- 691 1930 R73 Jungle Chewing Gum Lot of 38 Cards VG-Ex/Ex ..... 100
- Scarce issue, these hardly ever come up in lots of this size. The period imagery is just wonderful, there are many superb Ex or better cards in the lot, the condition varies mildly, nothing has been picked for grading. The full set is 49 cards, this lot contains 36 different, one duplicate, and four cards from the related National Licorice Company set.

- 692 1933 R128-2 Western Cards Complete Set (48) Ex..... 100
- Colorful and very attractive set, full sets hardly ever come to market. The edges are perforated on two sides, so these were issued in strips. The condition varies mildly, the cards are about Ex to our eyes (many cards are sharp but have what are almost certainly typical centering issues). Probably a good set to get fully slabbed, this might be the first time that we have handled a full set of these. The sets recounts the history of the west, with names like Jesse James, Buffalo Bill, Davy Crockett, Daniel Boone and General Custer.

- 693 1933 R26 Goudey Boy Scouts Complete Set (48) VG to VG-Ex ... 100
- Rarely offered as a complete set, even single cards are not easy to find. From an incredible collection, our consign- or really liked these. The condition varies, some cards are below VG, nearly everything is a pleasing VG to VG-Ex. The backs have no issues, save for a stamp on one card. The cards retain good color and have excellent eye appeal, nothing has been picked for grading, six doubles come along with the set, 54 total cards.

- 694 1933 Wheaties Skippy Premiums F272-12 Complete Set (12) + extras GVG ..... 25
- Cute set, these measure 2.25 x 3.25. This lot has a full set of 12 plus six doubles. The condition is GVG/VG overall, the cards retain excellent color with charming images.

- 695 1935 R48 Film Funnies Complete Set (24) Ex-Mt/NM..... 100
- Super sharp overall set, the condition varies only very slightly, the set is filled with very sharp, crisp and clean cards. Fresh set from a hobby old timer, nothing has been picked for grading. These are very fun and attractive cards, this is probably an ideal set to slab.

696 1935 R89 Mickey Mouse Complete Set (120) + extras ..... 250

A set that you just never see, this is from a truly great old time hobby collector who had a particular passion for 1930s non-sports gum cards. We are reluctant to assign an overall grade to the set as the condition varies quite a bit. The low number run (1-96) has many sharp cards and is nearly Ex-Mt overall, with some candidates for slabbing. The very difficult high number run (97-120) is 2-3 grades lower, Fair to Ex Plus. These are utterly charming and extremely attractive cards of the mouse that spawned a massive global entertainment empire, this is a trophy set among advanced non-sports card collectors. There are seven lower grade doubles that come with the set, six of which are high numbers. Great lot.

697 1940 Lone Ranger Complete Set VG\* ..... 300

Key pre-war non-sports gum card set, these hardly ever come to market as full sets. The offered set is notable for particularly sharp corners, but the cards were removed from an album at one time, as they have been soaked and some have slight scraping on the back in spots. The high numbers are very scarce and are consistent with the rest of the set. While perhaps not something to get slabbed, if one can overlook the condition technical issue, the winning bidder will have a remarkably sharp and attractive set as a (potentially) great price level.

698 1942 Samuel Eppy Adventures of Smilin' Jack Collection of 87 assorted cards Good ..... 40

Clean Ex+ to Ex-Mt lot, centering varies as always, the cards very mildly in grade. Nice quantity, the duplication appears to be very mild.

703 1956 Davy Crockett Complete Set (orange border) Ex+ ..... 75  
Clean set is about Ex Plus overall. Centering varies as usual, there are about 15-20 Ex-Mt cards in this nice lot, this is a well collected set.

 Sharp Ex-Mt or better lot, these are really clean. Nothing has been picked for grading, Authentics are always possible with this issue. The card numbers are 8, 19, 30, 43 and 57.

717 1948 - 1961 Detroit Pistons Lot (23) w/stars Ex+ .. 100

 Solid and sharp Ex-Mt lot, centering varies as always. These are the card numbers: 5 Sharman RC, 6, 15 Ramsey, 39 Luscutoff, 40 Risen, 57 and 75 Phillip.

719 1961 Fleer

 Fine Ex-Mt overall lot, these are fresh and clean cards. From a hobby old timer, these may do very well in slabs. The content is as follows: 7 Braun (2), 10 Cousy, 19 Heinsohn (2), 22 KC Jones, 23 Sam Jones, 35 Ramsey, 49 Cousy IA, 54 Heinsohn IA, 60 Ramsey IA (2) and 62 Russell IA.

720 1961 Fleer  
 Very Near-Set w/stars (58/66) ..... 300  
 Among the hottest cards in the world, this is a fresh and fine set that was collected back in the 1980s. There could well be many opportunities for slabbing as we only sent in the absolute key cards. Still a very substantial lot as offered, these will have a very significant value as singles in today's market. These better cards come in the lot: 1 Attles VG, 2 Arizin VG-Ex/Ex, 4 Bellamy Ex, 10 Cousy Ex, 12 Embrey Ex-Mt ctd, 16 Greer RC Ex, 17 Guerin Ex++ , 18 Hagan Ex-Mt ctd, 19 Heinsohn VG-Ex/Ex, 20 Howell Ex-Mt ctd, 21 Hundley Ex++ ctd, 22 KC Jones VG-Ex/Ex, 23 Sam Jones VG-Ex/Ex, 25 Kerr Ex, 26 LaRusso RC Ex, 29 Lovellette Ex-Mt, 34 Pettit Ex++ ctd, 35 Ramsey Ex ctd, 39 Schayes NM ctd, 42 Twyman Ex-Mt+ ctd, 44 L Wilkins Ex, 46 Baylor IA Ex, 49 Cousy IA VG-Ex/Ex, 54 Heinsohn IA VG-Ex/Ex, 59 Pettit IA Ex-Mt ctd and 61 Robertson IA VG-Ex/Ex.

721 1968 Topps Test 3 Hal Greer PSA 2..... 150  
 Rare and extremely desirable Topps basketball test issue, these are revered by collectors. The first example that we had in years, this card is of Philadelphia 76ers HOF guard Hal Greer. Conservatively graded, we cannot see any creases or wrinkles, even under magnification. The card has a clean image and bright white borders. The image looks great, as does the back. The card is centered to the left border, the corner wear is in the VG to VG-Ex range. This is a very, very nice card for the grade.

# Basketball Cards

722 1970 Topps 20 Monroe PSA 7.5..... 30  
Sharp and reasonably well centered, this was graded somewhat conservatively.

723 1970 Topps 75 Alcindor PSA 6..... 150  
Only his second-year card, this has four super sharp corners. The card has perfect white borders and a fine photo; centering to the left border keeps this at a 6.

724 1970 Topps  
Very Near-Set w/PSA Cards (161/175) NM ..... 300  
Sharp and fine near-set, we thought PSA was brutal with the grades on these. The cards are very sharp and clean overall, with mild centering issues. The cards appear to be about 65% Near Mint, the balance are almost all Ex-Mt. These better cards come in the lot: 1 Alcindor LL NM, 4 LL SP PSA 7 oc, 5 Alcindor LL Ex-Mt, 6 Wilkens LL PSA 7, 7 Bradley Ex-Mt, 10 Havlicek SP NM oc, 24 Checklist PSA 7, 36 Marin SP PSA 8 oc, 46 Lucas PSA 7, 59 Attles SP PSA 6, 62 Chambers SP PSA 7, 72 Unseld PSA 6.5, 97 Lier SP PSA 6, 101 Checklist NM oc, 108 Cunningham AS PSA 7, 113 Baylor AS PSA 7, 114 Robertson AS PSA 6, 120 Frazier Ex-Mt, 137 Murphy RC Ex-Mt+, 143 White RC PSA 6 and 155 Greer PSA 6. Well centered with four razor sharp corners, the card is likely from vending. Immaculate card, we thought that this would have been a Mint 9.

726 1973 Topps 155

Well centered with four razor sharp corners, this card is immaculate. Wilt Chamberlain and Kareem Abdul Jabbar are on the front of the card.

728 1981 Topps Complete Set NM to Nm-Mt. 150  
Superb set, this has not been picked for grading. The value of these in slabs could be thousands of dollars. We feel the Bird has a good shot at an 8, the others keys look to all be PSA 7s and PSA 8s or better.

729 Nice 1983 - 1986 Star Collection (322 cards) w/ endless stars Nm-Mt..... 150  
Offered is a very fine book of 1983 to 1986 Star basketball sets and near-sets. Our consignor was the original owner, the condition is superb overall. 730 1984 Star Court Kings 5x7  
26 Michael Jordan Beckett 5.5..... 750

Very undervalued early Michael Jordan card, this is from a great source and was purchased at the time. Sharp card, the grade appears to be very conservative. The color borders look great, the corners come to solid points and show hardly any wear. This card has a great image of Michael Jordan doing a reverse dunk mid-air.

734 1985 Star Slam Dunk Supers  
5 Michael Jordan Beckett 8.5..... 750

From a great source, this was purchased at the time. Undervalued early Jordan oversize card, this is so much more attractive (and earlier) than his 1986-7 Fleer card. Super sharp and clean, this is a hair below a Mint 9.

731 1984 Star Court Kings 5x7  
41 Charles Barkley RC Beckett 8.5..... 120

Terrific card of basketball HOFer and now cultural icon Charles Barkley as Rookie. Terrific oversized issue, this has pristine color borders and four very sharp corners. The full view of Barkley dunking looks great.

732 1984 Star Court Kings 5x7  
47 Hakeem Olajuwon RC Beckett 8..... 60

Terrific card of the beloved Olajuwon as a Rookie, this is a great portrait. Enhanced by the large size, the condition is terrific, with four sharp corners and great looking color borders.

735 1985 Star Team Supers 5x7  
1 Michael Jordan Beckett 8.5..... 1000

From a great source, this was purchased at the time. Undervalued early Jordan oversize card, this is so much more attractive (and earlier) than his 1986-7 Fleer card. You have to love this unique image of MJ with his tongue sticking out while dribbling a ball to make a play. The card has four sharp corners, spotless color borders and pristine surfaces. The condition is a strong Nm-Mt Plus overall, the card really looks great. These oversize cards are really special to look at when held in hand.

733 Collection of 50 different Oversize Cards  
w/many stars Nm-Mt..... 150

Great looking oversize Star issues (Court Kings and 5x7 team sets), these are not common and do not get their just due in this market. Beckett slabs these, the 8s of key players can sell for strong prices. The condition here is a fine Nm-Mt

 Very, very conservatively graded, we thought this would come back at least an 8. The four corners on the front are super sharp, even under magnification. One corner on the back only has the slightest touch, this is an awfully nice card for the grade.

 Signed in person at a New Jersey Nets game in the late 1980s, this was a real prize for our consignor who obtained this in person.  Desirable MJ 8x10, Michael is scoring against the Celtics in the 1980s with hair on his head! Signed in bold blue sharpie ink on his image, the signature has a nice flow to it and looks to be an earlier Jordan signature. PSA DNA (full).

756 3 x 5 Terrific Run of 171 Autographs 9..... 300  
 From a lifelong autograph collection, this appears to be an extremely detailed collection of basketball autographs. These are a mix of NBA, ABA and College signatures. The autographs include many HOFers, coaches, woman's players and other basketball related content and go back to 1940s players. There is very light duplication, some are inscribed, the autographs are perfectly clean overall. These are almost all 3x5s, there are some album pages and mounted cuts. There was a Gus Johnson in this collection, there could well be some other treasure here. These are some of the better signatures to our eyes: E. Baylor, W. Bellamy, B. Bradley, Cousy, Cunningham, Bob Davies, D. DeBusschere, S. Green, Hagan, Havlicek, Heinsohn (1974), Wayne Hightower, Holzman, Kundla, Kurland, R. ## Signed and Game Used Jerseys

757 Greg Kelsner Pair of Detroit Pistons  
Game Used Items ..... 100

Kelsner was a 1979 - 1981 Piston and played with Magic Johnson in college and became a broadcaster after his NBA career. Offered are two really nice items, a gorgeous Detroit Pistons hooded warm-up and a shooting shirt, also included is a signed photo. NBA game material from this era is rare and revered by collectors.

759 1980 Detroit Pistons Full Uniform ..... 100

Great looking full uniform, you have to love this style of a Detroit Pistons uniform. Rare as NBA items from this era hardly ever come to market, I love the NBA 35th Anniversary patch that dates this to 1980. Almost certainly used by a player named Wayne Robinson, he is listed on the internet as number 42 but we believe that may be an error. The look and feel of this jersey is terrific. The jersey also has the aroma of a gamer!

760 Bird, Larry UDA Special Pro Cut  
Game Model Jersey 9.5 ..... 120

Much better than your garden variety Larry Bird signed jersey, this is a special piece. Offered is a gorgeous Celtic green Larry Bird Boston Celtics road model jersey. Not a store jersey, this has an NBA 1992-93 Boston Celtics Body Length +3 tag at the bottom and a Champions size 46 tag. Cut identically to a jersey Larry Legend would use in a game, this is really nice. The jersey has a bold green sharpie ink Larry Bird signature and a UDA hologram. Who wants to get a neat Larry Bird item that hardly anyone else has?

761 Circa 1980 Superb Detroit Pistons  
Warmup Jacket ..... 100

Undated, based on the collection it came from, we believe this to be circa 1980. With some photo detective work, it should be possible to determine a year. This has the proper Sand Knit Detroit Pistons tagging and is clearly 100% original. The lettering shows some wear, this is a gorgeous NBA warmup. Please note NBA game memorabilia from this era is very rare and revered by collectors.
