Letter To Readers

We first want to note that due to rising business expenses and market conditions, we do now have to raise our buyers premium to 22% starting with this auction.

Now to the good stuff! The current auction is one of the most interesting and exciting that we have ever offered. Our combined efforts with Lelands has resulted in a flood of quality material floating between both companies, ending up in the place that best serves the interests of our consignors.

This auction features several amazing collections that are completely fresh to the hobby. There is a phenomenal selection of pre-war baseball cards with many trophy pieces, a solid selection of vintage baseball card sets, fine autographed cards, many top HOFer signed autographs and a quality run of fresh team signed baseballs. Perez Steele collectors will see a freshly slabbed run with PSA rarities.

We picked up a really fun astronaut and cosmonaut autograph collection, there is a fine JFK signed Presidential document and a nice mix of entertainment signed autographs. Non-sport collectors will see many vintage sets, there is a terrific 1950 Bowman football PSA set broken into lots, a terrific collection of C55 and C57 hockey cards and high quality baseball memorabilia, with note to desirable game used bats, tickets, pennants, Brooklyn Dodger memorabilia and more.

The key lots in the auction start with a beautiful 1909 E90-1 American Caramel Shoeless Joe Jackson Rookie Card. With all of the attention surrounding his removal from the banished player list, this might be the ideal time to add this to your collection.

We continue with an N162 King Kelly PSA 1, W600 Frank Chance SGC 1, 1907 Dietsche Cobb SGC 1 Name on Front variation and an E95 Philadelphia Caramel Honus Wagner PSA 1. T206 collectors will see a Walter Johnson PSA 3 with a Tolstoi back and a really nice PSA 1 Magie Error.

Pre-war baseball continues with three Honus Wagner cards: an E90-1 American Caramel PSA 1, E98 Beckett 7 and an E91-C PSA 4. We have the four key cards from the M101-2 Premiums, including the Joe Jackson. Both E106 Ty Cobb cards make an appearance in the auction, followed by a truly rare M101-4 Ware's back PSA 2 Ty Cobb. Babe Ruth collectors will see a rare 1929 Star Player Candy, a pair of 1932 U.S. Caramels, including a super rare cancelled card, as well as the 1933 Goudey run.

1933 Goudey collectors will have a historic opportunity to truly complete their set with a 1933 Lajoie (PSA 2 mk). The auction also has one of my personal all-time favorite cards, a 1933 Zeenut Joe DiMaggio Throwing (PSA 1.5). A 1948 Leaf Jackie Robinson PSA 4 follows, there is a 1955 Stahl-Meyer Mickey Mantle and an autographed 1953 Bowman Color Mickey Mantle.

Key lots conclude with an Albert Pujols PSA 10 signed game used bat, a 1911 C55 Hockey Set, all PSA graded, and a really nice SGC 4.5 1966 Topps Bobby Orr Rookie Card.

We are actively seeking out consignments and buying quality single items and collections for our future auctions. No auction house offers the unique distribution and marketing opportunities than the combination of Lelands and Clean Sweep Auctions. Please feel free to contact me directly or any of the staff at either firm, we are here to help you get the best prices for your items and to provide top level customer service.

1 1909 E90-1 American Caramel Shoeless Joe Jackson Rookie Card! PSA 1.5 5000
Among the greatest names in baseball history, Joe Jackson is a truly iconic American sports figure. Immortalized in film, he is one of the most popular players in all of baseball history. Now eligible for the Hall of Fame, this would seem be a near certainty in the coming years. Offered is one of his most valuable and iconic cards, the 1909 E90-1 American Caramel.

Purchased from us in the 1990s before slabbing, this card is completely fresh to the hobby. Slabbed at the National, this beautiful card received a fair share of oohs and aahs from those to whom we showed it off! Well centered, the front of the card has rich color and clean white borders. The corners are in the VG-Ex range. The image displays very well, with more than respectable registration. The back of the card has a small scrape by the upper right corner, hence the 1.5 grade. An important card that will not run into the hundreds of thousands of dollars due to that minute back scrape, now would seem like an ideal time to pick one of these before his likely HOF Induction and flood of publicity. Happy bidding!

Key Lots

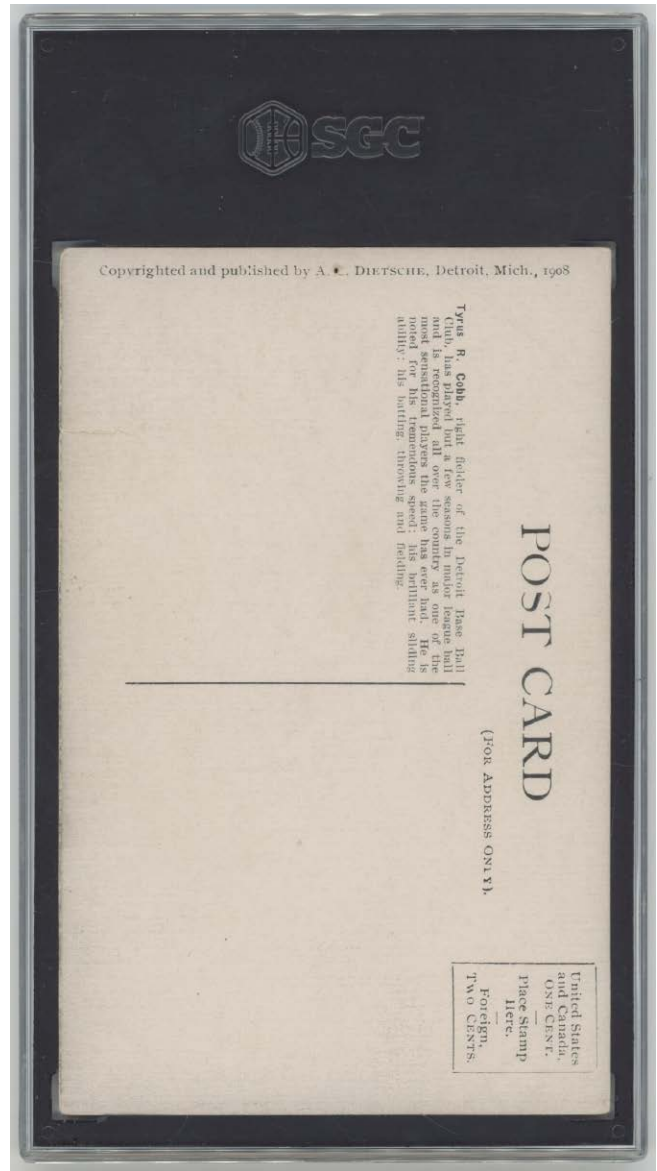

2 1887 N162 Goodwin Champions King Kelly PSA 1 1200

A vital 19th century player, this is one of his most desirable cards. From a revered set, these still seem like such bargains in light of what key modern cards trade at. The offered card has good color and a nice image. The back has some light scraping and wear, but is not bad at all. The main issue with the card are some surface scrapes by the top right portion of the front. The front is otherwise crease-free and fairly clean. While this card certainly is fairly graded, some might prefer this to something that has a ton of creases, faded color and just all kinds of general wear as is the case for most 1s from this set that come to market.

3 1902 W600 Sporting Life Cabinets Frank Chance SGC 1 1200

A very tough card, there has not been a public sale since 2019. Considered by some to be a Rookie Card of this venerable Chicago Cubs HOFer, this is a novel card. The larger size affords for a terrific portrait of Chance. This has an interesting stamp on the back. Scraping on the front and back keep this at a 1, but the image is not affected. A pleasing card despite the condition issues, the image here is really nice and anchors the card.

Key Lots

4 1907 Dietsche Postcards Ty Cobb Batting (name front) SGC 1 2000

A very desirable early Ty Cobb card, this could well be a Rookie Card. Issued from 1907 to 1909, this is the scarce COBB name on front variation. The offered card has a fantastic and flawless image of a so young Ty Cobb in his signature batting pose. The card retains a perfectly vibrant image and a solid black background. A pinhole by the top border and a closed small tear at the right border led to the 1 grade. Unmailed, the back is actually bright and clean, which is very unusual for a 1.

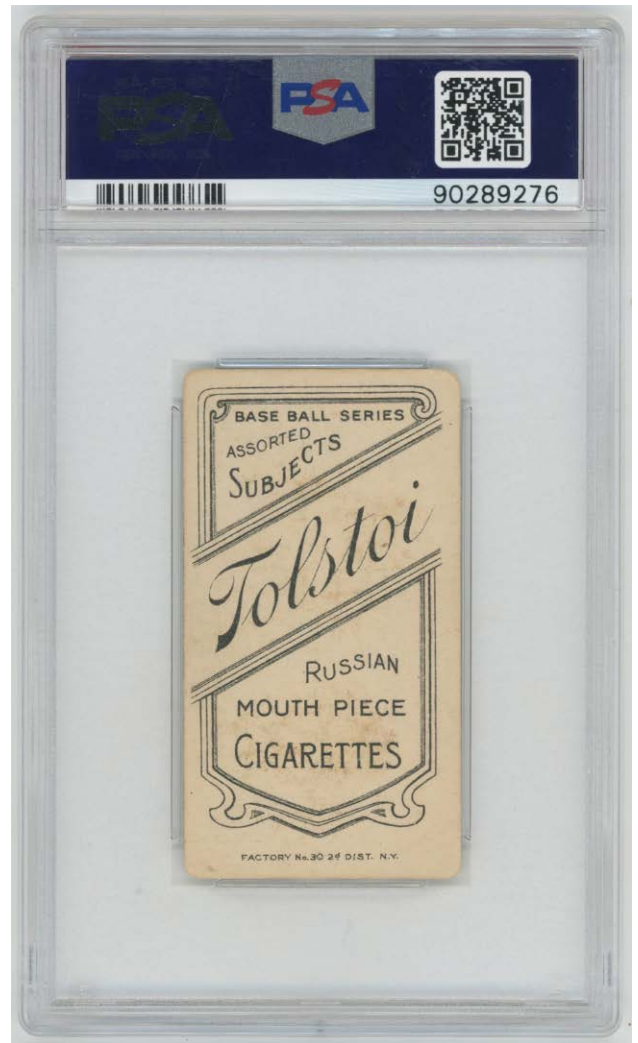

Who wants to own a superb early Ty Cobb card that hardly anyone else has?

Key Lots

5 1909 E95 Philadelphia Caramel Honus Wagner PSA 1 1000
 A key card of Honus Wagner, this is from one of the most widely collected caramel sets. A key to this set, Honus Wagners have been exploding in price in recent years. Freshly slabbed at the National, this is an almost stunningly attractive card for the grade Well centered, the card retains rich color, a flawless image and clean white borders. The corner wear is very light and consistent, the front of the card has one very fine crease. Alas, the back has scraping on the right side. This is an absolutely ideal card for a huge swath of collectors, happy bidding!

Key Lots

6 1909 T206 Walter Johnson (portrait) PSA 3 (Tolstoi back)..... 1000
A big card, this is one of the better front back combinations that one may very find.
The offered card has an exceptionally well centered front. The image of a young Walter Johnson has vibrant color and displays really well. There is no obvious creasing on the card, the borders are white, the corner wear is mild and consistent. The back is exceptionally clean, this is a truly great card.

Key Lots

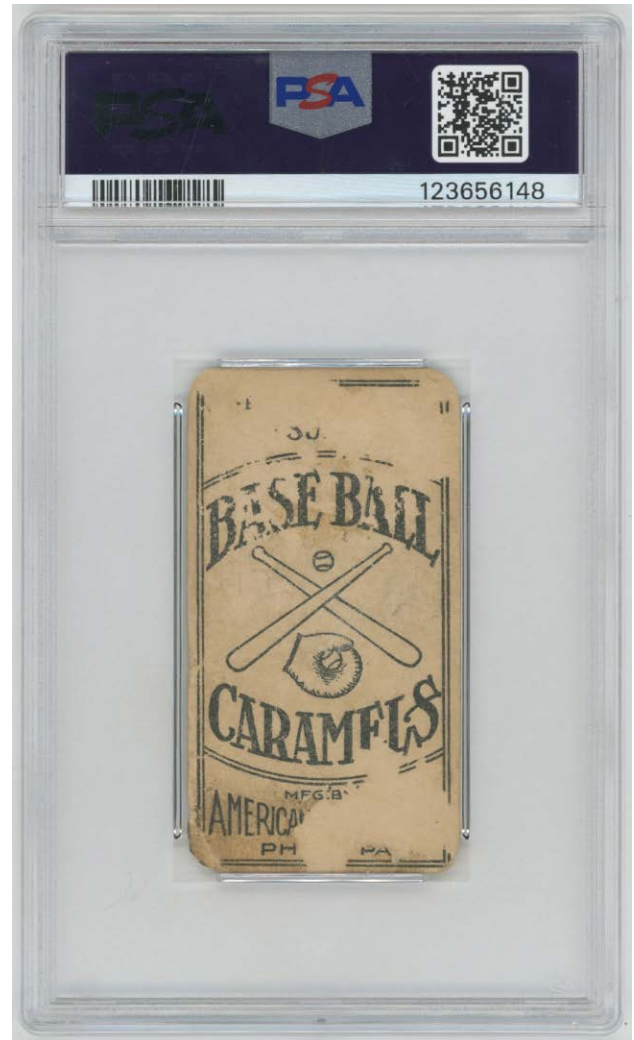

7 1909 T206 Magie Error

PSA 1 1000

One of the famed Big Four missing from almost all T206 sets, this is the only really attainable one of those four for 99% of us. Freshly slabbed at the National, the offered card has excellent centering, good color and clean white borders. The corners show a fair amount of wear, but it is fairly consistent (the lower right corner has the most wear). The back has a slight stain and is pretty nice overall. Creasing on the front of the card keeps this at a 1, this displays exceptionally well for the grade and is a perfect card for so many T206 sets.

Key Lots

8 1910 E90-2 Honus Wagner PSA 12000

A vital card of Honus Wagner, this was freshly slabbed at the National and is new to the hobby. The image is retains rich color and displays very well. The back has scraping in several places as well. Despite these issues, this is not an ugly or abused card, the rich color and fine image provide for solid display value.

An extremely pricey card in today's market, the lower grade will allow this to fit within the budget of a wide range of collectors.

Key Lots

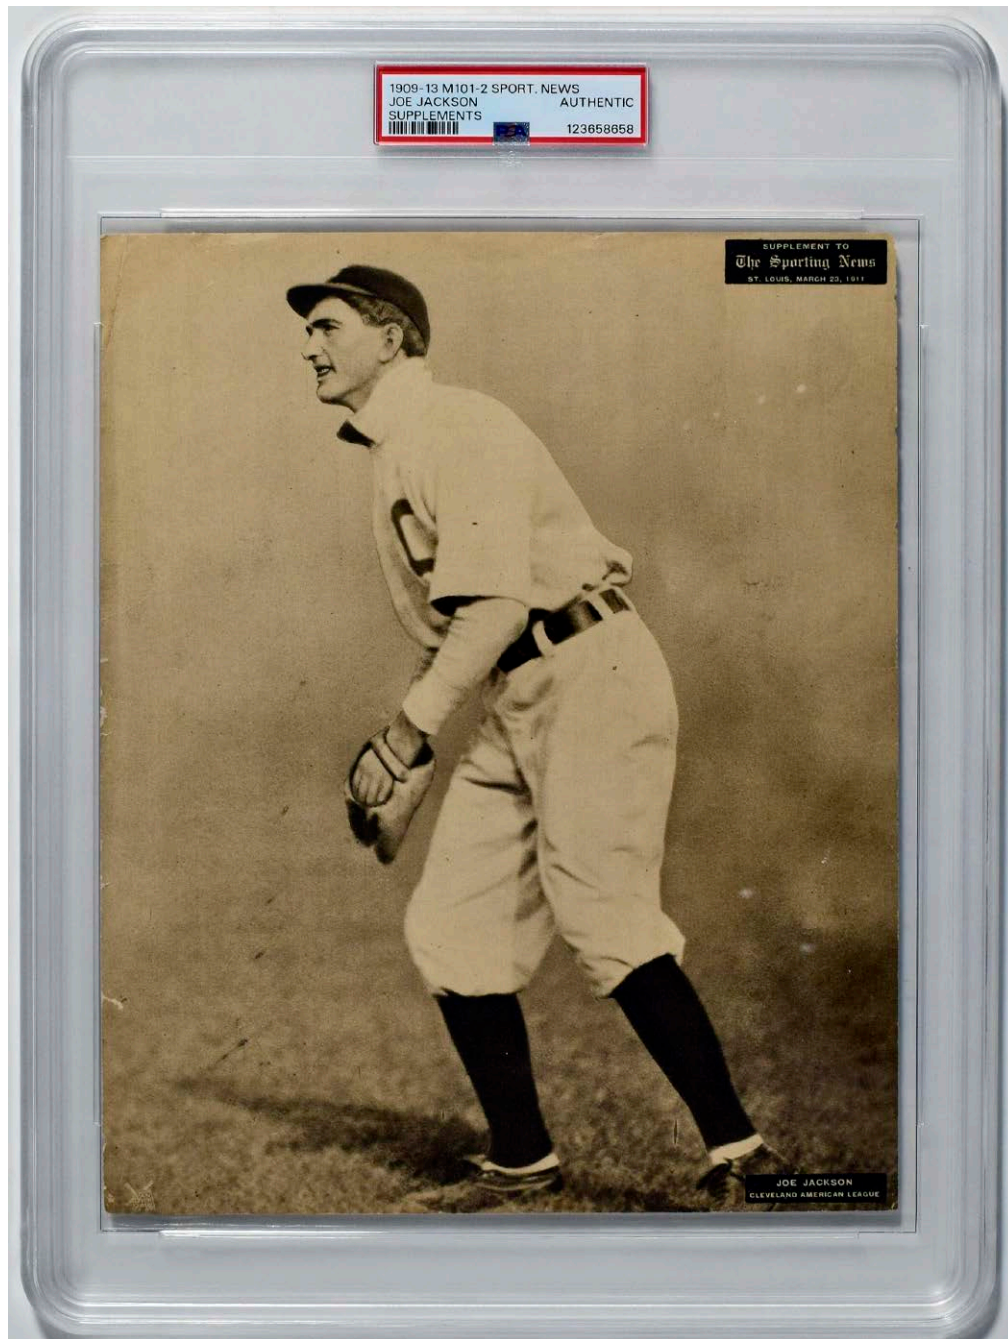

9 1910 E98 Set of 30 Honus Wagner Beckett 7 1750

PSA A..... 1200

A very early and desirable Shoeless Joe Jackson period card, these have exploded in price in recent years. Freshly slabbed at the National, this may have been cut short as is typical for this issue. Printed on very fragile paper, these are very difficult to find without major tears, creasing, chipping and other condition issues. The offered piece has a superb image that is perfectly clean and engaging. The edges are very clean overall for the issue, with just mild and light natural wear on the left and right sides. The back has no issues, some fine creasing is scattered about, mainly visible on the back. Fine piece.

Key Lots

12 1915 E106 American Caramel Ty Cobb batting, facing to side SGC 1.5 1000

The image is just a touch out of register. The back has 48 written by the top margin, and is not bad at all. The back issues led to the grade, this is a high quality Ty Cobb card nonetheless due to the scarcity.

13 1915 E106 American Caramel Ty Cobb with bat, facing front SGC 2.5 2000
Offered is just an utterly charming Ty Cobb caramel card. Scarce, these hardly ever come to market. The offered card has beautiful color and a superb image. A pensive Cobb is leaning on his bat, who knows what he is thinking here! Well centered, the offered card has hardly any creasing. The back is clean and displays well. The corner wear is very mild, stray wear is present in spots on the border. A subtle print line is present, this is a colorful and attractive card that one hardly ever sees, good piece.

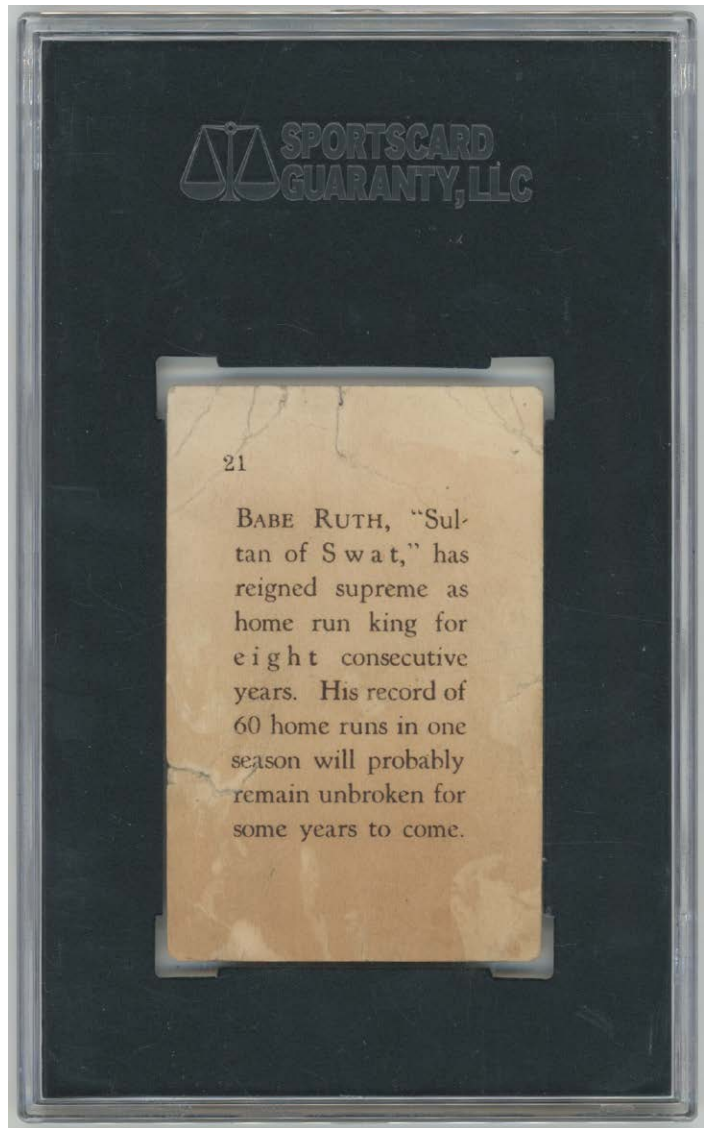

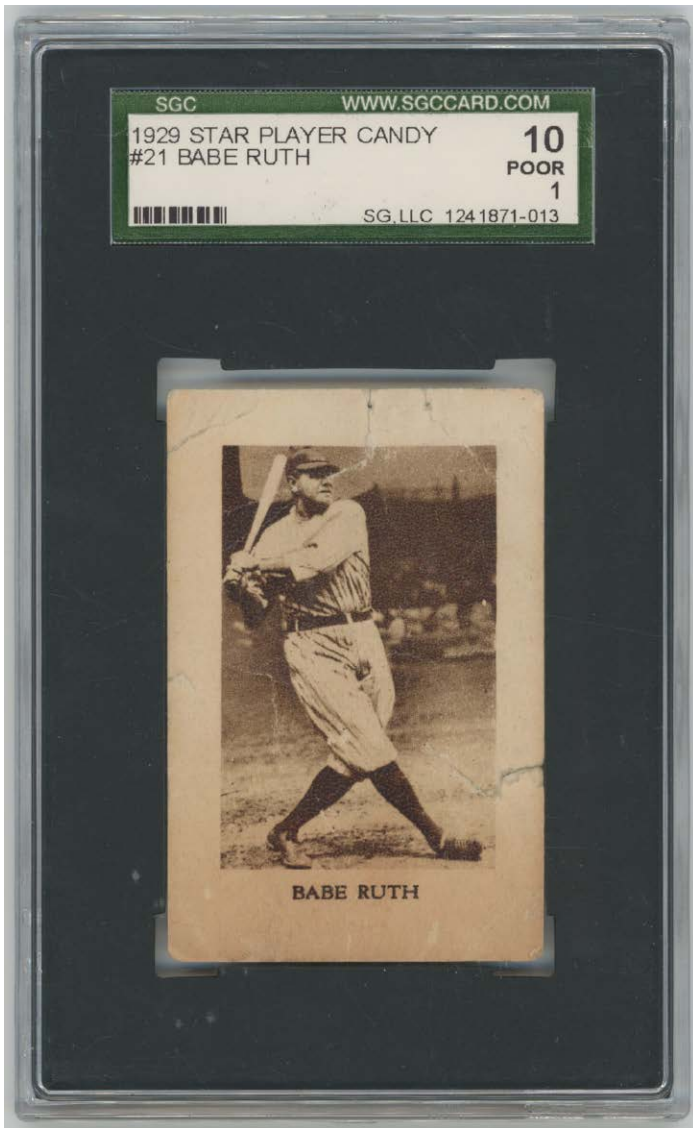

Key Lots

14 1916 M101-4 Ware's Ty Cobb (pop 1/1, only graded example!) PSA 2 2000 Freshly slabbed, this has been in a closet for decades. It is an almost historic offering as none of these have been slabbed by PSA until now. A chance to own a 1/1 Ty Cobb card, this is something that should be seriously considered by any serious collector of important cards from this great era. Freshly slabbed at the National, the offered card has a flawless image of Ty Cobb bent over in a slight bunting pose. Cut to the right border, the surfaces are quite clean, the front displays very well. There are no visible creases or wrinkles, even under magnification. The right border has some natural edge wear. The back appears to be perfectly crisp, clean and quite vibrant, it looks great.

This is simply a rare and awesome card of one of the greatest names in baseball history.

Key Lots

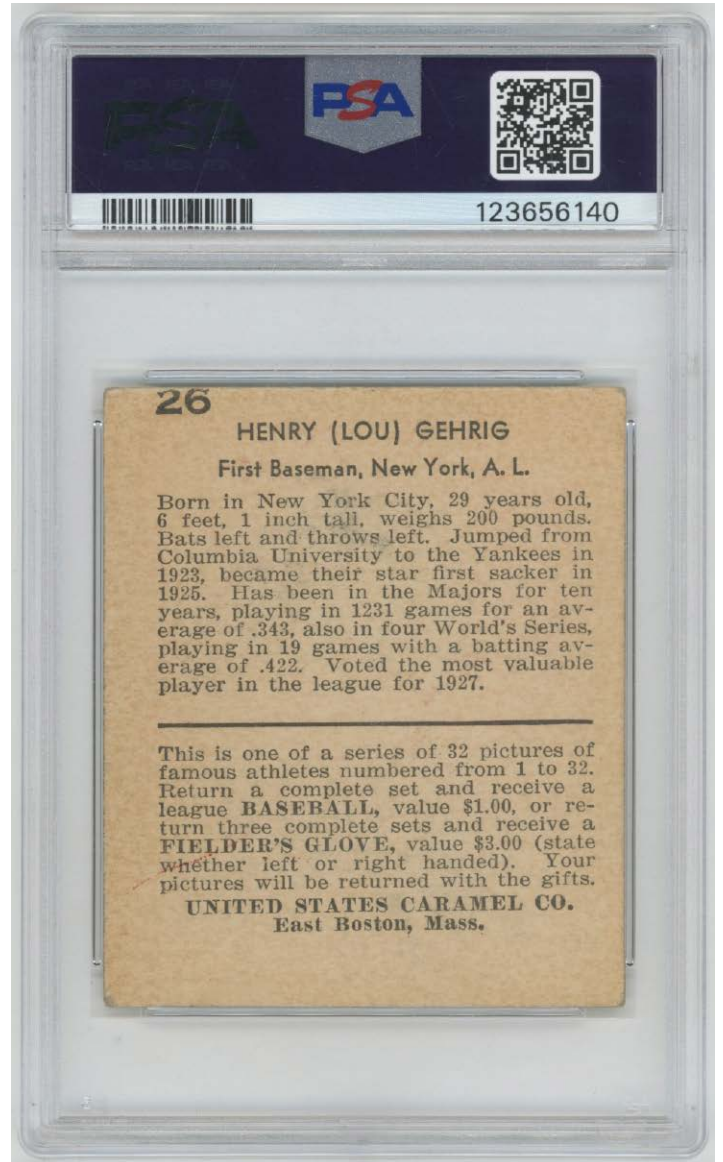

15 1929 Star Player Candy Babe Ruth SGC 1 4000

An extremely rare 1920s Babe Ruth card, these hardly ever come to market. There has just been one public sale since 2016 for one of these (PSA 5 \$65,485) on September 2023. The offered card has excellent centering and a pleasing image. There is extensive creasing and some lesser issues that keep this at a 1. The back has no paper loss, but some moderate toning/staining. The text on the back is all fully visible.

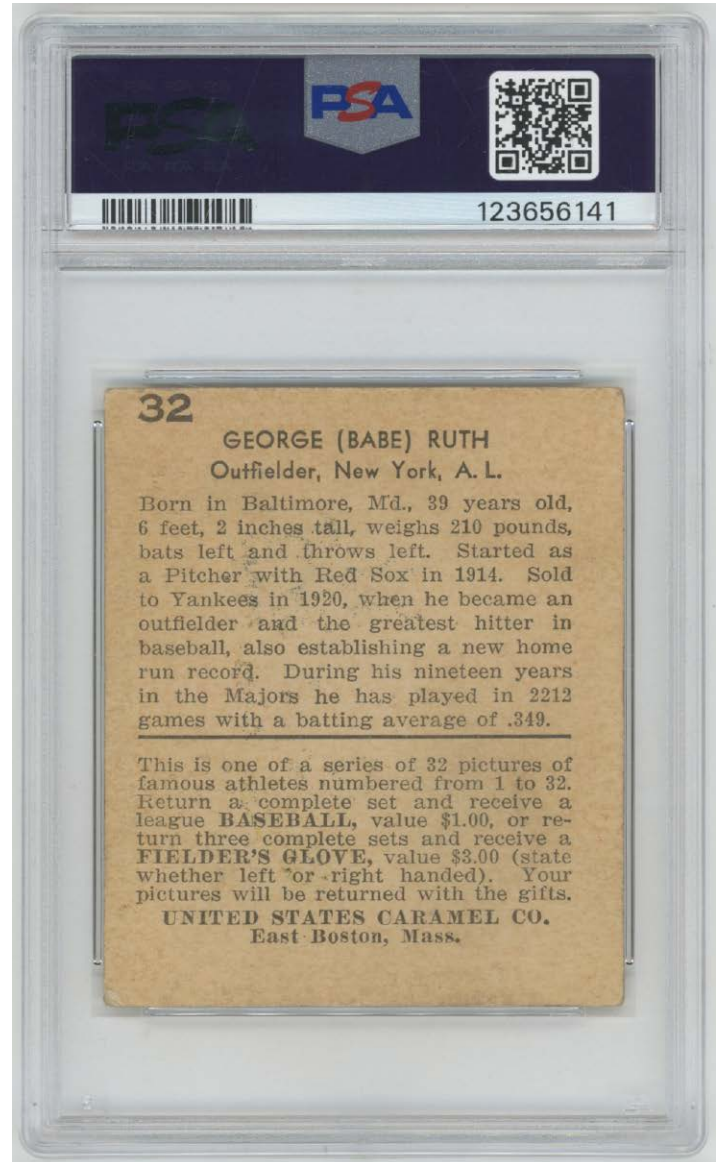

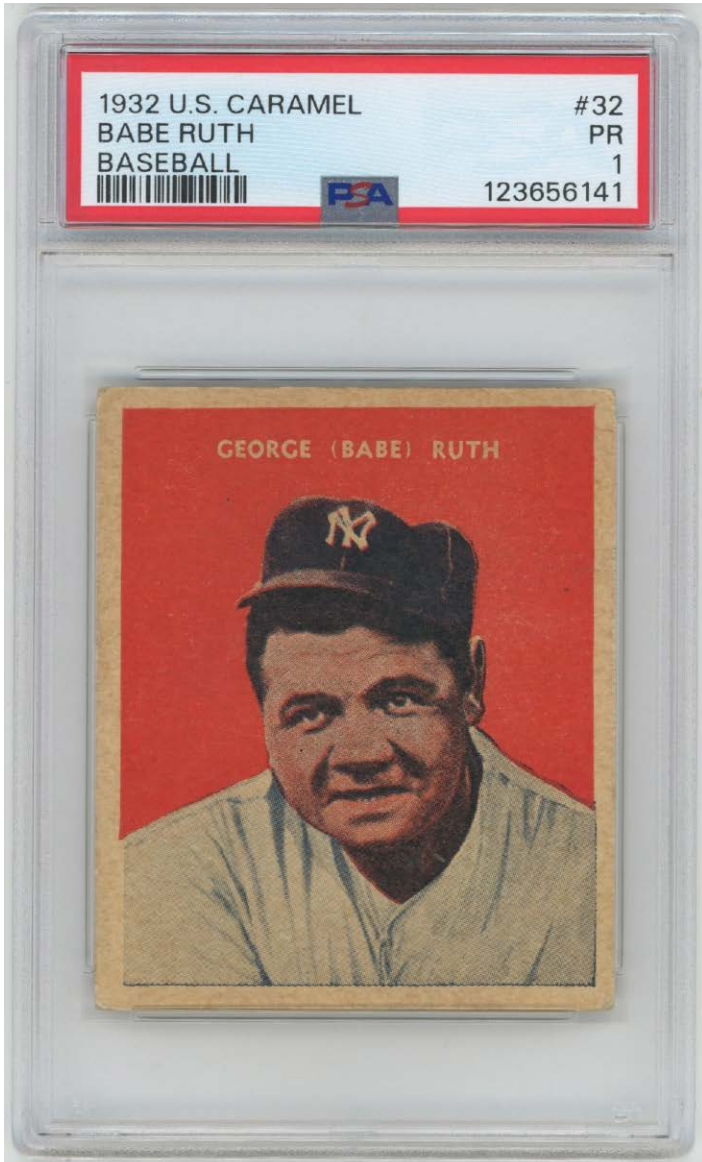

A low grade card that retains solid eye appeal, who wants to own a 1920s Babe Ruth card that hardly anyone else has?

Key Lots

16 1932 U.S. Caramel 26 Lou Gehrig PSA 2 1000
An iconic card of Lou Gehrig, you have to love this wonderful image of Gehrig's hat turned up. Centered mildly to the left border, this has rich color and a superb image. The surfaces are clean. There is just the slightest hint of a surface crease, the corners look good. The back looks great, this is another card that was graded at this years National with a very harsh grade.

Key Lots

The corner wear is very mild, the borders look good. The back is perfectly clean. Creasing is present on the front center of the card, but it does not crack the paper, nor is it visible on the back.

We feel PSA was more than harsh with the 1 grade here, the winning bidder should really enjoy this extremely conservatively graded card.

Key Lots

19 1933 Goudey 106 Napoleon Lajoie PSA 2 mk 3000

A legendary card, the Goudey company did not issue this card in 1933, avid collectors had to write to Goudey in 1934 to complete their sets. Key Lots

25 1953 Topps Complete Set GVG..... 1500

A vital Topps set, offered is a low grade but still very appealing set. The cards vary in grade, perhaps 65% GVG to VG, the balance lower. The lower cards cards tend to retain respectable eye appeal, these are not ugly or destroyed cards by any stretch of the imagination. The high number run is pretty nice for a set in this grade, but there is condition variance there as well. The set does have cleaner cards scattered about. The three key cards, while low grade, all display well.

We rate the many key cards as follows: 1 J Robinson Fair-Good mk, 27 Campanella Good, 37 Mathews GVG, 54 Feller Fair-Good, 61 Wynn GVG, 76 Reese Good, 82 Mantle Fair-Good (well centered, moderate creasing, very nice card for the grade), 86 Martin Good, 104 Berra Good, 114 Rizzuto Fair-Good, 147 Spahn Poor, 207 Ford GVG, 220 Paige Good, 225 Shantz GVG mk, 228 Newhouser Good, 242 Silvera GVG, 244 Mays Fair (crease and surface wear by top border, displays very well for the grade), 258 Gilliam RC GVG, 263 Podres RC GVG, 265 Jensen VG+ mk, 270 Stephens VG, 273 Haddix RC VG, 280 Bolling RC Good.

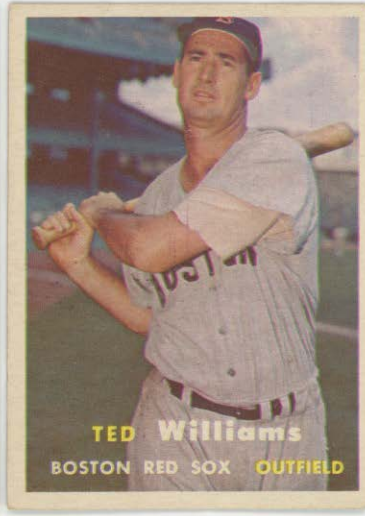

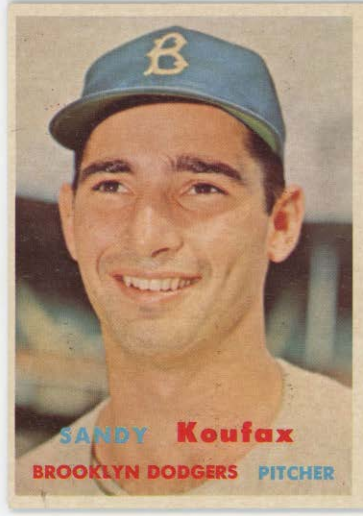

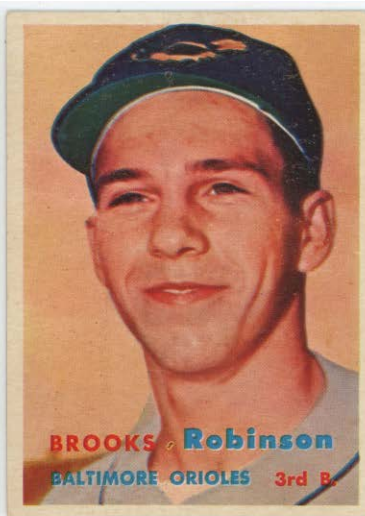

Key Lots

26 1955 Stahl-Meyer Mickey Mantle PSA 1 mc.....2000
 One the neatest and coolest of all Mickey Mantle oddball issues from the 1950s, these are revered by collectors. Always scarce and in extreme demand, these do seem like utter bargains relative to his widely produced Topps and Bowman cards. Cut to the top border, the offered lot has a classic color image of a smiling young Mickey Mantle. The front of the card just has some faint creasing and slight staining. The yellow borders look good, the edges are reasonably crisp and clean. The back has some minute scraping in the color borders and general wear in spots. The reverse retains good color and displays pretty well overall.

An honest lower grade example of a key 1950s Mickey Mantle scarcity, the last public sale was for a PSA 1 for \$10,269 on 1/11/2025.

29 1953 Bowman Color 59 Mickey Mantle Signed Card PSA 7 (auto) 1000
 The 1953 Bowman Color is among the most classic and beloved of all of his cards. A hot card in recent years without a signature, the high value of these has always made signed examples extremely scarce and desirable. Freshly slabbed at the National, the offered card is well centered with good color and a fine image. A fair amount of creasing is on the card, but it still displays well overall. Mickey signed this in a good spot, the signature is in black sharpie ink. This has to be one of the toughest 1950s Mantle cards to find with an autograph, happy bidding!

30 Pujols, Albert Game Used/Signed Bat PSA 10 1500
 One of the most beloved baseball players from the last forty years, high quality Pujols memorabilia is prized by collectors. Offered is a remarkable PSA 10 graded signed game used bat.

- 33 1887 N172 Old Judge
Jack Farrell Hand on Hips PSA 6..... 275

A tougher Old Judge common as he is a Baltimore player, we hardly ever see these. The image has strong contrast, the edges are crisp, the card is quite clean. It is very difficult to find Old Judge cards in this quality.

- 34 1887 N284 Buchner Gold Coin
King Kelly (right field) PSA 1..... 200

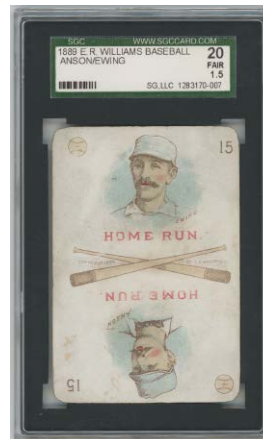

A very difficult and desirable card, we hardly ever see these. Freshly slabbed, the offered card has a colorful and attractive front. We do not see any creases, back damage keeps this at a 1.

1888 E.R. Williams Playing Cards

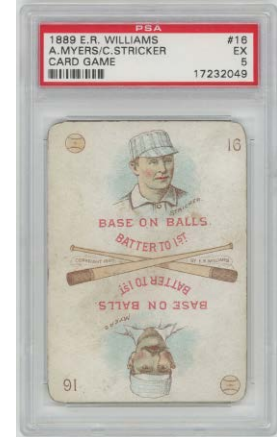

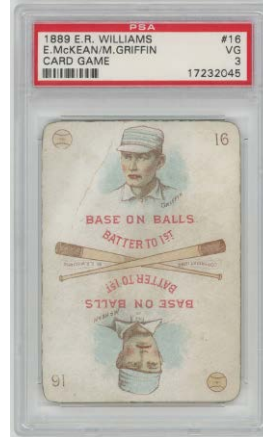

- 35 Anson/Ewing - Both HOFers! SGC 4..... 100.5

Offered is just a terrific card from a very elusive, undervalued and attractive color 19th century set. Notable for charming images, this is one of the earliest dual-HOF cards in the hobby. The names could not be any bigger here. A colorful and attractive card, some minute scraping by the lower left corner keeps the technical grade low. The back has some wear and is not bad at all, this card has the eye appeal several grades above its technical grade.

- 36 Clarkson/Keefe - Both HOFers! SGC 4..... 200

Offered is just a terrific card from a very elusive, undervalued and attractive color 19th century set. Notable for charming images, this is one of the earliest dual-HOF cards in the hobby. We do not see any creasing, moderate edge wear likely led to the 4 grade. Great card.

- 37 McKean/Griffin PSA 3..... 50

A 19th century HOF card, this issue is not so easy to find with numerical grades. Freshly slabbed, the color is terrific. Some creasing is present, but typical back damage led to the 1 grade.

1888 WG1 Playing Cards

- 40 Connor, Roger (HOF) PSA 5..... 150

Offered is a simply gorgeous color 19th century card of a HOFer. A rarely offered issue, we hardly see any cards from this set, much less a HOFer. The image quality is just amazing here. A bright and clean card with a very crisp appearance, the back looks good, light edge wear may have kept this at a 5, we are not certain.

47 1906 W601 Premiums Philadelphia A's w/four HOFers 100

So undervalued, this great looking premium checks in at a hefty 13x14. Full size, which is unusual, this came right from the album of issue. There is damage in one spot by the top border, the images of the players look great. The HOFers are Mack, Bender, Plank and Waddell.

48 1906 W601 Premiums Washington Senators 50

Exceptional quality, this has hardly any wear and is nice a W601 as one will find. Alas there are no HOFers as this is the Washington team, the offered piece is a great for a high grade type-card collection.

Baseball Cards

49 1907 Raymond Kahn Company
Cleveland Naps Postcard SGC 3 375

Another rare postcard, these hardly ever come to market. A real photo postcard, when found these tend to be in terrible condition. The offered card is remarkably nice for the issue. Unmailed with a very clean back, this has light creasing and corner wear that keep this at a 3. A quality team, this pictures HOFers Nap Lajoie and Addie Joss.

50 1907 Detroit Tigers Team Postcard
w/outstanding inscription SGC 1 200

Another utterly charming piece, offered is a desirable 1907-1909 Detroit Tigers team postcard. Headlined by a young Ty Cobb and his HOF teammates Sam Crawford and Hughie Jennings, these are always desirable. The offered lot is postmarked in 1908 and has been mailed. The writing along the borders of the front of the card is just priceless: "Jennings just have us good seats for the game. It's a great day". Almost a museum quality piece, how cool and unique is this?!

51 1908 Ratsch Peerless Sporting Goods
Cubs/Tigers Championship Postcard (scarce) SGC 1... 200

A very scarce postcard, this is an extremely colorful and attractive postcard. Quite scarce, these come to market very infrequently and this is the first one that we have seen or handled. Produced for the 1908 World Series between the Cubs and the Tigers, this has vivid color imagery of a game in progress. The postcard has been mailed, some creasing is present. The surfaces are clean overall, this retains outstanding eye appeal and is just a terrific pre-1910 World Series postcard.

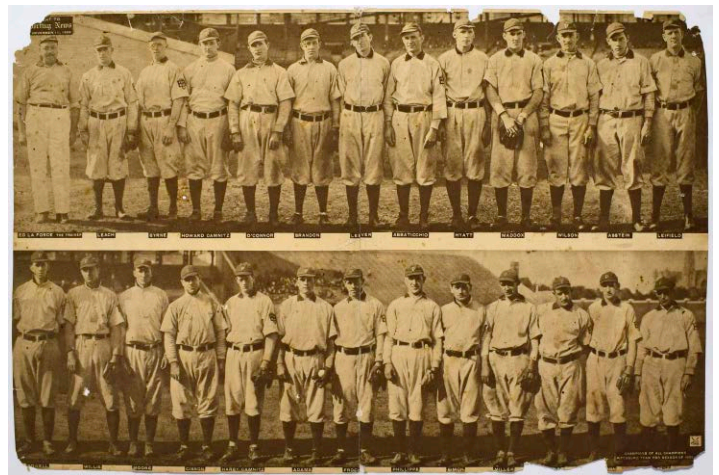

52 1909 E95 Philadelphia Caramel
Eddie Cicotte PSA 3..... 75

A very popular card, this is now especially interesting as Cicotte may become a HOFer in the future. An extremely attractive card with a wonderful image, this is a freshly slabbed and very attractive 3. Well centered with only slight creasing, the back is clean. The color and borders are fine, the corner wear is very mild for the grade.

53 1909 M101-2 Premiums
Pittsburgh Pirates Double-Size Card 100

This is such a hard card to find owing to both the huge size (16x10+) and the very fragile paper on which these were issued. Very clean for one of these, edge wear and general wear is present, but SO MUCH less than usual. Residue from scrapbook removal on one spot on the back has been covered with plastic to avoid this sticking to another medium. Fine piece.

1909 T206 Singles

54 Bush (Carolina Brights) PSA 2..... 300

A super desirable back, these are missing from even very advanced T206 collections. The offered card has a nice image and good color. Creasing is present by the top border, the bottom of the front has some staining/toning. The vital back displays quite well, there is just slight toning at the corners. This is a perfect card for a T206 back run.

Baseball Cards

1909 T206 Singles

55 Chance (portrait, yellow bkd) SGC 2 (Tolstoi back)..... 100

A tough card to find with this back, the image looks great. A crease by the lower right corner keeps this at a 2, the Tolstoi back looks great.

56 Isbell (upside down back!) SGC A..... 200

How is this for a cool T206 card? Offered is a 1909 Frank Isbell of the White Sox with a Piedmont back. The catch: the Piedmont back is upside down and slightly miscut. Slabbed Authentic by SGC, this is a great card to add to any T206 back run or any other advanced T206 collection.

57 Mathewson (dark cap) PSA 2.5 (Old Mill) 200

An absolute top T206 HOFer, it is never easy to find players of this caliber with a better back. The offered card has gorgeous color, a beautiful image and solid centering. There is just one fine crease, the borders are white, the corners are fine. The back is clean, fine card.

An absolute top T206 HOFer, it is never easy to find players of this caliber with a better back. The offered card has gorgeous color, a beautiful image and solid centering. The borders are white, the corners are more than fine for the grade. Some creasing is present in the center of the card, but it does not crack the paper, and the back is barely affected. A very fine card for the grade, the scarce Sovereign 150 back provides from a truly superb combination here!

59 McCormick (Carolina Brights) SGC 1.5 225

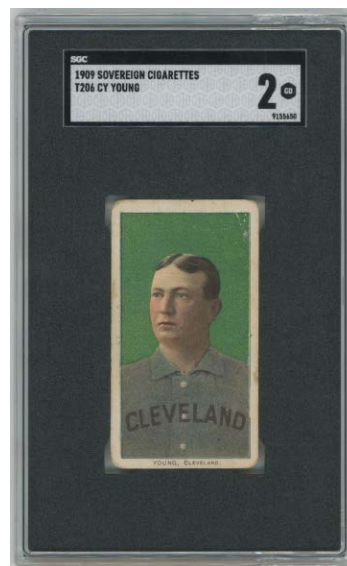

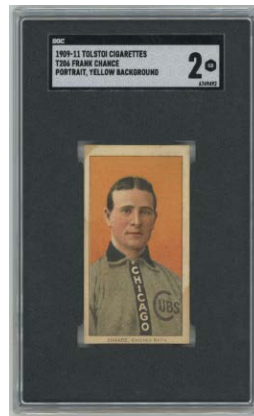

A super desirable back, these are missing from even very advanced T206 collections. The offered card has no visible creases, the surfaces are clean. Miscut, this shows much more on the front than the back. The Carolina Brights back is quite clean and fine, this displays really well and is perfect for a T206 back run.

60 Sweeney Error PSA A..... 150

An extremely desirable T206 variation, these are very hard to find and highly sought after by advanced T206 collectors. The offered lot is slightly miscut to the top border, hence the Authentic rating. We do not see any creasing, the color is vibrant, the image is really nice, the borders are clean. The back looks good, the red ink is clearly missing on Sweeney's hat.

61 Young (Cleveland, portrait) SGC 2 (Sovereign Back) 700

An absolute key to the legendary T206 set, this is one of the sought after cards in the entire set. The offered card is special as it comes with a very tough back to find on a Cy Young card. Well centered, the image looks great, the color is vibrant. There is a slight crease at the upper right corner. The back has light staining and displays pretty well overall. Do not assume another of these will be coming around again anytime soon!

A truly beautiful items, these are just so awesome to peruse when held in hand. A wonder of 19th century lithographic printing, these are just fabulous. Cut a touch to the bottom border, something tells me these will end up being cut up slabbed.

304 1960 Lake to Lake Dairy Braves Complete Set w/PSA keys..... 200
 A very, very tough set, the short-printed cards are so hard to find. From a terrific Braves collection, we sent these cards to PSA: Aaron (1), Boone (5), Bruton (1) and Covington (4). The balance of the set appears to be in the VG-Ex/Ex range, everything will be pictured on our website. Do not assume another one of these will be coming around again anytime soon as a full set.

306 1961 Golden Press Complete Set in Original Book..... 150
 A very difficult item to find due to slabbing, the value here as singles is very substantial.

307 1961 Golden Press Pair of Complete Sets in Original Albums..... 200
 A hot item in recent years due to slabbing, these have become very hard to find as original issued in the charming book. An interesting pair, the Golden Press company raised the price from 25 to 29 cents at some point on these (the horror!). A neat set to keep as-is, the value in slabs can be very substantial. No guarantees on any grades of course, some pages and cards will have creasing and typical condition issues.

308 1961 Peter's Meats

Complete Set on Original Boxes (24 pcs) NM..... 500
 A super cool set, these are such attractive cards. All are flat and in the original boxes as issues. The first two cards and the last card have tiny visible creases by the very top or bottom border, the rest of the set appears to be remarkably clean. The cards all have the original gloss and a pack fresh look and feel. The edges are sharp, the key HOFers Jim Kaat and Harmon Killebrew both look terrific. These can sell for hundreds of dollar each as singles, this is a substantial little set. A great item to add to any advanced vintage card collection, full sets seem to have disappeared from the hobby in the last decade, these cards are just really cool to see and feel in hand

314 1963 Jell-O Woodie Held Full Box 100
A tight and complete box, these are always neat to find. With some mild general wear on the card and box, this displays really well overall.

317 1965 Topps Complete Set Ex+ 600
A very popular Topps set with a very attractive design, these are always desirable. We rate the offered set Ex Plus overall, there could be roughly 30% variance, mainly down to a nice VG-Ex. A fresh set, several cards have the original wax, these almost invariably display well for the grade. The cards below Ex often have a tiny crease or other small technical flaw but display well. We rate the key cards as follows: 3 Killebrew/Mantle LL VG+, 16 Morgan RC VG+, 134 Mantle WS VG-Ex/Ex, 155 Maris VG-Ex/Ex, 160 Clemente Ex+, 170 Aaron Ex-Mt, 207 Rose Ex++, 250 Mays Ex, 300 Koufax Ex+, 320 Gibson Ex++, 350 Mantle VG-Ex/Ex, 385 Yastrzemski Ex, 400 Killebrew Ex-Mt, 461 Carroll/Niekro VG-Ex/Ex, 470 Berra VG-Ex/Ex, 477 Carlton RC Ex-Mt, 510 Banks Ex+, 526 Hunter RC VG-Ex/Ex, 540 Brock Ex-Mt, 581 Perez RC NM,

 A solid Ex Plus overall set, these tend to have black borders and rich. The cards are perhaps 65% Ex Plus or awfully close to Ex Plus the balance should almost all range from VG-Ex to Ex. 320 1968 SCFC Complete Set (78 w/checklists) Ex+ 125
 A real oddball set, these measure 3.5 x 4.25 inches. These cover baseball HOFers with Myron Aronstein drawn images. There are many sharp cards, but there is some condition variance. We feel the set is Ex Plus overall. This might be the first time that we have handled one of these.

321 1968 Topps Action All Star Stickers 11 Drysdale Center Panel (Jenkins/Oliva)..... 100
 Well centered, this is mid-grade. There are some nicks in the right border, as well as some general wear. The stickers all retain good color, this has solid display value despite some mild condition issues.

have fine creasing, these are exceptionally crisp and clean
overall, this is just a great lot to hold in hand and admire.

327 1973 Topps Complete Set Ex-Mt 200
An Ex-Mt overall set, this has some condition variance. Sec-
ondary upgrading could be in order here, the checklists are
marked, assorted cards have issues. Presented in team order,
the set looks to be about 70% Ex-Mt or so to our eyes, the
balance varies, close to Ex overall. There appear to be a fair
number of Near Mint cards scattered about. The set looks to
include the team checklist set. The key cards are pretty nice,

Autographed Cards

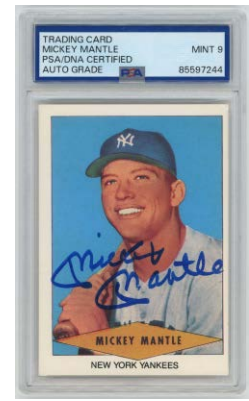

344 1947-66 Exhibit Mays Batting PSA 10 (auto).. 200
Offered is a gorgeous signed original Exhibit card of none other than Willie Mays. The card itself is a clean mid-grade exemplar with a flawless image and a nice back. Signed in red sharpie ink with lots of writing, this has a marvelous flowing signature. Freshly slabbed by PSA, they rated the autograph a 10.

348 1954 Bowman 89 Willie Mays Signed Card
PSA 7 (auto) 500

A somewhat elusive Bowman Willie Mays card, these are really hard to find with an autograph. The offered card was freshly slabbed at the National, it came back a 7 for the autograph, which we feel is a bit harsh. The autograph is in bold and large blue sharpie ink, the card does have creasing under the signature. An colorful and attractive lower grade, this displays very well with the fine autograph.

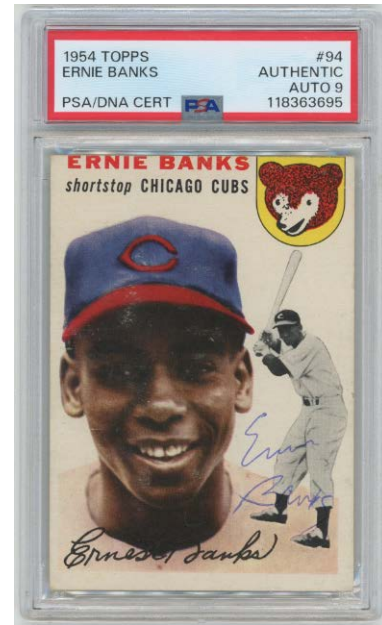

349 1954 Red Heart Reprint Mickey Mantle Signed Card
PSA 9 (auto).... 150
A fun signed Mantle card, if only it were the original card! Boldly signed, the 9 grade might be a touch conservative here.

345 1948 Bowman 17 Enos Slaughter Auto Rookie Card
PSA 2/9..... 150
Nicely signed in earlier blue ballpoint ink, a crease keeps this card at a 2. The image is quite nice, this displays well.

346 1951 Bowman Reprint Willie Mays Signed Card
PSA 10 (auto) 75
The closest 99.9% of us will come to a real Willie Mays Rookie Card with a Gem Mint signature, this is still a tougher piece. Seldom seen with an authentic autograph, this looks great.

350 1954 Topps 94 Ernie Banks Signed Rookie Card
PSA 9 (auto).... 400
From a world class Cubs collection, this was one of our con-signor's favorite cards. Likely vintage signed, this is so much nicer than the sharpie examples that typically trade. Neatly signed by the lower right corner, the autograph is in vintage blue ballpoint ink. The card itself has bright color and a very attractive image. Centered to the top border as is typical, the corners come to points, we do not see any creases or wrinkles. The back is clean, some print snow is visible on the front. One of the most beloved HOFers, this is a great signed HOF Rookie Card.

347 1952 Bowman Lot of 21 PSA-Slabbed Boston Braves/Red Sox..... 200

PSA 9 (auto).... 500

One of the most attractive 1950s Willie Mays cards, these are really hard to find with an autograph. The offered card was freshly slabbed at the National, it came back a 9 for the autograph. The card itself is in the VG range, but has slight scrapes by one side on the back. The front of the card retains excellent color and image quality, the Mint blue sharpie ink signature contrasts nicely against the card itself.

353 1963 Stat Back Exhibit
Roger Maris Auto Card
9.5..... 200

An ideal combination of card and signature, this looks great. The postcard size card has four crisp corners, clean surfaces and a perfect image. The back has the stats from Maris's fine career and an owner's stamp. Roger signed this on the front in perfect blue ballpoint ink, the gorgeous signature contrasts perfectly against the card itself. Very fine. JSA LOA (full).

Signed Perez Steele Postcards

365 Alston **PSA 7..... 200**
 A very difficult Perez Steele, this long-time Brooklyn and LA Dodger HOF Manager had only four years to sign these. Alston did not do shows, hence the scarcity. A bright and clean exemplar, freshly slabbed at the National, PSA was very conservative with the 7 grade in our opinion.

366 Ashburn **PSA 8..... 150**
 Sadly scarce given Ashburn's death shortly after becoming a HOFer, this has a pleasing blue ink signature right above his printed name.

405 Williams and DiMaggio Superb Signed Base 9 250
 One of the most unique Ted Williams items that one will ever see, our consignor was close to Ted. Williams penned his famous science of hitting style diagram on the base with a great inscription and signed it to our consignor. Our consignor decided to have DiMaggio sign it to and DiMaggio apparently feeling intimidated by Ted's elaborate writing, penned a very rare 56 inscription above his signature and circled it for emphasis. DiMaggio and Williams were rivals for over 10 years, this is a very unique and fascinating item in light of this. Mounted onto an attractive backing, the total size is 20x21. JSA LOA (full)
