 1960s, this loaded ball starts with a strong Roberto Clemente signature in a good spot. The other signatures include Bill McKechnie, George Sisler, Willie Stargell, Bill Mazeroski, Don Hoak (D'69), Dick Groat, Harvey Haddix and Elroy Face. Clemente's signature hardly ever comes on these kinds of balls. JSA LOA Full.

**406 Campanella/Mantle/Robinson Signed Ball 7.....500**  
 Very interesting ball, this looks to have signed in the early 1950s. The ball itself has even toning and some very slight wear. Loaded with 28 solid period ink signatures, the autographs are really nice. There are no less than seven HOF autographs on this ball. It is extremely unusual to find Jackie, Mickey, Campy and Casey Stengel on the same ball. The other signatures include Ford Frick (2x), Gus Bell, Eddie Stanky, Andy Carey, Don Newcombe, Johnny Podres, Ted Kluszewski, Stan Musial, Fred Haney, Chuck Dressen and Solly Hemus. There might be some great story with this ball, we are not sure. JSA LOA Full.

**407 Foxx/Moe Berg Signed 1941 Ball 5 .....350**  
 Neat ball, this is a ball signed at a 1941 Red Sox - Cardinals game. The ball has some general wear from possible use but is not bad at all. There are 17 total signatures, but this one is nice as it has a fairly bold and impressive Foxx signature at the center of one panel. The Foxx is almost displayable as a single. The other signatures include Moe Berg (slightly enhanced), Slaughter, Cronin, Brown, Dom DiMaggio and Al Schacht. Interesting ball, the autographs vary in darkness. JSA LOA Full.

**408 Old Timers w/Foxx & Mack (11 HOFers) 9.....350**  
 Neat ball, this was signed at Spring Training in the very early 1950s. The offered ball is a beautiful ONL Giles ball that could not have any more autographs. ## Team Signed Balls

**409 1928 Yankees Team Ball 5 .....1500**  
 Interesting ball, offered is a reasonably clean Spalding multi-color stitched cork center ball. There are pleasing 5/10 or better signatures from Ruth and Gehrig, the other autographs cannot be discerned with the naked eye. JSA used their video spectral comparator and found an additional nine signatures. The other signatures include HOFers Pennock, Hoyt, Lazzeri and Combs. It is possible someone tried to remove the other signatures to create a pure Ruth/Gehrig signed ball or things just worked out that way due to wear, ink quality and storage over the years. Either way, as presented, this is an attractive ball with pleasing mid-grade signatures of Babe Ruth in quotes on the sweet spot, and Lou Gehrig at the top of one side panel. The 1928 Yankees were of course a World Championship team. PSA DNA Full.

# Baseball Autographs

**410 1934 Giants Team Ball** 5 .....200

The offered lot is a mid-grade ball, both the ball and the autographs were deemed 5s by PSA. The ball is dated March 13, 1934 on one panel. There are 10 total signatures, at least one panel is much nicer than a 5. The autographs are all readily legible. The highlights include a pleasing and classic Babe Ruth exemplar on the sweet spot and Lou Gehrig at the top of one panel. The other signatures are HOFers Earle Combs, Lefty Gomez, star Red Rolfe, Johnny Allen (D'59), Jack Saltzgaver, Ben Chapman, Danny McFayden and Don Heffner. **412 1936 Yankees Team Ball** 6 .....800

The offered ball is a mildly toned OAL Harridge model, with 25 total signatures. The autographs vary in darkness, some are bold, others are much lighter. Amazingly enough, both DiMaggio and Gehrig are on the sweet spot, about 5/10 quality for the pair. There are five total HOFers here, with the vital Tony Lazzeri, Red Ruffing and Bill Dickey in addition to DiMaggio and Gehrig. Other better signatures include Red Rolfe, the rare Pat Malone (D'1943 at age 40), Jake Powell (D'1948) and Bump Hadley. Three signatures are clubhouse: Lefty Gomez, Art Fletcher and Joe McCarthy. Satchel Paige is at the top of one panel, an extremely rare 1940s Cool Papa Bell signature is on the same panel. Other signatures include Bob Lemon, Sherwood Brewer, Clifford Johnson and Theoli Smith. Several of these players are not on the Negro Players website, but that site is probably not complete. JSA LOA Full.

**415 1947 Pirates Team Ball w/Hank Greenberg 6...200**  
Slightly worn unofficial ball may have seen some game use. There are 23 period fountain pen signatures, notable for Hank Greenberg on the sweet spot. Other signatures include Greenberg's protege Ralph Kiner, Billy Herman, Billy Cox, Preacher Roe, Bill Salkeld (D'67) and Fritz Ostermueller (D'57). **418 1967 Cardinals Team Ball 8.5 .....350**  
Popular World Championship team ball, this is one of the nicer examples that we have seen in some time. Offered is a rather clean subtly off-white ONL Giles model baseball. There are 24 solid and consistent period ballpoint ink signatures. All of the keys are here: Brock, Cepeda, Carlton, Flood, Gibson, Maris, McCarver, Schoendienst and Shannon. Typically one of these players is missing from this ball. Good piece. JSA LOA.

**419 1969 Mets Team Ball 8 .....500**  
One of the ultimate World Championship team balls, offered is a beautiful 1969 Miracle Mets team signed ball. The ball itself is a high grade, problem-free ONL Giles model. **422 1979 Yankees Team Ball w/real Munson 7.....500**  
 One of the toughest of all Yankee team balls, how often do you find a 1979 with a real Munson? Thurman tragically died in a plane crash in August, he had a relatively short window to sign one of these, and almost all that come to market have a clubhouse Munson. The offered ball is of medium quality, with toning and slightly light signatures. Everything is fully legible however, most vitally the key Munson signature. The other autographs include Gossage, Hunter, Berra, Guidry, Randolph, White and Dent. With the 23 signatures, there are amazingly no clubhouse autographs. It of course cannot be difficult to add Reggie Jackson if desired. Who wants to fill an almost impossible space in their Yankee team ball run? PSA DNA Full.

**423 Document Monroe, James 8 .....300**  
 Handsome original James Monroe Presidential document, this is dated February 3, 1824. The document measures 15 1/2 x 10 and has a sharp and fine looking Presidential seal. Each is Celtic green and has the original Sand Knit tagging with the label reading Made Exclusively for the Boston Celtics. One of these has an NBA 35th Anniversary patch, dating these to the very early 1980s. The difference in the tags leads us to believe that these might be from different seasons. Some may be used by multiple players, the numbers written in vintage black marker are 10, 29, 40 and 52, these may well have been used in the Celtics 1981 World Championship season. All four exhibit strong use. Also included is a charming vintage Boston Celtics World Champions lighter and a pair of unused Dave Cowens size 13 sneakers in the original box. This could be a real sleeper lot.

 One of the best Pete Maravich signed items one may find, offered is a wonderful March 21, 1970 NIT program from Madison Square Garden in New York City. The program has a tight spine and displays well. Our consignor went to these games and obtained all ten autographs in person. This is remarkable as there is a fine flowing Pistol Pete (Maravich) signature by the bottom margin and in a brilliant move, it is also signed by Pete's dad Press Maravich in the red border by the center of the piece. Pete Maravich signed Topps cards can bring thousands of dollars, this is so much nicer in our opinion. Please note Press Maravich died in 1987, Pete sadly only the following year in 1988 at age 40. PSA DNA Full.

Ali and Marciano were filmed sparring for 75 one-minute rounds producing several possible scenarios for a genuine fight, with the result claimed to have been determined using probability formulas entered into a computer. The lot includes two lobby cards, seven original 8x10 press photos and an 11x14 pamphlet. The condition varies within the lot.

662 1963 Kahns Mike Ditka PSA 6 .....90  
 Fun early card of the beloved Ditka, these seem so undervalued right now given their scarcity. Well centered with four very solid corners, this is much more like a 7 than a 6. PSA was very tough with the grade here. The card has a strikingly clean image and excellent eye appeal.

665 1965 Topps 122 Joe Namath RC PSA 6 .....1000  
 One of the ultimate football cards, these are always desirable, especially in this quality. Offered is a solid PSA 6, notable for four sharp corners, bright white borders, rich color and a perfect image of a Rookie Broadway Joe. While the centering is not perfect, it is more than respectable and the back is quite sharp and clean as well. This is a very nice PSA 6 overall.

667 1966 Topps 96 Joe Namath 2 Yr PSA 8 .....125  
 Great looking 8, this is well centered with four super sharp corners. The image of a young Broadway Joe looks great, the brown borders are immaculate. Not rare, but this still seems awfully cheap at current market levels in an 8 holder.

Hartnett, a classic HOF catcher for the Cubs in the 1920s and the 1930s, hit one of the most famous home runs in baseball history (The Homer in the Gloamin) to take the Cubs to the 1938 World Series. One can only assume this was awarded to Hartnett, very possibly as a player, there might be some great significance to this but we are not sure.

Opening Day April 15 is written at the top of the front cover in period ink. This is partially scored, with the totals for each player on the right side of the scoresheet. Stitched into the inside of the jacket on the left side is an Aladen Athletic Wear Corp. (Pompton Lakes, N.J.) manufacturer's tag featuring the Yankees logo labeled Official Merchandise. Stitched into the inside collar is a white canvas tag on which the players name and/or uniform number usually appears. Anchored to the jacket through the patch is a chain to hang the jacket.
