

Clean Sweep: The Sweet Spot for Auctions

The sports memorabilia business seems to have an auction literally every day, not to mention ebay. Some auctions are telephone book size catalogs with multiple examples of the same item (thus negatively affecting prices) while others are internet-only auctions that run for a short time and have only been in business for a relatively short time (5 years or less).

Clean Sweep Auctions is the sweet spot of sports auction companies.

We have been in business for over 20 years and have one of the deepest and best mailing lists of any auction house. Do not think for a second that a printed catalog in addition to a full fledged website will not result in higher prices for your prized collection.

Clean Sweep has extensive, virtually unmatched experience in working with all higher quality vintage cards, autographs and memorabilia from all of the major sports. Our catalogs are noted for their extremely accurate descriptions, great pictures and easy to read layout, including a table of contents. Our battle tested website is the best in the business, combining great functionality with ease of use.

Clean Sweep will not put your cherished collection in random or overly large lots, killing the potential to get a top price. We can spread out your collection over different types of auctions, maximizing prices.

We work harder and smarter than anyone in the business to bring top dollar for your collection at auction. Clean Sweep is extremely well capitalized, with large interest-free cash advances available at any time. Clean Sweep will also buy items and collections outright; we always put our money where our mouth is.

Letter To Readers

We changed our format a little bit this year. We skipped our usual September 1960 to the present card auction and have rolled those lots into this auction and the following auction.

The current auction is the always popular \$5 reserve card auction. The largest one we have ever offered, it checks in at 1,163 lots. The auction starts with an N28 Mulvey, several charming 1907 Grignon Cubs postcards, a run of collector grade T206s with HOFers and several T201 Double Folders with a Lajoie 4.

The auction continues with six collector grade T3s and there is a strong selection of 1914 B18 Blankets, including a Ty Cobb and a Joe Jackson. 1930s collectors will see runs of 1934 Batter Ups and Goudeys, R311s and R303-Bs with a Joe DiMaggio.

Post-war collectors will see runs of 1949 and 1951 Bowmans, many 1951 Fischer's Bread Labels, 1952 Bowmans, 1952 Num Num Indians with the tab and a deep run of 1953 Bowman Colors with virtually all of the key cards. Other related offerings include oddball issues like 1953 Glendale Meats, 1954 Dan Dee and 1955 Robert Gould All Stars.

The high point of the auction are some fine 1954 Topps stars. We have an Aaron Rookie PSA 2, a Banks Rookie PSA 6, a Berra PSA 7 and a Ted Williams PSA 6 among others. These should be very popular lots. We have key stars from 1956 – 1959 Topps, as well as quality group lots.

This is usually where this auction ends, but this time it is extended by over 200 lots. These additional lots include a fine run of 1960 Darigold Farms Spokane Indians with a Ron Fairly and Frank Howard, 1961 and 1963 Post Cereal partial sets, 1964 Topps Coins set, 1965 Topps near-set, several 1970s Topps sets, star cards and lots through 2019. The auction ends with a nice collection of football star cards and clean cards from 1948 – 1985, these are neatly presented over 16 different lots.

Our sale section is the largest it has been in several months. We have added hundreds of new single signed baseballs to our inventory. There are many new additions to deceased players, a huge run of HOFer singles, new stars and other content. Autographed flat collectors will see many new signed photos.

Pre-war baseball cards have new T3s, T202 Triple Folders, B18 Blankets, 1921 E121s, 1923 Willard's Chocolates and 1927 W560s. Oddball collectors will see a big new run of 1954 New York Journal Americans and 1962 Canadian Post Cereal among others.

Topps and Bowman collectors will see perhaps our biggest offering ever of 1952 Topps high numbers and many new 1967 Topps high numbers among new additions to almost every other year. The catalog concludes with offerings of vintage football and basketball cards.

1951 Fischer's Bread Labels

520 Carrasquel SGC 1
Fun piece, extensive wear on the bottom border keeps this at a 1. The label has strong color, the back looks fine.

521 Jansen SGC Authentic
Very heavily damaged, this retains good color.

522 Kellner SGC 1.5
Full size with great color, this has typical wear for the issue. We feel the 1.5 grade is too low on this.

Very elusive card of this Indians HOF pitcher, creasing and a minute closed tear keep this at a 1. The card has superb color and a fine image, the back looks good.

524 Mize SGC 1.5
Interesting card, Mize is pictured in a NY Giants uniform but listed as a Yankee. Colorful and attractive, some creasing led SGC to grade this a somewhat harsh 1.5.

525 Sain SGC 1
Surface wear and edge wear keep this at a 1, this has good color and a nice image.

526 Wehmeier PSA 1

Fairly well centered and clean, this has no visible creases. The corner wear is not bad at all, PSA was a bit tough with the 2.5 grade here.

774 94 Ernie Banks RC PSA 6
Key card of a beloved player, this is a very nice 6. Freshly graded, this is well centered top to bottom, the key to the card. Mildly centered to the left border, there is hardly any snow, the surfaces are clean, the corners come to solid points. The back is particularly bright and clean.

775 128 Hank Aaron RC PSA 2
Vital and classic card, this is the kind of lower grade card that appeals to so many collectors. Freshly graded, this has truly gorgeous color and a strikingly fine image. PSA was more than harsh here with the 2 grade, there is a very subtle corner line at the upper right corner. The surfaces are quite clean, it is reasonably well centered. There is some slight edge wear on the left border that is not easy to see. The back has some slight toning and is attractive as well. The winning bidder should really enjoy the tremendous value they will be receiving on this extremely attractive card.

Scarce card, this has great color and hardly any creasing. Cut close at the lower right corner, this displays well.

1955 Robert Gould All Stars

- 801 3 Schoendienst PSA 1.5
Well centered with good color, this has some creasing but looks much more like a 2.5 than a 1.5. Scarce card and issue.

1955 Robert Gould All Stars

- 802 9 Mueller PSA 1
Rough card, this is perfect for a type-card collector on a budget.
- 803 19 Thompson PSA 3 mk
Colorful card has a really nice front and some fine back creasing. We cannot see the mark, perhaps pencil was erased.
- 804 23 Thomson PSA 4 mk
Attractive card has hardly any creasing and good color, an S on the back leads this card to earn it's qualifier.
- 805 1955 Stahl Meyer Lockman PSA 1
Classic regional issue, these are so undervalued. The card has moderate creasing, there are no technical flaws, it retains good color, PSA is just so tough on oversize issues, this should be at least a two in our opinion.

The offered set was nicely assembled and is somewhat conservatively graded. Perhaps 30%+ of the set is Ex-Mt or Ex Plus, there is nothing overly worn here, the low numbers are not bad at all, the high numbers are nicer as always. We grade the keys as follows: 55 Clemente Ex, 80 Mays Ex-Mt, 82 Rose Ex+, 83 Aaron Ex, 106 Koufax Ex, 120 Mantle Ex, 131.1 Mantle AS (left handed) Ex+, 131.2 Mantle AS (right handed) Ex+, 149 Aaron VG-Ex/Ex, 150 Clemente AS Ex-Mt and 151 Mays AS Ex+.
