The largest number of lots for this style auction in our history, there is just wonderful material all throughout the auction. We have a huge selection of slabbed baseball card HOFers and Rookie Cards dating to the 19th century, rarities, complete sets and some great unopened material. The auction has a deep selection of baseball autographs, with fine autographed cards, photos and so much more.

In various categories, we have tremendous material from a New York football Giant, Yankee and Met trainer from the 1940s through 1969, there are great autographs and some absolutely superb memorabilia, including rare gold and diamond jewelry. Basketball and football collectors will see a broad offering of top quality autographs, complete sets and single cards, boxing collectors will see many real nice Ali signed items.

The key lot in the auction is a superb signed 1933 Goudey Babe Ruth card. Slabbed by PSA, the autograph is graded a 7. This is a truly awesome Babe Ruth item.

1 1933 Goudey 149 Babe Ruth Signed Card - PSA 7 Signature15000
With all of the amazing activity in the sports card market in the past few years, there will never be a bigger name than Mr. George Herman Babe Ruth. The most iconic and collected cards of Babe Ruth are his four 1933 Goudey cards, these have naturally exploded in price in recent years. Signed 1933 Ruth cards have always been extremely rare, desirable and highly treasured by anyone lucky enough to possess one.

Offered is a very colorful, attractive and superb signed card. This card has perfect color and image quality. There is some creasing, the one grade for the grade is mainly due to slight damage by the upper right corner. The back is clean, the rest of the card is not bad at all. A great card unsigned, this card is truly remarkable as it has a striking black fountain pen ink signature. Signed in an ideal spot, this is a large, classic and superb Babe Ruth signature. PSA graded the autograph a 7. With the incredible prices being realized for high-end cards, in some cases approaching seven figures, these seem like an amazing value right now.

Babe Ruth will ALWAYS be the number one name in sports collecting, a signed example of one of his most iconic and collected cards is an extremely significant and super desirable collectible. It will be interesting to see if these shoot up in the hundreds of thousands of dollars range in the future, I personally would rather have this than so many of the other cards trading for huge prices.

Key Lots

2 1909 T206 Near-Set
w/many HOFers and Southern Leaguers (434 different)2500

Super low grade T206 very near set, the person who put this together got any card he could, he was completely unconcerned with condition. The cards are again super rough but nonetheless, this is a strong percentage of a full set. The lot contains twenty-three different Southern Leaguers and thirty-three HOFers, some tougher cards are here as well. In terms of grade, perhaps 10% or so of the cards could be Good or approach VG, not everything is super low grade.

We will have scans of the top 50 cards on our website, so please consult those for more condition detail, the lot has no rare backs. This will surely find a happy home as near T206 sets in any grade are still revered by collectors and painfully difficult to assemble in today's market.

Key Lots

3 1927 Exhibits Babe Ruth Portrait (postcard back) PSA 3 mk2000
Terrific Babe Ruth image, this is an iconic image of the Babe from the height of his fame. A very unusual set, these were issued from 1927 to 1929 and have a postcard back. Unmailed and quite clean, 22 is written neatly on the back led to the qualifier. The image is immaculate, the larger size affords for such a terrific image. The edges are not bad at all, mild wear at the bottom two corners led to the 4 grade. We cannot see any creases or wrinkles, even under magnification, the surfaces are very clean overall. This is a strikingly attractive card of Ruth from the 1920s.

Key Lots

4 1933 Sport King 2 Babe Ruth

PSA 32500

The key to one of the great 1930s gum card sets, this has a truly classic and wonderful image of Babe Ruth. The offered card is an outstanding 3 as it has almost perfect centering, great color, clean surfaces and a very fresh overall feel. We cannot see any creases or wrinkles, even under magnification. The corners exhibit only mild and consistent wear, slight wear by the lower right corner on the back probably kept this at a 3. It would be extremely difficult to find a finer Sport King Ruth 3 than the offered card.

Key Lots

5 1939 Play Ball 92 Ted Williams RC PSA 41500

One of the all time classic Rookie Cards, these are always super desirable. The offered card is notable for outstanding centering. The card is slightly toned as is typical for the issue and has moderate corner wear. The surfaces are otherwise clean, we cannot see any creases or wrinkles, even under magnification. It will be interesting to see where these trade at in a few years.

Key Lots

7 1951 Bowman 253 Mickey Mantle RC PSA 57500

The ultimate baseball card to so many collectors, this is of course the true Mickey Mantle Rookie Card. The key card to one of the greatest baseball card sets, one can see why these have been appreciating so rapidly in recent years. The offered card is a real stunner. Freshly graded and new to the hobby, this has very fine centering, gorgeous color and a world class image. Strikingly fine, the borders are bright white and the back is perfectly clean. The corners come to points, the card has a super vibrant and fresh look and feel to it. This looks to be a very fine Ex 5 example of a true cornerstone card, it will be very interesting to see where the market goes on this great card in the next few years.

Key Lots

8 1951 Bowman 305 Willie Mays RC PSA 21500
 Vital Rookie Card of one of the very finest players in all of baseball history, this is now a cornerstone card. Freshly graded, PSA was very tough here, we thought this would be a 2.5. Very well centered, this has hardly any creasing, a fine image and good color. The corners are not bad at all, the card has some very subtle general wear on the front. The back is clean with no stains, this is a very high quality card for the grade.

Key Lots

9 1952 Topps 312 Jackie Robinson PSA 21000
 Super hot card, these have exploded in price in recent years. Offered is a pleasing 2, notable for quality centering and no creases. The image is not bad at all, the card has some general wear on the front but retains good color. The back looks great, this is a quality card for the grade.

10 1954 Bowman 66 Ted Williams PSA 71000
 One of the classic and vital 1950s baseball cards, this is a revered card. Offered is a superb 7, notable for outstanding centering. The offered card has four very sharp corners, clean borders, no print issues and a fine image. The back is perfectly clean, this is an absolutely ideal if conservative example of a PSA 7 card from the 1950s. Great card.

Key Lots

11 1954 Bowman Near-Master Set w/Mantle PSA 7 Ex-Mt/NM1500
 Extremely attractive and often overlooked 1950s Bowman set, I love the images and colors on these cards. Collected over years and years by our fastidious old time consignor, this is outstanding collecting work. The condition is a superb Ex-Mt/NM overall with many superb condition cards, no doubt many of these cards will end up in plastic tombs. We are offering the Ted Williams as a separate lot as it is a 7, the set is otherwise a very near master set with many variations. Each card is in a top loader for protection, the lot contains 302 total cards. Anchored by an extremely desirable Mantle PSA 7 and Berra PSA 8, we grade the key cards as follows: 1 Rizzuto Ex-Mt, 6 N Fox NM, 15 Ashburn NM, 45 Kiner Ex-Mt+, 58 Reese NM, 64 Mathews Ex-Mt+ ctd, 65 Mantle PSA 7, 66.2 Piersall Ex-Mt, 89 Mays Ex, 90 Campanella Ex-Mt+, 101 Larsen RC NM+, 132 Feller Ex-Mt, 138 Hodges Ex-Mt, NM, 145 Martin Ex-Mt (both var.), 161 Berra PSA 8, 170 Snider NM+ and 177 Ford Ex-Mt.

Key Lots

12 1954 Topps Complete Set w/PSA 7 Banks RC Ex-Mt/NM1500
 Very desirable 1950s Topps set, these often have major condition issues. Offered is a superb Ex-Mt/NM overall set with many superb Near Mint and possibly better cards. From an old time collector with a great eye, this set represents some outstanding collecting work. The condition is stunningly consistent, only a handful of cards are graded, no doubt many more will be in the future. The Aaron Rookie came back a PSA 2.5 due to extremely minute wear on the back, the card is beautifully centered with great color, we have seen many similar cards in 4 holders, PSA was beyond harsh with the grade, there are no creases or wrinkles, the card looks great. We grade the key cards here as follows: 1 Ted Williams PSA 6, 3 Irvin Ex-Mt+, 7 Kluszewski NM, 10 J. Robinson Ex+, 13 Martin NM, 17 Rizzuto Ex-Mt+, 20 Spahn NM ctd, 30 Mathews Ex-Mt+, 32 Snider Ex-Mt+, 35 Gilliam Ex-Mt, 36 Wilhelm NM oc, 37 Ford Ex-Mt+, 45 Ashburn NM, 50 Berra VG+, 70 Doby NM, 90 Mays PSA 7, 94 Banks RC PSA 7, 102 Hodges Ex-Mt, 128 Aaron RC PSA 2.5, 132 Lasorda RC PSA 7, 139 O'Brien's Ex-Mt, 201 Kaline RC VG, 239 Skowron RC PSA 7 and 250 Ted Williams PSA 4.5.

Baseball Cards

13 1964 Topps 50 Mantle PSA 81000

The absolute key to the set, this is one of the most collected Mantle cards from the 1960s. Freshly graded, this is simply a gorgeous 8. Very well centered, this has the nicest image that we have ever seen on a 64 Mantle. The borders are pristine, the card looks to be immaculate. All four corners are quite sharp, the back is vibrant and clean. Who wants to make a major move with their high grade 64 set or just add a classic Mantle 8 to their collection?

Baseball Cards

15 1968 Topps Plaks Checklist #1 (Mantle, Yaz, Killebrew etc) PSA 41500
Extremely scarce Topps test issue, these hardly ever come to market and are especially difficult to find with numerical grades. Graded by us, this is an awfully nice card for the grade. One of the tougher 1960s Mantle Topps test items, this has four crisp corners and vibrant black borders. Centered to the right border, very subtle surface wear on three players, including Mantle and Hunter, appears to be the only condition issue. The other HOFers include Yaz, Killebrew, Frank Robinson, Hunter and Kaline. These have been selling for huge prices in recent years, great card, this is a fine addition to any Mantle or advanced 1960s card collection.

16 1968 Topps Plaks Checklist #2 (Aaron, Clemente, Mays, Rose) PSA 3900
Extremely scarce Topps test issue, these hardly ever come to market and are especially difficult to find with numerical grades. Freshly graded by us, this is an awfully nice card for the grade. Well centered with beautiful color and vibrant black borders, this looks great. The corners come to points, the surfaces are clean, a slight surface crease on the right side of the card keeps this at a very high-end 3. Scarce and desirable issue, this is needed by advanced Aaron, Clemente, Mays and Rose collectors, which is a sizable market. Great card.

Key Lots

17 1976 Topps Unopened Wax Box (15 cent version) - BBCE Wrapped3000 Great unopened item, these have sold for as high as \$18,000 in recent years. One of the most popular sets of the era in PSA 9s, this is a superb item. A scarce and extremely desirable box, this walked into a show and is completely fresh to market. The box and packs are tight and fine, this came from the original owner! All of the top unopened baseball items through 1980 are from a single source, the gentleman who had these demanded (and received) a king's ransom of HOF Rookie Cards and Mantles before he would give up this treasure!

Key Lots

18 1977 Topps Unopened Wax Box - BBCE Wrapped1250
One of the most popular sets of the era in PSA 9s and 10s, I remember fondly collecting these in packs at the time. A scarce and extremely desirable box, this walked into a show and is completely fresh to market. The packs are tight and fine, this came from the original owner! All of the top unopened items through 1980 are from a single source, the gentleman who had these demanded (and received), a king's ransom of HOF Rookie Cards and Mantles before he would give up this treasure!

19 Ruth/Gehrig Signed Ball

PSA 4.52000

Very likely signed in the mid-1920s, offered is a mildly toned red and blue stitched Official League cork center ball. This has three signatures: Babe Ruth, Lou Gehrig and Paddy Smith. Mr. Smith was a 1920 Red Sox, but this had to have been signed after that given the style of the signatures. Oddly enough, Paddy Smith is signed on the sweet spot. An affordable and fully presentable Ruth/Gehrig signed ball, each signature is 100% displayable as a single signed baseball. Ruth signed on panel to the left of the sweet spot, PSA graded his autograph a 5, Gehrig signed to the right of the sweet spot, PSA graded his autograph a 5 as well. PSA graded the ball itself a 4, with an overall grade of 4.5. Good ball. PSA DNA (full).

Key Lots

20 1934 Yankees Team Ball w/Ruth and Gehrig 72000
 The 1934 Yankees would be the final team to pair Babe Ruth with Lou Gehrig. The Yanks went 94-60 that season. The offered ball is an evenly toned OAL Harridge model. There are 25 total signatures that vary mildly in darkness. There are seven total HOFers: Ruth, Gehrig, Lazzeri, Dickey, Gomez, Ruffing and Combs. The sweet spot has a classic Babe Ruth signature, the Lou Gehrig autograph is near the top of one side panel and quite solid as well. The other signatures vary in darkness, one panel is lighter than the rest of the ball and not easy to discern. Aside from the HOFers, other autographs on the ball include Red Rolfe, Dixie Walker, Ben Chapman and Johnny Allen (D'1959). Good ball. PSA DNA (full).

Key Lots

21 1948 Bowman George Mikan RC PSA 32500
 A true cornerstone basketball card, it will be interesting to see how these move in price in the coming years. Offered is a solid PSA 3, notable for rich color and an excellent image. Centered to the top border, the offered card has clean borders and surfaces, the back is nice as well. Corner wear keeps this at VG, but the wear is consistent. This is a very pleasing and attractive 3, now may well be the perfect time to add this great card to your collection given the market for top cards.

Key Lots

This is a very fine and solid 8 to our eyes.

The Jordan autograph is huge and absolutely flawless, as nice as you will ever see, famed artist Peter Max signed this as well. Very nicely matted and framed, the total size is 28x35. Baseball Card Single Graded Cards

26 1887 N172
 Buck Ewing (W/ Mascot, N.Y.'s) PSA Authentic 375
 Fun card with this vital 19th century player, the image is light but presentable. The card is not bad at all, the back has mild wear, we thought this was going to be a 1.

27 1887 N172 Old Judge Jocko Milligan
 (SL-Throw-right arm head high) SGC 1.5 50
 Respectable card, this has a pleasing image and no back damage. Corner wear is the issue here, this is not bad at all for the grade.

28 1887 N172 Old Judge Park Swartzel (Arm out shoulder high, hands clasped, Kansas City) SGC 1.5..... 75
 Uncommon team, this card has a nice image. The front is quite crisp and clean, typical back issues keep this at a 1.5. Nice card.

29 1887 N28 Allen and Ginter Caruthers PSA 5 100
 Ideal 5, this has excellent centering, super clean surfaces and a superb image. Extremely mild edge wear keeps this at a 5, the back looks great.

31 1888 N333 SF Hess Newsboys
 Hyde Beckett AA 50
 Extremely rare 19th century issue, we do not know what the alteration is. The condition is extremely rough, with multiple creases and general wear. The back is clean overall, the image actually is still pretty nice. Good type card.

32 1888 N403 Yum Yum Tobacco
 Billy Sunday SGC A..... 100
 One of the great stories in early baseball, Billy Sunday was a player cum top evangelist preacher in the 1920s. Sunday has very few cards, this is one of the scarcest. The best our consignors could afford or find, the bottom advertising has been clipped. The image is slightly out of focus but respectable, the back has extensive damage. Despite the major condition issues, when will another one of these come around?

1895 Mayo Cut Plugs

30 John Clarkson (arm outstretched) SGC 1.5 250
 A difficult card to find, this is a desirable HOFer. A perfectly acceptable 1.5, the image is good, the back has no paper loss. Creasing, corner wear and general wear keep this at a 1.5 overall, this is not bad at all for the grade.

33 Buck Ewing (Cincinnati on shirt) PSA 4 mc 750
 Very desirable card, Ewing is one of the pre-eminent 19th century HOF baseball players. A key to this revered set, this is a freshly graded and very sharp looking card. Cut almost complete to the right border, hence the qualifier. This has a perfect image, jet black borders and an immaculate image. The back shows only slight wear, we cannot see any creases or wrinkles, this is an excellent example of a HOFer from a most vital 19th century baseball card set.

34 Charlie Ganzel PSA 1..... 75
 More like a 2, this has a perfectly clean back and no obvious creases. General wear on the front of the card is the only real issue here.

Baseball Cards

1895 Mayo Cut Plugs

35 Billy Hamilton PSA 3..... 550

Very desirable card, this elusive 19th century HOfer has very few cards. A key to the set, this example has a fine formal image and attractive black borders. The back looks great, the corners show very mild and consistent wear. There are no visible creases or wrinkles, but some general surface wear is present. Nice card.

36 Yale Murphy PSA 1..... 75

Bright card has surface wear by the top and bottom border and is centered heavily to the right. Still, this card is more like a 2 than a 1. The back has no issues.

37 1895 Newsboy Cabinets John Ward SGC A..... 100

Great 19th century true cabinet card of an important figure in baseball history, this is just terrific. A HOfer and fascinating person, this card has a slight chip in the bottom border. We assume this led to the Authentic grade but we are not certain. The card offers an extremely attractive larger format image of Ward leaning on his period bat, the condition is not bad at all. The back has some staining but no paper loss, the surfaces on the front are clean overall.

38 1907 Lincoln Publishing Philadelphia Athletics Schreckengost SGC 1 150

Great type-card, these are such attractive cards. Mild staining and some light creasing led to the very conservative 1 grade, the card displays much better than that. Unmailed, the back is quite clean.

39 1907 Novelty Cutlery Harry Lord PSA 2 mk..... 100
Clean and attractive postcard, this displays quite well. Scarce issue, this has not been mailed, we do not follow the qualifier, perhaps pencil was erased.

40 1908 American League Pub Postcards Joseph Birmingham PSA 4..... 125

Very attractive postcard issue, these have a great design and hardly ever come to market. Offered is a very clean 4, the back looks great, the surfaces are clean. Moderate wear at the bottom two corners likely led to the 4 grade, nice card.

41 1908 Rose Postcard Unglaub PSA Authentic 150
Great issue, this has been mailed, which led to the Authentic grade. Some might say the postmark and writing are charming and only enhance the postcard, the front retains good color and fine imagery.

42 1909 E97 Briggs Joe Kelly SGC 2.5 190

Classic card, this card has such a fun image. Offered is a very attractive 2.5, notable for great color and a terrific quality image. Well centered with consistent corner wear, the back is clean. Very mild creasing and corner wear keep this at a very pleasing 2.5.

Freshly graded, this is not bad at all. The Polar Bear back has a subtle mark but is otherwise clean. The card has a respectable image, the creasing is very minimal, corner wear and some general wear keep this at a 1.5. There are just so many collectors looking for T206 Cobbs in this grade due to the huge prices, this should be a very popular lot.

60 1910 E91-C American Caramel
Walter Johnson SGC Authentic.. 50
Crisp card is from an original collection, we do not believe that there are any alterations. The card has crisp corners, white borders and perfectly clean surfaces. This has a diamond cut as can be found on this issue, the back is miscut slightly to the left edge. We are not sure why this did not get a numerical grade, but things are different these days with the grading companies. This is a very crisp and attractive early card of the famed Walter Johnson, we hardly ever see these.

Fun issue, this has excellent color. The corners are solid, centering to the left border likely kept this at a 5.

Very fun and seldom offered Casey Stengel card, this one is a very nice 3. Reasonably well centered with no creasing, this has a blank back. Wear is only really noticeable at the bottom two corners on the back, this is a very solid card for the grade.

83 1917 Felix Mendelsohn
Rogers Hornsby PSA AA 625
Extremely rare card of Rogers Hornsby, these hardly ever come to market and are super desirable. Arguably a Rookie Card, this is a special card. Larger format card (just above 4x6), the larger size affords a wonderful image of a so young Hornsby fielding a ball with the great StL patch on his left sleeve. The corners all come to solid points, the front of the card has some very fine creasing and is otherwise quite clean. The card has been removed from a scrapbook as is typical for oversize cards from this era, we are not sure why it was deemed Authentic Altered, perhaps because of the back. Either way, this is an extremely attractive and scarce card that looks terrific.

84 1917 M101-6 Felix Mendelsohn
Eddie Collins SGC 1.5 375

Unopened Items

480 1974 Topps
Lot of 20 unopened wax packs 750

From the same source as the other top unopened material in the auction, offered is a substantial lot of 20 different 1974 Topps baseball wax packs. The packs are tight and clean overall, they have been looked at and approved by BBCE but a box could not be wrapped as it is not a full box. Also, in an interesting touch, these are presented in a 1977 Topps Cloth Sticker display box. Good lot, these can sell for \$200 each slabbed.

481 1977 Topps Cloth Stickers
Unopened Wax Box - BBCE Wrapped 375

Fun box is absolutely loaded with HOFers and stars, these are not rare but are still really cool. With my favorite player on the cover, these seem like a smart item to stick in a closet for a few years and see how the market develops. This popular set includes vital HOFers Brett, Ryan and Schmidt.

482 1978 Topps Wax Box 200

From the same collection of many of the BBCE wrapped boxes in the auction, offered is a full 1978 Topps baseball wax box. The consignor sent this to BBCE who felt the box was fully original but would not wrap them as the packs have a rather musty odor. To my admitted limited sensitivity nose, they do not seem that bad at all. The packs are tight and fresh, the box itself is clean. This is being sold strictly as-is for this reason, it is in all likelihood a totally fine box, this might be a good item to stick in a closet for a few years when standards for wrapping may change for something like this.

483 1980 Topps
Unopened Cello Box - BBCE Wrapped 875

Great cello box from a widely collected set, these are worth some serious money as PSA 10s. A very pricey cello box that hardly ever comes to market, this is fresh to the hobby and superb. The box is tight, the packs looked perfect to our eyes.

499 1889 Madden Players League Cabinet GVG..... 150
Offered is a very interesting 4 1/8 x 6 3/4 inch cabinet of a player named M.J. Madden from the short-lived Player's League. Of note, the Boston Reds were the top team in the Player's League in 1890. This cabinet has some minute spotting, a partially reinforced tear on the left side and some toning by the corners. The back is a very clean blank back, and this has a fine image. The corners are clipped, which we assume was how this was issued. This was produced by photographer J. Waldon Smith of Boston. Very rare cabinet from the Player's League, please note Copyrighted 1889 in written on the bottom of the back in presumably period ink.

500 1889 Chicago White Stockings Baseball Currency 100
With vital HOFers Albert Spalding on the front and Cap Anson on the back, these are always very desirable. The offered lot has a closed tear and is lower grade. However, this was issued by a Rochelle's One Price Clothier, which might be rare. Also the players on the back are miscut, which is bad for a baseball card, but might be a great rarity for something like this. Lets open this interesting item at \$100 and see what happens!

503 Boston Braves VG-Ex..... 75
With cult favorite Fred Tenney in the center, this has a terrific image. Full size, there is slight wear at the very bottom border, this looks terrific overall.

504 Boston Red Sox VG 150
Tough Red Sox piece, the legendary Cy Young is at the upper left corner. VG due to a chip at the upper left corner, this is full size, which is very unusual. The images look great, the large affords for great display value.

510 Columbus VG-Ex..... 40
Scarce Minor League team card, wear by the upper left corner appears to be the only issue here, this is full size.

511 Detroit Tigers w/early Cobb image 500
A seriously tough Ty Cobb item to find, this is harder to find that his 1908 era postcards that sell for enormous prices. Full size and beautiful, the image of a very young Ty Cobb is flawless, along with his fellow HOFers Crawford and Jennings. The edges are crisp, there is extra residue in a few portions of the border, we are not sure how to grade it overall, Ex is our feeling for it. The surfaces are otherwise immaculate, this is full size, which is very unusual, even rare.

Widely collected team, there are no HOFers. This has a terrific image; full size, wear at the bottom border seems to be the only issue here.

521 Toronto Poor 25

522 Washington Senators VG 60
Full size, this is VG due a minute chip at the bottom border and some wear by the top and bottom borders. The images are flawless, this displays very well overall.

527 1910 E91 American Caramel Lot of 18 different w/two HOFers VG to VG-Ex... 150
 Completely fresh to the hobby, this is a seldom offered and esoteric early 20th century caramel issue. A pretty large quantity for the issue, the condition varies but is mainly VG to VG-Ex. With HOFers Fred Clarke and Vic Willis, we will have front and back scans of all of the cards on our website.

528 1910 P2 Sweet Caporal Pins Lot of 40, all PSA graded 200
 Good lot, the current pricing for slabbing makes these impossible to grade. An exact inventory will be on our website, these range from PSA 2 to 7. Basically a common lot, a PSA 4 Johnny Evers and a PSA 3 Zach Wheat are the only HOFers. There are five PSA 7s and 10 PSA 6s in the lot.

529 1911 M116 Sporting Life Lot of 13 different SGC-Graded Cards w/HOFers and SPs 150

531 1914 B18 Blanket 94 different pieces VG-Ex/Ex 375

These better B18s come in the lot: Jimmy Austin (red basepaths), Chick Gandil (green pennants), George Gibson (red pennants), Ham Hyatt (purple pennants), Ed Konetchy (purple pennants), Nemo Leibold (purple pennants), Willie Mitchell (purple pennants), Ivy Olson (purple pennants), Marty O'Toole (red pennants), Del Pratt (purple basepaths), Bill Steele (purple pennants), Jim Viox (purple pennants), Zach Wheat (blue infield) and Possum Whitted (purple pennants).

535 1937 Wheaties Charlie Gehringer Full Box, Framed w/signature 100

A really nice lot, offered is a desirable and scarce 1930s Wheaties Charlie Gehringer three-panel near-complete Wheaties box. The card looks great, this is smartly matted and framed with a perfect signature. Total size 21x17.

538 1949 Bowman 409 assorted cards w/182 high numbers! VG..... 700

One of the largest runs of 1949 Bowman cards that we have ever seen, this is some real quantity! The condition ranges mainly from GVG to VG-Ex, averaging a nice VG overall, the cards are not bad at all. There is very heavy duplication for several cards, the high numbers alone more than carry this pretty unique lot. These minor stars come in the lot: 124.1 Murtaugh RC Script (2), 124.2 Murtaugh RC Printed (2), 125 Keltner, 142 Waitkus RC (3), 164 Wertz RC, 179 Casey, 196 Hutchinson (3), 197 Lindell, 219 Trucks RC and 240 Young (2).

536 1947 W603 Sports Exchange Lot of 58 different w/many HOFers Ex-Mt 225

Jackson, Mize, Newhouser, O'Doul, Pennock, Rizzuto, Slaughter and Southworth. With the many HOFers, the value as singles could well be substantial.

539 1949 Cleveland Indians Team Issue Photo Pack w/Paige and Doby VG-Ex/Ex 100

A very hot item, people ask huge prices for the Satchel Paige in slabs. Clean mid-grade set in the original envelope, the other stars include Doby, Greenberg, Veeck, Feller and Lemon.

544 1952 Bowman
 188 different commons/minors Ex..... 700
 Very clean and colorful lot, every card is in a holder for protection. A nice percentage of this great looking 1950s Bowman set, this is an ideal foundation for a clean set and a dealer can do very well selling these as singles. The condition is about 20% Ex-Mt, the balance is Ex overall with variance. There are no major stars here, but these cards are included in the lot: 2 Thomson, 4 Roberts, 23 Lemon, 24 Furillo, 33 McDougald RC, 37 Raschi, 85 Marion, 115 Doby, 128 Newcombe, 158 Harris, 161 Jensen, 162 Irvin, 188 Dressen MG, 189 Piersall, 191 Friend RC.

543 1951 Bowman Complete Set minus Mantle/Mays/Williams (321/324) VG to VG-Ex . 1500
 Missing only three cards, this is one of the truly classic baseball card sets. Upgraded from two sets, this is a solid mid-grade offering. An extremely substantial lot with a world of stars and a desirable high number run, these have a huge value as singles. There are a fair number of very clean commons and secondary stars scattered about. The key cards in the lot are as follows: 1 Ford RC GVG, 2 Berra Good, 7 Hodges VG+, 26 Rizzuto VG+, 30 Feller VG, 31 Campanella VG+, 32 Snider VG, 80 Reese VG-Ex/Ex, 122 Garagiola RC VG, 134 Spahn VG+ mk, 186 Ashburn VG+, 198 M Irvin RC VG+, 232 N Fox RC VG, 254 Jensen RC Ex, 260 Erskine RC VG, 282 Frisch VG-Ex/Ex, 290 Dickey VG-Ex/Ex, 295 Al Lopez VG, 306 Piersall RC VG and 324 Pramesa RC VG-Ex/Ex.

545 1952 Wheaties Full Eight Card Panel w/Ted Williams and George Mikan 150
 Really nice display piece, this is a full eight card 1952 Wheaties box panel with the advertising on top. The cards include Ted Williams, George Mikan and Stan Musial. Some creasing is present as always, the cards look great with full borders, grading has made clean panels like this quite scarce.

Baseball Cards

547 1954 Bowman Complete Basic Set w/Mantle SGC 3 VG-Ex..... 1400
Solid mid-grade example of this underrated set, the cards display quite well overall. Reasonably consistent, the condition variance is not bad at all. With several slabbed key cards, we rate them as follows: 1 Rizzuto VG-Ex, 6 N Fox VG-Ex, 15 Ashburn VG-Ex, 58 Reese VG-Ex/Ex, 64 Mathews VG-Ex/Ex, 65 Mantle SGC 3, 66.2 Piersall VG+, 84 Doby SGC 5.5, 89 Mays VG+ mk, 90 Campanella SGC 5.5, 101 Larsen RC VG+, 116 Easter SGC 8, 132 Feller VG-Ex/Ex, 138 Hodges Ex+ ctd, 145 Martin VG+ ctd, 161 Berra VG-Ex/Ex, 170 Snider VG-Ex/Ex ctd, 177 Ford VG-Ex/Ex and 212 Friend SGC 8.

548 1955 Topps 170 different w/29 high numbers including Berra VG-Ex/Ex 500
Bright and fresh lot, the cards are downgraded due to some of the typical centering issues with 55 Topps cards. The cards tend to have great color and display well, there are fine Ex Plus and Ex-Mt cards all throughout the lot. This lot is perfect to start a set or to use for inventory.

549 1955 Topps Complete Set -3 w/Aaron 5 and Killebrew 6 Ex..... 800
Colorful and super attractive 1950s Topps set, these are always very desirable. The offered set is missing just three cards (50 Robinson, Rizzuto and Berra). The set varies in grade but has a fair number of superb Ex-Mt cards. There are some very strong key cards and others are weaker. The set is very difficult to assign an overall grade to given the variance, but it averages Ex or so overall; the high numbers are a click below the other cards but still pretty nice. There could be some potential for grading among the secondary stars and clean commons in the future. The Koufax Rookie is not graded but is quite clean and fresh, the graded cards offer some serious value, they are as follows: 1 Rhodes VG-Ex/Ex, 2 Williams VG+, 4 Kaline VG-Ex/Ex, 28 Banks SGC 5, 31 Spahn VG-Ex/Ex, 47 Aaron Beckett 5, 75 Amoros RC SGC 6, 108 R. 551 1956 Big League Statues Complete Set..... 300
 Classic and utterly charming 1950s mini statue set, these are so evocative of the era. Our consignor was very fastidious with these, they tend to be quite clean and nice, with no missing bats or other condition issues. Headlined by 11 HOFers of the 18 pieces, our consignor put a small mount on the bottom of each to keep them in an individual plastic holder for protection (this can almost certainly be removed if desired). Smartly displayed as-is, my guess is that these are not going anywhere! The keys here are Mantle, Musial, Berra, Campanella, Mathews, Reese, Hodges, Snider and Doby.

552 1956 Dairy Queen Complete Set (18 pcs)..... 300
 Classic and utterly charming 1950s mini statue set, these are so evocative of the era. Our consignor was very fastidious with these, they tend to be quite white and nice, with no missing bats or other condition issues. Headlined by 11 HOFers of the 18 pieces, our consignor put a small mount on the bottom of each to keep them in an individual plastic holder for protection (this can almost certainly be removed if desired). Smartly displayed as-is, my guess is that these are not going anywhere! The keys here are Mantle, Musial, Berra, Campanella, Mathews, Reese, Hodges, Snider and Doby.

588 1968 Topps Complete Set -3 Ex+ to Ex-Mt... 250
Missing only Ryan, Mantle and Banks, this is a simple project to complete of course and an excellent value lot. A tricky set to grade with the borders, the cards look to be about 50-60% Ex-Mt, the balance is almost all Ex or Ex Plus, this is a nice lot, some stray cards can be upgraded. The key cards are a half a grade to a grade below the rest of the set, we grade them as follows: 45 Seaver Ex+, 50 Mays VG-Ex/Ex, 80 Carew VG-Ex/Ex, 100 Gibson Ex-Mt+ ctd, 110 Aaron Ex, 150 Clemente Ex, 230 Rose Ex, 240 Kaline Ex++, 250 Yastrzemski Ex-Mt, 247 Bench RC VG-Ex/Ex ctd, 330 Maris VG-Ex/Ex, 408 Carlton VG-Ex/Ex, 480 Oliva/Cardinas NM oc, 490 Kill/Mays/Mantle NM oc, 528 Tigers Team VG-Ex/Ex, 530 Bird Belters/Robinson Ex and 575 Palmer Ex++.
Good lot.

589 1968 Topps Complete Set VG-Ex..... 875
Not a bad set at all, this could benefit from some simple and inexpensive upgrades. Collected with care despite the grade, this has extremely well centered examples of the Mantle, Bench, Mantle/Mays/Killebrew and many other cards that look great for the grade. The condition is about half VG-Ex with nicer, the balance is GVG to VG and not abused or ugly. A perfectly reasonable set for the grade, we grade the stars as follows: 45 Seaver VG, 50 Mays GVG, 80 Carew VG, 110 Aaron VG+, 150 Clemente Ex, 177 Ryan/Koosman RC GVG, 230 Rose VG+, 240 Kaline GVG, 247 Bench RC VG, 280 Mantle VG+ ctd, 330 Maris GVG, 480 Oliva/Cardenas/Clemente Ex-Mt, 490 Kill/Mays/Mantle VG, 528 Tigers Team Ex, 530 Bird Belters/Robinson Ex and 575 Palmer VG+.

590 1968 Topps
SGC/PSA High Grade Lot w/HOFers (11 pcs) 100
Sharp lot, the cards are as follows: 20 B Robinson 7, 27 Hodges 7.5, 85 Perry 7.5, 99 Colavito 7.5, 103 Sutton 7, 129 Stanley 8 (PSA), 190 White 7.5, 230 Rose 5, 470 Freehan 8, 544 Mayo Smith 7 and 562 Bouton 7.5.

591 1 Yaz Center Panel (also Kaline, Maz, Cepeda)
Ex-Mt 100

A key to the set, this has slight wear on the right border. Well centered, this is bright, crisp and clean overall.

592 2 Killebrew Center Panel (Drysdale and others)
NM well ctd..... 100

Very fine and clean, this looks to be Near Mint to our eyes, the main Killebrew sticker has terrific centering.

593 5 Mays (Rose and Santo) NM well ctd..... 200
Stunning quality, this is well centered and super sharp. One of the nicest condition Action All Star Stickers that we have ever seen, this is superb.

594 7 Mantle Center Panel (Carew, Gibson, McCovey)
NM..... 400

One of the more difficult Mantle pieces to find, these are terrific. The condition here is tremendous as this is well centered and quite sharp. The large format piece has bright gloss and excellent color, it looks to be Near Mint to our eyes. It is such a shame that people are breaking these down into individual panels to get slabbed.

595 10 Aaron Center Panel (Mantle/Gibson/Hunter)
Ex-Mt well ctd..... 200

Well centered, this is a big deal as Mantle appears in the top panel. Sharp and clean, one subtle nick by the right border on Aaron keeps this at Ex-Mt to our eyes. Very nice.

596 12 Clemente Center Panel
(B Robinson and Perez) Ex-Mt 200

Crisp and clean, this is an absolute key to the set. Very fine, centering to the left border keeps this very scarce and desirable 1960s Clemente card at Ex-Mt.

597 Lot of 10 different w/many HOFers 600
Great lot of these fun and scarce cards. For better or worse, these can sell for big prices slabbed as individual panels but we feel that is just a shame and we do not have the heart to break these cool cards into pieces. The offered lot is quite clean and fine overall, as nice as you will see. Loaded with value with the many HOFers, we grade these individually as follows: 3 F Robinson Center Panel (Aaron, Seaver) Ex-Mt well ctd, 4 Santo (also F Robinson) NM well ctd, 6 Kaline Center Panel (Banks/Yaz) Ex-Mt, 8 Horlen Center Panel (also Bunning and Conigliaro) NM well ctd, 9 Cepeda Center Panel (also Mays, Clemente, Killebrew) NM well ctd, 11 Drysdale Center Panel (Jenkins/Oliva) Ex+ well ctd, 13 Yaz Center Panel (also Drysdale, F Robinson) Ex-Mt, 14 Killebrew Center Panel (Seaver, Cepeda, Mazerowski) Ex+ well ctd, 15 F Robinson Center Panel NM well ctd and 16 Santo (Aaron, Kaline) Ex.

Small but fine lot, all are PSA 7s unless noted: 1 AL Batting Leaders 8, 130 Yaz, 330 Conigliaro, 410 Kaline, 510 Carew, 600 Oliva and 650 Ted Williams. These are great to add to a sharp set.

599 1969 Topps Complete Set Ex..... 400
Anchored by a really nice Mantle, the centering is far superior to other cards that you will find with oc qualifiers, this is a very solid set. The condition varies and is typical in that the stars are a full grade or more below the commons. The cards are perhaps 40-50% Ex-Mt or Ex Plus, maybe a bit more, the balance is a nice VG-Ex. This is a quality mid-grade with some real upside after moderate upgrading. The key cards are as follows: 20 Banks Ex-Mt, 50 Clemente VG-Ex/Ex, 95 Bench VG-Ex/Ex, 100 Aaron Ex-Mt+ oc, 120 Rose VG-Ex/Ex, 130 Yaz VG-Ex/Ex, 190 Mays Ex-Mt, 255 Carlton Ex, 260 R Jackson RC VG-Ex/Ex, 480 Seaver Ex, 500.1 Mantle PSA 8 oc, 510 Carew VG-Ex/Ex, 533 Ryan VG-Ex/Ex, 550 B. Robinson VG-Ex/Ex, 573 Palmer Ex++, 597 Fingers RC Ex-Mt+ and 630 Bonds RC VG+.

600 1969 Topps Complete Set w/Mantle Beckett 6.5 400
Pleasing 1969 Topps set, the condition looks to be about 70% or more Ex-Mt or better, the balance is almost all in the Ex to Ex Plus range. The set varies mildly in grade, and could benefit from some light upgrading. Anchored by slabbed examples of the key Jackson and Mantle cards, we grade the key cards as follows: 20 Banks NM well ctd, 50 Clemente Ex, 95 Bench VG, 100 Aaron Ex+, 120 Rose NM, 130 Yaz Ex, 190 Mays Ex, 255 Carlton VG-Ex/Ex, 260 R Jackson RC PSA 5.5, 480 Seaver Ex-Mt+, 500.1 Mantle Beckett 6.5, 510 Carew Ex, 533 Ryan VG+, 550 B. Robinson NM, 573 Palmer Ex, 597 Fingers RC NM, and 630 Bonds RC Ex+.

601 1969 Topps Deckle Edge Complete PSA 7 Set w/ variations 600
Popular insert set, this is the basic set of 33 plus two variations. Every card but Rusty Staub (SGC 7) is a pure PSA 7. The edges and centering is always problematic with these cards, they are very difficult to find in PSA 7 quality. Good value set, this has 11 HOFers. The keys are Clemente, Mays, Rose, Foy, Koosman, Yaz and Carew. As of April 1, 2022, the VCP value is \$2,761 for a PSA 7 set.

608 1970 Topps Complete Set VG-Ex/Ex..... 850
 Pleasing mid-grade set, this has some variance. The set is about 20-30% VG or so, the rest is much cleaner. The high numbers have some sharper cards, there is a lot of value here. With no major issues, we grade the key cards as follows: 1 Mets TC Ex-Mt oc, 140 Jackson VG-Ex, 189 Munson RC VG-Ex/Ex, 197 Ryan NLCS Ex, 300 Seaver Ex, 350 Clemente VG-Ex/Ex, 500 Aaron VG+, 580 Rose Ex, 600 Mays VG, 630 Banks Ex oc, 640 Kaline VG+, 660 Bench VG+, 700 F Robby Ex, 712 Ryan VG-Ex/Ex and 713 Pilots TC Ex-Mt.

609 1971 OPC Lot of 11 Graded Stars w/Seaver PSA 7 100

610 1971 Topps Complete Set VG-Ex/Ex..... 625
 Mid-grade 1971 Topps set, this is not bad at all. The cards tend to have honest corner wear, they tend to display well for the grade. - 602 Banks, Ernie 200
 Tougher Transogram, this is the full box. The card displays well with some very fine creasing, the cellophane has a crack and some mild wear, the toy looks good.
- 603 Clemente/Gibson/Koosman Box 300
 Solid mid-grade box, this is complete. The cards have good color, with moderate wear and very slight creasing. The cellophane is tight, the box stands perfectly upright. Very desirable Clemente piece, this also features popular HOFer Bob Gibson and 1969 New York Met Jerry Koosman.
- 604 Mantle, Mickey 375
 Classic Mickey Mantle item, these are always very desirable and never easy to find, especially in today's market. A flattened card alone can sell over \$1,000 in any grade, offered is a full box. The card has some stray wear on the borders, there are no visible creases, the color is strong. The cellophane is tight, the toy looks good, the box displays very well.
- 605 Mays, Willie 125
 Good Mays item, this is the full complete box. The card itself has no visible creases and is clean, there is slight toning at the bottom border. The cellophane has only slight wear and is not sealed at the top inside portion of the box. Clean overall box, this displays very well and looks great.
- 606 Rose, Pete 175

614 1975 - 1979 Hostess Panel Set Run
(5 sets, 150 panels) NM to Nm-Mt. 200
Nice lot, these have totally dried up over the years due to grading. Consigned by an old time collector, nothing has been picked for grading. The condition is a superb Near Mint to Mint overall with some variance at a quick glance, it appears that perhaps 90% of these are well cut beyond the contact line, which is just great! Absolutely loaded with HOFers and stars, each set checks in at 150 cards and offers a tremendous value in today's market. The star power is first rate, there are also Rookie Cards here as well. No doubt, this will be a very popular lot among both collectors and dealers in today's market.

615 1975 Topps Complete Set Ex-Mt/NM..... 250

913 Ali, Muhammed Double-Signed 1974 S.I. Full Issue 9 150
Terrific Ali signed S.I., this is a great cover. Our consignor had this signed at a show and Ali signed it at first in black sharpie ink and then wanted to make an even nicer signature, so he switched to ballpoint ink. Both signatures are solid, with The Greatest Inscriptions. JSA LOA Full.

914 Ali, Muhammed Signed 1963 S.I. Full Issue 9 100
Terrific piece, this was the first of so many Ali Sports Illustrated covers. Very clean issue, this has a large and very strong full Muhammed Ali signature. JSA LOA Full.

910 1887 N162 Goodwin Champions John L. Sullivan SGC Authentic 100
Very tough card of perhaps the first superstar boxer, we have not seen one of these in some time. The card has sharp corners and respectable color, the back is fine. We do not why this came back an Authentic.

915 Ali/Frazier Signed Bat 7 250
One of the oddest Ali Frazier signed items you will ever see, offered is a Wade Boggs model bat. The bat shows excellent use/wear with one slight crack, Ali and Frazier both signed in silver sharpie ink, Ali dated his signature. JSA LOA (full).

921 Postcard Willard, Jess 9..... 75
Very neat Jack Johnson postcard, this is a 1915 era photo postcard. Willard defeated Jack Johnson in 1915 in a great upset with a KO, making this piece even more interesting! JSA LOAA.
