Key Lots

1 1909 E90-1 Shoeless Joe Jackson SGC 1.5.....3000

One of the cornerstone baseball cards, this is considered the Rookie Card of the legendary Shoeless Joe Jackson. The offered card retains rich color and is well registered overall. The purple background is vibrant, the borders are not bad at all. The card grades a 1.5 due to corner wear, some creasing and wear on the reverse. The back wear is just at the upper right portion and is not bad at all. Despite these various issues, the card retains solid eye appeal and presents very, very well for the grade. Again a truly key card without exaggeration, it will be interesting to see where these trade at in a few years.

Scarce and extremely desirable, this is the first example of this card that we have offered in many years.

Key Lots

2	1909	T206	Joe Tinker (Bat on Shoulder)	SGC 4 (Lenox back).....3000
---	------	------	------------------------------	-----------------------------

Among the rarest of all T206 backs, the Lenox backs are revered by collectors of this issue. The combination of a HOFer front with a Lenox back is truly special and rare. A nice VG-Ex 4, this will be one of the highest graded combinations in circulation. A very attractive card, this is reasonably well centered with mild, even corner wear, good color, clean borders and crucially, a very nice back. A corner line by the lower right corner is the only real distraction here. Only four of these have been graded by PSA, the highest being a 3, so this may well be the nicest example in circulation.

Who wants to own one of the nicer Lenox back cards with a HOFer on the front?

Key Lots

3 1909 T206 Ty Cobb (green background)

SGC 5.....5000

The key T206 HOF card, these are revered by collectors. Often the last card to be filled by collectors, this has always been a trophy card. Usually found in terrible condition, it is very hard to find this card in Ex 5 quality. The offered card has beautiful color, a superb image and bright white borders. The back is a perfectly clean Piedmont 150. The corners are slightly soft but they exhibit fairly consistent wear. The card has a very fresh and attractive look and feel. With the absolute explosion in prices for high quality cards in recent years, I wonder if this card might double in value in the next few years. Now may well be the best time to stick this in a box for a few years to see where the high-end card market ends up. If you are a collector looking to fill this most vital hole in your T206 set, this card should fit the bill very nicely.

Key Lots

4 1933 DeLong Lou Gehrig PSA 4.....2000

Classic card, this is the key to this revered set and one of the most popular of all Lou Gehrig cards. Offered is a terrific PSA 4. Remarkably well centered, which is just so rare for this card. The card retains bright original color and has terrific eye appeal. The corners show only mild and consistent wear, the back is clean. We cannot see any creases or wrinkles, even under magnification. This looks to be a truly superior card for the grade, particularly notable for its world class centering. These have been on fire in recent years, it will be interesting to see where this trades in a few years.

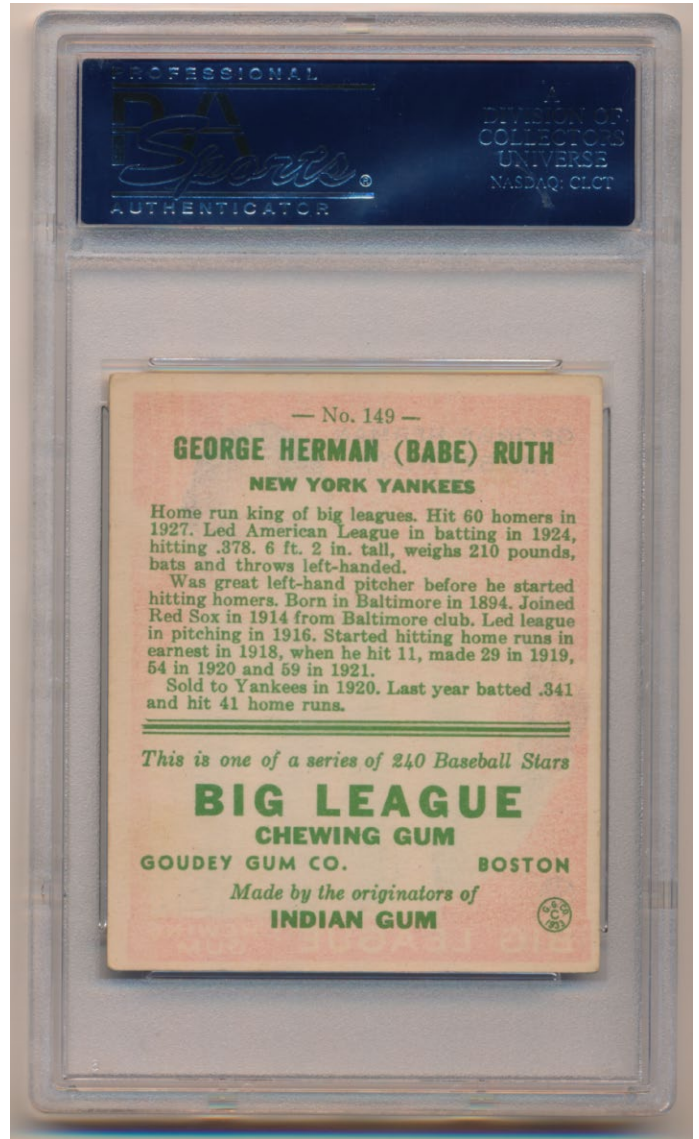

Key Lots

5 1933 Goudey 53 Babe Ruth PSA 1.5.....1000
 Classic Babe Ruth card, this is an honest one with no technical flaws. The card is well centered with rich color and a fine image. The back is clean. The corner wear is consistent, about Good overall, perhaps Good to Very Good. Creasing keeps this at a 1.5, they do not tend to crack the paper and are not ugly. This is a very nice looking card for the grade.

6 1933 Goudey 144 Babe Ruth PSA 1.....800
 Low grade but not abused, this card retains excellent color and a fine image. The back is clean, the card is well centered, the corners are in the GVG range. Creasing is the issue here, we have all seen far worse on 1 cards, this is still a very attractive overall card for the grade.

Key Lots

7 1933 Goudey 149 Babe Ruth PSA 4.....1500

The 1933 Goudey Babe Ruth cards have been absolutely on fire in recent years, especially in mid-grade. The offered card is a vibrantly colored and extremely attractive 4. The color is terrific, the image could not be any nicer. The card is centered to the left border, the surfaces are quite clean. The back is particularly vibrant, fresh and clean. We cannot see any creases or wrinkles, even under magnification. The corners are just shy of Ex overall, this is an ideal card for the the grade that looks terrific.

Key Lots

8 1933 Goudey 181 Babe Ruth PSA 1.5.....1000

A lovely card for the grade, this is well centered with superb color. The image of Ruth looks great. The back is quite clean, as are the surfaces. Creasing and corner wear keep this at a 1.5, but this card has eye appeal far above it's technical grade. This should be a very popular lot.

Key Lots

9 1951 Bowman 253 Mickey Mantle RC PSA 2.5.....2000

One of the hottest cards in the world, this is a true cornerstone baseball card. Freshly graded, this is an exceptional quality card for the grade. Bright and clean, this has none of the usual print issues, the image of a Rookie Mickey Mantle looks great, this retains rich color and clean white borders. The back is clean. Quite well centered left to right, but off-center to the top, this displays very well. The corners are VG and not bad at all. There are some truly tiny wrinkles by a few corners, much, much better than usually found on a 2.5. If you are looking for a very attractive Mantle Rookie with no technical flaws and clean surfaces and do not want to spend \$15,000 or more, you may want to take a long look at this quality card.

Key Lots

10	1951	Bowman	253	Mickey Mantle RC	PSA 4.....	3000
A truly beautiful Mickey Mantle Rookie Card, this is right from the original owner. Part of a very substantial early 1950s card collection, this has superb color, vibrant imagery and a super fresh look and feel. The card has a perfect image of a Rookie Mickey Mantle. The borders are bright white, the corners are Ex overall. The card is centered to the upper right corner. We cannot see any creases or wrinkles, even under magnification. Incredibly minute wear by the right border on the back may have led PSA to grade this a very, very conservative 4. We feel this card should trade at a premium to other 4s based on it's tremendous eye appeal and quality.						

Key Lots

11 1951 Wheaties Premiums Mickey Mantle PSA 7.....1200
Beautiful piece, this is so much rarer than his 1951 Bowman card. Bright and clean, this oversize card offers a wonderful black and white image of a so young Mickey Mantle batting righty in pinstripes. This lovely piece has four square corners, bright white borders and a very clean back. These hardly ever come to market, especially in this quality. There are so few card related items to collect from Mickey in 1951, this is a special piece and a very undervalued piece in our opinion. The winning bidder should really enjoy this truly superior Rookie Mickey Mantle item.

Key Lots

Every ungraded card is in a Card Saver for protection, the condition averages a fine Near Mint overall. The high numbers are very nice, the set is exceptionally well centered overall. No Club shall make a contract different from the uniform contract or a contract containing a non-reserve clause, except with the written approval of the Advisory Council. All contracts shall be in duplicate and the Player shall retain a counterpart original. The making of any agreement between a Club and Player not embodied in the contract shall subject both parties to discipline by the Commissioner.

**American League of Professional Baseball Clubs
UNIFORM PLAYER'S CONTRACT**

Parties The American League Base Ball Club of New York
herein called the Club, and ANTHONY LAZZERI
of SAN FRANCISCO, CALIFORNIA, herein called the Player.

Recital The club is a member of the American League of Professional Baseball Clubs. As such, and jointly with the other members of the League, it is a party to agreements and rules with the National Association of Professional Baseball Clubs and its constituent clubs, and with the National Association of Professional Baseball Leagues. The purpose of these agreements and rules is to insure to the public wholesome and high-class professional baseball by defining the relations between Club and Player, between club and club, between league and league, and by vesting in a designated Commissioner broad powers of control and discipline, and of decision in case of disputes.

Agreement In view of the facts above recited the parties agree as follows:

Employment 1. The Club hereby employs the Player to render skilled service as a baseball player in connection with all games of the Club during the year, 1930, & 1931, including the Club's training season, the Club's exhibition games, the Club's playing season, and the World Series (or any other official series in which the Club may participate and in any receipts of which the player may be entitled to share); and the player covenants that he will perform with diligence and fidelity the service stated and such duties as may be required of him in such employment.

Salary 2. For the service aforesaid the Club will pay the Player an aggregate salary of \$ 16,000.00 PER YEAR FOR TWO YEARS, as follows:
In semi-monthly installments after the commencement of the playing season covered by this contract, unless the Player is "abroad" with the Club for the purpose of playing games, in which event the amount then due shall be paid on the first week-day after the return "home" of the Club, the terms "home" and "abroad" meaning, respectively, at and away from the city in which the Club has its baseball field.
If a monthly salary is stipulated above, it shall begin with the commencement of the Club's playing season (or such subsequent date as the Player's services may commence) and end with the termination of the Club's scheduled playing season, and shall be payable in semi-monthly installments as above provided.
If the Player is in the service of the Club for part of the playing season only, he shall receive such proportion of the salary above mentioned, as the number of days of his actual employment bears to the number of days in the Club's playing season.

Loyalty 3. (a) The Player will faithfully serve the Club or any other Club to which, in conformity with the agreements above recited, this contract may be assigned, and pledges himself to the American public to conform to high standards of personal conduct, of fair play and good sportsmanship.
(b) The Player represents that he does not, directly or indirectly, own stock or have any financial interest in the ownership or earnings of any Major League club, except as hereinafter expressly set forth, and covenants that he will not hereafter, while connected with any Major League club, acquire or hold any such stock or interest except in accordance with Section 23 (e), Article II, Major League Rules.

Service 4. The Player will not play during the period of this contract otherwise than for the Club or such other Clubs as may become assignees of this contract in conformity with said agreements; nor will he play any exhibition games after October 31st any year until the training season the following year, nor in any post-season exhibition game in which more than two other players of the Club participate.

Assignment 5. (a) In case of assignment of this contract to another Club, the Player shall promptly report to the assignee club within 72 hours from the date he receives written notice from the Club of such assignment, if not more than 1600 miles by most-direct available railroad route, plus an additional 24 hours for each additional 800 miles; accrued salary shall be payable when he so reports and each successive assignee shall become liable to the Player for his salary during his term of service with such assignee, and the Club shall not be liable therefor. If the Player fails to report as above specified, he shall not be entitled to salary after the date he receives written notice of assignment. If the assignee is a member either of the National or American League, the salary shall be as above (paragraph 2) specified. If the assignee is any other Club the Player's salary shall be the same as usually paid by said Club to other players of like ability.

Termination (b) This contract may be terminated at any time by the Club or by any assignee upon ten days' written notice to the Player.

Regulations 6. The Player accepts as part of this contract the Regulations printed on the third page hereof, and also such reasonable modifications of them and such other reasonable regulations as the Club may announce from time to time.

Agreements 7. (a) The Major and Major-Minor League Agreements and Rules, and all amendments thereto hereafter adopted, are hereby made a part of this contract, and the Club and Player agree to accept, abide by and comply with the same and all decisions of the Commissioner pursuant thereto.

Publication (b) It is further expressly agreed that, in consideration of the rights and interest of the public, the Club, the League President, and/or the Commissioner may make public the record of any inquiry, investigation or hearing held or conducted, including in such record all evidence or information given, received or obtained in connection therewith, and including further the findings and decisions therein and the reasons therefor.

Renewal 8. (a) On or before February 15th (or if Sunday, then the succeeding business day) of the year next following the last playing season covered by this contract, by written notice to the Player at his address following his signature hereto (or if none be given, then at his last address of record with the Club), the Club or any assignee hereof may renew this contract for the term of that year except that the salary shall be such as the parties may then agree upon, or in default of agreement the Player will accept such salary rate as the Club may fix, or else will not play baseball otherwise than for the Club or for an assignee hereof.
(b) The Club's right of reservation of the Player, and of renewal of this contract as aforesaid, and the promise of the Player not to play otherwise than with the Club or an assignee hereof, have been taken into consideration in determining the salary specified herein and the undersigning by the Club to pay said salary is the consideration for both said reservation, renewal option and promise, and the Player's service.

Disputes 9. In case of dispute between the Player and the Club or any Major League Club assignee hereof, the same shall be referred to the Commissioner as an umpire, and his decision shall be accepted by all parties as final; and the Club and the Player agree that any dispute, or any claim or complaint by either party against the other, shall be presented to the Commissioner within one year from the date it arose.

Supplemental Agreements 10. 17 Contract Lazzeri, Tony Signed 1930 Yankees Player Contract 9.....1500
Tony Poosh Em Up Lazzeri was a 1927 Yankee HOFer. A quality player who died at a very young age (1946 at age 42), he did not get into the HOF until 1991. Offered is his original, fully executed 1931 New York Yankee player contract. The contract is perfectly clean and fine, it has a bold and fine black fountain pen ink signature from Lazzeri. The contract is also signed by Ed Barrow (for Jacob Ruppert as usual) and American League President E.S. Barnard. Quality HOF contracts seem like a great deal in today's market, it will be interesting to see where this ends up. JSA LOA (full).

18 Stunning 1951 Brooklyn Dodgers Team Signed Display (36 signatures w/all keys!) 9.....1500
 Great items seem to come around all the time in this market, but still there are items that will give even the biggest collector pause. Offered is such an item, this is a 12x7 J.F. A fabled team, they lost out on the World Series due to Bobby Thomson's historic home run.

As comprehensively signed piece as can exist, I love the huge Walter O'Malley signature at the top. We all know the other HOFers here: Jackie, Campy, Snider, Reese and Dick Williams. 19 1955 Brooklyn Dodgers Signed World Series Program w/Jackie & Campy! 9.....1500
 The 1955 Brooklyn Dodgers are the only Championship team from that hallowed franchise. True 1955 Dodger high quality signed items are always extremely desirable. The offered lot is such a piece, this is an original 1955 World Series program (at Yankees). The program itself has typical wear from use and age and is not bad at all. Unscored, a remarkable 27 different 1955 Dodger team members signed this great piece.

The content is truly extraordinary, with no less than seven HOFers! The HOFers are well known, the keys of course are Jackie Robinson and Roy Campanella. The other special signatures include a true Rookie Sandy Koufax, Gil Hodges, scarce coach Jake Pitler (D'68), Jim Gilliam (D'77), Furillo, Walt Alston, Reese, Snider, a Rookie Don Zimmer, Karl Spooner, Amoros, Bessent, Kellert, Howell and in a very amusing touch, the infamous Charlie Digiovanna. The signatures are in both ballpoint ink and fountain pen and were all signed at the time.

21 1980 Perez Steele Waner, Lloyd 9.....1800

The rarest signed Perez Steele postcard in our opinion. We have handled as many signed Perez Steele postcards as anyone in the hobby and we have had less than five signed Lloyd Waner's in the past twenty-five years. This was one of only two that came from a collector, we do not have any more. The last example we had sold for \$7,507 in our June auction. A true rarity, Lloyd Waner died in 1982 and had only a short time to sign one of these (also the idea of getting Perez Steele cards signed did not catch on among collectors till several years later).

The offered postcard has a solid black sharpie ink signature, this contrasts nicely against the postcard and displays well. Who wants to add a truly rare signed postcard from one of the most beautiful and widely collected baseball HOF postcard sets that was ever produced? JSA LOA (full).

The absolute key here is the legendary Vince Lombardi in a perfect spot away from the other signatures. Other keys include Starr, Fears, Taylor, Thurston, Dowler, Kramer, Ringo, Nitschke, Wood, Gregg, McGee, Adderley, Willie Davis and McGee. How is that for some star power? Brightly colored with an outstanding image, this retains a bright sheen and has outstanding eye appeal. Matted and framed, there is typical fraying at the top and bottom borders, it is tough to assign a technical grade to these, it is Ex overall to our eyes. Regardless of the technical grade, this top White Sox HOF pitcher has rarely looked better! Total size 14x15.

606 .400 Hitters Signed Photo 9..... 300
Very interesting item, this is a 5 x 8 newspaper photo of HOFers and former .400 hitters Rogers Hornsby, George Sisler, Bill Terry and Ted Williams, Ted is in his playing uniform, the others are in formal attire, all smiling while admiring Ted's bat. From the late 1950s, the signatures are in matching bold period blue ballpoint ink. Ted's signature is unfortunately secretarial, as is his autograph on the reverse. Despite this flaw, how many photos exist picturing and signed by Rogers Hornsby (D'62), George Sisler (D'72) and Bill Terry? PSA DNA (full).

607 8 x 10 1938 All Star Game w/DiMaggio & Greenberg (5 sigs) 8.5..... 150
Classic image from the 1938 All Star Game, I always find it amusing how much taller Hank Greenberg is than the other players. Signed by five HOFers: Cronin, Dickey, DiMaggio, Gehringer and Greenberg. Very nice item, the autographs very slightly but are nice overall. JSA LOAA.

608 500 Home Run Club Scarce Signed Print 9.5 300
Something you just never see, this is a 9.5 x 12.5 color print with 11 members of the 500 Home Run Club. Obtained by someone with great access at the famed signing, the autographs are all in matching bold blue sharpie ink, only Frank Robinson is a touch light. We all know the names here: Mantle, Williams, Mays, Aaron, Banks etc. Total size 12x15. JSA LOA (full).

609 8 x 10 Agganis, Harry (rare) 9..... 450
How is this for a great photo? A full signed 8x10 of the beloved Harry Agganis? Agganis's death at the tender age of 26 even made Ted Williams cry. Agganis's autograph comes around on 3x5s or GPCs once in a while but how often does a full 8x10 come around? The offered lot is a wonderful 8x10 page on better stock that came in a custom album. This has a fine full image of a very young Harry Agganis, pre-Red Sox. The signature is in bold and spotless blue ballpoint ink at the upper left corner, this is a truly rare and wonderful signed photo. JSA LOA (full).

Baseball Autographs

- 610 Cobb, Ty Vintage Signed Partial
Baseball Magazine Premium 8..... 450
5 1/2 x 9 Ty Cobb photo, this is from a circa 1914 Baseball Magazine premium. I like this piece as it is vintage signed in fountain pen ink, likely in the 1914 era. The piece has general wear and various condition issues, but the image of Cobb displays reasonably well. The signature is in a perfect spot. Please note Ty Cobb signed photos from his playing career in fountain pen are extremely scarce and undervalued. This is the kind of item that will look very nice in the proper mat and frame. JSA LOA (full).

- 611 Burke Cooper, Mort (very scarce) 9.5..... 150
Star 1940s Cardinals pitcher, he won over 20 games in each of the three years and received the 1942 Most Valuable Player award after posting a 22-7 record with 10 shutouts and a 1.78 earned run average, the lowest by any NL righthander between 1920 and 1967. We offer an original Burke sepia toned matte finish photo in a Cardinals uniform that is signed in superb green fountain pen. D'1958 at the age of 45, this is a very desirable Burke. PSA DNA (card).

- 612 8 x 10 DiMaggio/Mantle/Mays/Snider 9.5 270
A classic image, this is a tinted original print. Each player has signed in bold blue sharpie ink on their image. All classic HOFer, how is this for some star power? JSA LOA (full).

- 613 Hornsby/Sisler + Extra Hornsby Photo 9.5 270
Very nice item, this is a handsome 6x5 magazine photo of former .400 hitters Rogers Hornsby and George Sisler posed together holding bats. Each has signed on their image in spotless blue ballpoint ink. The back of this scrapbook page has a second signed picture of Rogers Hornsby. JSA LOA (full).

- 614 Three Rogers Hornsby Signed Photos 9.5..... 400
Interesting piece, this interesting item has two Rogers Hornsby signed photos on one side, one on the other side. One photo is signed by Rogers Hornsby and fellow HOFer Bill Veeck, the other two just by Hornsby. The signatures are all very strong. JSA LOAA.

- 615 MacPhail, Larry and Lee (very rare) 9.5 450
Offered is a somewhat remarkable signed photo. HOF executives Larry and Lee MacPhail had a big impact on baseball in the 20th century. Lee lived for a very long time and died in 2012; Larry died in 1975 and is very tough autograph to find on a photo or any type of single signed 3x5, card etc. This is the first time we have seen or heard of a dual signed photo. This is a terrific 7x6 b/w photo of these two HOFers posed together during a game. Each has signed in spotless blue ballpoint ink on their image, the Larry MacPhail signature is particularly impressive. Who wants to own a dual-signed HOF photo that no one else has? JSA LOA (full).

Baseball Autographs

616 Mantle, Mickey Framed 11x14 9.5..... 150
Offered is a beautiful b/w image of Mickey Mantle. This is a spotless image of a smiling Rookie Mantle from 1951. Mickey signed this in bold blue sharpie with his number 7. Framed. JSA LOA (full).

617 Mantle, Mickey Special Framed 11x14 9.5..... 150

618 8 x 10 Mantle/Maris (true vintage fountain pen) 7..... 750
Unique Mantle Maris signed photos regularly trade and are always desirable. Usually the same color image, when was the last time a newly signed image came around? The offered lot is a gorgeous Bill Mark photo that might be a Type One. A fine image of Mickey and Roger posed together, this is almost certainly from 1961. Signed in fountain pen ink, we have not seen or heard of something like this until now. Alas the Roger Maris signature has some breaks but it still displays well (the Mantle signature is a grade higher). Both inscribed the photo to Bill, who is presumably the man in the photo. Who wants to own something that no one else has? JSA LOA (full).

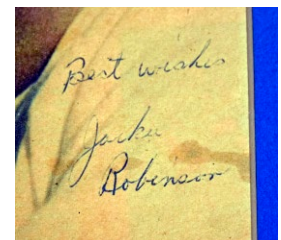

619 8 x 10 Maris, Roger 9..... 250
Roger Maris signed 8x10s are always desirable, how often do you find one with a novel image? The offered lot has a terrific b/w portrait of Roger in Yankee pinstripes. Maris signed this in superb black sharpie ink in a perfect spot. JSA LOA (full).

620 8 x 10 McKechnie, Bill (Red Sox unif) 7.5 240
Original Wingfield 8x10 from the 1960s, McKechnie is in a Red Sox uniform as the manager, which is very hard to find. McKechnie (D'69) signed and inscribed this by the bottom border in pleasing priod blue ballpoint ink. It is very, very unusual to find HOFer Bill McKechnie on an 8x10 signed photo. JSA LOA (full).

621 8 x 10 Paige, Satchel 8.5..... 150
Classic b/w image of Paige as a St. Louis Browns pitcher, this has a pleasing if not perfect blue sharpie ink signature by the right border. JSA LOA (full).

622 8 x 10 Robinson, Jackie (framed) 8..... 600
One of the hottest autographs in the world, it is not hard to see why. Offered is an attractive 6.5 x 8.5 color magazine photo of Jackie, this is signed at the lower right corner. A much earlier Jackie signature than typically trade, we believe this is circs 1950. Nicely framed, there is some wear at the upper right corner of the image, far away from the autograph and image. JSA LOA (full).

Large Prints

623 Simmons, Al Signed Conlon Photo 8 210
Very nice item, this is a true Charles Conlon photo of underrated HOFer Al Simmons. The photograph of Simmons is wonderful, there is a chip at the upper right corner, this otherwise displays very well. Signed to his teammate Ed Rommell, this has an attractive period black fountain pen ink signature. How often do you ever see a Conlon signed photo of a desirable HOFer from the 1920s or 1930s? JSA LOA (full).

624 8 x 10 Yankee Stadium Image (17 w/DiMaggio & Winfield) 9.5..... 150

The autographs are in solid blue sharpie, with note to HOFers Yogi Berra, Joe DiMaggio, Goose Gosage, Rickey Henderson, Jim Hunter, Reggie Jackson, Phil Rizzuto and Dave Winfield. It is unusual to find DiMaggio and Henderson on this type of signed item. JSA LOAA.

625 450 Lesser Signed Postcard Size Photos from the 1970s 9..... 600
A very dedicated collector made black and white copies of postcards in the 1970s. These were all signed in the 1970s or very early 1980s, there are a ton of deceased players. The autographs are uniformly bold and clean. A dream lot for the collector of obscurities, the players are almost all from the 1930s through the 1950s, all teams appear to be represented. There is no duplication, they are presented neatly in alphabetical order. There is most likely nothing super rare here, but content includes: Bevins, Campanis, Cater, Derry, Deshong, Koenig, Larsen, Metro, Mizell, Parnell, Peek, Potter, Reyes, Rosenthal, Sain, Schacht, Sturm, Van Cuyk (both) and Hal Wagner.

626 1969 Mets w/Ryan & Seaver 9 200
Iconic 16x20 image of the Miracle Mets, Tom Seaver's sad death makes these almost poignant. Handsome b/w image of the World Series celebration, this is nicely matted and framed to 26x22. There are 28 solid sharpie ink signatures. The autographs include Seaver, Ryan, Berra, Jones, Agee, Koosman, McGraw and Harrelson. JSA LOAA.

627 1998 Yankee Signed/Framed Newspaper (27 sigs) 9.5..... 240
Very fun piece, offered is a smartly framed 10/22/1998 New York Daily News newspaper cover. Matted and framed, the total size is 18x24. The signatures are in Mint sharpie ink and look terrific. The keys include Jeter, Rivera, Torre, Raines, Bernie Williams, David Wells, Cone, Pettite, O'Neill, Posada, Tino Martinez, Girardi and Strawberry. This is something that you hardly ever see and it would cost thousands to replicate if it could even be done. JSA LOA (full).

Obtained by someone with great access at the famed signing, the autographs are all in matching pleasing blue sharpie ink, there is a slight stain on Killebrew's ball. We all know the names here: Mantle, Williams, Mays, Aaron, Banks etc. The person who put this together must have been a Giants fan as Willie Mays got the premier spot! JSA LOA (full).

630 Mantle/Martin/Ford (ex-Whitey Ford collection) 9.5..... 200

This is a 19 x 25 high quality color lithograph of Mantle, Ford and Martin posed above and below a visage of Yankee Stadium. All three players have signed this in spotless blue sharpie and best of all, this personally belonged to Whitey Ford and comes with an LOA from him. Please note that Billy Martin's untimely death in 1989, before the mega-show era, makes all items of this kind with his signature especially desirable. PSA DNA (full).

642 Huggins, Miller Signed Letter (1915, very early)
9..... 1000

Extremely rare and desirable letter, this is one of the earliest pieces signed by Huggins that one may ever find. The legendary and beloved 1927 Yankee manager Miller Huggins famously passed away in 1929 at only age 51. His autographs are sometimes found on real estate documents and checks, but when do you ever find a TLS from as early as 1915? Signed on St. Louis Cardinals letterhead, content relates to the location of the Cardinals training camp. This was only Huggins third year as a baseball manager. This clean TLS measures 8.5 x 7.5 and has a solid and neat dark fountain pen ink signature from Huggins at the close. Who wants to own a special signed item? JSA LOA (full).

It is signed in absolutely flawless and superb black sharpie ink on the sweet spot.

655 Burleigh Grimes 9.5..... 240
Gorgeous Burleigh Grimes single, this is by far the nicest example that we have seen or handled. Grimes is a 1920s/30s Brooklyn Dodger HOFer, he died in 1985 before the show era, so his singles are always scarce. Often signed in sharpie or with other condition issues, the offered piece is a pristine ball with a Mint blue ballpoint ink signature. This ball is perfect for the very condition conscious single signed ball collector. JSA LOA (full).

656 Jim Hegan 8..... 450
Extremely rare single signed ball, Jim Hegan played for the Indians and various teams from 1941-1960. He was a 1948 and 1954 Indian. Of most interest to 1961 Yankee collectors, Hegan was a coach on that team and one of the key autographs to find. Hegan sadly died in 1984, long before the show era, so any opportunities to get a single signed ball were extremely limited. Offered is a pleasing, lightly toned OAL MacPhail model ball. Hegan signed this in bold black sharpie ink on the sweet spot, the signature looks great. Who wants to add an awfully tough, almost impossible single to their 1961 Yankee collection? JSA LOA (full).

659 Mickey Mantle (portrait, gorgeous) 9 (OAL MacPhail) 250
Gorgeous Mickey single, this is signed on a clean OAL MacPhail ball with a nice patina. A color portrait of Mantle is signed on the top panel, Mickey signed the sweet spot in absolutely impeccable black ink. 660 Rube Marquard 8 (ONL Feeny) 150
Not rare but an elusive single, it is always neat to find a single signed baseball of someone who played alongside Christy Mathewson! Offered is an uncommonly clean ONL Feeny model ball. Hall of Famer Rube Marquard signed the sweet spot in pleasing black sharpie ink that is faded slightly into the ball. This is actually nicer than most of these that trade. JSA LOA (full).

661 Joe Page 8..... 450
One of the toughest singles of all name Yankee players, pioneering star reliever Joe Page died in 1980 at age 62. Page did not do shows, hardly anyone ever had him sign a baseball by himself. The autograph fills up the better part of a side panel, it is signed Best of luck Joe Page in large and flowing blue ballpoint ink. How wants to fill one of the ultimate holes in a quality Yankee single signed ball collection? JSA LOA (full).

678 HOF Ball w/Paige (14 sigs) 9..... 150
Very nice ball, this is a particularly bright and clean Spalding ONL Feeney model from the early 1970s. Signed at a HOF Induction, the autographs are uniformly bold and clean. The signatures include Paige, Grove, Gehringer, Hooper (D'74), Bell and Marquard. JSA LOAA.

679 Mantle/Mays/Snider 8.5 (83 AS Ball) 150
Fun piece, this is a lightly toned 1983 All Star Game ball. Likely signed at the time, this has very solid and attractive blue ballpoint ink signatures of these legendary 1950s HOF New York centerfielders. 683 Young, Cy Signed Ball
(fully displayable as a single) 500
Fine looking ball, this is a high grade Wilson Official Little League model. Signed in the 1950s in Ohio, the ball offers a huge and outstanding Cy Young signature. 100% displayable as a single signed ball, this is in terrific quality blue ball-point ink. The signature is just to the left of the sweet spot and is so big, it ranges over two panels. The other signatures, again far away from the Young autograph, are fellow top Cleveland Indians pitchers Bob Feller and Mike Garcia. PSA graded the Young signature an absurdly low 7, the Garcia a 7 and the Feller an 8. Given the astronomical prices high trade true Cy Young singles are bringing in today's market, this is worth a very careful look if you are in the market for a top Cy Young signature on ball. PSA DNA (full).

Signed on a clean off-white OAL Harridge model ball, there are 27 matching solid period ink signatures. The ball starts with two real Casey Stengels, which is just so rare on Yankee team balls. The other signatures include a flowing Joe DiMaggio on the sweet spot, a Rookie Whitey Ford, Rizzuto, Berra, Mize, Page, Lopat, Reynolds and a super early Billy Martin. Billy Martin only played 34 games in 1950, it is very unusual to find him on a team ball. 960 1963 Post Cereal CFL Original Uncut Panel of 7 cards 100
Something we hardly ever see, this is a very scarce 1963 Post Cereal CFL full box panel of seven cards. The panel has great color and displays very well. The cards themselves appear to be quite clean and fine, there is one area of wear on the back that will affect one card. This is a very cool and fun item.

999 1979 Topps Complete Set Ex 180

A tough set to assign one grade to, the cards are about 70% Near Mint, 30% Ex-Mt with some typical centering issues. The key Gretzky RC has four square corners and no creases but has flicks of white showing by the corners, possibly from being too tightly placed in a screwdown holder, still we thought the PSA 4 grade was beyond harsh. The Howe, Hull and Bossy cards are all sharp. Please note even lower end Gretzky 4s have been trading for nearly \$600 of late.

Hockey Autographs

Interesting lots, these were all obtained in person by someone who worked at the Boston Garden over many decades (with some signed insert cards). Nothing is personalized, the autographs and cards are quite clean overall. The content is from the late 1980s forward, but some early 1980s cards will be scattered about. There can be heavy duplication of some players. Please note only the stars in the lot (approx. 100) have been reviewed by JSA, the remaining cards are being sold strictly as-is but we would be very surprised if there were any major issues.

1006 Superb 1917 Chicago White Sox Period Print..... 750
A team lost to history due to the 1919 scandal, the 1917 White Sox actually won more games than the 1919 team, a club record 100 games. The 1917 team defeated the New York Giants four games to two to win the World Series. A loaded team, this was sadly Joe Jackson's only World Series title. Offered is a truly museum quality large display that really has to be fully appreciated in person. Strikingly well designed and preserved, this is a real conversations stopper. Beautifully matted and framed to a total size of 44x24, the piece has natural fold lines but is otherwise quite clean and nice. The title of the piece is Comiskey's Champion White Sox © 1917 and has a large image of the Old Roman in the most prominent spot. The images of the players are really large, each measures approximately eight inches high, providing for some striking eye appeal. There are four HOFers pictured: Collins, Comiskey, Faber and Schalk. The 1919 Black Sox gang is here of course, with Shoeless Joe, Cicotte, Weaver, Risberg, Benz, Felsh, Williams and McMullen. The winning bidder should really enjoy this marvelous piece of pre-1920 baseball memorabilia.

1007 1928 Ticket World Series Game 2 Ex mk 180
Very clean full stub, this is a large format ticket that looks great. The ticket is quite crisp and clean overall, A.C. is written lightly in fountain pen by the bottom border. 1024 Butch Metzger 1978 Mets Jersey 100
Handsome and attractive Mets game used jersey, Mets uniforms from the late 1970s hardly ever trade. Offered is a fine home white model, this is a Rawlings size 42, the tagging is 42 78 45 inside the jersey. This exhibits excellent use to our eyes, I love the period Mets patch with the New York skyline.

Baseball Memorabilia

This has the proper 1991 World Series patch on the left sleeve and is a Wilson size 44, with 91 stitched just below. The jersey shows clear use and displays extremely well. Stanton was a Rookie in 1991, he finished eighth in Rookie of the Year voting; he pitched for 19 years and was an All Star for the 2001 Yankees. Nice piece, the design of these Braves jerseys is just terrific.

1025 1980 Charlie Lau New York Yankees Home Game Jersey 100

Offered is a very nice item, this is a fully original 1980 New York Yankees home game jersey. Lau is chain stitched in the collar, to the left of 80 and 2. This is a Wilson size 46 jersey. One special attribute of this jersey is the special black memorial band for Thurman Munson on the left sleeve. The jersey looks to have been used but as a coaches jersey there can only be so much wear. The jersey displays extremely well and looks terrific. Please note Charlie Lau is a famed batting coach, he is best known for helping to develop George Brett into a HOFer. Lau coached for the Yankees only in 1979 and 1980. The 1980 Yankees won a tremendous 103 games, the most of any Bronx Zoo team but lost to Charlie Lau's former Kansas City Royals team in the ALCS. Real game jerseys from this team, especially because of the Munson memorial band, are very desirable.

1028 Charlie Hayes 1996 Yankees Signed World Series Game Jacket 150

The 1996 Yankees will go down as one of the most important and popular teams in Yankee history. Underdogs at the time to the vaunted Atlanta Braves, they overcame a 2-0 deficit in the World Series to win four games to two, and started historic dynasty of World Series appearances and victories. Offered is a very neat piece from that event, a custom royal blue and black jacket that was issued to the players. This has World Series sewn on the front and there is a huge 1996 World Series patch on the left sleeve. This is a Starter Diamond Collection Size XL. Perhaps most crucially, this is signed Charlie Hayes Game Used 1996 World Series on the front right in huge and spotless silver sharpie. Hayes appeared in five games of the 1996 World Series, totaling three hits. JSA LOAA.

1026 1984 Roy Hobbs The Natural Jersey & Hat 50

Much nicer than what is typically offered, this is a very handsome ensemble. The jersey is a Howe Manufacturing high quality pinstriped flannel jersey. Hobbs 1939 is sewn at the lower right and this comes with a size 7.25 New Era matching hat. This has a very nice look and feel and is far superior to the Roy Hobbs items that typically come to market. Our consignor purchased this at the National Convention in 1985, and this has been in a closet since then.

1027 Mike Stanton 1991 Atlanta Braves World Series Game Jersey 200

The 1991 World Series was an all time classic content, it was the only World Series to be decided in extra innings in game 7. The 1991 Braves were the start of a truly historic dynasty that dominated the National League for almost two decades. Offered is a gorgeous Mike Stanton road jersey.

Hartland Statues

1030 Aaron Ex-Mt 70
Attractive Hartland, this stands perfect and displays well. Aaron retains good gloss and is slightly toned, nice piece.

1031 Aparicio Ex..... 60
Tougher Hartland, this has the original toe plate and is near white. There is some wear on the toe plate, mostly on the bottom and he stands with slight assistance.

1032 Banks Ex-Mt/NM..... 90
Near-white and clean, this stands perfectly without assistance. There is only very slight wear, Mr. Cub displays very well.

1033 Batboy NM 30
Bright and clean, these are so charming.

1034 Berra Ex-Mt/NM..... 75
White and very nice, this has some stray nicks of wear and displays quite well overall. With a mask, Yogi is ready to make a play on a foul ball.

1035 Colavito Ex-Mt/NM* 90
The second most desirable Hartland, these are missing from many sets. This example is bright, clean and white. We believe the toe plate has been replaced, this otherwise looks terrific.

1036 Drysdale NM 120
Bright, white and clean, this is a really nice Drysdale. With the pitching rubber and plate, we are not sure if they are original. Drysdale retains bright gloss and great color, it displays very well.

1037 Fox, Nellie Ex-Mt/NM..... 50
Fun piece, you have to love the chewing tobacco in his mouth. Conservatively graded, this is white and very nice, with hardly any wear.

1038 Groat Ex-Mt* 120
The key to the set, this is needed by many collectors. The offered example is white and nice, but the pinstripes on Groat's pants have been repainted. The statue stands perfectly without assistance. The work is well done, this still displays well. Who wants to fill in a very pinhole?

1039 Killebrew NM 150
These have been very hot in recent years. The offered statue is white and very clean, this has good gloss and hardly any wear, with just slight wear on the base. This is definitely one of the most attractive pieces in the set.

1040 Mantle Ex-Mt/NM..... 80
White and really nice, this retains excellent color and gloss. Mickey stands perfectly without assistance, the most minute of nicks by his hands led us to grade this a very conservative Ex-Mt/NM overall, this will still be an upgrade for almost all of you.

1041 Maris NM 120
A key to the set, this one is particularly clean and fine. Maris stands perfectly and is nice and white. There is no obvious wear, this looks great.

1042 Mathews Ex-Mt 50
White, this has some stray nicks of wear. The statue displays very well overall, with good color and gloss.

1043 Mays Ex-Mt/NM..... 80
Solid Mays, this is near-white with good color and gloss. Willie stands perfectly and displays very well. Very slight wear on one elbow led us to grade this a conservative Ex-Mt/NM.

1044 Musial NM 105
Great looking Hartland, this is white and really nice. There is hardly any wear, the gloss is superb, as is the color.

1045 Ruth NM 60
White and especially clean, this has hardly any wear and stands very nicely.

1046 Snider Ex-Mt/NM..... 120
A key to the set, this is off-white and very nice. Snider stands perfectly with good gloss, there is hardly any wear. Near-white, this will fit perfectly in anything but a truly pristine Hartland set.

1047 Spahn NM 75
Not a scarce Hartland, but this example is awfully white and nice. As nice as we have seen in years, this is perfect for the very condition conscious collector.

1048 Williams, Ted NM 105
White and quite clean, this has hardly any wear. This has the original toe plate and stands perfectly. We feel this is a superior condition Ted Williams Hartland.
