# Letter To Readers

We are very proud to offer what may well be the finest auction we have ever put together. We want to thank our many consignors and suppliers for making this possible. We know there are lots of choices for auctions in this market, but we continue to produce absolute top results by focusing on quality items, properly sized auctions that do not bury your prized collectibles, superior descriptions and scans and top customer service.

This auction begins with almost forty key lots, a good auction unto themselves. The headline piece for this auction is a freshly graded Babe Ruth Rookie Card. The card is a 1916 M101-4 Herpolsheimers PSA 2. From a wonderful old-time collector, this is new to the hobby. Other special items in the auction include a run of Old Judges with a Cap Anson, many T206 Cobbs from PSA 2 to SGC 4.5, Walter Johnson Portrait PSA 3, Mathewson Portrait SGC 5 and four Cy Youngs, including three portraits. Other special cards include an E135 Collins McCarthy Shoeless Joe Jackson, 1915 Cracker Jack Ty Cobb SGC 4, a pair of 1933 Goudey Babe Ruths, 1939 Play Ball Ted Williams PSA 4, 1948 Leaf Jackie Robinson Beckett 1.5 and three 1951 Bowman Willie Mays Rookies, PSA 2 to 3.5. We have two Mickey Mantle 1951 Bowman Rookies, a PSA 1 and a PSA 2.

Other notable highlights include a 1952 Topps fully graded set broken down, with a Mantle PSA 2 and Mays PSA 3. We have a 1952 Mays PSA 4 with a nice 1-310 run. Other special highlights include a nice 1952 Topps Mathews RC PSA 3, 1953 Topps Mantle PSA 4 and Mays PSA 5.5, 1961-2 Fleer Chamberlain RC PSA 4, two 1986-7 Fleer PSA 8 sealed packs and a 1958 Topps Jim Brown RC PSA 7.

Special autograph items include a stunning 1920s Babe Ruth in quotes cut, a simply incredible autograph album page signed by Babe Ruth and Joe DiMaggio in which DiMaggio addresses Ruth, a Ruth-Gehrig ball and a Jimmie Foxx single signed ball. Baseball memorabilia is headlined by a terrific 1967 Roberto Clemente PSA 8.5 gamer.

The auction continues with a nice selection of newly graded Old Judges and with key T206 HOFers in collector grade, 1953 Topps Jackie Robinson SGC 4.5, 1954 Topps Hank Aaron RC PSA 1, 1955 Topps Sandy Koufax RC PSA 6, Roberto Clemente RC PSA 2.5 and a PSA 7 1968 Topps Nolan Ryan Rookie Card among much more. We have many nice partial and complete sets from the 1940s through the 1980s. There is a terrific collection of oddball and modern Pete Rose insert cards that fills up almost forty lots.

Autograph collectors will see a superb 1933 Goudey Rogers Hornsby signed card, a Mint Honus Wagner 3x5, a rare Joe Tinker signed photo and signed Yellow HOF plaques of Dave Bancroft and Jimmie Foxx. Notable signed baseballs include an affordable 1930s ball with Ruth and Gehrig, a superb 1969 Mets signed display and a terrific run of Red Sox team balls from the 1930s through the 1950s, including a 1939 with a Rookie Ted Williams.

Collectors of historical autographs and memorabilia will see many fine Presidential items from the 19th and early 20th century and the classic Dewey Defeats Truman 1948 newspaper.

Entertainment autographs are anchored by an incredible autograph album from the 1940s. Offered as singles and as one lot, the autographs include Bogart, Jolson, Sinatra and Elizabeth Taylor as a teenager. We have many fine Judaica signed items and a superb Gone With The Wind vintage half-sheet.

Non-sports cards include Mickey Mouse and Long Ranger sets. Basketball collectors will see fine 1940s-1960s card lots, many quality 1980s card lots with Michael Jordan Star Beckett cards, three Michael Jordan signed items, a pro cut Larry Bird signed jersey and some wonderful circa 1980 Detroit Pistons gamers. We have various nice football and hockey items, both cards and autographs.

Baseball memorabilia closes out the auction, highlighted by a fine World Series ticket run from 1913-1986.

**1 1916 M101-4 Babe Ruth Rookie Card PSA 2.....25000**

The ultimate player in baseball history, Babe Ruth was not only the finest and most important player in the history of baseball but he also transcended the sport in so many ways. Without Babe Ruth and his fame, there would be no modern superstar athlete or superstar culture. Babe Ruth in the 1920s created the modern sports culture that continues to this day.

We all know high quality and unique cards have been setting price records seemingly every week in 2021, including modern football cards produced in a quantity of 100 selling for over \$2 million dollars.

We respectfully suggest that this card should be worth more than anything produced in the past 30 years. The offered card has a great story to it, we will get to that later. As far as production and recent sales, our research shows the following for the thirty-two of these that are PSA graded:

- Altoona Tribune (1)
- Famous & Barr (4)
- Globe Clothing (3)
- Herpolsheimer (4)
- Indianapolis Brewing (2)
- Gimbels (4)
- Green-Joyce (1)
- Sporting News (10)
- Standard Biscuit (2)
- Wares (1)

Now of course there are some SGC examples (which might have been crossed over and included in these figures) and not everything has been slabbed, but given that only 32 have been slabbed by PSA since 1991, we can reasonably state that this is a rare card aside from its tremendous inherent significance. Just as a note, as of April 17, 2021, there are 316 1986-7 Fleer Michael Jordan 10s in the PSA population report (and there are clearly many, many, many more of these that will be slabbed in the future). Also please note that as of this writing, Jordan 10s can trade for over \$500,000.

The offered card is a fine and attractive two. The card is well centered, the image of a so young and thin Babe Ruth looks great. The borders are clean, the corners show consistent wear in the VG range. The desirable back is perfectly bright, clean and pristine. Two creases by the bottom border of the card keep this at a 2, they just barely crack the paper. In short, this is a fine looking and extremely attractive card for the grade.

Fresh to the hobby, this was collected back in the 1980s by a wonderful old time collector. This was a person who could tell you the difference between an E120, W573 or E121 in his sleep. A supremely knowledge collector who loved vintage cards, we have sold most of his collection over the years. He told me years ago that one day that I would get a call about his Babe Ruth Rookie Card when he died; sadly that day came this year. This card has an amazing story to it. Back in the 1980s, 1975 Topps Mini baseball card sets were among the hottest items in the hobby. In perhaps the most brilliant trade in the history of our hobby, our consign- or swapped his 1975 Topps set for this Babe Ruth Rookie Card! Who wants to add what one can reasonably argue is the ultimate baseball card to their collection or investment portfolio?

**Please note bidders must be pre-approved by us to bid on this lot.**

2            1887 N172 Old Judge            Cap Anson            SGC 1.5.....1000

A cornerstone 19th century card, there are few names bigger than Cap Anson for early baseball. He does not have a large number of cards and they are always very desirable. Seemingly the best bargain ever in today's market, these are probably great to put in a box for a few years. This card offers a handsome portrait image with good contrast and a terrific antique feel. There are no creases, the corners show moderate wear, the back has the typical issues. Some general wear is present on the front on the card, this is a very solid overall card for the grade.

# Key Lots

3            1909 T206 Ty Cobb (portrait, green bckgrnd)            SGC 1 .....500  
 The key T206 Hall of Fame pose, these are revered by collectors. Bright and very attractive, this presents awfully well for the grade. The card has moderate creasing on the front and a pinprick area of white. The borders are white, the color is rich and the image is very sharp looking. The back has some scraping from scrapbook removal and is otherwise not bad at all.

# Key Lots

4            1909 T206 Ty Cobb (bat on shoulder)            PSA 2.....1500  
Vital Ty Cobb card, many people used to think that this was the hardest of the four T206 Cobbs to find. Freshly graded, we feel PSA was very harsh on this card as it is much more like 3 than a 2. Well centered with good color, there is hardly any creasing, the corners show consistent wear, the back is bright and clean. There is some slight spotting to the right of Cobb in the image, the surfaces are otherwise clean, as are the borders. T206 HOFers have been on fire this year, this is one of the absolute keys to the set and the kind of card that may well eventually end up in a 2.5 or 3 holder one day.

# Key Lots

5            1909 T206 Ty Cobb (portrait, red bckgrnd)            SGC 4.5.....2000  
Great looking card, this has a gorgeous image, clean white borders and a perfect back. The corners come to points, the card is centered to the left border with a very slight diamond cut. There is some slight wear by the far right border, the surfaces are otherwise perfectly clean. The back is quite clean, the image has perfect color and registration. In short, this is a very, very solid card for the grade.

# Key Lots

8            1917 E135 Collins McCarthy    Shoeless Joe Jackson    PSA Authentic Altered .....1000  
Offered is an extremely desirable card of the one and only Shoeless Joe Jackson. A card that hardly ever comes to market, these were issued in California by the Collins McCarthy Candy company. A trophy card of Shoeless Joe, our consignor obtained this in the 1980s and this has been in a safety deposit box until now. The offered card we believe received the Authentic Altered grade due to slight clipping of the bottom two corners (this was not done to deceive, rather many old timer collectors could not get the cards to fit properly in the very limited types of plastic sheets in this era and made adjustments). The offered card has a perfect image of Jackson in his dark White Sox uniform standing with a bat on his shoulder. The front of the card has no visible creasing, even under magnification. Centered to the right border, there is slight wear on the right edge, the borders are clean, the card displays well. The back of the card has some subtle scraping, likely from wear, but are not certain. There is almost zero paper loss and this also displays nicely.

A very solid card despite the disclosed condition issues, who wants to get a Shoeless Joe Jackson card that hardly anyone else has?

# Key Lots

10            1933   Goudey            144            Babe Ruth    PSA 1.5.....1500  
Classic Babe Ruth card, this has good color and a nicely focused image. Not bad at all for the grade, the card has mild toning, a clean back and no technical flaws. Two creases on the front, one heavier than the other, and corner wear keep this at a perfectly acceptable and pleasing 1.5.

# Key Lots

11            1939 Play Ball            92            Ted Williams RC            PSA 4.....2000

One of the ultimate Rookie Cards, Ted Williams had one of the finest Rookie seasons in all of baseball history. A trophy card, these have been white-hot in recent years. Offered is a really nice 4, the card has a terrific image of a so young Ted Williams. The borders are clean, the black background contrasts nicely against the image. There are no visible creases or wrinkles to our eyes, the back is perfectly clean. Centered slightly to the left border, the corners show very mild and consistent wear.

It would be very hard to find a nicer example of this vital card in a 4 holder.

# Key Lots

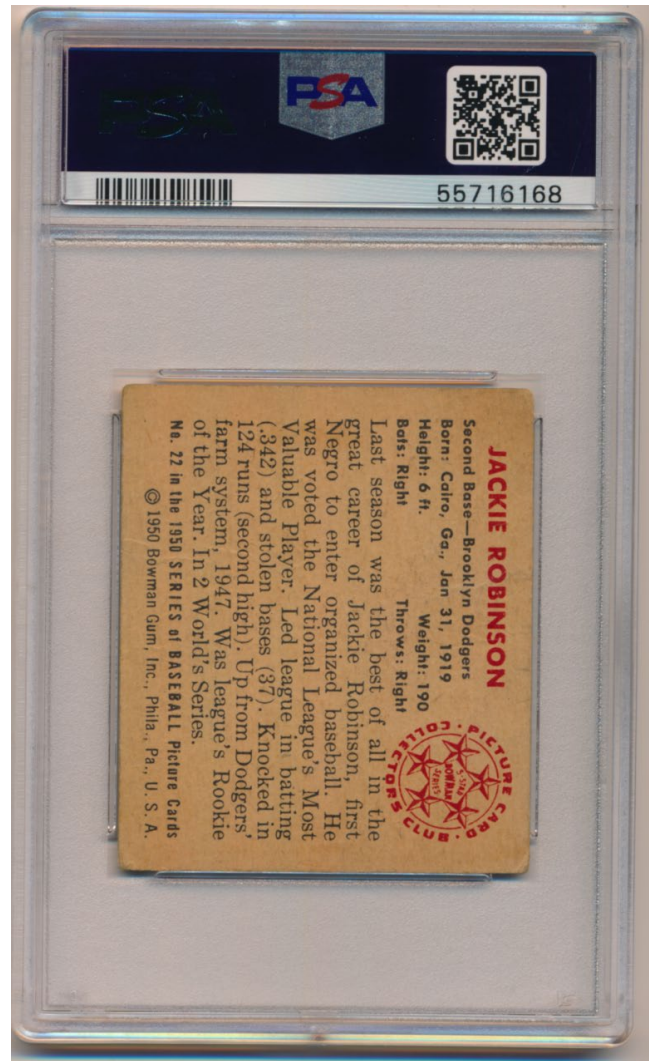

12      1948 Leaf 79 Jackie Robinson RC      Beckett 1.5.....2000  
 One of the most dynamic cards in the market, these seem to be appreciating rapidly by the month.  
 Always desirable, this has now become a vital card.

Offered is an eminently affordable Beckett 1.5 example. Low grade but not abused, the offered card is a strikingly well registered image and rich, original color. The card grades a 1.5 due to creasing, corner wear and some general wear. The print on the back can be seen on the front with care as is typical, the back has print marks but no paper loss.

# Key Lots

13            1950   Bowman            22            Jackie Robinson            PSA 2.5.....1200  
 Very early and desirable Jackie card, this is the key to this classic Bowman set. Beautifully centered with consistent and mild corner wear, PSA really split hairs with the grade here, we feel it should have been a 3. The image is perfectly focused and registered, the back is clean, the borders are clean, with toning at the upper left corner only. There is one very fine surface crease on the left side of the card that is not easy to see and a corner crease at the lower right corner.

This card will easily stand out in a crowd for a 2.5 1950 Bowman. A fine card, this is a perfect grade for so many collectors, it displays very well.

# Key Lots

14            1951 Bowman            253            Mickey Mantle RC            PSA 1.....2000

The ultimate Rookie Card to so many collectors, this is a trophy card in any grade! The offered card certainly earns its 1 grade with extensive creasing in both directions. The corners are about Good overall, oddly enough the back is clean. The card retains respectable color and has a fully presentable image. There are no technical flaws, this will fill this most vital hole in any Rookie Card or 1950s card collection without breaking the bank!

# Key Lots

15      1951 Bowman      253      Mickey Mantle RC      PSA 2.....2500

One of the ultimate baseball cards, these have understandably rocketed in price in recent years. One of the most vital of all Rookie Cards, this card is revered by collectors. The offered card is truly extraordinary for its grade. The card offers four square corners, **OUTSTANDING CENTERING**, bright white borders, great color and a gorgeous image. There is some very subtle paper creasing on the front this is not easy to see. The back has some fine scraping in spots but is not bad at all. This has the eye appeal of a PSA 6 or even a 7, this card should trade at a premium to other PSA 2s for this reason in our opinion. Great card, this was obtained in the 1980s by one of the hobby's great collectors and has been in a binder for decades.

# Key Lots

16      1951 Bowman      305      Willie Mays RC      PSA 3.....1000  
Vital Rookie Card of one of the very finest players in the history of baseball, these have been white-hot in the past year. Very attractive 3, this has a strikingly nice image with rich color. The card has great eye appeal with a fresh look and feel. Reasonably well centered, the borders are clean. The corners approach Ex, there is some very fine creasing in the card. The back has one corner line and is otherwise perfect. This is a very, very fine card for the grade.

# Key Lots

17      1951 Bowman      305      Willie Mays RC      PSA 3.5.....1500

Vital Rookie Card of one of the very finest players in the history of baseball, these have been white-hot in the past year. Conservatively graded, we feel this should have been a 4, PSA really split hairs with the 3.5 grade. Bright and clean card, it has a great image and rich color, this displays very well. We cannot see any creases or wrinkles, even under magnification. The card is centered mildly to the left border, the surfaces are clean, with hardly any wear. The borders are white, the back is perfectly clean. The corners approach Ex, this is a very nice card for the grade.

# Key Lots

18            1952 Topps            261            Willie Mays            PSA 3.....1000  
 One of the hottest cards in the world, this always tracks the 1952 Topps Mantle. Willie's first Topps card, of course an absolute key to a set.

An important card of one of the finest players in baseball history, this example has no visible creases or wrinkles. Centered to the left border, general surface wear, including pinprick areas of surface wear, keep this at a 3. The corners are not bad at all, the image of Mays has good color and displays well.

# Key Lots

19            1952 Topps            261            Willie Mays            PSA 4.....1500  
 Classic baseball card, this is the first Topps card of Willie Mays. An absolute key to the ultimate Topps set, this must be one reason that these have skyrocketed in price in recent years.

Offered is a fresh and fine 4. The card has perfect color and image quality, the borders are clean, as is the back. We cannot see any creases or wrinkles, even under magnification. The corners show mild and consistent wear, the surfaces are clean. Centered very heavily to the bottom border as is typical, it is very well centered left to right. This is a very solid card for the grade.

# Key Lots

20 1952 Topps 311 Mickey Mantle PSA 2.....3000

Legendary baseball card, it is no wonder these have been so hot in recent years. Almost beyond iconic, this almost has to be in any major vintage card collection. These also seem frankly undervalued given what modern Rookie Cards of comparable players have been trading for this year.

The offered card has good color and a nicely defined image. There are no visible creases or wrinkles on the card, the borders are reasonably clean. The back is bright and perfectly clean. Three corners are in the VG range, a chip at the lower right corner keeps this at a 2. A PSA 1 sold for over \$40,000 in our February 2021 auction, it will be interesting to see where this ends up.

# Key Lots

21            1952 Topps            407            Eddie Mathews            PSA 3.....1500

An absolute key to any 52 Topps set, these are never easy to find and are revered by 52 Topps set collectors. Needed also by many HOF Rookie Card collectors and a scarce high number, it is no surprise why this is a pricey card.

Offered is a very attractive 3, the card has excellent color and image quality, clean white borders, a spotless back and consistent corner wear. Centered to the left border, there is hardly any creasing, the surfaces are clean.

# Key Lots

## 22 1952 Topps Complete 1-310 Run less Mays VG-Ex/Ex .....1500

The heart of the great 1952 Topps set, like everything else of quality in this market, these have been appreciating rapidly in recent years. Offered is a smartly collected mid-grade run, our consignor has a good eye and knew not to skimp on the key cards. Usually found with terrible star cards, this run is notable as several are PSA 5s. The low numbers range from VG to Ex Plus and are a solid VG-Ex/Ex overall to our eyes. The rest of the set is also VG-Ex/Ex overall with mild variance. There are no beat up cards here, and hardly anything is in need of an upgrade. The value as single cards here is no doubt tremendous, this would be a very difficult run to replicate in today's market.

There are four slabbed commons: (114 PSA 5, 284 SGC 5.5, 287 PSA 4 and 307 PSA 7 oc) and two cards have autographs (Kluszewski, Branca). The many key cards grade as follows: 1 Pafko SGC 4, 2 Runnells RC VG, 11 Rizzuto VG, 15 Pesky SGC 5, 20 Loes RC SP PSA 4, 26 M Irvin VG, 33 Spahn VG, 36 Hodges VG, 37 Snider GVG/VG, 59 Roberts VG-Ex/Ex, 65 Slaughter PSA 5, 88 Feller PSA 5, 108 Konstanty PSA 6, 129 Johnny Mize VG+ nicely ctd, 140 Antonelli PSA 6, 175 Martin RC PSA 5, 191 Berra PSA 3.5, 195 Minoso RC VG, 200 R Houk RC PSA 5, 216 Ashburn Good, 253 Berardino PSA 5, 268 Lemon Ex and 277 E Wynn Ex.

# Key Lots

23            1953 Topps            82            Mickey Mantle            PSA 4.....1200

Vital Mickey Mantle card, this one is outstanding for the grade. Freshly graded, this has a superb image and great color. There is hardly any creasing, just some tiny surface wrinkles by the left edge. The color borders are very strong, with no chipping, the surfaces are quite clean. The corners are just shy of Ex, the back is clean. Centered mildly to the left border, this is a cornerstone Mickey Mantle and Topps card; it is no wonder these have been appreciating so much in recent years.

# Key Lots

24            1953 Topps            244            Willie Mays            PSA 5.5.....1200

Vital Willie Mays card, these have never been easy to find, especially in Ex or better grades. Freshly graded, this has four corners that come to points. There is no chipping in the black border. The borders are white, the surfaces are very clean, the image of a so young Willie Mays looks terrific. The back is perfectly clean, centering to the left border is the only issue here.

# Key Lots

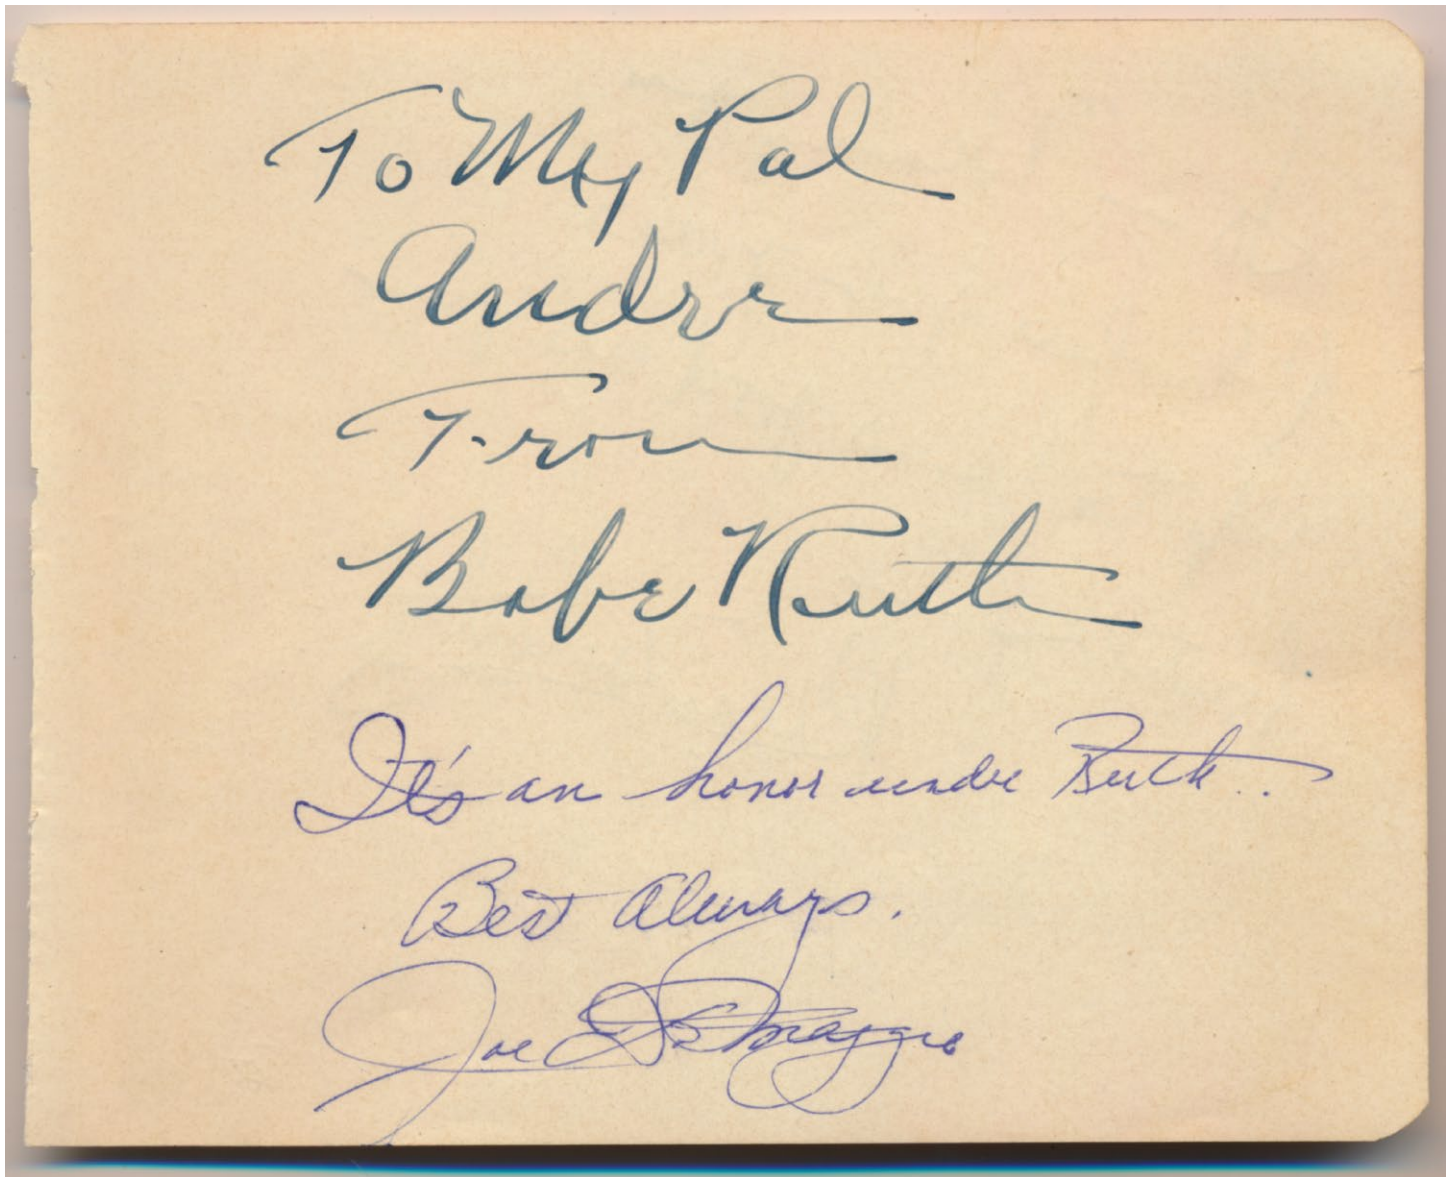

25 Ruth, Babe Superb Early 1920s Signature 9.....800

Our consignor purchased this in one of our auctions in 2012. This autograph was so nice and special, that I remember it well. So scarce to find in this quality, offered is a stunning circa 1924 Babe Ruth in quotes autograph. The Babe signed this on a very clean 3 3/8 x 2 thick stock white business size card in flowing and bold black fountain pen.

Ruth autographs from this era in his career are at least 50 times, if not 100 times, scarcer than the autographs signed by him in the mid-1930s. Earlier Ruth autographs remain tremendously undervalued as the hobby does not put the proper valuation on vintage career signed items, as opposed to items signed after the player has retired. This is a truly special and choice Babe Ruth autograph that does not come to market very often at all. JSA LOA (full).

# Key Lots

26 DiMaggio/Ruth Signed Vintage Album Page 9.....2000  
One of the very finest autographed items that we have ever seen, this is a true wonder. One of what may well be only a handful of items signed by baseball legends Babe Ruth and Joe DiMaggio together, this treasure is simply beyond awesome.

A perfectly clean autograph album page from the 1940s, the top half is signed To My Pal Andre from Babe Ruth. The bottom half is signed It's an honor under Ruth Best Always Joe DiMaggio.

Who wants to own a truly unique and great item from Babe Ruth and Joe DiMaggio. This will instantly elevate the stature of many collections. PSA DNA (full).

27 Ruth/Gehrig plus one 5.....1500

Ruth and Gehrig are the ultimate pair of HOFers from one team in all of baseball history, naturally baseballs signed by Ruth and Gehrig have exploded in price in recent years. Offered is a fully presentable mid-grade model. The ball itself is a mildly toned OAL Barnard two-toned ball from circa 1930. The ball has some general wear and is not bad at all. The sweet spot has a large and classic Babe Ruth blue ink signature, we feel it grades a 6/10. There is a large Lou Gehrig signature to Babe's left, we feel it grades a 5/10. A third faint signature was on the ball but seems to have worn away with time.

If you want a fully legible ball this is not ugly and do want to spend tens of thousands of dollars, than this lot may well be worth a close look. JSA LOA (full).

# Key Lots

**28 Jimmie Foxx Single Signed Ball** **PSA 7.....1000**  
One of the most sought after single signed balls, high grade examples sell for enormous prices. Scarce as Foxx died in 1967, these are revered by advanced 500 Home Run and HOF single signed ball collectors. The offered ball is a very pleasing and respectable exemplar. The ball itself is a lightly toned Professional model ball. Foxx signed the sweet spot in brown ink, the signature contrasts reasonably well against the ball, a faint inscription appears on the left panel (we will have images of all six sides of the ball on our website). The ball displays very nicely and is a solid and completely satisfying example of this scarce, desirable and extremely pricey single.

Who wants to fill in a very, very important space in their HOF or 500 Home Run single signed ball collection? PSA DNA (full).

**29      Clemente, Roberto 1967 Game Used Bat      PSA 8.5.....1500**  
Awesome Clemente bat, this has a fine PSA 8.5 grade. An iconic and beloved player, anything game used by Clemente is revered by collectors. The offered bat is fresh to market, the finish on the bat had flaking and was restored. The bat is an Adirondack 129X model and is from 1967. The bat is 36.25 inches long and weighs 39.1 ounces. The bat shows outstanding use according to the included PSA DNA LOA. Ball marks are visible on the bat, Clemente's 21 is written on the knob in fading marker. This is a truly special and wonderful bat, these seem so undervalued compared to what his quality cards trade at.

30            1961 Fleer 8 Wilt Chamberlain RC            PSA 4.....1500

The ultimate basketball player to many hoops fans, this has been one of the most sought after Rookie Cards in recent years. Offered is a very fresh and fine 4, this came from one of the hobby's great collections. A very, very strong card for the grade, we cannot see any creases or wrinkles, even under magnification. The surfaces are perfectly clean, the color and image quality are terrific, the borders are quite white, the back is perfectly clean. Centering to the upper left corner and wear at that corner likely led to the 4 grade.

This is a very, very nice card for the grade that is notable for a strikingly colorful and fine image of the great Chamberlain.

33 Bryant, Kobe Signed Jersey 9.5.....700  
Vital item, this is an extremely desirable purple and gold Kobe Bryant LA Lakers player model jersey. Kobe signed this in bold black sharpie ink in a perfect spot. A large and fine signature, it contrasts perfectly against the jersey. With a PSA DNA LOA card, this is tragically now a very scarce and expensive jersey. Please note, no player of Kobe's stature in their sport has passed away at such a tender age since Lou Gehrig. PSA DNA (card).

84 1888 N173 Old Judge Cabinet Cannonball Crane SGC 1.5 ..... 600

Great 19th century issue, these are so undervalued in today's market. The offered card has a wonderfully evocative image of this New York player in his great uniform. The card has no obvious creasing, the edges look good, the surfaces are clean. There is slight wear at the top border. The back is clean, save for a name written in ink, this is almost certainly why it graded a 1.5. This is a far superior card visually than a 1.5.

99 Cy Young (Clev, no glove shows) PSA 3.5..... 1000  
 Well centered, this card has gorgeous color. The borders are bright white, the back is perfectly clean. The corners show mild and consistent wear. 107 1910 E91-A American Caramel  
Honus Wagner PSA Authentic..... 400  
Affordable real Honus Wagner card, the card retains a good image and nice color. The condition is otherwise extremely rough, with note to a significant crease, lots of corner wear and some general wear. Despite these flaws, we do not understand why it did not grade a 1, and perhaps it will at a future time or by another grading service. The card is far from ugly and does not come to market very often, no doubt it will find a happy home.

108 1911 D304 Brunners Bread Lajoie PSA 1..... 200

147 1949 Sealtest Phillies Jones, William Puddinhead SGC 5 ..... 300  
 Very tough issue, these do not come to market very often.  
 Pleasing 5, this is well centered with respectable corners.  
 The image on the front of this cult favorite looks great,  
 the back is not bad at all.

148 1949 Sealtest Phillies  
Nicholson, Bill SGC 7 ..... 350

A very tough issue to find, especially in a Near Mint 7 holder. Crisp card has four square corners, the front looks great, the back has the slight toning/staining that is typical for the issue.

149 1949 Sealtest Phillies  
Simmons, Curt SGC 6 ..... 250

Scarce issue, the image presents well. The top two corners show slight wear. The neat looking back shows some typical toning/staining for the issue.

150 1951 Bowman  
305 Willie Mays RC PSA 2 ..... 500

Vital Rookie Card of one of the very finest players in the history of baseball, these have been white-hot in the past year. The offered card is a gorgeous 2. Notable for beautiful color and a strikingly fine image, this is centered mildly to the left border. The white borders are very clean, the corners are in the VG-Ex/Ex range. There are no visible creases or wrinkles, this graded a 2 due to mild back wear. This will present far, far nicer than almost any other 2 that one will find.

151 1952 Bowman 44 Campanella PSA 7 ..... 175  
Fine looking 7 has rich color and a terrific image. Reasonably well centered, the corners all come to solid points, the borders are very clean.

152 1952 Bowman 218 Mays PSA 5 ..... 1000  
Only Mays's second-year card, this is a high number and has long been undervalued. Freshly graded, this is a super sharp and colorful card. Strikingly nice, this has a perfect image and none of the usual print lines. Heavy centering to the right border keeps this at an awfully sharp and attractive Ex 5.

## 1952 Topps

153 48 Joe Page Error PSA 2 ..... 100  
Classic Topps error card, these are never easy to find. The offered card is a really nice 2, there are no creases, the surfaces are clean, it is well centered, the color is good. This card is much more like a 3 than a 2 and may be worth submitting for review.

154 49 Johnny Sain Error SGC 2.5 ..... 100  
Classic Topps error card, these are never easy to find. Sharp looking card has great color and square corners, fine creasing, a slight diamond cut and the cut on the back led to the 2.5 grade. This card has eye appeal far beyond its technical grade.

Colorful 5 has a fine image. Centered to the lower left corner, the corner wear is light and consistent.

Long undervalued, these have totally dried up in recent months. Offered is an ideal 5: this card has gorgeous color and outstanding centering. The borders are white, the surfaces are clean. 191 407 Mathews RC PSA 2 ..... 800  
 An absolute key to the ultimate Topps set, this is the Rookie Card of a 500 Home Run Club member. The offered card has a fine image and great color. Centered heavily to the left border as is typical, the card has clean white borders and a solid back. The corners are in the VG to VG-Ex range, the borders are clean. The card has some very fine creasing and general wear, it is much more like a 3 than a 2. This will nicely fill a monumental hole in most of your 52 Topps sets and/or HOF Rookie Card collections.

197 Collection of 245 different 1952 Topps PSA cards w/stars ..... 1200

Solid run of 1952 Topps cards, these range from PSA 2 to PSA 5s. There are no qualifiers. Many of these cards were purchased from me years ago by our consignor. These were obtained one by one with a special emphasis on eye appeal and quality. These cards tend to display very well for the grade. The lot contains 74 of the 80 low numbers and all but eleven of the semi-high numbers. The value as singles in the market is surely tremendous, particularly with the recent price increases and submission blockages from PSA. A dealer can no doubt have a field day with these as singles, but we hope these fine cards end up in the hands of a collector who will complete the set. We will have a full inventory on our website. These are some of the highlights of the set: 1 Pafko 3, 2 Runnels RC 4.5, 10 Rosen 5, 11 Rizzuto 2, 20 Loes RC SP 4, 22 Dom DiMaggio 3, 26 M Irvin 5, 29 Kluszewski 4, 31 Zernial Baseballs 5, 33 Spahn 4, 36 Hodges 4, 37 Snider 4, 48.1 Joe Page Cor 5, 49.1 Johnny Sain Cor 2, 57 Lopat 5, 59 Roberts 5, 65 Slaughter 3, 66 Roe 5, 67 Reynolds 4, 88 Feller 4, 129 Johnny Mize 5, 175 Martin RC 2, 191 Berra 2, 195 Mino RC 4, 200 R Houk RC 5, 215 Bauer 5, 216 Ashburn 5, 227 Garagiola FTC 5, 243 Doby 4, 246 Kell 5, 253 Bernardino 3, 268 Lemon 4, 277 E Wynn 5, 282 Tebbets SP 5, 296 Rolfe 5, 299 Murray SP 3, 300 McCoskey SP 3 and 310 Metkovich 4.

 White-hot card, this is a very nice mid-grade example. This card has outstanding centering, great color and no creases or wrinkles. The black border looks good, as does the classic image of Jackie. The corners show only light and consistent wear, this is an ideal card for the grade.

200 1954 Topps 128 Aaron RC PSA 1..... 1000  
 Offered is a much better Aaron RC 1 than you will find. Well centered, the card retains good color and has a nice image. There is no paper loss on the back, the card has no technical flaws. The card has definite creasing, but it is not excessive or ugly. The corners are in the VG range, this card is much more like a 2 than a 1.

199 1953 Topps 12 Judson PSA 8..... 30  
Well centered and very sharp, this is a classic 8.

201 1954 Topps 143 Hemsley SGC 8.5..... 25  
Well centered and super sharp, this is a remarkable condition 1954 Topps card.

202 1954 Topps 201 Al Kaline RC SGC 3 ..... 300  
Key HOF Rookie Card, these are always desirable. Offered is perhaps the sharpest 3 you will ever see, this card has four square corners. The surfaces look great, the borders are white, the surfaces are clean. Centered to the left border, there might be a tiny wrinkle or other incredibly minute back flaw as this card truly appears to be undergraded. The winning bidder will be getting an awfully nice card for the grade.

203 1954 Topps 250 Ted Williams PSA 5..... 300  
Beautifully centered, this has great color, bright white borders and a very fresh look. Much tougher than the number one card, this is an absolute key to this set. The corners come to points, the cut on the bottom two corners likely led to the 5 grade, this is a very solid card.

204 1954 Wilson Franks Slaughter PSA 5..... 125  
Revered issue, these are always neat to find in 5 holders. Exceptionally well centered for the issue, this has clean white borders and strong color. The corners show only slight wear, the back has some typical staining for the issue.

205 1955 Stahl Meyer Lockman PSA 4..... 120  
Revered issue, these are so cheap at current market levels. Very strong 4, this has rich color and no visible creases or wrinkles. Mild edge wear at the top border keeps this at a really nice 4.

206 1955 Topps 47 Hank Aaron SGC 6 ..... 625  
Key card, these are never easy to find with good centering. Only Aaron's second card, these have exploded in price in recent years. Beautifully centered, this card has stunning color and a remarkable image. The borders are white, the corners exhibit slight wear at the tips. It would be very hard to find a more attractive example of this card than this.

207 1955 Topps 123 Koufax RC PSA 2.5..... 300  
Another very nice card for the grade, this example has rich color and terrific image quality. Centered to the left border, the corners are in the VG-Ex/Ex range. Upon very close examination, the card has two VERY fine paper wrinkles on the front that do not crack the paper. The back is perfectly clean, the grade appears to be very conservative. Solid card.

210 1956 Topps 135 Mantle PSA 2.5..... 200  
Classic Mantle card, these are always super popular. Freshly graded, this is not bad at all for the grade. Centered to the left border, the card retains good color and clean white borders. The corners are in the VG to VG-Ex range, the back looks good. The card has one surface crease on the left side on the front and some pinpricks of surface wear.

# Baseball Cards

208 1955 Topps 123 Koufax RC PSA 6..... 600  
Vital card, this example is very strong for the grade. Bright and clean, the corners come to solid points, the borders look great. Centered slightly to the right border, there is hardly any print, the image of a Rookie Sandy K looks terrific.

209 1955 Topps 164 Clemente RC PSA 2.5..... 1000  
Extremely popular and vital Rookie Card, these are super hot right now. Offered is a very pleasing 2.5, there are no creases, the color is solid, the card is centered to the left border. A nick of white in the E of Pirates by the bottom right corner likely led to the 2.5 grade.

211 1957 Kahns Frank Robinson RC PSA 1 ..... 150  
So undervalued, this is a scarce Rookie Card of an All Time Great player. Conservatively graded, this has a clean back and one crease. We feel it should have graded a 2 or a 2.5. The image of a smiling Frank Robinson examining his bat looks great, the surfaces are reasonably clean, the corners are in the Ex range. This is a truly superior card for the grade.

212 1958 Hires with tab 25 Willie Mays PSA 6 ..... 300  
Great card, these seem so undervalued in today's market. Bright and clean, this has crisp edges, perfect color and super clean surfaces. Centering to the left border as is typical keeps this at a 6. A card that does not come to market very often and looks great, this might be a good card to put in a box for a year and see what happens with the market.

229 1964 Topps Rookie Banquet Complete Set Minus Rose Ex-Mt/NM..... 500  
 Very elusive issue, these hardly ever come to market. Issued on a very limited basis, this fun oversize card set pictures baseball rookies from 1963. The cards each picture ten players, various executives and some a single player. The offered lot includes five PSA-slabbed cards: 4 (Greenberg, Frisch etc) PSA 6, 5 Honorary Committee PSA 6, 6 Executive Directors w/Sy Berger PSA 6, 8 1959 Rookies (McCovey/Alison/Perry) PSA 7 and 10 1961 Topps Rookies (B. Williams, Torre) PSA 6. The other 29 cards are a strong Ex-Mt/NM overall with sharper cards, these include desirable cards of Tony Oliva, Richie Allen, Bert Campaneris and Tony Oliva. This set has a significant value as singles given the scarcity and uniqueness of the issue. Please note the original box comes with the lot.

232 1966 Topps 1 Mays PSA 5.5..... 250  
 Really a 6, PSA split hairs with the grade. Nicely centered with respectable corners, this card has great color and a terrific image. The borders are white, the corners show only very slight wear, this will look great in almost any 66 set.

**281 1882 H804-11 Trade Cards Complete Set (9) Ex..... 100**  
 One of the most attractive of all 19th century trade cards, these cards have a rich blue border and terrific images. Exceptionally clean, these are on fragile paper stock and have the sharpest corners that we have ever seen on this issue. Like almost all 19th century issues, these were removed from a scrapbook; fortunately, the work was quite good with hardly any paper loss or major issues, the backs also happen to display quite well overall. Our consignor paid \$1,200 for these back in 1995, it will be interesting to see where they end up. I would not assume that another full set in this quality will be coming on the market again anytime soon.

**283 1909 T206 Lot of 8 different w/Kleinow Boston Beckett 2 ..... 100**  
 Pleasing lot of T206s, these are anchored by the desirable Kleinow Boston variation (PSA 2). The other cards are commons, one is a Polar Back. The backs are clean save for one card, they appear to be Good to VG overall and display nicely.

**284 1909 T206 Lot of 76 commons with six duplicates GVG .... 750**  
 Very pleasing lot of T206s, the cards have a consistent look and feel. Many of the cards have moderate creasing and a fair amount of corner, they vary mildly in grade. The cards tend to display well, the backs are very clean overall as only three cards appear to have any back issues. There could be slabbed 3s hiding here, this is not a super low grade or abused lot by any stretch. T206 lots like this have become rare due to slabbing, no doubt these will find a happy home.

**282 1909 Domino Discs 105 different w/Johnson, Mathewson Ex..... 800**

293 1949 Jimmy Fund Boston Braves Die-Cuts  
Elliott, G w/orig. envelope Ex-Mt ..... 100  
Such a neat issue, the images do not do justice to these great looking 11 inch tall die-cut cards. With the original mailing envelope, this is a great card to add to an advanced type-card collection. The original easel is flat and unused, this shows hardly any wear, with just some minute spotting in the center, this displays very well.

294 1949 Jimmy Fund Boston Braves Die-Cuts  
Holmes w/orig. envelope VG ..... 75  
Such a neat issue, the images do not do justice to these great looking 11 inch tall die-cut cards. With the original mailing envelope, this is a great card to add to an advanced type-card collection. The original easel is flat and unused, this shows hardly any wear, a crease on Holmes's neck keeps this at VG, it still displays quite well.

297 1951 Bowman Complete Set -5 Cards (319/324) Ex..... 700  
 Among the most classic of all baseball cards, the 1951 Bowman stands the test of time. Fresh set, our consignor, a visionary collector, obtained this in the 1980s as part of an amazing collection. The five key cards will be offered as separate lots in various auctions but there is some SERIOUS star power remaining here. Due to the current cost of slabbing, our consignor has decided to let the next person deal with that issue, in other words, there are MANY FINE CARDS HERE TO GET SLABBED. Also please note the high number run is missing only Mantle and Mays, and has a very substantial catalog value as singles. Ex overall with mild variance in both directions, this is a very clean and fine 1951 Bowman set. The many better cards in this very substantial lot include the following: 2 Berra Ex, 7 Hodges Ex+, 26 Rizzuto VG-Ex/Ex, 30 Feller Ex, 31 Campanella VG-Ex/Ex ctd, 32 Snider Ex-Mt, 80 Reese VG-Ex/Ex, 122 Garagiola RC VG-Ex/Ex, 134 Spahn Ex-Mt, 181 Stengel Ex, 186 Ashburn VG-Ex ctd, 198 M Irvin RC Ex ctd, 232 N Fox RC NM, 254 Jensen RC Ex, 260 Erskine RC NM, 282 Frisch VG-Ex/Ex, 290 Dickey Ex, 295 Al Lopez Ex, 306 Piersall RC Ex ctd, 317 Burgess RC Ex-Mt+, 323 Adcock RC VG-Ex/Ex and 324 Pramesa RC Ex-Mt. 298 Full Run of Four Red Man Complete Sets, all without tabs Ex+ ..... 750  
 Fun and extremely colorful run of these overlooked cards, the eye appeal is tremendous. These are highly evocative sets with the great colors and graphic design from the 1950s. Loaded with HOFers and stars, these sets represent a rare great value in 1950s baseball card sets. Missing the tabs, generally otherwise well cut, we feel these average about Ex overall with typical variance. The 1952 set is a grade below the others, the 1954 set does not have the variations, there are some very sharp cards scattered about the lot. The key cards from each set grades as follows: 1952: 15.2 Willie Mays VG-Ex mk, 16.2 Stan Musial VG-Ex/Ex, 21.2 Duke Snider VG-Ex/Ex, 23.1 Ted Williams VG-Ex/Ex; 1953: 3.1 Larry Yogi Berra VG+, 5.2 Roy Campanella Ex, 14.2 Edwin Duke Snider Ex++, 26.2 Stan Musial VG-Ex/Ex; 1954: 4.1 George Kell (Boston) VG-Ex/Ex, 6.1 Sam Mele (Chicago) NM, 9.1 Dave Philley (Philadelphia) Good, 13.2 Roy Campanella NM, 15.2 Pee Wee Reese Ex-Mt, 16.1 Ed Whitey Ford Ex-Mt+, 16.2 Edwin Duke Snider Ex-Mt+, 17.1 Phil Rizzuto Nm-Mt, 19.2 Enos Slaughter VG-Ex/Ex, 20.1 Larry Yogi Berra Ex+, 25.2 Willie Mays VG+ and 1955: 7.2 Willie Mays NM, 16.1 Larry Yogi Berra VG-Ex, 19.2 Duke Snider VG.

Autographed Cards

419 1933 Goudey 188 Rogers Hornsby 9 ..... 400  
Beautiful signed card, this is very special. One of the best looking cards from one of the most popular and widely collected baseball card sets ever issued, signed examples hardly ever come up due to the high value of this card. The offered card has terrific color, a fine image and bright white borders. The card has one crease that does not crack the paper, the corners are nice. The back has tape from frame removal. This has a bold and fine dark fountain pen ink signature in a perfect spot. One of the very finest hitters in baseball history, this is perhaps his most attractive card and it is from an iconic set. This is a truly special signed card. JSA LOA (full).

420 1950 Bowman 112 Gil Hodges 8..... 150  
Very desirable signed card, we hardly ever see these. Slabbed by Beckett, this card has exceptional color and a terrific image. The card has one fine crease and displays well. Gil signed this in a perfect spot in flowing blue ballpoint ink, the signature looks terrific.
