Key Lots

1 1933 DeLong Complete Set, All PSA Graded5000
A small but powerful set, these are among the popular cards of their era. Notable for a great design, these are beloved cards that always seem to find an audience with new collectors. So charming and fun, our consignor assembled a particularly impressive PSA slabbed set.

Notable for some really fine cards, there are 11 7s, 4 6s, 4 5s and three 4s, with no qualifiers. Our consignor had to battle at auctions to obtain many of these 7s as the 1933 DeLongs are so hard to find in top quality.

The exact breakdown of the set is as follows: 1 McManus PSA 6, 2 Simmons PSA 7, 3 Melillo PSA 5, 4 B Terry PSA 7, 5 Gehringer PSA 6, 6 Cochrane PSA 7, 7 Gehrig PSA 4, 8 Cuyler PSA 5, 9 Urbanski PSA 7, 10 O'Doul PSA 6, 11 Lindstrom PSA 4, 12 Traynor PSA 7, 13 Maranville PSA 7, 14 Gomez PSA 7, 15 Stephenson PSA 6, 16 Warneke PSA 5, 17 Martin, P PSA 7, 18 Dykes PSA 7, 19 Hafey PSA 5, 20 Vosmik PSA 4, 21 Foxx PSA 5, 22 Klein PSA 7, 23 Grove PSA 7 and 24 Goslin PSA 5.

The key Lou Gehrig card is centered to the left border with just one corner line. The back is clean, the image looks great, the card is a fine and colorful 4 overall. Smartly presented in a custom binder, who wants to own a truly great 1930s baseball card set that is loaded with HOFers and stars?

Key Lots

2 1887 N28 Allen and Ginter Complete 50-Card Set!2000
 Simply a wonderful 19th century set, the value is anchored by the ten baseball players, with note to six HOFers among the ten! The balance of the set has utterly charming images of various popular sports from the day, these include very popular cards of Jack Dempsey, John L. Sullivan, Annie Oakley and Buffalo Bill Cody. From one of the great hobby card collections, these are fresh and fine mid to better grade cards that were collected decades ago. The backs are clean overall, we will have front and back scans of all 50 cards on our website. A phenomenal value due to the size and quality of the baseball cards, this is a real gem.

We sent 12 cards to PSA and they came back as follows: Anson PSA 2, Bennett PSA 2, Caruthers PSA 1, Clarkson PSA 1, Comiskey PSA 2, Dempsey PSA 3, Glasscock PSA 2, Keefe PSA 2, Kelly PSA 2, Mulvey PSA 2, Sullivan PSA A and Ward PSA AA. The Anson card has no creases and displays beautifully for the grade, we are not sure why it only came back a 2.

Key Lots

3 1909 T206 Cobb (portrait, green bkgnd) PSA 1.51800

The key T206 HOFer, these are revered by T206 and Ty Cobb collectors. A trophy card, this one is freshly graded. The offered card looks to be cut a tad short but displays well. The card offers rich color and an excellent image. There is slight wear at the bottom of the otherwise clean back, there looks to be just one corner crease and the surfaces are clean. The corners appear to exhibit mild and consistent wear. Who wants to fill a most gaping and important spot in their T206 set or Hall of Famer run?

Key Lots

4 1909 T206 Magie Error PSA 2.55000
 One of the big four to complete the T206 set, this is needed by almost all T206 set collectors. These often trade in extremely low quality 1s or Authentics, the offered card is heads and tails above those. Bright and clean, this is a strikingly attractive card for the grade.

The image of this unheralded star player is flawless, the color is bright and strong, the borders are white and the back is perfectly clean. The corners show consistent wear that is far from excessive, there is hardly any creasing and the surfaces are clean. This will fill an incredibly significant hole in almost every T206 set in the country, these seem like absolute bargains in today's market compared to the T206 Cobb market and the modern card market. Who wants to own a truly exceptional card for the grade of a classic hobby scarcity from perhaps the most widely collected baseball card set?

Key Lots

5 1909 T206 228 different commons VG w/nicer.....2000
 Fresh lot of ungraded T206s, these are like gold right now. So hard to find in this much of a quantity, this is almost half of this most vital baseball card set. There could be many 3s and 4s in here, we did not review the lot for those grades. A complete listing will be on our website. The backs are very clean overall, oddly enough everyone is a Piedmont. The condition varies mildly, as with all large T206 lots, the cuts can vary, not everything will end up in a numerical order if one goes in that direction. There are no destroyed cards here and many nice cards, the condition is about 60% VG or better, the balance is almost all Good or GVG, this is a very fine lot for the grade.

Key Lots

6 1933 Goudey 92 Lou Gehrig SGC 4.....1000

Classic card of The Iron Horse, it is always nice to find these in 4 holders. Offered is a colorful card with a strikingly well contrasted image. Centered to the right border, the card retains good color and a very clean look and feel. The borders are clean, the corners approach Ex overall. We do not see any creases or wrinkles, even under magnification. The back is perfectly clean, this is an ideal card for the grade and it looks terrific.

Key Lots

7 1933 Goudey 149 Babe Ruth PSA 11000
 Classic Babe Ruth 1933 Goudey card, these are always so popular. Offered is a very colorful and attractive card, the card received a 1 grade due to several creases, but they tend to not crack the paper nor distract from the visual appeal of the card.

The corners are in the VG range, the image is solid and the back has no paper loss or technical defects. Overall, this is a particularly pleasing and attractive 1. A cornerstone card for many collectors, this should be a very popular lot!

Key Lots

8 1933 Goudey 181 Babe Ruth PSA 1.52000
Classic Babe Ruth card with a great image, these are revered by collectors of this set. A very interesting 1.5, there are no visible creases or wrinkles, even under magnification. The back is clean, with no paper loss or other technical flaws. The card retains rich color and is centered heavily to the right border. The corners show GVG to VG wear and are not bad at all. There is a pinprick area of white showing by the left side of Ruth, this likely led to the 1.5 grade. This is a card that really punches well above its weight!

Key Lots

9 1933 Goudey 181 Babe Ruth

PSA 22000

One of the most classic Babe Ruth cards, this has a novel image that is enhanced by this cards vibrant green background. A strikingly nice image, this has excellent centering, clean borders and mild and consistent corner wear. There is wear in one spot on the otherwise quite clean back, the color and image quality really make this card stand out in a crowd!

Key Lots

10 1951 Bowman 253 Mickey Mantle RC PSA AA.....3000

The ultimate Rookie Card to so many collectors, these are so popular and desirable. An important card, this is Mickey Mantle's true Rookie Card. The offered card has some condition issues but has quality centering, no print issues and a nice image. The issue with the card is scrapbook removal, there are odd marks on the surface that can be seen upon close inspection. There are some minute scrapes in the borders by the lower left corner and some general wear. The back has no paper loss, but also shows evidence of scrapbook removal. Held in hand, this is not a bad looking card at all and will fill this vital hole in any Rookie Card or Mantle run without requiring a second mortgage!

Key Lots

11 1951 Bowman 305 Willie Mays RC

PSA 1.51350

An insanely hot card this year, it is not hard to see why. Offered is a very pleasing and attractive card for the grade. Centered to the bottom border as is typical, the card retains excellent color and has a nice image. Creasing is minimal, there is a very subtle print line, the corners are about GVG. The back is clean save for extensive wear at one spot by the lower left corner, this is why it only came back a 1.5. This card is an excellent value for the grade.

12 1951 Bowman 305 Willie Mays RC

PSA 2.51000

White hot card, this one is nice as it has no visible creases or wrinkles, which is very unusual for a 2.5. Centered to the lower left corner, not horribly so, the card has rich color and presents quite well for the grade. The card has a perfect image, the corners are not bad at all, the surfaces are clean. Overall, this is a very solid and pleasing 2.5 example of a most vital Rookie Card.

Key Lots

13 1952 Topps 311 Mickey Mantle

PSA 15000

The ultimate baseball card to a legion of collectors, this has been at the forefront of the rally in vintage card prices the last few years. The offered copy will certainly not break any records but it happens to be very nice for what it is.

From a really nice man who collected low grade vintage 1950s sets, this was his favorite card. The offered card earns its one grade with a scrape at the lower right corner and a tape stain at the top border. With that clearly disclosed, the card has hardly any creasing and a clean back. The borders are otherwise white and the card happens to have a particularly colorful and attractive image. A great card, no doubt this will find a very happy home!

Key Lots

14 1953 Stahl Meyer Mickey Mantle PSA 2.52000

One of the most classic of all Mantle oddball issues, these are revered by collectors. Scarce, super cool and so undervalued, these have been white hot in recent years. PSA is relentlessly tough with oversize cards, a 2.5 on these is like an 8 on a regular Topps card! This is a very nice card, there is hardly any creasing, none of which comes close to cracking the paper. The card has a terrific image of a so young Mickey Mantle. The detailed back is clean, the borders look good, the edges are crisp. This is an awfully, awfully nice card for the grade and would be a signature addition to any advanced Mickey Mantle or vintage Yankee card collection. It will be interesting to see where these trade at in a few years!

Key Lots

15 1954 Bowman 5 Cent Wax Pack PSA 71500
Desirable 1950s pack, this is a sharp and clean PSA 7. Quality unopened material has been on fire this year, it will be interesting to see where this ends up. Who is feeling lucky enough to try and pull a Mantle 8 from this little treasure?!

Key Lots

16 1954 Topps 128 Aaron RC

PSA 8 oc.....2000

The key to the set, and one of the vital Rookie Cards in all of card collecting, these exploded in price this year with Aaron's sad death as people took in the totality of his incredible career and life on and off the baseball field, beyond just the staggering home run totals. A card that will run a small fortune in high grade, offered is a really good option for someone who wants something really sharp. The offered card has four sharp corners, an absolutely flawless image, rich color and super clean surfaces. The borders are white, the back is literally pristine with hardly any wear of any kind. Centered 75/25 to the right border to our eyes and well centered top to bottom, this looks better than probably 90% of any 1954 Topps 8 with qualifiers.

An extraordinary card, this was the centerpiece of a superb set that we are breaking down in this auction.

Key Lots

17 1968 Topps Complete Set w/105 PSA Graded Cards3000

A truly remarkable offering, this is a stunning NM to Nm-Mt 1968 Topps set. The result of incredible effort by our consignor, he found some truly gorgeous cards. In addition to the regular set, we have all three scarce variations included with the set (and other variations as well). The set even has a Johnny Bench Rookie Card variation that I had never heard of until now. This set is anchored by a well centered Nolan Ryan RC 7.5 but it gets even better, a large number of the HOfer and key cards are all PSA 8s to 9s, he even has a 10 for one HOfer (Wilhelm). This is something that you just almost never see, as many collectors will down-shift on the stars to 7s on these sets. If you are looking for a top, top quality 1968 Topps set, it will be extremely hard to do better than the offered lot. Dealers can also have a field day with this as singles, as the breakdown value must be huge with the key 8s and 9s. We will have a full inventory of all of the graded cards on our website.

18 1968 Topps Plaks Checklist #1 (Mantle) PSA 41500
 Extremely scarce Topps test issue, these hardly ever come to market and are especially difficult to find with numerical grades. Freshly graded by us, this is an awfully nice card for the grade. One of the tougher 1960s Mantle Topps test items, the offered card has excellent color and vibrant black and red borders that look great. We cannot see any creases, the centering is not bad at all, the corners look to be in the Ex Plus range to our eyes. There is a tiny nick in the border to the right of Frank Robinson, this may well have led to the 4 grade. This is an awfully nice card for the grade, and it is quite scarce in this quality.

19 1968 Topps Plaks Checklist #2 (Aaron, Clemente, Mays) PSA 41000
 Extremely scarce Topps test issue, these hardly ever come to market and are especially difficult to find with numerical grades. Freshly graded by us, this is an awfully nice card for the grade. Very conservatively graded, we cannot see any creases or wrinkles, the black and red borders are particularly vibrant, the card has a super fresh look and feel. Well centered, the corners show only slight wear. This really does appear to be undergraded, it should be at least a 5 to our eyes but anything is possible with PSA as they are notoriously tough on over-size issues. Very scarce and desirable issue, this is needed by advanced Aaron, Clemente and

Key Lots

Mays collectors, which is a sizable market. Great card.

20 1950 Lakers Scotts Potato Chips George Mikan PSA 1700

A vital basketball card, these are such charming, scarce and wonderful cards. A card that hardly ever comes to market, it is especially difficult to find one with a numerical grade. Freshly graded by PSA, the offered card grades a 1 due to creasing on the front and back wear from scrapbook removal. This is full size allowing for the numerical grade, which is very desirable. An important early card of the first NBA superstar, this is a real treasure!

21 1969 Topps 25 Alcindor RC PSA 6.51000

Vital Rookie Card of this unbelievably talented ATG basketball player, it is nice to see these get the attention they deserve. Offered is an ideal card for the grade, this example has outstanding coloring, perfect color and a fine image. The borders are white, the corners come to solid points. Slight, slight edge wear at the extreme top border likely kept this from grading a 7 (we have seen many weaker cards in 7 holders as a note). Solid card.

Key Lots

22 1986 Fleer 57 Michael Jordan RC PSA 81500
 The key card to so many current collectors, offered is a very nice 8. The offered card has a superb image and rich color borders. The corners are all sharp, and show only the slightest hints of wear, the back is perfect. Centered very slightly to the top border and perfectly left to right, this is a very fine 8 to our eyes. The image and color are terrific here.

The 1986 Fleer Michael Jordan is truly a cornerstone card in today's market.

Key Lots

23 1986 Fleer Unopened Wax Pack w/Olajuwon Sticker on Back PSA 81300
Quality pack from this legendary basketball set, these are always desirable. The packs may be underpriced these days given what Jordan 9 and 10s bring, we can tell you that this pack has a Hakeem Olajuwon sticker on the back, we could not discern the card on the front. Sharp looking pack, this is PSA slabbed Nm-Mt 8.

24 1986 Fleer Unopened Wax Pack w/Magic Johnson Sticker on Back PSA 8.....1300
Quality pack from this legendary basketball set, these are always desirable. The packs may be underpriced these days given what Jordan 9 and 10s bring, we can tell you that this pack has a Magic Johnson sticker on the back, we could not discern the card on the front. Sharp looking pack, this is PSA slabbed Nm-Mt 8.

Great set, this has desirable Rookie Cards of key HOFers Scottie Pippen, John Stockton, Reggie Miller and more. The set has a very colorful and attractive Michael Jordan card and all of the other top stars of the day. A very popular set, wax is naturally extremely desirable and pricey from this year. Offered is a spotless BBCE sealed wax box, an instant contemporary classic!

Key Lots

26 1935 National Chicle 34 Bronko Nagurski

PSA 23000

Cornerstone football card, among the most prized football cards ever created. Revered by collectors, this is a scarce high number. The offered card was freshly graded by us in recent months. A pleasing 2, this is reasonably well centered. The color and image quality are very solid, the back is clean, corner wear and moderate creasing keep this at a 2.

In this market, this might be the ideal grade in which to add one of these pricey treasures to your collection.

Key Lots

27 1965 Topps 122 Joe Namath RC

PSA 51500

Classic and vital NFL Hall of Fame Rookie Card, these are always extremely desirable. Freshly graded, this has brilliant color and an unimproveable image. The borders are white, the surfaces are super clean, the back looks great. The corners come to points, centering to the left border keeps this from grading higher.

Key Lots

The famed Four Horsemen of Notre Dame are among the most iconic teammates in all of football history. Collectors love to try and get all four of these on 3x5s and make a framed display, which can be a \$5,000 item in this market because of Layden and Miller. The offered piece is A FULLY ORIGINAL 1920s ERA SIGNED 9.75 x 7.5 PHOTO. A real piece of history, this is a gorgeous image that is mounted onto a period cabinet style backing (year 1924-1925 is noted in period ink at the lower right corner). All four of these legends signed neatly right next to their images, all four inscribed their signature to a Benjie. The autographs vary slightly in darkness and average a 7/10 overall in our opinion.

This is a truly rare, significant and important signed football item that is a real treasure. Do not assume another true 1920s vintage signed photo of this kind will come to market again anytime soon. Superb. JSA LOA (full).

29 Derek Jeter Signed Game Used Base from Famed 2001 ALDS Flip Game!500
The beloved and legendary Derek Jeter had many signature moments in his incredible career, the famed Flip Play to save the Yankees 2001 season has to be among the high points! Offered is an amazing item, this is an official MLB game used base from this game. With the proper 2001 ALDS logo and American flags on the sides, this is the real McCoy. The base shows excellent use and displays very well.

Our consignor obtained this at the time and this has been a treasured part of his very advanced Yankee collection. Our consignor wisely spent \$500 through Steiner to have Jeter sign the base, the autograph is large and the placement is perfect. While we cannot say definitively that this was the base Jeter threw over in his Flip Play, this was used that day. A truly special and wonderful Derek Jeter item, the winning bidder should really enjoy this truly marvelous piece.

Key Lots

30 1935 R89 Mickey Mouse Complete Set (96 cards)2000
 The basic R89 set of 96 cards, this is a very tough set that hardly ever comes to market. The offered set is exceptionally fine and well assembled. There are many very sharp and crisp cards here, the condition looks to be 50% Ex-Mt or a strong Ex Plus, the balance is almost all a nice VG-Ex or Ex. There are no cards in here in need of an upgrade, it would be very, very difficult to find a similar quality set in today's market. We did not review the set for slabbing, there could well be some buried treasure among these really nice cards. Classic and extremely desirable non-sports issue, this is among the high points of 1930s non-sport gum cards.

31 1962 Mars Attacks Complete Set1000
 Beloved and iconic non-sports set, these are revered by collectors and hardly ever come to market. Mid-grade set, we sent three cards to PSA: 1 The Invasion Begins PSA 5, 54 Mars Explodes PSA 6 and 55 Checklist PSA 4 mk. The rest of the cards tend to have great color, bright white borders and respectable corners. The condition looks to be a very strong Ex Plus overall with many nicer cards. We will have front and back scans of the entire set on our website. From an incredible collection, full Mars Attacks sets hardly ever come to market and are supremely desirable.

Baseball Cards

32 1887 Gypsy Queen Jerry Denny SGC Authentic 150
Extremely scarce and desirable 19th century issue, these are revered by Old Judge collectors. We believe this graded Authentic due to extensive layering and wear on the bottom border. The images happens to be spectacular, with perfect contrast, and the back is nice as well.

33 1887 N162 Goodwin Champions
Tim Keefe PSA 4..... 900
Great card, this has one of the best images from this remarkable era. So undervalued in this market, the offered card is a truly gorgeous 4. The image and color could not be any nicer, centering is terrific, the borders are white. The corners come to points but are soft, slight wear on the back keeps this at an awfully, awfully nice 4. The winning bidder should really enjoy this beautiful card.

1887 N172 Old Judges

34 Crotty (Sioux City) PSA 2.5..... 90
Elusive team, this has a pleasing image and a perfectly clean back. Wear by the upper left corner and on the other corners likely kept this at a very pleasing 2.5.

35 Pud Galvin PSA 3 mk..... 200
One of the classic Old Judge cards, these are always among the most desirable HOFers. The offered card has the advertising clipped at the bottom border. The image is remarkably well contrasted and is superb, writing on the back led to the qualifier, there is a tiny stain or odd print mark at the upper left corner, with hardly any creasing. The image really makes this card.

36 Dick Johnston Hands on Hips PSA 1 MC..... 45
Cut close on the bottom border, the image is not bad at all. The front has some condition issues but is not bad, the back led to the 1 grade.

37 Loftus PSA 1 mk..... 75
Fun card of an Old Judge manager, you have to love the top hat in hand! Creasing and typical wear keep this at a 1 mk, the image is well contrasted and is quite nice.

38 George Townsend Catch, hand chest high SGC Authentic.. 60
Pleasing card, typical cuts at the corners from a scrapbook likely led to the Authentic grade, the back is clean.

39 Walt Wilmot Catch, hands at chest-Washingtons PSA AA 60
Gorgeous image, the front is crisp and clean and looks great. Possibly re-backed, we do not know what the alteration is.

40 1887 N173 Old Judge Cabinet
Bill Hallman PSA 3..... 500
So classic, these are such wonderful and charming cards. A true cabinet card, an actual photo is presented on the Old Judge Cigarettes mount. A very strong condition cabinet despite the low PSA grade, this card offers a fine image and excellent eye appeal. The image has strong contrast, there is no visible creasing, the surfaces are clean. The back has no damage, just some slight staining, the card is an awfully solid 3 that has the eye appeal of a 6 with it's extremely well preserved image. This is ideal for a type-card collection.

Baseball Cards

- 41 1887 N284 Buchner Gold Coin
Charles Comiskey SGC 2 250

Very elusive card of The Old Roman, we hardly ever see these. A key figure in baseball history, the offered card has outstanding centering and a fine image. Various small condition issues keep this at a 2, including a tiny scrape on the back and some general wear, there is no creasing. The corners are not bad at all, the image is very solid.

- 42 1887 N284 Buchner Gold Coin
Orator Jim O'Rourke (hands on thighs) SGC 4..... 300
- Very elusive 19th century HOfer, you have to love the terrific image with all of his catching gear! Bright and attractive, this is well centered and a solid mid-grade card. The back has no damage, the borders are clean, the corner wear is consistent. There is no obvious creasing, general wear keeps this at a pleasing 4.

- 43 1888 Sporting Times Cigar
New York Giants Team SGC Authentic..... 200

Great card, this came from a 19th century scrapbook. Damage to the lower right corner keeps this at an Authentic, the images of the players are not affected in any way. A true 19th century classic, this very substantial item boasts an amazing six different HOFers! These HOFers are Connor, Ewing, Keefe, O'Rourke, Ward and Welch. Items like this are such wonderful relics from the earliest era in baseball history and are profoundly undervalued in today's market in our opinion.

- 44 1903 E107 Breisch Williams
Ed McFarland SGC 1 150

One of the rarest early 20th century issues, these are beloved by collectors, especially type-card collectors. Offered is a rough but presentable 1. The image is not bad at all, surface wear and scuffing on the front back keep this at a 1 but it is not ugly or abused. The borders are otherwise clean, the corners are not bad at all.

- 45 1907 W555 Cy Young
PSA 5.5..... 400
- Very elusive card of Cy Young, these hardly ever come to market. Very high grade for the issue, there is only one higher. Well centered with only very slight wear, this small and fragile card is remarkably well preserved. The blank back is perfectly clean.

- 46 1909 Colgan Chips
Honus Wagner SGC 4.5..... 600

Tough and underrated period Honus Wagner card, this has the same image as his T206 card. Very solid card for the grade, this has excellent centering, clean surfaces and a fine image. There is only very slight wear, this is a real keeper!

Baseball Cards

T206 Singles

49 Ty Cobb Green Background PSA AA 500
Richly colored card as it has a vibrant green background, the image looks great. The key T206 HOF card, this is well centered with hardly any creasing. There may be some slight surface wear, the back is clean. The card appears to be full sized based on how it is sitting in the holder, we do not know why it came back Authentic Altered. A very attractive card, someone is going to save some serious money due to this issue!

50 Ty Cobb Red Background PSA 2.5 1500
Classic Ty Cobb card, these have been exploding in price in recent years. Offered is a very pleasing card for the grade, well centered, this has good color and a nice mid-grade look and feel. The card offers a quality image and consistent corner wear. The creasing is not bad at all, the back is clean. The card displays very well for the grade and would be a solid addition to any tobacco or Ty Cobb collection.

51 Ty Cobb Bat on Shoulder PSA AA 500
Colorful and very attractive card, we cannot see any creases. There is no visible paper loss, nor any visible technical defects. Possibly trimmed at the top border, we are not sure why this otherwise very fine looking card came back Authentic Altered.

52 Ty Cobb Bat on Shoulder PSA 1 900
Rough 1, this has lot of creasing and some general wear. With that clearly noted, the card actually has a clean back and no technical flaws. The card retains its original color and has a nice image, it is low grade but not abused. Please note it is not so simple to find an honest T206 Cobb PSA 1 with no technical flaws or back damage.

53 Ty Cobb Bat off Shoulder SGC 1.5 1500
My personal favorite of the four T206 Cobbs, I always liked this image. Not a bad card at all, this retains good color and image quality. The back has no issues, a substantial scrape at the lower left corner keeps this at a 1.5.

Baseball Cards

47 Barbeau PSA 3 (Carolina Brights back) 500
Great looking card, this has outstanding color and perfect centering. The corners are not bad at all, there is hardly any creasing and the vital back is clean. This presents extremely well for its grade and is naturally very scarce given the back.

48 Clymer PSA 2 (Carolina Brights back) 500
Colorful and very fresh looking card despite the grade, the front looks great. We cannot see any creasing, slight wear on the back led to the 2 grade.

54 Ganzel PSA 3 (Carolina Brights back) 750
Clean and colorful card, this has hardly any creasing. There are a few nicks here and there, the card has great color and a fine image. The back has only very slight wear and displays well.

56 Walter Johnson Portrait PSA 2 400
White-hot card, these have been appreciating by the month. The offered card is well centered with great color, a fine image and clean white borders. Various condition issues combine to make this a 2, but the card has eye appeal beyond it's technical grade. There is hardly any creasing, the back is reasonably clean and the surfaces are pleasing. Corner wear and some layering at the very bottom border are the only real issues here. Freshly graded card is new to the hobby, and is nice.

57 Walter Johnson (hand at chest) PSA 1.5 400
Vital T206 HOFer, this is among the most popular cards in the set. The offered card has great color and a terrific image. Creasing and a nick in the left border led to the 1.5 grade. The back is clean, the borders are white, the surfaces are otherwise quite clean.

58 Lajoie (portrait) PSA 3 350
One of the key HOFers, I always liked this card. Well centered with a terrific image, this has rich color and displays well. Corner wear and one small crease keep this at a 3, the back is clean.

59 Mathewson (portrait) PSA 1.5 450
Not bad at all, we thought this should have been a 2. Brightly colored, this has a terrific image and a very clean back. Centered to the right border, this has one crease that does not crack the paper and consistent corner wear. This will certainly stand out in a crowd of other T206 PSA 1.5s. One of the keys to this great set, the low technical grade will keep this at a manageable price level for many collectors.

60 McGraw (portrait, no cap) SGC 4 90
Well centered with no visible creases or wrinkles, the image looks great, the card has strong color. There is definitely corner wear on the card, but it is consistent.

Baseball Cards

T206 Singles

61 Miller (Pittsburgh) PSA 2 mk (Carolina Brights back) 500
Well centered with great color, the corners show moderate wear. Stray writing on the back and a mark led to the qualifier. Scarce card with this back, my guess is that anyone who needs this card will overlook these minor flaws!

62 Sharpe PSA 3 (Carolina Brights back).... 500
Centered to the upper right corner, this has beautiful color and a very fresh look. There are no creases, slight general wear keeps this at a very pleasing VG 3 overall.

63 Tris Speaker SGC 3..... 200
Key T206 HOfer, these are always nice as Speaker only has one card in the set. Nicely centered with great color, the front looks great, the back has some very minute paper wrinkles. The card has bright color, clean white borders and a superb image. The corners exhibit mild and consistent wear typical for the grade.

64 Wilson PSA 3 (Carolina Brights back).... 500
Solid 3, this has no visible creases and only slight, stray wear. Star player known for hitting triples, this may be one of the tougher Carolina Brights cards.

65 Cy Young (Cleveland, portrait) PSA 2..... 750
Vital T206 card of a true legend, these are always extremely popular among collectors. Offered is a particularly colorful 2, as this card has an outstanding image. This card has hardly any creasing and a clean back. Corner wear and some edge wear on the left side keep this at a very pleasing 2.

66 Cy Young (Cleveland, portrait) PSA 3 1200
Classic T206 HOfer, an absolute key to this great set. Very fine 3, this has gorgeous color and a superb image. The borders are white, the back has no issues. Corner wear and a small tobacco stain by the lower right corner of the card keep this at a very pleasing 3 overall.

68 1910 E98 John McGraw SGC 7.5 400
From the famed Black Swamp find, this has that signature perfect color and freshness. Well centered with pristine white borders, the corners are sharp, the back is perfect, this is a very strong card for the grade.

69 1910 Ju Ju Drums Ed Sweeney PSA 1..... 150
Very rare early 20th century issue, these are revered by collectors of these types of cards. Purchased from us back in 2010, this is fresh to market! A Yankee player, the image on the front looks great, some back damage led to the 1 grade.

Baseball Cards

67 1909 T208 Cullivan's Fireside Jimmy Dygert PSA 1..... 1000

Revered set, one of the most desirable of all tobacco issues. Extremely rare, even most advanced tobacco collections do not have a single one of these. A beautiful design and a fine image of Philadelphia A's pitcher Jimmy Dygert, this is a very attractive card for the grade. There are no visible creases, the color is strong, the back has no paper loss. The borders are clean, the corners are not bad at all. There are two pinprick areas of wear by the top border and one spot of extra paper on the back. This is the kind of technical 1 that otherwise looks like a 5 that happily enhance the collections of many shrewd collectors. A truly rare and almost iconic early 20th century tobacco issue, how wants to cross this off their type-card list?

76 T205 Ty Cobb SGC 3.....600

The key to this great set, this one presents awfully well for the grade. Very nicely centered, this retains bright and attractive gold borders that show only very mild wear. The image of Cobb is perfectly registered and bright and colorful. The back has some slight staining and is not bad at all. The card has moderate creasing, the corners show moderate and consistent wear. This presents well for the grade.

Baseball Cards

1911 T205 Gold Border

70 Home Run Baker PSA 5..... 300

Very popular T205 HOFeR, this example has beautiful color and clean gold borders. Bright and clean, the corners are very solid for the grade. A flick of white at the upper left corner keeps this from grading higher, this will be an upgrade for almost all of you.

71 Bender PSA 4..... 150

Beautifully centered with quality corners, the color is terrific, the card looks much more like a 6 than a 4. There are no visible creases or wrinkles, even under magnification, the back is clean.

72 Chance PSA 4..... 150

Reasonably well centered and very solid for the grade, this has hardly chipping and no creases or wrinkles. Bright and fresh, this presents awfully well for the grade.

73 Chase (both ears show) PSA 4..... 75

Colorful card, a corner crease at the upper left keeps this at a very pleasing 4.

74 Chase (only left ear shows) PSA 2.5..... 130

Tougher variation, this has outstanding color and image quality, a crease keeps this at a 2.5.

75 Cicotte PSA 4..... 200

A tough card to find in any kind of condition, a 4 is very strong for this card. The key 1919 Black Sox figure, the offered card has vibrant gold borders and great color. Well centered, very light wear at the lower right corner keeps this at an extremely high-end 4 (we have seen many weaker cards in 5 holders as a note).

77 Huggins PSA 5..... 150

Crisp card has strong gold borders and very clean surfaces. Centered very slightly to the top border, a flick at the lower right corner keeps this out of contention for a 6.

78 Mathewson PSA 3.5..... 500

Classic card, this example is absolutely ideal for the grade. The card has great color and a perfect image, the surfaces are clean, the gold borders are very solid, there are no visible creases or wrinkles, even under magnification. Well centered, the back is clean. Very nice.

79 Suggs PSA 4..... 120

Tough T205 card, this has rich color and excellent centering. Very pleasing 4, there are no creases and only slight corner wear, it is an ideal card for the grade.

80 Wheat PSA 5..... 200

Beautiful T205 HOFeR, this has such a wonderful image. Offered is a freshly graded and superb 5, this has excellent centering, quality corners and outstanding gold borders. The 5 grade really does appear to be very conservative.

Baseball Cards

- 81 1912 T207 Brown Border Miller, Ward PSA 3..... 500

A key to this great set, this has always been considered a classic scarcity. The image looks great, this has a rich brown background. The card has a fair amount of corner wear, but it is consistent. There is hardly any creasing, the back has no damage.

- 82 1912 Boston Red Sox Team Postcard PSA 5.5..... 500
Stunning card, this is so nice that it could even turn a modern card collector into a vintage postcard fan! Strikingly clean and fine, this has not been mailed and could not be any nicer for the grade. Pristine, the image quality is phenomenal, I love how all the players are identified. A World Championship team, this super cool piece pictures Red Sox legends Tris Speaker and Joe Wood along with their teammates.

- 83 1913 T200 Fatima Team Cards 11 Cleveland Americans PSA 3.5..... 750

The key to this very unusual and interesting set, it is not easy to find this fragile issue in 3.5 holders. Pleasing card has no visible creases or cracks, the back is clean, the brown borders are not bad at all. The image is just a touch light at the extreme left border, these again usually come with major chipping, tears and other significant condition issues.

- 84 1913 T213 Type 2 Tris Speaker PSA 2..... 200
Undervalued card of the great Tris Speaker, this is so much harder to find than his T206 card. Brightly colored card, the image looks great, the back is fine, the card displays well. Typical creasing for the issue keeps this at a 2, the creases do not crack the paper, the corners show mild and consistent wear.

- 85 1913 Tom Barker Ty Cobb PSA 6..... 400
Fun Ty Cobb card, PSA really hit us with the grade here. Clean with hardly any wear, we have seen many similar cards in 7 holders. Attractive photo of Ty Cobb, this seems like a great value in today's market with how hot Ty Cobb cards are now.

1914 Cracker Jacks

- 86 14 Crawford SGC 2 200
Colorful card has a fine image, hardly any staining and a clean back. Tougher HOfer, creasing and corner wear keep this at a very nice 2.

- 87 17 Bresnahan No Number Back PSA 3..... 500
Scarce variation of a HOfer, these do not come to market every day! Offered is a solid PSA 3, this card has good centering, no visible creasing and a nice image. The card has some mild toning and corner wear, this displays well for the grade.

- 88 18 Evers SGC 2 150
Very attractive 2, this has a terrific image and no staining. The color is bright, the image looks great. Wear at the lower left corner and a spot by the right border keeps this at a very pleasing 2.

Baseball Cards

1914 Cracker Jacks

89 75 Huggins SGC 2 150
Elusive 1914 Cracker Jack HOfer. This card has no staining, clean white borders, a fine back and a terrific image. The corners come to points, the color is strong, a crease below the center keeps this at a 2.

90 78 Merkle PSA 2 200
An infamous name in early 20th century baseball history, this is his seldom offered scarce 1914 Cracker Jack card. Great image, this is well centered with slight staining. The card is otherwise quite clean, the 2 grade seems harsh to our eyes.

91 143 Daubert PSA 3 200
Scarce 1914 Cracker Jack from this quality Brooklyn Dodger player, this has outstanding centering and great color. Corner wear and two corner lines keep this at a very pleasing 3, there are no stains.

92 1915 Cracker Jack 19 Chief Bender PSA 3 250
Popular HOfer, this card has clean surfaces and no visible creases or wrinkles. Centered to the left border, a fair amount of corner wear keeps this at VG.

93 1916 M101-4
4 Grover Cleveland Alexander PSA 5 300
Very elusive card, we hardly ever see these. Early card of a truly classic HOfer, this has a strong image and clean surfaces. Centered mildly to the left border, the corners show only slight wear, the blank back is perfectly clean.

94 1916 M101-4 Famous and Barr
184 Honus Wagner SGC 4 900
Great card of Honus Wagner, I love the full image of Wagner in his swing that looks like he is playing golf! Well centered with a fine image, the back is clean. The card has no visible creases, the corner wear is mild and consistent. The card has stray bits of general wear in a few places, the image and the vibrant back carry the card. These do not come to market very often and seem so undervalued to us in today's market.

95 1917 Boston Store
162 George Sisler PSA 3 300
Extremely scarce card, this is from the same collection as our Babe Ruth Rookie card from the June auction. A fine 3, this has no visible creases or wrinkles and is quite clean overall. The image looks great, the surfaces are clean, the corners show mild and consistent wear. This card has been in a safety deposit box for decades.

96 1922 E120 American Caramel
Ty Cobb PSA 3 600
Elusive and charming Ty Cobb card from one of the great pre-war card sets, this is of course an absolute key to an E120 set. Offered is a pleasing PSA 3: there is hardly any creasing, the back is fine, the image of Cobb displays well. The card is centered to the right with moderate corner wear, the card has slight toning or a stain by one spot on the right border. These frankly might be scarcer than Cobb's T206 cards and oddly enough currently trade at a fraction of them right now. This is probably a perfect card to stick in a box for a few years and let the market come around.

Baseball Cards

97 1931 W502 32 Lou Gehrig SGC Authentic 300
Desirable early Lou Gehrig card, this has a pleasing image and no back damage. A strip card issue, a somewhat awkward cut likely led to the Authentic grade, this displays reasonably well.

98 1932 U.S. Caramel 14 Ty Cobb SGC 3 900
A key card, this is among the most difficult and desirable cards in this great and undervalued set. Well centered with one tiny surface crease, the image of Mr. Cobb looks great. The card has exceptional centering, clean borders and a very attractive look and feel. The back is solid, the corners are well above those in 3 holders that come to market. In short, this is a truly exceptional card for the grade.

99 1933 Goudey 29 Jimmy Foxx PSA 3 100
A key to the set, these usually have major condition issues. Not bad at all, this has terrific centering and no visible creases. The card has corner wear and some of the typical spotting, it retains good color and displays well for the grade.

100 1933 Goudey 92 Lou Gehrig PSA 3 mk 300
Well centered with no visible creasing, the image looks good. The color is solid, the borders are not bad at all, the back is clean. The corners show consistent wear, erased writing by the upper left corner led to the mk qualifier. This is a fully presentable example of a classic card.

101 1933 R337 Eclipse Import 402 Babe Ruth SGC 1.5 1200
Very difficult Babe Ruth card from a scarce 1930s issue, this is a real collector's card! Offered is a very handsome and attractive card for the grade, notable for an outstanding image. Very nicely cut with huge borders, there is no back damage, the surfaces are quite clean. Mild creasing and a fair amount of corner wear led to the somewhat conservative 1.5 grade, this is an awfully nice looking card for an R337.

102 1933 Uncle Jacks Earl Averill SGC 7 400
Beautiful card, this has striking color and a gorgeous image. Sharp and super clean, it does not get any nicer than this. World class Uncle Jack HOFer, the condition is extremely impressive.

105 1936 R312 Joe DiMaggio RC PSA 2 600
A Rookie Card of Joe DiMaggio, this is among his most attractive cards. Beautifully centered with great color, the borders are clean. There is hardly any creasing, just mainly by the lower left corner, the back is clean. The surfaces are strong, the corners show mild and consistent wear. Very conservatively graded, most would grade this a 3, PSA is extremely tough on oversize issues, this presents far above it's 2 grade. Issued on fragile paper, a 2 is actually a pretty high grade for this card.

Baseball Cards

103 1934 Goudey 37 Lou Gehrig **PSA 1..... 750**
Classic card of Lou Gehrig smiling, these are always extremely popular. A very, very high-end 1, the card is well centered with hardly any creasing. The image is good, the back is totally fine. The corners show a fair amount of wear, but it is consistent. Very, very conservatively graded, this is much more like a 2 than a 1.

106 1939 Play Ball
92 Ted Williams RC **SGC Authentic 900**
An absolutely vital Rookie Card of the amazing Ted Williams, this is a key card. The offered card has four strong corners, super clean surfaces and a perfect image. We cannot see any defects, the card is centered slightly to the right border, we are not sure why it came back Authentic and not with a numerical grade.

104 1934 Goudey 37 Lou Gehrig **PSA 2.5..... 1200**
Classic and beloved Lou Gehrig card, you have to love this wonderful image. Well centered with no visible creases or wrinkles, the surfaces look great, the back is fine. The card has a great image and clean white borders. Corner wear appears to be the only issue here, the grade really does look to be a click low to our eyes, the winning bidder should really enjoy this great card.

110 1941 Play Ball 71 Joe DiMaggio **PSA 3..... 1000**
Vital card from one of the great seasons in baseball history, this is a true classic. Offered is a great 3, this has super clean surfaces, rich color and a perfect image. Centered to the left border, there are no creases or wrinkles, the corners show mild and consistent wear.

Baseball Cards

1948 Leafs

107 1940 Play Ball 27 Ted Williams PSA 4..... 400
Undervalued Ted Williams card, this has always been one of my personal favorites. Often found with major condition issues, we hardly ever see these in this quality. The offered card is a terrific 4, there are no creases or wrinkles and the surfaces are quite clean. The terrific photo of a young Ted Williams looks great, as does the back. I love the detailed biography on the reverse. The card is reasonably well centered, the borders are clean, the corners are just shy of Ex and show consistent wear. This is a very solid 4 overall.

108 1941 Double Play 63/4 DiMaggio/Keller PSA 6..... 100
A key to this underrated set, the card is from DiMaggio's magical 1941 season. Well centered with square corners, this solid condition 6 pairs Joe D with his unheralded star teammate Charlie Keller. Undervalued card.

109 1941 Play Ball 14 Ted Williams SGC 3 200
Key card from one of the greatest seasons in baseball history, these seem so cheap at current market levels. Offered is a very pleasing and well centered SGC 3. The surfaces are clean, the color is good and the back is clean as well. There is hardly any creasing, the corners are not bad at all, this is a very solid 3 overall.

111 1 Joe DiMaggio PSA 4..... 400
Hot card, this one looks to be a bit undergraded. Clean and fine, we cannot see any creases or wrinkles, even under magnification. Centered well overall, the corners come to points, the borders are clean, the back is fine. The image of Joe looks good, the card has nice color. We do not follow the grade here.

112 11 Rizzuto PSA 7..... 150
Hot card of late, these are not easy to find in 7s. Considered a Rookie Card by many, the offered card has four square corners, rich color and a truly superior image. Centered slightly to the left border, it would be very difficult to find a nicer example of this card.

115 32 Spahn RC PSA 4..... 250
A hot card of late, this is well centered with rich orange color. The corners are sharp, there are no creases, a very faint stain by the upper left corner keeps this at a 4.

116 33 Lowrey SP PSA 5..... 75

Well centered with four sharp corners, this has great color and a super sharp look and feel.

269 581 Tom Seaver RC PSA 7..... 400

Vital Rookie Card of a beloved HOFer, this is also the key card to one of the most widely collected Topps sets. Freshly graded, the offered card has rich color and super clean surfaces. The corners come to solid points, there is no tilt or diamond cut, this is centered to the left border.

270 581 Tom Seaver RC PSA 8..... 500

The key card to this super popular set, this is naturally a vital HOF Rookie Card. Presented in a lofty PSA 8 grade, this is a seriously sharp card. Razor sharp card, the corners are all super sharp and superb. The back color has no chips, the borders are white, the color is terrific, the card has a very fresh look and feel to it. Centered very slightly to the right border, it will be interesting to see where these trade at in a few years. Great card.

273 600 B. Robinson PSA 8..... 450

Super hot card of late, centering makes this a very difficult and desirable 8. The centering here is outstanding, the corners are all super sharp, this is an awfully high-end 8 to our eyes and will great in any high grade 1967 set.

Baseball Cards

274 1968 Kahns Aaron (small) PSA 9..... 250
Super cool card, this is the very tough and fun smaller size variation. Amazing quality, this is absolutely pristine. These are such incredible bargains in today's market for no logical reason.

1968 Topps

275 110 Aaron PSA 6.5..... 150
Perfectly centered, the corners come to points, the color is terrific. PSA split hairs a bit with the grade, we have seen far worse cards in 7 holders.

276 151 Brock PSA 8..... 15

277 177 Ryan/Koosman RC SGC 5 250
Classic Rookie Card, this has rich color and is well centered left to right. Centered to the bottom border, the corners exhibit light and consistent wear.

278 177 Ryan/Koosman RC PSA 7..... 900
Vital Rookie Card of this beloved and iconic HOFer, this is always a very desirable card. Offered is crisp 7, this has four solid corners and very rich color. Centered just about 50/50 left to right, a hair to the bottom border, which is terrific for a Ryan Rookie. The back is perfectly clean, the card has a fresh and colorful look and feel to it. Not rare but always very desirable, these really do seem so undervalued compared to the key modern cards.

279 280 Mickey Mantle PSA 7..... 150
Ideal 7, this has outstanding centering and four sharp corners. The color and image could not be any nicer, this will look great in your sharp set or Mantle Topps run.

280 330 Roger Maris PSA 9..... 100
Not rare but his last card, this one has perfect centering and four Mint corners. This is a good card to put in a box for a few years.

1968 Topps Milton Bradley

281 45 Tom Seaver PSA 7..... 50
Very tough card, this has four strong corners and a perfect image. Centered slightly to the right border, we hardly ever see these.

282 110 Hank Aaron PSA 7..... 50
Fun card that hardly ever comes to market, this has great color and four sharp corners. Superb quality, slight centering to the bottom border keeps this from grading higher.

283 177 Nolan Ryan RC PSA 4..... 200
Very tough card, advanced Ryan collectors fight over these. Offered is a really fine 4, we cannot see any creases or wrinkles, even under magnification. The card has excellent centering and perfect color, the images look great. The card has the usual white line at the left border and one corner line on the back, it is much more like a 5 than a 4 to our eyes.

Baseball Cards

Only Ryan's second-year card, I always found these elusive to find. Offered is a beyond ideal 7, the card has terrific centering, four sharp corners and perfect white borders. Our consignor has a great eye in collecting PSA cards, this really looks much more like an 8 than a 7, terrific condition card.

Classic Rose card, I always really liked these. A super colorful 7, we do not see any edge wear, perhaps slight surface wear led to the very conservative grade, the card looks terrific.

Great lot of sharp 1953 Topps cards, our consignor has a great eye, these are almost invariably superb cards for the grade. By grade, there is one 7.5, forty-four 7s, seven 6.5s and seventy-five 6s. The average grade is 6.385. The lot includes a few secondary stars, Dodgers and Yankees, it is not a pure common lot.

374 1959 Topps Complete Set NM 1500

Very sharp and fine set, this is a great set as it has a world of star cards and a high number run. The offered set is from an old time collector and has not been picked for grading. High grade, raw sets of this quality are extremely hard to find in this market. With the right grades on some of these cards, the breakdown value could well be tremendous. The set is about 50-60% Near Mint, the balance is almost all Ex-Mt, it is a very fine set overall with many, many great looking Near Mint cards, including stars. The set includes a few variations. Please note raw 59 sets almost always have very weak examples of the Mantle or Gibson Rookie or both, the offered has very strong examples of each, which is very unusual. We grade the many key cards as follows: 10 Mantle Ex-Mt+, 40.2 Spahn partial 1931 Ex-Mt+, 50 Mays Ex-Mt, 150 Musial Ex-Mt+, 163 Koufax Ex-Mt, 180 Berra NM, 202 Maris NM ctd, 350 Banks NM, 380 Aaron NM, 461 Mickey Mantle HR Ex-Mt+, 478 Clemente NM, 510 Yankees TC NM, 514 Bob Gibson RC Ex-Mt+, 515 Harmon Killebrew NM, 543 Trio/Clemente VG+, 550 Campanella NM, 561 Aaron AS NM, 563 Mays AS NM and 564 Mantle AS Ex-Mt.

378 1961 Topps Complete Set NM 1250

Very desirable 1960s Topps set as it is almost bursting with stars and a crucial high number run. With no less than five Mantle cards, the value here as singles is tremendous. Offered is a particularly sharp and fine raw set from an old time collector, nothing has been picked for grading. It is so, so hard to find sets like this because of slabbing, this is a potential gold mine if one gets the right grades on some cards. The set is about 65-70% Near Mint, the balance is almost all a high-end Ex-Mt. The high numbers are particularly well centered overall and very fine, as nice as you will find in a raw set. The many key cards grade as follows: 2 Maris Ex, 35 Santo RC NM ctd, 44 Mantle/Maris/Colav LL Ex-Mt+, 141 B. Williams RC NM+, 150 Mays NM, 287 Yaz NM+, 290 Musial Ex-Mt+, 300 Mantle Ex-Mt+ (sharp and centered to the right, a 7 on the right day), 307 Mantle WS2 Ex++, 344 Koufax NM+, 350 Banks Nm-Mt ctd, 388 Clemente Ex-Mt, 405 Gehrig Streak Ex-Mt+, 406 Mantle 565' HR NM, 415 Aaron NM, 417 Marichal RC SP NM, 425 Berra Ex-Mt+, 475 Mantle MVP NM, 542 Twins TC NM, 554 Pirates TC NM, 575 Banks AS Nm-Mt, 576 Maris AS NM, 577 Aaron AS NM, 578 Mantle AS Ex-Mt+, 579 Mays AS Ex-Mt+, 580 Kaline AS NM, 581 F. 383 1964 Topps Complete Set NM 1200
Desirable 1960s Topps set, this one is beloved by dealers as it has a great breakdown value and an undervalued high number run. Offered is a fresh and sharp ungraded set from an old timer, something you hardly ever see anymore. The photos look great, these can retail for \$100 each at shows, this lot should have a very solid value as singles. These would also look great framed with an autograph. We will have images of all of the photos on our website.

506 1911 T9 Turkey Red Complete Set 1000
Such a great set, these are such wonderful and strikingly attractive cards. Not rare but very condition sensitive, these are so undervalued in reasonable condition in today's market. We sent two cards into PSA: Johnny Coulon (3.5) and Jack Johnson (2.5). The set is a very consistent GVG to VG Plus overall, the backs are clean. Only three cards of the twenty-five in the set could be upgraded, including Attell. Who wants to own a simply beautiful set that is literally bargain priced right now by the card market for no logical reason? Please note this is almost a must-have if you are lucky enough to have the T3 baseball set as this will fill in 25 cards on the checklist!

540 1972 Topps Complete Set NM 600
Classic and vital 1970s Topps football set, these have been very hot in recent years. Anchored by a great high number run, these have a huge breakdown value as singles. The offered set is a rarely presented sharp set with no graded cards, something you hardly ever find anymore. From an old time collector, nothing has been picked for grading, these are really nice cards. The condition is about 70% Near Mint, the balance is almost all Ex-Mt with some variance. Centering varies, especially in the main series cards, the high numbers have better centering than usually found. The third baseman to Tinker-Ever-Chance, Kling died in 1947 and is a very tough signature. This is very special as it is signed on Kling's M101-2 Sporting News Premium card from 1911. Signed in fountain pen towards the center, the signature is in slightly light but certainly legible fountain pen ink. There is a chip at the lower right corner and other condition issues typical for the set (they are printed on fragile stock), the image is not affected in any way and looks great. Nice piece. PSA slabbed Authentic for the autograph, this is a fine combination of card and signature.

833 1912 World Series Program
At Boston VG-Ex..... 600

A classic World Series between two teams loaded with classic HOFers, these are so undervalued compared to the cards of this era. Famed for Fred Snodgrass's muff, the Red Sox beat the Giants in seven games. Offered is a very desirable original World Series program, this example has a tight spine and a clean cover. There is a tiny nick at the lower right corner, the cover has some general wear. Unscored, the interior pages are clean. The back cover has a tiny nick and is very clean overall.

834 1917 World Series Program
At Giants Good 600

Classic World Series program, scarce, this is notable for a classic cover of President Woodrow Wilson throwing out the first pitch on the cover. Wilson was a huge baseball fan, as a note. The offered program grades Good due to a small chip on the cover on the right border and folding/general wear. Low grade but still fully presentable, this is a better program as it was the first appearance of the soon to be 1919 Black Sox team with Joe Jackson, Eddie Cicotte etc in the World Series. The White Sox won this one four games to two. Scored, the interior pages are clean, the back cover is fine.

835 1921 World Series Program
At Yankees GVG 600

Scored for game 3, this is a historic program as 1921 was the first Babe Ruth Yankee team to make it to the World Series. The cover has been folded and is otherwise nice, the spine looks fine, the program displays well. Scored, the interior pages are clean. 1920s World Series Programs with Ruth or Gehrig seem like such unbelievable bargains right now relative to what their baseball cards sell for, it will be interesting to see what happens with these over the next few years in this market.
