This is our first printed catalog since the Covid-19 situation tragically dominated so many people's lives. We hope all of our customers and consignors are well and safe. Clean Sweep has been working extra hard to provide continuity and terrific service for our customers and consignors.

The market for vintage cards and memorabilia remains extremely strong. Our sales have been outstanding over the past few months and the auction market remains very vibrant. Our current auction has many highlights and interesting items. We open the auction with a truly stunning signed photo of Lou Gehrig, Joe DiMaggio and legendary scout Paul Krichell (he discovered Gehrig). A terrific framed display with a superb 1931 Babe Ruth signature and a very high quality original photo follows.

We have a superb Grover Cleveland Alexander TLS in which he discusses Monty Stratton, a signed 1953 Topps Mickey Mantle slabbed PSA 8 for the signature, a fine George Washington signature and a gorgeous Harry Houdini signed photo. Other key lots include the extremely rare Lloyd Waner signed Perez Steele postcard, a pure PSA 10 1989 Perez Steele Celebration set that is number one on the registry, a fine looking SGC 4 E90-1 Cy Young and a PSA 4 1933 Goudey #144 Babe Ruth.

We have a brand new run of the great and so undervalued 1933 Worch Cigar cards, headlined by Babe Ruth and Lou Gehrig in the key lots section. There is a really nice SGC 6.5 1948 Leaf Babe Ruth, two 1951 Bowman Mickey Mantle Rookies (PSA 2.5 and 6), a superb quality 1951 Fischer's Bread label set, a 1955 Topps Roberto Clemente RC PSA 6 with great centering, a gorgeous T9 boxing slabbed set and a 1934 Tour of Japan ball with Ruth and Gehrig.

Baseball cards begin the main portion of the auction. Interesting graded items include some very clean 1907 Grignon Cubs postcards, an E102 Ty Cobb SGC 1, a T206 Ty Cobb Bat Off Shoulder PSA 3, a 1933 DeLong Lou Gehrig SGC 2.5, a fine fresh run of Worch Cigar HOFers, a strikingly well centered 1952 Topps Eddie Mathews RC PSA 3, a Hunter's Weiners Stan Musial, 1954 Bowman Ted Williams PSA 6, 1954 Dan Dee Mickey Mantle PSA 3.5, 1954 Topps Hank Aaron RC PSA 5.5 and a 2011 Topps Traded Gold PSA 9 Mike Trout Rookie. Baseball card sets and lots start at the turn of the 20th century. We have some pre-war lots and our usual run of Topps and Bowman sets from the 1950s and 1960s. There is a nearly complete 1977 Topps wax box and a rare 1988 Topps Cloth Stickers uncut sheet.

Baseball autographs include four signed Black and White HOF Plaques (Baker, Hornsby, McKechnie, Young). We have some tougher signed photos, including an Al Simmons signed Charles Conlon photo, a Jackie Robinson signed blood donor card and many interesting signed baseballs. Historical autographs include a terrific Martin Luther King Jr signature and signed Presidential documents from Grant and Teddy Roosevelt. Vintage entertainment autograph collectors should really enjoy this auction. We have a remarkable collection of in-person autographs from the 1930s through the 1950s. An amazing autograph chaser seemingly met everyone who came through New York City in this period, including Marlon Brando, Rita Hayworth, Boris Karloff and Joe DiMaggio.

Basketball card collectors will see a PSA 6 1961-2 Fleer Wilt Chamberlain Rookie, a 1986-7 Fleer Michael Jordan PSA 8 and three 1986-7 Fleer PSA 8 packs. Basketball autograph collectors will see an early Kobe Bryant full name signed jersey as well as a LeBron James signed Cavs jersey and a large and fresh run of single signed basketballs with many scarcities. We have the final part of the great hockey card collection that we have been selling this year. There are fine partial sets going back to the late 1950s, a 1965 Topps Phil Esposito RC PSA 8, several PSA 8 HOF cards, a terrific PSA 8 Wayne Gretzky RC and a slabbed 1979-80 Topps set with a Gretzky SGC 8.

Baseball memorabilia concludes the auction. We have a superb circa 1913 Type One Christy Mathewson/John McGraw photo, 1923 and 1927 World Series tickets and a 2009 Yankees ring.

We want to thank both our old and new customers for their outstanding support in 2020. We are actively accepting consignments and buying quality single items and entire collections for our inventory. Cash advances are available, we have the funds to immediately purchase any size collection.

Key Lots

1 8 x 10 Joe DiMaggio/Lou Gehrig/Paul Krichell 8.....2000

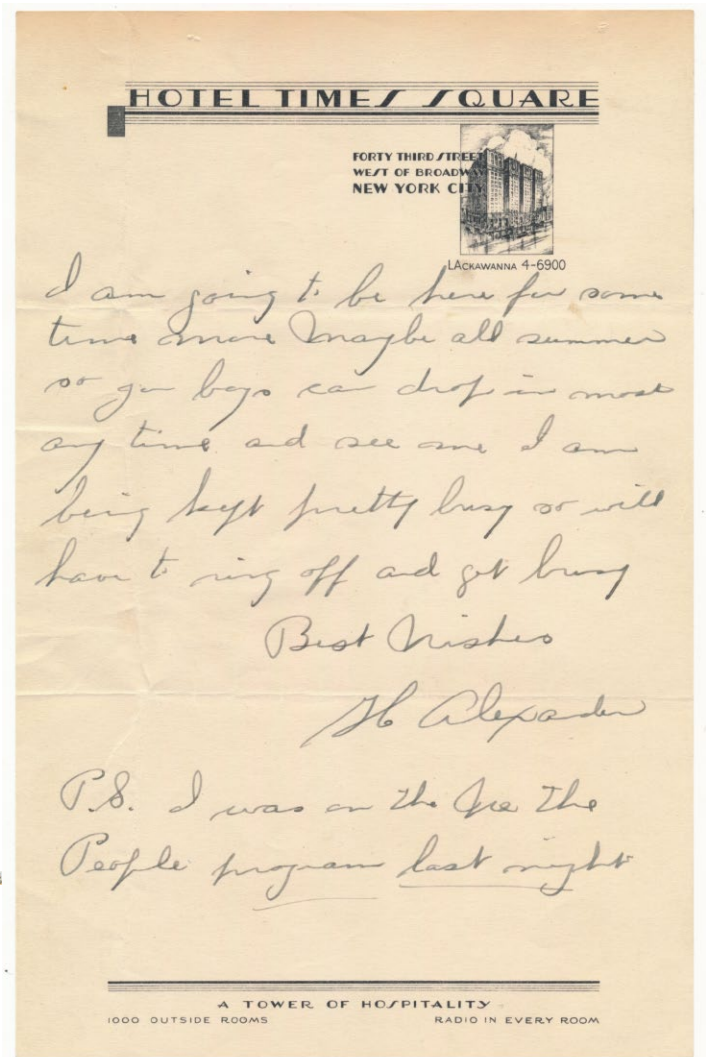

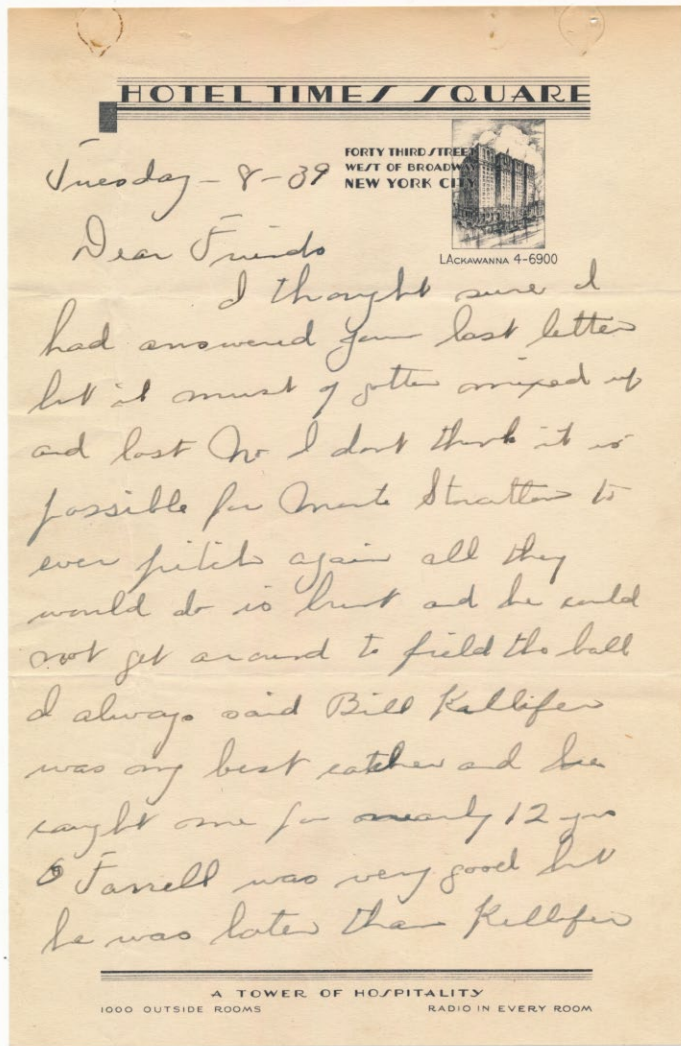

In this still vibrant market for top quality sports memorabilia, there are certain items that come around that are simply amazing. The offered lot is such a piece. One of the finest quality signed photos in the hobby in our opinion, this is a stunning 7x9 Associated Press photo of a smiling Lou Gehrig jumping about six feet high in the air, with a very young Joe DiMaggio holding a bat just below. A unique and wonderful image even if it was not signed, the autographs bring this to another level. The top is signed To Harry With Kindest Personal Regards Lou Gehrig. The other two signatures are legendary scout and desirable autograph Paul Krichell (he discovered Lou Gehrig) and Joe DiMaggio (Sincerely, on his image). Everything is in solid fountain pen ink, PSA graded the autographs individually as follows: Lou Gehrig 8, Joe DiMaggio 9 and Paul Krichell 7. Any Lou Gehrig signed photo of this size is a big deal and revered by collectors, how many can possibly exist with both Joe DiMaggio and Paul Krichell (D'1957). This true treasure can be the cornerstone of a vintage autograph or signed photo collection. Please note this will be sold with no reserve to the top bidder, who wants to add something truly spectacular to their collection that no one else has? PSA DNA Full LOA.

Key Lots

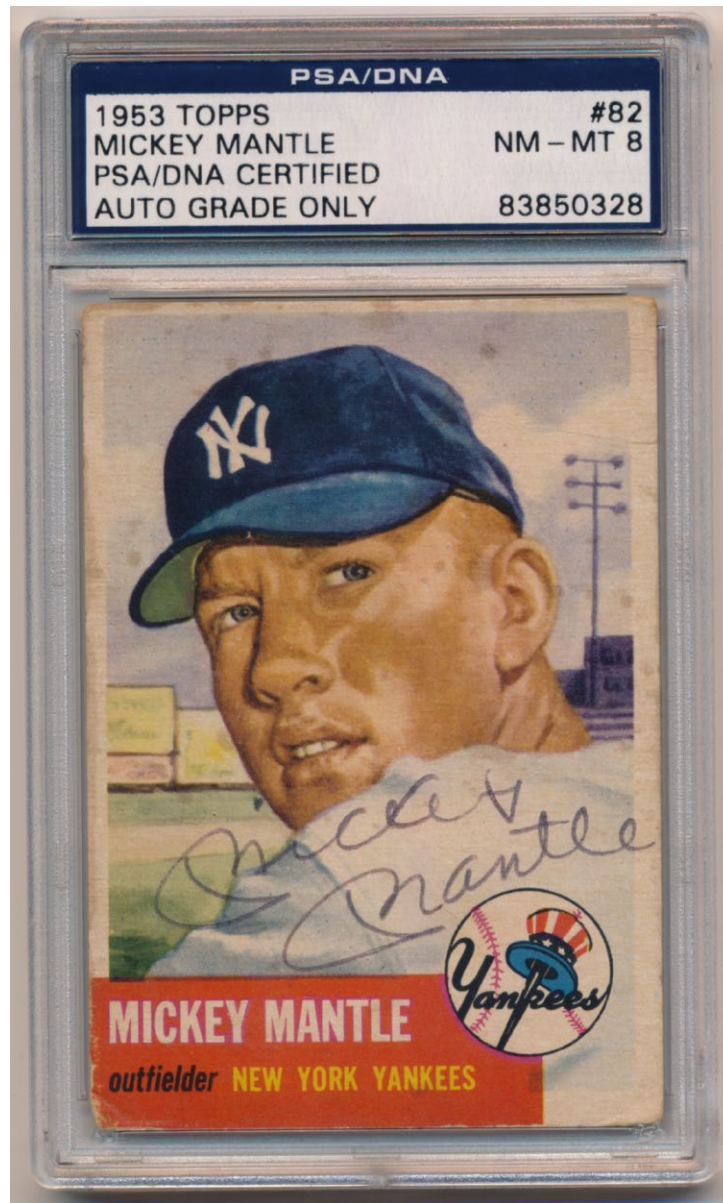

2 Ruth, Babe 1931 Signature w/Superb Original Photo 9.5.....1000
Gorgeous display, this consists of a superb Babe Ruth dark cut ink signature from a 1931 autograph album page (this was signed on August 5). Beautifully framed, this comes with an extremely high quality Babe Ruth original photo. This is an image that we have never seen before, Babe is seated in a light jacket with a pensive look on his face. Total size 12x16, this is truly one of the finest Ruth autograph display pieces of its kind that you will ever see. JSA LOA (full).

Key Lots

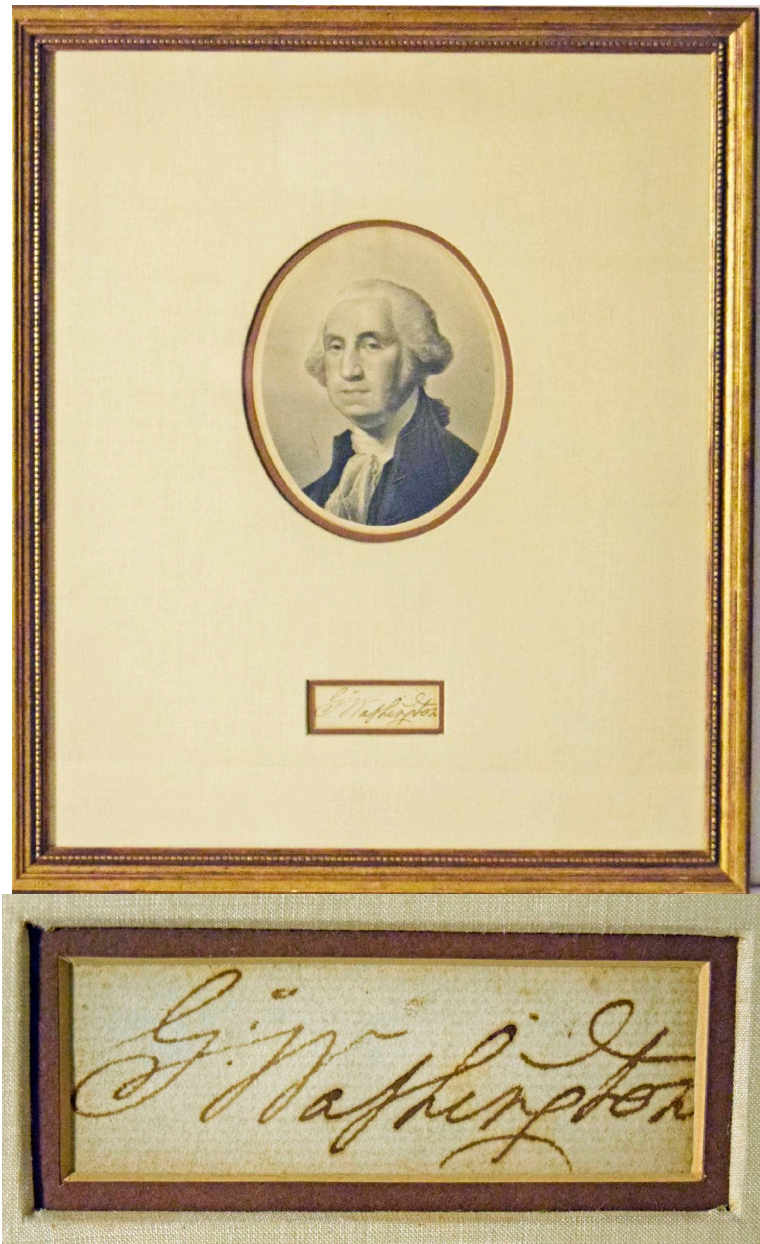

3 Alexander, Grover Cleveland 2-Page ALS w/Monty Stratton Contet 9.5.....1250
Terrific piece, this is a perfectly clean two-page ALS. Written on Hotel Times Square of New York City letterhead, this was penned by the legendary Alexander in 1939. This is very special as Alexander writes in part: I dont think it is possible for Monte Stratton to ever pitch again all they would do is bunt and he would not get around to field the ball. Alexander also notes Bill Killifer as his best catching battery mate. Signed GC Alexander in flowing period fountain pen ink, the writing and signature are all impeccable. This is a beautiful letter from a cornerstone HOFer, Alexander's autograph can sell for \$1,000 - \$2,000 on a cut, this is so much nicer and more desirable than a simple signature. Also please note it is extremely unusual to find letter from HOFers that discuss other players, especially in 1939! This is the kind of thing that has everything going for it, a legendary HOFer, scarcity (he died in 1951), great content and terrific condition. JSA LOA (full).

Key Lots

4 1953 Topps 82 Mickey Mantle PSA 8 (signature).....1000
Produced from original artwork by artist Dvorak, this is perhaps Mickey Mantle's most iconic baseball card. Only his second Topps card, these are always desirable and have always been very expensive. For these reasons, signed examples of a 1953 Topps Mantle card have always been particularly hard to find and special. The offered card is well centered with a nice image of a so young Mantle, the card itself probably grades GVG to VG (there is hardly any creasing, there is corner wear and some general wear, the back is clean). The autograph is in ballpoint ink. Mickey signed this in a perfect spot, the autograph contrasts nicely against the card. PSA graded the autograph an 8 and slabbed this as such, who wants to add a simply great Mickey Mantle signed card to their collection?

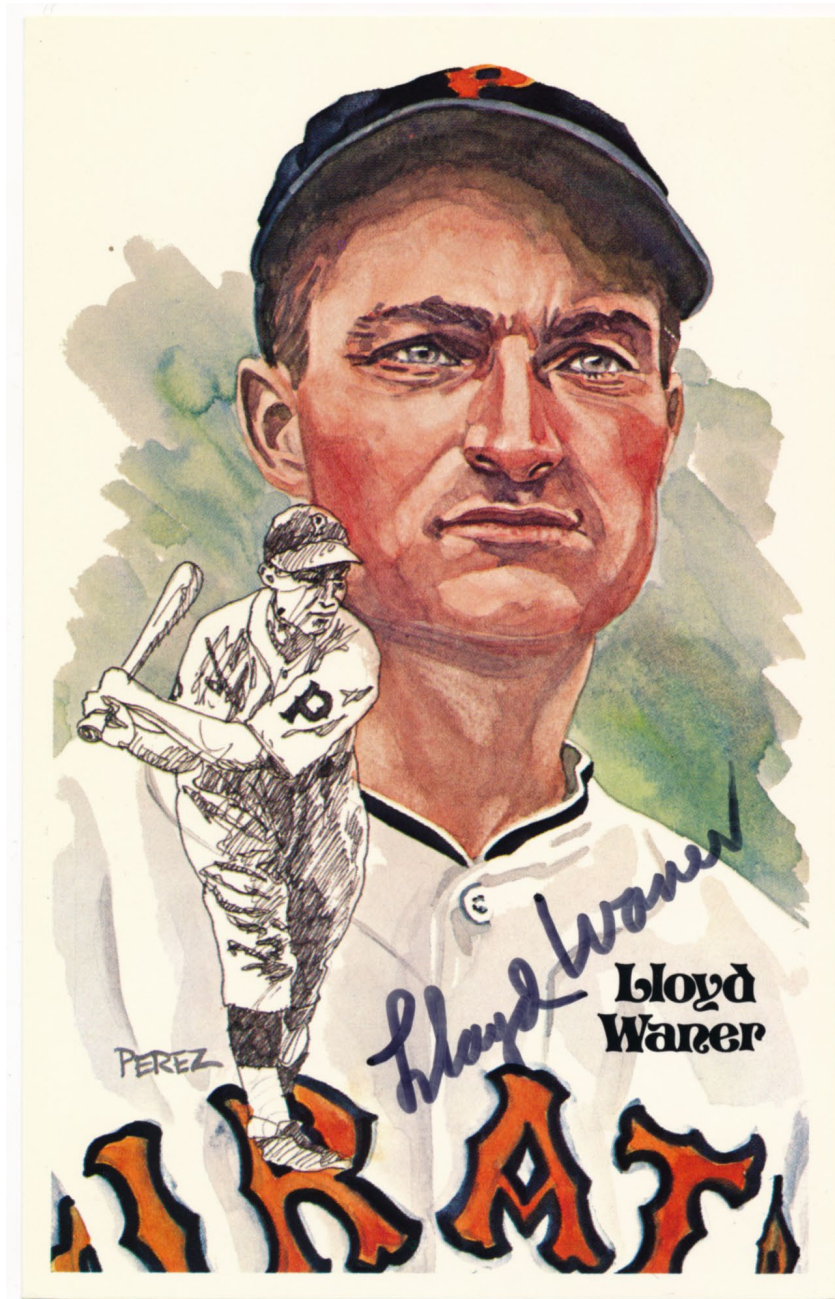

Key Lots

5 Washington, George Framed Autograph 9.....2500
 To most people, this is the ultimate Presidential autograph. In these times, how much would most Americans give to have a leader with the greatness, dignity and judgment of our legendary first President? Handsomely presented in a small frame and ideal for display, this is a very solid G. Washington dark flowing ink cut signature. The historical importance of Washington cannot be overstated, this is an autograph that should be in any serious historical or Presidential collection. JSA LOA (full).

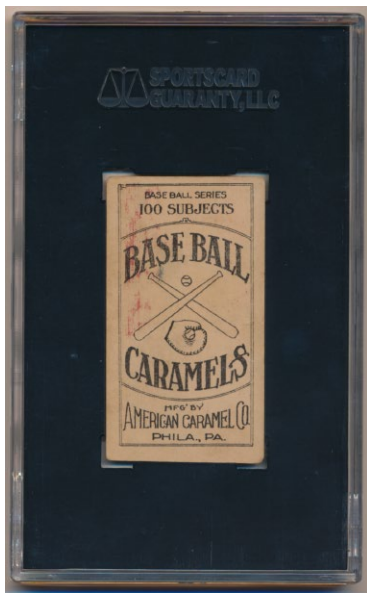

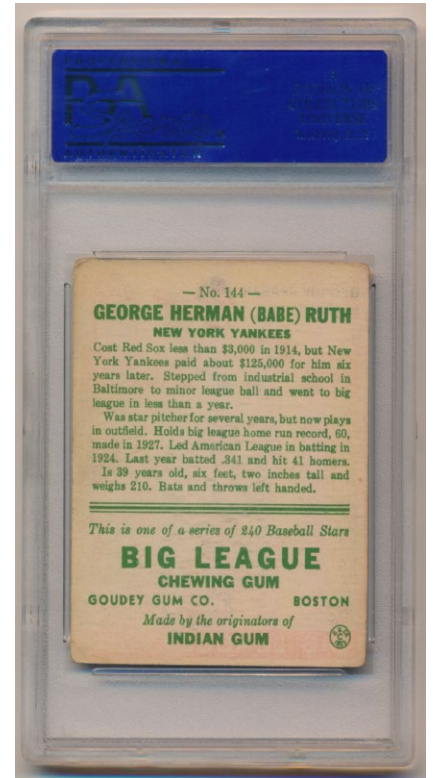

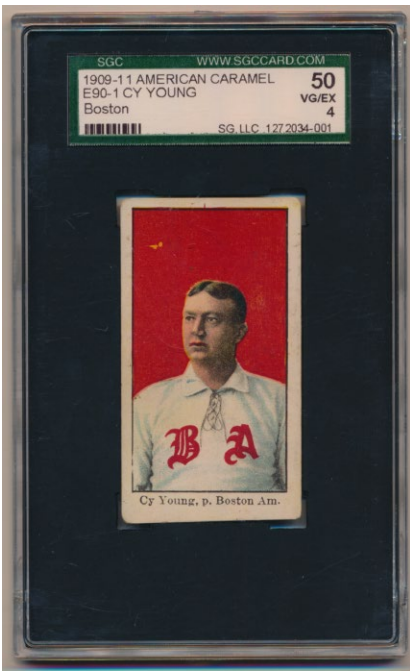

6 Photo Houdini, Harry (superb) 9.5.....1000
 How is this for a neat signed photo? Offered is a gorgeous sepia toned portrait image of the one and only Harry Houdini. We will refrain from making jokes about this piece disappearing upon shipment! The image is 4 1/2 x 6 3/4 and is a terrific image of Houdini in formal attire. Houdini signed and inscribed this in very attractive blue fountain pen ink. The placement is perfect, Houdini dated this November, 1915. The beyond legendary Houdini's fame persists to this day; he died in 1926. JSA LOA (full).

Key Lots

7 1980 Perez Steele Waner, Lloyd 9.....1500
The rarest signed Perez Steele postcard in our opinion. We have handled as many signed Perez Steele postcards as anyone in the hobby and we have had less than five signed Lloyd Waner's in the past twenty-five years. A true rarity, Lloyd Waner died in 1982 and had only a short time to sign one of these (also the idea of getting Perez Steele cards signed did not catch on among collectors till several years later). The offered postcard has a solid black sharpie ink signature, this contrasts nicely against the postcard and displays well. Who wants to add a truly rare signed postcard from one of the most beautiful and widely collected baseball HOF postcard sets that was ever produced' JSA LOA (full).

Key Lots

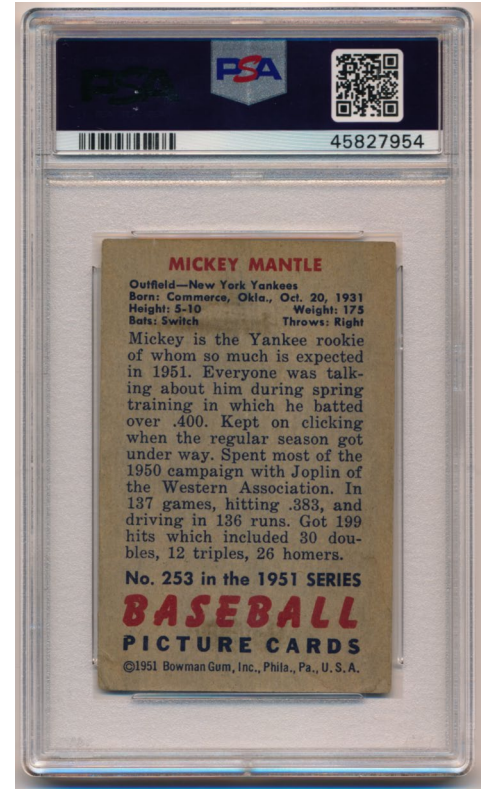

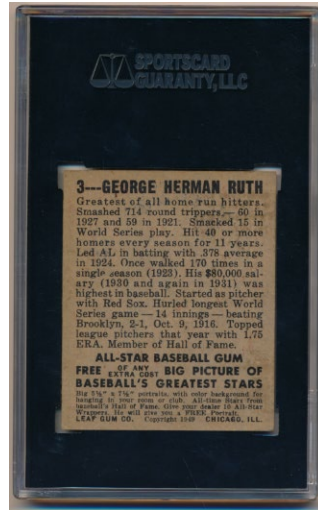

9 1909 E90-1 American Caramel Cy Young (Boston) SGC 4.....1500

A key card from this great caramel set, these do not come around very often. Usually found with major condition issues, the offered card stands apart. A 4 is a very high grade for one of these. The tougher variation of the two E90-1 Cy Young cards, this is the nicest example that we have seen in years. This card has world class centering, rich color and a superb image. The borders are white, the back is clean overall. The corners exhibit mild and consistent wear. There are no visible creases or wrinkles, even under magnification.

10 1933 Goudey 144 Babe Ruth PSA 4.....1500

Classic Babe Ruth card, the market has been on fire for these in recent years. The offered card has admittedly soft corners, but it has other things that stand out. The centering is nearly 50/50 all around, which you just never see. The card has a perfectly focused and registered image. The borders are white, the card has great color and the back is clean. We could not see any creases or wrinkles on the card, even under magnification.

Key Lots

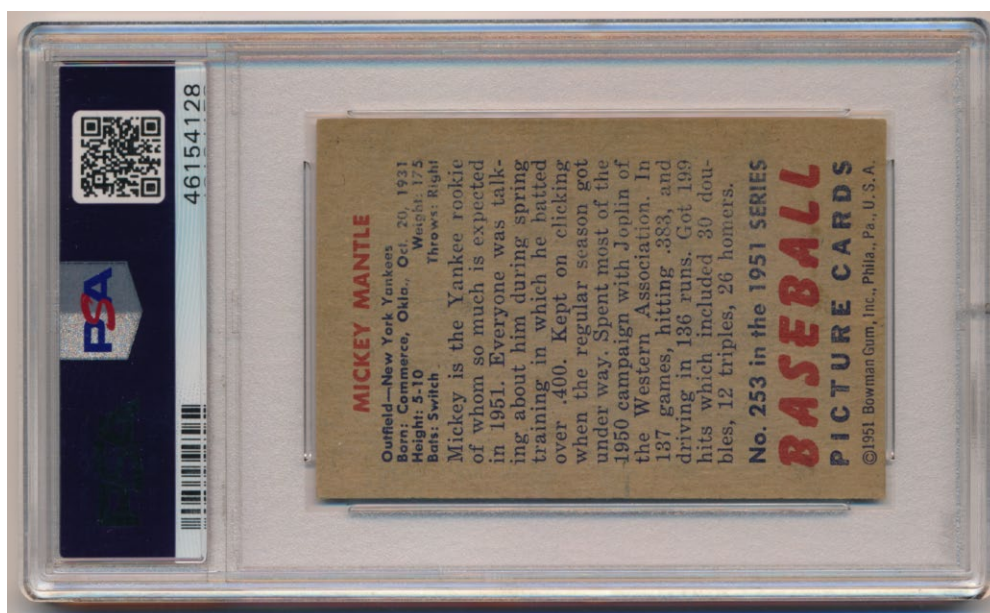

13 1948 Leaf 3 Babe Ruth SGC 6.5.....1250

Great looking card of Babe Ruth, an absolute key to this hot and widely collected set. The offered card has as fine an image as we have ever seen on one of these. The clarity is perfect, as is the registration. The card retains deep, original color and looks great. The borders are white, the surfaces are quite clean overall, with hardly any wear. Centered mildly to the right border, this has four solid corners. The back is also bright and clean, with none of the print and bleed through issues that are typical for 1948 Leafs. In short, this is a very solid Ex-Mt Plus example of a very popular Babe Ruth card from a key baseball card set.

14 1951 Bowman 253 Mickey Mantle RC PSA 2.5.....1500

One of the hottest cards in the world, this is a true cornerstone baseball card. Awfully nice for the grade, this almost certainly would have been a 3 or higher a few years back. Very clean, the card has no visible creases or wrinkles, centering is almost perfect top to bottom and is mildly to the right border, which is quite good for a 51 Mantle. The image of Rookie Mantle retains bright color and displays well. The borders are clean, the corners are nearly VG. The back is clean. In our opinion, this card is markedly superior to almost all other 2.5s on this card that trade publicly. Freshly graded and new to the hobby, this is a fine looking example of a most vital card.

Key Lots

15 1951 Bowman 253 Mickey Mantle RC PSA 6.....4000

One of the ultimate baseball cards, this is the true Rookie Card of the legendary Mickey Mantle. Freshly graded, this is a solid card. Centered mildly to the left border, the corners all come to points. The borders are clean, the back has no wax. The image of Mantle is bright and colorful and has no print or registration issues. The surfaces are perfectly clean, the card has a fine feel to it. This is a very difficult card to find in a 6 holder, who wants to make a major addition to their collection?

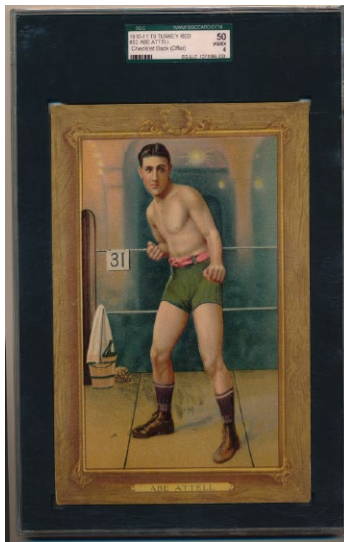

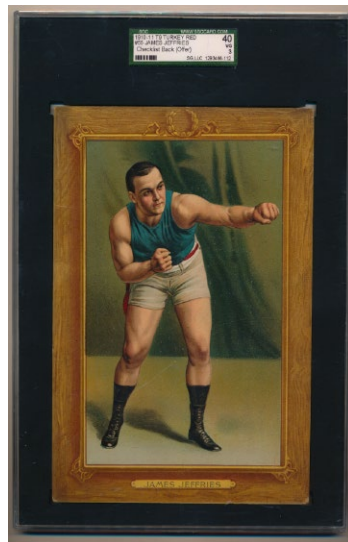

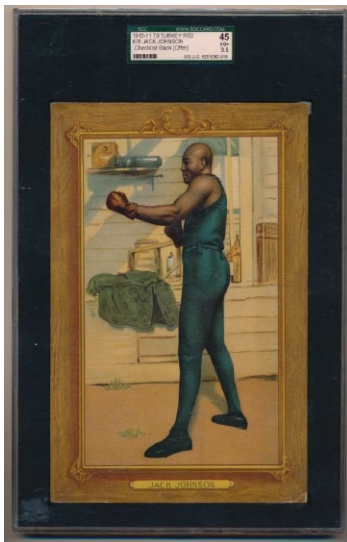

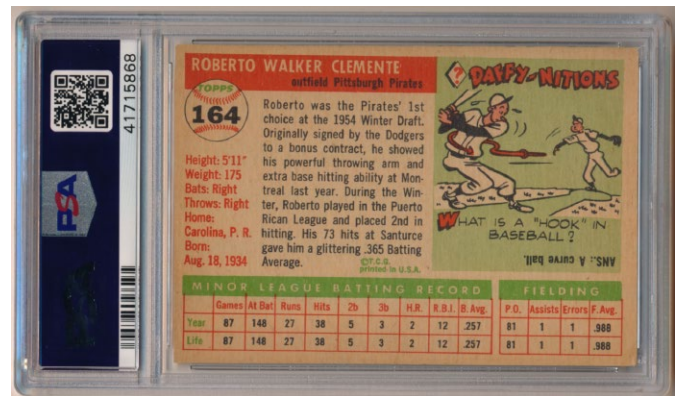

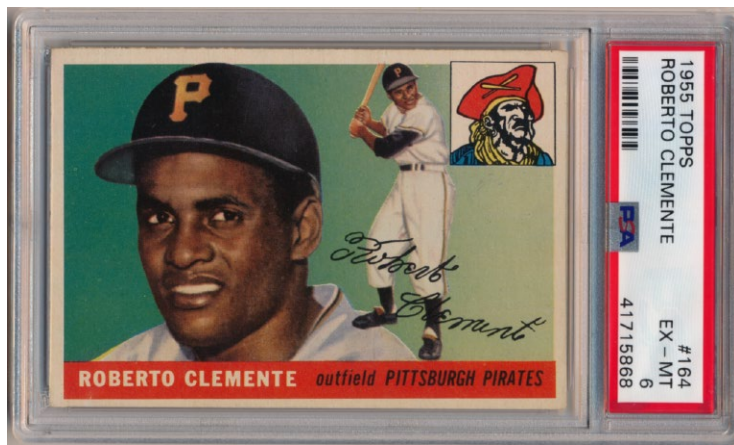

Key Lots

16 1951 Fischer's Bread Labels Complete Set1500

A revered set, it is almost impossible to find a full set, especially in today's market. Profoundly undervalued in today's market in light of their inherent scarcity and beauty, these check in at a hefty 32 pieces. These incredibly fragile original color bread labels are great to add to any advanced 1950s card collection. The offered set was assembled over many years by an extremely skilled and well connected hobby person, the condition is simply fabulous for the issue, with crisp edges and generally terrific color. We will have front and back scans of everything on our website. We sold a set that is two steps below this set in our January 2020 auction for \$4,673. The star content here is as follows: Branca VG+, Hodges VG-Ex, Kell VG+, Kluszewski VG+, Konstanty VG, Lemon VG-Ex, Mize VG, Page VG-Ex, Sain VG-Ex/Ex, Schoendienst VG-Ex/Ex and Wynn VG.

Key Lots

17 1955 Topps 164 Roberto Clemente RC PSA 6 (ctd).....1250
One of the most classic baseball cards, this is a vital Rookie Card. Also one of the most attractive cards of it's era, these are always extremely popular among vintage card collectors. Almost notorious for huge centering problems, this one is special. Centered extremely well, even the back is centered! The color is terrific, the image looks great, the corners come to points. This is an extremely high-end 6 overall to our eyes, one that should trade for a premium over almost all other 6s that come to market.

18 1911 T9 Turkey Red Complete Set, all graded1500
Revered boxing set, these are also great to pair with a T3 baseball set. So hard to find complete, all 26 cards are SGC slabbed. Please note some of the holders have scratches and wear. The exact content is as follows: 51 Jem Driscoll 5, 52 Abe Attell 4, 53 Ad Wolgast 4, 54 Johnny Coulon 3, 55 James Jeffries 3, 56 Jack Sullivan 4, 57 Battling Nelson 4, 58 Packey McFarland 4, 59 Tommy Murphy 4, 60 Owen Moran 4.5, 61 Johnny Marto 3.5, 62 Jimmie Gardner 3 63 Harry Lewis 4, 64 Wm. Papke 3, 65 Sam Langford 2.5, 66 Knock-Out Brown 4.5, 67 Stanley Ketchel 4, 68 Joe Jeannette PSA 4, 69 Leach Cross 2.5, 70 Phil McGovern VG+ (only raw card), 71 Battling Hurley 5, 72 Honey Mellody 3, 73 Al Kaufman 3.5, 74 Willie Lewis PSA 5, 75 Jack O'Brien 3 and 76 Jack Johnson 3.5. Please note these cards have been appreciating in recent years and are still very undervalued in our opinion. In addition to being gorgeous cards, a ballpark current VCP estimate of these as singles is \$6,000. This is a very substantial lot, also a high grade lot for the issue given the prevalence of pinholes and other technical defects that lead to 1 grades for most of these that come back from the grading services. In short, this lot has quality, value, scarcity and beauty in it's favor, the winning bidder should really enjoy this terrific set.

Baseball Cards

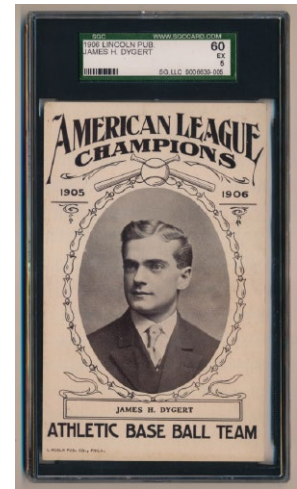

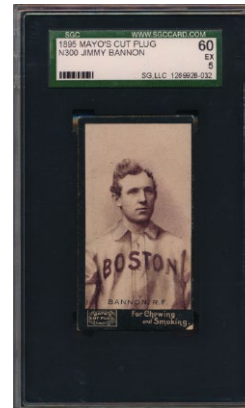

Baseball Card Singles

- 20 1887 N172 Old Judge
Emil Geiss Portrait SGC 3 400

Very tough card, we did not see any public sales for years. The offered card has a beautiful portrait image. The back is clean, the surfaces look good, we do not see any creases; a fair amount of corner wear keeps this at a 3.

- 21 1888 S.F. Hess Buckley SGC 1 250
Very scarce issue, these are missing from even very advanced type-card collections. The offered card nicely showcases its outstanding period color lithographic printing, the image looks great. This grade a 1 due to back damage and a very minute chip in the left border.

- 22 1895 N300 Mayo Cut Plug
Jimmy Bannon SGC 5 500

This is a very high grade card from this extremely condition sensitive issue and will be an upgrade for just about everyone. The image on the card is strikingly clean, the back is perfect, the surfaces are strong. Centered to the right border, wear is only really visible at the lower right corner.

- 23 1906 Lincoln Publishing Philadelphia's
James Dygert SGC 5 150

Scarce and very attractive issue, these are just great looking postcards. Well centered with only slight corner wear, the back is perfectly clean, this looks to be an ideal card for the grade.

1907 Grignon Cubs Postcards

- 24 Mordecai Brown PSA 3..... 250
Extremely attractive and condition sensitive issue, these are usually mailed and/or other have other major condition issues. A 3 is actually a very high grade for this issue. The offered card has terrific color and great period imagery. The back shows hardly any wear, the borders are clean. The corners exhibit mild and consistent wear, there is a minute surface crease or scratch by the upper right corner, this is a very fine looking card overall.

- 25 Frank Chance PSA AA..... 125
Very bright and attractive card, we have examined the card closely under magnification and cannot see any alterations or flaws. We are guessing that pencil was erased somewhere, or suspected of being erased. The card otherwise grades a pleasing VG, with no creases or wrinkles, and mild corner wear only. This might be a mistake, we are not certain.

- 26 John Evers PSA 3..... 250
Extremely attractive and condition sensitive issue, these are usually mailed and/or other have other major condition issues. Very bright and attractive 3, this has a corner line at the upper left corner and one nick in the border by the top right corner. The back is clean, the surfaces otherwise look great. A 3 is actually a very high grade for this issue.

Baseball Cards

1907 Grignon Cubs Postcards

27 Arthur Hofman PSA 2..... 50
Very bright and colorful unmailed postcard. Clean, some very fine and minute creases led PSA to grade this a somewhat harsh 2. The winning bidder should really like this card.

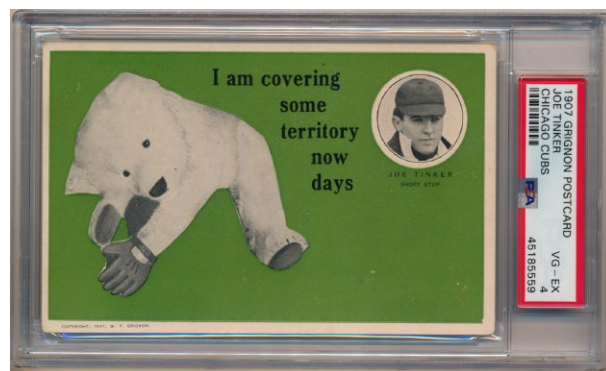

28 Pat Moran PSA 4..... 125
Very high grade for the issue, this has no visible creases or wrinkles. Clean and nice, this has only slight general wear. The back is clean, the color is solid, this is a nice 4.

29 Frank Schulte PSA 4..... 125
Bright and exceptionally clean, this has good color and no visible creases or wrinkles. The back is clean, mild corner wear keeps this at a solid 4.

30 Jack Taylor PSA 4..... 125
Clean 4, has strong color and very clean surfaces. Mild wear at the upper left and lower right corners keep this at a 4. It is very unusual to find this issue in this quality.

31 Joe Tinker (pop 1/1, highest graded) PSA 4..... 375
Extremely attractive and condition sensitive issue, these are usually mailed and/or other have other major condition issues. Exceptional quality for the card, this is a pop 1/1 highest graded, the only one in PSA's pop report right now. Super clean, there are no visible creases or wrinkles, the color is superb, the image of Tinker is not one we have seen on any other card. The back is clean, this is a truly exemplary card for the issue.

32 1907 Wolverine Postcards
Wild Bill Donovan Water Wagon PSA 5.5 100
Another exceptionally clean card from this very desirable postcard issue, the condition is terrific. Fun card with its very funny title, this is unmailed. The image looks great, slight wear on the bottom two corners led to the 5.5 grade.

33 1907 Wolverine Postcards
Schaefer/O'Leary SGC 6 100
Fine postcard, you have to love the great photo of two infielders working together on a double play. The condition is strikingly clean, with perfectly clean surfaces, square corners and a very fresh look and feel.

34 1908 E102 Ty Cobb SGC 1 750
Very early Ty Cobb card, these have been extremely hot in recent years. A scarce card, this example is a presentable 1. Typical extensive corner wear and creasing keep this at a 1. The back, however, has no damage and the card retains good color and a pleasing image. Low grade but not abused, this is a desirable and highly sought after pre-T206 Ty Cobb caramel card that has been appreciating rapidly in recent years.

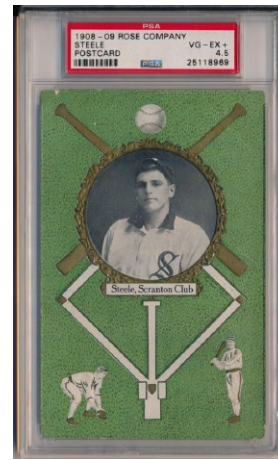

Baseball Cards

35 1908 Rose Postcards Corridon PSA 6..... 250
 One of the most beautiful early 20th century postcard issues, these are also among the most desirable. The offered card is a superior condition example, ideal for a type-card collector or someone who just enjoys quality. Bright and clean throughout, the corners come to points, very slight corner wear keeps this at a superior 6.

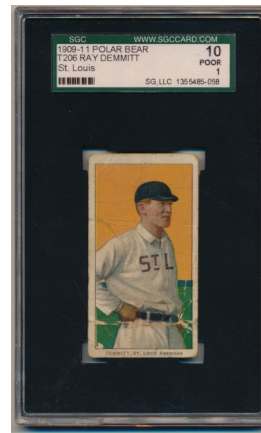

36 1908 Rose Postcards Nicholls SGC 5 250
 One of the most beautiful early 20th century postcard issues, these are also among the most desirable. Very clean overall, slight corner wear at the top two corners keep this at a very attractive 5.

37 1908 Rose Postcards Steele PSA 4.5..... 175
 One of the most beautiful early 20th century postcard issues, these are also among the most desirable. Colorful unmailed postcard has a fine image and clean surfaces, a tiny nick in the border by the upper left corner keeps this at a 4.5.

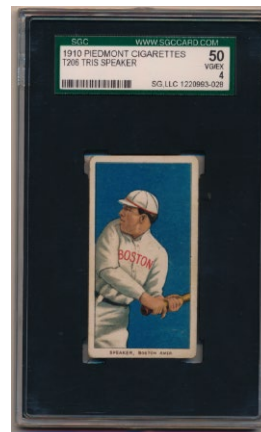

38 1909 Morton's Buster Brown Tigers Pin
 Jim Delahanty NM* 100
 Very desirable pinback issue, these are revered by collectors. The offered pin has no visible wear or chipping, good gloss and bright color. This looks to be a superb Near Mint to our eyes but please note the back is blank, this might be missing the advertising.

40 1909 T206 Demmitt (St. Louis) SGC 1..... 200
 An absolute key to the set, these are missing from most T206 collections. Far from high grade, this card earns its one grade. There is extensive creasing by the bottom border and some creasing above. The back is actually bright and clean, the corners are not bad at all and the card does retain bright color. Low grade but not abused, this is an honest 1 that is perfect for someone who needs this card and does not want to spend a fortune a higher grade example.

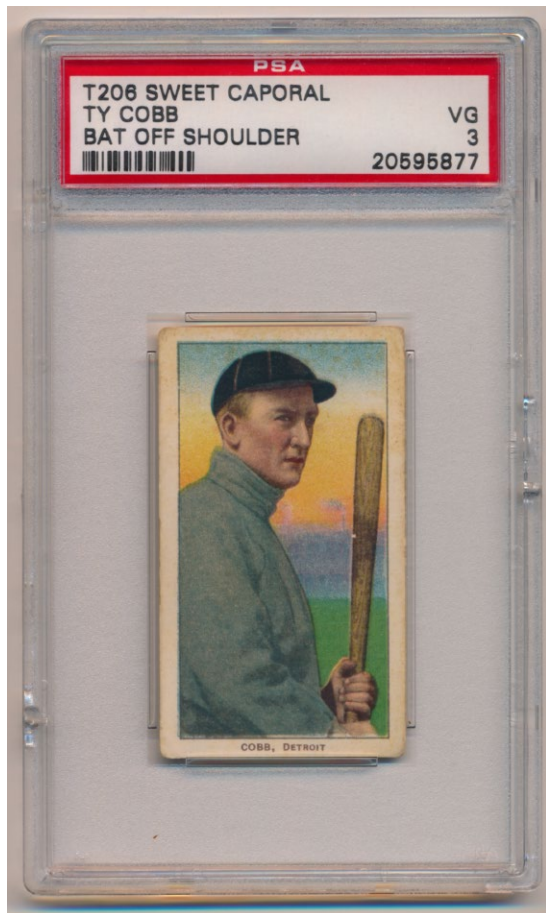

41 1909 T206 Lajoie Batting SGC 5 300
 Another classic T206 beauty, I love the background colors here. Centered slightly to the right border, this has great color and bright white borders. There is slight wear on the left border, the corners show mild and consistent wear. The back is clean. T206 HOFers, especially one with Lajoie's stature, are extremely desirable and difficult to find in 5 holders.

42 1909 T206 Speaker SGC 4 275
 Underrated T206 HOFer, this is a very early card of vital HOFer Tris Speaker. Colorful card has bright white borders and a terrific image, the back is clean. Consistent corner wear is the only issue here, the exceptionally rich color provides for excellent eye appeal.

43 1910 T211 Red Sun Rhoton PSA 2..... 200
 Very tough issue, collectors love the great backs on these cards. This example grades a 2 due to one substantial crease. The crease is much more noticeable on the front than the back, which in this case is a good thing! The back is colorful and vibrant, it displays really well.

Baseball Cards

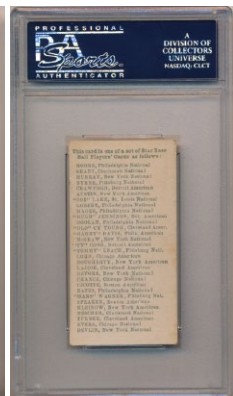

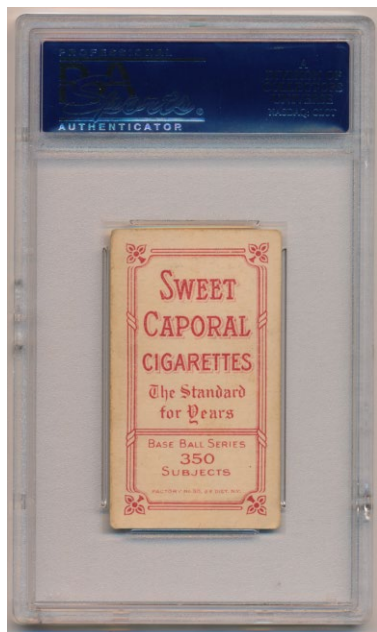

39 1909 T206 Cobb Bat Off Shoulder PSA 3..... 800
 One of my favorite tobacco cards, you have to love the gorgeous pastel background colors. This is a very fine 3, with no visible creases or wrinkles, even under magnification. The centering is terrific, as is the color. The back is a perfectly clean Sweet Caporal 350. The corners show mild and consistent wear, there is some very subtle toning by the top border. This is a truly superb overall 3 to our eyes.

44 1911 D304 General Baking Chance, Frank PSA 1.5..... 250
 Very tough card, this example has terrific centering and no paper loss on the back. Creasing and corner wear keep this at a 1.5, the card retains a terrific image and strong color, the borders are clean, the corners are VG or so.

45 1911 D304 General Baking Lajoie, Napoleon PSA 1.5..... 250
 Fun Lajoie card that does not come to market very often, I like this card. Well centered with good color, the image is very nice. The back has no paper loss, creasing and moderate corner wear keep this at a 1.5.

46 1911 E94 Close Candy Tris Speaker PSA 2..... 250
 Great looking card, this is the kind of two that is sought after by collectors. Well centered, this tough and desirable card has outstanding color and bright white borders. There are no visible creases or wrinkles, the back is clean. The corners are in the Ex range. A truly tiny nick in the right border makes this a technical 2, this will save a collector some real money on a beautiful and scarce card.

Baseball Cards

47 1911 T3 Turkey Red
27 Christy Mathewson PSA 1.5..... 400
Beautiful card, this is one of my favorite images from this revered set. The offered card punches far above its technical 1.5 grade. Bright and clean, the image looks great, the color is superb. The main flaw is a very minute closed tear by the lower right corner. There is also a corner line by the upper left corner and a nick in the top border. The back is also bright and clean. This is an affordable version of a very undervalued key card of the beloved Christy Mathewson.

48 1914 B18 Blankets
Ty Cobb (brown infield) VG-Ex/Ex 100
A key to the set, these are often missing from sets or have major condition issues. Very fine looking item for the grade, this has crisp corners, nice edges and wide borders. The color is vibrant and rich, this has been lightly folded at one time, it otherwise looks terrific.

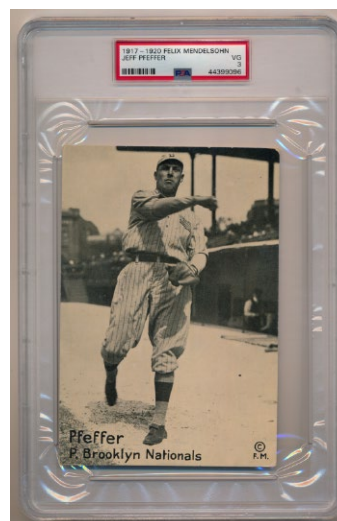

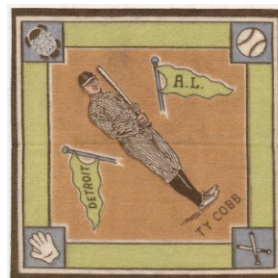

49 1914 Cracker Jack
2 Home Run Baker PSA 2..... 200
A true 1914 Cracker Jack HOFer, these are always very desirable. PSA truly hammered the grade on this card to our eyes. The surfaces are clean, there are no visible creases or wrinkles, the back looks good. The corners approach Ex, there is just very slight staining by the upper right corner. The card retains vibrant original color and a fine image.

50 1914 Max Stein Postcards Walsh, Ed SGC 2.5 .. 250
Great postcard, the composite image with ten views of HOF pitcher Ed Walsh is so creative! There are no creases, the corners are about VG-Ex, the front looks great. Unmailed, the back has some staining that kept this at a 2.5. This very fun postcard displays extremely well.

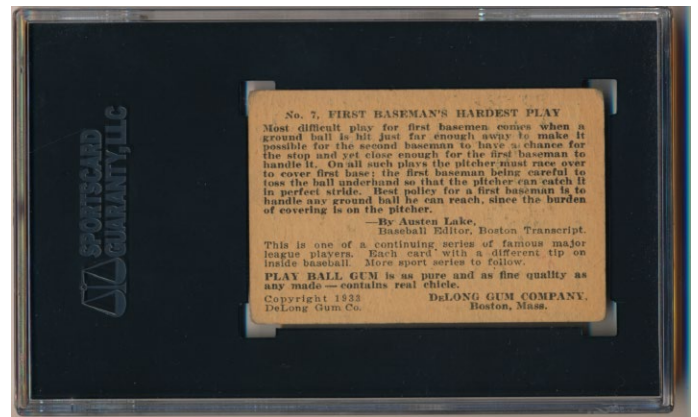

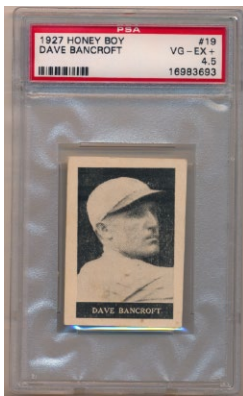

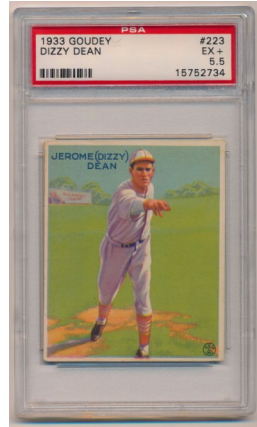

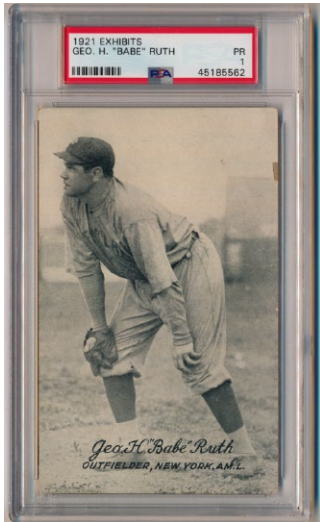

51 1917 M101-6 Felix Mendelsohn
Pfeffer, Jeff PSA 3..... 200
Scarce and extremely attractive oversize issue, these are simply great looking cards. The larger size affords a showcase for some terrific photography. The offered piece is an ideal 3, there is mild corner only; the surfaces are quite clean and vibrant, we cannot see any creases or wrinkles, even under magnification.

52 1917 M101-6 Felix Mendelsohn
Sisler, George PSA 3..... 500
Scarce and extremely attractive oversize issue, these are simply great looking cards. The larger size affords a showcase for some terrific photography. The offered card is a very scarce and desirable super early card of noted HOFer and former .400 hitter George Sisler. A card that hardly ever comes to market, you have to love this fairly unique and large image of Sisler stretched out to make a play. The corners show typical VG wear, there is a slight nick in the left border, the back is clean. Despite its admitted minor condition issues, the image is vibrant and terrific, the blank back is also clean. This is so much nicer than his M101-4 and 5 cards that sell for so much money in today's market.

53 1920 W520 1 3 Babe Ruth PSA Authentic 500
Very tough Babe Ruth strip card, I cannot remember the last time we saw one of these. Colorful card has a higher quality full body pose of The Babe throwing a ball. There is just one fine crease by the lower right corner, the surfaces are clean, the back is fine. The card has a fairly typical cut for a strip card, hence the Authentic grade.

Baseball Cards

54 1921 Exhibit Babe Ruth PSA 1..... 450

One of Babe Ruth's first cards as a Yankee, these have been insanely hot in recent years. I like this card as it has an unusual image of a more svelte Babe Ruth in the field. The card is a 1 due to back issues from scrapbook removal, a crease through the center that does not crack the paper and a minute chip in the right border. With these flaws disclosed, the front happens to look really nice overall, providing exceptional visual appeal for a 1 grade. The winning bidder should be very pleased with this card.

55 1927 Honey Boy 19 Dave Bancroft PSA 4.5..... 250

Very scarce issue, how often do you see these? A HOFer, this has terrific centering and clean white borders. There is one very fine surface crease on the left border that is very hard to discern, the image displays well, the back is clean.

56 1927 Honey Boy 21 George Burns PSA 4.5 150

Very scarce issue, how often do you see these? Well centered with one very, very minute surface crease, the corners come to points, the back looks good.

58 1933 Goudey 223 Dizzy Dean PSA 5.5..... 350

An absolute key to this great set, these have been really hot in recent years. Often found with a miscut or terrible centering, the offered card is somewhat exceptional in that area. The card has a beautiful color image, bright white borders and very clean surfaces. An extremely popular card of a truly beloved HOFer, it will be interesting to see where these trade in a few years. This is not an easy card to find in this quality.

57 1933 DeLong 7 Lou Gehrig SGC 2.5 750

Classic card, this is the key to this revered set and one of the most popular of all Lou Gehrig cards. Offered is a freshly graded 2.5, this card has terrific centering, good color, clean borders and a nice back. Consistent corner wear and some very fine paper creases keep this at a particularly pleasing 2.5. It will be interesting to see where this card trades in a few years.

Baseball Cards

60 Dickey, Bill PSA 5 125
Very clean and fine, the image looks great, the surfaces are perfectly clean. Very slight corner wear appears to be the only issue here, this looks much more like a 6 than a 5.

Fun card, I love the graphic design here. Bright and immaculate, we cannot see any creases or wrinkles. The corners show only slight wear, this is awfully nice for the grade.

62 Frisch, Frankie PSA 5 125
Fine looking image, this has four square corners and perfectly clean surfaces. The corners show only extremely light wear, the 5 grade does look a bit conservative to our eyes.

Fun image of the cult favorite Pepper Martin executing a bunt, this is perfectly bright, crisp and clean. The corners show only extremely light wear, this is an awfully nice card for the grade.

69 O'Doul, Lefty PSA 6 150
Key player and an important person in baseball history, this card has four strong corners, immaculate surfaces and a fine image. Exceptionally clean, the 6 grade honestly seems more than conservative to our eyes.

70 Ruffing, Red PSA 4 100
Clean card, we do not see why it came back a 4. There are no visible creases or wrinkles, there is just one spot of toning at the right border. The image looks good, the corners show only slight wear, the back is clean.

71 Simmons, Al PSA 5 125
Fine 5, this is bright and clean. The image looks great, the background is bright white, the back is fine. There is just slight corner wear visible.

72 Terry, Bill PSA 5 125
Perfectly bright and clean, this looks terrific. The surfaces could not be any cleaner, very slight wear on the bottom two corners keeps this at an awfully nice 5.

76 1948 Bowman 15 Joost PSA 8 25
Sharp card has terrific centering and four sharp corners, very nice.

77 1948 Bowman 18 Spahn RC SGC 7 200
Popular card has a fine image and immaculate surfaces. The corners are all strong, centering to the lower right corner keeps this at a 7.

78 1948 Bowman 36 Musial RC PSA 7 800
Vital card of a beloved player, while not scarce, these certainly do not come around every day in 7 holders. Fresh card, this has a particularly fine image and pristine surfaces. The corners all come to strong points, the borders are clean. Centering to the left border likely kept from grading an 8.

1949 Sealtest Phillies

79 Hamner SGC 7 400
Extremely difficult issue to find, this was a beloved brand for decades in the northeast. Crisp card has four square corners, the surfaces are clean, there is slight toning by the extreme borders in spots.

80 Jones SGC 7 400
Extremely difficult issue to find, this was a beloved brand for decades in the northeast. Great nickname, Willie Puddin-head Jones, this crisp card has four square corners, the surfaces are clean, there is slight toning by the extreme borders in spots.

81 Nicholson, Bill SGC 7 400
A very tough issue to find, especially in a Near Mint 7 holder. Crisp card has four square corners, the front looks great, the back has the slight toning/staining that is typical for the issue.

82 Simmons, Curt SGC 6 350
Scarce issue, the image presents well. The top two corners show slight wear. The neat looking back shows some typical toning/staining for the issue.

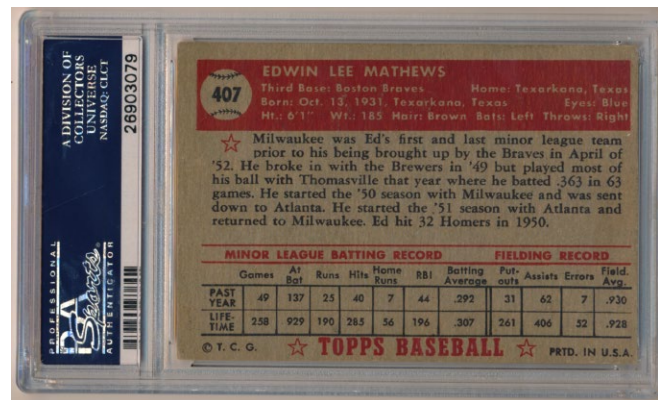

Baseball Cards

84 1951 Bowman 305 Willie Mays RC PSA 3.5..... 1000 Absolutely vital Rookie Card, these have been understandably very hot in recent years. Freshly graded, this card has rich color, white borders and a clean back. Centering is about 75/25 to the right border and 55/45 top to bottom. There are two extremely minute print fragments, the color is good, the surfaces are clean. The corners are not bad at all, they are just shy of Ex.

This card likely would have graded a 4 but there is a faint back crease (the front has no visible creases or wrinkles, even under magnification). This is an almost ideal card for the grade.

93 1952 Topps 407 Mathews RC PSA 3 (amazing centering) 800 Vital card, one of the absolute keys to the great 1952 Topps set. Also a key Rookie Card, these are missing from most collections. This card almost always has major centering issues, the offered card is remarkable as it has nearly 50/50 centering all around! The card also has great color and clean borders. The back looks good, the corners are VG-Ex to Ex. Upon close inspection under magnification, there are some truly tiny surface wrinkles, this card is simply gorgeous for the grade. Who wants to add a true cornerstone card to their 1952 Topps set?

Extremely tough card, I cannot remember the last time we saw or handled one of these. Fun card produced to promote Connie Mack's autobiography, this has no visible creases or wrinkles. The back is clean, the image of Ruth is nice.

The card has some general wear on the front, the 2 grade looks to be a bit conservative. How many of you advanced Ruth and Yankee collectors have one of these?

 So scarce, this is the first clip back 1962 Salada Coin that we have ever seen or handled. Aside from being rare, these are just so cool. The condition appears Near Mint to our eyes, we did not submit this for grading but of course guarantee it's authenticity. The coin has vibrant rich blue borders and a fine image of a very young Yaz. The back is also bright and clean. Yaz is one of the most widely collected players, how many of your advanced Red Sox and Yaz collectors can claim to one of these beautiful rarities?

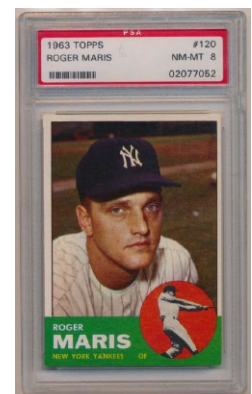

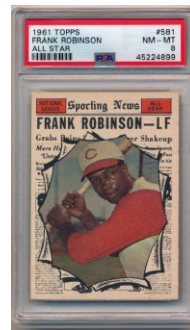

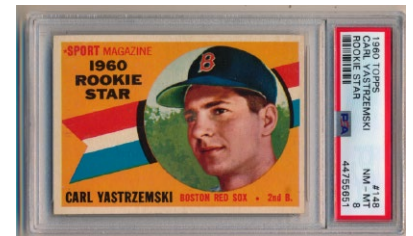

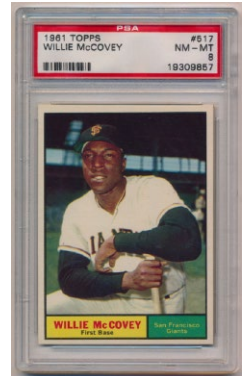

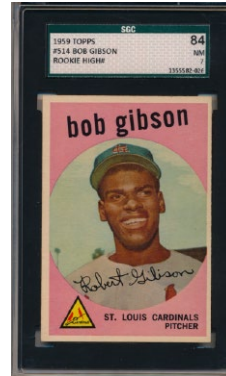

168 1962 Topps 138 Famous Slugger PSA 8..... 50
 So hard to find in 8s, this is centered slightly to the left border with four sharp corners and fine brown borders.

172 1963 Topps 120 Maris PSA 8..... 125

185 1965 Topps 550 Stottlemire PSA 8..... 30
Sharp 8 has superb centering, this will look great in a very high grade set.

186 1966 Bazooka Yaz/White/Aspromonte Full Box PSA 6..... 200
Full box is crisp and clean. The card panel appears to be perfect, with no wear visible even under magnification. Some slight general wear at the top border likely led to the 6 grade, this is a fine looking box.

187 1967 Topps 30 Kaline PSA 8..... 15

188 1967 Topps 103 Mantle Checklist PSA 8..... 25
Extremely well centered with four sharp corners, this is a strong 8.

189 1967 Topps 242 Aaron/Clemente LL PSA 8.... 25

190 1967 Topps 569 Rod Carew RC PSA 8..... 500
Key card from one of the most widely collected Topps sets, high grade Carew Rookies are always desirable. This card is a particularly fine 8, with note to strong centering, bright white borders and great color. The image is crystal clear, the corners are all quite sharp.

191 1968 Topps 40 Denny McLain PSA 9..... 21
Popular card from the last 30-game winner's historic season, this has four Mint corners.

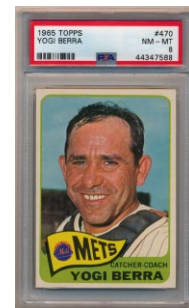

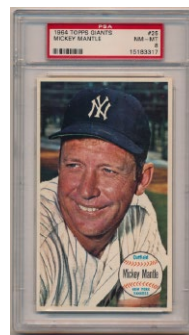

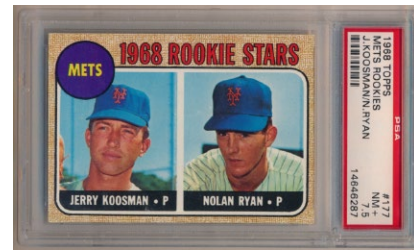

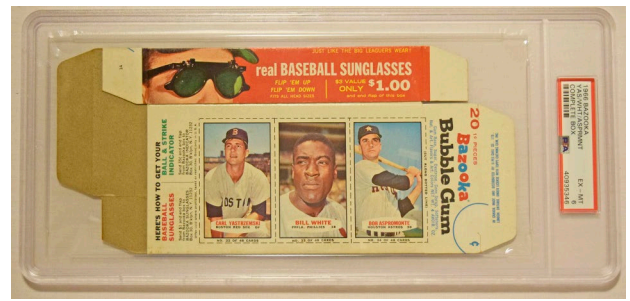

192 1968 Topps 177 Ryan/Koosman RC PSA 7.5..... 500

The kind of 7.5 that everyone loves, this example has outstanding centering, rich color and perfect image quality. The surfaces are perfectly clean. The corners come to solid points but are not quite razor sharp, entirely appropriate for the grade. This card would likely be a significant upgrade for most of your 1968 Topps sets, and of course will fill a vital hole in any high grade slabbed Rookie Card collection.

193 1969 New York Boy Scouts Bobby Murcer (rare) SGC 5..... 150
Rare card that hardly ever comes to market, most collectors only know of the Met cards from this set. This b/w card is quite crisp and clean, centering to the right border keeps this at a very pleasing 5.

194 1969 Topps 375 Killebrew PSA 8..... 19
His MVP season, this example has exceptional centering and four strong corners.

195 1969 Topps 550 B. Robinson PSA 8..... 15

196 1969 Topps White Letter
500 Mantle PSA 5..... 350

Scarce and undervalued Mantle variation, these are truly hard to find, especially in a 5 holder. The offered card has bright white borders and a perfect image. The corners come to points, the centering is superior to most of these that come to market. The card has some general wear, this is visible on the back. How wants to fill the key hole in their master 1969 Topps set or add to an advanced Mantle/Yankee collection?

197 1973 Topps 615 Mike Schmidt RC SGC 8.5 . 150
Superb condition Mike Schmidt Rookie, this example has perfect centering. The corners are all quite sharp, a flick at the upper left corner likely led SGC to split hairs and grade this an 8.5. The borders are bright white, the color is terrific, the condition is very strong.

1973 Topps Pinups

198 Allen, Dick PSA 5 75
Tough card, this has four square corners. The surfaces are clean, this could benefit from a new PSA holder, the 5 grade appears to be very conservative.

199 Davis, Willie PSA 5 60
Scarce issue, this has four square corners that exhibit only very slight wear. Centered to the right border, it is not clear to us why this did grade at least a 6.

200 Killebrew PSA 5 150
Fun card of a very popular and widely collected player, this really has to be in any serious Killebrew or vintage Twins collection. Really nice, the card retains four square corners, has fine color and very clean surfaces. As with the others in this run, the 5 grade seems awfully conservative.

201 Marshall, Mike PSA 5 60
Almost identical to the other cards in this run, this is centered mildly to the right border with four square corners.

202 May, Lee PSA 6 60
Sharp card has four square corners and is reasonably well centered.

203 Perry, Gaylord PSA 7 150
HOFer, this is centered to the right border. The corners are quite sharp, this card is the only Near Mint 7 in this collection.

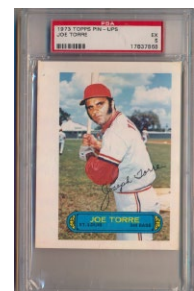

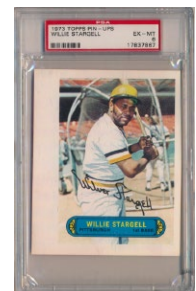

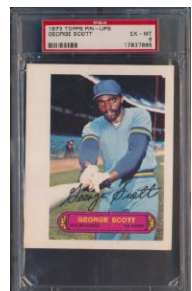

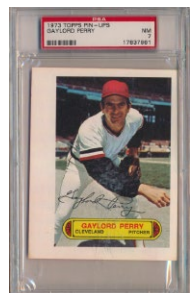

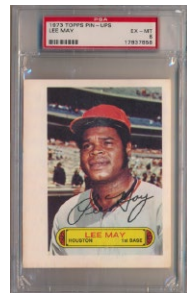

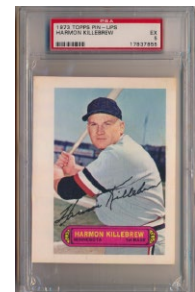

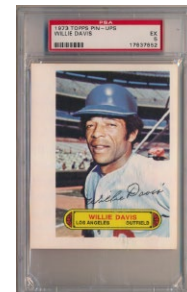

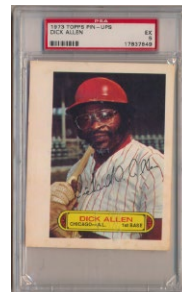

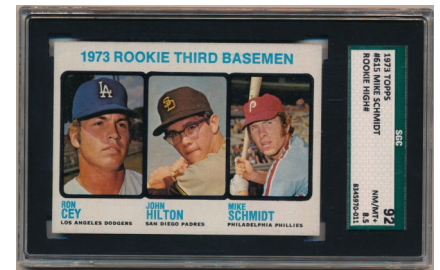

204 Scott, George PSA 6 60
Very tough card of The Boomer, this has four square corners and looks to be a very high-end 6.

205 Stargell PSA 6 150
A key oddball Willie Stargell card, how many have one of these? Offered is a very sharp looking 6 with four solid corners. The image and surfaces are quite clean, this is centered mildly to the right border.

1973 Topps Pinups

206 Torre, Joe PSA 5 75
Very unusual Joe Torre card to find, this is reasonably well centered with four corners that come to points. As with many other cards in this run, the 5s look a grade low to our eyes.

207 1975 Topps 228 Brett RC PSA 8..... 60
Reasonably well centered, this has four sharp corners, rich color and no chips in the white borders.

Baseball Card Sets, Lots & Various

209 1909 S74 Silks White
 17 different w/Baker, Chase & McGraw 200
 Pleasing lot of these very attractive silks, we will have front and back scans of the whole lot on our website. The condition appears to be Ex overall to our eyes but these are a tricky issue to grade. The cards tend to have a bright sheen and display well, please consult the scans for more detail. An exact inventory is as follows: Home Run Baker, Bates, Chase, Doolan, Doyle, Elberfield, Graham (Rustlers), Knight, Konetchy, McGraw, Murray, Oldring, Parent, Payne, Snodgrass, Stone and Titus. Please note a Hal Chase in an SGC 4 holder alone sold for \$300 at one time.

210 1909 T206 38 different commons GVG..... 285
 Pleasing lower grade lot of T206s, everything is pictured front and back on our website. There is one Tolstoi back, the others are fairly basic. The condition ranges mainly from Good to GVG, these tend to have good color and display well.

208 2011 Topps Traded Gold
 Mike Trout RC
 PSA 9..... 400
 The best player in baseball, his key cards are extremely desirable. Offered is one of his better Rookie Cards, a 2001 Topps Update Gold. This card has Mint gold borders and four razor sharp corners. Centering is outstanding, this looks to be a very high-end 9 if there is such a thing. Pricy card, these tend to trade in the \$2,000 range.

211 1910 P2 Sweet Caporal Pins
 10 different Tigers w/Cobb & Jennings Ex-Mt 150
 Fresh unpicked lot, these came from an old-time collector. Condition averages a solid Ex-Mt overall to our eyes, these present very well. The lot is anchored by a Cobb small letter variation and a Jennings large letter variation.

Baseball Cards

212 1914 B18 Blankets Lot of 9 Detroit Tigers
Brown Infield Variations Ex+ 150
Clean lot, everything will be pictured on our website. These are the tougher brown infield variations, these can sell for \$150 each as singles. The content is as follows: Del Baker, Paddy Bauman (Baumann), Tioga George Burns, Marty Cavanaugh (Kavanagh) (2), Harry Coveleski, Ray Demmitt, Del Gainor and George Moriarty.

213 1914 B18 Blankets
94 different w/Ty Cobb Ex-Mt 375
This lot is a very solid portion of this classic and unique set, these are nice blankets. Condition looks to be about 70% Ex-Mt, the balance are mainly Ex, some will have very subtle stitch holes. A substantial lot, we will have an exact inventory on our website. These better blankets come in the lot: Sam Agnew (purple basepaths), Jimmy Austin (purple basepaths), Johnny Bassler (purple pennants), Frank Chance (brown pennants, blue infield), Ty Cobb (white infield), Chick Gandil (green pennants), George Gibson (purple pennants), George Gibson (red pennants), Earl Hamilton (purple basepaths), Ham Hyatt (red pennants), Joe Kelley (Kelly) (purple pennants), Ed Konetchy (purple pennants), Rabbit Maranville (white infield), Mike Mowrey (purple pennants), Burt Shotton (purple basepaths), Bill Steele (purple pennants), Jim Viox (purple pennants), Zach Wheat (green infield), Possum Whitted (purple pennants) and, Gus Williams (purple basepaths).

215 1923 W515-1 Full Original Strip of 10 w/Speaker
..... 150
Desirable full 1920s uncut strip, this one has HOFers Tris Speaker, Casey Stengel and Ross Youngs, along with other fun cards. Bright and clean, there is only damage to the card on the left border. The back is clean otherwise, these look terrific. Quality uncut 1920s baseball card strips have utterly disappeared from the hobby because of slabbing.

216 1929 R316 Kashin
52 different w/13 HOFers VG - VG-Ex 300
A substantial portion of the set, these are pleasing low to mid-grade cards, much more like VG-Ex than VG overall, with mild variance both above and below these grades. Some cards have typical back issues, the backs however are clean overall. These HOFers come in the lot: Combs, Gehringer, Goslin, Grimes, Hoyt, Lindstrom, Maranville, Roush, Sewell, Simmons, Terry, Vance and P. Waner.

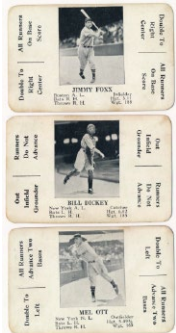

217 1931 W517 Fred Lindstrom
Original Artwork & Card 250
From the great Bob Bostoff collection, this is a true one-of-a-kind original artwork. Very nice image, this measures nearly 5x7 as matted. With bright, original gloss, the image quality is terrific. The artwork is smartly matted and framed with HOFer Lindstrom's original W517 card, total size 16x13. The only recent sale we saw for a W517 artwork was a Bob Meusel for \$460 in 2016; as a HOFer, this should trade for at least twice that.

Baseball Cards

218 1935 R309-1
5 different Tigers w/Cochrane & Greenberg..... 150
One of my personal favorites of the 1930s premiums, these terrific oversize cards display so well. It is great that these all have images that are not on many cards. The offered lot is from a long-time collector and is a very pleasing mid-grade condition overall. As singles, these can easily run over \$1,000 if you can even find them. The lot contains Auker, Cochrane, Greenberg, Fox/Goslin/Walker and Rowe.

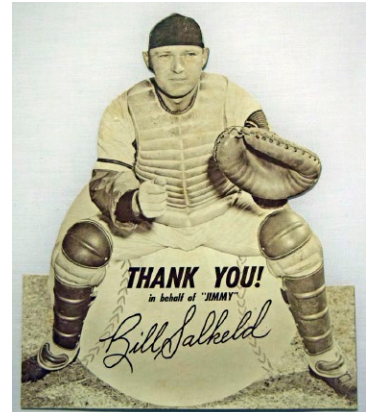

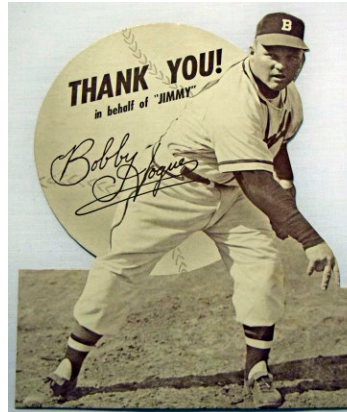

219 Collection of 13 1930s Baseball Player Flipbooks .. 50
Interesting lot, our consigner believes this to be a full set. These are a clean mid-grade condition overall. Charming items that are evocative of another time, the players are not identified. Perhaps some very advanced photo collectors and 1930s baseball fans can identify these; there is a left-handed number 9 batter that may well be Lou Gehrig, the other players do look familiar. This is the first time we have seen such a large group of these, this could possibly be something special. We are going to start these at a ridiculously low minimum bid to make things interesting.

220 1936 National Game
Complete Set w/original box Ex-Mt 175
Loaded with 19 HOFers, this small set varies a bit, but is about Ex-Mt overall. This includes the original box and three rule cards. We hardly ever see these with the box.

221 1947 Exhibit Collection of 171 w/stars 150
Binder of exhibit cards, these are a nice mid-grade condition overall. This is a good start on a set with many HOFers and secondary stars. These better cards come in the lot: Banks Script, Beggs, Yogi Berra (MADE), Campanella, Ford Pitching, Hodges B on Cap, Kaline Portrait w/2 Bats, Mays Batting, Musial Kneeling, Reese, Ball Partial, F Robinson, B Williams and Yankees 1950. Also included is a 1939 Salutation Feller and three 1962/3 Stat Backs.

222 1948 Leaf Wrapper 200
Extremely scarce and desirable wrapper, this is perfect to pair with your prized 1948 Leaf set. The edges have slight wear at the fold lines, this retains good color and eye appeal. The back is clean, there is a closed tear by the lower left corner.

223 1949 Jimmy Fund Boston Braves Die-Cuts
Hogue w/orig. envelope NM 150
Such a neat issue, the images do not do justice to these great looking 11 inch tall die-cut cards. With the original mailing envelope, this is a great card to add to an advanced type-card collection. The original easel is flat and unused, this shows hardly any wear and grades Near Mint overall in our opinion. As this is a pitcher and the next lot a catcher, these would great paired together in the right display, framed or otherwise.

224 1949 Jimmy Fund Boston Braves Die-Cuts
Salkeld w/orig. envelope NM 150
Such a neat issue, the images do not do justice to these great looking 11 inch tall die-cut cards. With the original mailing envelope, this is a great card to add to an advanced type-card collection. The original easel is flat and unused, this shows hardly any wear and grades Near Mint overall in our opinion.

Baseball Cards

225 1950 Bowman
 Near-Set (232 different) w/Williams & Berra GVG/VG 400
 Very close to a set, this is missing only 20 cards. An honest lower grade set, only a few cards are hammered, most display well for the grade. These better cards come in the lot: 1 Mel Parnell RC, 3 Dom DiMaggio, 6 Bob Feller, 8 George Kell, 11 Phil Rizzuto, 19 Warren Spahn, 21 Pee Wee Reese, 23 Newcombe RC, 33 Ralph Kiner, 35 Enos Slaughter, 39 Larry Doby, 40 Bob Lemon, 43 Bobby Doerr, 46 Yogi Berra, 58 Carl Furillo, 62 Ted Kluszewski, 75 Roy Campanella, 77 Duke Snider, 84 Richie Ashburn, 98 Ted Williams, 112 Gil Hodges, 139 Johnny Mize, 148 Early Wynn and 219 Hank Bauer RC.

226 1950 Royal Desserts
 Collection of 29 w/stars GVG 250
 Larger lot of this uncommon issue, there are 16 different cards of the 24 in the set. Condition is lower grade, the cuts are not terrible, the condition is fairly typical. These cards are in the lot: 2.1 Pee Wee Reese (2nd paragraph begins Pee Wee's), 3.1 George Kell (2nd paragraph ends in 1945, '46.), 4.1 Dom DiMaggio (2nd paragraph ends during 1947.) Please note the value here as singles can approach \$1,500.

228 1952 Bowman
 135 different w/some stars & 15 high #s Ex-Mt.... 400
 Very clean lot, this is over half of this popular 1950s Bowman set. The condition is a crisp Ex-Mt overall, with centering a real strength here. These better cards come in the lot: 2 Thomson, 4 Roberts, 17 Lopat, 21 N. Fox (PSA 6), 24 Furillo, 27 Garagiola, 44 Campanella, 75 Kell, 80 Hodges, 128 Newcombe, 145 Mize, 146 Durocher, 161 Jensen, 162 Irvin, 168 P Roe, 177 Woodling, 240 Loes RC, 241 Parnell and 244 Burdette RC. Three PSA 6 commons are in the lot (40, 169, 201). The condition varies slightly in both directions, there are some beautiful white bordered low numbered cards in the lot. It is very hard to find ungraded cards of this quality from 1952 in today's market.

229 23 different 1950s Red Mans
 w/many HOFers VG-Ex/Ex 100
 Clean lot of these very attractive cards, eighteen have the tabs. These range from 1952-1955 and are a pleasing mid-grade overall. Highlights include 1952 Berra (no tab), Fox, Snider, Spahn, 1953 Fox, Roberts (no tab), Wynn and 1955 Avila, Minoza and two Sniders. Good lot

Baseball Cards

230 1952 Red Man Complete Set VG+ 150
 The first Red Man set, these are always desirable. Offered is a pleasing mid-grade set, only six cards (5 of which are commons) are missing the tab. The set displays well and is reasonably consistent, we grade the keys as follows: 1.1 Casey Stengel VG-Ex/Ex, 2.2 Richie Ashburn Ex-Mt, 3.1 Yogi Berra Ex, 6.1 Larry Doby VG+, 8.1 Bob Feller GVG (no tab), 9.1 Nelson Fox VG+, 9.2 Monte Irvin VG, 12.2 Ralph Kiner VG-Ex/Ex, 13.1 George Kell VG-Ex/Ex, 15.2 Willie Mays Fair, 16.2 Stan Musial VG-Ex/Ex, 17.2 Pee Wee Reese Ex, 18.2 Robin Roberts VG-Ex, 19.2 Al Schoendienst VG-Ex, 20.2 Enos Slaughter VG+, 21.2 Duke Snider GVG, 22.2 Warren Spahn VG+, 23.1 Ted Williams VG+ and 24.1 Early Wynn VG.

231 1952 Topps 252 different w/many lows and semi-highs VG w/nicer 700
 This substantial 1952 Topps lot has a hefty 64 low numbers and 35 semi-high numbers. There are no beat up cards, this is a very pleasing, consistent and attractive offering for the grade. Condition varies mildly in both directions, it would be very difficult to find a more colorful or attractive lot for the grade. There are some secondary stars, the many low numbers and semi-high numbers provide for some very solid breakdown value, This is an absolutely ideal foundation for a nice VG or VG Plus 1952 Topps set, a dealer should also do well with this lot as singles.

232 Fresh Mid-Grade 1950s Collection (273 cards) w/stars 200
 Fresh find, these were in a storage unit for decades. The cards vary mildly in grade, VG-Ex to Near Mint, with many clean cards. 235 1955 Bowman Complete Set VG - VG-Ex 500
 Not a bad set at all, these have been finally getting the respect they deserve in recent years. Filled with a neat run of umpires and many classic HOFers and stars, this is a very evocative set, the final Bowman issue. The offered set varies in grade, and can be simply upgraded if desired. The condition is about 50-65% VG-Ex, the balance is mainly VG, with some Goods. The high numbers are solid, the umpire run is among the high points of the set. The key Mantle card grades Good due to a substantial crease but it retains excellent color, rich brown borders and otherwise fine eye appeal. The key cards grade as follows: 1 Wilhelm VG-Ex, 10 Rizzuto VG-Ex, 22 Campanella VG, 23 Kaline VG+, 37 Reese VG-Ex, 59 Ford Good, 68 Howard RC VG-Ex, 103 Mathews VG+, 134 Feller GVG, 168 Berra VG, 179 Aaron VG+, 184 Mays VG, 202 Mantle Good, 242 Banks VG-Ex, 265 Barlick RC VG+, 267 Honochick RC VG-Ex, 283 Chylak Ex, 303 Conlan RC GVG and 315 Hubbard VG+. In short, this is a perfectly acceptable low to mid-grade 55 Bowman set that displays well.

236 1955 Topps Very Near-Set (199 different) w/many keys VG-Ex..... 250
 Assembled with care, this is a pleasing well centered very near-set (missing less than 10 cards for a full set). Loaded with value, these better cards come in the lot: 1 Rhodes PSA 5, 2 Ted Williams PSA 4, 4 Kaline VG-Ex/Ex, 22 Skowron PSA 5, 28 Banks PSA 5.5, 31 Spahn VG-Ex/Ex, 41 Stobbs PSA 8, 47 Aaron VG-Ex, 50 J Robinson VG+, 124 Killebrew RC GVG, 168 Bauer PSA 6, 180 Labine Ex+, 187 Hodges PSA 4, 191 Stanky PSA 5.5, 193 Sain VG, 198 Rizzuto PSA 5.5, 199 Hamric PSA 7 and 210 Snider VG+ well centered. Baseball Cards

239 1956 Topps Complete Set VG-Ex..... 1000
 Vital 1950s Topps baseball card, this is a true classic. Loaded with colorful star cards, these are always fun to peruse. The offered set is a quality mid-grade set. Clearly assembled with care, the cards look to be about 70% VG-Ex, with some nicer cards scattered about. The balance are almost all a nice VG or VG Plus, there are very, very few really weak cards here. The Mantle came back a PSA 2, the grade is honestly a bit tough, the card has corner wear and a slight back crease, it is nicer than almost any other 2 you will find on a 56 Mantle. Loaded with value, the many key cards grade as follows: 1 Harridge RC VG+, 5 Williams VG-Ex ctd, 20 Kaline Ex, 30 J Robinson VG-Ex/Ex, 31 Aaron PSA 4, 33 Clemente PSA 3.5, 79 Koufax VG+ mc, 101 Roy Campanella GVG, 110 Berra Ex, 113 Rizzuto VG-Ex/Ex, 130 Mays VG+, 135 Mantle PSA 2, 150 Snider Ex, 166 Dodgers TC VG+ ctd, 200 Feller VG+, 240 Ford VG-Ex/Ex, 251 Yankees TC VG-Ex/Ex, 260 Pee Wee Reese VG-Ex/Ex and 292 Aparicio RC VG.

256 1967 Topps High Grade Lot w/some stars (547 cards) NM w/many nicer 300
 Fresh binder of 1967 Topps cards from a mini-find, these are really nice, a Mantle 9 came from this original collection. These cards have a fair amount of duplication and go up to number 453.  Very popular set, these are so nice when they can be found with crisp black borders and vibrant original color. The offered set is not going to set the slabbing world on fire but it happens to be an exceptionally well composed Ex-Mt overall set. The condition is about 70% Ex-Mt or better, the balance is virtually all Ex or Ex Plus, there are no beat up cards here that stood out to us. Centering is also quite good overall for a 71 set. The keys are exceptionally consistent as well for this type of set, we grade them as follows: 5 Munson Ex-Mt, 20 Jackson Ex, 100 Rose Ex+, 160 Seaver Ex-Mt, 250 Bench Ex, 341 Garvey RC Ex-Mt+, 400 Aaron Ex-Mt+, 513 Ryan Ex-Mt, 525 Banks NM oc, 530 Yaz Ex-Mt, 570 Palmer Ex-Mt+, 600 Mays Ex ctd, 625 Brock Ex-Mt, 630 Clemente Ex-Mt ctd, 640 F Robinson Ex-Mt, 650 Allen SP Ex-Mt, 688 Anderson Ex-Mt+, 709 Baylor/Baker RC Ex-Mt+ and 740 Aparicio Ex-Mt. 260 1977 Topps Wax Box (30 packs) Ex-Mt/NM..... 750
 Fine piece, this is an original 1977 Topps baseball wax box. The packs are tight, just one shows obvious wear at the corners. These are in the original box, but the top is loose. We understand that these are really hard to find in the unopened world. Fresh to the hobby, we guarantee the authenticity of the packs.

262 1988 Topps Cloth Uncut Sheet (rare) 150
 The first time that we have handled one of these, we are told that it is a rare uncut sheet. The single cards hardly ever come to market, a set of 121 cards lists for \$1,000 in a 2001 guide that we found; the uncut sheet lists for \$825 in the same guide. The set includes stars Rose, Clemens, Mattingly, Boggs, McGwire, Canseco, Gwynn, Ozzie Smith and a rare Tom Glavine Rookie. An SGC 9 Glavine sold for \$425, a PSA 10 \$835.

261 1978 - 1994 Topps Set Run (14 sets) Nm-Mt 250
 Fresh and fine run of Topps sets, two from the 1990s are factory sets. Complete fresh and unpicked lot, these are from a hobby old timer who does not like grading. There should be loads of 9s and perhaps 10s in these quite sharp sets. The condition is at least NM to Nm-Mt overall with many finer cards. The Henderson and Ripken Rookies are both very well centered and look to be 8 to 9 quality. The 1978 Topps Murray Rookie is a strong Near Mint, the rest of the set is Near Mint overall with many sharper cards and the Ozzie Smith RC is sharp but with typical centering (the 79 set has typical centering issues). The balance of the sets should be Nm-Mt overall.

263 2000 Modern Mickey Mantle Binder w/good content (193 cards) Nm-Mt..... 100
 Clean binder of Mantle insert and related cards, the breakdown value here should be very solid. These all look to be from the mid to late 1990s and are naturally high grade. The lot includes a 2007 set of 42 cards for this 1958 home run title and five refractor cards from the Topps reprint Mantle card run

Signed AT THE TIME in fountain pen, Dickey hardly ever comes around as a player on a quality photo. Signed Best Wishes Bill Bill Dickey, this is a very fine black flowing ink signature.  Tough 8x10 of a very popular HOFer, this is a very uncommon image of Frisch leaping to make a play in a Cardinals uniform. Signed in HUGE VINTAGE blue ink, this is one of the very finest Frisch signed 8x10s that we have seen or handled. Common on a 3x5, he is not at all easy to find on an 8x10.

287 Photo Klein, Chuck 9..... 300
A cult favorite, 1930s Phillie HOFer Chuck Klein died in 1958 at only age 53 and is missing from most autograph collections. Klein sometimes comes around on a GPC, his autograph is rare on a photo of this size. Offered is a fine looking 6 x 9.5 Burk's Frankfurter premium. This is on thick paper stock, not quite cardboard, but definitely could be considered a baseball card. The piece offers a huge image of Klein batting and is signed in bold blue fountain pen ink above his facsimile signature. This has been folded at one time and has some general wear but displays quite well overall. Very nice. JSA LOA (full).

292 8 x 10 O'Malley, Walter 9..... 150
An important if controversial HOFer, O'Malley is not an easy autograph. He comes around from time-to-time on 3x5s and smaller flats, a full signed 8x10 is very difficult to find. Offered is an immaculate b/w portrait, signed in red ballpoint ink. The placement is perfect, this is O'Malleys pen of choice for most of his signatures. D'1979. JSA LOAA.

How often does one ever see a premium HOFer signed on an original Conlon photo? Please note there is a small chip at the upper left corner but does it really matter anyway? JSA LOA (full).

297 8 x 10 Vaughan, Arky (scarce) 9.5..... 150

 Superb 1936 ALS w/2 signatures 9 200
 Connie Mack signatures trade regularly, but how often do you see a full ALS? This fine lot is dated August 4, 1936. Written to a Mr. Stewart, this has a huge and desirable 1930s style Connie Mack signature at the close, Connie also initialed a postscript C.M. The letter has some general wear from age and handling, but the signature and writing are not affected. This is a truly exceptional Connie Mack letter. PSA DNA (full).

 1939 TLS, this has penned notations from former New York Yankee Pat Dougherty at the close. Written in bold period fountain pen ink, Dougherty died in 1940. Of note, Dougherty was a 1903 Red Sox, making him an extremely desirable and pricey autograph as he is needed by both advanced Red Sox and Yankee autograph collectors.

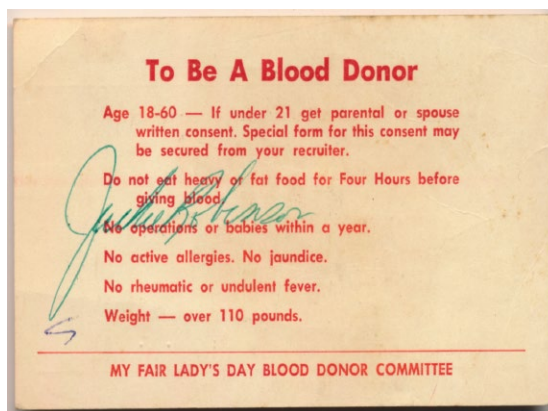

306 Album Page Robinson, Jackie (1960) 9.5 200

All three players have signed this in spotless blue sharpie and best of all, this personally belonged to Whitey Ford and comes with an LOA from him. 321 Gil Hodges 7..... 300
 Rare single signed baseball from this beloved 1969 Mets manager and Brooklyn Dodger star, this is something that hardly ever comes around. The offered lot has condition issues, so it will not be a \$5,000 ball but still will capably fill a most vital hole any serious Mets or Dodger single signed ball collection. The ball itself is a toned ONL Frick ball from the 1947-1951 era, signed and inscribed To Jeff in blue fountain pen. 336 Washington Senators 1960 Old Timers Day Signed Baseball 7 150
Something you hardly ever see, offered is an evenly toned ball. Signed at Griffith Stadium in Washington, DC on August 20, 1960, this must have been a poignant game as the Senators left after the season, with professional baseball not to return to the DC area until the 1990s. The ball has 12 signatures and is noted as belonging to the bat boy. The signatures include HOFers Goose Goslin (on his own panel, displayable as such), Home Run Baker and Sam Rice. The other signatures include General Crowder, Charlie Keller, George Case, Joe Judge, Cecil Travis, Buddy Lewis, Dutch Leonard and Bill Werber. Nice ball, the signatures are in pleasing consistent dark ballpoint ink. JSA LOAA.

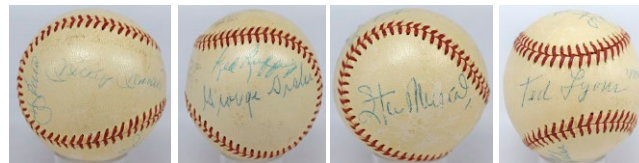

337 1963 HOF Induction Ball w/McKechnie (15 sigs) 8..... 200
Clean Official International League ball, we believe this was signed during the 1963 or 1964 HOF Induction based on the combination of signatures (it cannot be later than 1965 as that is the year McKechnie died). The signatures on the ball include McKechnie, Sisler, Schalk, McCarthy, Faber, Flick, Frisch, Rice, Cronin, Terry, Gehringer and Mrs Babe Ruth and Eddie Collins. JSA LOAA.

513 GPC Skelton, Red (1954) (JSA LOAA) 9 15

514 3 x 5 Temple, Shirley (JSA LOAA) 9.5..... 8

515 GPC White, Betty (1954) (JSA LOAA) 9.5 15

517 3 x 5 1950s In Person Collection (60 pcs) 9..... 75

Charming collection of 3x5s and clean cuts, these were all obtained in person by a remarkable autograph hound named Florence (with many inscribed to her). Everything is dated and notated where it was signed. There could be some buried treasure here, there were many signatures that we could not identify. These are the better signatures in the lot to our eyes: Pearl Bailey, Bud Collyer, Perry Como, Virginia Graham, Hope Hampton, Dorothy Lamour, Ogden Nash and Gena Rowlands.

518 Fresh Early 1950s Country Music
Autographed GPC Collection (150+ pcs) 9..... 300

A very interesting collection of GPCs walked into a show early in 2020. This is a single owner run of signed GPCs and related flats, almost all from 1953 and 1954, some are inscribed. The signatures are in both ink and pencil and are very strong overall. There could be something rare here, we were only able to identify about 25% of the signatures. These appear to be the better signatures in the lot, but given the nature of the collection, we might be off. It is also possible some entertainment and sports autographs could be scattered within the lot. There have been public sales of \$40 and under for these signatures: Boyd Bennett, Floyd Bridges, Cowboy Capas, Martha Carson, Betty Clooney, Tommy Collins, Jimmie Dean, Jimmy Dickens, Darrell Glenn, Sonny James, Homer Jethro, Ann Jones, Randolph Jones, Grandpa Jones, Sammy Kaye, Rose Maddox, Leon Payne,

Minnie Pearl, Buddy Rogers, Red Sovine, Redd Stewart, Mitchell Torok, Merle Travis, Justin Tubb, Ernest Tubb (2), Porter Wagoner (2), Speedy West, Slim Willet and Ginny Wright. Due to the nature of the lot, this is not something we could get authenticated but we would be shocked if there were any issues.

Signed Letters

519 Brynner, Yul (1954 TLS) 8..... 25

Offered is a fine set of four charming and highly evocative 1964 Beatles Dolls, these were made by REMCO and are in their original boxes. Each of the Fab Four is represented: Paul, Ringo, George and John. All appear to have never been removed from their box with each bearing a full head of hair and removable instrument. The boxes do display wear and tears as pictured with the most noticeable being broken cellophane on George, Paul and Ringo; the top of the Ringo box having a separated top panel and break in the cardboard along the top panel of its front window, and a stamp from the original retail vendor on the bottom of the John Lennon box. It is unusual to find these figures as clean as these unboxed examples.

Non-Sports Cards

Non-Sports Cards

535 1870 W50 President & Wives

This is an absolutely ideal foundation for a complete set in this quality.

 Pleasing and colorful Ex overall set, these vary only mildly in grade.

580 1969 Star Trek ABC Complete Set
 Ex-Mt+ 250

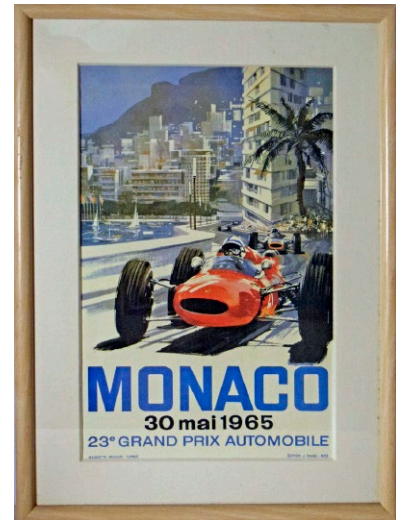

A set we hardly ever, this might be the first one that we have ever handled. Anything Star Trek related from the 1960s is special, trekkies should really enjoy this very well designed 55-card set. This attractive color set showcases scenes from many classic episodes. The cards are strikingly well centered overall, the corners tend to show bits of white but are otherwise fairly solid. Clean set, condition varies only slightly overall.

581 1977 SportsCaster Huge Run
 w/fun content (approx. 1,000 cards) Nm-Mt 75

One of my personal favorite card sets, I find these so fascinating. The condition is terrific, this is a fresh lot. The lot includes many high numbers and better cards, including Paul Newman, Bruce Lee, Babe Didrickson, Jim Thorpe, Wilt Chamberlain playing volleyball, Mario Andretti, John McEnroe, Jesse Owens, Ted Turner, Presidents Carter and Ford playing golf, Rocky Balboa and Walter Kronkite. The set goes into enormous detail for many esoteric sports.

Basketball

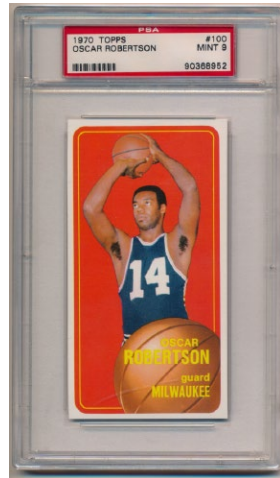

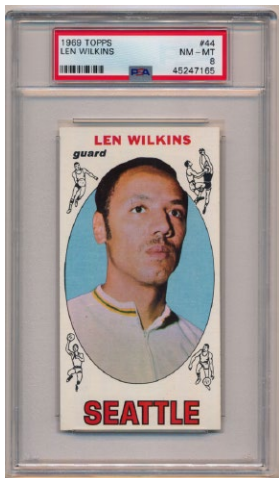

585 1961 Fleer 43 Jerry West RC SGC 7.5 125
 Classic card of Mr. NBA, these are always very popular. The offered card has four very sharp corners, outstanding color and bright white borders. Centered to the right border, this would otherwise surely grade an 8 or higher, but this still looks great as a Near Mint Plus 7.5.

584 1961 Fleer 8 Wilt Chamberlain RC PSA 6..... 850
 Vital Rookie Card of arguably the best player in NBA history, these have been white-hot in recent years. Often found with terrible centering issues, it is not easy to find a Chamberlain Rookie in a pure 6 holder. The offered card has superb color and a perfect image, the color will make this one stand out in a lot. The corners are Ex-Mt and solid, centering is no worse than 75/25 to the lower right corner, possibly a little better. The back is bright and clean, this is a solid 6 overall.

586 1961 Fleer 36 different Ex - Ex+ 100
 Beloved and white-hot basketball set, this is a great start on a set. These fresh and colorful cards vary slightly in grade, averaging Ex to Ex Plus overall, please note three cards have a tiny ink mark by the lower right corner. These better cards come in the lot (nothing has been picked for grading): 1 Atles Ex, 2 Arizin Ex, 12 Embrey Ex++ ctd, 17 Guerin Ex-Mt, 18 Hagan VG, 21 Hundley Ex, 25 Kerr Ex+, 26 LaRusso RC VG-Ex, 29 Lovellette Ex++, 34 Pettit VG-Ex/Ex, 39 Schayes Ex, 44 L Wilkins Ex-Mt, 46 Baylor IA Ex+, 59 Pettit IA NM and 63 Schayes IA NM.

587 1969 Topps 25 Lew Alcindor RC PSA 5 150
 Key card, the market is finally giving this some respect. Not so easy to find even in a 5 holder, this example has four respectable corners and rich color. Centered to the left border, this displays well for the grade.

588 1969 Topps 44 Wilkens PSA 8..... 20
 589 1969 Topps 82 Nelson RC PSA 8..... 15

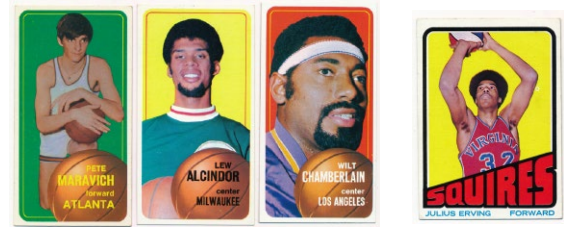

591 1970 Topps 100 Oscar Robertson PSA 9 125
 Mint card of the perhaps the best all around player in NBA history, this looks great. Perfectly centered with four Mint corners, this is fully deserving of its 9 grade.

Basketball

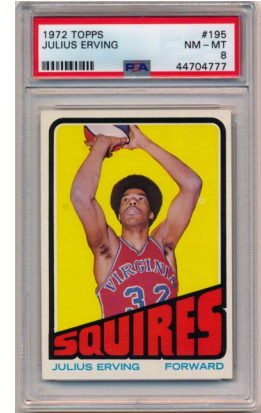

590 1969 Topps Complete Set Ex..... 200
 Classic Topps basketball set, these have been appreciating in recent years for good reason. The offered set is an honest mid-grade set, nothing has been pulled for grading, the condition is reasonably consistent, with some weaker cards and some higher grade cards. Loaded with HOFers and Rookie Cards, we grade the key cards as follows: 1 Chamberlain VG-Ex/Ex, 2 Goodrich RC Ex-Mt, 15 Hawkins RC Ex, 20 Havlicek RC VG-Ex, 25 Alcindor RC VG-Ex/Ex, 43 Bradley RC VG-Ex/Ex, 50 Robertson Ex, 56 Unseld RC VG-Ex/Ex, 60 Reed RC Ex, 75 Hayes RC Ex, 90 West VG-Ex/Ex, 98 Frazier RC VG+ and 99 Checklist Ex+ o/c (unmarked). If you are looking for a clean problem-free mid-grade example of this set, then this lot should fit the bill perfectly.

592 1970 Topps Complete Set NM 200
 Classic set, these have really thinned out over the years. There are 11 slabbed cards, average grade 8. The set is solid, about 60-65% Near Mint, the balance almost all a nice Ex-Mt. We grade the key cards as follows: 1 Alcindor LL Ex-Mt, 2 West LL SP NM, 7 Bradley NM oc, 10 Havlicek SP NM, 13 Riley RC Ex, 24 Checklist NM, 50 Chamberlain Ex-Mt, 65 Baylor PSA 8, 70 Hayes PSA 8 oc, 71 PSA 8.5, 75 Alcindor NM oc, 88 PSA 8, 100 Robertson Ex, 101 Checklist NM, 112 Havlicek AS NM, 120 Frazier PSA 8, 123 Maravich RC Ex-Mt, 134 PSA 8, 137 Murphy RC NM oc, 145 PSA 8, 150 W Reed SGC 7.5, 155 PSA 9 oc and 160 J West PSA 8.

593 Key 1970-1972 Star Lot
 w/Erving & Maravich RCs (17 pcs) Ex+ 100
 Neat lot from an old time collector, these never come around as such. There are 5-6 different key cards from 1970-72 Topps, with note to: 1970 Topps 7 Bradley Ex-Mt, 24 Checklist NM, 50 Chamberlain Ex-Mt, 75 Alcindor Ex-Mt, 101 Checklist Ex-Mt, 123 Maravich RC Ex-Mt, 1971 Topps 55 Maravich NM, 70 Chamberlain VG-Ex, 100 Alcindor Ex+, Ex-Mt+ and 1972 Topps 1 Chamberlain Ex+, 5 Maravich Ex-Mt and 195 Erving RC VG+ (clean w/tiny surface crease).

597 1972 Topps 195 Erving RC PSA 8..... 250
 We had several of these from a mini-find, this is the last card we have above a 6. Bright and pristine, the photo could not be any nicer. The yellow background is immaculate, as are the white borders. Well centered, this has four solid corners and looks great.

601 1972 Topps 255 Erving AS PSA 8..... 30
 Sharp and well centered, which is the key to this card.

603 1977 Sportscaster
 7802 Magic Johnson RC PSA 8..... 125
 Not rare but so undervalued, this is his first card by himself. 10,000 times scarcer than his 80 Topps Rookie Card, the pricing on these just does not make any sense. This card is quite clean and is a fine 8 to our eyes.

604 1980 Topps Bird/Magic RC PSA 8..... 200
 Vital modern basketball card, these have been very hot in recent years. The offered card has outstanding centering and four strong corners. The typical minute print mark by the lower right corner may have kept this from grading a 9.

Basketball

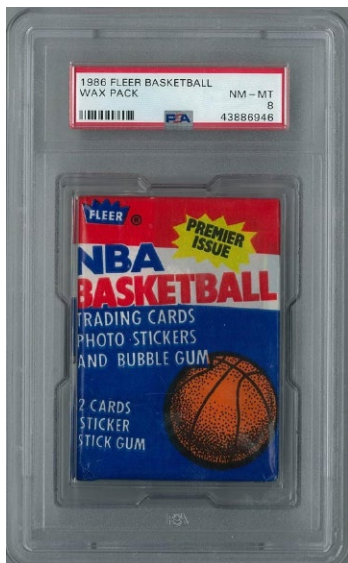

605 1984 Star Court King
Near-Set w/Jordan (25 pcs w/6 HOFers)..... 150
Fun oversize issue, these come in the original bag and are sharp. These look to be Near Mint overall to our eyes. The Jordan came back Authentic Altered from Beckett. The HOFers are Barkley, Jordan, McHale, Olajuwon, Thomas and Worthy.

607 1986 Fleer Complete Set Plus Stickers without Jordan NM to Nm-Mt 200
Vital basketball set, these are always so popular even without the Jordan card. The offered set is a fresh and clean set, we did not pick anything for slabbing. The key cards grade as follows: 7 Barkley RC NM, 9 Bird Nm-Mt, 26 Drexler RC PSA 8, 27 Dumars RC Nm-Mt+, 31 Erving NM, 32 Ewing RC PSA 7, 53 Magic Johnson NM+, 68 K Malone RC NM+, 82 Olajuwon RC PSA 8, 109 Thomas RC NM and 131 Worthy RC NM oc. The sticker set is Near Mint overall and also sharp.

606 1986 Fleer 57 Michael Jordan RC PSA 8..... 800
One of the hottest cards in the world, these have been on fire in recent years. Freshly graded, this is a terrific 8. The red borders show NO WEAR or CHIPPING, the back is also super sharp and clean. This card has four exceptionally sharp corners, consistent with those of a PSA 9. Mild centering to the right border keeps this at an 8, we would be shocked to find a sharper PSA 8 example of this vital card. The image is perfectly clear, the surfaces are immaculate.

Offered are three freshly graded packs from PSA, these are being sold as single lots. These came with the original box. One of the ultimate card sets for which packs are commercially available, these are naturally extremely hot right now with all of the fanfare regarding Michael Jordan. Who is feeling lucky enough to try and pull a Jordan Rookie 8, 9 or 10?

 Lot of very unusual single signed basketballs, we could not find a single public sale for any of these, so something could be very special. The balls are all official and high grade, as are the signatures. Some of these signatures have traded for \$100 on a flat, so this lot is definitely worth reviewing carefully. High grade, all are official basketballs that look great, the content is as follows: Ben Carnavale (HOF College Coach, D'2008), Jack Gardner (HOF College Coach, D'2000), William Pop Gates (early player, D'99), Buddy Jeannette (early player/coach, D'98), Harry Litwack (HOF Temple coach, D'99), John McClendon (important African American coach, D'99), Arad McCutcheon (HOF coach, D'93), Ralph Miller (HOF College Coach, D'2001), Cesare Rubini (Italian coach, D'2011) and Stan Watts (HOF BYU Coach, D'2000). The coin is a pure 24 karat gold coin with fine images of Larry on the front and career highlights on the back. It comes in a very attractive custom case. High Grade Complete Set w/Gretzky SGC 8..... 600

Terrific set, this is a very high grade set. There are 129 raw cards, the rest are all slabbed. An exact inventory will be on our website. The Gretzky Rookie is well centered with four sharp corners and terrific color, it is a very solid 8 to our eyes. The Gretzky card alone can trade for \$1,500 or more, this set should have some very solid value with all of the slabbed cards. There are 8 9s (1 SGC), six 8.5s (3 SGC), one-hundred and four 8s (3 SGC), two SGC 7.5s and thirteen 7s.

762 1985 OPC

Complete Set w/Lemieux PSA 9 150

High grade set, we sent the vital Mario Lemieux Rookie to PSA. It came back a Mint 9, which alone can run close to \$1,000. The set is completely fresh and unpicked, likely fresh from vending as they have that signature curl, the cards are easily Nm-Mt overall.

Interesting lots, these were all obtained in person by someone who worked at the Boston Garden over many decades (with some signed insert cards). Nothing is personalized, the autographs and cards are quite clean overall. The content is from the late 1980s forward, but some early 1980s cards will be scattered about. There can be heavy duplication of some players. Please note only the stars in the lot (approx. 100) have been reviewed by JSA, the remaining cards are being sold strictly as-is but we would be very surprised if there were any major issues.

770 1912 Superb Christy Mathewson - John McGraw Type 1 Photo 700
 Extremely desirable and wonderful piece, offered is a type one photo of perhaps the greatest pairing of pitcher and manager in baseball history. After stealing Christy Mathewson from the Reds (one of the worst trades in baseball history), Matty and McGraw formed one of the great partnerships in baseball history (1900-1916, four World Series Championships), despite completely different backgrounds and temperaments. The offered photo has these two in black uniforms, it is circa 1911 according to the PSA LOA. Possibly from a World Series, we are told that the Giants only wore this uniform for World Series appearances. The photo itself measures 4 x 4.25 and is ideal for slabbing or to use as part of a framed collage if one desires.

Initial bids must be placed by 8 PM EST on Wednesday June 3.

771 1923 Ticket World Series Game 5 VG 200
 Very bright and attractive ticket, this is especially desirable as this was the first Yankee team to win the World Series! The offered ticket has perfectly clean borders, vivid original color and a fresh look and feel. The edges are crisp, the corners are not bad at all. Subtle surface creases that do not crack the paper keep this at VG.

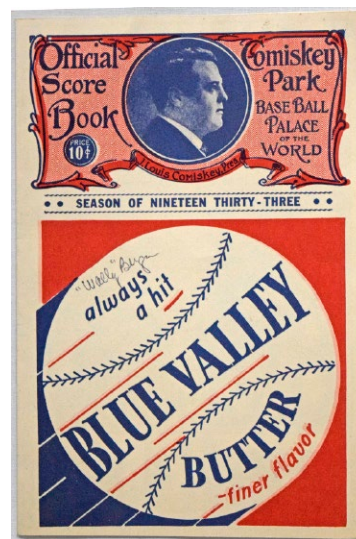

773 1927 Ticket World Series Game One VG+..... 300
 Extremely difficult ticket, I cannot remember the last time we saw or handled one of these. Perfectly separated, this has crisp edges, vibrant color and excellent eye appeal. The corners exhibit only extremely fine wear, there is one very fine surface crease on the ticket that can be felt more than seen. From one of the magical years in baseball history, the Yankees beat the Pirates 5-4 in this game.

772 1926 National League Baseball Jubilee Set in Original Box 700

Offered is one of the most charming and interesting baseball memorabilia items produced during the Golden 1920s. The National League made a big deal out of its 50th anniversary, we believe that this item was given away at a special dinner. In the original box, the top is engraved Golden Jubilee National League Feb 2, 1926. The inside contains two Official Spalding cork center National League baseballs. One is unmarked, the other has 7/8 of an inch diameter images of the five league Presidents: Morgan Bulkeley, A.G. Mills, N.E. Young, Harry Pulliam and T.J. Lynch (it is missing the last two, Tener and Heydler). The balls themselves exhibit some slight general wear as does the box, everything has a perfectly fine and attractive vintage look and feel.

774 1933 First All Star Game Program 400
 Crisp and clean, these are not rare but seem almost criminally undervalued in today's market. The spine is perfect, this is unscored. A truly historic game, this has a signature from player Wally Berger on the front cover. A fine paper wrinkle can be felt but not seen by the upper left corner, this looks terrific.

775 Late 1940s Joe DiMaggio Player Pennant 150
 This beautiful pennant measures 29 inches long. Scarce, this is a late 1940s Joe DiMaggio player pennant; the color is superb, the imagery looks terrific. There is a slight pinhole by the right edge, this is otherwise exceptionally bright, clean and attractive.
