Letter To Readers

The current auction is one of the very best we have offered. We have worked tirelessly for months putting this together. Yankee items are featured on our cover, this is the heart of the current auction. Checking in at 187 lots and spread out over 45 pages, this is really an auction unto itself. This is a deviation from our usual format, but we thought it would be fun to keep these items together. Mainly from an incredible single owner collection, this section is loaded with fresh, great and often rare material.

Yankee highlights include many terrific Yankee team signed photos and baseballs, including an amazing 1920 Yankees signed sheet with Babe Ruth. There are three Mickey Mantle Rookie Cards, a 1916-1920 Big Head Babe Ruth strip card, a large selection of rare pre-war Yankee cards from 1903-1937 including an E105 Mello Mint Hal Chase, some very difficult Mantle oddball cards, including a 1952 Star Cal Decal, two Stahl Meyers, 1960 Post Cereal and full 1960s Bazooka Panels. There are also several sharp 1960s Mantle Topps cards in 8 holders.

This section also offers a world class Thurman Munson signed game used bat, a Rookie Jeter signed game bat, a great Posada game bat signed by the whole Yankee team, Yankee contracts including a pre-Rookie Dazzy Vance and a very rare Armando Marsans. There are two really nice Babe Ruth autographs and a wide variety of better Mickey Mantle, Thurman Munson and other fine 1950s-1970s Yankee team signed flat items.

The auction goes well beyond this great Yankee collection. Key lots include a T206 Mathewson with a Brown Hindu back, a fully graded 1954 Johnson Cookies set, a sharp 1966 Topps set, Roberto Clemente and Rogers Hornsby single signed baseballs, fine game used bats from Gil Hodges and Willie Mays, two extremely rare 1923 World Series full tickets that are fresh to the hobby and an Abraham Lincoln signed pardon.

The selections of baseball cards are as extensive as we have ever had in one of these auctions. There are large selections of Old Judges (with some HOFers and Spotted Ties), T206s including three Cobbs, Demmitt and O'Hara, a fresh run of 52 Topps cards with a Mays SGC 5, sharp high numbers and an Eddie Mathews SGC 4. There are several very high quality 8s in this section, including a 1958 Topps Ted Williams and much more.

Baseball card sets and lots include a stunning 1914 B18 Blanket red infield variation that is fresh to market and a nice offering of sets from the 1930s through the 1970s, with oddball sets and clean Topps and Bowmans.

Baseball autographs include some very tough signed cards going back to the 1920s, fine slabbed checks from Jackie Robinson and Honus Wagner, classic HOF autographed flat items and many signed baseballs. The signed baseballs including some outstanding team and multi-signed baseballs from the 1950s and 1960s that came from the son of the Yankee trainer at the time.

Basketball collectors will see a small but high-powered section with two terrific large Michael Jordan UDA framed displays, a Jordan HOF signed basketball and a framed Jordan Chicago Bulls signed jersey among much more. Football collectors will see clean singles and sets from the 1950s and 1960s, including a terrific SGC-graded 1963 Fleer set. Baseball memorabilia closes out the auction with some interesting game used jerseys and bats from a 1991 home run derby, a 1926 World Series program and a rare 1946 Exhibition game program from Jackie Robinson's first appearance at Ebbett's Field.

Key Lots

1 1909 T206 Christy Mathewson (portrait) PSA 1 mk.....1500
Extremely desirable combination, the Mathewson Portrait is among the top ten cards in the T206 set, and always in great demand. Hot with any back, how often do you find this card with a Brown Hindu back? The offered card has rich color, an excellent image and white borders. The condition issues include creasing, an ink stain by the right border and an owner's notation at the top of the back. The back is otherwise quite vibrant and attractive. The only sale we could find in the last five plus years that we could find for this card was in October of 2018 for \$6,600 (pure PSA 1). Completely fresh to the hobby, this should be a very popular lot.

Key Lots

2 1910 E105 Mello Mint Hal Chase PSA 3.....1000

One of the great early 20th century caramel card issues, this is a revered set. Issued on extremely fragile paper, these often have tears and other major condition issues. Issued in Texas, only advanced type collectors usually even have a single card in their collections. The offered card was purchased decades ago and is completely fresh to market. Slabbed last month by us, this is a very colorful PSA 3. The card has a terrific image and very rich color. This grades a 3 due to two creases on the left side. The surfaces are otherwise clean, the borders are nice and white, the corners show even wear. The back is clean. Only three of these have been slabbed by PSA, this is the second best copy (the top one is a 4). Hal The Fixer Chase was a Hall of Fame level talent who was banished from baseball for conspiring to throw games. There are many collectors who actively collect his cards, this is one of his very best. A Yankee player, this should be a very popular lot. We are going to open this at a small fraction of it's likely final sale price to make things especially interesting!

Key Lots

3 1951 Bowman 253 Mickey Mantle RC PSA 1.....600

One of the cornerstone baseball cards, this example has a beautiful front. Centering is quite good, the image looks great, there are no print lines. The borders are white, the color is vibrant. There is just one very subtle crease by the lower left corner. The back has damage from scrapbook removal, mainly extra paper, but there is also some paper loss. Given the white-hot market on these in mid and higher grades, perhaps this flaw can be overlooked as it will surely save the winning bidders thousands of dollars.

4 1951 Bowman 253 Mickey Mantle RC PSA 2.5.....1000

One of the hottest cards in the world, everybody seems to be looking for one of these right now. One can certainly understand why, and examples like this that will not sell for \$10,000 or more are open to a very wide range of bidders. Freshly graded from a great collection, the offered card has phenomenal image quality, perfect color, no print lines and clean white borders. Centering is very solid as well. The back is very clean. Very slight surface wrinkles at the two top corners led to the 2.5 grade. It would be very difficult to find a cleaner or better looking card for this grade.

Key Lots

5 1952 Star Cal Decals Mickey Mantle PSA Authentic 1500

So hard to find, this wonderful 5x7 decal is one of the most desirable cards from early in Mickey Mantle's career. Only the third example we have handled in 30 years, this has beautiful color, clean borders and what appears to be a perfectly clean decal. The back is bright and clean. The larger size makes this one of the most attractive of all Mantle cards, and these are revered by collectors. A highly evocative item from this bygone era in baseball history, PSA slabbed this Authentic, I do not believe they issue numerical grades due to the nature of the issue, but we are not 100% sure. Completely fresh to the market, who wants to add a real Mantle gem to their collection?

Key Lots

7 1954 Johnston Cookies Complete Set, all SGC Graded, with six Mint 9s.....2000 Classic 1950s regional issue, this very well designed 35-card set is notable for a very underrated Hank Aaron Rookie Card. A quality team, the other stars include HOFers Mathews and Spahn, Adcock, Grimm, Thomson and Burdette. Every card is slabbed, all are SGC except Spahn. The SMR (assuming half grades at a 20% differential), is approximately \$4,559. Please note the Aaron RC has an SMR of \$1,200 but actually trades for about double that (the last SGC 7 brought \$1,350, PSA 7 \$2,000, SGC 8 \$2,655, PSA 8 \$4,486).

This is an exact inventory of this truly remarkable condition set: 1 Crandall 8, 3 Pendleton 7.5, 4 O'Connell 8.5, 5 Aaron RC 7.5, 6 Dittmer 2, 9 Adcock 8, 10 Buhl 8, 11 Paine 8.5, 12 Johnson 8, 13 Sisti 9, 15 Gorin 4.5, 16 Nichols 9, 17 Jolly 9, 19 Wilson 6.5, 20 Crone 9, 21 Spahn PSA 6, 22 Conley 9, 23 Logan 9, 24 White 5, 27 Metkovich 8.5, 28 Cooney 8, 29 Burris 9, 31 Walters 8, 32 Johnson 8.5, 33 Burdette 8.5, 34 Thomson SP 7, 35 Keely 5, 38 Bruton 8.5, 40 Grimm 8.5, 41 Mathews 8, 42 Calderone 9, 47 Jay 8.5, 48 Pafko 8.5, Taylor 8 and Lacks 8.5.

Key Lots

8 1966 Topps Complete Set w/many graded cards NM1800
 A difficult set due to the high numbers, these are also notorious for major centering issues. The offered set is simply a superb Near Mint overall set. Collected with great care by someone with a very good eye and a lot of patience, this is well centered overall. The high numbers look terrific, the set is a striking Near Mint overall and is simply a pleasure to peruse. Seventy-five graded cards (all PSA but one) come with the set, these will be noted specifically on our web site. The SMR value of just the 75 slabbed cards is a very conservative \$2,546.

The key cards grade as follows: 1 Mays Strong Ex-Mt+ (possible 7 on the right day), 30 Rose PSA 7, 50 Mantle PSA 7, 100 Koufax Ex-Mt+, 110 Banks PSA 8, 126 Palmer RC PSA 6, 215 Clemente/Aaron Mays Ex-Mt+, 254 Jenkins RC NM, 288 Sutton RC NM, 300 Clemente Ex-Mt+, 310 Robinson PSA 5, 365 Maris NM w/tiny wrinkle, 390 B. Robinson Ex-Mt+, 410 Kaline PSA 6, 500 Aaron NM, 526 Twins Team Ex-Mt+, 530 Roberts PSA 9 oc, 540 McLain PSA 7, 547 Clarke PSA 6, 550 McCovey SP PSA 6.5, 561 Choo Choo Coleman PSA 8, 580 Williams SP PSA 7, 583 Tigers Team Ex-Mt+, 590 Skowron PSA 8, 591 Jackson RC SP PSA 6 and 598 Perry PSA 8. Please note we split hairs with the many Ex-Mt Plus grades here, many of these could well end up in 7 holders. If you do not want a fully slabbed set but want a sharp and fine 66 set, it would very, very hard to do any better than this great looking lot.

Key Lots

9 1957 Topps Very Near Complete Signed Set (392 DIFFERENT SIGNED CARDS)2000
 One of the most popular card sets ever produced, the 1957 Topps is a true classic. The first Topps set from the 1950s to use real photos, these are beloved by collectors. The offered lot was a labor of love for our consignor, these are neatly presented in two binders. Anchored by a beautiful (and rare) true vintage signed Mantle card, the highlights here include a superb Ted Williams, Berra, Maglie, Aaron, Mazeroski RC, Ford, Herzog RC, Reese, F. Robinson RC (also vintage), Nellie Fox, Furillo, Banks, Ashburn, Elston Howard, Doby, Spahn, Giles, Gilliam, Porterfield, Ken Boyer, Kaline, Post, Kluszewski, Bessent, Amoros, Colavito RC, Mathews, Haddix, Garcia, Koufax, Kubek RC, Reds TC (signed F. Robinson), B. Robinson RC (vintage signature), Bunning RC and Kinder. The card numbers will be on our website.

Another incredible thing about this lot is that 99% of the signature are in ballpoint ink, mainly vintage, there are hardly any sharpie signatures! Please note these were mainly purchased decades ago and are completely fresh to the hobby. The breakdown value here must be incredible. This is the kind of lot that whatever it sells for, it will almost not be enough. JSA LOAA.

Key Lots

10 Roberto Clemente Single Signed Baseball 8.....1500
 One of the ultimate single signed baseballs, Roberto Clemente remains forever as one of the greatest players and human beings in baseball history. Offered is a clean Prep League model baseball from the 1960s or early 1970s. Clemente penned the entire sweet spot, inscribing the ball to Mike or Nik, everything is in flowing red ballpoint ink. The ball and signature are nice, this will very ably fill a most important spot in any serious HOF single signed ball collection. JSA LOA (full).

11 Rogers Hornsby (Single Signed Baseball (pers to George M Cohan!) 81500
 Great, great signed baseball. Pairing two iconic Americans in such a wonderful fashion, the offered ball is a clean OAL Harridge model ball. Single signed by legendary HOFer and former .400 hitter Rogers Hornsby, the autograph is very solid. Hornsby pens a full panel and inscribes this treasure to the famed composer George M. Cohan. How is for a 1/1 piece? PSA DNA (full).

Key Lots

12 Lincoln, Abraham Signed Pardon in Great Display 9..... 3000
Offered is a wonderful hand-signed Abraham Lincoln item that offers such great insight into his character - a 7x9 pardon dated February 8th, 1864. Clean and fine (some edge wear is matted away), this pardons a William McFadden. McFadden aided an army deserter who fled to Canada during the Civil War and Lincoln was urged by Congressman Augustus Frank to pardon him after McFadden served half of his prison term. Lincoln obliged and directed the Secretary of State to pardon him. This document has a very fine full Abraham Lincoln signature in flawless period ink. This wonderful piece is presented in a very attractive and manageable 23x17 ornate dark wood frame. The display is somewhat notable as the pardon is presented next to a fine higher quality 8x10 print of Lincoln that was produced from an original negative and signed on the back by the printmaker. Overall, this is an outstanding display piece from one of the most singularly impactful figures in world history over the last 200 years. PSA DNA (full).

Key Lots

14 Mantle/Maris Rare Signed Bat

PSA 9.5.....1500

One of the ultimate signed bats, an extremely creative show promoter had these signed at one show in the early to mid-1980s. Only 115 of these were made, creating an extreme rarity. The bat is a wonderful custom Mantle-Maris 1961 model with their home run totals from that epic year.

Mickey and Roger signed in perfect places in spotless blue sharpie ink. This is bat number 17/115. PSA graded the Maris signature a 10 and the Mantle a 9. This is one of the ultimate signed bats, a phenomenal item to add to any vintage Yankee or baseball autograph collection. Completely fresh to the hobby, this was obtained at the time and has been in a closet for 30 years.

Key Lots

13 Hodges, Gil 1956-57 Era Bat w/strong use900

Beloved and iconic Brooklyn Dodger and New York Met, offered is a fine game used bat. Used by Gil in either 1956 or 1957, this Adirondack 113A is 35 inches long and weighs 34.1 ounces. Hodges's 14 is written on the knob. The included PSA DNA letter reads in part "bat is un-cracked and exhibits evidence of outstanding use". Very slight checking (grain swelling) from repeated ball contact is visible on the back barrel. The bat displays extremely well and is probably one of the very best Hodges gamers in the hobby. This bat is also very sentimental as this was used in the final two years for the Dodgers in Brooklyn. Great piece.

15 Mays, Willie Game Used Late 1960s Bat PSA 8.....2500

Willie Mays was one of the very, very finest players to ever play the sport of baseball. Beloved by countless fans, many of them will adamantly argue that he was the best all around player in baseball history. Mays game bats are naturally extremely desirable and would represent a trophy addition to all but the most advanced collections. The offered bat is from the 1965-1969 period, so it possibly could have been used during his 1965 MVP season. Mays was an All Star for all of these years. The bat is a fine looking Hillerich & Bradsby S2 model. The bat is 35 inches long and weighs 33 ounces. The included PSA LOA concludes as follows: "The bat exhibits outstanding use and possesses identifiable player characteristics". Who wants to hold this wonderful bat used by Willie Mays and take some photos swinging it?

Key Lots

16 Munson, Thurman Game Used/Signed Bat - WORLD CLASS PSA 9.5.....3000
One of the best Thurman Munson game bats in circulation, this bat is special on many levels. First of all, it is signed by Munson, one of less than 5 known to exist! The bat is from the 1977-1979 era, it is an Adirondack 257A model that is 35 inches long and weighs 35.7 ounces. According to the PSA DNA LOA, the bat exhibits excellent use and is graded PSA DNA GU 9.5. There is a handle crack and pine tar on the handle, this shows outstanding use. Who wants to add one of the very best bats in circulation from beloved Yankee Thurman Munson to their collection? JSA LOA (full).

Key Lots

In the current market for sports memorabilia, top quality items come to the market all of the time. Still, every once in a while, something truly awesome comes to light. The offered lot is such an item. Owned by a bartender since the 1920s, these glorious full tickets are completely fresh to the hobby.

17 1923 World Series Game 5 Full Ticket! PSA 1.5..... 1500
 Recently graded 1.5 by PSA, this is one of only a handful of full tickets from this game in existence. 1923 was of course the first Yankee team to win a World Series, the Yankees beat the crosstown rival Giants 8-1 in this particular game. The huge ticket offers bright color, outstanding eye appeal and a spotless back. A subtle staple hole in a good spot in between lower and stand by the right edge of the ticket led to the 1.5 grade. It is not very often that something of this quality and significance comes to market, who wants to instantly elevate the stature of their ticket collection? This is also ideal for any serious Yankee collector or for someone who appreciates great memorabilia. We are going to start this at a very low minimum bid, happy bidding!

18 1923 World Series Game 6 Full Ticket! PSA 1.5..... 1500
 Recently graded 1.5 by PSA, this is one of only a handful of full tickets from this game in existence. 1923 was of course the first Yankee team to win a World Series, the Yankees beat the crosstown rival Giants 6-4 in this particular game; Babe Ruth also hit his fourth World Series home run this day. The huge ticket offers bright color and excellent eye appeal. This graded a 1.5 due to creasing on the right side of the ticket and a subtle staple hole by row and seat near the right edge. The ticket again still looks great, the extreme rarity should make the condition issues fairly trivial in our opinion. It is not very often that something of this quality and significance comes to market, who wants to instantly elevate the stature of their ticket collection? This is also ideal for any serious Yankee collector or for someone who appreciates great memorabilia. We are going to start this at a very low minimum bid, happy bidding!

Great Yankee Autographs

19 1920 Yankees Signed Team Display w/supremely rare 1920 Babe Ruth autograph!

9.....1000

Babe Ruth's sale to the New York Yankees in 1920 forever changed the course of baseball history, and perhaps even American pop culture. Babe Ruth autographs trade all the time from the late 1920s through the early 1940s, but something that can be verified as signed in the year 1920 is frankly supremely rare. The wonderful offered lot is a truly remarkable 17x25 framed composition. This piece has a large b/w team photo of the 1920 Yankees with 25 signatures. 14 of the signatures are cuts or single items, the heart of the piece is a 2.5 x 5.5 sheet dated June 21, 1920 with bold pencil signatures. These autographs include a strong Babe Ruth, the very rare Charles O'Leary (D'1941), Aaron Ward, Bob Shawkey, Ping Bodie, Bob Meusel and Frank Gleich (D'49, rare). The individual signatures include Home Run Baker (check cut), Duffy Lewis (postcard), Lefty O'Doul, Wally Pipp, Carl Mays, Roger Peckinpaugh and Jack Quinn. This is one of the rarest and most exciting Babe Ruth-related signed items that we have ever seen or handled. The winning bidder should marvel at this true historical treasure. JSA LOA (full).

Great Yankee Autographs

20 1942 Yankees Vintage Signed Oversize Team Photo (rare) 6..... 200

Offered is a wonderful and rare 12x20 (as framed) original VINTAGE SIGNED oversize team photo of the AL Champion 1942 Yankees. This team lost in the World Series to the upstart Cardinals led by a very young Stan Musial. True vintage signed Yankee team photos are rare, particularly from the 1940s. This is a very handsome and high quality image that is high evocative. Everyone is identified at the bottom of the photo. Amazingly enough, THERE ARE A FULL 31 SIGNATURES. The autographs are all in period fountain pen, but many are light from aging or improper exposure to direct sunlight. With that disclosed, they are mainly readily legible and have a great antique museum feel to them. The content here is outstanding, with note to seven HOFers. Highlights include Joe DiMaggio, Joe Gordon, Earle Combs, Bill Dickey, a very young Phil Rizzuto, Red Ruffing and Lefty Gomez. Other desirable autographs include the very rare signature of trainer Doc Painter, Ernie Bonham (D'1949), Art Fletcher (D'1950), Red Rolfe, Johnny Murphy and George Selkirk. Joe McCarthy is the only clubhouse signature. How many of these can possibly exist in both this large size and so comprehensively signed? JSA LOA Full.

21 1946 Yankees Vintage Signed Oversize Team Photo (rare) 8.5..... 200

Great Yankee piece, offered is a rare and gorgeous 23x15 (as framed) vintage signed imperial team photo of the 1946 Yankees. I love the photography here, including the three soldiers in uniform seated in the front row. There are 21 solid period fountain pen ink signatures in the large margin at the bottom. These autographs all contrast well against the clean white background and display well. The content is solid, with three HOFers named Joe: DiMaggio, McCarthy and Gordon plus Phil Rizzuto. The other autographs include a super early Joe Page, Tommy Henrich, Charlie Keller, Spud Chandler, Hank Majeski and Bill Bevens. Interestingly enough, the autograph of Rugger Ardizoia points this to 1947 but the autograph of Joe McCarthy means this may have been taken in Spring Training in 1946. True vintage signed Yankee team photos are rare, particularly from the 1940s. This is likely a very unique item. JSA LOA Full.

22 8 x 10 1948 Yankees Vintage Team Signed Photo (very rare) 500

Offered is something you just never see, this is a wonderful vintage team signed photo of the 1948 Yankees (94-60). Elegantly matted and framed to a total size of 21x21, this is a superior display piece. Pre-1950 vintage signed team photos are rare and desirable, especially for a Yankee squad. This high quality image offers perfect contrast and has an amazing 32 signatures! The autographs vary significantly in darkness, but are all legible, some with effort. Keys include Joe DiMaggio, Joe Page, Chuck Dressen (D'66), a Rookie Yogi Berra, Bucky Harris, George Stirnweiss (D'58), Phil Rizzuto, Eddie Lopat, Allie Reynolds, Charlie Keller, Tommy Henrich and Bobby Brown. It would be very surprising to find another one of these in circulation. PSA DNA (full).

23 1948 Yankees Old Timers Day Vintage Signed Oversize Photo w/Nine HOFers (superb) 9 750

In 1948, the Yankees held a big Old Timers Day celebration for the 25th anniversary of Yankee Stadium. This event was filled with Yankee players going back to the 1920s and various dignitaries. We have two baseballs from this seminal event in the auction as separate lots. The offered lot is a great 14x8 vintage signed photo from this game. This terrific portrait of beloved Yankee players in uniform has 22 signatures, EVERYONE signed on their image. The content is impressive, with HOFers Joe DiMaggio, Home Run Baker (rare on a photo), Joe Gordon, Waite Hoyt, Red Ruffing, Lefty Gomez, Earle Combs, Phil Rizzuto and Bill Dickey. The old time Yankee content is really nice too, with Wally Pipp, Joe Dugan, Wilcy Moore, Red Rolfe, Roger Peckinpaugh, Bob Shawkey and Charlie Keller. How many of these ever come around for sale? This has everything going for it: star power, condition, beauty and scarcity. JSA LOA (full).

Great Yankee Autographs

24 8 x 10 1956 Yankees w/Mantle (24 sigs) 9..... 300
 Offered is a clean reproduction b/w image of this classic Yankee World Championship team. Signed by a hefty 24 different team members, signed photos like this are much, much scarcer than the more common team balls. Babe Ruth & Lou Gehrig

44 Album Page Ruth, Babe 9.5 1200
Completely fresh to the hobby, this Ruth autograph has a great story. The family of our consignor was bowling in 1946 in a New York City suburb and ran into Babe Ruth. They wisely obtained Ruth's signature at the time, Ruth signed this clean green autograph album page "Sincerely Babe Ruth" in large and spotless black fountain pen ink. Dated 10/1/1946, Ruth signatures from this period in his life are rare as he was in poor health, and sadly passed away only two years later in 1948. The autograph contrasts perfectly against the clean page and simply looks terrific. This is a real keeper! JSA LOA (full).

45 8 x 10 Ruth, Babe (superb) 9 1200
Offered is a gorgeous very high quality signed photo of Babe Ruth. A unique image, a very nattily attired Ruth is reading a book as a proper gentleman from the era. This extremely clean and evocative image captures a different side of Ruth than we usually see. Babe signed and inscribed this very cleanly "To Eddie from Babe Ruth" in a perfect spot. Elegantly matted and framed, this is an absolutely ideal Babe Ruth signed display piece. JSA LOA (full).

Babe Ruth & Lou Gehrig

46 Lou Gehrig & Walter Johnson
Signed 1933 Program 9..... 500
A great little item, offered is an utterly charming seven inch diameter round dinner program for the 1933 Newark Bears. The inside cover has bold period fountain pen ink signatures from none other than Lou Gehrig, Walter Johnson, George Weiss, Joe McCarthy and Al Mamaux. Please note the value of the Gehrig and Johnson signatures as cuts is thousands of dollars; we also believe this to be a very early signature from key HOF executive George Weiss. This has everything going for it! JSA LOA (full).

47 1916 Big Head Strip Cards
Babe Ruth (Extremely Rare) PSA Authentic 1500
One of the great strip card issues, this is one of the hardest early Babe Ruth cards to find. A revered issue, the Ruth is of course the absolute key. Issued from 1916-1920, this is one of the earlier Babe Ruth cards in circulation. The offered card has rich color, and a well registered image. Some light creasing is present, the blank back is clean. A thin cut on the left border likely led to the Authentic grade. Do not assume another one of these will be hitting the market anytime soon!

Babe Ruth & Lou Gehrig

48 1921 E121 Babe Ruth (holding bird) PSA 1.5 500
 Classic Babe Ruth card, these hardly ever come to market. One of the most unique of all Babe Ruth images, this is a really fun piece. Creasing and corner wear keep this at a 1.5. The card retains a nice photo and a clean back. Well centered, this is a perfectly acceptable card for the grade.

51 1922 W575-1 Babe Ruth PSA 2 1500
 Very, very scarce Babe Ruth card, this is a fine looking card from the early 1920s. The image is not used in other cards, and offers a great image of Babe following through on his famous swing. The offered card is a classic PSA 2, with a clean blank back, nice borders and a fine image. There is hardly any creasing, consistent typical corner wear keeps this very, very unusual Babe Ruth card at a pleasing 2.

49 1921 Schapira Brothers Babe Ruth Portrait PSA 3 240
 Novel cardboard Babe Ruth card from 1921, this is the classic portrait image. The offered card is special as it has the full black contact line all around the card, allowing PSA to give this a numerical grade. Colorful and well cut, the back was in a photo album but has no paper loss. This is an awfully nice card for the grade.

50 1921 Schapira Brothers Babe Ruth Waiting For A High One (Highest Graded) PSA 4 450
 So hard to find with full borders, this is a fine looking unusual image of Babe Ruth in the field. Produced in 1921 at the height of Ruth's fame, this novel card has a charming period look and feel. There are no creases or wrinkles, the back is fine, this is well centered. These hardly ever get numerical grades, this may well be the finest one in a holder.

52 1924 W-Unc Strip Card 52 Babe Ruth PSA Authentic 250
 Very uncommon Babe Ruth strip card from the 1920s, I cannot remember the last time we had one of these. This card offers an impressively clear image and has a nice period look. There is one substantial crease in the card, the back is clean, this is hand-cut as intended from a strip at time of issue.

53 1928 Harrington's Ice Cream 26 Lou Gehrig PSA 3.5 500
 A card you hardly ever see, these seem so undervalued to us. The offered card is very clean for the grade, with note to a perfect photo, clean white borders and a very nice back. Centering is good overall, there is the tiniest surface wrinkle in one spot by the right border. Very nice card. 28

Babe Ruth & Lou Gehrig

54 1928 W502 26 Lou Gehrig PSA 4..... 500
 The brother to the Harrington card, they both share the same image. This very clean card has four square corners, clean surfaces and a fine image. The back is clean, a stray nick somewhere must have led to the 4 grade, this card punches above it's weight.

55 1931 W517 Mini Lou Gehrig PSA 2..... 150
 Very scarce issue, these hardly ever come to market. Offered is a very pleasing 2 with a good cut and a nice image; a back crease and some general wear keep this at a 2.

58 1933 Worch Cigar Lou Gehrig PSA 1..... 500
 Great card of Lou Gehrig from the 1930s, this has an image we have not seen on any other card or medium. A real collector's issue, these wonderful oversize cards are scarce and so attractive. The offered card has a terrific image. There are no creases, hence the 1 grade. There is a very subtle pinhole, hence the 1 grade. The back has no paper loss, there is slight general wear present. This is another card that presents so much nicer than it's technical grade.

56 1932 U.S. Caramel 26 Lou Gehrig PSA 1..... 500
 Iconic card of Lou Gehrig, you have to love this wonderful image of Lou with his hat turned upward. The offered card has four solid corners, amazing color and rich red color. The back is clean. A small scrape at the lower left corner and a very fine surface crease by the upper right corner are the only apparent condition issues. The color and eye appeal of this card are superior to even PSA 7 examples of this card that we have seen. The minor technical flaw will allow someone to own a gorgeous example of a premier Lou Gehrig card without breaking the bank. We are going to start this one super low to make things even more interesting!

57 1933 Goudey 92 Lou Gehrig PSA 2..... 300
 Classic Lou Gehrig gum card, these are so hot right now. An honest 2, this is well centered with even corner wear and no visible creases or wrinkles. Who wants to one of the most popular Lou Gehrig cards?

59 1948 Leaf 3 Babe Ruth PSA 3..... 400
 Hot card of late, these have really appreciated in price in recent years. Freshly graded, this example is well centered with a perfect image, no print issues and rich color. The borders are clean, as is the back. Corner wear appears to be the only issue here. PSA was a bit harsh here, this is much more like a 4 than a 3. The eye appeal of this card is very strong.

Ruth, Gehrig & Mantle

60 1949 Leaf Premiums Lou Gehrig PSA 3..... 200 Really nice card, these seem so cheap right now. The offered oversize card has a striking image of Lou Gehrig batting. Well centered with crisp edges and super clean surfaces, the blank back looks great. The corners come to points, there are no chips. A very, very fine corner crease at the upper left corner and a very subtle stray mark appear to be the only defects here.

62 1951 Connie Mack All Stars Lou Gehrig PSA 4 300 Key card, this is strikingly well centered with a fine image and a perfectly flat die-cut. The borders are white, the corners are not bad at all. Slight wear by the upper left corner and a possible minute wrinkle about the die-cut on the back led to the 4 grade. The eye appeal of this card is much better than its technical grade.

Great Mickey Mantle Card Collection

61 1949 Leaf Premiums Ruth, Babe PSA 2..... 200 Very attractive and uncommon Babe Ruth oversize card, these seem so undervalued right now. The offered card has a wonderful large portrait image of Ruth looking right at you. The card has crisp edges and a clean blank back. This received a 2 grade due to some very minute nicks in the top and bottom border and two stray marks. This is cleaner than 90% of these that come to market.

63 1952 Berk Ross Mickey Mantle PSA 6..... 500 I always liked this card, they are scarce and have the same image as his 1951 Bowman Rookie Card. The offered card is an extremely nice 5. The corners come to square points, the image looks great, the surfaces are quite clean. The back is also quite clean. Centered to the right border, this is much more like a 6 than a 5 to our eyes. The winning bidder will be getting a really nice card that might be undergraded.

Fine Mickey Mantle Cards

64 1953 Stahl Meyer Mickey Mantle PSA 1 500
 Extremely desirable regional issue, these are revered by 1950s oddball collectors. The offered card is a 1 due to toning and creasing. The back is fine, there are no technical flaws. This may have been stored improperly at one time. The edges are reasonably crisp, the corners are fine, the image of Mickey is otherwise ok. This is a great chance to own a very, very scarce and desirable Mantle Mantle card.

67 1954 Dan Dee Mickey Mantle PSA 5 500
 A truly classic Mickey Mantle regional issue, this is such a great looking card. Well centered, this has amazing color, crisp edges and a strikingly clean and attractive image. The corners come to points, the card has a super fresh look and feel. Very, very slight general wear likely led to the somewhat conservative 5 grade. This is a great card to add to any vintage card collection.

68 1954 Dormand Mantle (batting stance, 9 x 12) VG-Ex/Ex 300
 Such a great looking Mantle item, this is something that will really please the winning bidder upon receipt as these are so fun to see in person. Huge size Mantle 1950s card, this has no creases, great color and a clean back. Ideal for the grade, this has slight corner wear only and looks terrific.

65 1953 Topps 82 Mickey Mantle PSA 1 150
 The kind of 1 most people like, this retains excellent color and has a fine image. There is extensive creasing but the back is clean and there are no technical flaws. The image and color really are much better than you will ever see on this type of card.

66 1953 Topps 82 Mickey Mantle PSA 3.5 (superb) 500
 The kind of card that makes people hate grading companies, the offered card punches well above it's weight. Centering is perfect, the image is phenomenal. The color is world class, the borders are perfectly clean. Three corners come to strong points, the lower left is just a hair soft. Tiny surface wrinkles by the upper left corner led to the 3.5 grade. The winning bidder should really enjoy this beautiful card.

69 1954 Stahl Meyer Mickey Mantle PSA 1 500
 Extremely desirable regional issue, these are revered by 1950s oddball collectors. The offered card has wonderful color and a terrific image of a young smiling Mantle. There is hardly any creasing, the back is fine. A small tackhole at the top center keeps this at a 1. An extremely desirable and pricey Mantle card, this forgivable flaw will save the winning bidder thousands of dollars on a great 1950s Mantle card.

Fine Mickey Mantle Cards

70 1960 Bazooka 31 Mickey Mantle
PSA Authentic 100
Elusive Bazooka Mantle card, this has the full black contact line on three sides. The back is perfect, the front appears to be as well. Exceptionally well preserved Bazooka card, this one is as nice as we have seen.

71 1960 Post Cereal Mickey Mantle
PSA Authentic 400
One of the great Mickey Mantle oddball cards, offered is the wonderful full size 1960 Post Cereal Mantle. Nicely cut, this has 95% or more of it's full borders intact. The card has perfect color and image quality, the display value is impressive. Creasing is present, but is far from terrible. The back is clean. In the old days, this would have been graded VG, by modern standards it should grade Good or GVG. Either way, this is a very pleasing and well preserved example of a truly beautiful and classic Mickey Mantle card. This is in the new PSA jumbo holder.

72 1961 Bazooka Panel Mantle/Santo/Mahaffey
PSA 4 200
So scarce, this is cut far beyond the black contact line and looks great. So big it goes in a large PSA holder, this is a terrific card. There are no visible creases or wrinkles, the edges are crisp, the back is fine. There is a fold line at the top of the back, 4 still seems like an awfully tough grade here. The winning bidder should really enjoy this terrific Mantle Bazooka panel.

72.2 1961 Topps 300 Mickey Mantle
PSA 8 800
Classic Mickey Mantle card from one of his greatest seasons, these have typical condition issues. This is centered mildly to the lower right corner. This card has four super sharp corners and bright white borders. The image of Mantle is crystal clear. A cornerstone Mantle 8, this is perfect for any very high grade 1961 Topps set or Mickey Mantle collection.

73 1961 Topps 578 Mickey Mantle AS
PSA 8 250
The key star card to this widely collected set, the condition is terrific. This card has a perfect color image of Mickey bursting through the newspaper headlines and immaculate surfaces. The corners all come to very sharp points, the borders are nice and white, centering looks to be in the 55/45 neighborhood. This is a great card to add to a high grade set, current market levels will not make this a super expensive addition.

74 1962 Bazooka Panel Mantle/Mahaffey/Stuart
PSA 7 400
How is this for a sharp panel? Offered is a very tough 1962 Bazooka Mantle panel, in a remarkable PSA 7 holder. The contact line just about shows throughout, this is nicely cut. The corners are sharp, the borders are white, the color is terrific. This has to be one of the very nicest examples of this in circulation.

Fine Mickey Mantle Cards

75 1962 Topps 200 Mickey Mantle PSA 6 125
 Fresh 6, this has four square corners, strong brown borders and exhibits hardly any wear. Centered a hair to the top, this will fit very nicely in any clean 62 set.

76 1962 Topps 471 Mantle AS PSA 7 125
 A key to the 62 set, the offered card has amazing centering. Sharp and clean, this would be a very shrewd move to add to any nice 62 set as these are almost always found with terrible centering.

77 1963 Bazooka Panel Mantle Panel PSA 4 150
 Huge panel, this is cut well beyond the black line and looks great. There are no visible creases or wrinkles, the card has great color. Mickey is joined by fellow 500 home run club member Ernie Banks on this terrific card. It is so hard to find the Mantle Bazooka panels cut so well.

78 1963 Topps 200 Mickey Mantle PSA 8 1000
 Hot card, this is one of my favorite Mantles from the 1960s. Fully deserving of its lofty grade, this example has outstanding centering. The corners are all quite sharp, the borders are bright white and there is no chipping in the bottom color border. The image of Mantle is vibrant and clean, this has a very fresh look and feel to it. If you are looking into collecting Mantle 8s, you will want to seriously consider this seriously nice card.

79 1964 Stand Up 45 Mickey Mantle SGC 7 200
 Classic 1960s Mantle oddball card, this one has terrific color borders with no chipping. The corners are sharp, slight centering to the top border keeps this at a really nice 7.

80 1964 Topps Photo Tattoo Mickey Mantle PSA 8.5 500
 Very pricey Mantle 1960s card, this one is in extraordinary condition. Fresh to market, this is flick from a 9, the card is immaculate. These do not trade very often in high grade, an 8 sale for \$2,995 in 2015 is the most recent comp price in high grade. Who wants to own one of the very highest grade examples of this neat Mantle card in circulation?

81 1966 Bazooka Panel Mantle Panel PSA 4 150
 So hard to find like this, the offered card has a full black contact line throughout. This has bright white borders, great color and a fresh look. The back is clean, the corners are sharp, we are not sure why this only came back a 4. Very good Mantle card.

82 1967 Bazooka Panel Mantle Panel PSA 4.5 150
 Cut beyond the black line, how often do you see this? The final Bazooka year with panels, this offered card has super bright white borders and great color. This has a full black contact line, the back is clean, we could not see any creases or wrinkles even under magnification. The 4 grade must be due to some super minute technical flaw. This is an exceptionally sharp and well presented Bazooka panel, with the key card of Mickey Mantle.

Mickey Mantle Game Bat

95 Mantle, Mickey 1950s Pro Stock Game Model Bat 500

Very interesting bat, our consignor's father was the Yankee trainer in the 1950s. Circa 1955-1956, at the end of the season, he went into the clubhouse with his Dad and famed Yankee clubhouse manager Pete Sheehy handed him this bat. It came right from Mickey's locker and Sheehy told our consignor that Mickey will not miss this bat. The bat is a K55 H&B model that is 35 inches long and weighs 32.9 ounces. This is a handsome ash bat but according to PSA DNA, this was not used by Mantle. Everything else about this bat looks to be right, this bat affords a collector the opportunity to own a true Mickey Mantle game model bat without getting a second mortgage. The provenance of this neat bat should carry some substantial weight. We are going to start this at a super low minimum bid to make things especially interesting.

Well centered with sharp corners, this is a very fine condition card.

156 1916 H801-9 The Globe
137 Roger Peckinpaugh PSA 8.5 150
Extraordinary card, this is well centered with four super sharp corners, bright gloss, a perfect photo and a spotless back. A hair away from a Mint 9, this is probably one of the very nicest condition examples of this card in circulation.

157 1916 H801-9 The Globe 138 Wally Pipp PSA 6... 100
Well centered with four sharp corners, the borders and back look great. This looks like an 8 and not a 6, we are not sure why PSA graded this so harshly.

158 1917 M101-6 Felix Mendelsohn
Peckinpaugh, Roger PSA 2.5 150
Beautiful issue, the large size and great photography make these among the most attractive cards of the era. Scarce, how often do you find these coming to market? The offered card has a beautiful image of popular Yankee Roger Peckinpaugh from very early in his career. The image is strikingly nice, corner wear and one small crease led to the 2.5 grade.

159 1917 M101-6 Felix Mendelsohn
Pipp, Wally PSA 3 150
Beautiful issue, the large size and great photography make these among the most attractive cards of the era. Scarce, how often do you find these coming to market? Offered is a fine looking Wally Pipp, this is a really nice VG with hardly any creasing, even corner wear, great imagery and clean surfaces. The blank back is clean. How many advanced Yankee collectors have one of these?

160 1922 W503 1 Joe Bush PSA 2.5 75
Extremely attractive strip card issue that you just never see, these are great looking cards. The offered card is well centered with a great photo, bright white borders and a clean back. Moderate creasing that does not crack the paper keeps this at a very nice 2.5.

161 1922 W503 10 Norman McMillan PSA 2 mk 75
Extremely attractive strip card issue that you just never see, these are great looking cards. Well centered, creasing keeps this at a 2, the marks on the back led to the qualifier.

162 1922 W503 51 Herb Pennock PSA 2 mk 100
Extremely attractive strip card issue that you just never see, these are great looking cards. A HOFer from this issue that we never see, this has a great photo that you do not see on other cards. Creasing and some stray marks on the back led to the 2 mk grade.

163 1922 William Patterson V89
Lot of 11 different Yankees w/HOFers 200
An almost profoundly rare offering, we hardly ever see or hear of single cards from this 1920s issue, how often do you see a big lot of the Yankees? Extremely attractive issue, these seem so undervalued in today's market. Our consignor spent decades putting these together. The condition varies, generally lower grade, everything will be pictured on our website. The HOFers are Miller Huggins, Waite Hoyt and

Herb Pennock. The other cards are Bush, Schang, Shawkey, Jones, Bob Meusel, Scott, McNally and Pipp. This is literally something you may never see again.

164 1923 Tomas Gutierrez
Pair of Yankee Pages w/Ruth Ex..... 250
So rare, these are wonderfully designed 12x9 pages that feature card-like images of ten players from the Yankees. Babe Ruth is of course the key, this lot is great as it has both sheets, with images of 20 Yankee players. 1923 was of course the first Yankee World Championship team, making this only more special. These have some moderate toning but display quite well overall. This fine pair would look great in the right framed display. We cannot remember the last time we saw the two Yankee pages from this great set come to market.

Rare Yankee Cards

Lot of 14 different Yankees 150

167 1923 Willard's Chocolates
 Hoyt, Waite PSA 3 75
 Attractive card with a fine image, a slight crease at the lower right corner keeps this at a 3.

168 1923 Willard's Chocolates
 Huggins, Miller PSA 2 75
 Well centered with a fairly unique image, this has a fine back crease and a slight stain by the top border. This displays very well for the grade.

169 1924 Diaz Cigarettes

 Clean 3 from a very scarce issue, how often do you see these? Well centered with no creases and a clean back, corner wear keeps this at a nice 3.

170 1924 Diaz Cigarettes
 92 Oscar Roettger (pop 1/1) PSA 1 50
 A 1 from a rare issue, how often do you see these? The only PSA slabbed example, this has extensive corner wear, a scrape on the back and other issues. Still a rare Yankee card, something tells me this might be a popular lot.

171 1925 MLB Die-Cuts New York Yankees Team Set
 (14) w/Ruth & Gehrig 200
 Such a neat lot, how often do you ever find the full Yankees run from this truly oddball issue? Smartly presented in a butterfly box, these include the original envelope and are exceptionally crisp and clean overall.

172 1926 Kut Outs Yankees Die-Cuts
 Pat Collins (rare) PSA AA 100
 Super rare issue, how many have ever seen one of these? The offered card is a handsome Pat Collins, someone just barely retouched the top of his hat on the left side. The back is clean, the image otherwise looks great. Who likes rare cards of 1927 Yankee players?

173 1928 W502 8 Herb Pennock
 (highest graded) PSA 7 75
 Superb condition card, this is well centered with four sharp corners, spotless white borders and a perfect photo. It is really hard to find this card in anything approaching this quality.

174 1928 W502 30 Waite Hoyt PSA 6 75
 Neat card, I love this novel image of HOFer Waite Hoyt. Well centered, crisp and clean, this is another exceptionally clean card.

175 1932 U.S. Caramel 5 Earle Combs PSA 3.5 100
 Elusive card of this 1927 Yankee HOFer, this one is well centered with rich color and a great image. The corners are about Ex, the borders are reasonably clean; one nick at the bottom of the back likely led to the 3.5 grade.

176 1932 U.S. Caramel 20 Red Ruffing PSA 5 125
 Pretty 5, this has great color, a fine image and terrific centering. Wear at the lower left corner is the only distraction here.

Rare Yankee Cards

177 1932 U.S. Caramel 31 Lefty Gomez PSA 4..... 100
Very strong 4, this is well centered with rich color. Corner wear is mild and consistent, there are no visible creases or wrinkles. The image of this HOF Yankee pitcher looks great.

178 1933 Uncle Jacks Chapman, Ben (scarce) PSA 6 st 200
Sharp looking card, we hardly ever see these. This card has a terrific image of Ben Chapman sliding into a base. Centered to the lower left corner, wax staining on the back led to the qualifier. Strong card, there has not been a public sale for one of these since 2014.

179 1933 Uncle Jacks Pennock, Herb PSA 4..... 100
Sharp looking card, very uncommon. This has four solid corners, great color and clean surfaces. Centered mildly to the right border, there are no visible creases or wrinkles. Slight typical staining on the back likely led to the 4 grade.

180 1934 DeMaree Die-Cut D304 Lyn Lary PSA 4..... 100
Rare 1930s issue, this is full size and looks great. A Yankee, how often do these come around? The edges are crisp, the card displays very well. Wear in one spot by the center likely led to the 4 grade.

181 1936 R312 Joe DiMaggio RC PSA 1 150
Key card of Joe DiMaggio, this issue is so condition sensitive due to the paper used. The front is clean, with good color and excellent centering. The blank back has mild damage, hence the 1 grade. This looks better than 90% of the 1s that trade.

182 1937 OPC 108 George Selkirk PSA 4..... 50
Strong 4, this has no visible creases or wrinkles. Well centered, the surfaces are clean, the corners are not bad at all, the die-cut is perfectly flat.

183 1937 OPC 117 Tony Lazzeri PSA 2..... 60
Tough grade, this has no creases and clean surfaces. Well centered with a nice image and clean surfaces, the corners are not bad at all. Slight wear on the die-cut on the back may have led to the tough grade from PSA.

184 1937 OPC 119 Bill Dickey PSA 2..... 60
Tough 2, this has no visible creases or wrinkles and looks good. Well centered, the image is solid. There is slight wear on the die-cut on the back, we think the 2 grade is too low.

185 1937 OPC 131 Monte Pearson PSA 2..... 40
Nice 2, this has a tiny wrinkle by the top border and slight wear on the die-cut on the back. The image and surfaces look good.

186 1937 OPC 136 Red Ruffing PSA 4..... 60
Very nice card, most would grade this Ex. There are no visible creases or wrinkles, the corners show even wear, the surfaces are clean. Very slight wear on the back of the die-cut appears to be the only issue here.

192 1968 Topps 3-D Bill Robinson PSA 5 100

193 1970 Topps Candy Lids Mel Stottlemyre PSA 9 mc 100
Extremely rare Topps test issue, these hardly ever come to market. The only Yankee in the set, this is cut to the top border as is typical and is otherwise perfect. The color is striking, PSA graded this a Mint 9 mc, which seems right. Do not assume one of these is coming around anytime soon!

194 1974 Topps Deckle Edge 7 Thurman Munson (white back) PSA 8.5 150
Superior card, this oversize issue is so nice when they can be found in this condition. The offered card is strikingly nice, PSA split hairs here not rating it a Mint 9. An upgrade for almost anyone, how many advanced Munson collectors have this great looking card in an 8.5?

Well centered with only slight wear, this has great color and is awfully nice for the grade.

Baseball Cards

T206 Singles

281 Cobb (portrait, red bckgrnd) SGC 2 400 Well centered, this has good color and a pleasing image. Creasing and some general wear keep this at a 2. The back is clean. This is a perfectly acceptable card for the grade.

280 Cobb (portrait, green bckgrnd) PSA 2 mk 1000

One of the hottest cards in the world, everyone seems to be looking for one of these. The offered card is well centered with rich color and a beautiful image. The 2 mk is due to corner wear, slight creasing and pinpricks of wear. There is a tiny pinprick size scrape in one spot on the back, and two flicks of white are showing on his face. The borders look great, the back is otherwise reasonably clean. The color and clean white borders provide for eye appeal well beyond this card's technical grade. Who wants to fill one of the ultimate spots in their T206 set?

282 Cobb (bat off shoulder) SGC 2 400 My favorite of the four T206 Cobb cards, this one earns its 2 grade. The corners show a fair amount of wear, but it is consistent. Creasing is very minimal, there is some general wear. The back has no damage. This card will fit nicely in a lower grade set or tobacco card collection.

Baseball Cards

T206 Singles

283 Collins (Phila) SGC 3 75
 Very colorful card has a striking image and white borders; creasing and wear in some spots keep this at a very attractive 3.

284 Demmitt (New York) PSA 2.5 (Carolina Brights back!) 400
 A real Carolina Brights T206 card, how many can say they have one of these? The offered card has a super clean back that looks great. Possibly oversize, this barely fits into the PSA holder. The front is nice, with slight wear and a truly minute surface wrinkle. Who wants to add one of the tougher T206 backs to their collection?

285 Demmitt (St. Louis) SGC 1.5 400
 One of the absolute keys to a T206 set, the offered card is well centered with rich color. The Polar Back is exceptionally nice. The front shows several creases and some general wear. The borders are clean, there is very little tobacco staining as is typical for a Polar Bear back.

286 Greminger SGC 6 200
 Southern Leaguer, this has four square corners, great color and bright white borders. This is a very solid 6.

287 Leifield (pitching) PSA 2.5 (Brown Hindu).. 100
 Well centered with one fine crease, the front looks good. The back is quite vibrant, with some nicks of wear by the bottom border. Nice card.

288 Lord SGC 5 50
 Colorful card is well centered with a very slight diamond cut, nice card.

289 Lundgren (Chicago) SGC 3 100
 Tougher variation, this looks to be a very nice 3. We cannot see any creases, it is well centered, the borders are strong. The back is clean, this appears to be undergraded but we are not certain.

290 Magee (with bat) SGC 5 50
 Very attractive card with a great image, this is centered mildly to the right border. The corners exhibit moderate and consistent wear.

291 Manning (batting) SGC 5 50
 Solid 5 is well centered with only very mild corner wear.

292 Mathewson (dark cap) SGC 4.5 400
 A key T206 HOF card, this one has stunning color and a gorgeous image. The color is world class, the borders are clean. Centered to the upper left corner, this has one very subtle bit of wear on the bottom border. The back is clean. The key T206 HOF cards have been white-hot in recent years, it will be interesting to see where this ends up.

293 McGraw (portrait, with cap) PSA 6.5 300
 Really nice card, this has terrific centering, a perfect image and great color. The borders are nice and white, the corners exhibit only very slight wear. This is an ideal card for the grade, and not at all easy to find in anything approaching this quality in today's market.

Baseball Cards

T206 Singles

294 O'Hara (St. Louis) SGC 1.5 500

Another absolute key to a T206 set, the offered card is a pleasing 1.5. Reasonably well centered with good color, creasing and corner wear keep this at a 1.5. The Polar Bear back is clean, this retains good color and a very nice image. Who wants to finally get serious about completing their T206 set?

295 Pfeister (seated) SGC 5 50

Well centered with moderate corner wear, this has great color.

296 Speaker SGC 3 200

A cult favorite card with its fun image, this one is well centered and clean. There are no visible creases, the corners are not bad at all, the grade might be a click low here.

299 Willis Portrait SGC 4 100

Attractive T206 HOF portrait has a beautiful image. There are no creases, the back is clean. Corner wear keeps this at a 3.

300 Cy Young Bare Hand PSA 5 1200

Simply a great T206 card, offered is a beautiful, classic PSA 5 example of this very condition sensitive Cy Young card. Often found in worse condition than his other two variations, it is not every day that this comes to market in such quality. This card offers perfectly clean white borders, a pristine back, great color and a perfect image. The corners exhibit only very slight wear, the card is quite clean overall. With the white-hot market for key T206 HOFers, it will be interesting to see where this great looking card of one of the ultimate names in baseball history trades at.

301 1910 E93 Johnny Evers SGC 4 100

A card you just do not see, I cannot remember the last time we had one of these. The offered card is a really nice 4 with a great image, clean front and nice back. The borders are white, the slightest surface wrinkle by the bottom on the back likely led to the 4 grade, as this presents as a 5 or better.

302 1910 E98 Miner Brown PSA 3 100

Fun card, these are not easy to find. This is a superb 3 with four sharp corners, white borders and a clean back. There must be a tiny wrinkle somewhere, because this card presents as a 7 or better!

308 1911 E94 Close Candy Johnny Evers SGC 2..... 75
Well centered with no creasing, this is a card we hardly ever see. The card has a nice image with rich purple color; corner wear and slight caramel staining led to the 2 grade.

Fun and affordable card in Mint condition, we do not see these very often in this quality.

310 1922 Haffner's Bread Tris Speaker SGC 1.5. 200
Very difficult card, this has a desirable back that hardly ever comes to market. Well centered, this has no creases or wrinkles and a clean back. CF has been erased at the lower left corner, this is otherwise strikingly clean. Strong card overall, this has great centering and mild corner wear.

311 1922 W575-1 Zach Wheat SGC 7..... 150
Scarce card in condition, this one actually originally came from Zach Wheat's family. Condition sensitive blank-backed card, this has four very sharp corners and a perfectly clean blank back. Heavy centering to the upper right corner keeps this at a 7.

for almost all of you; how neat is it to find a 1948 Leaf short-
print in a true 8 holder?

329 165 Mitchell SP PSA 7..... 200
Very condition sensitive card, we always see these in low
grade. The offered card has four very sharp corners, great
color and a very fresh look. This is a funny image, you have
to love the photography here! Any short-print 1948 Leaf in
a 7 is very desirable, especially the cards near the end of the
set.

The last card in the set, these usually have major condition
issues. The offered card is a very colorful 6. This card has

Baseball Cards

331 1949 Jimmy Fund Boston Braves Die-Cuts Elliott, Bob w/orig. envelope Ex 125
Super fun issue, this is a true full cardboard die-cut display. With the original easel and envelope of issue, this has the usual slight crease on his neck but otherwise looks great. A star player, this is perfect for any advanced oddball or Boston Braves collector. This card measures 9x12 and is something that looks so much nicer in hand.

332 1949 Jimmy Fund Boston Braves Die-Cuts Thompson w/orig. envelope NM 160

Very attractive example of this vital card, the front has perfect color and registration. There are no obvious creases, the borders are white, the corners are VG-Ex/Ex. The back alas has some issues from scrapbook removal. Far from terrible, there are scattered areas of paper loss and/or extra paper, 99% of the text is fully legible. This is a very fine looking card for the grade, perfect for a collector looking to own a key Rookie Card without breaking the bank.

339 305 Willie Mays RC PSA 3 (high-end) 1000
One of the hottest cards right now, this is a fresh card that came from a very advanced Willie Mays collection and was recently slabbed. We thought this would be a 4, PSA was a bit tough here. This card has outstanding centering, rich color, clean borders and a nice back. The corners show mild and consistent wear. There is one very, very minute print line and a subtle surface crease on the back, we have all seen far worse cards in 4 holders. This is an extremely high-end card for the grade that should really please the winner.

Really nice card, this has great color, terrific centering and four solid corners.

411 1958 Topps 417 Furillo SGC 8.5 38

Fun card with Ruth and Williams, this is sharp and colorful. Moderate centering to the left border keeps this from grading higher.

Baseball Cards

1959 Home Run Derby

418 Banks PSA 1 mk..... 100
Very popular card, this is well centered with bright color and clean white borders. The image looks great, the back has an interesting stamp. Creasing seems to be the main issue here, the 1 grade seems a bit harsh to our eyes.

419 Cerv, Bob SGC 7 50
Outstanding 7 from this revered set, this card is well centered. The corners are all sharp, the borders look great, the blank back is pristine. The grade does look a bit conservative to our eyes.

420 Hodges PSA 1 100
Sharp looking card has four square corners and a basically perfect front. Some paper residue from scrapbook removal on the blank back led to the 1 grade.

421 Killebrew PSA 5 200
Classic card of a widely collected player, you do not see these every day. The card is quite clean, the corners come to points, the surfaces are perfectly clean, the card has a very fresh look. We feel this is graded at least a half grade too low, this is an awfully nice 5 either way.

422 Lemon PSA 2 100
Creasing by the bottom border led to the 2 grade. The card otherwise displays well and is much nicer looking and cleaner than your average 2.

423 Robinson, Frank PSA 3 100
Clean card has square corners, super clean surfaces and bright white borders. Very tough card of this great HOFeR, very, very fine paper wrinkles on the otherwise pristine blank back led to the somewhat harsh 3 grade. The winning bidder should really enjoy this card.

424 Triandos PSA 4 100
Crisp and quite clean, the corners are very solid. We have examined this closely and cannot see any creases or wrinkles, the grade seems very low but there might be a minute technical flaw somewhere we did not see. Either way, the card looks great.

425 1959 Topps 20 Snider PSA 8 50
Fine 8, this is strikingly well centered with four sharp corners.

426 1959 Topps 202 Maris PSA 8 150
Only Roger's second-year card, this is reasonably well centered. This has four really sharp corners, a fine photo and very clean surfaces. Not rare, but these seem awfully cheap in 8 holders.

427 1959 Topps 514 Bob Gibson RC PSA 7.5 400
Terrific card, this is one of the most popular Rookie Cards from the 1950s. Undervalued in condition, the offered card is well centered with four sharp corners, good color and bright white borders. PSA really split hairs with the grade here, there is the slightest suggestion of wear at the extreme top border, this is a really nice card.

1960 Fleer

428 3 Babe Ruth PSA 8 75
Neat card of Babe Ruth, this has four very sharp corners and bright white borders. This is centered a touch to the bottom border, it otherwise may well have graded a 9, it is that strong.

429 28 Gehrig PSA 8 45
Very fine 8, this is well centered with four very sharp corners. Great color, the borders could not be any whiter.

430 36 Mel Ott PSA 9 42
Mint 60 Fleer HOFeR, this has terrific centering, immaculate white borders and four Mint corners.

431 40 Tinker PSA 9 27
Solid 9 has excellent centering and four Mint corners. The borders are pristine.

432 72 Ted Williams PSA 8 50
Undervalued card, these are not easy to find in nice condition and this is also his true last card. Offered is a solid 8, with sharp corners and excellent centering.

435 148 Yastrzemski RC PSA 8 500
Classic HOF Rookie Card, this one is well centered with four very sharp corners. The image of Yaz has no print issues and is uncommonly bright and vibrant. The back looks great, this card is all about its four super sharp corners.

436 326 Clemente PSA 8 250
Really nice card, this has exceptional color and image quality. The corners are all super sharp, very slight centering to the left border likely kept this from grading a 9, it is that strong.

433 Lefty Grove Wrong Back (Pepper Martin) Error PSA 4 1500

One of the great rarities of its era, this is a 1960 Fleer #80 Lefty Grove, the final card of the set. Printed in error with the back for Pepper Martin's card, this is the first time in 30 years in the hobby that we have handled one of these. PSA graded the card a VG-Ex 4. The card retains great color, clean white borders and a nice back. Centering is to the bottom border, there is one incredibly minute surface wrinkle on the front of the card. The PSA holder has a slight scratch, I assume the winning bidder will resubmit it to fix the flip.

482 220 Killebrew PSA 9 33
Superb condition card, this fully deserves it's Mint 9 grade with perfect centering and dead Mint corners.

485 330 Maris PSA 9 125
Roger's last card, these often have centering issues. The offered card has outstanding centering, Mint corners and an immaculate feel. This fully deserves its Mint 9 grade and will be an upgrade for just about all of you. While not rare, these still seem awfully cheap to us at current market levels in a 9 holder.

489 490 Kill/Mays/Mantle PSA 7.5 84
Really nice card, this has four solid corners, great centering and perfect surfaces. A flick of wear by one corner led PSA to grade this a Near Mint Plus 7.5.

Aaron Center Panel (Mantle/Gibson/Hunter) Ex-Mt. 150
Very tough piece, this is a revered issue by oddball collectors of late 1960s cards. Centered heavily to the left border, this is otherwise quite bright, crisp and clean. Hank Aaron has the center spot, but Mickey Mantle is on the top panel; fellow HOFers Gibson and Hunter also make appearances.

Only his second-year card, this has bright white borders and a nice image. Typical centering to the bottom border keeps this at a sharp 6.

496 533 Ryan BVG 8..... 120
Strong 8, this is only Ryan's second-year card and undervalued in high grade in our opinion. Well centered, this has four very sharp corners, perfect white borders and a great image of a very young Nolan Ryan as a Mets pitcher.

497 1969 Topps Super 34 Aaron PSA 9 200
Really nice card has no visible wear on the edges, the Mint 9 grade looks great. Not rare, but still this seems like such a bargain in today's market in a PSA 9 holder.

Super fresh lot of P2 pins, these are strikingly clean and nice overall. A very small percentage have staining, these look great. Our consignor collected these decades ago, there could be some condition gems here. An exact inventory will be on our website. We sent these pieces to PSA: Home Run Baker 7, Roger Bresnahan (mouth closed, small letters) 5, Mordecai Brown (small letters) 7, Howie Camnitz (small letters) 8, Frank Chance (small letters) 5, Ed Cicotte 7, Hugh Duffy (small letters) 3, John Flynn 5, Miller Huggins (small letters) 5, Hugh Jennings (small letters) 5, Ed Killian 6, Nick Maddox 7, Rube Marquard 6, John McGraw (small letters) 7, Fred Merkle 8, Nap Rucker (small letters) 8, Wildfire Schulte 6 and Bobby Wallace (w/o cap) 4. There are approximately 95 different pieces in the lot. Sweet Caporal pin lots of this quality seem to have almost disappeared from the hobby in recent years.

509 1914 B18 Blanket
 Cavanaugh (Red Infield, Extremely Rare) NM..... 1500
 The red infield variations on the 1914 B18 Blankets have always been truly rare. These hardly ever come up for public sale and are missing from even the most advanced collections in the hobby. The offered B18 is truly special as we cannot find any public sales for this card. The color and image quality are also simply phenomenal, this is a strikingly beautiful B18 blanket. There is the slightest hint of a fold line from time of issue, the blanket is otherwise immaculate. Naturally this will be of tremendous interest to very advanced B18 Blanket collectors, but this is also something perfect for the savvy collector who knows great rarity and beauty when they see it.

510 1914 B18 Blanket 73 different commons
 Strong Ex-Mt/NM..... 600
 Smartly presented in one-pocket sheets in a binder, this is a very nice lot. The condition varies only mildly, these were culled from a larger quantity for condition and eye appeal. It is fun to see all of the variations when you have a lot of this size. If you are thinking of making this set, or need to upgrade, it would be very, very difficult to improve on the offered lot. These are almost invariably very well cut with wide borders, crisp edges and vivid original color. This is an extremely attractive issue when viewed in hand, the winning bidder should really enjoy this fine lot.

511 1922 Kolbs Mother's Bread Pins
 Complete Set (32 pcs) Ex-Mt/NM..... 200
 Elusive Minor League pin set, the condition is clean. The better names here are Chief Bender and Al Schacht. Desirable set, this lists for \$1,700 in the most recent Krause guide as a full set. This is smartly presented in a butterfly box.

512 1923 W515-1
 Full Original Strip of 10 w/7 HOFers! 250
 Very desirable full 1920s uncut strip, this one has HOFers Rogers Hornsby, Wilbert Robinson, Eddie Collins, Red Faber, Zack Wheat and Ray Schalk. Bright and clean, there is only damage to the cards on the either end. The condition looks terrific overall. Quality uncut 1920s baseball card strips have utterly disappeared from the hobby because of slabbing.

513 1923 W515-1
 Full Original Strip of 10 w/clean Babe Ruth 500
 Extremely desirable full 1920s uncut strip, this one is outstanding as it has a sharp looking Babe Ruth card! The Ruth card trades for tremendous prices, this should sell for more than a Mint 9 given it is in it's original state. The strip has four total HOFers, with Ruth, Cobb, Hoyt and Bancroft. Cobb has chipping at the corners, there is tape on the back by the left edge that affects two commons. It would be nice if this went to a collector and remained in it's current state. Quality uncut 1920s baseball card strips have utterly disappeared from the hobby because of slabbing.

514 1925 W590

Full Original Strip of 10 w/seven HOFers! 200
 Terrific full uncut strip, this is quite clean with no chipping and clean surfaces. The back is clean, hopefully these will not end up chopped up in slabs. The display value is excellent, as is the star power. A remarkable 7/10 of the cards are HOFers: G.C. Alexander, Speaker, Frisch, Harris, Bancroft, Jackson and Carey.

515 1930 Baguer Chocolates

Near-Set (82/90) 200

Tiny 5/8 x 7/8 inch issue, these offer generally different images than usually found of the players in the set. 66 cards in the lot are mounted into the album as intended. There are 16 others that are loose, one (Stephenson) is an SGC 7.5. Everything will be pictured on our website, it is possible that there could be a duplicate. The HOF content (an amazing 26 different!) is as follows: Bancroft, Bottomley, Cochrane, Collins, Faber, Foxx, Frisch, Grimes, Harris, Hartnett, Hornsby, Jackson, W. Johnson, Lindstrom, Lopez, McGraw, Ott, Pennick, Rice, W. Robinson, Ruth, Simmons, Sisler, Terry, Traynor, Vance and Wilson. The image quality varies, they are generally nice. This is the largest lot of these cards that we have ever seen.

516 1931 W517

Fred Lindstrom Original Artwork & Card 300
 From the great Bob Bostoff collection, this is a true one-of-a-kind original artwork. Very nice image, this measures nearly 5x7 as matted. With bright, original gloss, the image quality is terrific. The artwork is smartly matted and framed with HOFer Lindstrom's original W517 card. Total size 16x13. The only recent sale we saw for a W517 artwork was a Bob Meusel for \$460 in 2016; as a HOFer, this should trade for at least twice that.

517 1931 W517 Mini

Lot of 4 Different HOFers 100
 Pleasing lot of HOFers from this very difficult issue, all are in PSA Authentic slabs. The cards display well, and are as follows: Eddie Collins, Lefty Grove, Travis Jackson and Dazzy Vance. The cuts vary, everything will be pictured on our web site.

518 1931 W517 Mini Collection of 17 Cards 150

Larger lot of cards from this very difficult issue, interesting lot as the cards with duplicates are all different colors. The exact content is as follows: Critz (3), Donahue (3), Judge (3), Kamm (3), G. Kelly, Miller, O'Doul and Shires (2). The cuts vary, everything will be pictured on our web site. It is very unusual to find this many cards in one shot from this very elusive issue.

519 1932 PR2 Orbit Gum Numbered Pins

Complete Set (58) Ex-Mt 250

Not rare as singles, full sets do not come to market every day. Colorful and attractive smaller size pinback issue, these are smartly presented in a butterfly box. The condition varies, the set is about 70% Ex-Mt or better, about 10 pieces could use an upgrade. There are no less than 13 HOFers and the set includes both O'Doul variations, which are not easy to find. The high numbers can be scarce, the HOFers include a very early Dizzy Dean, Jimmie Foxx, Lefty Grove, Al Simmons, Mickey Cochrane, Earle Combs and Tony Lazzeri. Nice little set.

520 1933 Mrs Sherlock Bread Pins Complete Set -1 Ex-Mt/NM..... 100
 Very elusive 1930s Minor League pin issue is missing only Scott. High book is \$800 on the set in the most recent Krause guide. Hal Trosky has staining, desirable pins Galtzer, Winegarner and the rest of the set look great.

521 1933 PR4 Cracker Jack Pins Complete Set (25) Ex-Mt/NM..... 300
 Fun smaller size color pin set, this is a quality issue as there are 17 HOFers of the 25 pieces in the set! This is a fresh, vibrant and colorful set, these exhibit hardly any wear. Unpicked for grading, the set looks to be a very solid Ex-Mt/NM to our eyes. The Dean is Near Mint, the Gehrig a strong Ex-Mt. The other HOFers include Cuyler, Frisch, Gomez, Goslin, Grove, Lazzeri, Simmons and Paul Waner.

523 1936 Goudey Complete Set VG 240
 Somewhat elusive set, this smaller size 25-card set is lower grade but not abused. The stars grade as follows: Greenberg GVG, Cochrane VG-Ex/Ex, Crosetti VG-Ex, Ferrell VG-Ex/Ex, Gomez VG, Cuyler VG-Ex, Klein GVG and Paul Waner VG+. The balance of the cards range from Good to close to Ex.

522 1935 Goudey Complete Set, all SGC Graded 750
 Lower grade set, all but one are SGC graded. The grades tend to be 1s and 2s, this is not for a condition conscious collector. This set offers a remarkable number of HOFers, especially big names, for such a small size set. The key card is Babe Ruth's last card. The many cards with HOFers are SGC graded as follows: Bottomley (w/other Reds) 5, Ott 1, D Vance 3.5, Cronin 3.5, B Herman (Pirates) 1, Lyons 1, Bottomley 1.5, Ruth/Maranville 1, Cochrane/Gehring 2, Browns 5.5, Paul/Lloyd Waner 1, Dizzy/Paul Dean 1.5, Cochrane/Simmons 1.5, Goslin 1.5, Cuyler/Grimes/Klein 1.5, Dickey/Lazzeri/Ruffing 1, Rick/Wes Ferrell 1, Greenberg 1, Foxx 2.5, Manush 1, Jackson/Terry 1 and Traynor A.

524 1936 Wheaties Series 5 Complete Set (12) VG-Ex..... 135
 Attractive Wheaties set, amazingly enough 11 of the 12 cards are HOFers! Condition is nicer than most Wheaties that trade but still varies, these average a colorful VG-Ex overall with mild variance. The sizes and borders vary as always. The backs are clean. The key HOFers are Foxx (cut to image), Ott, Hubbell, Grove, Dickey and Gehring.

526 1938 Baseball Tabs

Complete Master Set -1 + Extras (64 pcs)..... 600
A set you hardly ever see, this is a very interesting collector set from the 1930s. These are 3/4 inch diameter metal tabs, each has a portrait of an individual player or the name of a team. Neatly presented in a butterfly box, the design is supposed to simulate a baseball. Single pieces do not come to market very often and are in great demand by advanced player and team collectors. Full sets are almost unheard of. The set contains 30 different players and 24 different teams. This set includes an uncataloged tab of Buddy Myer.

The teams are only missing the Cardinals, and there are 34 total, with note to 10 doubles, all should be in varying colors. These are a very difficult issue to grade, we will have everything pictured on our website. Some tabs exhibit wear, others are clean, they tend to be bright, colorful and attractive overall. Of the players, a remarkable 20 are in the Hall of Fame. The star power here is extremely impressive, with note to Lou Gehrig, Joe DiMaggio, Jimmie Foxx, Hank Greenberg, Bob Feller, Lefty Grove, Tony Lazzeri and Charlie Gehringer. Who wants to add a set to their collection that almost no one else has?

527 1947-66 Exhibit

Near-Set (275 different) w/Mantle PSA 6 Ex-Mt ... 500
Offered is an extremely substantial lot of this revered post-card-size set. So big, this lot is filled with clean star cards, team cards and star players, with some of the short-printed cards. A completely fresh and unpicked lot, there should be many cards in here for potential slabbing as our consignor is a purist who does not like grading. The condition is about 60-70% Ex-Mt or better, the balance varies, mainly VG-Ex or so and not bad at all. These better cards come in this lot: Aaron, Banks Script, Yogi Berra (MADE), Cunningham Batting, Drysdale Portrait, Jensen, Killebrew Batting, Kubek Dark, Mantle Batting No Pinstripe 1st Name White, Mays Batting, Mays Portrait, Musial Kneeling, F Robinson, J Robinson, Roe, Thomas, Braves Team 1948, Indians 1948, Phillies 1950, Yankees 1949, Yankees 1950 and Yankees 1951. It would be hard to come up with a better base than this lot to make a complete set of this great issue; as presented, these cards should have a very substantial breakdown value if desired.

528 1948 Los Angeles Angels Complete Team Issue Set (26 pcs) NM w/orig. envelope 240

Really clean oversize PCL issue, the condition here is extraordinary. Each card is an individual holder for protection. There are no stars here, this is for a true vintage Minor League collector.

Oddball Babe Ruth set, full sets do not come to market very often. The offered set mainly ranges from Good to VG Plus and is not bad at all; one card is miscut, the #1 card is Fair-Good. The backs are fine, we have scans of every card on our website. The key four cards that picture Babe Ruth are Good overall. This is a charming set with wonderful period images from the film.

532 1950 Philadelphia Bulletin Pinups
 Complete Set (26) Ex-Mt 255
 Very nicely designed 8x10 size set, these are clean images of the cult favorite 1950 Fightin' Phillies team. This is a very fine looking and well preserved set, anchored by popular early cards of HOFers Richie Ashburn and Robin Roberts. About 90% of the set appears to be a crisp Ex-Mt overall, only three cards appear to have any condition issues at all. This is an elusive set that is missing from even many advanced 1950s card collections.

533 1951 Berk Ross
 Complete Set in Boxes on Panels Ex-Mt/NM 400
 Creative set has athletes from several sports, some of whom have hardly any cards. Our consignor purchased this in the original boxes and it has not been touched for decades. The cards are quite fresh, crisp and clean, but centering varies as always. We feel the set grades a solid Ex-Mt/NM overall, nothing has been picked for grading. The key cards are as follows: Ashburn, BB; Cousy, BKB Ex, Berra, BB; Spahn, BB Ex-Mt+, DiMaggio, BB; Hamner, BB Ex-Mt+, Ford RC, BB; Roberts, BB Ex, Hart, FB; Hogan, Golf Ex-Mt+, Henrich, BB; Musial, BB Ex-Mt+, Owens, Track; Sherman, Skating Ex, Rizzuto, BB; Rosen, BB Ex-Mt ctd, Sharman RC, BKB; Simmons, BB NM. The breakdown value as singles is several thousand dollars on this neat set.

534 1952 Star Cal Decal
 Original Advertising Sign w/six cards! 200
 Super cool piece, this is a highly evocative 13 x 21 original cardboard store display from 1952. General wear is present, but this nonetheless displays quite well. Four of the single cards appear, and two of the dual-player cards. The decals themselves appears to be fresh and untouched. A fun and popular 1950s issue, how often do these signs come around? This is just terrific.

531 1950 Drakes Complete Set VG 400
 Very difficult set to assemble, these were issued on a limited basis and have wide black borders that often have huge condition issues. The offered set is not something for the registry, but is nonetheless a pleasing and reasonably consistent lower grade set. Condition varies mildly, 5-6 cards are higher grade (Ex to Ex-Mt Plus or so), the balance are Good or VG. The many stars grade as follows: 1 Preacher Roe GVG, 5 Duke Snider Good, 6 Roy Campanella Good, 9 Bobby Thomson Good, 11 Gil Hodges Ex-Mt+, 13 Bobby Doerr Good, 14 Warren Spahn Good, 18 Carl Furillo VG, 19 Pee Wee Reese VG-Ex/Ex, 23 Tom Henrich VG+, 24 Yogi Berra Good, 25 Phil Rizzuto VG-Ex/Ex, 27 Joe Page VG+, 28 Allie Reynolds VG and 33 Dom DiMaggio Ex-Mt.

536 1952 Wheaties Complete Baseball Set (20 pcs) 200

Neat set does not come around every day, there are portrait and in action cards for each player. HOFers include Berra, Campy, Feller and Musial. Fresh set was obtained from us many years ago, please note 14 of the cards retain a full blue border throughout, providing for some serious grading upside.

537 1953 H-O Instant Oatmeal Complete Set (4) Ex-Mt/NM..... 225

Neat 1950s set of records, full sets do not come around very often. The condition is solid, the four players are Roy Campanella, Whitey Lockman, Allie Reynolds and Duke Snider. All four will be pictured front and back on our website. The color images are so evocative of this great era in baseball history.

535 1952 Topps Complete Set 1-310 GVG 1200
Honest lower grade basic 1952 Topps set, the condition varies from Poor to VG-Ex, averaging about GVG overall to our eyes. The low number commons are much better than usually found in these types of sets. This is one of the most collected baseball card sets, the lower grade allows one to complete it without getting a second mortgage. Loaded with value, the key cards grade as follows: 1 Pafko Good, 2 Runnels RC Fair, 11 Rizzuto Good, 20 Loes RC SP Fair-Good, 26 M Irvin Fair-Good, 29 Kluszewski Good, 33 Spahn Fair-Good, 36 Hodges Good, 37 Snider Good, 59 Roberts Good, 65 Slaughter PSA 1, 88 Feller Good, 129 Johnny Mize Good, 175 Martin RC GVG, 191 Berra Poor, 195 Minoso RC GVG/VG, 216 Ashburn Good, 261 Mays BGV 1.5, 268 Lemon GVG and 277 E Wynn Fair-Good.

538 1953 Red Man Complete Set, no tabs Ex 125
Colorful and attractive set, please note four cards have the tab. These present as a solid and consistent Ex to Ex Plus overall but as always with Red Mans, there can be minute wrinkles or other imperfections that can only be seen upon very close inspection. Loaded with HOFers and recognizable players, we grade the key cards as follows: Casey Stengel Ex, Yogi Berra VG+, Richie Ashburn Ex-Mt, Nellie Fox Ex-Mt+, Roy Campanella VG+, Ted Kluszewski VG+ (w/tab), Phil Rizzuto Ex, Pee Wee Reese Ex, Enos Slaughter VG+ (w/tab), Duke Snider VG (w/tab), Johnny Mize Ex, Warryn Spahn VG-Ex/Ex and Stan Musial Ex.

Baseball Cards

539 1953 Red Man w/tab
 15 different w/7 HOFers Ex+ 100
 Sharp and colorful Ex to Ex-Mt lot of fresh Red Mans, nothing has been pulled for grading. These cards are in the lot: 2 Bauer, 3 Berra, 5 N. Fox, 6 Jensen, 7 Joost, Lockman, 9 Mitchell, 10 Reese, Rizzuto, 12 Woodling, 14 Wynn, 15 Dobson, 18 Mize, 19 Spahn and 23 McDougald.

540 1954 Dan Dee Complete Set - Mantle 300
 Classic regional issue, these are such well designed and attractive cards. The cards are generally well centered and display well, conditionis somewhat mixed, but subtle creasing and corner wear are the main issues for several of the cards. We grade the many HOFers and scarce cards as follows: 3 Cooper GVG, 4 Doby Ex-Mt+, 6 Feller Ex, 11 Hodges Good, 13 Irvin Good, 15 Lemon VG-Ex/Ex, 16 Lopez GVG, 19 Rizzuto GVG, 22 Schoendienst VG+, 23 Smith Ex, 24 Snider VG, 27 Thomas VG+ and 29 Wynn VG-Ex/Ex. This is a solid overall set with some very clean cards.

541 1954 New York Journal American Complete Set Ex+ 500
 Classic 1950s issue, these are among my personal favorites. The cards picture the star players from the three New York City teams at the time, so there is some serious star power. As with so many other sets, it is the scarce short-printed cards that make this a bear of a set to complete. The offered set varies mildly, it is a solid Ex Plus overall to our eyes. The many better cards in this fun set grade as follows: 1 Joe Black VG-Ex/Ex, 2 Roy Campanella Ex+, 4 Carl Erskine VG, 5 Carl Furillo Ex, 7 Gil Hodges Ex, 6 Junior Gilliam VG, 9 Clem Labine NM+, 12 Don Newcombe Ex+, 13 Erv Palica Ex-Mt, 14 Pee Wee Reese Ex-Mt+, 15 Jackie Robinson Ex+, 17 George Shuba VG, 18 Duke Snider Ex+, 19 Dick Williams VG-Ex/Ex, 22 Marv Grissom Ex-Mt+, 32 Willie Mays Ex, 36 Wes Westrum NM, 37 Hoyt Wilhelm NM+, 41 Yogi Berra VG-Ex/Ex, 46 Whitey Ford Ex-Mt+,

51 Mickey Mantle VG-Ex/Ex and 57 Phil Rizzuto Ex. Please note the breakdown value here as single cards is several thousand dollars.

542 1954 Red Heart Complete Set Ex-Mt/NM..... 400
 Sharp set varies slightly in centering, but is really nice overall. A classic set with a great design, the key cards grade as follows: 1 Ashburn PSA 7, 6 Erskine PSA 7, 9 N Fox NM, 10 Gilliam NM, 12 Kell NM+, 13 Klu NM, 14 Kiner NM, 16 Lemon NM oc, 18 Mantle PSA 6, 19 Martin PSA 6.5, 23 Musial PSA 5, 27 Schoendienst NM, 28 Slaughter NM oc, 29 Snider PSA 5 and 30 Spahn PSA 5.

543 1954 Topps Complete Set Minus Aaron & Banks (248/250) GVG 400
 Lower grade lot of 54s, some cards have slight tape at the top and other issues. With that disclosed, at least half of the cards appear to be in the VG range, with some nicer. This is your typical lot where the commons are much better than the key stars. Far from ugly, this is a fully acceptable lower grade example of a key 1950s set. We grade the key cards as follows: 1 Williams Good, 10 Robinson Fair-Good, 13 Martin Fair-Good, 17 Rizzuto Poor-Fair, 20 Spahn Fair, 30 Mathews Good, 32 Snider VG+, 37 Ford Good, 50 Berra Fair-Good, 90 Mays Fair-Good, 132 Lasorda RC Good (pin-hole), 201 Kaline RC Good, 239 Skowron RC Good and 250 Williams Fair-Good.

544 1955 Bowman Complete Set Ex++..... 1200
 One of my personal favorites, clean 1955 Bowman baseball sets have dramatically risen in price in recent years as people have to come to realize the amazing value and uniqueness of this issue. The offered set was clearly assembled with great care, and is one of the prettiest and most consistent unslabbed set one is likely to find. The cards have consistently rich brown borders, good centering and respectable corners. The high numbers, including the umpires, are very solid and are a high point for this set. The overall condition is about half Ex-Mt, a quarter Ex Plus or so, the balance about Ex; we might be a bit conservative here. The many key cards are as follows: 1 Wilhelm Ex-Mt+, 10 Rizzuto Ex++, 22 Campanella Ex-Mt, 23 Kaline Ex-Mt+, 37 Reese Ex+, 59 Ford Ex-Mt+, 68 Howard RC Ex-Mt, 103 Mathews Ex+, 134 Feller Ex, 168 Berra Ex++, 179 Aaron Ex+, 184 Mays Ex, 202 Mantle Ex++, 242 Banks Ex+, 265 Barlick RC Ex-Mt+, 267 Honochick RC Ex-Mt, 283 Chylak Ex+, 303 Conlan RC Ex++ and 315 Hubbard Ex-Mt. Typically 1955 Bowman sets have a weaker Mantle, Banks or the umpire cards, the offered set has no such issues.

546 1956 Topps Pins Complete Set Ex-Mt/NM..... 1200
 Classic 1950s pinback set, these are not easy to complete. Full sets do not come to market very often and tend to be fought over by collectors. This is the first full set we have had in several years. The many stars and the three short-prints have been frustrating collectors for decades. The offered is filled with vibrantly colorful pins of marquis players, the condition is a very solid Ex-Mt/NM overall (with note to the inherent difficult in grading an item made out of metal!). To our eyes, the keys grade as follows: Hank Aaron Ex-Mt+, Ernie Banks NM, Yogi Berra NM, Chuck Diering Ex, Gil Hodges NM, Al Kaline Ex-Mt+, Hector Lopez Ex-Mt, Ed Mathews Ex-Mt, Willie Mays Ex-Mt+, Phil Rizzuto Ex-Mt, Jackie Robinson NM, Duke Snider Ex-Mt, Warren Spahn Ex-Mt+, Chuck Stobbs NM and Ted Williams Ex-Mt. This is an exceptionally well collected example of an extremely scarce and desirable classic pin set.

545 1955 Topps Complete Set w/scarce wrapper Ex-Mt 1000
 Very popular 1950s Topps set, this is anchored by key Rookie Cards of Sandy Koufax, Roberto Clemente and Harmon Killebrew. The high number run here is not easy to complete, and includes many key stars. The offered set is smartly assembled, about 70% Ex-Mt or better, the balance almost all Ex or Ex Plus, there are no beaten up cards in this lot. Some fine Near Mint cards are spread throughout the set. The high numbers are exceptionally crisp and clean overall, with many really fine commons. The star cards grade as follows: 1 Rhodes Ex-Mt, 2 Williams Ex, 4 Kaline PSA 6, 28 Banks PSA 6, 31 Spahn VG-Ex/Ex, 47 Aaron Pro 8, 50 J Robinson Ex, 123 Koufax RC Ex+, 124 Killebrew RC Ex-Mt/NM, 152 Agganis RC Ex, 155 Mathews Ex-Mt+, 164 Clemente RC PSA 6 oc, 187 Hodges Ex-Mt, 189 Rizzuto Ex, 194 Mays PSA 6, 198 Berra VG-Ex/Ex, 200 Jensen PSA 6 and 210 Snider VG-Ex/Ex.

547 1957 Topps Complete Set VG-Ex..... 1000
 Classic Topps set, these are beloved by most collectors. The offered set is a very nicely assembled VG-Ex overall, there is variance from Good to Ex-Mt Plus, but the cards tend to be solid, well centered mid-grade pleasing cards. Interesting set as it has a sharp Brooks Robinson Rookie but a lower grade Mantle, often times it is the other way around. The key semi-high number is very solid, with some sharp Ex-Mt and nicer cards. The key cards are of course the main show here, and they grade as follows: 1 Williams VG-Ex ctd, 2 Berra VG+, 10 Mays VG-Ex/Ex, 18 Drysdale RC VG+ ctd, 20 Aaron Ex+, 25 Ford VG-Ex, 35 F Robby RC VG, 55 Banks Ex++, 76 Clemente Ex, 95 Mantle Good, 97 Yanks TC Good, 125 Kaline VG-Ex/Ex, 165 Klu VG+, 170 Snider Good, 210 Campanella GVG, 212 Colavito RC VG-Ex/Ex, 286 Richardson RC VG-Ex/Ex, 302 Koufax VG+, 312 Kubek RC VG, 324 Dodgers TC GVG, 328 B Robby RC Ex-Mt+, 338 Bunning RC Ex-Mt, 400 Dodgers Sluggers VG-Ex, 407 Berra/Mantle Ex+, Checklist 1/2 Good mk and Checklist 3/4 Good mk.

548 1957 Topps Complete Set Ex..... 1100
 Nice mid-grade 57 set, this was assembled with care by our consignor. The condition varies from VG to Ex-Mt+, it is 50-60% or so Ex or better, the balance is mainly VG-Ex. Centering is very nice for a set in this grade, the semi-high numbers have some very strong cards. A classic set this is always a great value, this is one is anchored by an awfully nice Brooks Robinson Rookie that could be a 7 on the right day (our consignor is a purist who does not like grading). Overall, this is a very solid mid-grade 57 set. The key cards grade as follows: 1 Williams VG-Ex/Ex, 2 Berra VG-Ex/Ex, 10 Mays VG, 18 Drysdale RC VG+, 20 Aaron Good, 25 Ford Ex, 35 F Robby RC Ex, 76 Clemente VG-Ex/Ex, 95 Mantle VG-Ex/Ex ctd, 210 Campanella Ex, 212 Colavito RC Ex, 302 Koufax Ex++, 324 Dodgers TC VG-Ex/Ex, 328 Brooks Robinson RC Strong Ex-Mt+, 338 Bunning RC VG-Ex/Ex, 400 Dodgers Sluggers VG-Ex/Ex and 407 Berra/Mantle VG+. Please note the key cards below Ex tend to have incredibly minute corner wrinkles by the tips, they look much nicer than their technical grade.

549 1958 Hires Root Beer Complete Set (no tabs) Ex..... 450
 Classic 66-card 1950s set, these are such attractive cards. These are all missing the generic tab. The cards are bright and clean, they average a solid Ex or better overall to our eyes. We grade the key cards as follows: 10 Richie Ashburn VG-Ex/Ex, 13 Don Newcombe Ex, 17 Larry Doby Ex-Mt, 23 Pee Wee Reese Ex-Mt+, 25 Willie Mays VG-Ex/Ex, 36 Bill Mazerowski Ex-Mt, 42 Johnny Podres Ex-Mt+, 44 Hank Aaron VG-Ex/Ex, 46 Bobby Thomson Ex-Mt, 55 Don Drysdale VG-Ex/Ex, 56 Jack Jensen VG-Ex/Ex, 61 Duke Snider VG-Ex/Ex and 67 Ted Kluszewski Ex. The VG-Ex/Ex cards tend to be very nice but will tend to have a tiny corner line or other minute flaw. This is a very attractive and colorful overall set.

550 1958 Topps Complete Set VG-Ex..... 800
 Not a bad set at all, this is perfect for someone looking for a mid-grade 58 set. Each card is in an individual holder for protection. The cards average a pleasing VG-Ex overall, with mild variance in both directions. This set is loaded with value. The lot also includes the contest card and felt penny insert. The lesser grade star cards can easily be upgraded if desired. We grade the many star cards as follows: 1 Williams GVG, 5 Mays GVG, 25 Drysdale Good, 30.1 Aaron Ex, 47 Maris RC VG, 52.1 Bob Clemente VG, 70.1 Al Kaline VG-Ex/Ex, 150 Mantle VG, 187 Koufax VG-Ex, 246 Yanks TC Ex, 285 F Robby VG-Ex, 288 Killebrew VG-Ex/Ex, 307 B Robby VG, 310 Banks VG, 321 Klu/Williams VG+, 343 Cepeda RC VG-Ex, 370 Berra VG, 418 Mantle/Aaron GVG/VG, 436 Mays/Snider VG, 485 Williams AS Ex-Mt

551 1959 Fleer Complete Set w/real #68..... 150
 Mixed grade set could benefit from some fairly simple TLC. Most of the cards appear to be in the Ex Plus to Ex-Mt range, some will have tiny wrinkles but otherwise look sharp. The keys are not great and we grade them individually as follows: 1 Early Years Good, 2 Babe Ruth Ex-Mt/NM hand cut, 11 1935 - With Jimmie Foxx PSA 5, 63 All Star Record VG+, 67 With Sammy Sneed Ex, 68 Ted Signs 1959 PSA 1.5, 70 With Jim Thorpe Ex-Mt+, 75 With Babe Ruth GVG, 79 Where Ted Stands Ex and 80 Teds Goals 1959 VG-Ex/Ex. The many clean commons and the real #68 provide for some very solid value. Please note the #68 card alone in a 1.5 trades for roughly \$270.

552 1959 Topps

Complete Set w/Gibson PSA 4 VG to VG-Ex... 800
 Not a bad set at all, this low to mid-grade 59 is unlike many others as it has nice examples of the key Mantle and Gibson cards. The high numbers are also a step above the rest of the set, providing for some solid value. The condition ranges from VG to Ex-Mt, but is mainly VG to VG-Ex, there are definitely much cleaner cards scattered throughout the set. We grade the many key cards as follows: 10 Mantle VG (ctd, no creases), 40.2 Spahn (partial 31) VG+, 50 Mays VG-Ex, 150 Musial VG+, 163 Koufax VG-Ex/Ex, 202 Maris VG+, 380 Aaron VG, 461 Mickey Mantle HR VG+, 478 Clemente VG+, 510 Yankees TC Ex-Mt+, 514 Bob Gibson RC PSA 4, 515 Harmon Killebrew VG-Ex/Ex, 543 Trio/Clemente VG-Ex/Ex, 550 Campanella Good, 561 Aaron AS VG, 563 Mays AS VG and 564 Mantle AS VG+. Please note this set is loaded with star cards, making it extremely popular among dealers; the Gibson and Mantle themselves should be worth about \$600.

554 1961 Post Cereal Complete Set + Many Variations (312 cards) Ex+ 400

Quality 1961 Post Cereal set, these are generally well cut and very clean. The cards present very well, and vary only mildly in grade. Nothing has been picked for grading, there are many fine condition cards throughout the set. A somewhat hot issue of late, the key cards grade as follows: 4.2 Mickey Mantle (company) VG-Ex/Ex, 5 Bob Turley (company) Ex++, 7.2 Roger Maris (company) Ex-Mt, 10 Gil McDougald (box) Ex-Mt+, 23 Bob Shaw (box) Ex, 35.1 Al Kaline (box) VG, 55.2 Frank Sullivan (company, Phillies) Ex-Mt+, 73 Chuck Estrada (company) VG-Ex/Ex, 92.1 Harmon Killebrew (box, Minneapolis) Ex+, 94 Chuck Stobbs (company) NM, 106 Ed Mathews (company) Ex-Mt, 107.1 Hank Aaron (box) Ex-Mt, 131.2 Bob Clemente (box) VG, 132.2 Bob

The extra cards are either a box or company variation, so there is a basic set of 200 cards in the lot, plus an additional 112 variations.

555 1961 Topps Complete Set NM 1200

Key set is loaded with value, especially with the great high number run. The offered set includes seven PSA 7 commons. The offered set is very nice, it is about 70% Near Mint, the balance almost all Ex-Mt, with some centering issues. The high number run is a real high point of the set, these are very nice cards. 556 1962 Kahns Atlanta Crackers Complete Set Ex-Mt/NM 240

Fun 24-card regional issue of this Minor League team, these do not come around very often. The high book in the Krause guide is \$2,000 for this, which seems a bit strong. The key McCarver Rookie is a PSA 6, the Mike Shannon a 5. The remaining cards appear to our eyes (PSA is notoriously tough on oversize cards) to be a very strong and consistent Ex-Mt/NM overall with hardly any variance.

Baseball Cards

558 1962/1963 Exhibit Card Advertising Display w/Mantle 100

Very neat display item, this is a well rendered 12 x 18 store display paper sign. Nine paper stock Exhibit cards are mounted to the sign, with Baseball Stars printed at the top in bold lettering. The cards exhibit general wear that can be felt more than seen, they do display very well. The three HOFers are Mickey Mantle, Ernie Banks and Brooks Robinson. The other players include Frank Howard and Maury Wills.

561 1965 Topps Complete Set w/Koufax 7 & Mantle 4 Ex-Mt 1200
 Quality Topps set, the design makes these very popular among collectors. The offered set has a few issues but overall is a fine, high quality example. There are hundreds and hundreds of super sharp and clean cards, with bright white borders and terrific corners. The set is probably 80-90% sharp, with some off-center cards, the balance is not bad either. The high numbers are strong, nothing has been cherry-picked for grading. With moderate work, this could become a strong Ex-Mt/NM set. The key cards are as follows: 3 Kill/Mantle Ex-Mt, 16 Morgan RC Ex, 134 Mantle WS NM, 155 Maris NM oc, 160 Clemente Ex, 170 Aaron Ex++ ctd, 207 Rose Ex+, 250 Mays Ex-Mt, 300 Koufax PSA 7, 320 Gibson Ex-Mt oc, 350 Mantle PSA 4 (well ctd, no obvious creases or wrinkles), 385 Yastrzemski Ex-Mt, 400 Killebrew Ex-Mt+, 461 Carroll/Niekro NM oc, 470 Berra PSA 7, 477 Carlton RC PSA 4, 510 Banks Ex-Mt, 526 Hunter RC PSA 6, 540 Brock NM ctd and 581 Perez RC Ex-Mt.

564 1969 Topps Complete Set NM 600
 Assembled with great care by a hobby old timer over many years, this is one of the nicest 69 sets that we have seen in some time. The condition looks to be about 70% Near Mint or better, the balance almost all a nice Ex-Mt. Our consignor does not like grading, so there may be some serious upside for our winning bidder if they decide to go that route. Nothing has been picked for grading for this reason, and there should be many solid candidates with this very smartly assembled and sharp set. We grade the key cards as follows: 50 Clemente NM, 95 Bench Ex ctd, 100 Aaron Ex-Mt+, 120 Rose Ex-Mt+, 190 Mays Nm-Mt, 255 Carlton Ex-Mt, 260 R Jackson RC Ex++, 480 Seaver Ex-Mt, 500.1 Mantle NM, 510 Carew NM oc, 533 Ryan Ex-Mt+, 550 B. Baseball Cards

565 1970 Kellogg's Complete Set w/one PSA 10
NM to Nm-Mt 100

Sharp untouched set, a handful of cards may have tiny cracks, mainly at a corner, including the Mays. We sent these cards to PSA: 27 Clemente PSA 8, 29 Stargell PSA 10, 32 Reggie Jackson PSA 9, 40 Ernie Banks PSA 8 and 58 Bench PSA 8.

566 1971 Dell Complete Set in original folder NM..... 180
Mammoth set is in the original form with loads of players like Ryan, Mays, Seaver, Aaron et al. A very tough and undervalued set, this one is nice as it is in the original box. Slabbing has made full uncut sheets hard to find.

567 1971 Kellogg's Complete Set w/PSA 9 Keys NM to Nm-Mt 250

The key Kellogg's set, this is an unpicked set that our consignor obtained decades ago. The cards are a fresh NM to Nm-Mt overall with only very slight variance. We sent these cards to PSA: 5 Clemente PSA 6, 10 Mays PSA 9, 17 Brock PSA 8.5, 33 McCovey PSA 9, 50 Banks PSA 8, 51 Gibson PSA 8, 55 Killebrew PSA 8, 58 Perez PSA 9, 60 Palmer PSA 8, 61 Billy Williams PSA 8, 62 Torre PSA 9 & 65 Rose PSA 8.

568 1971 Topps Complete Set Ex-Mt 300
Exceedingly nice set for the grade, there is mild variance due to mainly to centering. This set is filled with sharp looking cards, with note to very strong keys and a terrific high number run. Interesting set as the condition improves as the numbers go up. We split hairs on the grades with the key cards, the Ex-Mt Plus and Near Mint cards are very similar. A great value set, we grade the key cards as follows: 5 Munson Ex-Mt, 20 Jackson Ex, 100 Rose Ex-Mt+, 160 Seaver Ex-Mt+, 250 Bench Ex-Mt, 341 Garvey RC NM, 400 Aaron NM, 513 Ryan Ex-Mt+, 525 Banks Ex, 530 Yaz Ex-Mt, 570 Palmer NM, 600 Mays VG-Ex/Ex, 625 Brock Ex-Mt+, 630 Clemente Ex-Mt+, 640 F Robinson Ex-Mt+, 650 Allen SP Ex-Mt, 688 Anderson NM, 709 Baylor/Baker RC NM and 740 Aparicio NM.

569 1972 Topps Complete Set NM 400
Extremely fine Near Mint example of this desirable set, these are revered by dealers for their tremendous break value. Higher grade sets have become hard to find in the age of slabbing, this is a completely fresh set from an old time hobby person. Assembled 10-20 years ago, these are really nice cards. Nothing has been picked for grading, the high numbers look great. Centering varies slightly as always, the condition looks to be 80-90% Near Mint or better, the balance almost all Ex-Mt or so, or Near Mint but off-center. The many key cards grade as follows: 49 Mays NM, 79 Fisk RC NM, 299 Aaron NM, 309 Clemente NM, 310 Clem IA NM, 433 Bench Ex-Mt ctd, 435 Jackson Ex-Mt+, 445 Seaver NM oc, 550 B Robby NM, 559 Rose NM, 560 Rose IA NM, 595 Ryan NM, 668 Rangers NM, 686 Garvey NM oc, 695 Carew NM oc, 696 Carew IA NM, 751 Carlton Tr Ex+, 752 Morgan Tr NM and 754 F Robby Tr NM. It will not be easy to find a set of comparable quality without getting into slabbing, this is an outstanding set for the grade.

570 1972 Topps Complete Set w/both Clementes PSA 8 NM to Nm-Mt. 400
Extremely fine Near Mint example of this desirable set, these are revered by dealers for their tremendous break value. Higher grade sets have become hard to find in the age of slabbing, this is a completely fresh set from an old time hobby person. Assembled 10-20 years ago, these are really nice cards. Nothing has been picked for grading, the high numbers are a strong Near Mint or better overall. Centering looks to be quite good overall, but varies slightly as always. The cards look to be 80% Near Mint or better, the balance almost all Ex-Mt or so, or Near Mint but off-center. The many key cards grade as follows: 49 Mays PSA 7, 79 Fisk RC NM, 299 Aaron NM+, 309 Clemente PSA 8, 310 Clemente IA PSA 8, 433 Bench NM, 435 Jackson NM oc, 445 Seaver NM, 550 B Robby Nm-Mt, 559 Rose Ex-Mt, 560 Rose IA Ex-Mt, 595 Ryan NM, 668 Rangers TC Nm-Mt, 686 Garvey NM, 695 Carew NM, 696 Carew IA NM, 751 Carlton Tr NM, 752 Morgan Tr NM and 754 F Robby Tr NM. Slabbing has creating a great scarcity for 1972 Topps of this quality.

 Fresh lot of Kellogg's sets, this is a full run from 1972-1983 with both 1972 sets. Our consignor picked these up decades ago, they should be very sharp. We sent four cards to PSA: 72 Kelloggs 1 Seaver PSA 8, 1975 Kelloggs 1 White PSA 3, 7 Bench PSA 9 and 55 Fingers PSA 6, so this can be used as a rough guideline. This lot should have many, many Mint cards but there is some natural variance as is typical.

576 1921 Exhibit Eppa Rixey PSA 7..... 450
 Great signed card, this is something you just do not see. Obtained years and years ago, this is fresh to the hobby. The front of the card has a terrific image and looks great. Rixey signed this neatly in black fountain pen ink in a good spot by the right side of the card. The back has been in a photo album but is also otherwise clean. Rixey died in 1963, and does not have very many cards, how many of these can possibly be around? PSA slabbed Authentic, grade 7.

578 1925 Exhibit Aaron Ward (rare) 9 100
 From an amazing Yankee collection, this was obtained decades ago. This is a clean card with a terrific image, Ward signed this in fountain pen at the time. The blank back has various statistical details about Ward. Ward played from 1917-1928 for the Yankees, White Sox and Indians; he was a 1923 Yankee. Ward died in 1961, and is a tough autograph, particularly on one of his few cards. JSA LOAA.
