

Clean Sweep: The Sweet Spot for Auctions

The sports memorabilia business seems to have an auction literally every day, not to mention ebay. Some auctions are telephone book size catalogs with multiple examples of the same item (thus negatively affecting prices) while others are internet-only auctions that run for a short time and have only been in business for a relatively short time (5 years or less).

Clean Sweep Auctions is the sweet spot of sports auction companies.

We have been in business for over 20 years and have one of the deepest and best mailing lists of any auction house. Do not think for a second that a printed catalog in addition to a full fledged website will not result in higher prices for your prized collection.

Clean Sweep has extensive, virtually unmatched experience in working with all higher quality vintage cards, autographs and memorabilia from all of the major sports. Our catalogs are noted for their extremely accurate descriptions, great pictures and easy to read layout, including a table of contents. Our battle tested website is the best in the business, combining great functionality with ease of use.

Clean Sweep will not put your cherished collection in random or overly large lots, killing the potential to get a top price. We can spread out your collection over different types of auctions, maximizing prices.

We work harder and smarter than anyone in the business to bring top dollar for your collection at auction. Clean Sweep is extremely well capitalized, with large interest-free cash advances available at any time. Clean Sweep will also buy items and collections outright; we always put our money where our mouth is.

Letter To Readers

The card and memorabilia market continues to be stronger than ever, now is a great time to call or email us if you are considering selling or consigning any part of your (or an entire) collection. We are paying huge prices for quality material and have enormous funds available for cash advances. Our next major auction will start in late April.

The current auction is the always popular \$5 reserve card auction. One of the largest that we have offered, there are over 1,000 lots to peruse. Please note for phone bidders we will be cutting off phone bidding at 12 AM EST on the auction night; internet bidding will continue through the card of the auction.

The auction starts with early 20th century cards, including an E90-1 Bobby Wallace SGC 5, T206 Ty Cobb (red background) PSA 1, two D310 Pacific Coast Biscuits and a T206 Christy Mathewson PSA 2. We have several 1916 BF2 Ferguson Pennants with HOFers, runs of 1921 E121 Series of 80, 1923 Willard's Chocolate and 1927 W560s.

Other pre-war items include a 1929 R316 Moe Berg PSA 2, a run of low grade 1931 W517s and a big offering of 1933 Goudey collector grade singles. The most interesting part of the pre-war cards to our eyes is a completely fresh and deep run of the so undervalued 1930s Wheaties cards. Loaded with HOFers, these are such colorful, fun and attractive cards.

Post-war baseball collectors will see some quality 1947-66 Exhibit lots, many clean 1947 W603 Sports Exchange cards including Babe Ruth and Ted Williams, 1948 Leaf DiMaggio and Spahn, a run of 1951 Bowmans with a good partial set, 1952 Topps cards including Pafko, Hodges and Mays, a run of 1953 Bowman Colors with stars, three 1953 Glendale Meats and two quality 1953 Topps collector grade group lots.

Mickey Mantle is well represented from 1955 Bowman through 1960 Topps in the auction, we have a solid selection of 1957 Topps baseball and a nice 1958 Topps near-set. The auction continues through the 1980s, with a low grade 1965 Topps set and some interesting singles and lots.

Our sale section has many new additions. We have a fresh collection of single signed balls, including some of the more recent HOF inductees, classic stars, deceased players and recently retired players. We have many new signed photos and postcards for autograph collectors.

Card collectors will see new additions to T206s, 1933 Goudeys, 1940 Play Balls and type-cards. We have a nice 1958 Hires Root Beer set with tabs that we broke up and a solid selection of the elusive 1962 Canadian Post Cereal and 1963 Post Cereal issues.

Topps and Bowman collectors will see new 1952 Topps high numbers, 1948 and 1951 Bowmans and new star cards throughout all years. We have new 1967 Topps high numbers and an expanded offering of 1970s baseball.

Football concludes the catalog with many new Bowmans and 1960s Philadelphia and Topps stars.

Baseball Cards

- 1 1909 Colgan Chip Container
2 1909 Domino Discs 57 Miller Huggins VG

3 1909 Domino Discs
10 different commons VG-Ex/Ex
Pleasing mid-grade lot of these very cool little discs with metal borders, everything will be pictured front and back on our website.

4 1909 E90-1 Bobby Wallace SGC 5
Extremely attractive HOfer from this vital caramel set, these are always hard to find in 5 holders. Crisp and very clean card, the corners show only slight wear. The color is terrific, the borders are white, the back is perfectly clean. Centering to the top border is the only issue here.

5 1909 T206 Ty Cobb (red bknd) PSA 1
Rough 1, this has extensive creasing and corner wear. Still the card retains vibrant original color and has an otherwise fine image. Certainly not for the condition sensitive collector, this card will nonetheless surely find a happy home. The back is not bad at all.

6 1909 T206 Lot of 3 Slabbed Polar Bears
Trio of Polar Bear backs: Ritter SGC 3, Seymour Throwing PSA 3.5 and Tannehill Washington PSA 3. These are always popular and not so simple to find in 3 holders.

7 1911 D310 Pacific Coast Biscuits
McDonell PSA 1 mk
Scarce and desirable oversize PCL issue, these seem so undervalued. Creasing is very moderate, the back is not bad at all. Small scrapes by the right border (away from the image) keep this at a 1.

8 1911 D310 Pacific Coast Biscuits
Wolverton PSA 1 mk
Scarce and desirable oversize PCL issue, these seem so undervalued. Clean image, creasing and corner wear are visible on the front, stray light marks on the back led to the qualifier. This is far from an ugly card.

9 1911 M101-2 Lew Ritchie (11/14) GVG

10 1911 M116 Sporting Life Heinie Heitmuller PSA 2
Tougher common, this has square corners and a fine image. Some nicks by the border led to the 2 grade.

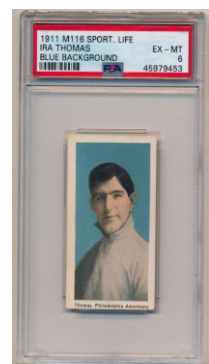

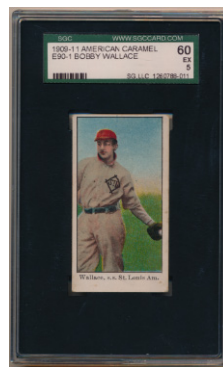

11 1911 M116 Sporting Life
Frank Smith (Chicago) PSA 6
Sharp and clean, this has perfectly white borders and corners that come to solid points. Centered slightly to the bottom border, this is a very nice 6.

12 1911 M116 Sporting Life
Ira Thomas (blue) PSA 6
Beautiful blue background variation, these are so undervalued. Crisp and clean with a superb image, the corners are very solid, centering to the bottom border probably kept this at a 6.

13 1911 S74 Color Silk Doolan Ex+
14 1911 T205 Doolan GVG
17 1911 T205 O'Leary Good

15 1911 T205 Doolan Ex
Centered to the top border, this has super clean surfaces and solid gold borders. The corners are very solid for the grade.

16 1911 T205 Mathewson PSA 2
Classic tobacco HOfer, this has a beautiful front with great color, clean surfaces and quality corners. The back has no paper loss but some general wear. This is an extremely attractive card for the grade.

Collection of 20 w/9 HOFes
Cute and fun lot of these very uncommon 1930s mini pennants, these have typical edge wear and have good color. A substantial lot, there are nine HOFers and only two doubles. The better pieces are Dizzy Dean, Goose Goslin, Chuck Klein, Ernie Lombardi, Joe McCarthy, Pepper Martin, Arky Vaughan and Paul Waner. The BF3s have many types, this style does not appear to trade very often.

1952 Bowman

623 1 Berra PSA 1
Tough grade, there are no creases, the corners are about Ex. There seems to be extra paper by one spot on the left border, almost certainly from the original factory cut. The back looks fine, the card has great color and a fine image. This should probably be cracked out.

626 4 Roberts PSA 7
Sharp card has outstanding centering, slight border toning keeps this from grading an 8.

Vital Willie Mays card, it will be interesting to see where this trades in a few years. Offered is an interesting 1, this has no creases and the back has no paper loss or damage. The card was in a scrapbook at one time, with extensive wear at the lower left corner. The color and image are not affected and are actually nice. We cannot see any creases, the borders are fine outside of that area, the corners are a solid VG or better. To us, this is nicer than a creased up 1 or one with truly destroyed corners but ultimately the auction bidders will make the final judgment here!
