# Baseball Cards

1 1885 Trade Card Baseball At Blackville  
Possibly skinned, there is a pinhole, the colors are vibrant.

2 1887 N162 Rowell (Pedestrian) Poor

3 1887 N172 Old Judge Clements, Jack Very Poor

4 1887 N29 Allen & Ginter Morrell Good mk  
Attractive card has a fine image and no back damage.  
The corners show a fair amount of wear, a letter was erased by the lower right corner.

5 1887 N690 Kalamazoo Bats Jack Clements SGC Authentic  
Affordable example of a revered 19th century issue, the offered card has had the bottom advertising clipped off. The card is otherwise not bad at all, it offers a solid image, has wear over part of the player name and pencil on the back. This is an absolutely ideal card for a type-card collector on a budget as this card would likely otherwise run thousands of dollars.

6 1888 N173 Old Judge Cabinet Fields Poor  
Old Judge cabinet, this has a fine image but the bottom advertising has been clipped off. There are pinholes and back wear is present, but the fine image affords for some good eye appeal here.

7 1888 N173 Old Judge Cabinet Miller Poor  
Old Judge cabinet, this has a fine image but the bottom advertising has been clipped off. There are pinholes and back wear is present, but the fine image affords for some good eye appeal here.

8 1888 N184 Henderson SGC Authentic  
Great issue, I love the design of these cards. The has been hand-cut back in the day, probably to fit in a sheet. The back has extra paper from scrapbook removal. Great card for a type-card collection.

9 1888 N43 Allen and Ginter George Miller PSA 1  
Beautiful 19th century issue, I always loved these. Typical condition for the issue, the front looks great, back damage from scrapbook removal keeps this at a 1. The large size provides for an extremely attractive card.

10 1888 Scraaps Getzen Poor  
Affordable type, extensive wear on the front keeps this at Poor, the back is not bad at all.

11 1889 Goodwin Round Album (A35) Cap Anson Poor  
Classic 19th century piece, this one is in not so classic condition! Chips, creases and general wear keep this at Poor. The image of Anson is still somewhat presentable and the back is far from terrible. This lot is nonetheless an affordable example of a very pricey piece from one of the most important 19th century players and the first person to amass 3,000 hits.

12 1890 Merchant's Gargling Oil Trade Card A Close Affair - Hugging The Bat VG  
Clean trade card, the back is fine, the surfaces are clean.

13 1895 Mayo Charlie Abbey PSA A  
Stunning image, the back is fine too, too bad the bottom advertising was trimmed.

14 1895 Mayo Yale Murphy PSA 1  
Bright card has surface wear by the top and bottom border and is centered heavily to the right. Still, this card is more like a 2 than a 1, the back has no issues.

15 1895 N300 Mayo Tom Daly PSA 2  
Creasing and general wear keeps this at a 2. The back has only one area of wear, the image is generally unaffected by all of this, however. Brooklyn Dodger player.

16 1895 N300 Mayo Charlie Ganzel PSA 1  
More like a 2, this has a perfectly clean back and no obvious creases. General wear on the front of the card is the only real issue here.

17 1898 Cameo Pepsin Pins Terry Good\*  
Very scarce 19th century pin issue, offered is a lower grade type. This pinback retains bright color but has damage in the center and has no paper backing, good piece for a type collector on a budget.

43 Summers PSA 4.5  
Strong card has great color and a terrific image. We cannot see any creases or wrinkles, mild wear at the upper left corner led PSA to split hairs a bit with the 4.5 grade.

44 Young (Cleveland, portrait) SGC 1.5  
Vital T206 HOfer, this is an absolute key to the set. A revered card, these have been white-hot in recent years. Offered is a fine card for the grade, notable for great color and a flawless image. Well centered, the back is clean, the borders are fine, there are no technical flaws. Consistent corner wear and some creasing keep this very attractive card at a technical 1.5, it would be very difficult to improve on this card in this grade. Very nice.

45 17 different commons Good  
Colorful lot of Sweet Caporal commons, the backs are clean. The cards range from Fair to GVG, they are mainly Good. We will have full scans of everything on our website.

## 1909-11 T206 Singles

32 Cobb Bat Off Shoulder PSA 1  
My personal favorite of the four T206 Cobbs, I always liked this image. Rough card has extensive creasing, the back has no damage. The card retains its original color and has a good image but it fully earns its one grade!

33 Pair of Doolan Cards GVG/VG  
34 Jones (Detroit) PSA 3.5

35 Jordan (Brooklyn, batting) SGC 4.5  
Great color, beautiful card. Slight wear keeps this a hair below a 5, this looks terrific.

36 Meyers GVG (Sovereign 460 back)  
Clean card has no creases, it is heavily centered to the left border. The scarce back looks great, the color is strong.

37 Moran (Providence) SGC 2.5 (Sovereign 350)

38 O'Leary (hands on knees) PSA 4  
Crisp and clean with amazing color, two tiny surface wrinkles on the back keep this at a 4.

39 O'Leary (hands on knees) PSA 4  
Fine 4 has no visible creases or wrinkles, the color is great, this is also well centered.

40 Overall (hand face level) SGC 2.5 (Polar Bear)

41 Sheckard (glove showing) GVG (Sovereign 460 back)  
Very clean card has no creases, the back looks great, this could easily grade a 3. Nice card.

42 Speaker PSA 2  
Key T206 HOfer, these are always nice as Speaker only has one card in the set. Beautifully centered with great color, we cannot see any creases or wrinkles. The card has bright color, clean white borders and a fine back. Corner wear is the only issue here, we really feel that this should have graded a 3, it is a very nice card.

- 47 Donovan PSA 3 mk  
Well centered with no creases, we do not see any writing, the card has some slight staining, the qualifier might be a mistake.

- 49 1910 Recruit Little Cigars Pack
- 50 1911 D310 Pacific Coast Biscuits Tiedeman SGC 1.5

Tough PCL issue, this has a colorful image and a clean back, creasing keeps this at a 1.
- 52 1911 M116 Sporting Life Eddie Plank PSA Authentic  
Desirable card of HOFer Eddie Plank, these are always popular as it has the same image as his legendary T206 card. Creasing and clipped corners kept this at an Authentic, the card appears to be fully original. The image is not bad at all, the back happens to be quite vibrant.
- 53 1911 Obak 23 Burrell VG

## 1911 T205 Singles

- 71 57 Duffy PSA 2.5  
Popular card has great color and respectable bold borders. Solid for the grade, creasing at the lower right corner appears to be the main issue here.

## 1911 T205 Singles

- 72 71 Ford (white cap) PSA 2  
Tougher variation, this has no creases, but a fair amount of corner wear keeps this at a 2.
- 73 83 Griffith PSA 4  
Bright, clean and well centered, this is awfully nice for the grade. The gold borders look great, we cannot see any creases. Corner wear at the lower right corner keeps this card at an awfully nice 4.
- 74 Lot of 23 commons, mainly different  
Lower grade lot ranges from Poor-Fair to, Good. The cards tend not to have back damage., Content is as follows: Bates, Becker, Bell (2), Carrigan, Devlin, Downey (2), Dygert, Elberfeld, Goode, Graham (Rustlers), Herzog, Kroh, (2), Lang (Lange), McConnell, McElveen, Murphy, Olmstead, Phillippe, Shean (Rustlers) and Sheppard.
- 75 1911 T3 Turkey Red Hal Chase PSA 1  
Popular card, this has a fine image and good color. The card is clean save for a pinhole in an odd spot by the lower right corner. The back is clean, the card displays very well.
- 76 1911 T3 Turkey Red John McGraw PSA 1  
One of the most attractive T3s, this received a seriously tough grade! Brightly colored with a fine image, the back is clean, there are no pinholes, there are no creases. There are two small nicks at the left border and a very minute scrape in the lower right corner of the frame; cards like this make one hate slabbing!

# Baseball Cards

77 1912 C46 24 Carl Silton SGC 5  
Condition sensitive Minor League issue, these are not easy to find in 5s. Clean card is well centered, slight wear on the right border keeps this at a 5.

78 1912 L1 Leather Ed Walsh Poor  
Among the most interesting and desirable oversize early 20th century baseball issues, L1 Leathers are revered by collectors. Offered is a low grade example with various condition issues, but still when will you find another one of these? General wear from handling, tears and other condition issues keep this at Poor. The image is still presentable, no doubt this will find a happy home!

79 1912 T207 Brown Border Byrne SGC 4  
Well centered with a fine image, mild wear keeps this at a 4.

80 1913 T200 Cincinnati Nationals Good  
Undamaged card is well centered with a clean back, reasonably nice borders and good image quality. Creasing and one spot of paper loss in the bottom border keep this at Good.

81 1913 T200 Fatima Team Cards  
Pittsburgh Pirates w/Honus Wagner PSA AA  
Cut to the left border, we do not see any alterations, perhaps pencil was erased or something along those lines. The card retains outstanding image quality and has bright gloss, the back is clean. There is very little creasing and a nick in the border in one spot, this is not bad at all. Affordable period card with Honus Wagner, a Beckett Authentic recently sold for over \$1,000.

## 1916 BF2 Ferguson Bakery Pennants

82 Joe Judge VG  
83 Del Gainer Good

84 Zimmerman, Heinie Ex+

Toning at the upper left corner keeps this at a 4, the card is otherwise quite clean.

87 74 Heinie Groh PSA 4  
Popular player, fine image, we cannot see why it came back a 4, the card appears to be quite clean with no technical defects.

88 75 Earl Hamilton PSA 4  
Clean card, mild wear at the top border led to the somewhat conservative 4 grade.

## 1916 H801-9 the Globe Clothing

89 77 Roy Hartzell PSA 5  
Yankee player, centered to the top border, the card is very clean.

90 79 Olaf Henriksen PSA 4

92 98 Jack Lapp PSA 5  
The condition is very solid, it is much more like a 6 than a 5.

93 1916 M101-4 32 Eddie Cicotte SGC 2  
Desirable card has a great photo of the key 1919 Black Sox figure. Mild creasing that does not crack the paper appears to be the only flaw here, the card is rather clean, the 2 grade may be a click too low, nice card, the back is perfectly clean as a note.

# Baseball Cards

94 1917 E135 Collins McCarthy  
55 Chick Gandil SGC 1.5

Sharp card is beautifully cut, there must be a tiny wrinkle somewhere.

110 101 George Sisler PSA Authentic  
Desirable earlier card of the great George Sisler, this has beautiful color. There are no creases, the back is fine, I guess a slightly thin right border kept PSA from giving this a numerical grade, the winning bidder should really like this card.

Nicely cut with good color, some fine back creases may have led to the harsh 1.5 grade.

112 1920 W519 Unnumbered Frisch SGC 3  
Elusive card, the color is rich. Corner wear and fine creasing keep this at a 3, the back is fine.

113 1921 W516 Ty Cobb PSA Authentic  
Reasonably well cut, this has no paper loss on the back. The image is not bad at all, with slight fading, the surfaces show typical wear, we would grade it Good without respect to the cut. Elusive card, we do not see these very often.

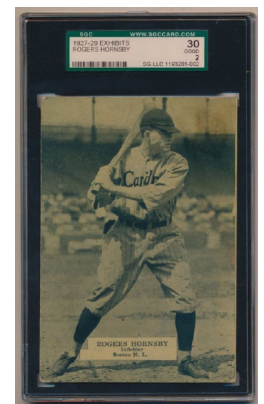

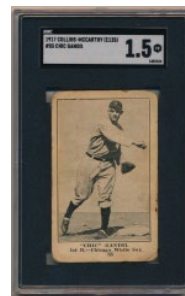

114 1925 W590 Dazzy Vance RC PSA Authentic  
Scarce card, this is a Rookie card of charismatic Brooklyn Dodger HOF pitcher Dazzy Vance. Slabbed Authentic as it does not have full borders, the card is otherwise not bad at all. There are no creases, corner wear is present, the image is fine, as is the back.

115 1927 Exhibit Rogers Hornsby SGC 2  
Pleasing 2 has a nice image on the front and no visible creases. Very elusive card, discoloration on the unmailed reverse led to the 2 grade.

116 1927 W560 22 Hornsby PSA 5  
Underrated 1920s card of Rogers Hornsby, it is hard to find these with numerical grades. Well cut, this has clean surfaces and a fine image, it is a strong 5 to our eyes.

117 1927 W560 25 Walter Johnson PSA 5  
Neat card of Walter Johnson, these are not easy to find and are always desirable when found in numerical holders. Bright and clean, the image looks great, the card is solid.

Lot has light duplication, the fronts are clean, the blank backs all have writing. The stars are O'Doul, Roush and Stephenson.

121 1930 Ray O Print Ruth and Gehrig  
Oddball 1930s issue, based on the color of the borders, we believe this to be an original but the grading services do not slab these. This lot is being sold strictly as-is.

A hot card of late, this came with a set and we believe it to be authentic. We can make no guarantee about what a grading service will do with these so it is being sold as-is. The paper has natural toning and has age to it, the card looks to be fully original but again no guarantees.

Fine looking card has a terrific image, the corners exhibit only very slight wear. Clean card, the grade appears to be quite conservative here.

308 19 Bob Feller PSA 3  
Elusive 1940s Feller card, this is well centered with a fine image. Light creasing that does not crack the paper keeps this at a 3, the card is otherwise very clean.

## 1949 Bowman

310 50 Jackie Robinson PSA 1 mk  
Vital Jackie card, these can run a small fortune in today's market. The offered card grades a 1 due to stray ink writing on the front and back, creasing and general wear. Despite these issues, the card retains bright color and an attractive image. The back has no paper loss, this will ably fill a very, very pricey hole in many 1949 Bowman sets or Jackie/Dodger collections.

Terrific lot for the grade, I always liked these cards. Colorful and attractive, the cards tend to have minimal creasing and moderate corner wear, they display very well for the grade. Some secondary stars come in the lot, these are so undervalued in our opinion.

313 1949 New York Yankees Team Issue Set NM  
Desirable and undervalued little set is in the original envelope as issued. This was the first of five straight Yankee World Series title teams. The condition is super clean overall.

Very sharp and clean card, we have examined this closely under magnification and cannot see any defects. I hope a novice grader did not mistake the fold lines for a crease. Centered to the left border, this is a truly odd grade. Fine looking card, so undervalued, this looks great and is only from Aaron's second season.

## 1955 Topps

532 4 Kaline VG  
Colorful card has some subtle creasing, the image looks great.

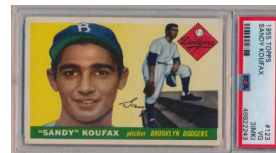

533 4 Kaline PSA 5.5  
Fine looking card, this has gorgeous color and outstanding centering. The corners come to points, it is not clear why this only came back a 5.5, it looks a full grade better.

536 47 Aaron PSA 4  
Only Aaron's second card, these usually have terrible centering. The offered card has exceptional centering, beautiful color and no print issues. The corner wear is mild and consistent, there are no creases. Wear at the upper left corner on the reverse likely kept this at a 4. Nice card.

537 50 Jackie Robinson PSA 3  
Very fine 3, this has great color, consistent corner wear and bright white borders. There is hardly any creasing, there are no print issues, the image looks great.

538 123 Koufax RC PSA 3 mk  
Nice card, this is beautifully centered with a terrific image. There are no print lines, the borders are white, the front has no visible creases or wrinkles, the corners show light and consistent wear. Very popular HOF Rookie Card, this example is an ideal 5. Well centered with great color, the corners show only slight wear, the white borders are quite clean.

 Tough Brooklyn Dodger team issue set, these do not come around as full sets very often. A nice Ex Plus overall, they vary mildly in grade. The Jackie can sell for big numbers when slabbed.

601 1957 Sohio Indians Complete Set VG-Ex  
 Mixed grade, the Maris RC is rough, the other pieces tend to be much sharper and cleaner, with some variance. This is a good value set as it contains several stars.

## 1956 Topps

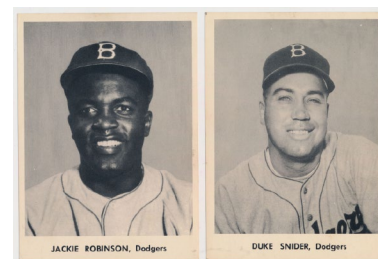

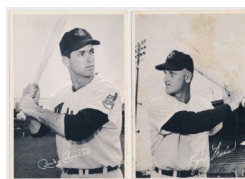

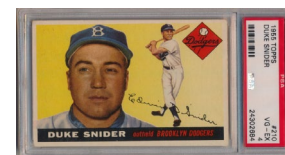

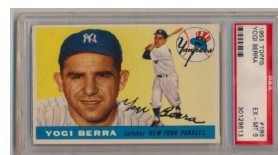

554 5 Ted Williams SGC 2 (gb)  
 Well centered, creasing and corner wear keep this at a 2, there are no technical defects.

557 10 Spahn (white back) Ex++  
 Very clean card, this has only slight wear and is really nice. We split hairs a bit with the grade here, many would call it Ex-Mt.

560 20 Kaline VG-Ex/Ex (wb)  
 Exceptionally well centered with super clean surfaces, a tiny corner line at the upper right keeps this at VG-Ex/Ex.

561 30 Jackie Robinson SGC 1

562 30 Jackie Robinson PSA 5 (white back)

563 31 Aaron PSA 1  
Corner wear and a closed tear/crease by the bottom border led to the 1 grade, the card retains fine color.

564 33 Clemente PSA 1  
Rough card earns its 1 grade, given the player and set, it will still be a very popular card.

565 33 Clemente PSA 4.5  
An ideal card for the grade, this has perfect centering and no visible creases or wrinkles. Only Clemente's second card, mild and consistent corner wear keeps this at a terrific 4.5.

569 79 Koufax SGC 1.5  
Reasonably well centered, a tear by the upper left corner and wear at the lower left corner keep this at a 1.5.

570 79 Koufax PSA 5 (white back)

580 130 Mays PSA 4.5  
Fine 4.5, this is reasonably well centered and very clean. The corners come to points, the borders are white the surfaces are clean. Very popular card, slight wear by the right border on the back likely led to the 4.5 grade. Solid card.

582 135 Mantle PSA 2.5  
Vital Mantle card, this one has perfect centering and great color. An extremely attractive card for the grade, the borders are white, the surfaces are clean. Mild creasing at the lower right corner and some corner creases on the back led PSA to grade this a somewhat harsh 2.5. The winning bidder should really enjoy this card.

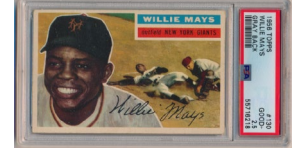

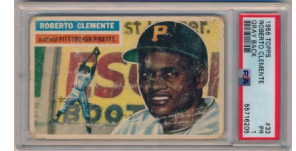

583 135 Mantle PSA 3 (white back!)  
The kind of 3 collectors love, this has terrific centering, clean white borders and no visible creases or wrinkles. The corners approach Ex, the borders are white. Wear by the upper right corner on the back keeps this at a superb 3, please also note that this card has become extremely hard to find in recent years with a white back, this should be a very popular lot.

586 150 Snider (white back) VG+ (ctd)  
Bright and clean, some extremely tiny surface wrinkles keep this at VG Plus, it appears much nicer than that.

587 150 Snider PSA 5  
Crisp 5, the corners come to points, mild centering to the left border keeps this at a very nice 5.

599 292 Aparicio RC VG

633 1 Ted Williams GVG  
Well centered with great color, moderate creasing that does not crack the paper keeps this at GVG.

636 30.1 Aaron PSA 5  
Classic card, this has great color and looks terrific. Strikingly well centered with light corner wear, you really cannot do better than this for a 5.

639 47 Maris RC Poor (tape)  
Colorful card has a fine image and nice corners, tape at the top border is the issue here.

640 47 Maris RC PSA 7  
Super sharp card, this has great color and is quite clean. Centered very heavily to the right border, the image is terrific.

643 150 Mantle PSA 1  
Well centered with hardly any creasing, this has good color and a nice image. Not bad at all, a scrape in one spot in the border by the upper left corner led to the 1 grade.

645 187 Koufax PSA 5  
Nicely centered with an outstanding image, mild corner wear keeps this at a 5, the borders are white.

654 418 Mantle/Aaron PSA 2 mk  
Ideally centered with rich color, a subtle price from a very, very long time ago on the back (\$1.50), led to the qualifier.

667 487 Mantle AS PSA 2.5  
Well centered with great color, we cannot see any creases or wrinkles, even under magnification, we do not follow the grade here.

668 487 Mantle AS VG-Ex  
Colorful and reasonably well centered, these is a tiny surface wrinkle at the top border. The image is strong.

669 487 Mantle AS PSA 5

812 1967 Topps Pinups Complete Set Ex  
A pleasing Ex overall, these are on very fragile stock and are tough to grade. A few can be upgraded, the Mays is terrific, the Aaron and Mantle are nearly Ex. This is much, much nicer than your typical set with lots of chipping and creasing.

## 1968 Topps

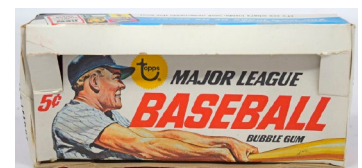

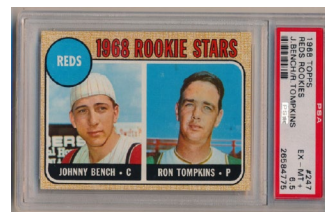

813 177 Ryan RC PSA AA  
From an old time collector, this is very odd that it came back with an alteration. Well centered with no visible creasing, the card has a fair amount of corner wear and is a nice GVG to VG to our eyes.

814 177 Ryan RC PSA 3  
Colorful Ryan RC has hardly any creasing and rich color. The corners show moderate and consistent wear. Well centered overall, this displays very, very well for the grade and is perfect for most of your sets or Rookie Card runs.

815 247 Bench RC PSA 6.5  
Crisp and quite clean, the corners come to points, the surfaces are super clean. The color is terrific, slight centering to the left border may have kept this at a fine 6.5.

816 280 Mantle PSA 2  
Colorful card has a fine image, corner wear and centering to the left border keeps this at a 2.

817 280 Mantle SGC 5  
Pleasing 5, this is well centered with good color. The corners exhibit typical wear for a 5, the borders are clean.

820 1969 Topps 500 Mantle SGC 5.5  
Very popular card, Mickey's last and a key to a very popular set. Offered is a crisp and clean Ex Plus, the borders are white, the corners come to points. The image of Mantle is flawless, this has typical centering to the bottom border. Nice card.
