Anchored by an incredible single-owner collection of vintage complete baseball, football, hockey and non-sports sets dating back to the 1930s, this was a true joy to put together.

The key lots in the auction include a superb signed Willie Mays Rookie Card, signed 1953 Topps and Bowman Mickey Mantles, a terrific autographed 1916 Boston Red Sox starting pitchers display with Babe Ruth and a 1988 L.A. Dodger World Series ring.

Other highlights include a T206 Ty Cobb bat off shoulder with a Tolstoi back, T206 Demmitt St. Louis, five 1933 Goudey Babe Ruths, two 1934 Goudey Lou Gehrigs, a PSA 5 1935 Goudey set, 1939 Play Ball Ted Williams, three 1951 Bowman Mickey Mantle Rookie Cards, three 1951 Bowman Willie Mays Rookie Cards, superb 1952 Berk Ross cards of Mantle and Mays (PSA 8, 7), 1952 Star Cal Decal Mantle, a pair of 1952 Topps Willie Mays cards, 1953 Bowman Color Mantle PSA 7, three nice 1953 Topps Mantles and a pair of 1953 Topps Willie Mays cards with a PSA 7.

We continue with a beautiful PSA-graded 1957 Topps set, 1960 Post Cereal Mantle PSA 2, 1948 Bowman George Mikan RC PSA 3, a graded 1970-1 Topps basketball set with 143 PSA 8s and conclude with a 2003 Topps Chrome LeBron James PSA 10.

Vintage card collectors will see a wide variety of scarce pre-World War two cards and key HOFers; we also offer many high grade single cards from the 1950s through the 1970s. We will also have a terrific selection of quality baseball card sets and some key modern cards.

Baseball autograph collectors will see some terrific signed cards, including several Mantles, a signed Hank Aaron RC and a superb 1966 East Hills Pirates signed set with Clemente. Other notable autographs include several items signed by Babe Ruth and Lou Gehrig, a PSA 10 Jackie Robinson cut and several terrific signed photos, programs and baseballs.

Collectors of historical autographs will see a pair of fine JFK signed items. Entertainment autographs feature a super fresh to market Ramones signed 8x10. Non-sports cards include many terrific sets going back to the 1930s, with many unusual pieces that we have not seen until now and a fresh run of 1977 Star Wars first series cards from a vending box.

Basketball collectors will see classic Rookie Cards, several sets and many just great Michael Jordan UDA items, including a basketball, large format book and several terrific signed large prints.

Football collectors will see complete sets dating back to the 1940s, many fine singles up through the current day, quality unopened boxes, a pair of superb signed sets and more. Hockey collectors will see complete sets dating back to the early 1950s, and some neat signed pieces.

Baseball memorabilia concludes the auction. We have fine World Series Programs from the 1920s and 1930s, many desirable tickets also dating back to the 1920s, a Shoeless Joe Jackson full size decal bat and much more. Thank you for taking the time to review our auction, there should be something here of great interest for so many of you.

# Key Lots

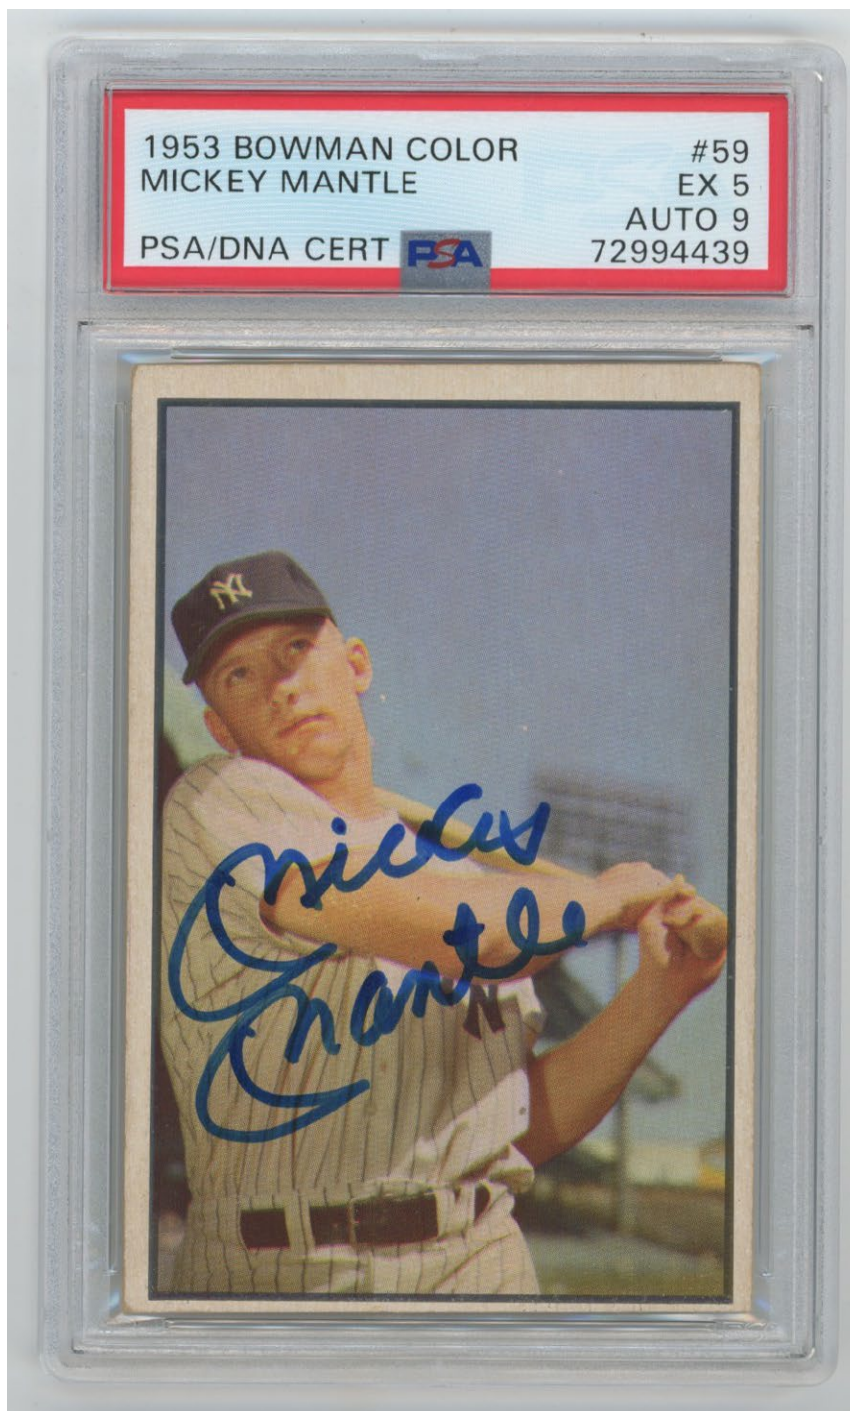

1 1951 Bowman 305 Willie Mays Signed RC w/PSA 10 autograph!

PSA 2.5/10 .....7000

An incredible card in today's market, when these trade, the prices are always huge. Offered is a very nice example, freshly graded and new to the hobby, our consignor had Mays sign this decades ago at a show. Centered heavily to the left border, there is hardly any creasing on the card. The card has good color and a perfectly focused image, the borders are clean. The corner wear is in the VG-Ex to Ex range and also not bad at all. Mays signed this in Mint blue sharpie ink in a perfect spot, this card has everything going for it - happy bidding!

# Key Lots

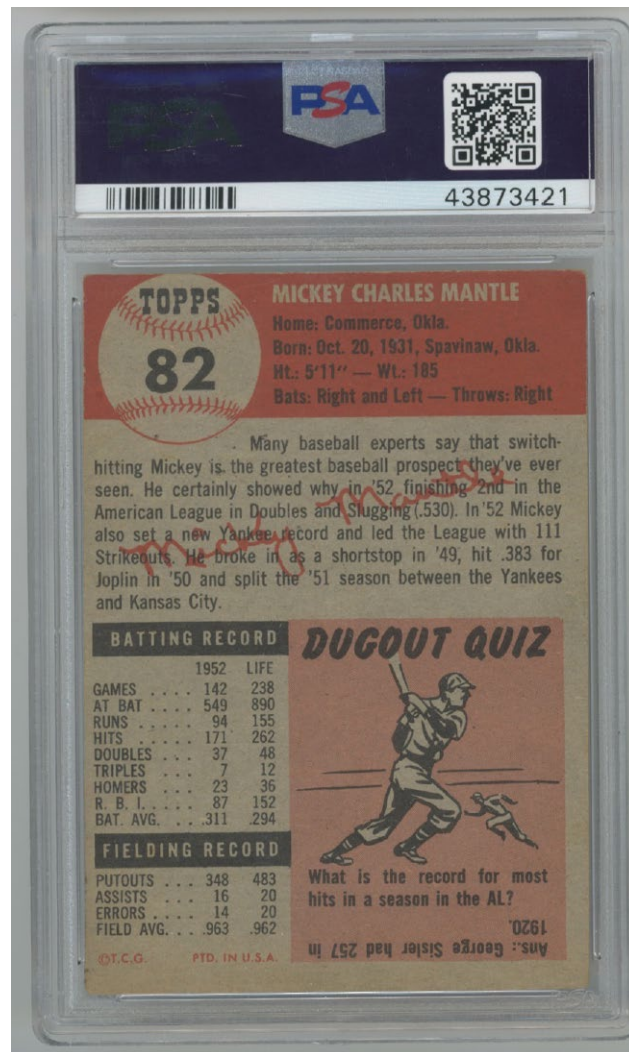

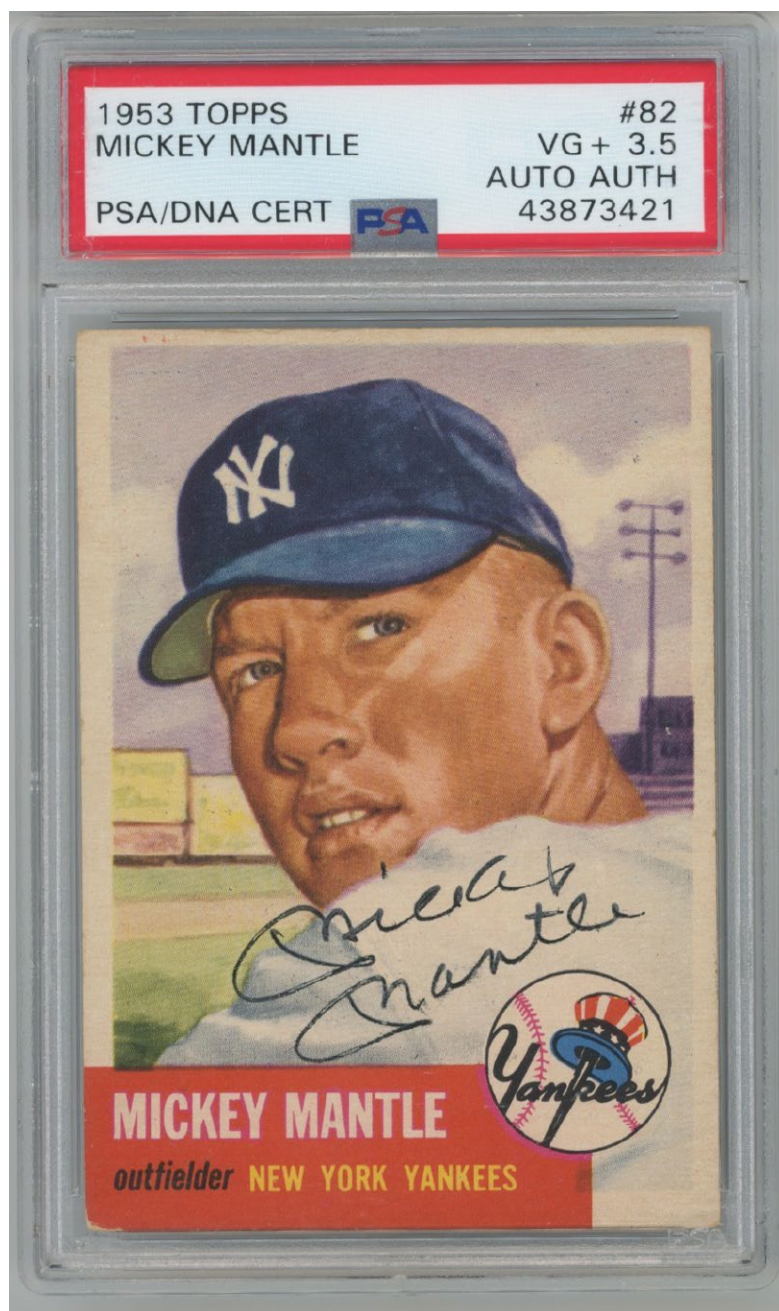

2      1953   Bowman Color   59   Mickey Mantle      PSA 5/9 .....3000

Simply an amazing signed card, this is a real trophy piece. The 1953 Bowman Color Mantle is a classic and beloved card, and always prized by collectors. The offered card is a rare clean combination of card and signature (autographed examples of signed cards are usually found with major condition issues). Signed in bold blue sharpie ink, the autograph is a large and classic Mint Mantle exemplar. Freshly graded, we understand that these dual graded Mantle cards are white-hot in this market, it would be hard to improve on the offered lot!

# Key Lots

3      1953   Topps   82   Mickey Mantle Signed Card      PSA 3.5 .....3000

An awesome card, this is only Mickey Mantle's second Topps card and always one of his most iconic. This has always been a very expensive card, so collectors were very reluctant to have these signed, hence the scarcity. The offered card has quality centering, rich color and a flawless image. PSA graded the card itself a 3.5 and the autograph Authentic. We cannot see any creasing on the card, the wear is light, this displays quite well for the grade. As for the autograph, it is signed in bold and very attractive black ink, it looks really nice.

# Key Lots

4      1916 Boston Red Sox Starting Pitchers w/Babe Ruth!      9 .....2400  
 A great piece, so creative, offered is a smartly composed 21 x 24 framed display. Celebrating the 1916 World Champion Boston Red Sox, an obscure young pitcher named Babe Ruth won his first title that year! This has an attractive image of the five starting pitchers for this team, with perfect quality matted signatures of all five just below. The absolute key here of course is Mr. Ruth, the signature is a strong G.H. Ruth blue ink autograph, likely cut from a check. The other four are Rube Foster, Dutch Leonard (D'1952), Carl Mays (D'1971) and Ernie Shore. We have not seen this until now, this is a terrific and fun piece. JSA LOA (full).

## Key Lots

**5      1988   Los Angeles Dodgers World Series Ring (Terry Collins) .....3000**  
**A desirable ring from a memorable World Championship team, this is a forever famous team thanks to their unexpected win and Kirk Gibson's historic home run in game one. Collins, a future Mets manager, was the director of the legendary LA Dodgers farm system, so he certainly deserved a ring! The offered ring is gold and is a size 10. L68 4 is engraved on the inset. One shank reads COLLINS LA, the other LOS ANGELES DODGERS 1988 WORLD CHAMPIONS. The ring is clean with only slight wear, the face has a lovely Dodger blue gemstone with a real diamond.**

# Key Lots

6      1909   T206   Ty Cobb Bat Off Shoulder      PSA 2 (Tolstoi back!) .....1000  
A glorious card due to the front and back combination, this is recently graded and completely fresh to the hobby. My favorite T206 card, you have to love the stunning pastel imagery here. The offered card has even corner wear and a crease by the upper left corner. The image has terrific color and perfect quality, providing for strong eye appeal. The borders are white, the surfaces are clean, the vital back looks great. An extremely rare and supremely desirable combination, this is one of the best T206 Cobb cards that one can own. A significant T206 card that will greatly enhance the stature of almost any T206 or Ty Cobb card collection, who wants to add a simply great card to their collection?

# Key Lots

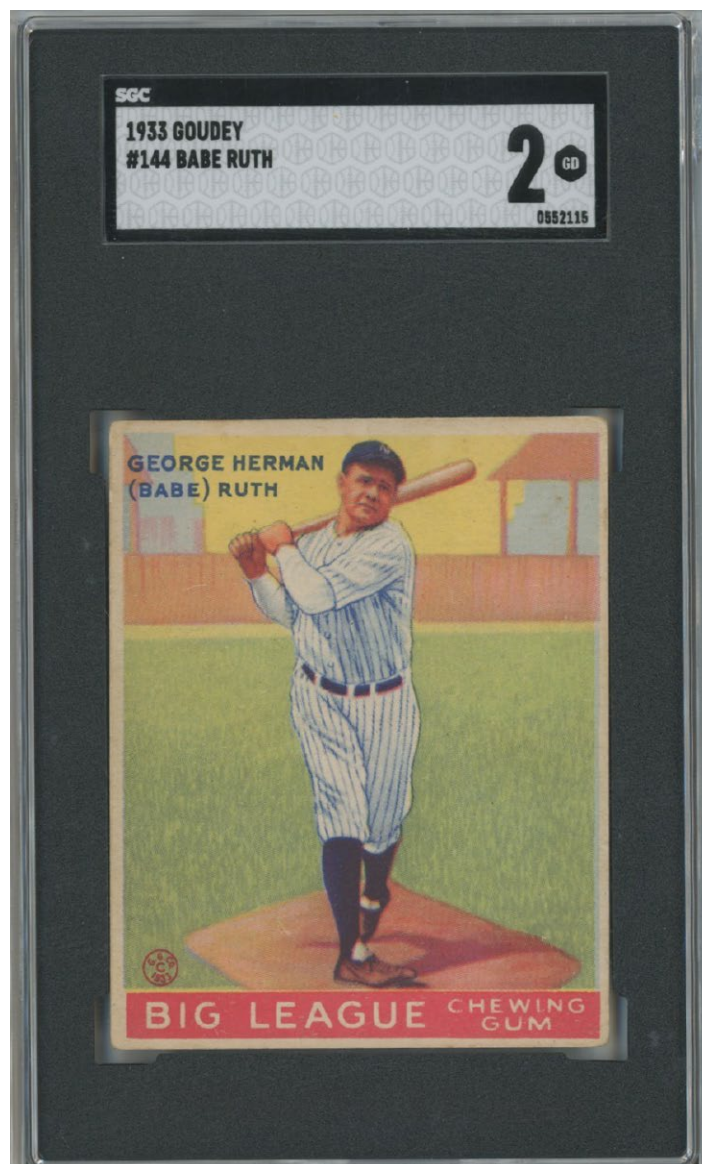

7 1909 T206 Demmitt (St. Louis)

PSA 2 mk .....3000

One of the absolute keys to the T206 set, these are needed by almost all set collectors. The offered card has rich color and a terrific image. The back is vibrant and attractive, two stray letters led to the mk qualifer. Creasing and corner wear keep this at a 2, this is an attractive card for the grade. Who wants to fill a seismic hole in their T206 set?

# Key Lots

8      1933    Goudey      53    Babe Ruth      PSA 1 .....1800

A very attractive card for the grade, this example has gorgeous color and an absolute top quality image. Centered to the left border, the front has some light creasing that does not crack the paper. There is some paper loss and general wear on the back, hence the 1 grade. Freshly slabbed by PSA, the eye appeal here really is tremendous with the beautiful color and image.

9      1933    Goudey      144    Babe Ruth      SGC 2 .....1000

One of the key Babe Ruth cards, this is a strikingly clean and fine 2. Notable for great centering and color, this is an awfully fine card for the grade. The corners show very mild and consistent wear, the borders are white. The back is quite clean, the surfaces as well. There is an incredibly minute surface crease at the top center, and possibly something even smaller on the back. With a strikingly fine image, this is almost a stunningly attractive card for the grade, the winning bidder should really enjoy this little treasure!

# Key Lots

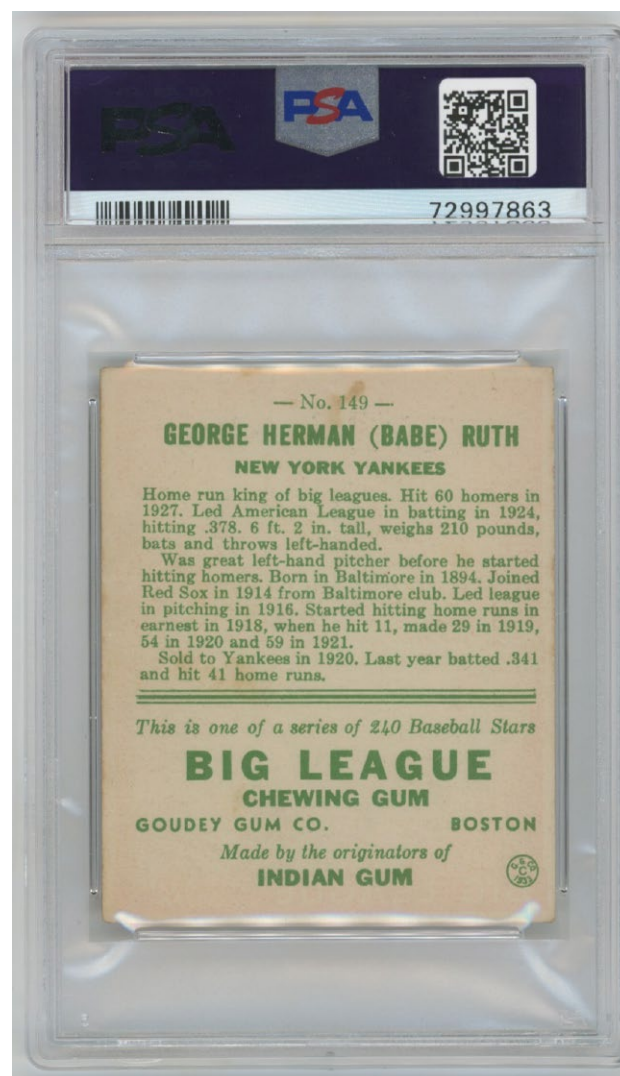

10     1933     Goudey     144     Babe Ruth     PSA 3 .....3000

Reasonably well centered, the surfaces are clean. The back is perfectly bright and clean. The card has some very, very fine creasing that is not easy to see and does not crack the paper. The corners show light and consistent wear, this is an AWFULLY nice card for the grade. Very fine.

**25     1952     Star Cal Decal             Mickey Mantle             PSA A.....1000**  
Offered is a gorgeous and nearly rare super early and super desirable Mantle card. From only his second season, this might be the only card with a color 1951 patch on his sleeve in the image. These are decals issued in an envelope, so PSA does not issue numerical grades for these as far as we know. The offered lot appears to be quite clean, it should probably rate in the 5 range. There are no visible creases, tears or other technical flaws, the color is vibrant. A true treasure of a Mickey Mantle card from only 1952, these are so much scarcer than the Topps and Bowman cards from this era. Who wants to add a great Mantle card to their collection?

There is a corner line by one corner on the back and some very subtle edge wear by the lower right corner. Centered mildly to the left border, this is a very solid card for the grade.

A vital and classic Mantle card, this one is awfully fine for the grade. Reasonably well centered, the borders are clean, the surfaces look great. The imagery is perfect, the back is clean. The corners come to very solid points, we have seen many softer cards than this in 7 holders. Fine card.

315 1957 Kahns Weiners Roberto Clemente PSA 6 ..... 200  
Great early Clemente card, is it me or have these just disappeared from the hobby in recent years? A very condition sensitive issue, a six is a high grade for these. The offered card has a terrific b/w closeup image of Clemente batting. The corners come to points and only show slight wear, the blank back looks great. This is a great card to sock away for a few years.

326 1958 Topps 433 Herrera Error PSA 2..... 800  
A real rarity, we have not had one of these in years. Freshly graded, as with so many PSA subs in recent years, the grade is a bit harsh, we felt that it should be a 3. Often found mis-cut or with hardly any border, the offered card is quite well centered for one of these. The front of the card has rich color and a nice look, there are no creases. The back has wrinkles by one border, it is also pretty nice. Who wants to fill an almost impossible hole in their 1958 Topps set?

327 1959 Bazooka Sievers SP PSA A..... 75  
An extremely tough card, we have not seen one of these in years. The borders look good but are not full, the image is terrific, there looks to be just one subtle crease. Aside from the cut, we would grade this VG, it displays very well.

328 1959 Home Run Derby Ernie Banks PSA 4 mk..... 100  
Great card of the beloved Banks, these hardly ever come to market. From an incredible Cubs collection, a number written on the back led to the qualifier. Well centered with a perfect image, the corner wear is not bad at all. There is extra paper residue at the very top center, this displays quite well overall.

333 1960 Post Cereal Don Drysdale PSA 2 .....300  
Bright and clean, this looks great in the very pricey PSA holder! Hardly graded, this has four sharp corners, fine wide borders and very clean surfaces. There is a truly tiny crease by the lower left corner and some general wear on the back, the winning bidder should really enjoy this card.

334 1960 Post Cereal Al Kaline PSA 2.....300  
A widely collected player, this card is stunning despite its very low grade from PSA. The card has four sharp corners, gorgeous original color and a super fresh look and feel. There is very fine crease by one corner on the bottom and a tiny nick in the bottom border. The back has typical general wear, the 2 grade seems awfully harsh here. The eye appeal here is tremendous, this does look great in its very price PSA holder!

335 1960 Topps 300 Aaron PSA 7.....300  
A tough card in condition, these always seem to have rounded corners, creases and terrible centering. Offered is a fresh and fine 7, notable for rich color and a superb image. The corners are sharp, the borders are white, this looks to be a really nice 7.

- 415 1878 Forbes Company Trade Cards Complete Set of 6, all SGC Slabbed ..... 200

Very attractive and colorful set, these look great in their SGC 1 holders. The backs are blank and probably came out of a scrapbook, leading to the grades. The fronts showcase fine period color lithography and are extremely attractive and fun.

- 416 1887 N28 Allen and Ginter Complete Non-Baseball Set (40 cards) ..... 1200

A great run, missing only the ten baseball players, these are such fun and undervalued cards. A great value in today's market, the superb 19th century lithography really makes these cards pop. We sent four cards to PSA: Cody AA, Kilrain 4, Oakley 2 mk and Sullivan 1.5. Remarkably, only 13 cards in the lot have obvious back issues. The fronts of the cards look great, they appear to be VG to Ex Plus in Card Savers but small technical flaws are usually present on these cards. Either way, the cards have terrific color and eye appeal with the desirable billiards subset. If you are lucky enough to have the baseball card set, this is almost a must-have to complete the full set. A dealer should also be able to have a field day with these as singles, good lot.

- 417 1903 W601 St. Louis Browns w/Jesse Burkett and Bobby Wallace ..... 150

Nice early Browns item, these are such great collectibles. Matted, this displays well, it has a very early appearance of HOFer Bobby Wallace and also includes the very elusive HOFer Jesse Burkett.

- 418 1906 W601 Chicago Cubs ..... 100

Good item that hardly ever comes to market, this fine larger format premium pictures 19 members of the quality 1907 World Champions Cubs team. A prescient item, the center notes the Cubs as Champions for 1907 (which they actually were!). Very clean and fine as presented, this is matted professionally, so we cannot see the blank borders. Striking piece for a Cubs fan, this was the second to last Cubs title until 2016. HOFers here include the unforgettable Tinker to Evers to Chance and Mordecai Brown.

Lot of 72 assorted w/8 HOFers incl. Ty Cobb.....800  
A very substantial lot, these are beautifully presented in a fine custom pin display case. The stars are Cobb, Chance, Cicotte, Clarke (2), Duffy, Griffith, Hooper and Walsh. The pins are quite bright and clean overall, the condition is in the Ex Plus or better range to our eyes. Due to the cases they are in, we did not inspect the backs, but more likely than not, they should be fine.

**421 1912 C46 Imperial Tobacco Complete Set** Good ..... 1500  
An uncommon Canadian issue, singles come up from time-to-time but full sets are quite scarce. Offered is an honest and pleasing lower grade set. The cards range from Poor to VG and are not bad at all. The key cards here are 1919 Black Sox player Chick Gandil, HOFers Joe Kelly and Joe McGinnity, superscout Jack Dunn and Luther Taylor. Nothing has been picked for grading, the backs have no damage. This is an ideal set for a non-condition conscious collector looking to find this very tough issue in complete set form.

Almost always forged, these came from a world class card collection and are the real McCoy! Recently slabbled by Beckett, these are very attractive oversize cards. Hardly ever offered as full sets, the grades are as follows: number one is a 1, number two a 2, number 3 a 3, numbers 4, 5 and 6 are 2s. The backs are all clean, this display well for the grades.

**424 1939 R303-B Complete Set VG to VG-Ex .....500**  
Such an overlooked and attractive set, the larger size affords for such terrific images. Loaded with HOFers and stars, this 24-card set really gives a collector some real bang for the buck! Offered is a pleasing and nicely collected VG to VG-Ex overall set with good eye appeal. We grade the many HOFers in the set individually as follows: Appling VG+, Case SGC 3.5, Dickey VG-Ex/Ex, DiMaggio SGC 3, Feller VG-Ex/Ex, Foxx PSA 3.5, Gomez Ex++, Joe Gordon VG-Ex/Ex, Greenberg VG+ (sepia), Billy Herman VG+, Lombardi VG, Ott VG-Ex/Ex, Simmons VG-Ex/Ex, Vaughan VG-Ex/Ex.

**425 1941 Play Ball 47 different slabbed cards, almost all PSA .....500**  
A nice percentage of this classic set in slabs, this is an attractive lot. The cards are mid-grade, ranging from 1.5 to 6 mc, with four 5s, three 4.5s and thirteen 4s. We will have an exact inventory on our website.

**426 1943 M.P. and Company Complete Set w/graded key cards .....200**  
An increasingly popular oddball wartime set, this is loaded with HOFers and stars. PSA 2 HOFers can sell for \$90, so there is some real value here. The set and cuts vary mildly, it is a pleasing VG to VG-Ex overall to our eyes with some variance. We sent the key cards to SGC and they came back as follows: 2 Lou Boudreau 4, 8 Bill Dickey 3, 9 Joe DiMaggio 2, 10 Bobby Feller 4, 11 Jimmy Foxx A, 12 Hank Greenberg A, 15 Carl Hubbell 4.5, 19 Mel Ott 2.5, 20 Pee Wee Reese 3, 24 Ted Williams 2.5. Full sets hardly ever trade anymore due to slabbing, respectable lot.

**427 1948 Bowman Complete Set .....450**  
An affordable and honest lower grade set, PSA deemed most of the key cards to be Authentics presumably based on the cuts. The Joe Page oddly enough came back a 6. Without respect to the cutting issue, these would grade VG to VG-Ex overall with some variance. The cards display reasonably well, these remain an outstanding value with the key cards, many Rookies, of Berra, Feller, Kiner, Musial, Rizzuto and Spahn.

Classic Bowman set, the offered set is anchored by a well centered Beckett 2.5 of the key Jackie Robinson card. The set varies in grade but looks to be perhaps 40% VG-Ex, the balance half VG, half Good or GVG. The cards are not bad at all, the set could benefit from some inexpensive upgrading. **452 1960 Fleer Complete Set** Ex+ ..... 150  
 A sharp and clean set, in the old days this would have been graded Near Mint. ## 455 1961 Topps Stamps 96 different panels w/25 HOFers .....450

A very substantial lot of these popular stamps, all are full two-card panels as issued. The centering and cuts vary extensively, so we are reluctant to assign an overall grade. There are reasonably well centered pieces, but most are off-center, some are miscut. The HOFer content is terrific with Aaron, Mays, Santo RC, Berra, Banks, Kaline, Musial and Killebrew among much more. This is probably an almost impossible lot to replicate in today's market!

## 456 1962 Shirriff Canadian Coins Complete Set (200 pcs) .....900

A set that you just never see, I cannot remember the last time we saw a full set. Neatly presented in coin pages, these look to be Ex-Mt to Near Mint overall but it can always be hard to tell with small coins. Nothing has been picked for grading, this is missing from even advanced collections.

## 457 1962 Topps Complete Set VG.....400

A deep set with many popular cards, offered is a fairly consistent and nice VG to VG Plus overall set. There is some condition variance and some cards can definitely be upgraded, but this will be perfect for many collectors and dealers. We grade the many key cards as follows: 1 Maris VG, 5 Koufax VG-Ex, 10 Clemente VG+, 18 Mantle/Mays VG, 50 Musial VG+, 53 Mantle LL VG+, 199 G Perry RC VG, 200 Mantle Good, 300 Mays VG, 318 Mantle IA VG-Ex/Ex, 320 Aaron GVG, 360 Berra VG, 387 Brock RC VG+, 425 Yaz VG+, 471 Mantle AS Good, 530 Gibson SP VG-Ex, 544 McCovey SP Poor, 591 McDowell RC GVG, 592 Bouton RC VG+, 594 Uecker RC VG+, 596 Pepitone RC GVG, 598 Hickman RC GVG.

## 458 1962 Topps Complete Set VG+.....400

Loaded set, this has a desirable high number run and a large number of HOFers, Rookie Cards and specials. Offered is a pleasing lower grade set, it averages VG to VG Plus overall with some variance. The high number run is very nice for this type of set. The offered set is very unusual in that so many cards that are found with terrible centering, are actually extremely well centered!, which really enhances the set. We grade the many key cards as follows: 1 Maris VG+, 5 Koufax VG+ (ctd), 10 Clemente Beckett 5.5, 18 Mantle/Mays VG-Ex/Ex (ctd), 50 Musial VG+, 53 Mantle LL VG-Ex, 199 G Perry RC Good, 200 Mantle VG+ (ctd), 300 Mays GVG (ctd), 313 Maris IA VG+, 318 Mantle IA GVG, 320 Aaron VG, 360 Berra VG+ (ctd), 387 Brock RC GVG, 425 Yaz VG, 471 Mantle AS GVG (ctd), 530 Gibson SP GVG, 544 McCovey SP VG+, 591 McDowell RC VG-Ex, 592 Bouton RC VG+, 594 Uecker RC VG, 596 Pepitone RC VG-Ex, 598 Hickman RC VG-Ex.

**460 1963 Fleer Complete Set, All SGC Graded, one of top SGC registry sets ..... 1800**  
An undervalued 1960s set with a clean design, I always liked these. Offered is a very sharp and fine set, this might be the number one SGC registry set. The key cards grade as follows, all are SGC except the checklist: 4 B Robinson 7, 5 Mays 7.5, 8 Yastrzemski 7, 22 Kaat 8, 25 Richardson 8, 32 Santo 7, 41 Drysdale 6.5, 42 Koufax 8, 43 Wills RC 7, 45 Spahn 8, 46 Adcock SP 6, 56 Clemente 7, 59 Mazeroski 8, 61 Gibson 7.5, 64 Cepeda 7, Checklist SP (PSA) 5.

**461 1963 Topps Complete Set GVG ..... 400**  
A key 1960s Topps set with many key cards, this one is strictly a collector grade model. Low grade but not abused, creasing tends to be the issue. The set is perhaps 50-60% VG to VG Plus, the balance is mainly Good and GVG, there is condition variance. Despite these issues, this set still remains a substantial value with the vital Pete Rose Rookie Card and so much more. We grade the key cards as follows: 18 Clemente Special VG+, 120 Maris Good, 138 Mays/Musial Fair, 173 Best/Mantle VG+, 200 Mantle Good, 210 Koufax GVG, 250 Musial VG+, 300 Mays GVG, 340 Berra VG, 380 Banks VG+, 390 Aaron VG, 472 Brock Good, 473 Mets Team Good, 490 McCovey GVG, 500 Killebrew SP Fair, 537 Rose RC Good, 540 Clemente Good, 550 Snider VG, 553 Stargell RC Good,

**462 1963 Topps Complete Set VG-Ex/Ex.... 500**  
A classic set loaded with key cards, this is nicely collected and solid. Ex overall, these vary from VG Plus to Ex-Mt Plus. Perhaps 25-30% of the set is Ex-Mt or better with some very clean cards, the balance is almost all from VG-Ex to Ex Plus. There are no ugly or beat up cards here crying out for an upgrade.

We grade the many key cards as follows: 2 Runnels/Mantle LL Ex-Mt+, 18 Clemente Special Ex-Mt, 120 Maris VG-Ex/Ex ctd, 138 Mays/Musial Ex, 173 Best/Mantle Ex ctd, 200 Mantle VG+ ctd, 210 Koufax Ex, 228 Oliva/Kranepool RC Ex, 242 Banks/Aaron Ex-Mt+ ctd, 250 Musial VG-Ex/Ex, 300 Mays Ex, 340 Berra VG-Ex/Ex, 345 B Robinson Ex-Mt, 380 Banks Ex-Mt+ ctd, 390 Aaron Ex-Mt+, 472 Brock Ex++, 473 Mets Team Ex++, 490 McCovey VG-Ex/Ex, 500 Killebrew SP Ex-Mt cut short, 537 Rose RC VG+, 540 Clemente Ex, 550 Snider Ex-Mt, 553 Stargell RC VG-Ex/Ex.

463 1964 Topps 330 different w/Mantle

VG-Ex/Ex.... 250

A very mixed grade lot, these range from Good to Ex-Mt, averaging VG-Ex/Ex overall to our eyes. There are a fair number of strong Ex and Ex-Mt cards here, this is no junk lot. The lot contains the key Mantle card and a fair number of secondary stars, as well as 35 high numbers. These better cards are included with the lot: 1 Koufax LL, 3 Koufax LL, 7 Clem/Aaron LL, 9 Aaron/Mays LL, 50 Mantle, 128 Lolich RC, 146 T John RC, 243 R Allen RC, 244 LaRussa RC, 287 Conigliaro RC, 331 Mantle/Maris Et Al, 350 McCovey, 460 Gibson, 550 Ken Hubbs, 570 Mazeroski, 587 Daniels.

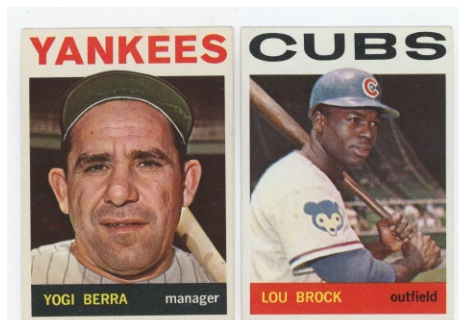

464 1964 Topps Complete Set VG..... 300

The offered set varies in grade but is a pleasing VG overall. As with so many 1960s Topps sets, the key cards are a grade below the rest of the set. This set ranges mainly from Good to VG-Ex, with many nicer cards. The high number run is not bad at all, this is a well collected set despite the admitted flaws. We grade the many key cards as follows: 21 Berra GVG, 29 Brock GVG, 50 Mantle Good, 55 Banks VG, 103 Curt Flood Good, 125 Rose Good, 150 Mays VG+, 200 Koufax Good, 210 Yastrzemski VG, 225 Maris Good mc, 230 B Robby VG+, 250 Kaline VG, 260 F Robby Good, 287 Conigliaro RC VG, 300 Aaron Good, 306 Mays/Cepeda VG, 331 Mantle/Maris Et Al Fair-Good, 380 Ford Good, 400 Spahn Good, 423 Aaron/Mays VG+, 433 Yanks TC VG+, 440 Clemente Good, 460 Gibson VG-Ex/Ex, 468 G Perry VG+, 540 Aparicio VG+, 541 Niekro RC GVG, 543 Uecker VG-Ex/Ex, 550 Ken Hubbs VG, 570 Mazeroski VG+.

465 1964 Topps Complete Set Ex ..... 400

A favorite among dealers due to the high breakdown value and undervalued high number run, this is a good lot. The offered set is very typical in that the commons and secondary stars are much, much nicer than the key cards. This is a difficult set to assign an overall grade to for this reason. The cards range from Good to Ex-Mt, averaging in the Ex range overall. The high number run is pretty nice, we grade the many key cards as follows: 21 Berra VG-Ex/Ex, 29 Brock Ex++, 50 Mantle Good, 55 Banks VG+ (ctd), 125 Rose GVG, 150 Mays VG+, 200 Koufax VG, 210 Yastrzemski VG-Ex/Ex, 225 Maris Ex-Mt oc, 230 B Robby NM, 250 Kaline VG-Ex/Ex, 260 F Robby Ex (ctd), 287 Conigliaro RC Ex-Mt (ctd), 300 Aaron VG-Ex/Ex, 306 Mays/Cepeda Ex-Mt+, 331 Mantle/Maris Et Al VG-Ex/Ex, 380 Ford VG (ctd), 400 Spahn GVG, 423 Aaron/Mays Ex, 433 Yanks TC VG+, 440 Clemente VG, 460 Gibson Good, 468 G Perry VG-Ex/Ex, 540 Aparicio Ex, 541 Niekro RC GVG, 543 Uecker Ex++, 550 Ken Hubbs VG-Ex and 570 Mazeroski Ex+.

466 1964 Topps Set minus 20, superb quality w/34 PSA cards ..... 900

Assembled by a collector with incredible patience and a great eye, this was his pride and enjoy. Collected over many years with centering to the top consideration, this is a special lot. We only did 20 cards as singles, the Mantle came back an 8, others came back 7s through 9s. As nice a raw 1964 Topps near-set as one will find in today's market, the lot comes with thirty-four freshly grade cards from PSA with tough grades. These cards include: 35 E Mathews A, 55 Banks 6, 103 Curt Flood 7, 167 Pinella RC 6, 175 B Williams 7, 177 Killebrew 4, 182 Yaz/Schilling 5, 244 LaRussa RC 4, 371 Howard 7, 429 McCarver 7, 476 R Carty RC 7, 540 Aparicio 6, 547 Hodges 7, 567 Kaat 7, 570 Mazeroski 7, 586 Piersall 8. In addition, the lot has these 8s: 58, 170, 421, 455, 475, 503, 505, 520, 556 and these 7s: 65, 353, 446, 495, 572. The balance of the lot contains some stars as well and a load of secondary stars and specials, with 1 Koufax LL, 21 Berra, 29 Brock, 155 Snider, 260 F. Robinson, 287 Conigliaro RC, 390 Cepeda, 531 Dodgers TC, 550 Ken Hubbs, 579 Red Sox TC. The centering and quality of these cards really is remarkable.

472 1966 Topps Complete High Number Run VG .450 Such a tough run with so many short-prints, these hardly ever appear for sale as full lots. An honest VG lot, these are about half VG, half GVG. ## Autographed Baseball Cards

### 498 1922 Smokey Joe Wood Vintage Signed Card PSA 8..... 150

A super cool piece, our consignor purchased this from me decades ago. Signed in the 1920s in bold fountain pen ink, this is terrific. The front of the card is clean, the back has writing and extra paper from scrapbook removal. Freshly graded by PSA, the autograph looks terrific. A beloved Red Sox star and a cult favorite, this should be a very popular lot.

### 499 1938 Goudey 258 Doerr RC PSA A..... 150

A very cool signed card, due to the value and scarcity, not many of these were signed. This is signed Bobby Doerr #1 in two types of ink. The card is well centered, but creasing is present. The card has good color, a flawless image and a fine back, this is PSA slabbed Authentic for the signature.

### 500 1947 Exhibit Gil Hodges Auto Card PSA 9..... 600

A really nice Gil Hodges signed card, the card itself is quite clean and fine. Signed by Hodges in Mint blue ballpoint ink, the autograph is a real stunner. The placement is perfect, this is really an amazing quality signature on a period card. A widely collected set among signed card collectors, this could really enhance almost any signed Exhibit set.

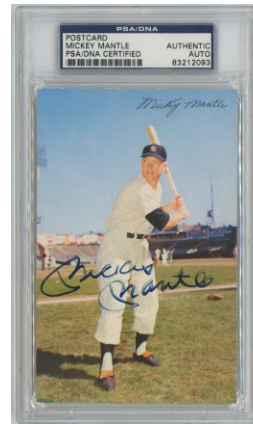

### 501 1952 Topps Collection of 90 different signed cards 9 ..... 900

A nice quantity of signed 52 Topps cards, there are presumably no rarities here. The cards are mid-grade, the autographs are solid overall. An exact listing will be on our website. JSA LOAA.

502 1954 Bowman 65 Mickey Mantle PSA 4/9 ..... 500  
Great signed card, this has excellent centering and no visible creases or wrinkles. The surfaces are clean, the image of a young Mantle smiling looks good. Signed in spotless blue sharpie ink, the autograph contrasts perfectly against the clean card. These combo graded Mantle slabbed cards seem to be white-hot right now, happy bidding!

### 503 1954 Dormand Mickey Mantle Signed Card 8 ..... 150

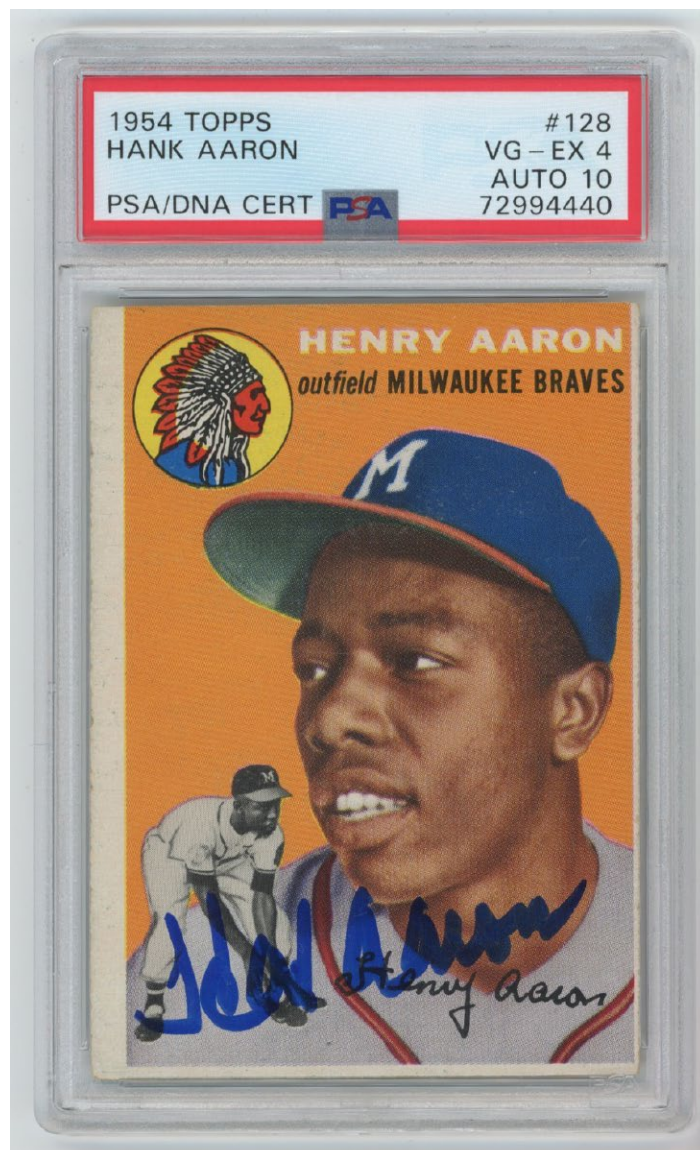

Neat signed card, these are such attractive postcards. The offered PSA slabbed card has a pleasing but not perfect blue sharpie ink signature in a good spot. The card appears to be bright and clean, it is not mailed. We cannot see any creases or wrinkles, the edges look good, the card looks to be in very solid condition.

### 505 1955 Bowman 158 Gil Hodges Auto Card 9 ..... 600

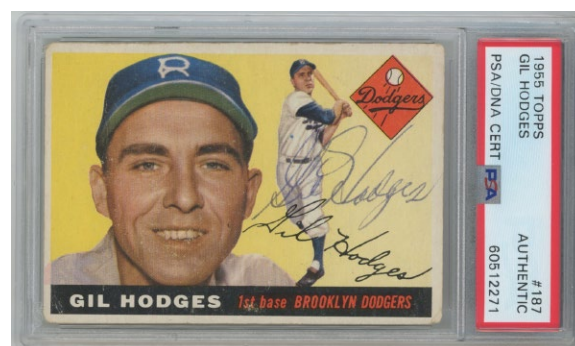

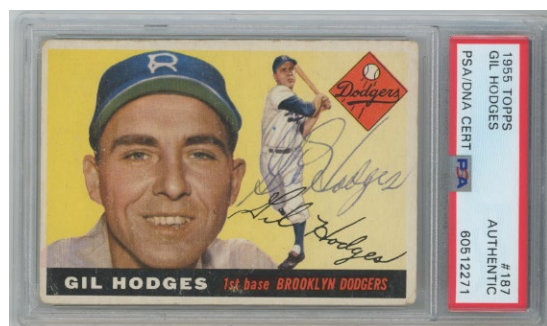

A great card on many levels, this was of course the only Brooklyn Dodgers World Championship team. Clean card, this has rich color, excellent centering and no visible creases or wrinkles. Signed by the beloved Hodges in attractive period blue ballpoint, the placement is perfect. A very solid signature, this contrasts nicely against the card itself and displays well. PSA slabbed Authentic, this is really nice.

504 1954 Topps  
128 Hank Aaron Signed RC PSA 4/10 ... 1300  
A classic HOF Rookie Card, a 4 is actually a pretty high grade for a signed example. Freshly graded and terrific, the card has a Mint blue sharpie ink signature. Centered to the right border, the color is terrific. We cannot see any creases or wrinkles, even under magnification, the card displays awfully well for the grade. Aaron signed this in Mint blue sharpie ink decades ago for our consignor, this is new to the hobby. Please note this comes with a photograph of Aaron signing this very card!

506 1955 Topps 187 Gil Hodges Auto Card 9.....600  
A great card on many levels, this was of course the only Brooklyn Dodgers World Championship team. This is also a widely collected set among signed card collectors and a tougher high number. PSA slabbed Authentic, this has good centering and rich color. The card itself has creasing and general wear, it would grade Good overall, with note to a stray mark on the otherwise clean back. The key of course is the signature, Hodges signed this in large and flowing blue ballpoint ink, the signature is in a good spot. The autograph contrasts nicely with the card and displays very well.

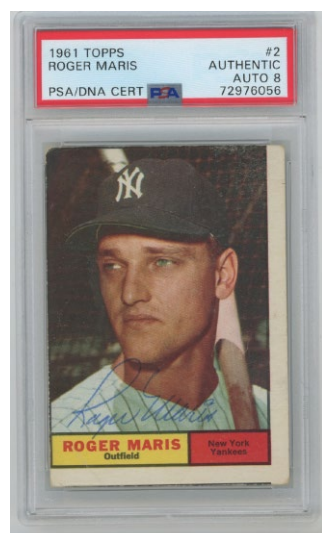

507 1959 Topps 564 Mickey Mantle AS  
PSA 2/9 .....200

The card retains rich color and a fine image, the autograph is in Mint black ink and looks great. A high number, this was always one of the tougher Mantle cards to find with an autograph.

**548**     **3 x 5    Collection of 785 different Phillies Related Autographs**     **9** ..... **1000**  
This lot of autographs was culled from a 10,000 item decades-long Philadelphia Phillies and related collection. Lesser players were an obsession for this collector, he attempted to get the signature of every player in Phillies history. The offered lot of 3x5s and related flats contains all sorts of interesting content. These are focused on pre-World War Two players, there is hardly anything after 1980. The signatures are in both vintage fountain pen ink and sharpie, there could be some really tough signatures here. Nearly everything is on order and identified, there are likely to be signatures there that you will not find anywhere else. The better signatures include: S. Anderson, J. Bentley, L. Blackburne, Cy Blanton (JSA), Rube Bressler, S. Carlton (very early), D. Conger, V. DiMaggio, J. Elliott, B. Friberg, B. Harris (HOF), Don Hurst, Deron Johnson, B. Killefer, Lou Koupal, F. **555 Ruth, Babe Signed Original Burke Photo 8... 1000**  
Burke photos trade regularly, or at least used to!, but not Babe Ruths. Offered is a fine image of Ruth from circa 1931. The image itself measures 7x9. It does not have the Burke stamp on the reverse but nonetheless we feel strongly that it is indeed an original Burke. There is a chip at the upper right corner, away from the image and signature, that can be repaired if desired. Ruth signed and inscribed this very engaging image in a funny way. Penned To the Three Musketeers Charlie, Doc and Putty from your freind Nov 10th 1931. Very nice. PSA DNA (full).

We know so many collectors do not like framed displays, but this one may turn many into converts! Offered is a superb short note from Wagner. It is very nicely signed Honus Wagner Carnegie PA and is dated June 13, 1951. Thi is beautifully presented with a classic image of an older Wagner studying his bats and a closeup image of Wagner's unique batting grip. A real museum quality presentation, this checks in at a very manageable 19x20. JSA LOA (full)

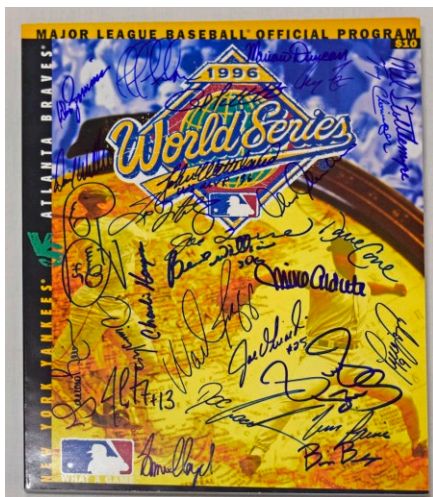

- 574 Collection of 154 Phillies-Related Letters 9 .... 500  
From a decades long Phillies collection, this is a very interesting lot. There are probably not rarities here, but the breadth and depth is amazing, lots like this are almost impossible to find in today's market. The condition is clean, we did not have JSA review it due to the quantity, but we would be shocked if there were any major issues. Many of these letters are ALS's with great content, these are almost all going to be pre-1970 Phillies players, going back to the 1930s and are presented in alphabetical order. The content includes: E. Allen, Bartell, W. Berger, Betts, Bengie, Chapman, Dahlgren, H. Ford, Francona (1960), D. Leonard, Jack Mayo (great letter), Meyer, Miller and Shantz (funny content).

708 1961 Fleer 8 Wilt Chamberlain RC PSA A.... 300  
Purchased by our consignor decades ago, we were surprised that this did not get a numerical grade. Likely a hair short, this may well go into a numerical holder with another grading company. Centered to the upper left corner, the card has good color, a fine image and a flawless back. The surfaces are quite clean, the corners are in the Ex range overall. We cannot see any creases or wrinkles, even under magnification, we feel this should have graded a 4.

783 1954 Bowman 113 Charley Conerly PSA 10..... 200  
Purchased decades ago, this is a seriously sharp card. The centering is terrific, the white borders are immaculate. The corners are dead Mint, the card has a pack fresh look and feel. While nothing can be guaranteed, there is no reason to think that this will not go into the current holder if desired. A very scarce 10, the last public sale as of this writing (1/23) was in 2021 for \$1,750, prior to that in 2017 for \$1,570. Good card.

800 1960 Post Cereal Frank Gifford PSA 4.5 ..... 700  
A supremely attractive card, this does look great in its extremely pricey PSA holder! Bright and clean, the borders are huge, the cut is terrific. Frank Gifford has never looked better, only three of these have been slabbed, the highest example is a 5. We cannot see any creases or wrinkles on the front, which appears to be flawless. The back has some typical general wear, likely the cause of the grade. This card is just terrific to hold in hand.

801 1960 Post Cereal Johnny Unitas PSA 2 ..... 600  
A supremely attractive card, this does look great in its extremely pricey PSA holder! Bright and clean, the borders are huge, the cut is terrific, the color is flawless. The card offers a stunning and highly evocative image of a smiling Johnny U. The grade appears to be awfully harsh, we can discern a slight corner crease at the upper left and some general back wear. This card is just terrific to hold in hand and has stunning eye appeal. An extremely scarce card of one of the very finest football players ever, this is a great piece to add to any substantial football card collection.

802 1961 Cleveland Browns National City Bank  
7 Len Dawson RC SGC A ..... 150

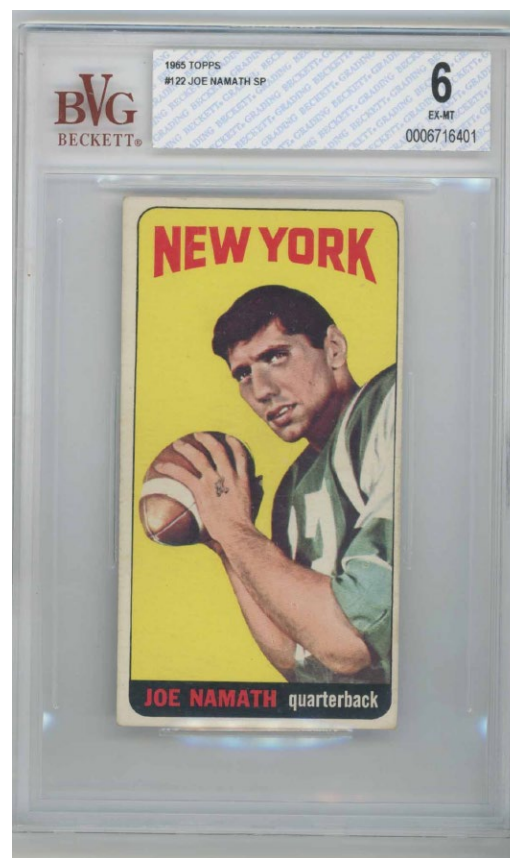

A rare card of this classic HOF quarterback, these hardly ever come to market. Graded Authentic due to the wavy cut, there is nothing nefarious here. The card has a nice image, there is wear at the lower right corner and on the very bottom of the attractive back.

803 1963 Fleer 47 Dawson RC PSA 8 ..... 600  
A key HOF quarterback, he sadly died this year. A vital 1960s football card, these are not easy to find and are always in high demand. Offered is a razor sharp 8, with four terrific corners and snow white borders. The color and images look great, the surfaces are immaculate. Centered a touch to the upper left corner, this is a fine looking 8.

804 1963 Fleer 72 Alworth RC PSA 7 ..... 200  
A key card, these are extremely popular. The card has sharp corners and a pack fresh look and feel, the color is terrific. Centered to the left border, this otherwise would likely have graded an 8 or a 9.

805 1963 Kahns Weiners Jim Brown PSA 8 ..... 200  
Simply an awesome card, these 1960s Kahns football cards of Brown hardly ever come to market. Presented in a superior PSA 8 holder, this is a special card. Well centered with four sharp corners, the image could not be any more classic. Do not assume another one of these will be coming around again anytime soon!

807 1965 Topps 122 Joe Namath RC SP  
Beckett 6 ..... 1300

One of the most iconic football cards ever, these are always supremely desirable. The offered card has vivid color and a flawless image of Joe looking down the field for a big pass! The borders are white, the back looks good, the surfaces are clean. The corners come to points, centering to the right border is the only flaw here.

806 1963 Topps 86 Bart Starr PSA 8 ..... 300  
A key to this very condition sensitive set, this is a tough 8. Very sharp with beautiful color borders, the image looks great. The corners are quite sharp, this is centered slightly to the left border.

813 1976 Topps 148 Payton RC PSA 8 ..... 150
